 causes stir in Albany

Pastor and Mrs. Wayman Mitchell

*As the clay is in the
potter's hand, so
are you in My hand,
O house of Israel!
Jer 18:6*

Pastor and Mrs. Scott Lamb

The Potter's House

Prescott, Arizona The Potter's House

Pastor: Wayman Mitchell
Corres: Daniel McCarty

Hello from Prescott! Summer time is almost here and the harvest field of souls is whiter then ever. We have been busy as usual with many different outreaches and God is truly bringing people into the church. We have seen many people

Chinle, AZ ministering for us, along with the rap group, "The Goodfellas" performing. We had close to 500 young people show up with eight saved. Pastor Aragon preached a powerful sermon about setting your affections on God. It

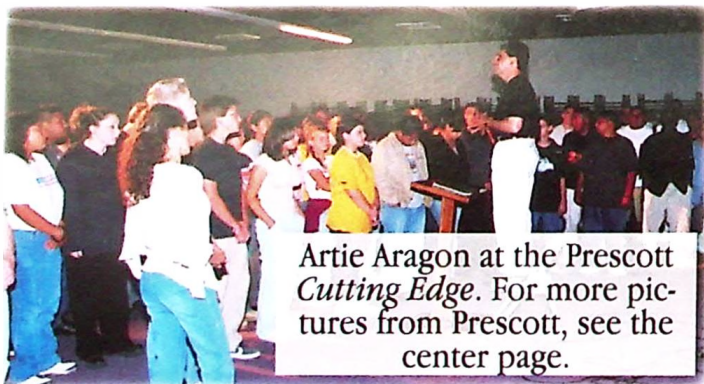

was a powerful time. The very next day, we had a Cinco De Mayo Fiesta at a park in Prescott Valley. The band "Crossway"

from Casa Grande sang some festive music for us while some Hispanic saints cooked

up some "barbacoa" beef, which was delicious. There were a number of visitors who showed up, and at the end we saw seven people saved.

As the weather has become more pleasant, we have begun to really

take the gospel outside the four walls. Several Friday nights, we have had a barbeque, band, and movie at a park or in someone's front yard. We've also started up neighborhood healing crusades and we are beginning our outreaches at the courthouse where we also have a band and a movie. We have already seen more than 20 souls saved. Jesus said to go out into the highways and hedges and compel them to come in, that my house may be filled. Here in Prescott, we are taking God's mandate seriously. Please pray that God will help us as we enter into this next season. God bless you and we will continue praying for you.

Artie Aragon at the Prescott Cutting Edge. For more pictures from Prescott, see the center page.

saved recently and locking into our services. We wrapped up our Men's Discipleship meetings with Pastor Paul Stephens in April and Pastor Scott Lamb in May. Both men preached outstanding sermons. Look for these to start up again in the fall.

On April 30, we had a "Cutting Edge" with Pastor Artie Aragon from

The Potter's House Christian Center
5195 N. Hwy 89 (at Junction 89 and 89A)
Prescott, Arizona

MAKING DISCIPLES
Pastor Joe Campbell
 Acts 6:1-7

The identifying characteristic of our fellowship is discipleship and church planting. We know the scriptures: "Go ye therefore into all the earth and make disciples", the Great Commission, the example of the early church. So the question before us is not so much should we involve ourselves in this, but rather why, in some churches is there a natural dynamic flow of this process, and in others it is virtually absent. There are three critical components that we want to look at. Genesis 14:14 "Now when Abram heard that his brother was taken captive, he armed his three hundred and eighteen trained servants who were born in his own house, and went in pursuit as far as Dan." It then goes on to describe Abraham's victory.

So the first thought is that disciples are made in personal relationship, heart to heart. It's not a program, or seminars, or machine made. We have discipleship seminars and they are important, but they cannot replace the impartation of spirit. This comes by relationship. Jesus said phrases like follow me, walk with me, come with me seventy seven times in the New Testament. What He is saying, of course, is follow me and I will impart to you what I am.

For this to transpire a disciple maker has to be exposed. Disciples must be able to observe how you respond to the issues of life. They have to see you when you're under assault, when you have been betrayed, when you have to judge sin, when you have to bring correction. They have to see your heart and your attitude and your character and see how you deal with the hard issues of life.

1 Timothy 4:12 "Let no one despise your youth, but be an example to the believers in word, in conduct, in love, in spirit, in faith, in purity." As disciples are able to watch you over time stand for the gospel and the principals we believe in, as they watch you pray through the difficulties and preach the truth regardless of the fallout, and observe your lifestyle, this imparts heart and spirit into them. 1 Thessalonians 1:5-6 "For our

gospel did not come to you in word only, but also in power, and in the Holy Spirit and in much assurance, as you know what kind of men we were among you for your sake. And you became followers of us and of the Lord..."

You cannot lead men to places you are unwilling to go yourself. You are going to impart your heart and your spirit. It will cost you personally.

In Genesis it says that these were men who born in Abraham's own house. You must have converts. That's not to say that you cannot disciple someone from outside who comes in, but there is something about converts born in your own house that makes a significant difference. Discipleship is most effective in the formative years of a converts life when he is still pliable and open to God. It takes an unusual person who will, later in life, give you the same privilege of speaking into his life. There are windows of opportunities in men's lives and when they are young and in the church all the time you are able to monitor their development and keep the fire alive and they can still be shaped. You cannot disciple a man who will not allow you to correct him. Hebrews 12:5-7 "And you have forgotten the exhortation which speaks to you as to sons: 'My son, do not despise the chastening of the LORD, nor be discouraged when you are rebuked by Him; for whom the LORD loves He chastens, and scourges every son whom He receives.' If you endure chastening, God deals with you as with sons; for what son is there whom a father does not chasten?" It is in relationship that you can bring that critical, absolute requirement to the discipleship process of correction.

The second thought is that disciples are made by involvement in ministry. Genesis 14 says he armed his trained servants. Its possible to have a servants heart, and yet not be armed and trained. Often you will find a good man on the field with a good heart but it is obvious that they have not been trained.

There has to be involvement in ministry. Ministry is people related and there has to be enough ministry in a church for disciples to develop. It's hard to train a man with thirty

people in the church. There has to be enough expression going on in the church for a man to get a hands on experience of working with people. There are logistical and relational issues. The man is able to work with sinners and saints. He's able to lead a bible study, orchestrate outreach, contend for standards, follow up on converts and consistently deal with real world ministry. They can begin to handle pressure. Their wives begin to negotiate the problems faced in ministry.

In all of this you begin to get a real handle on the man that you are dealing with. When the disciples tried unsuccessfully to cast out the demon from the boy, in the throws of the actual struggle Jesus was able to address issues of faith and fasting. In the garden of Gethsemane He was able to deal with their prayerlessness. When His disciples contended amongst themselves He was able to deal with service and greatness and the scams and manipulations of their hearts. Pride, arrogance, how they view people, all comes out in the process of ministry involvement. It's criminal to have a disciple in whom you see a glaring flaw and you don't deal with it. It would be like sending men to war untrained and unequipped. Too often men fail right at a point of weakness that could have been picked up on had there been a watchful eye overseeing his ministry development. In the throws of ministry Gehazi's character started to show through and Elisha was able to see it and deal with it. He tried to turn the woman who's boy had died away. He was unable to bring life to the boy. He went after Naaman for the silver and the clothing. All of this came out in the course of ministry involvement.

The text in Acts speaks of men of good report, an established reputation in the church. These had to be men who had learned the art of ministering to people in a hands on environment and their ministry had given them credibility in the church.

The third thought is that disciples are made in a spiritual dimension, a Holy Ghost atmosphere. Acts says these were men filled with faith and the Holy Ghost. This is a supernatural quality. Paul said in 1

Turkey

In March, 59 people joined in a tour of the biblical sites of the seven churches mentioned in the Book of Revelation. Pastor and Sister Mitchell hosted a group including people from South Africa, Mexico, Canada, Germany, and the United States. The group included 22 pastors and quite a number of their wives.

The weather was perfect for the trip, unlike the 2003 tour. There was a great appreciation for the insight gained about biblical sites and the ministry of the apostle Paul's journeys as well as a surprising appreciation for the great nation of Turkey, where a large portion of the Book of Acts was ministered. Turkey is a beautiful country of some 70 million people. Pray that God will give us favor and wisdom to place workers in this secular Muslim country.

We are planning another tour for March 7-18, 2005. Plan now to join with others of our Fellowship. Pastors made sermons on their free time, shared revelations, sermonized in the evenings, and relationship were deepened, new friends made, and all come home feeling this was indeed the trip of a lifetime!

United States

Albuquerque, NM The Door

Pastor: Rosario Peres
Corres: Matthew Mauldin

Greetings from Albuquerque, where we are excited to report that we recently had Tucson come and present three showing of the play "Once To Die". This is a gang play that our pastor wrote about an incident from his life as a youth. There were 120 decisions for Christ at the end of this outreach. We are very grateful to all the other New Mexico churches that helped us in our outreaches.

We followed up the play by starting a revival with Jesus Vizzera the next day. We were reminded that it was all worth it as some that had responded to the play, began to walk through the doors of the church for the revival. They've been coming ever since. Being challenged by this, the church responded by following up. Many who were already faithful in this area continued along with some

"...120 decisions for Christ at the end of this outreach!"

newcomers. One of these precious new souls had a birthday party a few weeks later where she had many of her friends and family. She began to introduce them to Pastor and urge them to come to church.

Two testimonies recently were very encouraging. One being a woman healed of cancer; the other, a couple who had

been trying for eight years to have a new child just announced that they were expecting.

Men in the congregation have been challenged at our monthly discipleship classes at one of the brother's homes. Our pastor is also encouraging by his excellent example of witnessing, following up, and encouraging. Please pray for us as we know the hour is late and our work is not near done.

Albany, OR The Potter's House

Pastor: Dave Fink

We are seeing God move in our church! People have been coming in and getting saved as we have outreached our city. Our church just did an outreach for Easter. We had Jesus dragging the

Parking lot 'Jesus' causes stir in Albany

ALBANY – Someone dressed as Jesus Christ made a brief appearance Saturday in the parking lot of an Albany shopping center.

According to a police dispatch report, Albany officers received a call at about 3:25 p.m. from someone complaining about a man dressed as Jesus, covered with fake blood, being scourged by another man with a rope in a 14th Avenue parking lot near Safeway and G.I. Joes.

The caller said his children were upset by the display and that shopping plaza employees were trying to get "Jesus" to leave. The dressed-up man kept walking, the caller said.

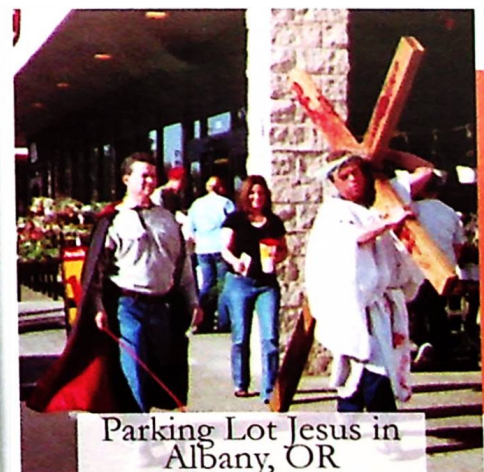

The dispatch report stated that police checked the area and did not locate anyone matching the description, nor did they receive any other calls.

However, one officer wrote, "I am confident that (Jesus) will be back some day soon."

Staff report

cross through shopping center parking lots with a man behind, whipping him. As we went through the parking lots, we witnessed and invited people out to the Easter service. We had an exciting time and a little opposition from one man who began to cuss at us and called the police, telling them we were upsetting his kids. He then followed us for half of the day. Somehow the police never found us even as we went down the main highway and into four main shopping centers. Through all this we were able to witness to a lot of people. Several came out to the service and one backslidden young man came out and got saved. It also turned out that the man who called the police works with one of the men in our church. He was able to witness to him through this connection.

The very next day, the Sunday newspaper had published the story about the outreach on the front page. This outreach opened doors for many people in the church to become a stronger witness because of the reputation the "Potter's House" is getting. Pray for us as we preach God's word and reach out to the city of Albany!

Parking Lot Jesus in Albany, OR

Auburn, WA The Door

Pastor: Matt Senger

Glory to God for the powerful work He is doing here in Auburn! In April, we had a revival with Evangelist Steve Pinnick. From the very first night we saw several visitors and backsliders come in and answer the altar call. Many people in our church received timely words from the evangelist that impacted their lives. From that revival, we have seen a precious woman lock into church and we are continuing to follow up on all the visitors that came and heard the Gospel. Every Sunday since the revival we have had visitors come in and stay for services. One of the families in our church opened up their home for Friday night bible studies. These have been very fruitful and we have seen visitors come out to church after hearing the Gospel at bible study.

We have been taking our teenagers to the youth rallies at the Seattle church. The teens are being challenged for purity and being stirred to rise up for God. We are seeing a growth and spiritual maturity take place in their lives. God is raising up young people who have a burden and a vision to reach their friends for Jesus. One of the teen girls wrote a report for school about the one person in her life who has made the most impact. She chose to write about Jesus Christ. She wrote her testimony about how God had saved and changed her, and she was able to read the report out loud in front of the entire class. She has brought

out many of her friends from the high school and prayed with several at the altar.

We are looking forward to the upcoming revival with Pastor Chris Aulson at the end of May. We want to thank the Alamogordo church for their investment in to our lives. Thank you, Pastor Mitchell and the Prescott church for keeping the vision of world evangelism.

Aurora, CO The Potter's House

Pastor: Rusty Seals
Corres: Vanessa Bellah

The Potter's House in Aurora, Colorado is tearing down the gates of hell and charging forward proclaiming

the name of Jesus Christ our Lord! We had a revival in the month of March with evangelist Tommy Seals many people were saved, healed, and filled with the

Holy Spirit! God really spoke to our congregation through the powerful preaching and we saw around 40 visitors come out!

This May our teenagers finished off their school year by holding a concert in the school Gym, students came and listened to the gospel testimonies in the music and at the end of the concert several students bowed their knees and gave there lives to Jesus !! We've had two

outreaching bands rise up this year. One is an all girls alternative band the other is a rock band consisting of 4 men, of which our pastor is the lead singer!! We are excited to have these bands to take out into the city and minister through the music.

God has also blessed us with a strong core of children and the children's ministries have been faithful in preparing them for the future, we've even gotten a few reports of our Sunday school students leading other children to Christ on the playground and inviting teachers out to church! Our children are seeing God in a real way and learning about all the miracles of Jesus.

We are eager to see what God will do in this generation of the church! We continue to be blessed and challenged as God moves in our midst! Please pray for us as we pray for all of you!

Austin, TX The Potter's House

Pastor: Terry Wakefield

The following is a testimony from a man in our church. Him and his wife have been faithful to be at services, prayer meetings, and outreaches ever since he was first saved six months ago.

Hi, my name is Kelly Nunez and this is my testimony. I was desperate for making money so I sold drugs and false papers, and I was a thief. I had a lot of enemies and was leading my wife and son into a life of danger. Then, one day, when I went to buy some illegal drugs, I saw a group of people preaching God's word and I thought, "These

people are crazy, but without the drugs." I had some friends with me that night, one of which was headed to an Alcoholics Anonymous group a little later. We stuck around to hear the preaching and we were touched by the message we heard.

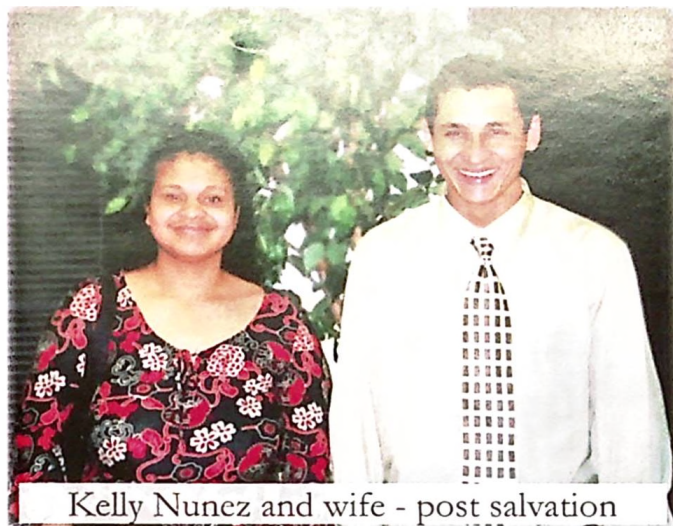

Revival with Steve Pinnick in Auburn, WA

Growing congregation in Aurora, CO

We prayed to accept Christ and my life has not been the same since. God has cleansed me from a life of destruction. My family and I have learned a lot in just six months. We now know that Jesus must be first in our lives and we are so happy to be saved!

Kelly Nunez and wife - post salvation

Barstow, CA The Potter's House

Pastor: Paul Rodriguez
Corres: Phil Zavala

It's a blessing to give a report of what God is doing here in Barstow, California. God is moving in a very powerful way. Recently, two new convert couples, being stirred by the Word, have come forward to become one through marriage. These

"...solid foundations in Jesus are developing throughout our congregation."

past months have brought a new level to the church body, as maturity and solid foundations in Jesus are developing throughout our congregation.

Following the pattern which has been laid before us, weekly door-to-door outreaches, street preaching evangelism, and bible studies have all proven fruitful with each one consistently adding precious souls to the Kingdom of God. We are excited about this year's "May Annual Healing Crusade" with Pastor Rens. Along with a revival with Evangelist

Mark Looney, the crusade each year has proven to be powerful, with healing and direction for many. Just last week, a guerilla team from Orange came in and souls were added to the Kingdom and from that three new converts are now attending regular services.

The warmer months are upon us and we are excited about all God is going to do in 2004. Our thanks and appreciation goes to Pastor Mitchell and Pastor John Zazueta, along with their congregations, and to all the saints who

are praying and laboring with us. God bless!

Beaumont, TX The Potter's House

Pastor: Albert Taplin

God is doing a good work here! We are seeing many souls get saved. We just baptized six people – a mother and her three children and a man and his nephew.

The 16 year-old daughter of this woman gave up all her worldly music and two weeks later told her mother that she didn't want her TV in her room anymore. We don't always see all we'd like to, but this is definitely

God's

work, not mine! I thank God for the opportunity to preach the gospel of Jesus Christ. You all pray for us as we pray for you!

Congregation in Beaumont, TX

Brooklyn, NY The Potter's House

Pastor: Kevin McCarthy

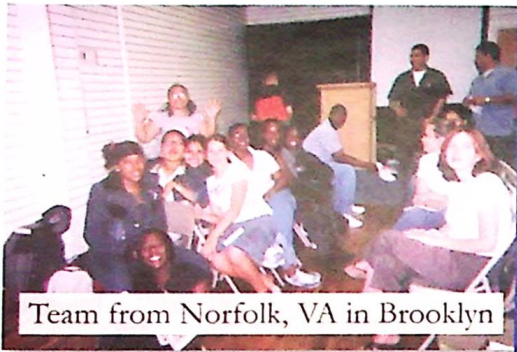

Hello, from East New York – Brooklyn! We were launched out of the July Prescott Conference from Tempe in 2003. Since we've been here, it's been non-stop. We have had outreach teams from the Bronx, Virginia, Pennsylvania, New Jersey, Connecticut, and Massachusetts come help us labor through the winter. We opened the church with a revival with James Wolfe last November. We had 34 people in our last service on Wednesday night. God has given us several wonderful people, who have come and gotten saved.

Despite the devil's attempts to divert and discourage, we press on to build the work that God has for us. We are going to be very busy this summer with revivals, outreaches, and hitting the streets of Brooklyn with the Gospel.

We recently had two impact teams come from Virginia again. Out of the two Saturday outreaches, 84 people have prayed and gotten saved. One woman, in

Rapping in Brooklyn neighborhood

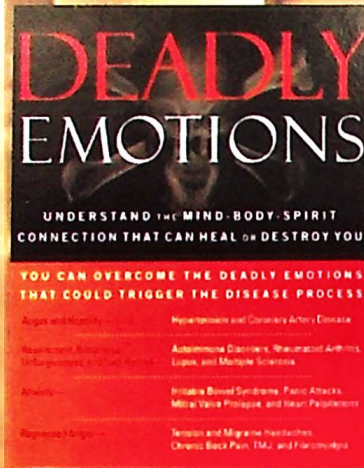

Team from Norfolk, VA in Brooklyn

particular, was walking near the church with crutches. Some disciples from Pastor Gunkel's church prayed for her and she was healed! She instantly walked down to the store and brought back groceries to bless the outreach team.

The revival with Diego Galvan and Jose Negrón were powerful and timely as well. We appreciate all those who have invested in the Brooklyn church. We thank God for our mother church in Tempe, and Pastor and Michele Aulson, for their finances and prayers have kept us afloat. Continue to pray for Brooklyn. We look forward to what God is going to do in the months ahead!

Pastor's Viewpoint

Pastor Scott Lamb

We are facing the greatest need for revival in the history of our nation. Never before has America been so close to complete moral and spiritual collapse. The homosexual agenda is grinding forward co-opting an activist judiciary and an apathetic and uninformed public. Our schools have been overrun by virulent liberalism that seeks to supplant Christianity with anything else, from Islam to Wicca to Native American religion. These same academic elite are in the process of rewriting history, propagating moral anarchy, fomenting hatred of America, and pushing an egalitarian mindset that is reducing all students to the lowest common denominator. The American Church

is so enamored with the world that it is virtually indistinguishable from the unsaved. In the May 3 US News and World Report there was an article on evangelicals in which we read: "...evangelicals are far more shaped by the culture than they are capable of shaping it..." Speaking of the megachurch movement the author writes: "The priority is to get [people] in...but to do that you down play the Christian symbolism: you take the crosses off the church; you put McDonald's in the lobby...you don't even know you're in church... the faithful now are remarkably like everyone else."

I am convinced that the only way the downward spiral of our nation

will be reversed is a genuine revival, and that, I am equally convinced, will come only in response to prayer. We can and must outreach, preach a clear gospel, and live exemplary lifestyles, but that will not of itself generate revival. We need God to move through our efforts in a supernatural dimension.

2 Chronicles 7:14 says, "If My people who are called by My name will humble themselves, and pray and seek My face, and turn from their wicked ways, then I will hear from heaven, and will forgive their sin and heal their land." Pray and seek, saints! The future of this nation depends on it more now than ever before.

The Trumpet

Chula Vista, CA The Door

Pastor: Chuck Baker
Corres: David Carraway

Glory to God! We are having a wonderful time of revival as God is breathing upon His church here in Chula Vista. In our last report, we testified of tearing down walls and making room for new souls. Now, we have filled all those chairs and are praying that God will open another door for us in a neighboring building. "Go into all the world and preach the gospel to every creature..." is a scripture taken seriously here. In the past couple months, we've had the privilege of sending our pastor to preach in Chicago, IL; Ft. Worth and Arlington, TX; Havelock, NC; Shreveport, LA; Bangalore, India; and Kuala Lumpur, Malaysia. We are still hearing reports from what God is doing in these cities. In addition, our pastor challenged the congregation for 12 people to make a six-month commitment to fill up the van and go and impact other cities for Jesus every Saturday. The impact team has had the privilege to impact 12 cities in Southern California.

Most recently, in April, we sent an impact team to Chicago, IL. We saw God move tremendously! We outreached from 9-5, had concerts in the park, in front of Wrigley Field, and street preached all over Chicago, even on the subway. On one occasion, we were doing a concert in the park where many visitors had come out. At the altar call, there was a brother translating and suddenly a shot was fired. A bullet went

through the front of his jacket, through the mic chord, brushed by his shirt, and out the back of his jacket without even touching him. We had a great time and the best thing of all is that 55 souls were saved and nine new people were added to the church. Pray for Pastor Bodnicki and the Chicago church.

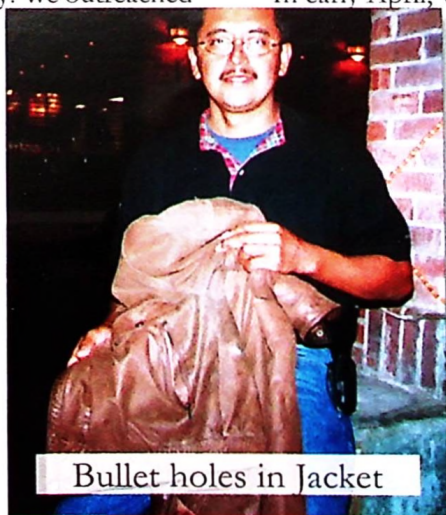

God is moving here also. At our last baptism in March, we saw over 20 people baptized. We've had powerful revivals with Evangelists Asghar Ghafoor and Mark Sanderlin, Pastors James Martinez and Scott Grabowska. At every service, we saw people saved, healed, and delivered. We have a constant flow of visitors coming into every service and we continue to have favor at the military bases here in San Diego. God has truly given us dominion at Wal-Mart, the malls and trolley stops, as we hit those up weekly. The Spanish ministry has really picked up and people have been stirred and have

Impact Team from Chula Vista to Chicago

recently started up a Spanish drama team. In April, we had two groups come from India, CA and saw people saved. We have five music groups and our Saturday night concert scenes continue to draw in people and see souls saved.

In early April, we sent out Brian and Brittany Nickens to La Mesa, CA, where we are already seeing God move in that city as people are getting saved. The baby work in Oceanside, pioneered by John and Salina Bristol, is also doing great as they are really starting to break through in the Marine base (Camp Pendleton).

Bullet holes in Jacket

We send out a carload of people twice a week to each of our newest baby works to help them. As we pray with people on the streets of their cities, it brings joy to our hearts to see them get locked in to the churches there. Our other baby church in National City is also doing great. They've got people locking in from the city and neighboring Navy base. Pray for our baby works as we continue to take the world for Jesus.

We also would like to thank Pastor Mitchell, Pastor Campbell, and the Chandler congregation for their prayers and support as we continue to do all we know how, carrying out God's vision and the Fellowship pattern of evangelism and soul-winning!

Desert Hot Springs, CA The Door

Pastor: Willis Stratton
Corres: A. Jackson

Greetings from the other city that never sleeps – Desert Hot Springs. We thank God for all He is doing, done, and will do. The un-compromised truth of the cross still is going forth in our community and "The Door" is still the place that sinners run to when the chips are down. It has been our privilege to launch our first work into Hemet, CA. Pastor Ted Hernandez and his wife, Irene, are doing fantastic. Within weeks, God sovereignly placed a core of believers in their care and within months, a building now bears the sign for "The Door" in Hemet right on the main drag of town for all to see! Hallelujah! God surely gave us a miracle also, as we were able to move into our new building when we launched our baby work.

Other highlights include the announcement of our new Door Directors, Greg and Maria Derichswieller, whom have been a true blessing in our congregation; always ready to serve the body. As summer harvest approaches, bible studies have been set aside for evangelism. Rap Attacks and personal witnessing are being thrust into various areas of our city and we are seeing fruit in all the church services. We are making every effort we can to avail our guerilla

Chandler, AZ The Door

Pastor: Joe Campbell

God's grace and peace to you! We here in Chandler thank God for the many blessings He has poured out to us by revealing Himself even more than we could imagine in the recent months. The Chandler Ostrich Festival was once again unable to stop the work of God and keep us out of the annual parade. Our assistant pastor, Hector Ortiz, was forced to present the idea for the float before a presumptuous panel of festival managers. Their requirements for participation included no preaching, no outreaching, and no Jesus. It seemed that there was no way that our float was going to be entered. Our church was told of the injustice and set to praying for a miracle. Once of our faithful saints, George Rose, sent a well-timed press release to

South African students listen to rap group from Chandler

There is nothing more powerful than to see a person radically transformed by the power of the blood of Jesus. In the last Trumpet, it was reported that many new converts had been getting saved and were locking in to our church. We now give God glory for keeping these converts and doing a wonderful work

in their lives. These converts continue to be faithful, even bringing in more of their friends and family. One young couple that recently got saved was married just a few short weeks after coming to church. Their five kids were all there

to witness the life-changing power of the Gospel. These kinds of testimonies continue to inspire

and encourage us to press on in the battle to win lost souls in our city.

Pastor Campbell took an impact team along with him during his visit to South Africa in May. The team received the awesome opportunity to perform rap music for several public school gatherings. Entire student bodies listened as the gospel was preached. Many souls were saved during this time as well.

God has been doing so many great things in Chandler. Our church has seen the hand of God move in our favor every time we step out to do what we know is right in the public arena. Whether in street preaching, public concerts, city parades, or in foreign nations, God has not been slack concerning His promises. As we continue to step out in faith, God continues to give us favor in the earth. God bless you.

Baptised saints in Chandler, AZ

the local newspapers describing the city's refusal to allow our float. Exactly six days before the parade, the city miraculously decided to allow our float – preaching, outreaching, and Jesus included!

Ministering to students in South Africa

Pastor Campbell preaching in South Africa

teams and bands to other cities. It seems that we are out of town on Saturdays more than we are home. However, it is obvious on Sunday morning by the constant influx of visitors, that God is so graciously blessing our labors.

Teens, homeless, gang members, drug addicts, all from every race in town, and even those from the local Alcoholics Anonymous hall are being taken out of the clutches of Hell! Spanish services on Tuesday nights have been seeing a new wave of visitors and this summer, we have one thing on our mind – preaching the gospel to everything that moves! Last but not least, Pastor John Murless preached a great revival with many saved and many healed.

We want to thank Yucca Valley and Pastor Murless, Pastor Lobato, and Pastor Mitchell just for being there for us and sharing your wisdom.

Espanola, NM The Potter's House

Pastor: Dan Kellinger

Greetings from Espanola! We have been enjoying a time of revival in our church, seeing many visitors come in to check it out and ending up repenting at the altar! In January, we had Evangelist Ken Haywood come and give a series of Holy Ghost meetings. We witnessed numerous miraculous healings by the hand of God. This city has an annual "pilgrimage" every Easter to an old church in town, complete with holy objects and idols. Thousands of people attend, some walking for hours and even days to somehow atone for their sins.

Witnessing to Easter "Pilgrims" in Espanola, NM

Every year, we put up a booth to hand out tracts, flyers, and the True Gospel to these misguided seekers. We followed this up with a great revival with Pastor John McCarthy. We are looking forward to a fruitful summer of parades, revivals, and outreaches. The harvest awaits!

Our thanks once again, go to Pastor Mitchell and the Prescott congregation for their support and prayers.

Farmington, NM The Potter's House

Pastor: David Maldonado

Corres: Mack Reiber

Greetings from the four corners. We are thrilled at what God is doing in the Farmington church. We are seeing folks that we haven't seen in years, coming through our doors once again, and on our Saturday outreaches, we are seeing between one and five people saved each time. Back in February, we had Pastor Scott Lamb preach a marriage seminar with many couples coming from all the area-wide churches. We had a great time.

In March, we had a revival with

and 48 people saved! Praise God!

We want to thank God and the Prescott church for sending us David and Kristine Maldonado. God bless you all!

Fullerton, CA The Door

Pastor: Mel Biangco
Corres: Alicia Biangco

My husband and I took over the church in Fullerton from Pastor Jesse and Sylvia Deanda a year ago. They left a core of good people that wanted to do something for God and are excited about the things of God. We have been having revivals with different evangelists – Asgar Gafoor, Gary Monnens, and Steve Pinnick. God has been moving with timely words and messages. Just recently, young men and women have been stirred to minister in the form of rap music. We now have our very own rap groups, "Once Blind" and "D.O.C.". We have seen people get saved and touched by the ministry of these young people.

Souls saved at play in Farmington, NM

Evangelist Mark Sanderlin, with many timely words given. For the clincher, we put together our own version of the play, "Heaven's Gates, Hell's Flames", for three evenings. We had 158 visitors in attendance

This past Sunday, we had the blessed opportunity of baptizing five people – a couple, two brothers, and another young man. We thank God for people that make a commitment to follow Jesus. We thank God for all he is doing in Fullerton. A special thanks goes to Pastor Campbell and the church in Chandler for their continuing support and prayers. Pray for us as we pray for you!

El Paso, TX The Door

Pastor: Paul Stephens
Corres: Angel Ortiz

Greetings from sunny El Paso! Last year our haunted house, "The Gates of Hell", was a tremendous success. We saw over 800 people go through, with over 250 decisions for Christ! This year we were able to take advantage of the movie, "The Passion of the Christ". The local theaters opened their doors to us, giving us total freedom. We were able to rent out the whole theater, three

Conference in El Paso, TX

times. They cut the opening previews and also the ending credits to allow us time to preach an altar call at the end. In order to attend the movie, you had to buy a ticket for yourself and one for a visitor. The church responded by inviting two or three visitors per person. They invited their bosses, coworkers, and our business owners brought out all of their employees. For every saint in the theater, there were two or three non-saved people. What a great opportunity for them to see the movie, and for us to pull an altar call. Hundreds accepted Christ and are still with us in our church.

This year, we also hosted our Second Annual Bible Conference. Our theme was "Unto the Ends of the Earth...The Grand Vision". What a visitation from God! Our guest speakers were Pastors Mitchell, Warner,

and Campbell. On Friday night, we continued with "the grand vision" and announced five new works. We sent churches to Las Cruces, NM; El Monte, CA; Sarasota, FL; El Paso, TX; and Casas Grandes, Mexico.

Many couples have been rising up since then to fill in the gaps of the ministry these new pastors are leaving behind. Many men have risen up and we have two or three different outreach teams going out every week. Our leaders are getting a burden to co-labor with the surrounding churches and we have been partnering with them to see souls saved. We are planning to hit the streets and evangelize all summer long.

To top things off, God's blessing was upon the El Paso congregation. We have been searching for a new building to buy, but have been hitting roadblocks. The banks would not finance us and we were limited on resources.

Pastor Stephens made the comment that he would not commit our church finances into a building if it meant us not being able to continue to plant churches. He said that planting churches was our mandate, not our building project. I believe God smiled upon a church committed to world evangelism and opened the doors of Heaven. A local business owner

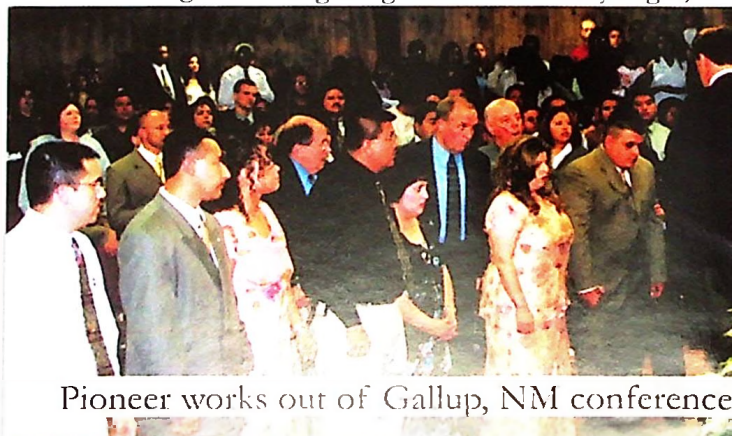

Couples sent out of El Paso conference

blessed us with a 100,000 sq. ft. building! He financed it himself, no money down, and no credit check. Glory to God! Keep praying for El Paso, as we continue to raise up disciples, plant churches, and do the will of God!

Gallup, NM The Door

Pastor: Tom Payne
Corres: James Wilson

God has been doing great things for us here in Gallup, New Mexico in the last six months. We are just finishing up our home bible studies and getting geared up to take Gallup by storm in the coming summer months. In April, we had our Annual Gallup Conference with Pastor Campbell and Pastor Mitchell. God was faithful once again by touching and re-igniting souls. On Friday night,

Pioneer works out of Gallup, NM conference

we launched four works into the nation. Praise God!

Recently, in May, we had an impact team go to Flagstaff for Pastor Nic Montoya, who was launched there in April. From dawn to dusk, God showed us His favor. We took five vanloads from Gallup and we invaded that city. In the first part of the day, we smothered a parade with flyers, went back to regroup, and hit the city. The whole city is wide open for the gospel and there are souls that are desperate for an answer. The evening was capped off with a concert. We originally were going to do it on a corner close to the carnival (a miracle in itself) but a brother came

running across the street and said he got permission from the carnival manager to take center stage in the carnival! We took our whole set up, including free hot dogs (when everyone else was charging). Needless to say, we owned the carnival. At the end of the night when all was said and done, 67 souls came to know Jesus. The Gospel works!

We have gained favor in the local high schools to do rap concerts and we are going to have Pastor Rick Martinez come and give his testimony. One young girl has started a bible study all by herself and in only two weeks, souls are already coming to know Christ! We are certainly looking forward to the coming months with the Extreme Impact, movies in the parks, parades, and Solid Rock concerts. This world is coming to an end very quickly and may we feel the urgency to reap the harvest which is plenty.

Glendale, AZ The Door

Pastor: Jeff Rens
Corres: Nathan Brazell

Greetings from the very hot, very dry Southwest. God is faithfully moving in our city, as He has before, and it is with great joy we give you this report of all He has done. The city of Glendale, and especially the area around our church building, has a high Hispanic population.

Some men in our church were stirred and in February,

they started an English class ministry on Thursday nights. We hung a banner on the side of our building, facing a Hispanic convenience store, and passed out flyers advertising this. They do a short lesson, teaching English, then a simple bible study and altar call. The first night, we saw 13 visitors and nine saved. The following week, 20 people showed with almost all the visitors saved. Now the ministry has grown to almost 50 people every Thursday night, and we have seen a number of them lock into church.

In March, we were able to have the

amazing play from Prescott, "My Big Fat Italian Funeral". This drama combines comedy with a straightforward Gospel message that has enormous impact. We had many visitors and 16 people gave their lives to Christ.

The month of April was a busy month, packed full of evangelistic events. We started off with an outstanding revival with Prescott evangelist, Mark Sanderlin. Many words were given, and many new converts came to hear timely and fitting messages. We then were able to follow this up with an Easter's Eve Healing Crusade, preached by Pastor Mitchell. We scheduled outreach teams from around the valley for the previous week and 14 teams, with over 350 people, showed up to help outreach, not including the many saints from our own congregation. We set up the crusade in the main park downtown in the amphitheater. Over 900 people showed up, including many of the surrounding Fellowship pastors and congregations. When it was over, we saw over 50 people saved and many, many notable miracles. Praise God!

We also have just recently finished a remodel of part of our building. Due to the blessing of a Christian man who employs some people in our church, a task that would have cost us huge amounts of time and money, was almost all free! We now have a beautiful new facility for our children's church, prayer room, and

"...900 people showed up...over 50 people saved!"

Saturday night "Coffee House".

We are extremely grateful for every person who has labored with and for us over the years, and count it a privilege to be a part of something that is touching the world with the Gospel. Also, thank you, Pastor Mitchell and the leaders of our Fellowship, for your relentless and enduring vision, and your faithfulness to the Commission. It is still, by far, the single greatest thing, to see a life changed by the Blood of the Lamb. Pray for us in Glendale, as we pray for you! We are truly looking forward with expectancy to all the things God has in store for us. We know we can take the land!

Hanover, PA The Potter's House

Pastor: Jeff O'Brien
Corres: Marti Shaw

The good news is that the Good News still works! Here in Hanover, we have been witness to the faithfulness of God for fifteen years now, and it just keeps getting better. Souls are getting saved on every outreach and then coming to church. Saved souls are getting baptized, being converted, and are committing their lives to the cause of Jesus Christ.

A lady who's been coming to church for years, brought her baby grandson for healing. His eyes were crossed, and the doctors wanted to perform surgery. They didn't count on the Master Surgeon, who undertook to heal the boy and his eyes are straight today! Glory to God!

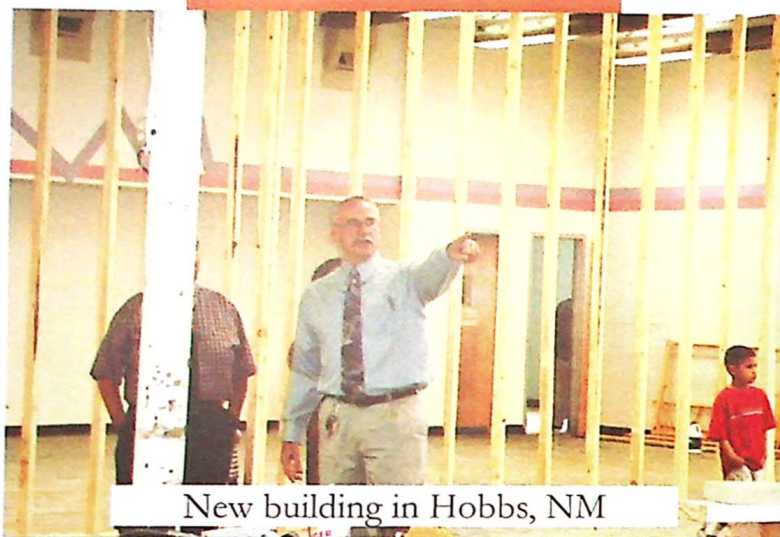

We've had outstanding revivals this year with Rick Buchholz, Larry Monteith, and James Wilkins. We're looking forward to having Pastor Alphy Fisher bring the word of God in season to us next weekend. We have concerts once a month, and so far this year, every visitor has gotten saved. Now that the weather has warmed up, we'll have concerts with drama outside.

Men and women are rising up to seize their destiny in God, and it brings such refreshment to the church. We thank God for the unfathomable privilege we have in serving Him in this Fellowship.

Hobbs, NM The Door

Pastor: Michael Stamper
Corres: Mary Ann Ortega

Hello to everyone around the world from Hobbs, New Mexico. God has really been working on us to make us a vessel for His use to a lost generation. We have just recently had the privilege of sending Pastor Stamper to Australia and our assistant pastor, Ted Garza, is in Venezuela for the first time, preaching the gospel! We are in awe at the work God is beginning to do in our church; not that God hasn't moved through our

New building in Hobbs, NM

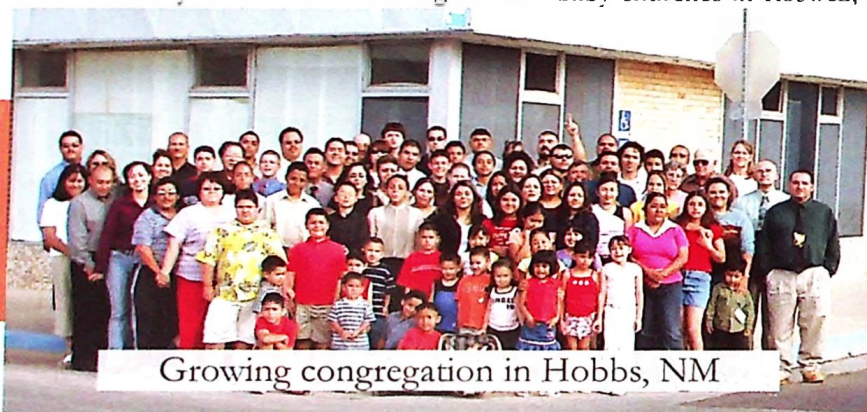

lives in previous years, but we are growing to a place of maturity, and pressing in to another dimension.

This year we will once again be

privileged to be a part of work God is doing around the world. We covet your prayers for the City of Hobbs and our baby churches in Roswell, Lubbock and

that I wanted, and I felt I was being left behind." Her husband was a die-hard Catholic, but since coming to church he's really learned a lot. "At first I didn't want to come, now I'm telling my wife to hurry so we won't be late."

We, the Hobbs congregation, are

Growing congregation in Hobbs, NM

performing at the City's Annual 4th of July Celebration. This will be the 3rd time that we present "Celebrate America". God is really opening doors with the city. At the current time, we are working on moving in to a new building. In June we will have our Grand Opening and revival in the new building.

Recently, the mother of one of the faithful women in our church has given her life to Jesus. Nena has been praying for her mother for 6 ½ years. She said, "God is faithful to His promises. The church received a Word that our families would be getting saved; those that we least expect. My mom's salvation is truly an answered prayer." Her mother said she'd been praying for a church where she could feel God's presence and she found it. "I really feel God here. I feel I'm getting closer to God. My two oldest daughters are really an inspiration to me. They are really close to God, something

Greetings from the great city of Houston in the great state of Texas! Our fellowship has been represented here for many, many years. There have been many obstacles over the years that have withstood revival but there is a core of believers in this city that will not quit. Because of that faithfulness, the years of labor are coming to fruition. We are experiencing a fresh wave of God's presence; of God's favor. We are beginning to see people that are from years back, begin to make their way back into the church - the most current, being teenagers. God has brought them back stoked for the Gospel. This is a real fresh dimension for our church because for

years we have been "couple-strong" and God's hearing our prayers for the youth. We baptized six people two weeks ago, and five of them were teenagers.

We had a recent revival with Evangelist Jerry Fussell. It was a revival in every sense of the word. Every night there was a powerful spirit of God at work. Brother Fussell was able to function very freely in the gifts, and we

"...God is hearing our prayers for the youth...we baptised six people...five were teenagers!"

saw a number of salvations, healings and, on the final night, 18 people filled with the Holy Ghost. We finished the revival with a street meeting with a crowd of believers on the street corner, and it was a glorious event. All those that received the Holy Ghost that night, were able to try out their newfound fire.

We are currently in the hunt for a new building as we are packed out quite often on Sunday mornings and are in need of a new facility. We are very glad to be co-laboring with four other fellowship churches in Houston now. It has been a difficult city for years but we really believe that God's time is upon us. The years of labor, prayer, and investment are not in vain. The best is yet to come.

Houston, TX The Potter's House

Pastor: Glen Pugliese

Killeen, TX The Potter's House

Pastor: Larry Mitchell
Corres: Wayne Nickerson

A great deal has been happening since last we posted a report. We finally completed the work on our new building around mid-February. God has given us favor on many fronts throughout the whole time - merchants donating building materials, unsaved owners of construction companies doing work for free, even great PR from the local newspaper. In March, we sent six people from our church to the annual Children's Worker's Conference in Prescott. It was a great investment as they came back

with glowing reports of how God really spoke to them, encouraged them, and gave them fresh new ideas for teaching and preaching to the kids.

Evangelist Allen Kern came and preached a powerful revival for us in March. There were many visitors and innumerable healings. Evangelist Kern gave many words of encouragement, wisdom, and knowledge. We were blessed with the presence of Iris and Coral Torres from the Dominican Republic as they were here for three weeks. It was great to hear in person about the great things that God is doing in the work there. This Easter, Pastor Mitchell felt inspired to preach a sermon on the Passion of the Christ – not the movie, but the real thing. As he preached, we had a slideshow with pictures from the Mel Gibson film. This really brought home to many all that Jesus went through to purchase our salvation.

As our congregation has continued

“...God has given us favor on many fronts.”

to grow, we now have a need for a full-time assistant. Pastor Lowell and Judy Guzman, who pastored in Temple, TX, rose to the need and have returned to Killeen to fill this need. Pastor Marvin and Angee Wells were launched into Temple to take over that work. Pastor Wells served as assistant here for many years and he and Angee will be missed. The last week of April, we hosted our third annual Harvester's Homecoming. The theme was “Shout It Out”. Assembled at this event, were our six stateside baby works and both grandbaby works. Each church was able to bring some disciples with them. The preaching primarily centered on personal evangelism, the importance of being an example, and serving in the local church. In the beginning of May we had the first wedding in our new building. We had over 100 visitors with 15 of them getting saved, including both the bride's and groom's father. What a wedding present!

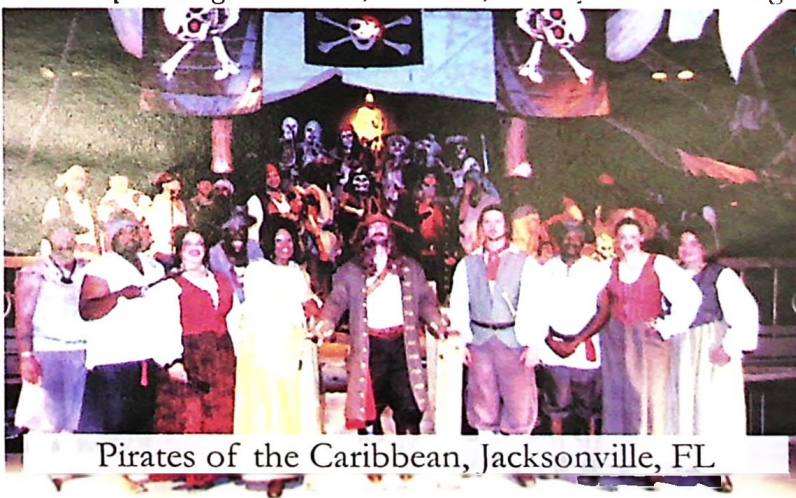

Lastly, we celebrated the return from Iraq of many of our brothers and sisters who are in the 4th Infantry Division. We

continue to pray for our troops. We have seven others in the 1st Calvary Division that deployed to Iraq in January. We have received encouraging testimonies from them as they use this assignment as a missionary journey of sorts. We thank the Prescott and Chandler congregations, and Pastor Mitchell and Pastor Campbell for their exampleship and support. We also thank God for moving so powerfully in the last four months or so. This space is not large enough to fit all the details of what God has been doing here. We ask that you continue to pray for us as we pray for you.

Jacksonville, FL Victory Chapel

Pastor: Ron Meyer
Corres: Jeremy Meyer

Greetings, from the harvest field of Florida. The saints in the south are rising again...to the challenge to preach the gospel to those that are lost. Recently, in March, we had a revival with Alvan Smith, where we were reminded to stick to the plan. The Plan being the same one we learned in the early days, which was to go to the streets and preach the gospel to the lost through drama, street preaching, concerts, movies,

Pirates of the Caribbean, Jacksonville, FL

and one-on-one outreach. In April, we ministered through a rock opera, “The Pirates of the Caribbean”, where we saw over 1000 people attend and 52 saved, in two nights. On the second night, our Arena building was so packed that we had to turn approximately 75 people away. God gave us such favor that many in the

community requested us to have another showing. One visitor said, “If I knew it was going to be this good, I would have brought a lot more people with me.” We are putting on the play once more for those who weren't able to attend earlier.

We followed this up with a revival with Pastor Joe Campbell, where some of those converts were locked in to the family of God. Since then, we have had many opportunities open up for us to do outdoor concerts in the neighborhoods and apartment complexes. We even got permission to do a concert in the Mall parking lot. The last concert took place in a neighborhood where the day before a bank robber held someone hostage. Seven people gave their life to Christ that night. As doors continue to open, we will continue to seize the opportunities. The harvest truly is plentiful here. Pray for us as we pray for you.

McAllen, TX The Potter's House

Pastor: Gabrel Alonzo
Corres: Conrad Murillo

God is changing lives and faithfully moving through the prayers and petitions of His people here in the Rio Grande Valley. We are seeing souls saved and an incredible maturity in the saints during this early part of the year. In February, we had Pastor Cary Mejia from Moreno Valley, CA come and minister the Word of God at our marriage seminar. A day before the seminar, Pastor Mejia preached to the singles of the congregation, a message of purity and holiness. For the next three services, Pastor Mejia ministered the Word of God with conviction and challenged couples to be committed to God and to one another. In attendance at the seminar were couples from over

nine different churches. We had a great time in the Lord, as many couples were greatly blessed and strengthened by the Word as their love for one another was rekindled.

Just recently, we had two powerful revivals. The first one was with Evangelist Jesus Vizzera. The Holy Ghost moved mightily through his preaching as he called out many of the congregation, and encouraged them with words of

“...on the final night of revival, 34 souls were filled with the Holy Spirit.”

knowledge. Each and every night, the altars were filled with precious souls coming to salvation, and saints made decisions to be steadfast in the faith. On the final night of revival, 34 souls were filled with the Holy Spirit. Glory to God! In May, Evangelist Chuck Benson came with the mind of God preaching with boldness and conviction. On the first day of revival, many came to be prayed for and were healed and delivered. The Lord moved upon the hearts of His people as souls came to salvation.

As we eagerly anticipate the summer months to come, there is a new spirit of fruitfulness in the church. Disciples are rising up to take the mantle to preach the gospel and new converts are filled with a godly zeal. We continue to look forward to all that God will do in our midst and ask you to pray for us here in McAllen. We rise to the call of God to take our city for Jesus!

Lubbock, TX The Potter's House

Pastor: Lee Williams
Corres: Jerry Hernandez

Praise Jesus for His grace and mercy!

As the beginning of the year came upon us, we felt as though this was going to be the year that God was going to do something very special, something that would stir up and bring revival to the ministry here in Lubbock, TX. As God's people contended and fought in the privacy of their prayer closets for a fresh move of the Spirit and true conversions, God has been faithful to meet the need and cry of His people.

This turning point came upon our congregation in the month of February. Our brother, Evangelist Jerry Fussell, came and effectively ministered the truth of the Gospel and folks were saved, healed and converted. The sanctuary was seemingly overflowing as visitors steadily came through the doors and more chairs were brought out. We saw a record attendance and every night was better than the previous one. During one of the nights, Evangelist Fussell called out the visitors and gave them each a life-changing word. Those who heeded the word are still serving God today. One visiting young man that received a word has, as a result, married the woman he was living with in fornication. Another brother has been miraculously healed of diabetes and no longer relies on insulin. He and his wife are now serving the Lord together. Another couple with a history of backsliding was encouraged and are still serving the Lord, no longer bound to nicotine and marijuana.

Immediately following the revival, our Fire Escape music scenes kicked up a notch and a t t e n d a n c e continued to soar. At one Fire

**Some wish
to live with~
in the sound
of church and
chapel bell. I
wish to run a
rescue mission
within a yard
of hell.**

**Charles Thomas
Studd**

Escape, we saw nearly 100 souls come into the building. We saw backsliders come in and get their hearts right before God. Our outreach teams have doubled in size and there is a fresh hunger for the move of God. We went right into another revival with Pastor Adolfo Lemus in the month of March. The expectancy for God to do something in His church continued to increase, and God, as always, was faithful to meet with us. Every sermon preached during the revival solidified and confirmed the fresh move of God among His people. New converts were given a clear vision and purpose as Pastor Lemus preached on the responsibility of every Christian to fight the good fight, to run the race, never giving up.

In April, at the Gallup conference, we launched our first baby work into East Lubbock. Brother Jose Ruiz and his wife, Joanna, will be pioneering a new work for the Kingdom.

Needless to say, God is reviving His church here in Lubbock and we are

New converts in Lubbock, TX

excited for all that He wants to do. We would like to thank Pastor Teshima and the Grants, NM congregation for all their prayers and support. Thank you so much for seeing a vision for this city and for your investments into this congregation. We would also like to thank Pastor Wayman Mitchell and the Prescott congregation for your leadership and righteous example. May God continue to bless you!

McMinnville, OR The Potter's House

Pastor: Bob Mammen
Corres: Jon Jash

Greetings from The Potter's House in McMinnville, OR. God is doing great things here in the Northwest. Back in December, we had a revival with Pastor Bob Overson and saw several people saved and the congregation became stirred for souls. Also, in December, we had a Teen X-treme youth outreach and had 60 teens come together to hear one of our rock bands play. Pastor Chris Aulson preached and our teens were stirred to form another band with the purpose of reaching their generation.

In February, we had a marriage retreat at the beach with Evangelist Gary Marsh preaching, followed up with revival services. We had an outreach in March with an 80's theme, featuring famous bands and heroes from that decade. Out of this outreach, we saw around 20 visitors and eight decisions for Christ. In April, we had Pastor Rick Martinez come to preach a revival. We were excited to see visitors and sinners being saved every night. There were eight decisions made for Christ that week also.

Finally, we were excited in our spring conference to launch a young couple into the harvest field. Scott and Stephanie Wegner are going to pioneer a new church in Tigard, OR, a suburb of Portland. We thank God for all that He's doing in the Northwest and all that He is going to do in the years to come.

Cinco de Mayo street preaching in Mesa, AZ

Mesa, AZ The Potter's House

Pastor: Richard Romero
Corres: Tony Gomez

Greetings, from Mesa, Arizona! God is pouring out His Spirit in these last days. In January, we started our teen ministry

“...twenty visitors
and eight decisions
for Christ.”

and teenagers from across the valley are getting saved, delivered, and set free by the blood of Jesus Christ. We're seeing genuine conversions and fruit that remains. Young people are catching the vision and are street preaching and witnessing at their schools. Teenagers are not ashamed of the message of the cross and the name of Jesus.

In the month of February, we had our annual Valentine's Sweetheart Banquet at the Wright house with over 65 couples in attendance. Pastor Joe Zeable preached a word in due season on marriage. We followed up with a two-day revival with Pastor Mitchell. After the service, we prayed for the sick and many were healed. We had a tremendous time and the saints were stirred and revived.

In April, we had a full house for our annual Easter program with the theme being Jesus Christ: Crucified and Resurrected! We had an excellent production, as people saw the reality of what Jesus did for us on the cross. Hearts melted and eyes teared, and many

souls were saved that evening. We were also able, in the month of April, to send an impact team of 61 on-fire saints to terrorize the city of Las Cruces, New Mexico. We had a tremendous time.

In May, the city of Mesa has their annual Cinco de Mayo event at Pioneer Park, where thousands of people flock from all over the valley to celebrate Mexican Independence Day. We had a major outreach that evening where over 125 saints gathered on a street corner and began to witness and street preach. We saw 32 people saved that evening. We followed that up with revival with Evangelist Jesus Vizerra. He preached a series of sermons challenging the congregation to a devotion to prayer, the will of God, and obedience to the Word of God. Many were saved and filled with the Holy Ghost. God is moving in the city of Mesa. Continue to pray for us as we take this city for God!

Minneapolis, MN The Potter's House

Pastor: Tom Kenyon
Corres: Chrissy Kenyon

Greetings, from Minnesota! We are excited to see what God is doing in South Minneapolis. In November, we closed down our work in Navarre and moved into the heart of the city. We have seen a tremendous response and grace on our church as many have come in and locked their hearts in with what God is doing. Recently, we had the privilege of baptizing 12 people in the local hotel.

Outside the 4 walls

Outreach @ the Courthouse

Our summer outreach season at the Courthouse has already been a very fruitful one! We are touching our city!

A recent neighborhood Healing Crusade was a wonderful time with 5 saved and numbers of miracles!

Neighborhood Healing Crusade

The Prescott church has charged full-speed into another fruitful summer of evangelism and soul winning. Here are some highlights!

San Luis, Mexico

We took a huge team to the annual Healing Crusade in San Luis. It was a powerful time as our youth were able to experience first-hand the power of God impacting a nation! Hundreds were saved and there were scores of powerful miracles!

The hotel guests were puzzled as we praised and worshipped God and gave testimony of what Jesus Christ has done in lives. After the baptism, one young man decided he would like to start his new life in Christ with a "manly" haircut and cut off his ponytail. Glory to God!

Our new location is bringing in every color and race. We have started bilingual services for the Spanish speaking as we have had Spanish speakers in every service. The Mexican community is very large here and their hearts are open to the gospel. There are literally hundreds of people walking down Lake Street daily, past our building. It is a very busy area of Minneapolis and the buses are key to outreach in our area as they bring hundreds down our path to witness to. People are receptive and are getting saved. It is a wonderful thing to see the hand of God move on people.

A few months back we had the opportunity to pray for a young girl that was in a terrible car accident. We drove to the hospital and the girl had been in a coma for several days. She had numerous broken bones and her prognosis was not real good. We laid hands on her and believed God for a complete healing. That night, we got a call that she came out of her coma! A few weeks ago we were working at our wood shop and the girl we had prayed for was at our door. She had driven two and a half hours to see us and say thank you!

"...we believed God for a complete healing. That night, we got a call that she came out of her coma!"

We recently had an invasion team go to Chicago to help the work there and were excited to see many of our new people wanting to drive six hours to help another church. We are excited about what God is doing in South Minneapolis and are expecting great things in the future. Thank you and continue to pray for us and our city.

Myrtle Beach, SC The Potter's House

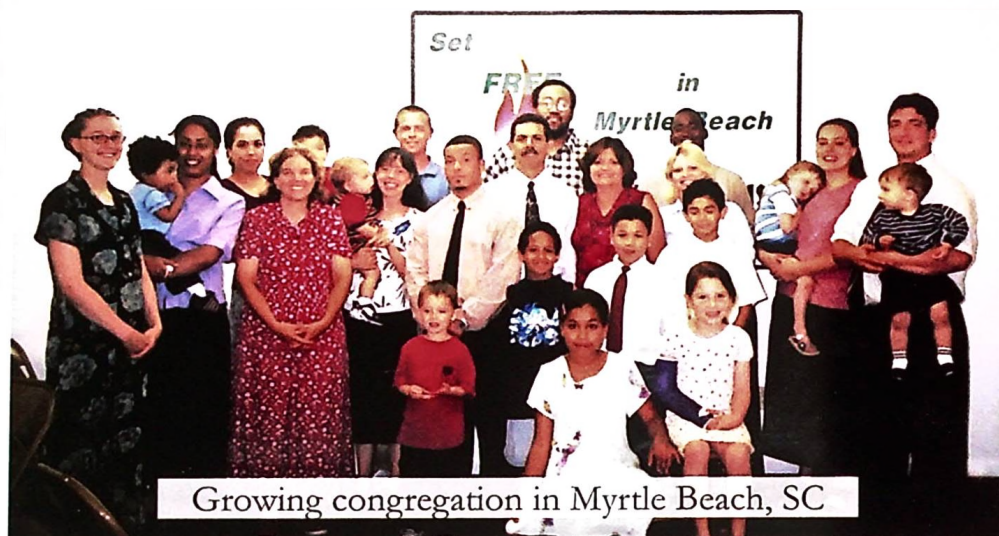

Pastor: Manuel Salcido

Corres: Jim Platingos

Greetings, from the Southeast! God is great in South Carolina and He is greatly to be praised. What a year we have had! We started the New Year with a new strategy of street preaching in the heart

service or outreach and are already feeling a calling on their life to preach the Gospel one day. We are preparing for a wedding soon.

The breakthrough, I believe, came by the effort we put into street preaching and evangelizing on the streets. Of course the devil tried to stop us with the police but we didn't back down because we serve a God who is above the confines of men. We went to City Hall to meet

Growing congregation in Myrtle Beach, SC

of the city. That really stirred up some things. People were yelling, throwing cigarette butts, and saying that Satan rules. Only if they read the bible, they would know that Jesus wins in the end. I count it a blessing when we go through persecution, even as I know it will never be close to what Jesus did for us.

God has blessed our congregation with some genuine new converts. We ran across one couple while we were outreaching down a main business road and they got saved directly across the street from the corner where we've street preached. I was straight up with them, asked if they were married and they said no. She is pregnant and neither of them is over 19. I told them that if they wanted to keep a right relationship with God they would need to split up until they got married and made it right. They came to every event and service for the next few days and by the first Wednesday they had made a decision to live right until they were married. They haven't missed a

with a representative of the city and the Chief of Police. We stated our case and they didn't reject what we wanted to do, only how and where, was the problem. I asked them where we could preach using a bullhorn. The Chief sat there for a few minutes and then said, "I think I know a spot you guys can use. How about the spot next to Wal-Mart, off the main highway? The light holds up traffic for several minutes and you won't cause any accidents there." Then the city told us that we didn't need a permit to be out there with our bullhorn!

We recently finished up a revival with Pastor Gene LaValley. What a timely revival, it being the first for our new converts. In the last four months we've also baptized ten souls. We're getting ready for our annual bike festivals this year. We are really blessed in our city because three million people come from all over the country to visit every year. God's building a strategic church in the southeast. Keep praying for revival in the land. We are looking forward to see what God is going to do next.

Redlands, CA The Potter's House

Pastor: Rich Cox

We have had a busy spring this year and God is moving in a powerful dimension as He enlarges us in our commitment to evangelism and discipleship. In March, we had a revival with Mike Sawyer and saw God stir the saints to a new level of excitement about world evangelism and the need for workers in the field. The congregation was encouraged greatly as Pastor Sawyer poured out his heart about missions and the power of the indigenous church. Many were saved and healed by the power of God. That was followed by a Paul Stephens discipleship class that not only refreshed the men but moved them to action for the cause of Christ.

In April, we started off with Pastor Mitchell for discipleship and he spoke on outreach and evangelism and followed that up with a question and answer session. There have been reports coming in from all over our area about the great impartation that was made into

"...on one outreach to our daughter church in Highland, we saw 101 saved!"

the disciples lives as they all requested to do this type of meeting again so the men could have a direct link to our Pastor. Later in the month we had Pastor Mark Aulson from Tempe and we saw 27 converts. Out of that, two couples have continued to attend. He challenged us to new heights in doing exploits for God and the saints have risen to the occasion as our teams have grown and strengthened for outreach. On one outreach to our daughter church in Highland, we saw 101 saved on the outreach that day! Praise God for His faithfulness!

In May, we held our annual Pioneer's Rally and had Pastors Joe Campbell, Mark Aulson, Duane Rens, and Scott Lamb to help us link hearts and churches for

the vision of our fellowship in Southern California. We had over 700 on Thursday night, over 850 on Friday, and nearly 700 on Saturday morning. Again many calls came in about changed lives and a fresh vision for God as a result of this rally.

We want to praise God for His faithfulness to build His church here in Redlands. We also want to thank Pastor and Sister Mitchell for their continuing prayers and support as well as the Prescott congregation for the many years of relationship. Your continuing investment in the work here is paying rich dividends that only eternity can calculate. We also want to thank the area churches for their support and unity in building God's work here in Southern California. God bless and keep praying for us as we pray for you!

San Antonio, TX The Door

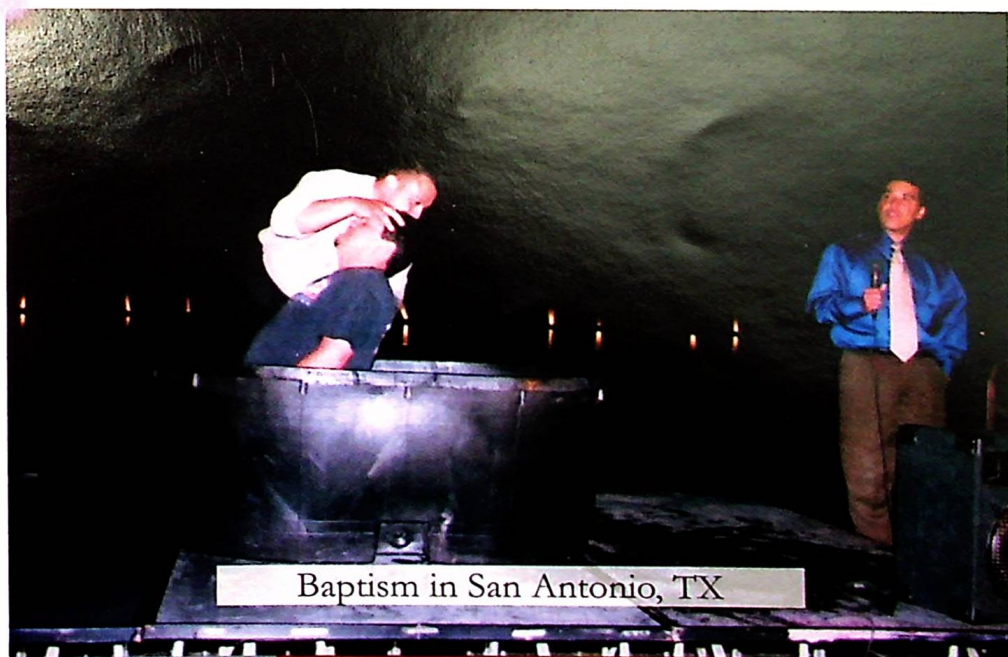

Pastor: Richard Rubi
Corres: Ruben Sandoval

Greetings from San Antonio – God's country! We began the year hosting monthly men's discipleship classes with Pastors Mark Aulson, Kevin Foley, Louis Lobato and Benny Rodriguez. Our church building gets packed with men who are challenged to rise up and be men of God. These men have brought the Word of God in due season and

God is always right on time.

In March, we were blessed to have Pastor Joe Campbell come and preach revival services for us. He came with the mind of God, passionately preached, and edified the church. We thank God for the steadfastness of Pastor Campbell who sets the pace and challenges our faith.

Every April, San Antonio holds its annual "Fiesta" celebration. This is a citywide week of debauchery, similar to New Orleans' Mardi Gras. Downtown San Antonio swells with people who let go of all moral restraint and indulge the flesh with food, beer, and dance. However, there is a light in the midst of this darkness, as many area fellowship churches partner together to boldly present the Gospel through music, drama, testimonies, and preaching in the streets. We establish the presence of God in the midst of thousands of sinners who are passing by, many of which are instantly sobered up as they unexpectedly stumble into a powerful encounter with truth. More than 25 souls received Jesus Christ. Immediately following Fiesta, we entered into a powerful revival with Pastor Duane Rens. This revival was very timely and refreshing. Many people were saved and healed, as he prayed for the sick each service. This revival was without a doubt, a reference point in the lives of many saints. Following the revival 20 people were baptized. We covet your prayers!

Baptism in San Antonio, TX

Tempe, AZ The Door

Pastor: Mark Aulson
Corres: Ben Mavis

We are so very grateful to God for His faithfulness. In March, Pastor Aulson took his bi-annual trip to Davao, Philippines. Once again, he challenged some of the men to travel with him and

Tempe team in the Philippines

experience world evangelism first hand. These men came back stirred and hungry for the harvest field, testifying how God powerfully touched them. They enjoyed the labors and camaraderie with our Filipino brethren.

After the media came against our Fellowship by telling lies on Channel 5, our pastor

had a banner put on our building to challenge passers-by to come in and hear the truth. One ASU student came in, got saved, and is still with us today. Glory to God!

In April, we had a farewell service for Chris and Rachel Arthur as they take over the work in Avondale. We also announced new "Primal Scream" directors – Eddie and Socorro Kidwell! The Gospel works and we thank God for all He is doing!

Tucson, AZ The Door

Pastor: Harold Warner
Corres: Fred Gonzales Sr.

Greetings from Tucson! We thank God for His grace unfailing, and for the faithfulness of His word. Because of it we can boldly declare, "Jesus Christ is the same yesterday, today, and forever!"

In April, we had the wonderful privilege of having Pastor Mitchell do a Miracle Healing Crusade. The crusade was held in the Tucson Rodeo Grounds. The first night, we had over 450 people in attendance and by the second

night, the attendance had nearly doubled. We saw many people healed as God confirmed His word nightly. We also saw over 50 people respond to the altar call and give their lives to Jesus.

As summer is quickly approaching us, we are preparing for our 2004 Summer Bible Conference, June 7 – 11. The theme will be, "The Midnight Cry", taken from Acts 16:9. We will have a report on all that God does in the next issue.

On December 16, 1973, the Prescott Church released Pastor Harold Warner and his wife Mona to pioneer a church on the south side of Tucson. Thirty years later, we find a thriving church full of revival. It would be impossible in a few short lines to tell the story of the ministry and the impact that has spanned three decades. That story in a nutshell is all about the wonderful works of God. It is appropriate that the anniversary gem for 30 years is the pearl. The 'pearl of great price' spoken of in Scripture is the Church. The treasure of human lives redeemed out of the earth by the precious blood of Jesus Christ. The

story of that pearl is best told in the lives of thousands of people who have been touched by the power and grace of God. The Gospel still changes lives, breaks down racial prejudices, builds strong families, and calls men and women of all ages to a life of purpose and destiny.

The Tucson congregation wants to thank Pastor Mitchell, Sister Nelda and the Prescott Congregation for planting our pastor in Tucson thirty years ago. We so appreciate your investment, sacrifice, and vision. "And the half has never yet been told."

Phoenix, AZ The Door

Pastor: Robert Hedegard
Corres: Cisco Mavis

Jesus saves and we're still preaching! Greetings, from Central Phoenix, where God is truly pouring out His Spirit and people are getting saved and delivered. The beginning of 2004 has been a fruitful time. We kicked it off in January with an "end times" revival with Pastor Richard Romero. The congregation was stirred and the altars packed every night.

In March, Evangelist Gary Monnens preached a timely revival. A new convert went up for prayer for pain she had had in her hip for six years. She was set free and walking in the victory! In May, we had the privilege of having Pastor Dave Eccles preach a "straight from the hip" revival. The flames of revival are still being fanned. God is truly building this church up, as we continue with the basics of outreaching, street preaching and follow up. He's giving us hands full and our Saturday night Extreme Scene has doubled with a solid core of teenagers that want to be disciplined to turn to the world upside down for Jesus.

We had the privilege to send our rap group, "Addicted to Christ" to Chicago and tear it up for Jesus. The brothers came back fired up with a passion for Chicago – nine million people and only one church. Praise God for the Fellowship and the vision to reach the world for Jesus. Pray for us in Central Phoenix as we pray for you. God bless.

Rochester, NY The Potter's House

Pastor: Tony Williams
Corres: Chip Ganicar

Spring has come early to Rochester and along with it have come the signs of health and vitality – both in nature and in the church. Now, watching the grass grow is not particularly fascinating, but watching the church grow continues to be amazing. Last year, we saw an influx of new people that began around the early part of spring. Once again, as the seasons began changing, another steady stream of visitors and new converts started coming in to the church. For Mother's Day, we saw the most visitors we have ever seen at any service – 18

“...we had our first wedding in almost five years.”

people – five of whom got saved at the altar call. It is exciting to see God bringing increase once again. Please pray for us as we work with and get to know these wonderful folks.

Another sign of church health is fruitfulness that goes beyond the church's four walls. This February, a longtime faithful couple, Paul and Clare Van Epps, who had been conducting a bible study in their community, began holding services in the nearby town of Brockport. They have been seeing visitors since the first service and continue to see fruit in their bible study. Pray that God will raise up a faithful core of people to take Brockport for Jesus.

The church was encouraged and challenged as Evangelist David Drum ministered a revival for the church in February. In April, we took over 20 people to the East Coast bible conference in Cape Cod, Massachusetts. A number of new people were able to go, and each person was clearly helped by the ministry. At this point, we are getting ready for revival with Mark Sanderlin later this month. The summer schedule is just starting to fill out; the nice weather is short-lived and we have a lot planned.

In Jeremiah, God speaks of the voice of the bride and bridegroom as evidence of His favor upon His people and their restoration from a time of captivity. In light of that, we have one more proof that God is bringing health and refreshing to the church. We had our first wedding in the Rochester church in almost five years, making it Pastor Williams first wedding. The preaching was anointed and the service went wonderfully. What a privilege it was to see a couple do things God's way and step into His blessing. This couple is a tremendous testimony to their families, to the church and to the many young, single people God has brought here. Pray for us as we pray for you, they are not in vain.

Yucca Valley, CA The Door

Pastor: John Murlless
Corres: Derek Jeffries

Greetings from Yucca Valley! This year has been an awesome one thus far. We have had a very full calendar, with many souls saved each month. We have had a couple of powerful revivals as well. The first was with Evangelist Dennis Wright in February. The word of God went forth and decisions were made at the altar that have permanently changed our lives. Some words were given and this church has seen only the beginning of them coming to pass.

We have seen a few powerful conversions recently. One that sticks

out is a couple that had originally been saved here over 20 years ago, but had fallen away. They just came back and God has touched their lives. They were filled with the Holy Ghost with the evidence of tongues during the Stacey Dillard revival in April. God is using this couple powerfully. They have a son that was bound by drugs and lived a wild life. He came down to Yucca Valley and hit the altar in the first service. God touched this young man's life and began a wonderful work in him. He had to get a few things right from his past, but his letters from jail have been encouraging and he's turned into a fireball for Christ. It's such a blessing to see new Christians making right decisions and allowing God to shape their lives for His glory. We look forward to baptizing at least seven souls within the next week.

We would like to sincerely thank Pastor Mitchell and the Prescott congregation for their exampleship, Pastor Lobato for His direction and help, as well as the many southern California cities that have sent teams in to help us with our efforts of winning this city for Jesus.

Dependability: fulfilling what I agreed to do even though it requires unexpected sacrifices.

Bill Gothard

Dennis Wright ministering in Yucca Valley, CA

National City, CA The Potter's House

Pastor: Toby Temoney

God is building His church in National City, as we bring you greetings from sunny, southern California. It's been almost a year and a half since my wife, Alisha, and I answered the call of God to establish a footprint of our Fellowship in this city, and God is raising up a faithful core of saints. Several revivals have brought fruitfulness and stability in our congregation. We've been blessed by the ministry of Pastor Brian Nickens of La Mesa, CA; Evangelists Asghar Gafoor and Bob Alvarez of Chandler, AZ; and Pastor Dave Eccles of Coolidge, AZ. Each and every revival saw people saved, healed, and filled with the Holy Ghost, as timely words of instruction and direction came across the pulpit.

"A fellowship church is being established in National City."

Our weekly Naval Base bible study has been the catalyst and the core of our church. I truly believe that we are reaping the harvest of my pastor's prayers and perseverance. I remember him contending for God to give us an open door on the military installations that no man could shut. These prayers have been faithfully answered nine years later, as our pioneer church stands upon the foundation of disciples being prayed in from the local base. Because of security concerns and my civilian status, I was no longer allowed to enter the barracks to conduct the weekly bible study. Two disciples have since taken over the bible study and are seeing even greater measure of fruit than before.

A fellowship church is being established in

National City. We're taking the gospel to the streets, outreaching Friday nights and Saturday mornings. We've been partnering with our mother church in Chula Vista, joining impact teams to various churches throughout California; even one to Chicago and an upcoming one to the Dominican Republic. We thank Pastor Chuck Baker and his wife, Raelene, for being the template of faith and perseverance that has become a constant reference point in our lives. We also extend our utmost gratitude to Pastor Joe Campbell and the Chandler congregation for the vision and challenge to pursue Kingdom calling. We welcome and covet the prayers of others in our blessed Fellowship as we pursue the will of God.

Peoria, AZ The Door

Pastor: Casey Mammen

Hello to all from Peoria, AZ! God is on the move here in our city and we are enjoying the ride. We have kept busy for the Lord in the winter months, laboring in the harvest field. We simply do what our Fellowship does – prayer, outreach, follow-up, music scenes, church, revivals, impact teams, etc. – and God gives the increase. We have a number of new converts that are locking in and being rooted and grounded in the faith. We have a water baptism every month and God has faithfully given us at least one new convert to baptize every time.

Just recently we had one couple pass the six-month mark and both of them began to be involved in ministry. Thank God that He builds His church!

In January, we had Pastor Rich Cox come and minister for us. He provided a great depth of insight for our congregation and God powerfully accelerated our church out of this meeting. In February, we had my pastor, Mark Aulson, come and preach a Sunday night service for us. What a time we had! God really solidified our folks through Pastor Aulson's ministry.

In March, I was privileged to go to the Philippines and preach in both the Davao and Cebu City conferences. Our church rallied together to finance that endeavor and invested in the works there in that nation. In addition, our church has been giving a monthly pledge for world evangelism that we send to our mother church, Tempe. As a result of these efforts, we have seen our church finances blessed and increased. Thank you, Jesus!

In closing, we are very blessed and privileged to be serving the faith of the saints here in Peoria. We thank Bob and Alison Hall for their investment in this church and for their trust in handing these precious people over to our care. We are grateful to Pastor Mark and Michele Aulson for their headship and help in the times of need. We also thank Pastor Mitchell for his vision and his example. Most of all, we thank our Lord Jesus Christ who has bestowed upon us such great and wondrous blessings. Keep praying for us as we pray for you.

The following is a testimony of a powerful healing of a lady in our church:

My name is Jessica Smith. At the age of eight I was diagnosed with type 2 diabetes and after 16 years of not taking care of myself, I was looking at kidney failure. In June of 2002 I started dialysis. The doctors said

Congregation in National City, CA

the minimum wait for a kidney was four years. They were also suggesting a pancreas transplant, and two organs usually meant two surgeries. During the next six months I tried two types of kidney dialysis, had three stomach surgeries, and all kinds of tubing in and out of my body. On December 9th, I received a phone call – the hospital telling me that there was a possible organ match. On the way there all I could do was thank God. At the hospital the doctors were explaining that this would be a double transplant (kidney and pancreas) and that I was very fortunate. One of the nurses was very surprised to learn I had been on the waiting list for only six months. I wasn't! I knew it was God! The operation went very well and my new organs were working normal. I was no longer diabetic and no longer on dialysis. I felt like God set me free again! I was also very thankful to hear that so many people had been praying for me.

After six months, my doctor was surprised at how fast my medication had decreased. However, in September 2003, I received a message from the hospital to go there immediately because my lab work didn't look good. A biopsy showed mild rejection of the pancreas. I was back to being diabetic. It was difficult to deal with but I wasn't giving up. The doctors tried different medications but I had my own – prayer! My husband and I prayed everyday, and before my lab work, we had our pastor pray for me also. The doctors never gave me a straight answer to my questions of how common this was or how long it usually lasts. One day, we decided to fast and asked the church to fast also. We all fasted and prayed that week and the results of my labs had changed a little – one for the better and one for the worse. I knew God was doing something. After hearing some guest speakers and receiving a word, my faith grew and I knew that God was going to heal me. He did! Little by little, every week, my labs were looking better and I was using less insulin. In January 2004, everything was back to normal. My doctor was amazed because I wasn't on any new medication and he had

tried every possible thing he knew of to do and nothing had worked. He said that in all his years of being a doctor, I was the first and only he'd seen with a pancreas come back to life. He said that I went against the medical books and that it was a miracle! I know that it was a miracle – by the healing hand of God!

San Diego, CA The Potter's House

Pastor: Rick Buckholz
Corres: Mark & Diana Jackson

Blessings from America's finest city! We are finally in our own building and facing the many challenges that life in the big city can bring. With a plentiful supply of sinners, we are kept busy with sending "Gorilla" teams, our band, and drama teams to churches in other cities. In early spring, we took full advantage of the open door brought about by Mel Gibson's "The Passion", by meeting sinners as they exited the movie theater. Many viewers were brought to repentance and the realization of the awesome sacrifice, love, and power of our Savior! This was also a great time for many of us to witness at our work places and schools.

In March, many of our church members went to Turkey with others from our fellowship to visit the seven churches of Revelation. One couple shared how the trip brought renewing to their marriage and their relationship with God. How exciting to visit the very places that are written about in Revelation.

"With a plentiful supply of sinners, we are kept busy..."

We have been abundantly blessed to have men, such as Pastor Mark Aulson, Dennis Rice, and Ian Wilson come over and share their testimonies, wisdom, and love for God. We look forward to the summer months and the upcoming conference. Pray for us as we fight the good fight!

The Bronx, NY Victory Chapel

Pastor: Robert Aviles

God has truly been moving here in the Bronx. Over the last six months, God has given us such great hope of all He wishes to do in this city. In our most recent revival with Pastor Gibbs Peterson, we witnessed many breakthroughs. The church was challenged to live right and be different. We count it a privilege to announce that God is saving souls here, one precious soul at a time. We are seeing people get saved and restored. We are, at the time of this report, gearing up for our Miracle Healing Crusade with Pastor Mitchell. We are believing God for salvation, healing, and deliverance. We would like to take a moment and thank all the countless saints of God who have labored with us here. We thank Pastor Szczepanski and the Jacksonville congregation for their continued investment here. As further testimony to what God is doing here, we would like to introduce you to a family whose lives God has touched.

Hello, we are the Maldonado family. We are so thankful to God for our salvation. We are also thankful for all He has done for us as individuals and as a family. Before we got saved, almost eight months ago, we were bound in sin. We were fornicating, drinking, smoking, and partying a lot. Our relationship of 10 years as boyfriend and girlfriend was not good. We would fight and argue a lot. There was no trust in what we had. We thank God for the love and grace He has poured upon our family. We are now married, since January 23, 2004, and God has poured His blessings upon us. We have two boys ages six and seven. Our six year-old is an insulin dependent diabetic and ever since we've been saved, his blood sugar levels have been better. There has been a drastic change in his hemoglobin A1C test. We thank God for this all the time as well as for our seven year-old healthy son. God has made a tremendous move in our finances as well. We thank the Lord for His plans and everything that He has made possible in our lives. We hope that our testimony is an inspiration to what He has in store for you.

Cascades, South Africa The Potter's House

Pastor: Jack Miller

God continues to help us. I just got the encouraging news that our church in Austin, TX is linking with us by helping to support us. Two weeks ago, our baby church helped us act out "The Passion". We had a bloody Jesus carrying the cross through a busy shopping area. I and a guy in our church took turns beating Jesus as the rest of the church people behind us shouted, "Crucify Him!" We got a lot of attention. Several people prayed with us.

One of the blessings of being here is working with the other missionaries and fellowship churches. Last weekend, I preached for a South African pastor in Durban. I prayed for a girl that had been on crutches for three years. God healed her and she began to walk without the crutches. The church has grown from 15 to 40 people.

Sunday night, our baby church in this city had its largest attendance since opening seven months ago. Eighty people came out for a movie.

This week we have Neil McCann coming to preach for us. He started a church in Australia, where he's from. He was a missionary in Scotland, was the assistant pastor at our conference church in Australia and now pastors about seven hours from us near East London.

We're looking forward to all that God will do.

Maracaibo, Venezuela The Potter's House

Pastor: Jorge Mora
Corres: Colleen Mora

The evidence of God's favor is being seen here in Maracaibo! We are happy to report that we have located a new building and are in the remodeling stages. It is located on a corner lot in a neighborhood area with a main street running directly in front of it. Being about three blocks from a commercially zoned area makes it easily accessible for anyone coming from outside the neighborhood. With a total of about 4,000 square feet, we have room to grow. Because we are on a corner

and have two levels, it is highly visible from at least three directions.

It is an exciting time for us and we believe this is the timing of God for the church here. Everyone is thrilled, getting involved, and supporting the needs as a fresh spirit of revival is sweeping over our congregation.

We were able to obtain the movie, "The Passion of the Christ", the same weekend it came out in the theaters here. We hit the streets with it, and haven't stopped. The first showing was an open-air event. We labored the week before, passing out fliers and posting announcements around that area of the city. We had over 400 visitors with over 60 decisions for Christ. The next week, we hit another area seeing over 280 visitors with again almost 60 salvations. We took the opportunity to use our new building

and were able to set up one half of the first floor for showing the movie. We were packed with approximately 220 visitors and about 60 decisions for salvation. The very next weekend we were out again in another neighborhood and saw over 320 people come out with more conversions. This has been a powerful outreach tool and we are not stopping. We have at least ten more showing scheduled for various parts of the city, and are waiting for approval from the mayor to show it in the main plaza here. We have had several visitors from these outreaches in our services and expect many more to lock in. There is such a sense of expectancy and anticipation of what God is going to do. We are energized and stirred here in Maracaibo.

Our cry this year has been, "God raise these dry bones." We are seeing Him do just that, Hallelujah! We have had some great revivals in these first months of the year. Pastor Luis Oliver in January, and in March, Pastor Luis del Real from the Phoenix area, along with his gorilla team. God's zeal is moving in disciples, couples, and our youth, as hearts are set on fire once again. Our first revival in the new building will begin the second week in May, with Pastor Doroteo Garza from Hobbs, NM – a wonderful way to open our doors in this new neighborhood.

We would like to offer our sincere thanks to Pastor Mitchell for his faithfulness and commitment to this work here. Thank you Sister Mitchell, Prescott, and all the unseen workers that are consistently supporting our missionary efforts in one way or another. Thanks to all who have a vision for world evangelism. We are so glad to be a part of this great Fellowship!

"...our baby church had its largest attendance, 80 people showed up!"

Blantyre, Malawi The Potter's House

Pastor: Terry Sleight

My wife, Denise, and I were launched out of the Perth church and came to Blantyre in November of 1996. It took three months to get a house, five months to get a vehicle, seven months to get a phone line, another seven months to get church registration, five years to get land, and two years to build a church building. However, God was moving quicker than that in people's hearts and lives. Within two weeks of being here, I was preaching to a group of people in a house. My interpreter's name was Zachary Ngali. His father was healed of a heart condition and he was healed of asthma. We started The Potter's House Christian Church in his house.

Last September, we launched Zachary and his wife, Chris, into the ministry to pioneer a new work in Naperi, a suburb of Blantyre. For the opening of his church we had crusade meetings Friday and Saturday. Pastor Ngali preached those meetings and prayed for the sick. Fifty-two adults were saved and about 200 kids. A man with head pain for 15 years was healed; a woman with arthritis in her hips for 20 years was healed; and a 40 year-old man with asthma all his life was healed. Sixteen people came to the first Sunday morning service at Pastor Ngali's house with three saved. The church continues to grow and has a good core of believers that are reproducing the pattern that was handed down to them.

In the
Blantyre

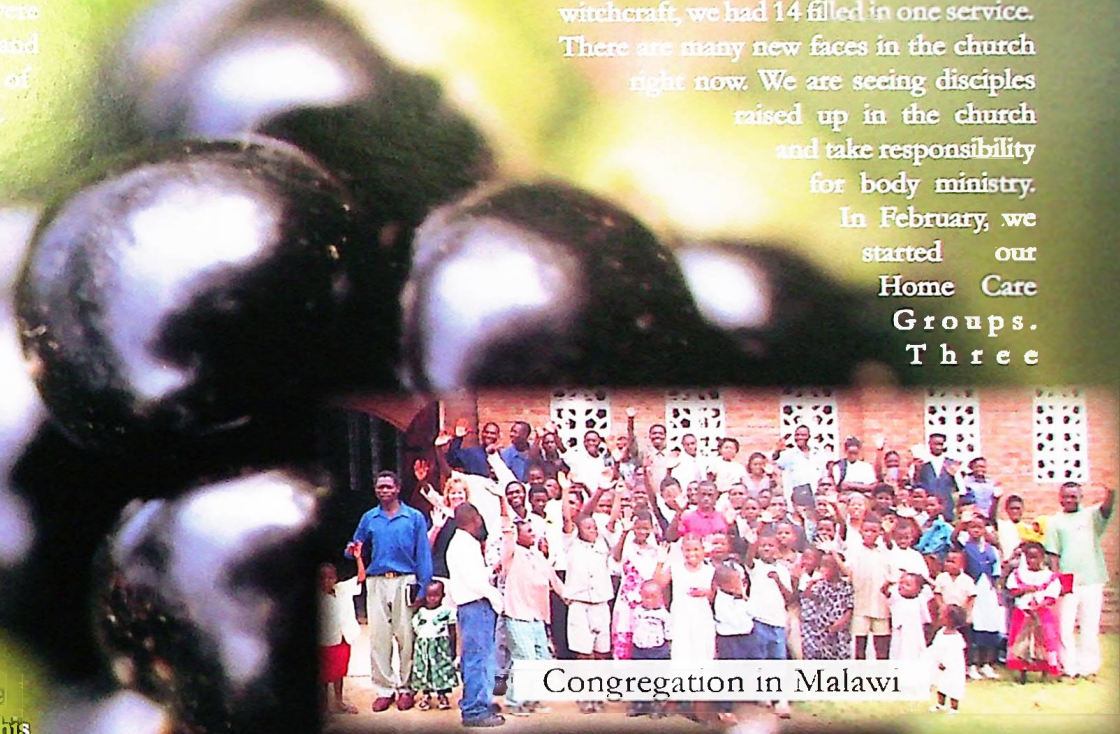

church, we have seen God do some amazing miracles. A man named Mike got saved and had an infected finger, which had been infected for a long time. The doctor

said

She got stronger, regained her weight, and started looking for work. She is now employed as a schoolteacher.

We had a major breakthrough with people getting filled with the Holy Spirit. After preaching and praying against witchcraft, we had 14 filled in one service. There are many new faces in the church right now. We are seeing disciples raised up in the church and take responsibility for body ministry.

In February, we started our Home Care Groups. Three

Congregation in Malawi

there was no hope and wanted to cut it off. We prayed, God healed, and Mike still has a finger. Mike's sister, Priscilla was sick in the hospital, and had been there for three months. She weighed 32 kg (about 70 lbs.) and they had diagnosed her with 66 diseases in her blood. The doctors gave up on her and told her to go home and die, as they would not give her any more medication. Mike carried her to the church and laid her on a mat at the front of the church. We began to pray for her a number of times, and within a few weeks God healed her.

men were designated home group leaders and these groups have grown over the last few months. We just finished a marriage seminar with Zimbabwean pastor, Prince Machikiche. He dealt with African cultural issues in marriages that run contrary to the bible. This seminar gave me insight into the culture and exposed some practices that cause marriage problems in our believers.

Next month, we are looking forward to having Scott Grabowska come for a crusade and revival meetings. Pastor, if you want international expression, we would like to invite you to Malawi, where you can impact lives for the Kingdom of God. We appreciate all who have prayed and invested into the work here in Blantyre. Your investment is bearing fruit. Thank you to the pastors that have come and the churches that have sent them. God bless you!

Priscilla, healed from a life-threatening disease

Cebu City, Philippines Victory Chapel

Pastor: Charlie Carias
Corres: Luis Camantique

It's truly a blessing from God to have the vision of our fellowship. The whole world celebrated their holy week observance. However, the saints of Cebu City and its daughter churches gathered this week for our Harvesters Reunion with a theme, "Exalting for the Standard" on April 5-8. We are so blessed by the zeal, energy, and vigor on the fiery sermons of Pastor Dan Kellinger from Espanol, NM and Pastor Casey Mammen from Peoria, AZ. Truly God moved with timely messages from His word that ignited the heart of men and women to lay hold in God. Many souls were saved during the nightly services. Men and women of God were stirred up, refreshed, and revived.

The highlight of this Harvesters Reunion was the first-ever, powerful "Jesus Torch Parade". All the attending saints marched on some main streets of the city bringing torches, banners, and placards uplifting the name of Jesus. There were men from different churches testifying how Jesus had changed their lives.

We extend our gratitude to the former American missionaries who started God's work in this city, Pastors Dave Stephenson and Mike Sawyer. We also thank the Prescott church for all their support.

Cebu City, Philippines

Maputo, Mozambique The Potter's House

Pastor: Simon Tuteru

We bring a report of victory and celebration from the rich harvest of Mozambique, Africa. My family and I were launched out of the Australian March Conference from the Footscray church to assume the work here from Pastor Jad and Sydney Baroud. Our changeover service on March 28th, was occasion for wonderful celebration as we were privileged to be part of the first "Jesus People" wedding here in Moz.

The Lord has built a strong, vibrant, powerful church here in Maputo. We have been tremendously blessed to have stepped into the abundant fruit from faithful laborers. I mention also the Grabowskas as we have key disciples from their time of laboring here as well. Both of their sacrifice, investment and ministry has set a course for this church, city and nation.

Easter weekend, the drama team crucified Jesus in one of the main markers, locally known as "thief

market". They marched Jesus right through the middle of the market and a huge crowd gathered and followed. The disciples street preached and no one moved away. We had between 70 and 80 respond to salvation. Then we loaded all the gear on the ute (Aussie for truck), set up the cross and drove around town preaching with Jesus. We

**When the Spirit of
God comes into a man,
he gives him a world-
wide outlook.**

—Oswald Chambers

stopped wherever there was a crowd, preached, and gave altar calls. God gave us such dominion that we drove through a Moslem area, declaring the gospel right at their doorway. Many people literally hung out their windows and doors wanting to see what was happening. We saw over 200 decisions for Christ.

God is already heeding our prayers

and expectations for a double portion. The church has been fired up in revivals with Pastor Steve Bowman from Zambia and Pastor Eric Wright from South Africa. In May, we have Pastor Anthony Tilli and a team from our mother church in Footscray. Also, later this year, Pastors Isaac Cortez, Joe Rice, and Jack Miller, all from South Africa are coming to "stoke the fires of revival".

We are so grateful for your prayers, support, and investment in this ripe harvest field. We thank God for the privilege to serve Him here, our headship, and the Footscray and Preston churches. Intercede for us as we do for you.

Chingola, Zambia The Potter's House

Pastor: John Chisha

April march in Chingola, Zambia

Greetings from Chingola! Our church featured a march through the city during Easter week, put on by our baby church with Pastor George Karabassis. Pastor Karabassis, who was launched in August 2003, is raising a powerful work for God, using skills that were past down through discipleship. Meanwhile, the Chingola main church is undertaking construction of a church building, supported by twelve pillars. The church will be 28 m. (91 ft.) by 15 m. (48 ¾ ft.). We thank God for the opportunity given us to serve him.

Vologda, Russia The Potter's House

Pastor: Sergei Golubev

God is doing so much in the land of Russia! We just finished our winter bible conference with pastors Evert Valk and Paul Leidelmeijer. The theme of our conference was "Preparing Laborers for the Harvest". Realizing that time might be short and doors might swing shut, we want to have the biggest impact in our nation while there is still time and our home grown pastors are catching the vision. In one way or another, almost every sermon was aimed at the goal of world evangelism.

"Realizing that time might be short...we wanted to have the biggest impact in our nation..."

We launched one couple out this time. This couple is going to pioneer in a group of remote villages where already, we have 25 people saved. These people live in primitive conditions but their faith is very rich. They are evangelizing, tithing, and praying for the sick with tremendous results. Those villages are in the middle of nowhere. With their unpainted log

houses, lack of heating system, no inside toilet facilities, and especially no movie theater, they have only Russian vodka to give them any joy in life. The strategy is to travel from village to village and hold meetings to secure what God is giving to us. Thousands of people in those places are still open to the gospel and not brain washed by the media or the mainline orthodox church. We expect a great harvest of souls through this effort.

At this time, Evangelist Craig McLaughlin from Jacksonville, NC, is finishing his 15-day revival meetings that he did for four churches. This was made possible only because of the financial support of Pastor Dave Szczepanski and his vision for

Building project in Chingola, Zambia

Eastern Europe. The results were truly outstanding with people saved, healed and words of knowledge that would blow your mind were given. Every church he preached in was greatly encouraged and challenged. We are deeply thankful for the evangelists that come over to stir us up and for the sacrifice of their home churches.

Please pray for us and come over to help us as we are anticipating a great move of God in this nation. We want to thank Pastor Mitchell for his vision that resulted in the starting of 17 churches in Russia 10 years ago. It is impossible to express enough gratitude to our pastor, Dave Marks, who has been our spiritual covering all these years.

Croyden, South London The Potter's House

Pastor: Clement Okusi

My wife, Tracy-Anne, and I were launched out of the November 2000 British conference in to the city of Croyden, which is the largest borough of London. I received a prophecy that God was going to do a quick work and as we

of their spiritual graves. From day one, it has been a non-stop barrage of concerts, outreaches, impact teams, revivals, and preaching of the gospel. With the help of our mother church in Walthamstow, and other Fellowship churches, we have seen many people give their lives to Christ.

In our first year, 2001, we had 11 revival meetings and were self-supporting after four months. During those revivals, men and women were getting saved and healed. On one

particular occasion, a big muscular young man came to a revival meeting, answered the call of salvation and was gloriously healed of a shoulder injury. As God began laying the foundations of the church, key men and women began to get saved and lay down their lives to the call of discipleship. At the end of our first

to other churches. At the end of 2002, we were averaging 35 to 40 folks in our services and I felt God press upon me to go into the ministry full time. In January of 2003, I gave up my lucrative job in the city and went into ministry full time. Almost overnight, God began to step it

Witnessing in Croyden, South London

up a gear. We began to see continuous growth and our offerings increased immediately.

In 2003, I challenged the congregation to invest in world evangelism. The saints responded with a liberal heart and the Croyden saints were able to fully sponsor me to do an outdoor healing crusade for

Pastor Yumi and a revival for Pastor Glen in Lagos, Nigeria, where we saw the grace of God poured out with healings, miracles, and signs and wonders.

Upon my return, the devil began to attack the church. We began to experience problems with the building we were in, so I challenged the congregation to prayers every day for one month, believing God for a new building. Ten days into our prayer month, we were in our new building, which is a hotel in the center of the city and easily accessible. We also had

Third anniversary in Croyden

started to labor, we soon began to see that prophecy come to pass.

The city of Croyden is a backslidden place, full of dry bones waiting for the spirit of God to begin to bring life out

year, we had a solid 25 folks attending the church.

I began to stir the folks for the mission fields and we were able to send out 16 impact teams in our second year

storage and nursery facilities at half the previous price. By the end of our prayer month, we had already had nine services in our new building. As we set foot into

our new place, instantly we saw many people drawn in by the spirit of God. To celebrate the opening, we had back-to-back revivals with Pastors Peter Ajala and Jason Morris. Our average attendance shot up to 55 folks.

The Year 2003 also saw two couples in the church get married and the presence of God was felt at both ceremonies. In October of that year, three CARE team groups were launched and they have been powering on in fruitfulness, each team averaging 15 to 20 people.

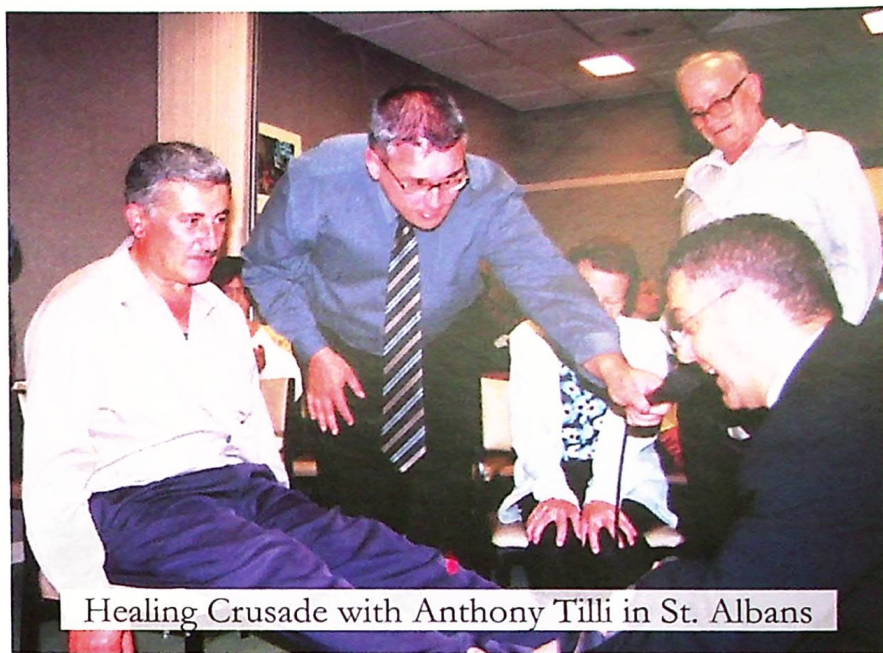

God has truly risen up an army of soldiers in Croyden, full of energy, who have set their eyes on Jesus. We no longer need to receive impact teams from our mother church and are able to do our own music scenes with up to nine different singers and rappers. While we were on the streets of Croyden, we were spotted by a producer for BBC radio London and he invited us to minister on one of their gospel shows. The guys got to rap and share their testimony with thousands of Londoners. When asked by the DJ why they do what they do, they answered, "Jesus saved us from the streets."

This year, 2004, promises to be our best year yet. In January, we baptized 17 souls and in March, we baptized another 14, with still another one planned. I am going with an impact team to South Africa for Pastors Greg Mitchell and Neil McCann, fully sponsored by pledges

from our saints in Croyden. Also, later in the year we are believing God to send me and a team to Lagos, Nigeria.

We have had four revivals this year with Pastors Jason Morris, Bruce Callahan, Hector Ortiz, and Carey Mejia, and have sent out six different invasion teams. In April, we rented out a cinema to show Mel Gibson's "The Passion". We had over 200 folks come out and over 30 people responded to the altar call.

We are now averaging 90 folks in our Sunday services and as we go to print, we're in negotiations with the hotel for a bigger sanctuary seating over 200 people. We have two more weddings planned this year with more to follow no doubt. Please pray for us here as we pray for you. Many thanks to my pastor, Nigel Brown, for all his wisdom and oversight!

Healing Crusade with Anthony Tilli in St. Albans

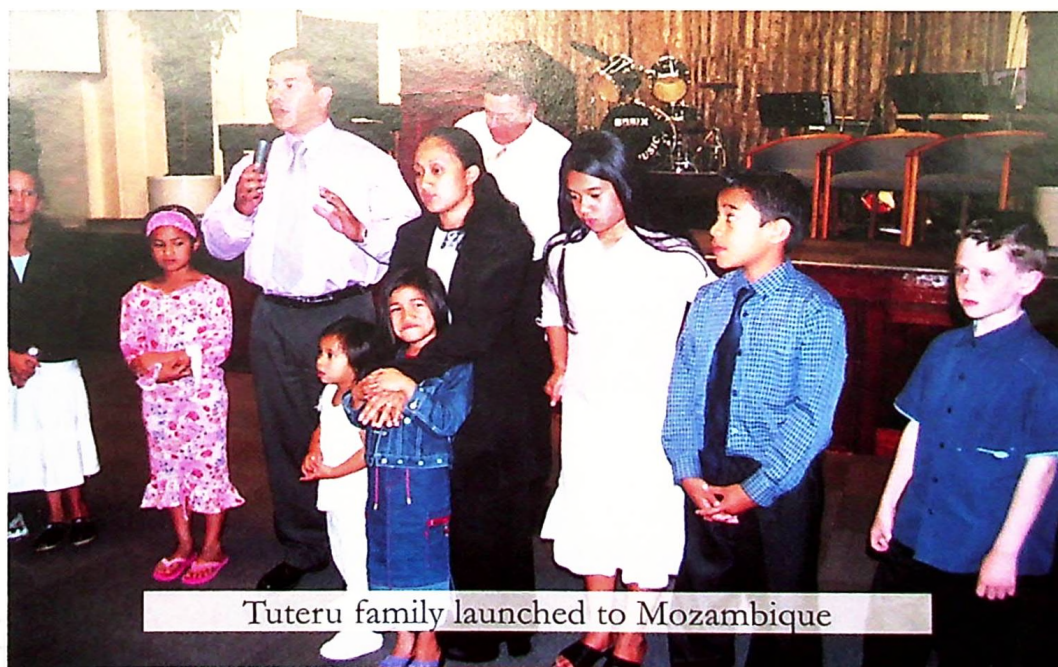

Footscray, Australia The Potter's House

Pastor: Anthony Tilli
Corres: Fritz Helg

Greetings to you all from Footscray. Exciting times have taken place these past few months as we bring a report of glory to the Lord Jesus Christ. Our "next generation", which is an evening of fellowship and introduction welcoming new believers into the body of Christ, has drawn many different nationalities. We had a cultural night with a variety of traditional food, along with a movie.

This was an opportunity for all to share testimonies and to get to know one another in the Lord. Forty-seven new converts attended and it was a great encouragement for all, seeing a number of them still locked in to the church.

The Perth Conference saw new changes in the Footscray church as Pastor Simon and Kime Tuteru from our Preston church took over an already thriving work in Maputo, Mozambique this April. Pastor Bruce and Mandy Wheatley took the Preston church two days after conference – with no time wasted. Pastor David and Kathy Curwen-Walker are pioneering a new work in St. Albans, and their Miracle Healing Grand Opening with

Tuteru family launched to Mozambique

Pastor Tilli, saw 56 visitors show up, with 16 salvations.

We were hit with the awesome preaching of Evangelist Stacy Dillard. "It's not how long you have been saved, it's how well you handle it" from one of his sermons entitled "Staying Power", was just a portion of what God challenged us with. Another 16 souls were saved and many who were sick received healing. To end the stirring revival, Evangelist Dillard jammed with his soul-rap, gospel music.

Our drama ministry produced a two-night production called "Late One Night", a convicting presentation that portrays the world through the eyes of a sinner. The play caters to the unbeliever until the end where Jesus "pays the bill". We had 21 visitors come out.

Evangelist Larry Monteith opened the month of May with "Healing Power". One sure thing, which stands true out of this revival, was "you will never be able to make a success out of sin". This was yet another powerful time of God's word being preached, as it should - straight down the line, shooting straight through the heart. Evangelist Monteith brought a reality check for many saved and unsaved people, challenging all to make a personal commitment to the things of God and through this, nine more decisions were made.

Jesus Christ is doing wonders through the Footsray church as our cutting edge, concert, city, and train station outreaches continue to be fruitful. It just keeps getting better. We are looking forward to the coming months ahead, ready to tackle this nation with the power and might of Jesus!

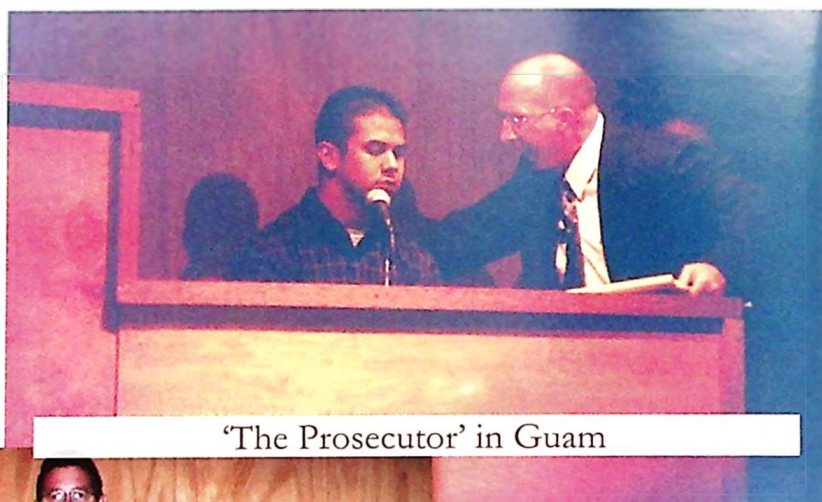

Thank you for your prayers. As we read reports of what this Fellowship is doing around the world, it strengthens and encourages us to go out and do even more. Praise God for our leadership. We continue faithfully to pray for all of you!

Island of Guam Victory Chapel

Pastor: Glen Cluck
Corres: Bill Lucas

Hafa Adai! "...And the Lord added to the church daily those who were being saved." Acts 2:47. That one verse of scripture sums up neatly what has been happening in Guam. In the last three months the church is beginning to see explosive growth. In March, we were richly blessed to have Pastor Jim Ballinger preach five days of services. The church thrived on his "in-your-

During the Easter holiday, the drama team presented a full-length drama called "The Prosecutor". The setting was a modern-day crucifixion of Jesus and an Attorney General's effort to quench the zeal of a growing church by trying to disprove the resurrection. The script was compelling as well as thought provoking. The testimonies of Thomas Doubtinger, Simon Peter, and especially Mary Magdalene were powerfully anointed.

"The Prosecutor" in Guam

This play was nine months in the making and it was well worth it as 27 precious souls, over two nights, were added to the kingdom.

Our music scene called The Underground has been growing by leaps and bounds. We have had to move it from its old location back into the church building to facilitate all that God is doing through this ministry. Every night the altars are full. Band and skit teams

face" style of preaching. By the end of each service, there was no doubt what he was preaching. No concordances or Greek lexicons were required. It was a no-frills gospel delivered in a no-holds-barred environment. Each night the presence of God's Spirit and His dominion was more and more evident that by the end of the last service it was really hard to let him go back to his own church. All in all, 25 souls were saved and we are thankful for the ministry, Brother Ballinger.

full of the youth in our church are rising to the call of evangelism. We are thrilled to see God restoring this ministry to the powerful tool of evangelism it once was. Another sign of revival are the number of couples being married. Three couples have joined in marriage in the last three months, with five more scheduled by the end of June.

When you write these reports the temptation for "evangelistic exaggeration" can be daunting, but as someone once said, "The proof is in

the pudding.” This past Sunday, we were blessed, privileged, and humbled to see an outstanding 38 dear converts baptized on the shores of the Ypao Beach for the entire world to see that there is still a God in heaven who saves, delivers, and heals.

We again thank Pastor Mitchell, our hero and father in the faith, and his dear wife for their love and support of this work as well as this wonderful fellowship.

Naperi, Malawi The Potter’s House

Pastor: Zacheus Ngalu

My name is Zacheus Ngalu. My wife, Chris, and I were launched out of the Blantyre church at the Southern African Bible Conference in Johannesburg in September 2003. Two days before I started pioneering a church in Naperi, my

“I was used to preaching to a small group...it was different because the ground was packed with people!”

pastor, Terry Sleight, came with a team from my mother church to help me with an outreach. The band played and many people gathered. My pastor told me that since I was going to start a church here, I needed to preach, do the altar call, and pray for the sick by myself. As a disciple, I was used to preaching to a small group of people and it was different that day because the ground was packed with people. I was really afraid to do what my pastor told me. I thank God for His word, which He spoke to Joshua in the first chapter. As I started meditating on these words I felt strengthened and then I did everything I was told. There were over 52 adults who gave their lives to Christ. People with long-term sicknesses were healed. One was a 40 year-old man who had asthma since he was small child

Pastor Zacheus and Chris Ngalu

and he was healed immediately.

The following Sunday, October 19th, we started church in my house with 16 people who had gotten saved at that outreach. At present, the congregation has grown to 25 people. Praise God that some are now getting serious about the things of God. They are always with me in the streets witnessing and they are bringing people to church.

I would like to thank my pastor, his wife, and the mother church for their support and encouragement. God bless!

Petaling Jaya, Malaysia The Potter’s House

Pastor: Roy Sublasky
Corres: Adrian Asir

Greetings from Petaling Jaya! Momentum is building here as God moves upon our city. In February, we had a revival with Pastor Chuck Baker. His preaching stirred the hearts of the saints. During the revival, words were spoken into the lives of many of the older, as well as younger, saints that encouraged them to continue pushing forward for the things of God. After the revival, as the saints were faithful to obey God, we have had a major breakthrough as we have been seeing new converts get saved and lay hold of the vision of spreading the Gospel. We have also had a breakthrough with our outreaches. We have been able to go into some of the malls and witness and we have also been able to start street preaching in the night markets.

In March, Pastor Sublasky had the

opportunity to attend the Perth Conference. He has also been able to minister the Gospel to different parts of Australia. In the beginning of April, we had a revival with Pastor Dave Eccles. We had three Indian men get saved and locked in. One of them got filled with the Holy Spirit the very same night that he got saved. A couple of nights later, this same man brought a friend who also got saved. In April, we also

were able to have our first Saturday night music scene. We had the band “Guns &

“...momentum is building here as God moves upon our city”

Moses” perform for us, as well as the drama team. We had a Saudi Arabian visitor as well as others come for the “Firehouse” and one person was saved. Continue to pray for us as we pray for you! We would like to thank Pastor Campbell and the Chandler congregation for their continuous support and investment in this nation. God bless you all!

Levittown, Puerto Rico La Puerta

Pastor: Trinidad Corrales

In recent months, we have experienced a great move of God in our midst. God is moving in such a powerful way that we have never experienced before. Our people are so excited to be in church and to be a part of this move of God. We had a crusade the last week of April with Pastor Scott Grabowska. Our brother called us one day and told us he wanted to do a crusade for us; that the Havelock, NC congregation wanted to invest in this. They paid all the costs, including the tent. We labored hard for the crusade, putting up 2,500 posters, handing out 10,000 flyers, and radio advertising. God honored everything we did as we had almost 300 visitors for the crusade. This was a breakthrough for our

Healing Crusade with Pastor Scott Grabowska

church. We then had a revival following the crusade and many souls were saved and healed. One man is still coming to church without his walker and getting better every day. This is a great time of harvest for us here in Puerto Rico. The last night of the revival we had 11 new converts filled with the fire of the Holy Ghost.

We want to thank God for all He has done and is doing here on the island. We also want to thank Pastor Szczepanski and Pastor Mitchell for their vision for soul winning. Also, a special thanks goes to Pastor Grabowska and the Havelock church for their investment in us. Pray for us and we'll pray for you all!

Santo Domingo, Dominican Republic The Door

Pastor: Rene Torres
Corres: Coral Rosario

First of all, we want to give all praise and glory to our Lord Jesus for giving us this great opportunity to share with you all. Finally, after many struggles, we sent out our first baby work – Luis and Maria Brandel – to Hainamosa, on the east side of Santo Domingo. God has opened doors in this heavily populated area. He has brought all the finances needed from our very own congregation, showing that

He does provide.

Our last revival was in January with Pastor Ralph Blanco and many lives were changed during that time. Old converts are on fire once again. New converts are building true relationships with God and capturing

of life - students and professionals, poor and well to do, young and old, men and women. Our congregation has grown from the 20 people we had three years ago to the high 70's, lower 80's we are having now. Twelve new souls just got baptized, confessing Jesus as their Lord and Savior. Many had been healed by the power of God. Eardrums were restored, diabetes disappeared, and high blood pressures no longer exist. Praise God!

We want to thank our pastors, Wayman Mitchell, Joe Campbell, and

Larry Mitchell for giving us the opportunity of being a part of a vision that started over 25 years ago. Also, thanks to everyone who has had a part in this work, whether it be in prayers, offerings, impact teams, revivals, or just staying in contact with us. From all the mouths of the people of the

the vision and we are moving forward. Many of our new converts are just waiting to get into ministry, showing their faithfulness in every aspect. You can see the difference this has made in their lives.

God is bringing people from all walks

Dominican Republic, "Thank you for all your effort and support." Although you might not ever meet us, or come to this country, one day in heaven we'll say thanks for investing in the Kingdom of God!

Pioneer Pastors Luis and Maria Brandel in Sto. Domingo

Suva, Fiji The Potter's House

Pastor: John Perry

Here in the Fiji Islands, we have seen a wave of new people coming into the church. The Suva church has recently seen two men in our congregation come into the church, following the lead of their younger saved brother, and become disciples. These brothers are not only saved, but their wives and families have begun serving God as well. It never ceases to amaze me how family relationships can open the doors for new souls to be added to the church.

In recent weeks, we had a baby dedication service. Because some of the families have only been saved recently, we had a number of children who were dedicated having long since left the baby years behind them. Nonetheless, what

a privilege it was to be able to dedicate these children and their futures to the Lord Jesus Christ.

The next week, we had a Sunday morning service where some of our precious couples made a fresh dedication of their wedding vows – one man even buying his wife a new ring for the occasion. It was a great joy to see these couples, some of them having been married for some years, making a renewed commitment to each other. The event of course would not have been complete without a feast afterwards, so the people in the congregation brought enough food to feed an army and everyone enjoyed the rededication service.

Another noteworthy event here in the Fiji Islands has been a rally with our newest baby church in Nakasi. Pastor Joe Delaivuna, who has been pioneering the church there for around 18 months, had his regular church meeting place jammed to capacity as saints from the Suva and

Nausori churches came in for the rally. It was a sensational atmosphere in the meeting that night, as eager hearts came to hear and respond to God's word in the crowded meeting place. Seven people were saved that night and numerous visitors came from the surrounding neighborhood area, ones that have never attended the church before. Needless to say, Pastor Joe and the church in Nakasi were excited about what God did that night.

The Suva church is now preparing for the arrival of their new pastor who should be landing in Fiji within about a month of this report having been written. Pastor Richard Tozer will be assuming pastoral responsibility of the Suva church some time in June or July. Our prayers are with him and his wife Natalie, and we believe for every success for them in the ministry calling God has laid upon their hearts here. Please continue to pray for the Fiji Fellowship.

Leadership Forum, Continued

Corinthians 2:4-5 "And my speech and my preaching were not with persuasive words of human wisdom, but in demonstration of the Spirit and of power, that your faith should not be in the wisdom of men but in the power of God." If we're not careful our faith will be in the pattern. We have a great pattern but our faith must look to a supernatural dimension. This has twofold importance. The first is that in a Holy Ghost charged atmosphere, men will feel the call. If it's in them, it will surface. The second is that men will see the

power of God demonstrated. They need to see people healed, saved, delivered and filled with the Holy Ghost. It's not just doctrine but demonstration.

There was something in Abraham's house that enabled these 300 men to defeat a seasoned standing army. That's not natural. There had to be faith and boldness and passion and that fire of God and that willingness to risk.

We have to contend for that supernatural dimension in our congregation where God is moving in demonstration and power or the

disciple making process will wither and die.

In the ensuing discussion it was stated that a church should be running 75 people before it begins planting churches. If we ignore this there are sure consequences. First, it is an unusual man that will be prepared enough to succeed. Secondly the church is not big enough to adequately support a pioneer work. Third, many times the main disciple of a smaller church is launched, thus robbing the mother church of the main soul winner and the mother church is crippled.

**Prescott
Children's
Worker's
Conference
2005**

Plan ahead now to attend our conference, March 24, 25, and 26, 2005. Pastors, if you are thinking about starting a children's ministry in your church and you don't know where to start, this is the place. If your children's ministry is in a rut or needs a jump-start, this is the place. We will inspire your workers to be creative. We will show them how to bring discipline and order to an

otherwise unorganized and chaotic ministry. Hundreds of people who have attended our conferences have testified how they were inspired, encouraged, and strengthened in their commitment to their ministry and the children in their church. For questions or to make reservations, call Randy and Susan Wohlwend at 928.772.7170! Happy trails!

-CHRISTIAN FELLOWSHIP CHURCHES PRESENTS -

TWELVE UNFORGETTABLE DAYS TRIP TO THE SEVEN CHURCHES OF REVELATION

HURRY, A FEW SEATS REMAIN!

Dear Friends:

Here it is again!! Last March a number of Pastors and friends took a tour of "The Seven Churches of Revelation." It was such a great trip that we are offering it again.

We have arranged for this exciting itinerary to Turkey. Come with us and explore the "Footsteps of Paul."

The Bible will come alive as never before when we actually stand in the places where Paul stood and gain insight and revelation.

PLAN NOW!! Send your deposit and reserve your place to travel with others from our Fellowship.

Many who traveled in our previous tour to Turkey testified that it was a highlight of their life, and made the Bible a new book for them.

Sincerely,

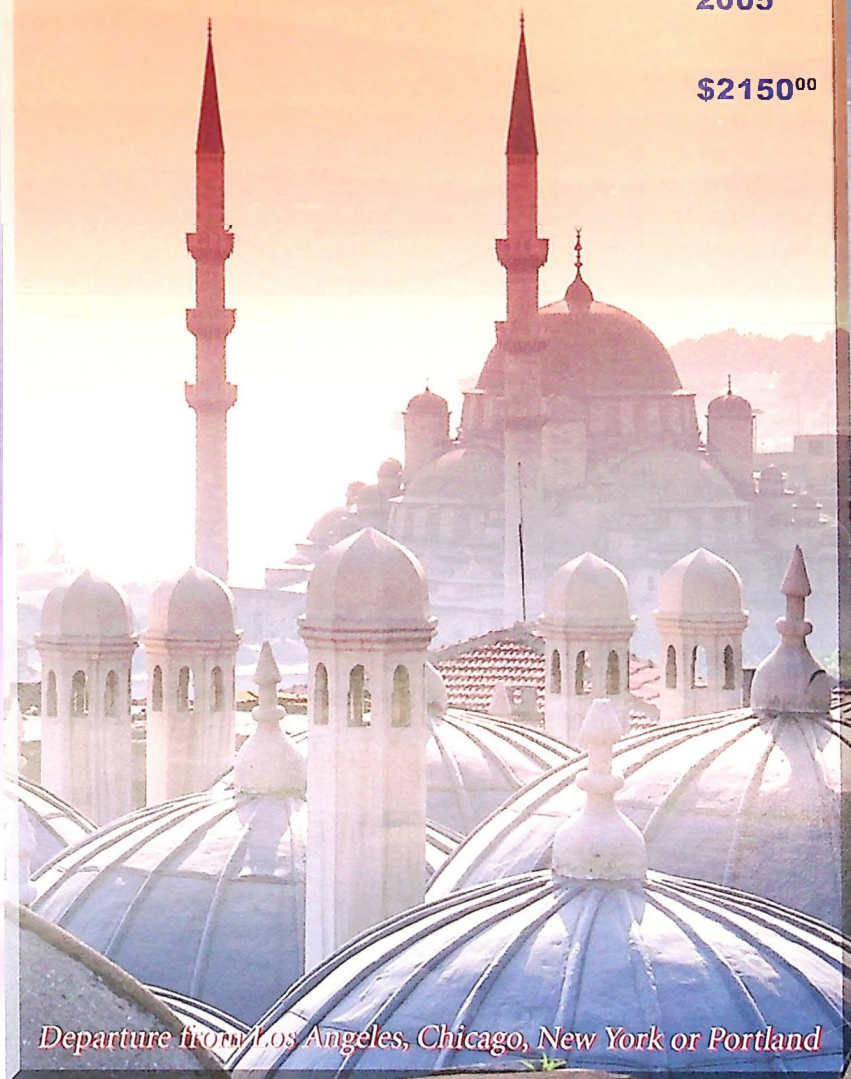

Wayman Mitchell
