We were all saddened by the passing of our dear sister Nelda Mitchell. She was Pastor Mitchell's faithful wife and companion and was a testimony to our church and to many around the world. She will be missed here on Earth, but she is surrounded by family and friends in Heaven right now. Thank you all for your prayers and love and support to the Mitchell family. Please continue to pray for the Mitchells in this difficult time.

It seems like ages ago that we were gearing up for the summer season. But here we are doing a recap of all that the Prescott church has been involved in for the past few months. Time flies when you are about our Father's business.

It was just yesterday, or so it seems, when Pastor Mitchell preached the first salvation/healing crusade in the Prescott Valley Civic Center. Prescott Valley is a community just eight miles east of Prescott, that has now grown to larger than Prescott.

What a great open door that has been for us and for our own international pastor/evangelist to preach in his own backyard. We did two of these events this summer with amazing results both times. What the Lord has used our pastor for around the world also produced tangible results in Prescott Valley.

Our conference in July was a major effort and a huge success. The Prescott church carries the load of the week-long time of ministry with great help from Chinle for setting up the tents. But our labors were not in vain as four overseas and 11 domestic works were announced. And as announced we sent out the

Nate Rush and Buddy Ryals families to what the Holy Spirit has set them apart to do.

Our summer season powers on with regular outreaches in the courthouse plaza and, when it isn't raining, we see many saved and some healed as our disciples preach the Gospel in downtown Prescott.

Other disciples continue to do FNO outreaches, conducting mini crusades in their neighborhoods on Friday nights. The open door in the Entertainment District in Prescott Valley remains open and regular concert outreaches were held there throughout the summer with great results every time.

And of course we power on through One80, our concert outreach ministry in Prescott. One highlight of the summer was our Celebrate America God and Country presentation in the courthouse plaza. This is an amazing event on many levels. And it is amazing how people will respond in an unusual setting to a simple Gospel presentation. Great job again Louie Paulino.

Our church has a vision for evangelism and a culture for discipleship and that means we have people who take or make opportunities for outreach every chance they get. In the prisons, to the rehab community, on impact teams, or bands that go and play almost anywhere. To Phoenix or Glendale or Surprise or Gallup or Las Vegas, we strive to answer the call and go where we can help local churches preach the Gospel to their communities. Most of the time we hear exciting reports of the souls saved by our faithful workers.

Along with the crusades in Prescott Valley we also participated in the crusade in Oceanside California with pastor Mitchell again preaching and our saints preaching too. It was a great outreach to be a part of again.

Gospel Jetstream

Worldwide Crusades, meetings are seeing many healed and saved

Pastor Mitchell has been busy in Harvester's Home meetings and crusades - McAllen, Texas for Roman Gutierrez, after the Prescott Summer Bible Conference saw a record attendance and many people healed.

Federal Way, Washington was a wonderful experience of the Fellowship unity organized by Chris Aulson as pastors gathered from all over the Northwest to reignite the fire of evangelism and focus on world evangelism.

The Oceanside Crusade saw approximately 2,600 people gather on Saturday night. These are always inspiring gatherings and God is always faithful to heal the sick and save those who respond to the Gospel.

Men's Discipleship classes in area-wide events in El Paso and Aus-

tin, Texas brought a good number of men out to be challenged as well as the Fall Men's Area Wide class in Prescott for those in Northern and Central Arizona. Men came from Nogales, Arizona and the Colorado River.

Another crusade in Prescott Valley was included with the annual crusade in Farmington, New Mexico organized by David Maldonado as well as Phoenix, Arizona (Gary Marsh), Redlands, California (Rich Cox) and the Zwolle, Holland Crusade at Breda, Holland.

Another trip into El Hongo Prison in Tecate, Mexico was a thrilling event with Pastor Jose Torres, again hundreds of prisoners raised their hands and prayed a prayer for salvation and healing. Noel Tossing, our

long term prison and jail ministry evangelist was able to give his testimony as many were moved by God's grace and love.

The Navajo Nation's rally in Farmington, New Mexico is always a highlight under Pastor Artie Aragon. God is honoring this church with great favor and invitations are coming from many tribes and reservations for workers.

Pastor again traveled to Almeria, Spain for the annual Tent Crusade under Alberto Milano. Evert Valk from Holland, Nigel Brown from England and Oviedo Rusu from Romania also ministered in this event. Many instantaneous healings gave testimony to God's power made present in supernatural signs and wonders.

Nelda Sue Mitchell January 20, 1934 - August 25, 2016

Nelda Sue Mitchell was born on January 20, 1934 in Hughes, Arkansas to James and Grace Henderson.

She passed away August 25, 2016, in Prescott, Arizona. She is survived by her husband of 63 years, Wayman, daughters Debbie Hasbrouck and Rhonda (Jeff) Rens, son Greg (Lisa) Mitchell, many grandchildren, great-grandchildren, great-great-grandchildren, brother Tuney (Delores) Henderson, and other relatives. She is preceded in death by her parents, two siblings (Mamie & Jay) and three children (Terry, Karen and Sharon).

Nelda met and married Wayman in 1953. After the sudden death of their first child Terry, they experienced a profound conversion by Jesus Christ that would alter the course of their lives. They responded to the call to ministry, and they Pastored churches in Wickenburg AZ, Victoria Island B.C. Canada, Phoenix AZ, Emmett ID, Eugene OR, and Carson, CA. In January 1970 they assumed the pastorate of the Foursquare Gospel Church in Prescott, AZ (Later called The Potter's House). Shortly after they arrived, God began to reach large numbers of young people during the Jesus Movement, and Nelda began her life-long

role as the mother figure of the church. She set the example, and gave practical instruction to young people on children and families. She served in numerous capacities in the church through the years — usually behind the scenes. She was an invaluable help to her husband, and left her home, family and comfortable security, and moved with Wayman to Perth, West Australia to assume the pastorate there on 3 occasions: At age 47, 51 and 74!

Her infectious laugh and cheeky smile will be greatly missed. She serves as a great example of the impact of a quiet life surrendered to God. She has touched multiplied thousands of lives in over 110 nations.

Proverbs 31:28-29 *Her children rise up and call her blessed; Her husband also, and he praises her: 29 "Many daughters have done well, But you excel them all."*

Praise be to God for all that He has done this past spring and summer. What a tremendous time and visitation of God's spirit to His church.

Just before summer conference we had pastor Kevin Foley along with his wife, for an honoring and testimony of his work in pioneering the Alamogordo church more than 30 years ago.

Along with this amazing time we announced we were purchasing our building, glory to God! We now have title deed in the land. This took the church to a new level and expectation of what else God has in store for us.

Right after summer conference we went into revival with Evangelist Toni Chase. It was God the great physician performing surgery on his church. Brother Chase challenged the church to steady the arms of pastor, as Aaron and Hur steadied Moses' hands. This revival was followed by the evangelist Mike Gomez, and once again God met with us.

Prior to this revival we sent four teens to the Las Vegas boot camp. They came back on fire for God and operating in the Gifts of The Spirit. This brought another dimension to the revival.

We just recently had a water baptism and eight precious new converts and backsliders were all baptized! It was an amazing service hearing the testimonies of these new converts.

Continue to pray for us as we continue to pray for you!

Apple Valley, California
The Door
Pastor Paul Gualtieri

Since our last report God has been doing powerful things in our city.

Over the last six months we have had several visitors, with many healed and several filled with the Holy Ghost. This is really quite amazing because we don't have our own building.

On Sunday morning we meet in a local school, on Sunday evenings we meet in a local park and on Wednesday we meet in my living room. While this has its challenges we are convinced that nothing works like the Gospel and we are committed to preaching, outreach and making disciples.

Over the last few months we have partnered with several area churches to help them outreach in their cities - San Fernando, Palmdale, Oceanside, and Victorville. The Apple Valley saints are faithful to labor for the gospel.

After the Tucson Conference I had the opportunity to go and labor in Monrovia, Liberia. While in Liberia the disciples in Apple Valley, set up, outreached, preached and followed up. I could not be more proud of those God has put in the church. They have a heart for the church and the vision of the Fellowship.

In Liberia God did tremendous things. I was able to do men's discipleship class, marriage class, preached revival, outreached to the ghetto and ministered in the prison. We also visited two baby works from the Liberia church and I was able to preach there as well.

Pastor Abu has been laboring in this nation for 15 years and has a heart for the Liberian people. He recently emailed to let me know that the church is excited and new people have continued to come in after the revival. I was very blessed to be able to labor in that nation and would encourage anyone who could to do the same.

Let's continue to win the world for Jesus, God bless and please continue to pray for Southern California.

Banning, California
Potter's House
Pastor Edward Rivera
Corres: Gabriella Berry

Hello from the city of Banning! God is doing great things.

We have been seeing much fruit at our local park a couple blocks down from our church. After Prescott Conference in July, we had a few people driving home from Arizona help us outreach and minister during a park outreach. Those in addition to both of our rap groups performed and then we showed a movie. We saw a total of about 10 visitors and about five of those visitors that showed up to service the next day.

A couple days later we took the gospel to our streets again and loaded up our sound equipment to a truck, driving as the rap groups rapped and everyone outreached. At the end of the outreach we saw nine people who were saved.

A couple weeks after that, we set up in the amphitheater of the park and set up to watch a different movie. Prior to showing the movie, we held a mini concert with live music and skits. There were about 13 visi-

tors and four saved at the end of the night as well as one of our disciples pulling his first altar call.

Our drama team is trying new things during our Saturday Night concerts and other ways to reach people. The drama team changed our concerts from Turning Point to Saturday Night Live and are carrying out the concerts slightly differently.

We recently held a local spelling bee at our church. Children could

that have a desire to make impact for the gospel.

Our music night ministry that takes place every Saturday night gives many of the saints of God expression in building the church. That includes the men who preach the music scene and the music groups, and the kitchen staff, and also the rest of the congregation is involved in bringing guests.

As one old time preacher said "we can't lose with the stuff we use." We are seeing people saved on Saturday morning outreach, and the Saturday night music ministry

It has been a great success so far. People in the church make their backyards available to show the movie. The outreach for the

productive than last year. We saw repeat visitors and new visitors. God is always faithful to add to the church through this event.

The youth that we sent to this year's Boot Camp have kept the fire burning. There is a notable change in their spirit. This is exciting because they are the future of the kingdom of God. They have received timely words, and some have even spoken a prophetic word in tongues. Glory to God! This we held of first area youth rally. It was a tremendous success. There are three seminars on Sat, the an afternoon outreach and after that there is a concert.

Our 27th march for morality saw great impact on the main street of our city. This year's theme was for America to turn back to God. The float contained life size statues of the founders of our great nation. There was also a tribute to the fallen police officers of our nation. As the floats passed many people gave the thumbs up, and applauded.

The parade ends on the town green where we were treated to the word of God by Pastor Rick Martinez. It was truly a Holy Ghost time.

Once we wrapped up from the parade we went into revival with Pastor Martinez. God is always faithful to use His servants in unique and dynamic ways and that was evident in this revival. There was a tangible spiritual refreshing of the saints. The words of knowledge that were

We are seeing more and more children coming to church and we are aiming to teach them the ways of God at this young age.

Please continue to pray for our city for breakthrough as we continue to pray for our fellowship.

We count it a great privilege to be involved in co-laboring with the Christian Fellowship Churches. We have truly come to understand that it is not by might nor by power, but only by the Spirit of the Lord that we have victory, because despite what Hell throws at us the scripture is true.

When the enemy rushes in life a flood the Spirit of the Lord will raise up a standard against him.

Chandler, Arizona The Door Pastor Joe Campbell

God is on the move in Chandler! We are seeing an outpouring of God's spirit as we labor for the Kingdom.

In early June, we ministered a play on the life of Evangelist Ernie Toppin called "Toppin the Charts." After the play, the Chandler Church kicked into revival with Pastor Toppin. He preached Spirit-filled sermons reminding the congregation of who we are in Christ, and the great need for Christians to stand up in this chaotic world.

The Chandler Church had the privilege of ministering our Native American play, "Redemption: The Rez Life" on the Gila River Reservation. The Church set up to minister the play and cooked some hot-dogs. Many visitors began to show up to see the entertainment and eat free food. Visitors were touched as the play ministered the hope of redemption in Jesus Christ. We had 50 visitors and 20 people saved! Even in a place that is full of alcohol, violence, and suicide, God is still able to pour out his Spirit.

year's theme was "Leadership is Revelation from God." We heard sermons from Pastor Campbell, Pastor Richard Rubi, Pastor Packia Raj, and many more. The sermons inspired us to lead in a world where leadership is lacking, but also reminded us that leadership only comes when we submit to God and to headship.

On our World Evangelism night of conference, the Children's Church surprised the congregation by giving \$4,000 to World Evangelism.

As the week came to a conclusion, Thursday night we launched five

Gallup, New Mexico The Door Pastor Jonathan Heimberg Corres: Joshua Montoya

Under the leadership of Pastor Jonathan Heimberg, the Gallup church is seeing revival.

Our Summer outreach circuit has had incredible impact once again as outreaches and concerts see many souls saved. Our regular park outreaches and one on one witnessing alone have seen more than 160 souls saved.

In July we had a healing crusade with Pastor Rich Cox. Despite a week of bad weather and people from the city trying to shut down the event down, 98 souls were saved and over 50 miracles were witnessed by hundreds of people. Deaf ears, diabetes, cancer, migraines, and physical injuries were all healed.

Our regular saturday night ONE80 Concert is powering on, with new disciples rising up to preach and the youth hungry to be involved. Souls are saved each time the gospel is presented. No place in Gallup is safe from hearing the gospel preached. From the shopping mall, Walmart, open mic night at the local BBQ house to bar people are responding to the word of God being preached.

We have been having a great time in Havelock, North Carolina!

God has been moving in our city. Our healing crusade has been fruitful. A healing crusade in June saw 10 visitors come from a local neighborhood. Several people were healed that day.

Several of our teens went to the Jacksonville, North Carolina teen boot camp, where they heard from God. They came back with a fire in their hearts for the things of God.

The teens from Stark, Florida came down that week for our weekend service. They brought a bus load of 26 teens and adults to our church. They did a concert scene at the local Boys and Girls Club, where we saw about 20 visitors. We served hot dogs and lemonade to all

that came. Many people heard the gospel that night!

The next Sunday morning, Pastor Baker preached an exciting service that moved our congregation. Keep praying for the church in Stark, Florida!

We have been taking the gospel to the streets on Friday nights. Every other week, we have been street preaching at various locations telling people that Jesus is the answer for their lives. People have been hearing the gospel in Havelock. Please pray for us in Havelock, NC!

Houston, Texas
Potter's House
Pastor Robert Correa
Corres: Jackey Guidry

Greetings from the wonderful city of Houston Texas!

The first word that comes to mind about this year is momentum. God has quickly accelerated our church! In June our attendance increased tremendously. We went from an average of low 70s to a steady 80-plus

and the doctor was shocked that Frank did not react emotionally.

Frank believed God, and he believed in his heart that God would heal him. He never took the news the doctor told him to heart, he believed God for a miracle. Immediately his wife and family begin to contend in fasting and prayer even going bald in full support including his wife.

On July 15, Frank stood before the congregation and testified that God healed him! His test results were normal and the doctor said "there is nothing there, you're in the clear"! With God all things are possible! We have seen God bless our church with new converts that are still coming to this day. Backsliders are coming back and re-dedicating their lives to Jesus.

We thank God that He is using His church in Houston for His will. We have a group of faithful disciples who are always ready in season and out to go out and cover the services in the surrounding churches in our city. We've also had wonderful turnouts for our revivals.

In June we had a powerful revival with Pastor Alvin Smith with an attendance as high as 173 on one of the nights.

Just recently in August, we had an explosive revival with Evangelist Ralph Blanco; we were blessed with his ministry.

We are seeing Jesus Christ become real in the lives of precious new converts.

Evangelist Ralph Blanco ministers in Houston

on Sunday mornings.

We are experiencing the miracle power of God in our congregation. One notable miracle is a powerful testimony of healing by brother Frank Diaz. On May 5, Frank received the news from his doctor that he had cancer. When he heard the news, his faith was not shaken

Curses and worldly mindsets are being broken by the grace of God! We are very grateful for the entrustment and investment from our mother church in El Paso, Texas and Pastor Paul Stephens. Killeen, Texas
Potter's House
Pastor James Rosario
Corres: Wayne Nickerson

Greetings from Killeen, Texas! We have been experiencing a fantastic time of revival.

In July, we had Pastor James Martinez, who bared his heart to us and preached a tremendous revival. Some notable sermons were "Emotional Terrorism" and "No Plan B."

The city of Killeen has been growing and changing over the decades since our church was first planted (circa 1985); the city center is moving south as it annexes land and builds new neighborhoods. Looking to the future and believing God for revival, we have purchased 12.5 acres of land on which to build the new church. God gave us great favor and we were able to obtain this land for far less than it will be worth as the city center shifts.

The church was excited to have many delegates attend the 2016 Chandler Bible Conference. We launched two works: Roberto and Kim Matias into Springdale, AR and Wayne and Diane Nickerson into Mobile, AL. We look forward to hearing of the awesome things that God will do as these couples begin pioneering in these cities.

Following the Chandler Bible Conference, we had Pastor Stacey Dillard, a great friend to our church for many years, preach six amazing sermons. Each one was powerful

enough to stand on its own. We had 270 people out Sunday and an average of over 200 each subsequent service.

Many visitors came out and 25 people surrendered their lives to Jesus. We were encouraged, convicted, and received revelation. Thank God for men who will

preach the truth!

This summer, we had the opportunity to send many out-of-town impact teams and bands to various cities. We thank the excellent leadership embodied and modeled to us by Pastor Wayman Mitchell, Pastor Joe Campbell, and our own pastor. Please pray for us as we pray for you and continue taking the land!

Mesa, Arizona
Potter's House
Pastor Richard Romero

Greetings from Mesa, Arizona!

We have a very good report to bring you. We recently put together a 3-on-3 basketball tournament for the youth at a park close to our church and it was a tremendous success.

With the help of some sponsors we were able to bless the compet-

itors with some cash gifts and gift cards. The community was encouraged by the event as several local businesses and groups even helped us distribute flyers and promote the event.

God's Grace began to draw people and soon enough we had a very exciting event. Through the hard work of several members of the church we were blessed that over 25 people gave their lives to Jesus and several friends and family members of the players got to hear the gospel preached.

The tournament is still yielding fruit as one of the basketball player's mother rededicated her life to Christ in our church and is now bringing her family.

Our church is pushing forward by faith to seek the lost and evangelize the world for Christ. Please keep Mesa in your prayers and God bless you.

Glory to God and the Lord Jesus Christ!

The church in Oceanside is blessed and on the move. We are wonderfully privileged to be part of God's plan for end-times evangelism. God's Spirit is moving with His healing touch and healing words establishing His Kingdom on Earth through His people.

We send out regular impact teams and music groups to help

churches throughout California and Mexico. God is blessing our weekly downtown street meeting where many hear the Gospel for the first time. And we continue to hold special events in our community to lift up the name of Jesus Christ!

Last October our Haunted Church outreach, which depicted the consequences of false teaching, witchcraft and ecumenicism in modern churches, brought out 160 visitors with 37 decisions for Christ.

Our Children's Church is growing under the sure hand of Children's Church Pastor Robert Sanchez. The kids performed in our annual Christmas play, A Superhero Christmas, which had more than 120 people in attendance with several visitors making decisions for Christ.

We started out 2016 with a fast pace coming out of the Winter Bible Conference. We had revival with Evangelist Keith Sullivan, took our men to the International Men's Rally in Mexicali, Mexico, and revival with Evangelist Tony Chase.

In May we baptized three new converts from the Tony Chase Revival. July is our busiest month, with Yuma Harvesters Homecoming, Prescott Summer Conference and the highlight outreach of our year, the Oceanside Miracle Crusade with Pastor Mitchell and the Prescott team.

In the weeks leading up we be-

gan to see an influx of visitors and returning backsliders. On the Wednesday night before the Crusade, Evangelist Richard Brooks preached on the Holy Spirit and five visitors were saved, filled with the Holy Spirit and one was healed of lower back pain. During the two-

day Crusade and Saturday outreach, there were 137 decisions for Christ and 45 notable platform healings! And in the follow-on revival with Evangelist Bob Swope, visitors came every service and were saved, healed, baptized in the Holy Spirit and/or received Words of Knowledge to break bondages and encourage their faith. We are still seeing fruit from these events!

The Oceanside Potter's House thanks all of those who came to support our Crusade and especially the Prescott Church for partnering with us all these years. We are praying with and for you always!

Report from Alyssa Wohlwend Prescott, Arizona outreach team

At the end of July the Prescott Church sent an impact team to Oceanside, California for Pastor Mitchell's annual healing crusade there. It was a very fruitful time with God showing up, and many notable healings. Several people with deaf ears got healed. One man who couldn't hear out of his right ear got prayed for, and when Pastor started testing it he only said one word before the man was jumping

up and down shouting "I've been healed!" And that is how the whole weekend was - miracle after miracle.

The crusade started on Friday night, with an outreach Saturday morning. The outreach was very fruitful with many responding to the gospel. Paula Felix, a lady from our church, went and gave a flyer to this older lady and told her about the healing crusade. The older lady responded saying that she had just been diagnosed with cancer and needed a miracle, but seeing as she was older she didn't think she would be able to make it to the

Outreach on pier for Oceanside crusade

healing crusade. She did though; her and her husband came out and got prayed for.

We are thanking God for all the miracles he did. Some miracles didn't wait for the crusade. Just outreaching up and down the Pier, and street preaching in the center area was very fruitful. Jonny and Verence Guzman were walking down the pier and gave a flyer to a couple sitting on a bench. The lady had pain in her leg, so they laid hands on her and God completely touched her and she was healed.

During the course of the weekend there were 137 people saved, with 45 notable healings. Saturday night alone there were 2,500 people in attendance. It was a great time and experience, and for all who went it will be a reference point.

We are so thankful for the opportunity to go, and we give all glory to God.

Hello brothers and sisters of our fellowship.

We continue working in the labor of the Lord in Phoenix. We've been going out to the streets to evangelize and also having concerts as God continues saving souls.

From the month of June to August, 26 people have been saved and we've had many visitors in our church. We continue believing that God is still doing miracles.

The 13th of August our church made a trip to Prescott. When Pastor Wayman Mitchell called to

Keep praying for us and keep on doing the Lord's work. God bless you.

We started street preaching this summer and God has given us favor with the city. The cops leave us alone and they give us the freedom to preach the Gospel and this has given us great dominion in our city.

This Summer/Fall has been incredibly fruitful.

In May/June, we baptized five new converts. They are continuing to grow in God and are rising up in discipleship. One of our new converts is from India and was the first person that we prayed with when we got here. He has just entered into platform ministry and God has given him a desire to preach the gospel.

In July, we had a revival with my pastor, Pastor Peter Wakefield. We saw backsliders come back to church, many people saved, powerful words were given, and had our highest attendance in service of 35 people. We still have fruit from that revival.

In August, we married our first couple. After living together for 13 years, they decided to get things right. Both of them have come out of a life of drug dealing and addiction, but God is moving powerfully in their lives.

Please pray for us as we take the city of Pittsburg for Jesus.

We are seeing a number of native Americans come in and get saved and wanting to do the will of God. We are regularly on the streets, preaching and witnessing about the power of God and contending for the supernatural. With concerts movies and recently with a magic show from the church in Salem Oregon, We appreciate the help we receive from our fellowship because we could not accomplish what we have without your help. Also we have had a recent revival with Evangelist Donnell Butler out of Ogden, Utah under Pastor Rick Martinez. It was a tremendous time with visitors every service and some return visitors with timely words spoken both personal and through the preaching. Many were healed during this time of many things; we believe God to move here in the city of Yakima, WA. Please pray for us!

desperately turn to Jesus. We prayed that the reign and fame of our fire spread like a wildfire.

We had an amazing outcome of 14 people healed, 65 saved and 70 visitors. There was one women and one man in particular that got tremendously healed. The women was healed from several years of scoliosis, and the man in a wheelchair who

was unable to stand was Holy Ghost healed and was able to take steps.

Many people were pleased and also amazed of their sicknesses being healed. The Lord is doing tremendous miracles and San Pedro continues to see fruit from this event.

We give praise and victory to our Lord and savior Jesus Christ.

Prescott teens visit Boise, Idaho for outreach, see great impact

By Alyssa Wohlwend

I had the opportunity to go to Boise Idaho this summer. It was a tremendous experience. God showed up and moved.

The group of us all joined together in fasting and prayer right before we went, and I was praying that this would be a breakthrough in my own personal life. I had been really struggling with fruitfulness and discouragement.

God did meet with us and gave us divine appointment after divine appointment. At one point I was getting a little discouraged, I was trying to witness and Morgan was praying with someone, Nathan and Ken were praying with a group of people, and I still wasn't seeing any fruit.

The rest of the team laid hands on me and prayed for me. And God was faithful. The next couple I talked to was a Hispanic couple who spoke very little English, and who had never heard about Jesus before. So I started telling them about Him, and how He died for their sins, and they just started weeping. God really moved on them, and I was able to lead them both in a sinner's prayer.

The next day on outreach I ran into a lady who said she wanted to come out but was sick and had really bad back pain. The whole week our leader Ken Herman challenged us to step out in faith and believe for healings.

I asked this lady if she thought God could heal her, and she asked if I could pray for her. I looked around and I couldn't find anyone from the outreach team, so I was just laid hands on her and prayed for her myself. God was totally faithful, and when I was done praying the lady could move her back and was healed. I was blown away that God would use me. This was the first time I had actually prayed for someone to get healed. It was a tremendous breakthrough.

The whole week was a breakthrough in my faith and it will always be a reference point for me.

I went on the guerilla impact team for Pastor Aaron Wendt and his family.

Prescott teens minister in Boise, Idaho outreach

As soon as we landed we hit the ground running. We were excited to see how God would use us.

The first night we went to an apartment complex. We weren't even there for five minutes and we were already being asked to leave! As that was happening, a girl passed us, so I witnessed to her, and she prayed!

We then went to a grocery store,

Jesus Christ. We were all running around witnessing and praying with multiple people.

As the week went on, we saw many divine appointments and miracle healings, and people who were saved on outreach continued to come to Bible studies and outreaches. All together we saw 35 saved, and four healed! We give God all the glory. Continue to pray for Boise, Idaho as God is doing a tremendous work there.

By Nathan Mayotte

Over the past few years I've had the opportunity to fly to different pioneer churches and do impact teams there. This past July we flew to Boise, Idaho for Pastor Aaron and Sarah Wendt.

As soon as we got there we outreached all day for a Bible study that night. At that Bible study we met a young man named Grant. At the end of the night he gave his life to Jesus but told us he had pain in his back. Just as our pastor taught us we sat him down and prayed for him and instantly his pain was gone!

The next day on an outreach I ran into a young man who claimed to be an atheist. After witnessing and giving him my testimony he prayed and accepted Jesus as his savior! Throughout the entire week we saw many miracles and breakthroughs in our own personal lives. We thank our pastors for giving us the opportunity to go.

Always a highlight in the Prescott church

Every Fall, Pastor Artie Aragon brings his congregation and church choir to spend a day with the Prescott Church. It's always a highlight as we hear about what God is doing not only in the Navajo Nation in Arizona, but in other tribes throughout the U.S. God has moved in changed lives, healing, provision and so much more. After the morning service, the Chinle Church serves a huge authentic fry bread lunch to more than 500 people. In the evening, the Chinle Choir takes the stage and we are always encouraged by the testimonies and music from our Navajo brothers and sisters. Thank God for what He is doing in the Navajo Nation and beyond. And thanks Pastor Artie and congregation for ministering to us, and for the work you do during our conferences putting up and taking down our tents. You all are a blessing to the Prescott Church!

Corres: Eben Brunet

Greetings from Perth, Western Australia. God has been faithful to us during this Winter period as we continue to spread the good news of the Gospel under the headship of Pastor Tom Payne.

Winter has well and truly kicked in and so has our concert scene. Every Saturday night we have The Venue concert with bands, drama and live testimonies throughout the night. The concerts have been very fruitful, with anywhere between 150 - 200 people in attendance and people getting saved.

Once a month we put on a Venue Special and use popular themes that resonate with people and we are seeing God moving through these. In June one of The Venue specials was a Reggae night hosted by Pastor Rod Gibson. Throughout the night he performed live Reggae music and was able to weave his testimony through his songs. The night ended with a powerful drama of a man in Sin freed from the chains of bondage through Jesus Christ. We praise God for the eight precious souls that gave their lives to Christ that day.

In July we took The Venue out of the four walls of the church and ventured out to a local recreation

centre for a Venue special called "Superheroes." This was a live musical drama production about a young boy's brother who kept on going back to his sin. No matter how many times the superheroes would "save" him from it, he kept on go-

moved powerfully with people getting healed and throughout the four nights we saw 18 people pray a sinner's prayer.

One of the miracles that really stood out was a lady who had cancer in her chest and was in pain. Pastor Mitchell prayed with her and immediately the pain went away. We are believing God that her results from her check-up come back clear.

We want to thank Pastor Wayman Mitchell for the vision and the Prescott congregation for the continuing support. Please continue to pray for Pastor Tom Payne and the Beechboro congregation as we continue to labour and win souls to Christ.

Pastor Lewis Claxton

Greetings from the Potters House Church in Erdington, Birmingham, UK. This report has been written with the intention to encourage Gods people and testify of His faithfulness to His church.

The Erdington church was pioneered almost 20 years ago by Pastor Paul and Penny and within a few years of pioneering God miraculously moved for them as they were able to purchase from the City Council at an amazing discount rate what is now our church building.

Over the years the building has served the church so well because it has all the facilities we need and it is in a prime location on a busy main road and only about two minutes walk from the town centre.

Despite everyone's hard work and consistent effort with the maintenance and general up keep of the building, over time it became ap-

ing back. In the end the superheroes and the boys all realised that Jesus was the ultimate superhero and the only one who could save them from sin. The special drew some 330+ people in attendance with over 100 of them being visitors. After the altar call was preached 30 people including children made a decision for Christ.

This August we had Pastor Greg Mitchell fly over and preach a revival. We advertised this as a miracle healing revival and we saw many visitors come out from their homes looking for a miracle. God

God supplied for renovation of Birmingham, UK church building

parent that the front of the church building was in need of a face lift. The problem we found with saving for the building work was that because there are always more pressing ministry and evangelism needs at hand we would always target our finances towards those.

In 2014 the congregation was presented with an opportunity to partner with a local Potters House church in Nigeria to financially help them with a building project for their new church building. The church made a deliberate decision to put aside what was now a pressing need for our own building works so that we could be a blessing to them.

We raised a pledge and were blessed to be able to send them the money. In 2015 we were carrying on preaching the gospel as usual and to our surprise God brought what we would consider to be abundant resources into our church and it was just enough to begin planning for building works.

At the beginning of 2016 the building work began and as you can see from the pictures, the front of our building is now a great blessing to our congregation. It has given a new pride to our church and a new edge in the community.

When the work finished in April we had a church open day and saw almost 80 visitors with four people who made decisions to receive Jesus. Peoples' interests in the church has evidently risen seeing the

building work has been completed.

We thank God for his faithfulness to us and rejoice in this new chapter of our church.

This testimony is testament to the spiritual principles of the blessing to invest in world evangelism and the partnering of fellowship across the world. Our prayer is that every church is able to tap into the spiritual resources that God has set aside for us all. May God richly bless you.

Blacktown, Sydney, Australia
Potter's House
Pastor Rick Villamonte

Hello from Blacktown, Sydney Australia! We bring a praise report of what God is doing in our church and in our city!

Since early 2015 we have seen an increasing number of visitors and decisions coming from regular outreach on the streets. We began having reg-

ular monthly prayer meetings and have seen a direct correlation between these and the fruitfulness and breakthrough in our city.

The saints have been faithful to contend and fight in prayer on these nights and have also had many personal miracles of healing and breakthrough in jobs and witnessing opportunities.

Prayer has also opened the door for renovations on our building, which was completely financed by a local government program to get unemployed people into employment. It turned out to be not only a blessing to our church, but also a fantastic opportunity to testify and share the Gospel.

We have been having powerful revivals with the most notable being one in February with Evangelist Gibson. There were a total of 25 decisions with many of these returning for the following services. Due to this, in March we decided we needed to have a baptism for these, and praise God, we had five baptized after church, right out in the carpark.

More recently we had a wedding as a result of a young couple making a commitment to live righteously and follow Jesus. Many relatives and friends testified to the couples' changed lives post-salvation, and praise God there has been fruit out of this as people have returned.

At our annual Easter camp, we had a great time of fellowship, bonding over tent-making, late

Couple saved and married in Blacktown, Australia

night campfires and games as well as the Word of God. We set up a marquee on Easter Friday and had a church service and the whole campsite was witness to the people of God singing and praising His name unashamedly! This has proven to be a hallmark event on our yearly calendar and many of the congregation have noted a difference in the unity of the church afterwards.

We have also added a new band to our concert scene, another example of people rising up and offering their talents to God. One of these same disciples also had an opportunity to preach and delivered an anointed sermon, which is very relevant to our church and this report.

We have faced many storms, but under the guidance and direction of Jesus Christ we have weathered these and are growing both spiritually and numerically as a result. Jesus is the Lord of our city and we are excited for what He has planned for the church here in Blacktown.

Pray for us as we pray for you, God bless.

Greetings from Bonteheuwel, Cape Town, previously pioneered by Dan Jones then taken over by Harold Visser.

Bonteheuwel is a community with approximately 50,000 people, the majority being 95 percent coloured. This community is filled with gang violence-young teenagers resorting to heinous acts due poverty and growing up in a fatherless generation. However, God is tremendously moving!

Our church is situated in a local community building that we've had to share for the past few years. After seven years through prayer and putting our faith in God we finally settled on an agreement with the owners being the only people using the building. This proves that God

answers prayers and he is a rewarder of those who diligently seek him.

God has been doing great things since 2015 of last year and right up until now. One of the main highlights was our skateboard competition which 120 people attended.

During the alter call one backslider from the entire crowd walked in front and surrendered her life to the Lord Jesus Christ.

After four long years Pastor Dan Jones returned to South Africa to do a revival. We fasted and prayed for backsliders and in that revival we saw sinners repent of their sin, and backsliders came back home!

Together with the two great revivals that took place in the months of December and January; the first with Pastor Isaac Cortez followed by Hector Ortiz. Both revivals produced tremendous results as God was strengthening the core of our church.

In June we are celebrating our 10 year anniversary. Through raging storms, trials and difficulties we came out strong and we're still standing for the Lord. Don't give up the fight continue going strong for the lord.

This year we had our 25th anniversary in the Bredachurch

with all the four baby churches attending.

The celebration started on Friday the 27th of May until Sunday the 29th. Friday we started off with revival with Pastor Majoor. We had a great time and saw a move of God. All the baby churches attended.

Evangelist Saris who just started this ministry received a word of knowledge that he would be used in the supernatural. Also Pastor Meeuws from one of the baby churches received a word from that he would function in the gifts and so build the church in the city of Ysselmonde.

On Saturday we started off with reports from the baby churches and all the things that God is doing in their cities. It was very encouraging to hear that all the investments that were made through the years have produced fruits that remain.

Men and woman that are grasping the vision of the Breda Church to win souls and one day be launched out into the ministry. In the afternoon we went to the streets to sing and preach and had a great time because several people got saved.

After evangelism everyone returned to the church building to have dinner together. There were approximate 300 men, woman and children enjoying good food and fellowship, reminiscing about all the things God has done and still will do. That evening we had a concert with all the baby churches. We also had visitors that came to enjoy the celebrations of that evening.

We saw one convert that evening.

Sunday morning pastor Martin Klok preached a powerful sermon and gave words of knowledge and encouragement to people of the church and first time visitors. An elderly couple in their 60 that attended for the first time received such encouragement of God's grace and that even though they can look back and see the mistakes they made and the chances they missed in life, God still has a plan and they

25th anniversary celebration in Breda church

Since the beginning it has not been easy for us at all but all glory be given to the Lord who never ceases to testify his love for his church.

We have had two marriages already, two committed young disciples and many other ones that are preparing for their

weddings.

We remember a sister who came to church and by the mercy of God she is delivered and she is learning how to read. We have a group of young disciples who are very committed.

We can see the fruits of evangelism with new people coming almost every Sunday service.

Despite the multiple challenges, our baby churches are up for great things. The Lord is adding to the churches.

We will never cease to be grateful for the work the Saffa family has carried out in this nation. We believe it will bear fruit for the Kingdom of God. We thank Pastor Warner for his love and confidence.

We also thank Pastor Gareth King, Pastor Alvin Smith, Pastor Steve Pinnick, Pastor Edward Saffa, and all our congregation for their prayers.

We invite you all to come to Cameroon, and we thank the Cameroon congregation for their love and devotion despite the emptiness around them.

need to look ahead. We saw four people that gave their lives to Jesus that morning.

In the evening Pastor Johan Houtman preached for us and also gave words of knowledge and encouragement to men in the church. All in all we had a great time celebrating the 25th anniversary of the Breda church. This year the Breda church will also be hosting the healing crusade with Pastor Mitchell. It was great looking back at what God has done these 25 years but it is even better to look forward to what God will do now and in the future.

We have great expectations for the healing crusade and see this as a great beginning of the next 25 years.

The Kuils River, Cape Town, SA congregation

My wife Angie and I are pioneering the church in Kuils River out of the Athlone church and has been a glorious ride as we have seen countless amount of lost souls getting to know Jesus Christ on a personal level.

There has been a great emphasis on taking the gospel out of the four walls of our church through street outreaches and concerts whereby workers are rising up to move the kingdom forward.

Jesus is faithfully building His church out of men and women from many walks of life, forming a multi-cultural, multi-ethnic and multi-racial church, whereby many are catching the vision of our Fellowship.

We wedded the first couple in a Jesus people wedding in 2015 and had the very highest attendance of 72 visitors. We were grateful for the opportunity to preach and expose the gospel to all these visitors.

In the past year we have had great times with various pastors. Our mother church released Pastor Michael Brill to come do a full Saturday concert and revival out of which were many saved. He followed through into the revival meetings.

Pastor Dean Adams from the UK did a meeting for us where we saw the whole building packed with visitors in a jubilant atmosphere. Pastor Isaac Cortez also followed, bringing stability and greatly encouraged our church as the Holy Ghost turned up the heat thereafter to another dimension.

We just come out of a fiery revival with Pastor Nazi Mjulen from Queenstown who stirred up

the church with life-changing preaching and immediately afterwards baptized a great number of new believers in water. All these revivals have stirred our church and refreshed us to keep moving forward.

Daily Vacation Bible School themed "God Loves Me," was held the last week of April, with 120 children attending.

On May 12-14 we held a three-day and two-night Youth Camp themed "Empowering the Youth." The 148 young people were blessed, challenged and revived with the powerful sermons imparted and team activities.

On April 17, the church launched out our couple. Glory to God, on their first midweek church service, they had 12 people and after a month baptized three souls!

We had five people baptized in May.

Street preaching, Saturday night concert, Home Bible studies, and

follow-up ministries are still growing. We see new souls visiting and attending church services. We see new souls committing to daily morning prayer and church activities. Greetings from the Arnhem Church! We have revival in the land!

Pastor Kooijker prays for the sick in Arnhem

We just finished six revival meetings with Evangelist Edwin Jonkhout from Zwolle in our city Arnhem. He just recently went daily for a month to the streets of London to witness, praying for the sick, believing God for miracles.

This indeed happened - hundreds of souls were saved, hundreds of people were healed and delivered by the power of the Holy Spirit!

Expecting this same spirit of revival we made room for God to move in our city. God confirmed His Word and promises and we saw in a short time more than 60 souls saved and more than 125 people healed!

We took pictures and movies from many healings and shared them by "whatsapp" to church members. With live testimonies and visible signs and wonders many Christians were built up in their faith. Disciples, older saints, teenagers, everybody followed this example and started to pray for the sick and to witness to precious souls. They themselves became witness of the effect of their prayers and became very enthusiastic that people were healed by their prayers. Evangelist Jonkhout gave tremendous words of wisdom, and encouraged us with outstanding messages of God, stirring our hearts for revival.

We finished these meetings with a prayer tent on Saturday and saw again this same Biblical pattern of revival happening.

In coming weeks we will go with impact teams to our baby churches and other churches in the Netherlands to share and bring over this fire of revival to those

Disciples follow suit and many are healed

churches, so in short time this will spread out throughout the country. Hopefully many Christians will follow the example, stepping out in faith,

believing God for many souls saved, healed and delivered.

Just a group of those many testimonies:

A Muslim man had four years ago a motor accident and walked since then in pain with a crutch. After prayer he got totally healed.

A man with more than 20 years pain in his hands: healed!

A doctor from a hospital invited us to come over to pray for the sick in his hospital.

A young man, a promising football player, was taken for the selection because of the effects of a broken bone. After praying he ran and got healed.

Recently our latest pioneer work started the church in Barneveld and we just sent this month a young couple, taking over the church in Zaan-dam/Amsterdam, into the harvest field.

We are so thankful for what God is doing and are looking forward for a remaining revival in our cities. Please pray for us that God's favour will stay in our cities with last days' signs and miracles. God is good!

Greetings from Davao City. Certainly, God's mighty hand has been helping us.

For the month of February, a Men's Rally was held at the training center by the district 4 churches,

team was again on the move in Samal Island, ministering to two of our churches.

We were blessed in the anointed ministry of Evangelist Ralph Blanco of Prescott Church for a four-night revival. We were warned from Satan's attacks, curses were broken and people were set free from the strongholds of the enemy. God manifested His amazing love to us through prophesies and healing in every night of the revival.

A certain boy named AJ Martin, 12 years old and a cancer patient, came to the revival on a Sunday night. He was suffering from Osteosarcoma (a very rare type of cancerous bone tumor that usually develops in teenagers). Our brethren

with 140 in attendance.

Our Couples' Fellowship was revived this year with a refreshing of vows. A special Valentine event of the City Night Live ministry was a blast and saw 46 young people saved. The impact

in the hospital ministry had been ministering to him and his mother. After his third chemotherapy, he decided to stop the treatment and chose to believe God for healing.

AJ's left leg was supposed to be amputated but he refused and said that if God would heal him, he would serve Him. He promised to go to church once he was able to walk. God heard his prayers. The pain and inflammation on his left leg were healed. Pastor Blanco prayed for him and he came back on the second night. The boy got better and continues to contend for God's full healing.

In April, we had a healing crusade at the park and the Mindanao Summer Bible Conference. We were so blessed to have great men of God as our main speakers - Pastor Mark Aulson, Pastor Bob Burrus, Pastor Chris Aulson and Pastor Alberto Desepida - ministering on the theme

"The Divine Mandate." It was our joy to be with the 13 delegates from Vietnam, our local pastors and their respective delegates, having one spirit and one heart in serving God.

Despite the power outage in our city (caused by the El Nino Phenomenon), God's hand moved and we had an orderly and fruitful week of conference. God's Word was powerfully preached and imparted to the congregation. Jesus' Name was proclaimed in the streets as the delegates marched in the Jesus People's Parade. Our Youth and Singles ministry presented a short play that depicted God's calling. And on the final night, the most awaited part was the announcement of couples to the harvest field, with 13 new local works and another international work to Thailand. All Glory to God!

On the following week, fresh from the conference, we immediately started our preparations for our Vacation Bible School. God moved amazingly from our planning until our last day. This year was different from the previous years in many ways. We had the most number of unsaved kids who were receptive to the Word of God. We thanked God for the opportunity to lead them to Christ.

God raised up many new workers (mostly young people) and old workers with new challenging tasks. We got excited and encouraged with the Bible stories on the life of Joseph. Everyone did their part in prayer, time and finances. The Holy Spirit moved wonderfully each day.

The VBS workers gather for a 15-20 minute Gospel sharing with our pastors before starting the daily program. On our 5th day, many parents came and the church was packed for our closing event. Pastor Frank Buenaventura shared a message on Godly parenting, and parents received salvation.

On several regular Sunday night services, we are amazed seeing more than 10 souls in the altar. God is sending more visitors every week who are rescued from desperation and broken lives. God's hand is immeasurable for it is mighty!

Thank you for all your prayers and please continue to pray for us

as we lay treasures in heaven, do the divine mandate of evangelism and that His name be glorified. God bless you all.

Eldorado Park, South Africa Potter's House Pastor Ron Banet

What an honor to represent the Fellowship in Africa. With God's help, we have just started our 15th year of missionary work.

The Hand of God has always protected us, and there is no greater joy than to be on the front lines.

The Meadowlands land paper-work finally was released to us after waiting one and a half years.

In June and July, we surveyed the land, cleared and leveled it, and installed the fence. The next phase, laying the foundation, and erecting the steel was postponed. This was due to unrest at election time. We are glad to report the local elections went smoothly, by God's hand. We will be resuming construction after September rains cease.

June 16 saw Youth day, where we had a drum line competition and family day. Many sinners showed up, and people driving past stopped to see what was going on. More than 70 first time visitors responded to the altar call.

The end of June is always a special time as the

Men's rally drew 300 men for two days of preaching. Terry Wakefield from Austin, Texas preached wonderful meat and potatoes sermons. He then followed up with a fantastic revival, the highlight being three or four teen men getting saved Sunday morning. By the end, that number had grown to 15. They are all still coming from Lehae, Lenasia. We had to start a Home Bible Study to facilitate them. Thank you Austin for sending your pastor!

Spring started in September, and with it our annual South Africa Bible Conference. We are excited to have Pastors Mark Aulson and Scott Lamb, and to see what God will do.

Lastly, we have an unusual testimony. We always pray for a double anointing of our Pastor. God answered us literally. In the past year,

Several sets of twins saved in Eldo Park, SA!

we have had five sets of identical twin teenagers lock in. It started with Bongani/Simpfiwe who are now rapping. Their group is called "Futhi," which means "again." You see one, then again you see another. It's confusing but fun!

Thank you Prescott congregation for your unwavering support for South Africa and the nations. Thanks Pastor Mitchell, and Pastor Greg and Lisa for your love and care.

Greetings from the Eden Park church, Johannesburg. South Africa.

As a church we are committed to what we know to do, which is taking the Gospel beyond the four walls. Indeed God has opened a door of effecting work and ministry in our community. The blueprint of our Fellowship works everywhere and in every nation. We are very careful to give praise to God for what he is doing through our outreach and concert scenes. Saints always return with joy of several people they have led to the Lord.

What an awesome privilege to be involved in the work of the Lord here on earth. Indeed God has a noble task and he is looking for a man/woman he can trust. Our people have in them the heart of evangelism and through that the church is effectively impacting the community.

The church has seen steady growth with first time visitors coming to our services and giving their lives to Jesus Christ. The 2015 November revival with Pastor Chris Aulson rejuvenated the church with timely messages. Ever since then, we have constant return of backsliders, which we could attribute to the revival. We thank God for the desire he has put in his people to do his work which is matched by their faithful giving as well.

We also continue to send Impact teams to our sister churches and baby churches around us and the

reports of victory always follow suit the sacrifices and dedication of our people to the vision of seeing the lost saved. In May this year the church was able to send an impact team to a pioneer work in Westernburg, Polokwane in the Limpopo Province, which is approximately 400 KM from Johannesburg.

We left Johannesburg very early that morning and arrived in Polokwane just in time for outreach. We laboured the whole day and came back that very night. Pastor Shawn and few others stayed behind, as he was scheduled to preach the Sunday services there.

Out of that outreach we saw 19 people saved from the Saturday outreach and more during the Sunday services. There were also those who got healed of their sicknesses after being prayed for. Limpopo is another open province. The people are so open that one gentlemen begged us to minister to his friend. On the outward this man's friend seemed successful, but on the inside he was breaking. As we spoke to him he was so open not to conceal his sins. We took the opportunity and ministered to him and he gave us the ear to speak into his life.

In February this year, we were able to host a revival with men who were trained and sent out from our church. What an in-depth growth and rich ministry have we experienced!

In one of the services an enlightening message was preached specifically on giving. There is a number of people who have completed their schooling but they are struggling to get jobs. People were stirred to give, but this time with much clearer understanding and appreciation.

Prior to this, an altar call was made in June 2015 pertaining to the issue of employment and coupled with a challenge on world evange-

lism pledges from January this year; it could only be that through all of these, God heard our cry and poured his favour on his people as we are now seeing a number of people getting employment.

The church in Eden Park is thriving and open to people from all walks of life. Our children's Sunday school on the other hand does not

go unnoticed. Sunday school plays, rapping and outreaches are effectively impacting kids as their peers gained the courage through the help of their teachers to do a work for God. The Sunday school Easter play saw yet more fruits this year when the alter call was made at the end of it. Pray for Eden Park as we attempt greater things for Jesus and are pushing the frontiers

Every year Pastor Jose Torres preaches a Miracle Healing Crusade in Ensenada B.C. Mexico.

This past year I prayed for this girl who had been sick from kidney problems since she was 13 years old. Finally the solution was a kidney transplant, but the doctors quickly realized the transplant didn't help.

She also had a breathing mask because she would quickly pick up infections and these would knock her out.

Pastor Jose Torres preached a revival for the Ensenada church, and the mother of this girl who Pastor Torres did not remember approached him, thanking him for praying for her daughter. Pastor Torres was so impressed with this incredible miracle of God he said we needed to share it.

We thank Pastor Wayman Mitchell and Pastor Greg for their faithfulness in teaching our pastors how to pray for the sick.

Hangzhou, China Potter's House Pastor Pat Edwards

Summer is fast approaching and the temperature is climbing here in beautiful Hangzhou.

The city is destined to become even more beautiful with an extensive face-lift already underway in anticipation of the G20 Summit in September. The authorities are also getting a little more diligent in checking out what foreigners are doing here, so pray for us.

We have enjoyed an eventful and fruitful May. We had a pizza night at English Corner that attracted a good crowd and a lot of interest. "If you cook it they will come" as they say! The idea was to bring your own toppings and

Longtime Christian Chinese woman, left, knows what it is to suffer for Christ

make the pizza you always wanted, so we got to sample some Chinese pizza dreams – I had never considered peanuts as a pizza topping! – anyway, we were enlightened and well fed.

Baptism in Hangzhou, China

We sent a small team to Shanghai to do a concert. Kathy and Lou sang, Kate testified and I did the altar call for one decision. After getting back to HZ late that night we re-grouped for Sunday service and a couple (Elim and Usagi) were saved. She is not Japanese and he's not Jewish but they have been every bit as refreshing as his name suggests.

In the evening service we baptised three precious souls (Zhuzhu, Ella and Dean) in our new inflatable baptismal. Of all the nights for the landlord to pop in for a friendly visit! Just when you have three wet Chinese and an inflatable kiddie pool full of water in his building! "Ummm... hi!, We're having a Christian baptism." He somehow didn't understand and thought we had an event for children so let's just leave it at that! Phew!

We had a visit on a Sunday morning from a girl who is from one of our churches down south. She was holidaying with her family in HZ and brought them out to church. Problem was that she has only a little English that she learned in church and her parents and sister speak no English.

We had no translator on hand so I fired off a quick prayer (God, what are we going to do?) and made some panicked calls to find a translator only to realise that they don't speak Putonghua either, just their local dialect! I told the girl with the limited English, "you will have to translate," cut my sermon

down to the simplest possible version lasting about seven minutes (including altar call) and her sister got saved! Her Mum had us all reaching for the Vinda (Chinese Kleenex) as we heard of the

difficulties that many Chinese Christians have experienced since she was saved 30 years ago.

A great month wrapped up with 18 in church last Sunday night and a great time of fellowship afterwards. Keep praying for China, and don't forget to drop in some time!

Prayer/praise points:

- Pray for Miracles and HG baptism.

We need validating signs confirming the preaching... God also bearing witness both with signs and wonders, with various miracles, and gifts of the Holy Spirit, according to His own will.

- A man to translate for preaching.
- Praise God for souls saved and improved attendance.

Harrow, London, England Potter's House Pastor Martin Wasula

Greetings from Harrow in London. It has a very eventful year for our church and we are praying for the remaining few months for fruitfulness in our people personally and our church as a whole.

In November we had a powerful revival with Evangelist Steve Zapata who brought words of encouragement and preached some fantastic messages to the church. A young woman by the name of Dereka had a backache for a few months and Evangelist Zapata prayed for her. One of her arms just grew out at least three inches...she was totally healed.

We had another young lady who had been deaf in one ear for a number of years. She has a cracked eardrum for five years and couldn't hear very well and after a while she couldn't hear at all... she was instantly healed.

In March we had by far the greatest miracle in our church. One of our couples had a baby girl. After four months they found out their daughter had a hole in her heart. At six months she went into heart failure. At seven to eight months

they were told she needed a heart transplant...but might not be able to get one.

In June she was put on a Berlin heart, a machine that does absolutely everything, taking the place of the heart and lungs. The parents were told that they would have to wait a number of months for a heart, sometimes five or

nights where the church building was converted into intimate scenes representing Jesus' last days in Jerusalem. Visitors were able to experience the smells, sounds and tastes of Jerusalem as they watched the scenes unfold before their eyes. We had a total of 60 visitors and 23 decisions for

sions, two local policemen saved, one healed of a chronic knee problem and an older man healed of back pain.

The pioneer church in Flagstaff Suva finished the revival with 85 in church on the Wednesday night, 32 filled with the Holy Spirit and many healed.

Praise God for what He is doing in Hurstville; please pray for us as we continue to pray for you!

six months.

God moved and within four weeks a heart was provided and the heart transplant surgery was successful. The baby is stable and doing well. It's not all over yet but we want to rejoice and really thank God for what He is doing in our midst.

I hope that someone, a couple maybe, will find comfort and hope through this testimony as this truly is a great miracle.

We are looking forward to revivals later this with pastor Pakia Raj from India and the Evangelist Tony Chase from Chandler at the end of the year.

Hello from Sydney Australia! We have had a fruitful time in God this year. In January, Pastor Munzone ministered at the PNG Pioneer Shepherd's seminars and also preached a revival in the leadership church of Port Moresby. He was able to greatly impact all 14 local Pastors and their wives, further equipping them for their ministry.

Our church conducted an "Easter Experience" production over two

Christ.

Our annual Big Tent Revival with Pastor Tony Hoang attracted many first time visitors and a revival with Evangelist Rod Gibson brought numbers over 120 on both the Sunday and Wednesday services.

An impact team to three Fijian churches experienced hundreds of

decisions, with many healed and filled with the Holy Spirit. One notable miracle was watching a crippled lady being carried into the church building and then walking out after being miraculously healed!

The next night the building was overflowing with people, with many visitors having to stand outside. Great impact with 28 first time deci-

sions, with many healed and filled with the Holy Spirit. One notable miracle was watching a crippled lady being carried into the church building and then walking out after being miraculously healed!

They said to us "We know who you are, you are from that church that is always in the street talking to people about Jesus."

We've seen men rising up this year wanting to do more for God and be used by Him in greater ways than before, wanting to learn musical in-

struments and being challenged by the Serious Men classes on Sunday mornings at the Melville church with Pastor Botha.

When Pastor Valk came to South Africa to preach revival services for our mother church, the Melville church, in March this year, he brought two disciples from the Zwolle church. We were privileged to have them come preach to us one Sunday morning and another in the evening. The church was really encouraged by the fire and enthusiasm they brought with them.

Open air preaching on Friday nights are a regular feature. One-on-one, door-to-door witnessing are the order of the day in the city of Johannesburg.

The church is contending and believing God for greater things to come and holding fast the confession of our savior Jesus Christ.

Launceston, Tasmania Potter's House Pastor Michael White

Greetings from the Potters House Launceston.

This year we have been experiencing a freshness of the Holy Spirit. With recent revivals with Rod Gibson, Tony Chase and Dennis Wright, the Power of God has proven fruitful.

Pastor Michael White has been laying a focus and foundation of Matthew 9:8 - "Now when the multitudes saw it, they marvelled and glorified God, who had given such power to men."

With Men's Discipleship classes, the men are being stirred to discipline and living a Godly life through our example Jesus Christ, to be full of the Holy Spirit so that one can be used mightily for God in signs and wonders!

This year's highlight was our 30th Year Anniversary, with the founders of Launceston Potters House Pastor Greg Mitchell and his wife Lisa, coming down for a five-night celebration. We saw all the

baby churches attend and looked in reverence to "What the Lord has done."

With videos over the years being played and testimonies of what God had done in people's lives, it was truly a blessing to see how God has moved through the church.

With regular outreaches in the city and concerts held every fortnight, we are seeing God move on our behalf. With street preaching and regular one-on-one witnessing, the saints are stirred to be faithful and "go into all the world to preach the Gospel."

Regular impact teams into our baby churches in Hobart have also been fruitful with souls giving their lives to Christ.

We would like to thank you for your prayers and support and pray that you continue to pray for Pastor Michael and Maria White, as they strive to make an impact for Christ in Launceston Tasmania.

Lesotho Potter's House Pastor Lloyd Hermans

Greetings from Lesotho. I give God all the praise, honor and glory for what he's doing in the Nation of Lesotho.

In December we had a revival with Pastor Leebon Britoe. We saw people saved, healed and delivered, and I thank God for all he has done

during that revival.

God is continuing touching and changing lives within the church. One young lady's mother started attending our church because she is seeing what Jesus is doing in her daughter's life. Her mother's words were, "My daughter is not the same, her life is changed!"

There are also young people who are continuing to make stands for Jesus. One disciple said, "My family knows that Jesus comes first."

There was a disciple in the church, who asked me who he was going to marry. I told him he has to believe God and pray that God brings young women who will catch the vision, and get saved. In March 2016, he got married. God has blessed him with a wife who has caught the vision of our fellowship. They are both faithful to church services, outreach, follow-up, prayer meetings in the morning, and both of them want to do the will of God.

In May we showed the movie "War Room." I made the flyers and we outreached for four days, then showed the movie Friday and Saturday in the church building. God gave us favor. Friday we had over 100 people and 40 souls gave their lives to Jesus, and on Saturday 20 souls got saved. We are following up on them and we're believing God for them.

Thank God there was a young man, that also got saved, and he is faithfully coming to the church services.

Greetings from the saints in Melville. Revival is the word we can use to describe what is taking place in the church.

True to the word of prophecy the church received after the Holland Conference this year, the church has received an influx of visitors, service after service.

Sinners are making decisions to live for Jesus Christ and getting baptised.

Young men and women are start-

ing to catch the vision and are steadily locking into church.

We took our Cafe 180 concert scene to the roof of the church and it received a great response from the community.

In April, we were blessed with the preaching of Pastor Etienne de Sain from Holland. The church was indeed strengthened, challenged and encouraged by his timely messages.

In keeping with the vision to evangelize to the world, an impact team went to Polokwane, north of Johannesburg to outreach for Pastor Nxumalo. Despite the opposition by some residents to the street preaching, 64 people received Christ.

The church continues to be fruitful as 300 people have been saved this year so far.

Our baby church in Randburg has moved east of Johannesburg to a city called Boksburg, where it has already seen countless of souls saved. We look forward to see what God is going to do in that city.

Our other baby church in Johannesburg led by Pastor Pieter Mahlangu continues to have visitors at every service.

In a few weeks, the church will host its first Harvester's Homecoming.

Keeping with the church's statement: Jesus is the Light in darkness, Melville will continue to reach out to lost souls.

Continue to pray for the work that God is building in our city.

Recently we also started two Bible studies at two of the disciple's homes, and God is helping us. Visitors have come, and one visitor got saved.

I would like to thank Pastor Mitchell, Pastor Greg Mitchell and the Prescott church for their investment in our nation, and I thank Pastor Banet and Sister Kathie for their leadership and their support. I also like to thank the Hadebe Family, the Eldorado Park church and all the fellowship churches for their support and prayers. God bless you!

Nanning, China
Potter's House
Pastor Julian Mabey

We are very grateful to be in Nanning China! God is opening doors here.

June 1st, 2016 was our one year anniversary since we arrived last year. We were launched from the London November conference in 2014 not knowing anything about this city! We are blessed to have the Norwich congregation under the leadership of Pastor Paul Boddy to be supporting us.

So much has happened in way

tacts and opportunities to give out testimony and do concerts.

We were also given a platform to minister to students wanting to learn English by a man who was impacted 20 years by a Christian lady from the UK. He never forgot and when he heard of our arrival he was excited to help us and introduce us to many people.

An exciting recent highlight was when our mother church sent a 10 day impact team of 11 people to our city in April this year. It was amazing to see God open up places for them to do concerts and share their message. They were able to go into two schools (approximately 1,500 students each), and minister through songs and testimony.

They were also able to perform on a large stage to a few thousand people organised by local government and even got paid for their time! They also played a concert in a packed out restaurant and in a school during one evening to teachers and adults.

The team was able to do an outside concert in

a popular riverside location one night, drawing hundreds of curious onlookers. They also did music and special testimony of a family's miraculous testimony of healing during our regular weekend meetings.

We have seen fruit from these outreaches and are seeing a core of people coming together. Nanning is open and we appreciate the fellowship for releasing couples into the harvest field. We are truly grateful to the UK fellowship for their investment, especially our mother church, and the Bury St Edmunds Potter's House for their awesome team in September last year, their prayers and financial investment.

Pastor Tom Philippe

Greetings from Ningbo City, Mainland China! We would like to report that God has really been moving here in the last two years!

While being in China may have some challenges, it really is a privilege and great blessing to see all that God is doing in this nation!

We have seen amazing favor in all our events starting off with a concert we held in February. We advertised a music party and outreached for about two weeks. When the Saturday came we had around 40 people come out and 10 saved! This led us into a season of fruitfulness which still continues today. For most of the next two months we had people saved in nearly every service!

Easter is a big draw here as many Chinese have never experienced it and know very little about it. After the morning service we had a traditional Easter dinner for all to experience. We ended up having almost 60 people come out and nine saved before we were done!

In April we also had our one year anniversary meeting in a building. We had the privilege of having my

Alii and Greetings from the Island of Palau!

God has been helping us in the past months as we continue to keep

our vision and focus on precious souls in the harvest fields.

We are seeing a steady growth of converts as we continue to take evangelism outside the walls of the church building and into the streets. It is amazing to see the favors and open doors to preach the word of God in the villages and hamlets as many

people are now open to the gospel and those that responded to salvation are locking in to the church.

In the ending of November, we were blessed to have a week of revival with Pastor Jesse Cluck from the mother church in Guam along with his wife Sister Angel. God moved powerfully in these services as we felt a tremendous grace of God and His tangible presence each night.

Pastor Jesse Cluck is no stranger to Holy Ghost ministry and ministered to us accordingly with passion and the gifts in operation. The church was greatly encouraged and strengthened not only by his preaching but at seeing the fresh fruits that respond to each altar call.

We've had a total of 65 first time visitors, 34 saved and 18 notable healing miracles.

In April, with much anticipation and expectation, we had the privilege of having Pastor Glen Cluck, Sister Donna and their granddaughter Aliyana come in for a week of revival as well. God again showed Himself faithful and powerful as we saw the building packed with first time visitors and locals responding to salvation.

One lady actually called the next day and said that she received a miracle right after Pastor Cluck gave her a word. A mind blowing miracle is that in a time of severe drought, Pastor Cluck declared that there will be rain and it has been raining ever since despite the "pre-

dictions of experts."

We've seen a total of 60 first time visitors, 36 people saved, 18 miraculous healings and 11 filled with the Holy Ghost as well.

Our hospital ministry is making tremendous impact as the numbers of people getting saved are increasing and tremendous favor and dominion is being established in the wards.

Just recently, we received word that the prison is now open for us to enter and preach the gospel behind the bars of correction. Men are rising up to take the challenge to organize the invasion into the prison and bring them the message of salvation.

We are so grateful to see what God is doing in this small island and to know that we are part of a great fellowship. We want to sincerely thank Pastor Mitchell and Sister Nelda, Pastor Cluck and Sister Donna, as well as our mother church in Guam and Prescott and all of you who are praying for us and investing in our lives. Please continue to pray for us as we take this island for Jesus.

We greet you all in the name of our Lord Jesus Christ from Motherwell, Port Elizabeth PHCFC.

We are grateful to God for what we are part of. God has given us an opportunity to partner with Him in what He wants to do in our area of labour.

We had a revival with Pastor Alex McCann towards the end of 2015, which stirred the saints for the purposes of God and sharpened a focus to a relationship with God. We saw in total of four souls won to Christ.

After that we embarked on a time of prayer and fasting for church

The Motherwell, Port Elizabeth, SA congregation

growth and converts being established, among others. We continued from there with street preaching, open air and evangelism (door knocking and one-on-one preaching) where we are seeing souls added to the church and locking in.

We had a Jesus people wedding where we had 150 people in attendance that Sunday morning.

In early spring we had a revival with Pastor Simphiwo Ngcumbe. The church was stirred and a number of people were added. We have seen a steady growth in the church from averaging 60 Sunday morning to 90, Sunday night and midweek averaging 70.

We went to one outreach where we saw 23 souls saved, some of whom we are still working with in encouraging for the things of God.

The same month we had a water baptism where 22 souls were baptised. The souls that have been added are rising to the call as they are catching the will of God and contending for discipleship and ministry.

Our Club Mamela Concert scenes have picked up as we are seeing more people visiting, getting saved and staying saved.

We were blessed to have Pastor Andrew Anderson come and preach a outstanding revival, with timely messages that established the saints in the belief for the supernatural.

We are glad for what God is doing in Motherwell, showing us the possibilities that are there for souls who still can be saved. We count it

son, Pastor Alex McCann and Pastor Sipiwe Ngcumbe for preaching revivals for us and thank God for their investment in Motherwell.

Rosettenville, Johannesburg South Africa Pastor Lunga Mrobongwana

a privilege to be part of that and we are seeing a need for a bigger building as the one we are in currently is becoming small for what God is doing in adding to His church.

We would like to take this opportunity to thank Pastor Andrew Ander-

young prostitute girl. The Eden Park drama team came to help us and demonstrated the crucifixion of Jesus in our local main road, out of that seven people were saved and this as well sparked a lot of attention in our town.

A 15-year-old was invited to our church by his older sister and got powerfully saved. He was filled with the Holy Ghost soon after that and God has been transforming his life in an amazing way. He felt convicted to delete all of his hip hop music that had explicit content and also felt convicted to sell his Xbox games which had explicit content. He saw the need to help his pastor in and around the church and offered his services. He's been attending most outreaches, services, and Sunday school and has been witnessing to his school mates and getting students saved at The Hill High School.

His parents have even praised his new grades and conduct at home, he's recently been water baptized alongside two other precious converts.

God convicted me about the church giving to world evangelism even though we were struggling to go off support, and as I honored God, within two months we went off support, our church averages 24 people Sunday morning and 10 in the evening, and by God's supernatural provision we are affording rent, praise God!

One middle-aged new convert was run over by a lift truck last year and was admitted in hospital. One Sunday morning she couldn't come to church due to being in agony. Her sister in Christ walked her for an hour to

the evening service due to the pain, though they live less than 400 meters from the church. We prayed for her and she was gloriously healed.

Baptism in Rosettenville, South Africa

Her healing had the church rejoicing and praising God!

One of our sisters recently started tithing and within one month God began to bless her through the profits of her business in a way she didn't anticipate.

God is doing more mighty works in our church, we will never run out of praise and reports of God's blessings! Thank you for your prayers and investments, Glory to God.

Greetings from Songjiang District in Shanghai, China. Our family arrived in October 2012, and God is building His church here.

In December, Pastor Terry Haynes returned again for revival. The church was very faithful in attendance and about a dozen visitors were saved. One woman was instantly healed of all her pain after forgiving someone who had hurt her in the past.

Following the revival, six new peo-

ple joined the drama team and participated in the Christmas play on Christmas Day. Several prayed afterwards, and we had another water baptism the following Sunday.

We also received a pledge during the revival for World Evangelism that Pastor Haynes took back to give at the January Prescott conference.

The Chinese New Year is the largest migration of people in the world as many return to their hometowns. We had revival services with Steve Anichiarico in January before the Chinese New Year, and several new converts were so excited that they shared their faith with family members for the first time.

Pastor Bert Fledderus came in March for a concert and revival. There were about 15 saved during that time, and one of the messages on standards brought a fresh understanding and appreciation for their importance.

In April, we had evangelist Vic Harris for revival and saw several saved and filled with the Holy Spirit. He ministered in words of knowledge that were right on, and many were greatly encouraged. Eighteen joined us for the May Rally, and were forever changed, and there's been a new level of commitment since then.

In June, we had our first Jesus People Wedding held during the regular Sunday service. The bride's sister got saved, and the families that attended were very impressed with the ceremony. Already, other couples have told us that they too want to have their wedding in the church.

Many thanks to the other area pastors who have come with bands for concerts and supported our other activities.

Thanks also to Pastor Mitchell, Pastor Greg, Pastor Haynes, and Pastor Fledderus for their prayers and support.

Hello, I am Pastor Ricardo Salomon and my wife is Karina. My home church is San Luis, Rio Colorado, Sonora, Mexico, Pastor Jose Torres.

I am a missionary in the city of Cuenca, Ecuador. We arrived two years ago in May 2014.

We are evangelizing on the streets with music, theater, and puppets, and we have seen God move.

We had different revivals with different pastors where we have had attendance of up to 54 people. We are discipling men, and we are seeing God touch the lives of people. God is raising up disciples in the church.

This year brought a guerrilla team to the city of Quevedo here in Ecuador, a total of 19 brothers to support this church.

We conducted a special Easter outreach with a drama about the crucifixion on the street.

Please pray for Cuenca, we are praying for our worldwide Fellowship.

God bless you.

Greetings from Suzhou, China! I'm privileged to be sent and bring back a great report from all God is doing in our church!

Our church doors have now been open for a year and three months and God is doing great things! We have had many concerts, revivals and special events drawing large crowds of over a hundred people. We have witnessed many saved,

Church service in Suzhou, China

baptized and filled with the Holy Ghost!

The focus of this report I want to bring is the individual miracles God has given people. When we first started having church, people were very skeptical and reluctant to

pray and to believe in a miracle was ridiculous.

The first notable miracle was a woman in our church that has been coming for six months and always had pain in her shoulder. Before service I had some of the guys pray for her. During the prayer she started to cry and then began lifting her arm. She began saying "It's real, It's real!" Even the guys praying for her began questioning her if something really happened.

Another man I met while he was in the hospital with failing kidneys. His wife had gotten saved but she said he would never believe. After talking to him for 10 minutes he wanted to pray. He was sharing a room with another patient and that guy said "Sorry, but I've been listening to you guys and I want prayer as well!"

This man is now out of the hospital and serving God! His post salvation report was that his blood pressure was

very high and uncontrollable for nine years and his kidney function was only 24 percent. Today his blood pressure is normal and his most recent test said his kidney function is at 48 percent! His own doctors say this is impossible!

We are really seeing God building His church here. Young people, college students and couples are catching the vision of our fellowship. People are raising up to want to do something for God.

We were able to take seven adults from our church to the Guangzhou rally with Pastor Rubi. Our church was able to pay for everyone to go!

We have seen many money miracles and people raising to the challenge of giving for the furthering of the gospel in their own nation!

Thank you for this privilege and all your prayers! Looking forward to all the more God will be doing in China! We are witnessing great revival that is coming out of a place that less than a generation ago was to many untouchable!

God is doing great things in Tianjin, China.

We have seen a continual flow of visitors to our English Corner with as many as 70 people coming out. Every week after discussing some topic I pray a sinner's prayer with all that are in attendance and most of them will gladly join in and pray.

We have seen increased attendance in our regular services as well and God is raising up disciples to carry on the work one day.

Due to new business relations with several African countries an opportunity for schooling has brought many African students to the universities in Tianjin. Several of them have joined us and are a real blessing because we have a multicultural element one would never dream of in China.

Recently I have been meeting with some of the men on Wednesday evening before service and we are seeing them making good decisions to follow Christ and commit themselves to the principals of discipleship.

One man who had attended our English Corner for about a year

Saints in Tianjin, China

has given his life to Christ and is now involved in every event. He has constantly brought new people to our meetings and God is using his life and influence in a powerful way.

We believe the open door for western influence in China is a limited opportunity but God is rewarding the labors of His people. It is a great honor to represent this fellowship in the great nation of China.

Greetings from Waltham Forest, London; the big city where God is changing lives.

2016 has seen many people saved in various events including a number of youth being filled with the Holy Spirit in the youth services.

What better way to start off the year than a revival with End Times preacher Pastor Richard Romero. January's revival was a real eye opener, informing us of the current happenings in the world around us matching with the Word of God. We saw re-dedications and new

souls added to the kingdom. This was a great revival and made us realise how close we are to the end.

In March we had Pastor Rod Gibson come and do a four day revival. From day one we saw people healed immediately and this was the start of a fantastic week. Throughout the rest of the week people were saved every night and Pastor Gibson gave many timely words from God in preaching and prophecies.

For many years as a church we have done an annual Easter outreach in our local market area and this year was no different. We took to the streets on Easter Saturday proclaiming the word of God, preaching the Gospel to those around us. Members of the church acted out the crucifixion in the streets drawing a crowd while other members laid their "bags of sin" at the cross and began to street preach their testimony to the public.

That night we had the first showing of our Easter play, Jesus the Musical. This play portrayed the life of Jesus, healing and teaching those wherever he went and the crucifixion. We did this drama for the first time last year and many souls were saved so we put it on for a second year for two nights. Over the both nights we saw around 25 decisions for Christ.

We pray that God will continue to do a work here in Waltham Forest. We thank you for your prayers and ask that you continue to do so as we pray for our churches around the world.

Greetings from Germany! I would like to share what God is doing here in the city of Wiesbaden.

We started the year with sending impact teams to the pioneer churches in Germany, evangelizing and preaching on the streets, playing street dramas and rap concerts. As a result, many people prayed a sinner's prayer and even came to church on a following service.

One concert we did was about the power of the blood of Jesus to save. It tells the story of a bank robbery where the victim only survived because it covered his face with the blood of another

person (linked to the real life story of Isobel Bowdery). Again, visitors came and responded to the altar call and prayed a sinner's prayer.

In March 2016 we agreed to believe God to have a pastor in full time ministry. We saw the direct result of that decision when the number of people in the next church services grew from about 55 to over 80 people. Some of those new people were refugees that got radically saved and started to come.

A following baptism in April 2016 was another way of God blessing that full time decision when we saw 20 people baptised. Some of those who were baptised that day, actually came to watch the baptism but they were so convicted by the testimonies that they also decided to be baptised on the same day. Most of them still come to church regularly.

Revivals have been a very fruitful time for the church and for our city. UK Evangelist Patrick Brick rapped on the streets, in the concert and even at the nights of revival and was all into the Revival. Some people prayed a sinner's prayer, others recommitted their lives to Christ.

Many words were given on the spot and God healed people like one young man who at first couldn't believe that he was totally delivered from his back pain.

In July an impact team from Leicester played music and preached the gospel on the streets and in a concert.

In the following services with Peter Temple (UK pastor), the altar was filled every service and people made real decisions and immediate change in lives was visible. People that never testified or brought anyone to church, brought their fami-

lies and friends.

This was very encouraging for the church to see, but I believe the greatest impact on the church happened when Pastor Temple called all men with a calling to come to the altar and prayed for them, then called for all the married couples in the church and prayed for them to reach their destiny in God. He also had the whole church pray for Pastor and his wife. What a powerful presence of God there was that night!

God powerfully used Mark Benavidez (USA - Evangelist) in the Gifts of the Holy Spirit. People were convicted

by his preaching, many literally ran to he altar.

People got healed, filled with the Holy Spirit the first time or came to the altar to be refilled. Words that were given were on spot and in time.

Evangelist Benavidez preached with hands and feet and involved people for the church to illustrate his sermons. The Holy Spirit moved in every service! People now began to be more serious in

their walk with Christ, began to pray, began to read their Bible and began to be faithful in giving and to trust God and take steps in faith.

It's great to see that especially young and old men more and more talk about their vision to pioneer in our nation and nations around.

We thank God for all he did, for all he does and for all he will do. Please keep us in prayer! God Bless!

We had another great semi annual conference in August. Pastors Wayman Mitchell and Kevin Foley were our main speakers and they fervently preached about the Spirit of Revival which was the theme of this semes-

some immediately started to speak in tongues. Two months ago we organized our first baptism service together with pastor Matthijs Majoor. We rented a swimming pool and baptized two people!"

Praying for a sick person is something we all believe in and may have done several times. But can you lay hands on a defect watch? Some of us recently found out you can. An older convert put his hands on a watch that had been dead for quite some time and prayed for restoration in the name of Jesus. It started ticking again and still ticks as we speak. Even the person who prayed for it was amazed.

Our congregation frequently has been sending teams to visit other towns, cities and countries. One of the most recent trips abroad was a very productive one to Romania. Such trips give both young and older converts plenty of opportunity to grow in faith and boldness, to spread the message of salvation and to personally discover that Jesus really is the same yesterday, today and forever. Our next trip abroad will be to Lisbon, Portugal and we're very much looking forward to it.

Our regular teen rallies, outreaches, men's discipleship training classes and Bible studies are going well. We're seeing new faces in our church on a regular basis and people actively turning from darkness to light.

God continues to set things in motion in and around the City of

preach in our healing campaign.

In order to draw the attention of as many people as possible, we set up a website, created promotional materials, put up a tent and positioned it in such a way that it was impossible for people to miss.

Evangelist Hart prayed for individuals and gave specific words of knowledge to specific people. God moved through it. We saw several people saved and healed. One such

ter's conference. Many couples were sent out.

Sending out more couples would hardly have been possible as the platform was totally packed on the final evening. Let's hope and pray we'll have another such successful conference in February 2017.

One of the pioneering couples launched out from our previous conference in February has already been given a small group of precious

Greetings from the congregation in Windsor, Johannesburg, South Africa.

On the 5th of June 2016 we celebrated two years of laboring for God since we took over the church in 2014.

It was a great privilege to have the church's pioneers Brother Lebo and Sister Nyameka Tshangela come and celebrate with us, and to see what God is doing in Windsor.

Brother Lebo preached a powerful message and we saw 20 people in attendance, two salvations and four first time visitors.

Recently, two drug addicts received Christ, got baptized and locked into church. Now they have a desire to serve and do things for God.

One backslider also came back, repented and got baptized in water last month.

God has given us a handful of men, who are excited about discipleship and have been released into ministry.

The church continues to be fruitful in outreach and we see visitors frequenting our services.

Keep praying for us as we pray for you.

Pastor Leonardo Cespedes**

Hello dear brothers, I am Pastor Leonardo Cespedes and with my wife Marisa and daughters Emma and Amber, we are pioneering in the city of Tristan Suarez, Argentina, since 2013.

We are in an incredible time of revival thanks to God. Every service new souls join the church.

The outreaches and events are out in the open and are very successful.

Once a month we have a Healing Service where we see the healing power of God in the lives of many people.

A young woman came to church with her knee totally dislocated and she couldn't walk. We prayed for her and she left walking healthy by the glory of God. Body ailments

in the brothers are immediately healed by the healing power of our God.

A child was completely healed of asthma and a woman was healed of Psoriasis, along with many other healings.

We are building a new nursery because we do not have much space in the auditorium and the membership continues to grow with a solid base.

Brothers are rising to serve in the ministries of evangelism.

God gave us favor to contact the mayor of the city and we are free to do events in the street with the authorization of the governors of the city.

I thank God for my pastor Juan Pablo Cardo and the two Pastors Mitchell for their unconditional aid and investment in us.

Keep praying for the church of Tristan Suarez, Argentina.

Trumpet report deadlines

The Prescott Trumpet is using a new printer, so it's important for us to have your reports by these dates to meet our printing deadlines. Please send two or three clear, high resolution photos with your report, and **please** put your church name (Potter's House, Door, Victory Chapel), your pastor's and correspondent's name, and your city on your report. All reports can be emailed to trumpet@worldcfm.com. Thank you for sending your reports - your testimonies of what God is doing in your churches encourage the Fellowship worldwide!
