Hello from Prescott, Arizona! We are super excited about God's work here, especially coming off of such a powerful and dynamic conference in January!

We have been seeing God's hand move during our winter outreach season starting with our winter Bible studies. It is always a fruitful and encouraging time, hearing the word of God.

This past December we had our annual Men's Rally in Chandler with preaching from Pastors Campbell, Rubi, and our own Pastors Mitchell. It was a tremendous time of impartation and raising up men of God.

We have continued to hold monthly Men's Breakfasts, in which men in our community are invited and served up spiritual food as well as real food. It has been very fruitful, and we have seen several men saved through these outreaches.

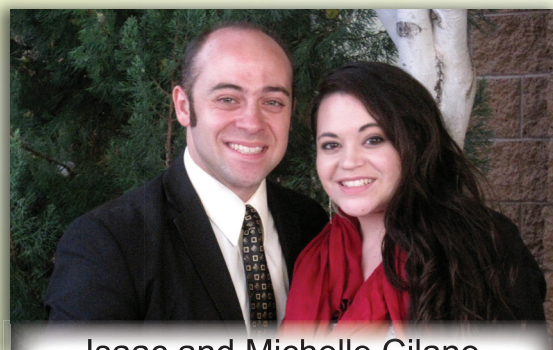

Our Christmas outreaches were a very fruitful time as well. We did several plays, which brought in many visitors. We also had a group of carolers that went out and outreached at different events, including our courthouse lighting, and we were able to see fruit from that.

A Sunday school class of third graders went Christmas caroling in a nearby nursing home, and they were able to share the hope of Jesus with the people there. Four people gave their lives to Christ out of that outreach.

We have seen incredible impact being made in our city through one-on-one witnessing, and normal Saturday outreaches. Recently a group of guys from our halfway

house were on outreach, when they ran into a man who was struggling with addictions. They were able to share with him the change Jesus Christ had made in their lives, and how they had been set free and delivered. It is exciting to see former addicts leading addicts to the Lord!

The recent graduation of Christian Rangel from the halfway house was a very encouraging time, as more men continue to pour into our halfway house! God has really given us an open door in

the rehab community, and we have been seeing men rise up, with desire to make impact and preach the word of God. This is encouraging as we continue to send out workers.

Our recent conference was an amazing time of impartation, and revival with a fresh fire poured out. We launched out seven new pioneer works into the field, and three overseas works, including Ian and Priscilla Kline into Foshan, China.

We sent our concert scene director, Isaac Cilano and his wife Michelle into Fountain, CO to take over the work that Ian and Priscilla Kline pioneered.

It is very encouraging to continue to send workers out, and know we are still doing what we know to do. Please continue to pray for your mother church here in Prescott, and all the workers sent out into the field! God bless you as you continue to labor for Him!

Annual Pacific Islands crusade sees hundreds saved

The Pacific Islands are an annual opportunity for our Fellowship. Pastor Mitchell again ministered in Guam for Pastor Glen Cluck. The crusade at Ipau Beach amphitheater has become an annual event.

The first night saw 75 convert cards and Sunday night drew a second crowd as some 1,000 people sat through a light rain to bring a total of 305 new convert cards and a total of 205 making a decision in the Crusade.

Many visible miracles of healing gave public witness that our Lord Jesus Christ has indeed risen from the dead.

Pastors from some 12-18 island nations that have been planted out of the Guam church came to participate and be trained in healing methodology by Pastors Cluck and Mitchell.

The annual Northern Mexico Men's Rally organized by Pastor Jose Torres in Mexicali brought a record attendance at the end of January. Pastor Mitchell and Greg Mitchell saw a testimony for the Gospel preaching in a civic center donated for the event.

The January conference preceded by Leadership in Phoenix was a best ever. Paul Stephens of El Paso, Texas noted a spiritual climate change begun by the election of President Donald Trump as a keynote event and prophecy that now is one of the greatest opportunities of our generation, in a seminar and sermon by the name of "Climate Change." Everyone should get that sermon.

An area-wide Miracle Crusade in Mexico City with Pastor Salvadore Castaneda saw that old boxing arena which houses his church filled capacity. This rally is an ever increasing testimon to God's power to heal the sick.

An area-wide rally in Killeen, Texas under the leadership of Pastor James Rosario brought workers together for insights of glorious fellowship. Their growing congregation is rapidly becoming an opportunity in a military area for reaching young families.

Pioneer Rallies in Las Vegas, Nevada under Pastor Scott Lamb and San Diego, California under Pastor Joe Rice drew overflow crowds. A Men's Rally in Mc-

Minnville, Oregon under Pastor Kevin Foley saw an enthusiastic response.

Pastor Mitchell traveled to Perth, West Australia via Brisbane, Gold Coast. A one night stop at Strathpine, Queensland organized by Pastor Peter Field saw a capacity crowd and was attended by many area pioneer pastors.

Pastor also participated in a two-day Leadership Seminar organized by Australian leader Tom Payne.

Pastor Payne, British overseer Nigel Brown and Pastor Mitchell presented seminars and discussions which were a great help to for worldwide leaders who attended.

Pastor Mitchell ministered an outdoor Healing Crusade on a Saturday night to set the tone for the annual Australian Bible Conference. Four pioneer churches were planted out of the conference and as well as one new church planted in Thailand.

The health of the Australian leg of our Fellowship was evident as workers from the Orient, United Kingdom, Africa and other regions were present.

Alamogordo, New Mexico
Potter's House
Pastor Robert McGinnas
Corres: Isaac Arreola

Praise God for all that He has done in the city of Alamogordo! It has been an exciting time from the beginning of the year as we get ready to head into spring.

We have seen God do a tremendous thing in our congregation as well as our city! We started off the year with a powerful time of prayer and fasting. During this time of contending God began to move supernaturally in our congregation, particularly the "seasoned" saints.

One couple was powerfully touched by God, and both testify of a complete transformation. Both were raised in church and had been in the church their entire lives, but felt as if they were brand new converts!

After the conference, we went straight into a Holy Ghost revival with Evangelist Tony Chase. During this revival God still continued to move upon the seasoned saints. We had powerful meetings every night, as God was faithful to meet with us. This revival left us stirred and excited for revival, and increase in our congregation as Pastor Stephens declared a shift in the climate of our city.

In February we had a revival with Evangelist Kris Hart. The Saturday before we started the revival we held a One80 music scene and saw God bring in 10 first time visitors. This sparked an incredible time of revival.

The following Sunday morning, we had the building packed, having to pull out overflow chairs! During the week with brother Hart, God again was moving upon the seasoned saints, and the foundation of the church. This revival was a divine appointment with God. Brother Hart moved in the Gifts of the Spirit, with words given with a pinpoint accuracy. It was as if he had spent the last 10 months in the church.

At the conclusion of the revival Pastor gave a prophetic word to the congregation, that God had supernaturally restored the foundation and replaced

pillars. We can feel a tangible presence of God. The church is 38 years old with the atmosphere and expectancy of a fresh pioneer work!

Praise God for all He has done, and all that He is about to do as we head into spring and summer, please pray for us as we pray for you!

Apple Valley, California
The Door
Pastor Paul Gualtieri

Greetings from "The Door" in Apple Valley, California.

We continue to have a great time pioneering this small town in the High Desert of SoCal and we are anticipating great things for 2017.

January 2017 marked one year to us losing our building due to town zoning laws, but I want to testify that God is in control and on the move in the High Desert.

Presently we meet Sunday mornings at a local school where we have complete dominion. My wife is part of the affairs of the school during the week and my daughter also attends the school. This has given us great favor in the school and with many school officials. We are constantly making ourselves and the church available to the school and those in need who attend the school. This has worked out very well with many open doors and presently there are several people from the school who attend the church.

On Sunday evenings we meet at our home for Bible Study and on Wednesday as well for mid-week service. Recently we have been having a steady flow of first time visitors and some have been locking in, saved and filled with Holy Ghost.

At the beginning of each year we fast and pray and kick it off with a new theme. This year's theme is "building a prosperous life in 2017" spiritually, corporately and physically. The idea is that God wants his people to prosper in all areas of life, whether that is financially, spiritually and physically, God wants his people to be blessed, and as a person starts to develop a closer relationship with Him he helps us to align ourselves with Him and

His will. This is a breeding ground for a prosperous life. As a person develops their spiritual life their physical life is enhanced and the church grows.

Recently people have been getting jobs and raises, their families are growing and couples are rising up. Recently one of the young moms in the church was inspired to work with young girls and has started a young women's ministry. There is a great need for this. With my wife's involvement in the school and the recent influx of new people this will prove to be very fruitful in the near future.

While we enjoy meeting in the school a building has opened up for us. The building is actually owned by our family doctor who is from Ethiopia and who is a Christian. He and his wife have made the building available to the church at a discounted price, and they have also given us an extra room for weekend use for the children's ministry. The reason they have limited it to weekends only is because during the week they use the room for their own Bible study for their employees and any one else that would like to attend.

If you could please remember to pray for us as we approach the town of Apple Valley for the proper permits. With this move we are believing God for continued growth and a dignity for the church as we move into our own building.

The high desert has great potential and some great people and we are believing God for revival, we are believing God for a prosperous year for the individual and for the church body. God Bless.

Greetings from Blythe, California.

This is a report of the grace and favor that God has been showing us in Blythe, California. HE is doing a tremendous work in this city!

March 3rd marks one full year

Family Fun Fest opened many doors in Blythe

since the transition from Pastor JW and Anna Ballinger, who answered the call to be missionaries, to Pastor and Melanie Neal. There has been a long line of great men and women who have labored in this city and their investment is not in vain. We are seeing a great harvest from years of faithful men and women sowing seeds here. The prayers and faithfulness of the saints in this precious congregation have also greatly impacted the city and we are consistently seeing miracles that we can attribute to

the prayers and faithfulness of Gods people.

In August, we hosted a Family Fun Day at the main park in the city. We had a great turn out with over 100 visitors and many answered the call for salvation.

We had some unexpected, though welcomed results from that particular event. This event was a catalyst in a chain reaction which caused doors to open in this city. Shortly after that event we went to the local Chamber of Commerce to see how we can participate in an annual city-wide event. When we told them what church we were representing, the city official asked if we were "that church that recently hosted a Family Fun Day" in the park. We told him that we were and he said he had been looking for someone who could run the whole children's section of the upcoming city-wide event.

Not only did they allow us to have our puppet team perform and outreach the event, they provided all of the supplies. We saw hundreds of visitors and many people saved. It didn't stop there! They were so grateful that we were being willing to do it, they handed us a check to support our church and they have invited us back to each city event. God has shown tremendous favor to our church with city officials.

In December, we had a float in a city-wide parade. We passed out fly-

ers advertising for an upcoming revival and Christmas play. Not only did we get huge exposure, but many people came out to our events and got saved.

In November, December and this past March we had timely revivals with Dennis Wright, Kris Hart and Keith Sullivan. With each revival, we saw God add to our church, not only in new converts but in the lives of the faithful saints.

The first revival, many people got saved. They received words that were so spot on. In the second revival, those recently saved new converts attended...and brought in more

bidoux, Lake Havasu and of course "mama" Prescott. Through their investment, we have covered this city with flyers and seen scores of people saved. We are truly grateful to each of these churches for sending teams and taking the time to help us win our city.

We are experiencing a time of people rising up and joining or starting new ministries. Our youth have also been rising up and forming bands, puppet teams and a choir. It is so awesome to see even the children getting involved and being used to spread the message of Jesus Christ.

Never underestimate the youth.

their investment. We are so grateful to be a part of this fellowship.

Through Prescott, we have a prototype to pattern our churches after, and that is priceless. We will continue to do what we have been trained to do and win our city for Jesus Christ and reach entire nations beyond.

people. The latest revival continued to build on that and brought added growth to our church.

Each evangelist sought the mind of God for our congregation and brought timely messages and words that will forever change our lives. Each revival brought a lot of healing, deliverance, restoration and direction in the saints of the church, as well as spiritual maturity to both the new and old converts.

To prepare for each revival, we have had several impact teams to come from neighboring cities. We are so grateful for the investment from Yuma, 1st Phoenix, Palm Desert, Chandler, Yucca Valley, North Phoenix, Twentynine Palms, Ru-

There is a powerful dynamic involved when the youth evangelize. God has been and will continue to use the next generation and generations beyond.

Our church recently received a word that "people know who we are and are getting curious about what is happening at 'that' church" and we are watching that come to pass. We are having supernatural favor in this city and fruit that is remaining.

We would like to express our gratitude to our mother church in Prescott and our pastors, Pastor Mitchell and Pastor Greg. You all have no idea how much you have impacted our lives. We cherish the Prescott congregation and our pastors and

Greetings from the Church in Chandler, AZ. We've had a very fruitful season with sinners getting saved and both short and long term prodigals repenting and re-establishing themselves in the church.

In the beginning of December, Chandler hosted the annual area-wide men's discipleship. The theme was "Men of Refuge." Men were stirred into being who God has called them to be in every type of relationship. Many men responded to the altar call, to be a man of refuge in these last days.

We re-enacted the Frozen play which drew our largest amount of visitors last year and coupled with our Frozen parade float in our annual Christmas Lights Parade, it was another night with hundreds of visitors and many saved.

There is an obvious shift in the spirit realm with God intervening on America's behalf, so with that in mind, we had a very large participation in our January fellowship fast and prayer. Breakthrough is what our church contended for in the arena of personal and corporate evangelism, with an emphasis on seeing converts!

Our Home Bible Studies kicked off in January with an emphasis on evangelism and caring for the lost and we've seen homes packed with people and the energy in the studies is tangible.

In our Sunday School Class, the Church is being reminding about the power of prayer. Pastor Campbell

other Indian tribes throughout the country, and now the Chinese, in Shanghai, China! Our recent pioneer works into the northern tribes are making impact and we are seeing the fruits of their labor. This past December, our baby work on the Blackfeet Indian reservation in Browning, Montana recently outgrew their old building and is now in a new one. We are currently breaking new ground on the Flat Head Indian reservation in Missoula, Montana and we are excited to see what

reminded the Church that “one of the most powerful weapon against the enemy is prayer; and everyone can pray.”

The Church continues to fulfill the great commission and launch couples into the harvest field. We sent Pastor Bobby Hedegard and his family to Raleigh, NC. At his farewell service, Pastor Hedegard preached a powerful sermon on “Taking Action.” The Church was encourage to continue to wage war in the supernatural in order to see God move; and not rely on the flesh in difficult times.

Our first couple into Cuba has arrived with a miracle provision home, favor with the government and the Home Bible Study is already being done twice in one evening to accommodate all the interest. Surely it's God's timing for the nations.

We are also seeing our young disciples rise up. For our Extreme Kids' night, children and teens took the stage and minister songs and skits. Many people were touch by the gospel and received salvation.

In February, as part of our celebration of Black History Month, the Church ministered a play called “Rise,” where we saw many men respond to the altar call.

To follow up the Black History Month play, we were blessed to have one of our own preach revival for us. Pastor Stacey Dillard let loose with messages that had great depth, as well as an altar ministry that was

full of the Holy Ghost. Dozens responded to the call for salvation! It was a great time of stirring God's people to fulfill God's purpose for the coming year.

We believe that God is going to powerfully move in 2017 as we're seeing converts and backsliders locking into the church. The Church is continually striving to take dominion over the enemy and reach out to lost souls. Please continue to pray for us, as always we continue to pray for you.

Greetings from Chinle (Navajo Nation) Arizona.

We are seeing God do a great work here in Chinle, Arizona! Not only are we impacting our own community, but we are impacting

God does in other areas. Our vision is seeing Native American tribes saved. We have also expanded our borders with our missionary work in Shanghai, China. We have received great reports from our Navajo missionaries, Donnie and Trissy Benally, who we launched out to Shanghai, China last year. God is doing great things!

Here in Chinle, we have used creative evangelism to share the Good News of Jesus Christ. In our church parking lot, we had a Halloween event called, “Trunk or Treat.” This creative outreach impacted an entire community in one day as hundreds of visitors were exposed

to the gospel through live music, preaching, and testimonies. We also hosted a Christmas Arts and Crafts Bazaar at the local junior high school. During this unique outreach, our choir sang Christmas

songs and church members testified in a gymnasium where local community members came to shop for their Christmas gifts.

We cannot forget about our jail ministry. Faithful laborers are now ministering in our local jail on Saturday and Sunday, and now they are ministering in other jails in nearby towns as well.

God has given us favor and access to these inmates who are behind bars and we are trusting that God will set these captives free! God is doing great things in Chinle, in Indian tribes around the country, and in the nation of China!

New church building in Browning, Montana

Copperas Cove, Texas Potter's House Pastor Narungchai Jackson

Greetings from Copperas Cove, Texas!

We have been in the midst of an incredible move of God. We were announced in the Chandler Bible Conference in August 2014, and we arrived to pioneer in October 2014.

God immediately gave us people to work with, as our neighbor came

out with her son, and got saved in our first living room service. They have been faithful since then.

We moved into a building in May 2015, and our congregation has steadily grown.

In September 2015, we had a young couple come into the church. The husband was a drug dealer, and his wife was taking Crystal Meth. As you could imagine, they had all kinds of problems in their marriage. They both got wonderfully converted, and filled with the Holy Spirit, bringing in an array of family and friends. He came in with long dreadlocks, and even cut his hair to be a bigger blessing to the ministry. She learned the piano, and he has been performing in concerts and leading song service. They have truly partnered with us in the harvest field, and they want to pioneer one day as well.

In September 2016, our mother church in Killeen hosted a Family Fun Day outreach for us, and it has incredibly blessed our church. From that outreach we had three families visit our church, including a local police officer, and a military member. These families still attend regularly, and have been a blessing to the congregation.

At the beginning of 2017, we have had an average Sunday morning attendance of 25 people, with new visitors every week. With the increase in attendance, we are in search of a new building.

One notable miracle for the New Year is a young man who came in to the church, and got powerfully converted on a Wednesday night, since that day he has not missed a service. We are believing God that he will embrace discipleship, and one day fulfill the will of God for his life.

We thank Pastor James Rosario, and the Killeen congregation for being a blessing to our lives, and our church. Please continue to pray for us, as we pray for you.

Over the week we had healing and salvation in every service. We had 25 souls saved, 11 people healed and four filled with the Holy Spirit.

The revival was a great time over all and a break from a drought!

Thanks to God for all of His wonderful works.

Greetings from Colorado's beautiful Fountain Valley. My wife Michelle and I arrived in Fountain a month ago to take over the thriving ministry begun by Pastor Ian Kline, his wife Priscilla, and their children.

Almost four years ago they answered the call of God and moved their family from Prescott, Arizona to Fountain to pioneer.

After close to a year of meeting in their home and then a community center they moved into what is now the Fountain Colorado Potter's House Church building. God was completely involved in this as the church is located in the Walmart Shopping Center directly next to a liquor store. Besides having constant traffic, the church is alive with ex-

citement for what God has already begun to do.

At the end of January, the day before the farewell, we saw one saved on Saturday morning outreach and then followed that up with a concert featuring Pastor Ian rapping. We saw eight more people saved that night!

We go door-to-door each Saturday and regularly see between one and four saved each Saturday morning.

Without a band to play at our One80, we have been showing evangelistic movies every Saturday night. Last Saturday was the first time we have had anyone saved, but God gave us tremendous breakthrough with seven saved and one healed of a broken ankle. Those saved including two visiting family members of one of our church members.

God has been helping us, giving us visitors every Sunday morning for the last few weeks. We also regularly pray for the sick after services and have seen many notable miracles. God is surely showing us His grace and rewarding the Fountain, Colorado church for the labors of Pastor Ian, Priscilla and the church members over these last few years.

Pastor Ian and family have now arrived in Foshan, China where God again is blessing their ministry with fruit! We are overwhelmed by all they have done here and are grateful for their labors in this beautiful city. We look forward to all that God will do as we continue in His will here!

Greetings from Glendale, Arizona where Jesus is on the throne and we are moving on the offensive!

We started the year in prayer and contending for all God has, and believing that He would heal our Pastor James Martinez and miraculously He has.

Since February God has been

moving in mighty ways with a new wave of disciples rising up for ministry and pushing our Saturday night Arena concerts and dramas to a new level.

In August we announced Yem and Yenni Prades to Cuba. Three years ago Yem was playing back up for the Kansas City Royals until he was witnessed to and came to church. He was miraculously saved and his marriage restored, and now he is headed to his hometown of Havana, Cuba to start a work for God.

In September Pastor James was able to bring along four disciples to the Dominican Republic for revival services and a Men's Rally allowing them the opportunity to catch the vision and get stirred for world evangelism.

In October we held our second annual Hell House with 500 people that went through and 33 decisions for Christ.

In November we hosted our fifth annual Harvesters Homecoming with Pastor Greg Mitchell and Pastor Joe Campbell challenging disciples to pursue the will of God and refreshing the saints.

In December 2016 our missionary work in Noida, India pastored by Andy and Elisa Cota had the opportunity to launch a work into Delhi, India giving us our first grandbaby work, finally we wrapped up the year by hosting our first ever "How the Grinch stole Christmas" play with many families coming and giving their lives to Jesus. Some heard the gospel for the first time.

Thank you to Pastor Campbell and the Chandler congregation for their love and support all these years and to Pastor Mitchell and the Prescott congregation for their vision and faithfulness.

We are greatly indebted to your investment in what God is doing in our city. Pray for us here in Glendale as God continues to make all things possible. 2017 for Jesus!

Pastor Phillip Buszek

Hello from Hampton, VA. We bring good news of a fresh breath blowing through our city.

We closed out 2016 with a great revival given by Evangelist Vic Harris. During the impact team leading up to the revival and throughout the week we saw four souls saved and one filled with the Holy Ghost. Evangelist Harris challenged our congregation to begin believing God to use their lives to bring people in, remind-

ing them that God's people through faith could make impact and see their friends and loved ones changed and filling the empty seats around them.

Several people received words of knowledge and have already received healing and jobs that Evangelist Harris prayed for.

One man in our congregation responded that he was willing to be the man God called him to be and would be more faithful in the future. The women were inspired by his challenge and gathered together to outreach daily.

We ended 2016 with a string of new faces and started 2017 with great momentum. In the first two weeks of 2017 we saw seven visitors. Considering we were shut down for a full weekend due to a blizzard, the influx of visitors was a significant miracle and a blessing for our small congregation.

God's Word for Hampton has been focused on Biblical vision and growth, both individually and for the church. God has inspired our congregation to develop a vision for 2017 to see 200 first-time visitors. After all, each of us were once first-time visitors. We are confident that God's Word produces conversions and are excited to see this vision fulfilled.

A few short months later, we saw 50 people on outreach as sister churches in the Hampton Roads area rallied with us in February to prepare for Revival with Pastor Asghar Ghafoor.

It was an especially cold day, but the Holy Ghost fire kept us warm.

Many thanks to those churches who partnered with us to see Hampton inundated with Jesus - from a giant military housing complex to modest apartments and from busy parking lots to a major intersection for an awesome street preaching session. Throughout the day we saw 13 souls saved.

Pastor Ghafoor preached a powerful revival and God honored our prayers by bringing visitors. Sunday morning two visitors came with one getting saved and later in the week getting filled with the Holy Ghost. One of these visitors was back Sunday night and after a quick lesson in prayer, was in the prayer room praying with us.

Monday and Tuesday night our sister churches joined us and packed the place out with over 80 in attendance each night. Joyful, Spirit-filled people were spilling out of the chairs on every side and our new converts saw a beautiful picture of redemption lived out. We ended the revival week by baptizing three new saints Wednesday night. What an amazing revival meeting and igniting of the hearts of God's people.

God is a miracle worker. We are seeing God touch the broken-hearted and down-trodden here in Hampton. Thank God for all He has and is doing here in Hampton and we are believing God for a powerful 2017.

Greetings from Houston Texas! We thank God for what He is doing in our city.

We are seeing breakthrough revival in our church. There is a fresh stirring and a fast momentum of spiritual growth in the lives of new converts and young adults. Disciples are eager to do something for God like leading outreaches, New Preacher's night, and teaching in Saturday morning New Convert classes.

One disciple has risen up to sacrifice Monday nights to lead street meetings on the popular intersection of Westheimer and Montrose. It's a very lively area of town that's filled with restaurants, bars, immorality, money, and many educated people.

One Friday night all three Bible studies came together to take dominion on this corner. We were able to preach the gospel of Jesus Christ with no issues from the police. A security guard even told us to keep on doing what we were doing, glory to God!

With the addition of Pastor Fred and Terrie Cisneros as follow-up directors, we have seen growth in the church and a spirit of fellowship. Visitors are consistently coming

through the doors, and those visitors are inviting their friends and family.

In November we had a revival with Pastor Willis Gordon and a men's class with Pastor Richard Rubi in January. Lives were changed and transformed through these faithful men of God, and souls were established in the church.

In February we celebrated 30 years in Houston. We want to thank Pastor Rubi and the San Antonio congregation for sending an impact team to outreach for the revival. We were honored to have Pastor Rubi preach at our Anniversary dinner and revival. It was a great opportunity for new converts and couples to see all that God has done over the last 30 years.

The best is yet to come! Thank you for your prayers as we take SW Houston for Jesus.

and of our fellowship are to preach the gospel, make disciples and plant churches. This has been the vision of Pastor Paul and Linda Campo and the Cape Cod congregation for over three decades of labor in the East Coast.

We have seen a tremendous re-

new converts are filled with the Holy Spirit with the evidence of speaking in tongues, and Pastor Campo giving powerful words of knowledge to the saints of God.

Our Christmas Story Village was once again a tremendous Outreach success. What is unique about this outreach is that families come out to the event and are so stirred and moved by the Spirit of God that they begin to attend local services together.

In a recent revival with evangelist Keith Sullivan God continued his equipping of the Saints. The messag-

es are delivered with surgical accuracy and Kingdom potency. The revival contain all the book of Acts signs. There were miracles, salvations and deliverances at the altar.

Carlito was the typical youth of our generation. Full of anger and hatred, bondages and addictions. But none of those things is a match for the power of the Gospel of Jesus Christ. Through a course of events Carlito was released from jail begin to serve God in the church. As he submitted himself to the local ministry there was a radical conversion in his life. He's no longer a bitter, broken young man. He is now a man with a heart of compassion and a hunger for life and a zeal to do something for God. We give all the glory to God for his power.

We count all to God's faithfulness and to our willingness to maintain the foundational principles of the gospel. Please continue to pray for the Cape Cod congregation as we endeavor to reestablish the wells of revival in the East Coast.

Potter's House
Pastor Richard Romero

Jesus is coming back. That's what our pastor is proclaiming here at his famous End Times Sem-

inar.

God is really doing a tremendous work here in Mesa, Arizona. Pastor Romero is showing all of us that these are the last days by combining revelation preaching with Holy Ghost wisdom.

The fear of God is the beginning of wisdom and that fear has been made evident now that we've been reminded and shown in many ways that the rapture is coming for the church first and that Jesus Christ is coming back soon.

God has given us tremendous favor as we are seeing new converts grow in the Lord and we have visitors almost every service. We are preparing for some major outreach is as well and so far the church is really glad to see progress.

God bless all of you and we thank you for your prayers and your support.

Greetings from the Potter's House New Philadelphia, Ohio. We are excited to share what God is doing in our city!

The end of June we had revival with Evangelist Vic Harris and the theme was "God's Miracle Healing Power." We had prayer for the sick, marriages healed and addictions broken.

Our first day of revival was on our "Fat Fellowship" Sunday. We had 80 people that Sunday morning. Pastor Harris preached on earnestly contending for God, the right to speak for God, bitterness, and the Holy

Spirit. Every person that attended revival was given word and revelation from God. We saw nine people give their lives to Jesus, many were healed, there were two miracles and one filled with the Holy Ghost.

Many people that come only for our Sunday Morning Services attended every night of revival. They are still attending every service. We are still experiencing the hand of God from the revival and believing in revival for our church!

The last weekend in July, we took 14 teenagers and did our first youth camp. Drew Ramos from our church gave his testimony each night through his talent of music. We had two teenage girls get saved and many lives changed that weekend. It was an amazing time to see our youth group work as a team in their building skills and to bond with one another. We are so looking forward to doing it again this year.

The end of August, we started our Target One80 Program. Our desire is to give special focus to those who have addictions, life dominating sins and violations that are very difficult to get past. There are times in life when we all fail. We make mistakes and we have a difficult time putting our lives back together. Many times the challenge of getting back and letting God help you recover is more than we can take. This is why we have implanted the Target One80 Program. Our lessons are focused on God's Word and direction to overcome these problems.

The middle of December, we did our first theatrical play, The Grinch Who Stole Christmas. The first night we had 226 people in attendance, standing room only. We used every chair we had and turned 40 people away. The second night, we had 234 people, standing room only. One of the families that we turned away the night before came back with double the people. We saw 70 people give their lives to Jesus for the two nights. We are excited and look forward to pooling our time, talent, and treasure in this endeavor to see more people saved to become disciples of Jesus.

In January, we started back up

again our Men's Discipleship. We are focused on developing men who are serious about living a Christian life and make a positive impact for this and the next generation. This extends into their homes, our church, their schools and place of employment. We meet on the first Saturday of each month, gathering men from our surrounding fellowship churches to challenge them and encourage them.

The first Sunday in January, Pastor Tom Cunningham revealed our theme for the year. "Calling this Generation to RISE UP." He challenged God's People to Rise Up in Inspiration, Dedication, Initiative, and Make Impact. We are excited to see God's people Rise Up and see revival.

God is amazing us every day in New Philadelphia with all that He has in store for us. Pray for us in the Ohio Valley in the great Midwest.

Greetings from Phoenix, Arizona!
 We continue to do the Lord's work, bringing the word to all those who are out there waiting for a solution to

their problems. We started the year well in January with a revival. Pastor Michael Listing came to preach and we had a great time.

Pastor prayed for sister Nohemi Balandrán, who had a problem in her hip from an accident she had years ago. When she came back to sit in her place she felt the healing in her hip, glory to God!

In the revival we had about 19 visitor. Pastor Listing gave some words of hope, and strength to move forward. On Tuesday, when the service was to be finished, he prayed for all those who had financial problems. One of those was sister Juanita Castro. On Wednesday, she testified that she had received a letter from her school that left her very surprised and happy. They said that her debt, previously at \$6,500, was at zero, and she owed nothing.

We serve a great and powerful God, let us not despair. Keep praying for us in Phoenix.

Greeting everyone! The people of San Marcos Texas are making waves against the enemy.
 We don't stop bringing the war to

Satan and his minions. We had a successful changing over of pastors this past December.

Pastor Cortez and Doris hit the ground running and made it very clear that they are here to guide the church in a higher direction. There has been a vision reestablished through recent preaching and being active on the streets. We have been hands on and boots strapped taking the word out in the town square.

In one outreach while we were setting an atmosphere for preaching on the street a mob of people came up the street with hoodies, signs and masks across their faces and a bullhorn of their own.

As they got closer we could read the signs and hear the words that they were screaming. They were anti Trump, anti-government, anti-America protesters screaming obscenities trying cause a scene amongst the farmers market that was meeting on the square.

We sang There is Power in the Blood and preached Christ and his amazing grace as they cursed and shouted about America not being Great. We continued to stand firm for the Gospel as they chanted around the courthouse. The group eventually left the square and we stood tall as three people got saved right there on the street.

We were able to go and help out our baby church in Seguin with songs and manpower. We invaded the streets and low income homes with the message of Christ and his power to change. A young man gave his life to Jesus in the middle of the road after hearing that Christ can give him a new name and a new start.

Bible studies have been a great time we are studying Life Skills and the subject came up: when you live by your own desires you will suffer the consequences. Loti Euresti shared with us her great story in the testimony below.

"I used to be a big time cigarette smoker. I smoked three packs a day. Pastor Andy and Heather Anderson would always pray that I would be delivered from the habit. In 2001 I had a mild stroke and heart attack along with a minor aneu-

rism. Well God sure does have a way of getting your attention. And he sure did get a hold of me. Since March 2001 I have been cigarette free and

Loti Euresti delivered from three-pack-a-day cigarette habit - free for 16 years!

healed. Its been 16 years and I am still praising and serving God."

God has power to do great things in your life. His power is limitless. We get ready for awesome things this year and we will not stop for anyone. We live by the old saying "You gotta get in, get out, or get run over!" Please pray for us and we will pray for you and let's take this world for Christ.

Tucson, Arizona
The Door
Pastor Harold Warner
Corres: John Scheidt

Greetings from Tucson. Our congregation has experienced a fresh move of the Holy Spirit with some new ministry being raised up as well as many precious souls being added to the kingdom.

During November, we were blessed to have Pastor Ernie Toppin minister in music and then preach a revival. But what really stood out were a number of timely words of confirmation from God that were ministered by Pastor Toppin that were right on

target for those who received them.

During December, TDC Productions put on a three-day run of a new adapted version of the Disney production Frozen. It was all hands on deck as many pooled their talents to write the script, build sets, create costumes, sing, act, dance, play music and contend for spiritual impact. The culmination of the play emphasized the message that true love is not expressed by some romantic relationship, but by an act of sacrificial love effectively opening the door for the gospel. By the third showing, there was standing room only in the main sanctuary and over 120 decisions for Jesus Christ.

This was followed by the annual Christmas reading in which Pastor Warner peels open another layer of the Christmas story on a character by character basis. There is such a blessing in being able to tell the timeless story of the incarnation of God in Jesus Christ in a fresh way. This year the presentation was titled "Christmas in 4G, can you hear me now?" Saints were able to minister with special songs and drama while exploring

to prevail and not shrink back.

At the end of January Orlando Salinas preached a weekend revival and stirred up the saints with his testimony and ministry. A number of men were inspired to begin a ministry aimed at helping those trying to escape the trap of addiction and the associated cycle of crime and imprisonment. We anticipate more to come as God opens doors to reach out to those committed to true conversion through faith in the power of the preaching of the gospel. Finally, we have seen a stirring of the youth – church kids as well as young converts. This has resulted in a revitalized music scene, new drama teams, new bands, young preachers rising up in Vision Unlimited and youth hitting the streets to evangelize. As always, we covet your prayers.

Greetings from The Potter's House Christian Fellowship Church, Waipahu, Hawaii!

In recent months we have been seeing a special move of God in our church. On November 6th we had our first service in a new church building! Many of our men labored countless hours to renovate the new building in record time! Not only this, but

we were able to move into the new building with three times the space for virtually the same cost in rent!

Our tireless efforts have been all the more streamlined toward the vision for souls.

Our new Stop the Violence campaign has been a powerful ministry taking us island-wide to reach the lost. Doors have been opened in some of the schools to minister with this message as well with many souls coming to Christ!

Our street ministry has been especially fruitful. In a recent concert/movie outreach in Waianae at the beach park we saw over 20 souls saved and two healed! God has stirred our church all the more to pray for the sick and see them recover.

We also rejoice to co-labor along side our new pioneer church in Kailua, Hawaii, launched out of the summer conference last year! God has been so faithful.

As we move into another chapter in our church we want to thank Pastor Bob and Susan Mammen for their faithfulness to the call that has reignited a flame in the hearts of the saints in our congregation.

Please continue to pray for the Waipahu congregation and the Hawaiian Islands!

West Valley City, Utah
Potter's House
Pastor Isaiah Medina
Corres: Irma Tafoya

Praise God for all that he's doing at The Potter's House Christian Fellowship in West Valley City Utah.

As always Jesus Christ is faithful to move when there is expectancy. Pastor Isaiah Medina and his family pioneered this church over 13 years ago. They started having church services in their living room; within a short period of time souls were added to the kingdom of God and a church building was needed.

Pastor Medina was used by God to pioneer other churches including La Casa Del Alfarero in La Paz, Bolivia.

After his missionary work in Bolivia, Pastor Medina came back to West Valley to take the church over. It has been an amazing time to see all that God has done and to know that He has so much more for us.

Over 13 years ago two teenagers were saved in West Valley City, they were discipled, on fire, loved Jesus, and launched out to preach the Gospel. Pastor Chris and Trina Pedraza are pastoring in Kearns Utah; Pastor Michael and Felicia Flores are pastoring in Modesto,

California. God is so awesome!

It doesn't stop there. Young men and couples are rising up and have a vision and a desire to reach the world for Jesus. God is giving us revival in West Valley City, souls are getting saved and backsliders are coming home.

A few months ago there was a fellowship at a local restaurant and one of the disciples witnessed to a couple there. That next service he brought his whole family - a total of eight of them. They have been faithful and are on fire and fruitful. They have brought several visitors. It's an awesome thing when God brings in souls to His church but it's amazing when He converts them.

Just this year 2017 we have had two weddings. Couples that have been beat down by this world have made a decision to love and serve God.

This last winter conference in Prescott, Arizona, a few of our couples were able to attend and it is amazing all that they were able to witness and be involved in. They all came back with a passion to do more for Jesus and reach out to the lost.

We would like to thank Pastor Rick Martinez, our mother church from Ogden, Utah, for all of their investment and prayers and also Pastor Mitchell, Pastor Greg Mitchell, and the Prescott congregation for all you do.

Please continue to pray for us as we pray for you.

Prescott Children's Conference trains workers

By Alyssa Wohlwend

Here in Prescott we just wrapped up our annual Children's Workers conference, an event we have the privilege of hosting every year. This year the whole weekend was centered around the theme of "The Whole Armor of God." It talked about how we, as workers, need to put on the whole armor of God, and teach our kids how to put on the whole armor of God.

To start off the weekend Pastor Angel Morales preached a message on the armor of God, and spoke about how we shouldn't try to fit into this world's armor. We need to put on God's armor, because that is what this next generation will need if they are going

to succeed in the Kingdom of God. Throughout the conference there was a great sense of urgency for the next generation, with words spoken about a great revival that will start in our children. This conference was a great time of refocusing on that vision for children's workers. It sparked inspiration, and challenged workers to rise up and serve and to impart a love for God into the next generation. All children's workers are thankful for this time to gather and learn, and be refilled with a joy for serving their children.

It was a great time of fun and laughter, and creative new ideas; mixed with the seriousness of im-

parting the word of God into our children.

The weekend was full of many seminars for many different workers - puppetry, leading worship, drama, and lessons for the leaders; along with some demonstrated object lessons and a live Children's Church experience. We also hear testimonies from other children's churches, and see the impact they are making in their city.

It was a privilege to be apart of such a wonderful time where God met with us, and we are looking forward to what God will do in our children's ministries in the days to come.

‘Malice in Wonderland’ is Prescott’s latest Gospel drama

Malice in Wonderland, Prescott’s latest Gospel drama takeoff, is a spirited and energetic new musical written specifically as an entertaining life lesson in choices, consequences and second chances.

The tale begins with Alice at a dangerous party and very quickly ends with the beginning of her adventure into Wonderland! It’s there she meets a number of whimsical characters and begins her journey of self revelation. But, as Mr. Introspect says, “self-discovery can be a cruel process!”

She meets Teacher, Mr. Right or Wrong and of course, the nefarious Mad Hatter!

Her journey ends in an unexpected moment where those choices, consequences and second chances all merge for a surprise ending!

Malice in Wonderland is a full stage musical and an inspiring story of redemption and hope!

Worldwide Ministry

Aguascalientes, Mexico
Potter's House
Pastor Miguel Esparza

Testimony: Miguel Esparza

I was born in 1987, and am almost 30 years old. Around that time the Fellowship had sent the first man from Mexicali. My father and mother met him, settled in the church and began to support the work for Christ. I was perhaps a few months old.

The years went by and my family made both good and bad decisions. When I was 12 years old, my parents divorced. We had not been going to church, and the worries of the world and the lack of perseverance ended in spiritual failure for us all.

I knew the church and the Fellowship I loved, a clean life, joy, and I enjoyed my childhood because much of it was spent with people of Christ, but I had never had a personal and powerful encounter with Jesus Christ as my Savior.

After my family suffered that strong blow, four years passed in which I did not look for the things of God. In those four years I learned to pretend. I became hypocritical in such a way that none of my friends ever found out that my family had been destroyed. I never went out with a girl and I became very shy. I lived making people and family believe that everything was OK, but in reality it was different.

I never got into drugs, alcohol, or anything else, but my problem was that I did not belong to Jesus. He was not the owner of my life. I felt a lot of loneliness, sadness, and I

knew my life didn't have a purpose. I came to believe that being a Christian was just another kind of life, and even though I heard the name of Jesus Christ for years during my childhood, I did not know that Jesus *is* life. I had no idea that in Jesus I could have a real purpose for my life.

After four years of following the current of the world, I did not know what to do with my life. A very strong moment of despair came, and one day, as I lay in bed, looking at the ceiling, I cried and called out to God. It was not difficult, because as a child my father would get up early to pray, but this time I really did it, with sincerity, and with agony in-

Outreach in Aguascalientes, Mexico

side me.

I knew that Jesus had been born and knew my name, the family in which I was born, where I was, and where I lived. But I did not know who *I* was. I asked God that if He had formed me, and if He was truly God, to come to my life and take it. I asked him to help me because I was tired of the world dragging me around as it pleased.

A few days later, in October 2003, my father entered through the front door of the house, and when he saw me, he said, "They gave me the address of the church, The Potter's House, you want to go?" I said yes.

The following Sunday we went - I, my dad, and my two brothers. We

Congregation in Aguascalientes, Mexico

arrived, heard the preaching and I went to the altar. They told me that Jesus could not only change my life, but also save me and give me eternal life. I said to Jesus, "Take my life, I give it to you, forgive my iniquity, cleanse me, save me, and use my life however you want."

There is much more to tell, but for now I can only share that on October 2003 something real from God happened in me and I am sure in Jesus that I will go to heaven. He changed my heart, my life and my eternity.

Years have passed and we are still here. I followed the model of Biblical discipleship and I still do. God gave me a beautiful wife, two children, and I have been in charge of the church for almost four years now.

We are fighting the battle and God is helping us. It is not easy, it is a war, but it is the greatest opportunity that I have had in life. No other job on earth would allow me to impact lives for an eternity. Preaching the Gospel, I have seen lives changed and be worthwhile. I cry out to God for each of the disciples of the fellowship around the world, just as Moses asked God:

"So teach us to number our days, that we may gain a heart of wisdom... And let the beauty of the Lord our God be upon us, and establish the work of our hands for us; yes, establish the work of our hands." - Psalm 90:12 and 17.

Thank you to the Prescott Church, the Nogales Church in Sonora, Mexico and the Church of

Mexicali in Baja, California Norte, Mexico.

Thank you to Pastors Wayman Mitchell, Jose Luis Gaxiola, and Salvador Prieto for their tremendous discipleship from Prescott, their vision to make disciples, and to plant churches.

It is because of them that I have arrived at the feet of Jesus Christ.

**Banaswadi, Bangalore,

Potter's House
Pastor Alexander Ambrose**

Greetings from The Banaswadi Church, Bangalore.

The privilege and honour is ours to serve in this Fellowship that has a vision and burden for nations. We thank Pastors Louie Labato Jr. and Mark Tozer for their investment and labour in the Banaswadi Church.

2016 was a fruitful year as the Church witnessed miracles. Crucial and bold stands were taken by the church members to evangelize, lead follow-ups, and get involved

in the ministries.

God moved graciously in our regular church services as we saw miracles of healing and deliverance. A woman who had severe body pain in the joints for close to two years was delivered when we prayed for her.

A young man with piercing back pain for years was healed and he testified to the church about this. Another man who also complained of body pain got prayed for and instantly the pricking pain in his knee caps was gone.

A sister's mother in her late 80s was admitted at the local hospital due to cardiac complications. The doctors had confirmed that her heart's function was just 20 percent. Desperate for a miracle, the church laid hold of God. A few days later she walked out of the Intensive care. She later came to church, testified of this miracle healing and gave Jesus Christ the glory. This was a Hindu family.

God has added many new families who were from Hindu and Catholic background. Rooted to their traditional upbringings, we saw these women completely delivered from their traditional ties. They brought their witchcraft-linked jewellery made of gold and silver to the altar and destroyed them. They were completely delivered by God.

We filled the year with revival meetings preached by Pastors

Pastors and wives at Bangalore, India Conference

Mike White from Australia, David Elhers from Chennai, Andy Cota from Noida, Packia Raj from Cox Town and we closed the year just before the India Bible conference with Pastor Louie Labato Jr. We also had a special meeting on Sunday morning and evening with Pastor Gregory from Malaysia who preached powerful words from God. We saw backsliders making decisions to recommit to the Lord and serve in the church.

There has been a significant new level of evangelism to win new souls to the church. On Christmas Eve, we took the band to the streets where testimonies were shared openly and Gospel of Christ was preached to the public. We also began door-to-door visits to pray for the sick and to witness. God brought a new stream of souls into the church.

Impact teams were sent to other churches to support, and the fruit of that reflected in our church. It is rightly said that "When you are a blessing to another man's ministry, God will bless your own."

We are evangelizing and condescending in God for the supernatural through our outreaches, Saturday night scenes, mid-week fasting prayers and tag-team outreach team.

We have new converts who join outreach on Saturdays, and support Saturday night concerts. As this outreach team has expanded gradually, there also raised a new Rap team formed by the teens who are reaching out to young souls. A group of men who are sensitive to the voice of God has heeded to the call of God to preach the Gospel. They are at church before dawn for prayer and then for Bible studies.

The highlight of the year was the India Bible conference as we had Pastor Mitchell and Pastor Campbell preaching powerful words from God. Single men and couples were challenged to preach the gospel. Many witnessed powerful breakthrough in their jobs and finances. The church also took a bold decision to empty

out the church bank account during the conference. Sure enough, God moved again as the accounts were restored in the first offering collected in the first service post conference.

God is moving in this church and there is so much more to share. We thank our Mother church, Pastor Packia Raj and Sis Samantha Raj for their leadership and friendship, our churches in this nation for their support in prayer, bands, outreaches and revival meetings. We also want to thank Pastors Campbell and Mitchell and their respective churches for the investment and trust in us.

I thank our church for their faithfulness in giving and standing by all situations and involving in things for the glory of God. I specially thank my wife and children for being a great blessing in serving God.

Pray for us as we are praying for you.

San Ignacio, Belize
Potter's House
Pastor Adam People

Greetings from San Ignacio, Belize!

We arrived in San Ignacio on November 16, 2016 and within an hour we prayed with a woman as we were putting our bags into our apartment.

We then began to go evangelizing everywhere we walked. We have successfully prayed with people to receive Jesus into their lives, prayed for them to get baptized with the Holy Ghost and to be healed!

The first Sunday after we arrived me, my wife Lizeth, my son Samuel and my daughter Anna went down to the Macal river banks behind a farmer's market and had our church service there.

We had visitors and people getting saved almost every Sun-

day morning service. We just got into our building February 1st and started services there and have been working with about 10 people.

I count it a tremendous privilege to be a part of our Fellowship!

I want to thank Pastor Ray Rubi and the Las Vegas Christian Center and all her daughter and granddaughter churches who have a vision to reach the lost by partnering together to send us here to pioneer!

God is moving in Belize and there is room for more churches to be planted in this English speaking nation in Central America!

God bless!

Pastor Juan Pablo Cardo

Greetings from Buenos Aires. The Lord has been helping us in recent times here in Argentina. In our last conferences two new churches were planted in the city of Córdoba. We now have 25 churches in Argentina.

We also saw the favor of God in October, taking advantage of the theme of Halloween and made a house of terror called "The Train to Hell." We had more than 180 people with 30 visitors and many of them were saved that night. In addition, the church has been evangelizing with plays on the street with many people getting saved and people praying for healing.

In recent months we have sent a group of more than 20 brothers to one of our pioneer churches seven hundred miles from Buenos Aires in the city of Villa Mercedes in the state of San Luis and we have seen incredible favor from God in the two days of evangelism, concerts, house-to-house invitation and the plays in the city parks with great fruitfulness.

In one of the central parks more than 300 people gathered and more than 80 answered the call for salva-

tion. Some of them went to the church the following Sunday and have been fruitful in the church.

Another one of our churches in Corrientes also moved to a new building, experiencing growth and favor of God winning souls. We also had a baptism in the month of February in our church where 16 souls made the decision to be baptized.

In addition to this new converts continue to be added to the congregation and a new move of God on the church teenagers has changed the atmosphere for the young.

During the school vacation here which is from December to March during the summer we have had between 14 and 18 teens praying every morning in the church, where the distances by bus for some of them is one hour sometimes. And yet they came early all summer.

I want to thank Pastor Wayman and Greg Mitchell for their great investment in our lives and South America and to all who are helping us raise a great harvest of souls here for Christ and His coming.

Pastor Peter Dore asked me the meaning of my name. Masumbuko in Swahili means "problems." Pastor Dore told me, "Your name will not be Masumbuko again, but Mugisha, which means "blessing."

Since that day, I have seen God moving in my life in many ways. I never returned to the mosque. Jesus baptized me in water and the Holy Spirit, and now I can speak in tongues.

I was illegally married but since 2008 in July, I have been legally married in the Door church. I was jobless

God gave me favor to participate in the East African Bible Conference in Kampala and Nairobi. In 2016 I was in Mwanza to help the Medical Team. I could say many things that Jesus did for me but let me give thanks to God for saving me, which exceeds my imagination. He let me see the light of life again and know the truth.

Let's remove the mind of Gideon which tells us that we are unable. Jesus is able to change our past and give us a new life we never expect to see.

I also give thanks to my Pastor Juma Numbi who is teaching me how to be a good disciple and giving me the opportunity to serve even more in the church.

**Mitchells Plain, Capetown,
South Africa
Potter's House
Pastor Hector Ortiz
Corres: Jill Anthony**

Greetings from The Potter's House in Mitchell's Plain, Cape Town, South Africa. All we can say is that GOD is awesome and has been visiting us.

We kicked the year off with our Annual Harvesters Homecoming over a Thursday, Friday and Saturday and we were privileged to have Pastor Joe Campbell. Once again this year the church was packed.

During one of his sermons Pastor Campbell made reference to how much Job suffered and even after his wife told him to curse God and die, he refused. In the end Job's latter life was by far greater. It brought a revelation that what we're going through now and how we process it qualifies us for future chapters with God.

Friday night we had an incredible presence of God as Pastor Campbell ministered a sermon of breaking chains (strongholds) which holds our minds captive, how it hinders and limits our movement for God.

On Saturday morning we had three sermons preached by our pioneer pastors from our works in the field - Pastors Martin Abrahams from Atlantis, Neil Faure from Macassar and Cheslyn Solomons from Wesbank. We were also greatly blessed that Sunday through special services from Pastor Campbell and once again we received a timely Word in season of reassurance from God.

Mitchells Plain has also had several other highlights - three Jesus People weddings, new convert graduations, water baptisms and Holy Spirit baptisms. Revivals through the year with visiting pastors have proven to be fruitful.

The monthly "Taking Dominion" series is a tool aimed at discipling men through the Word of

God in addition to the monthly Men's Discipleship gatherings.

Our baby work Atlantis is having continual revival as Pastor Martin Abrahams is seeing souls being added to the Kingdom. Outreaches are fruitful as we see visitors coming for church services with Sunday service attendance increasing from 45 to 70 and midweek from 22 to 35.

Powerful revivals with Pastors Eccles and Solomons brought about timely Words for the saints, with nine people saved and five filled with the Holy Spirit. Also, miraculous healings have taken place. A nine-year-old boy with leg paralysis from birth and no medical hope of recovery, started to move his legs after being prayed for.

Macassar is situated in an area where gangs and drugs are rampant and the religion of Rastafari is a lifestyle. Nevertheless, as Pastor Neil Faure pushes back, God still continues to move upon his behalf in signs and wonders. Weekly service attendance increased from 22 to 30, including two couples and young men and women locking in to the Kingdom and vision of the church.

Macassar has recently had a revival with our Pastor Hector Ortiz and God's Spirit moved upon the hearts of men and women. Sunday morning services started off with 30 in attendance and Sunday evening jumped to 52 in attendance. All those were first time visitors, of which seven were saved and three healed. Through Holy Spirit conviction and genuine repentance, 24 precious souls were added to the Kingdom and 14 filled with the Holy Spirit - Praise God!

Wesbank is another area where Pastor Cheslyn Solomons finds himself in the heart of a thug and drug merchant capital, where violence is the order of the day. Despite all of this, we continue to see the hand of God upon this city. The average church attendance has increased from 55 to 70 on Sundays and midweek services have an average of 52 attendees.

In November 2016, Wesbank celebrated their five-year anniversary with a Revival held by our Pastor where seven souls were saved and 14 filled with the Holy Spirit.

Thereafter, a timely Word was ministered through a sermon entitled "You Must Be Born Again." Sixteen youth came to repentance and all of them are still faithfully attending church.

Other powerful revivals included Pastors Brill, Melrose and Evangelist Eccles which caused the hearts of men and women to be stirred. People were miraculously healed and Words spoken to people were spot on. It also brought about the salvation of 24 souls and nine water baptisms. We trust God for this city as He's still in control and on the throne!

Another baby work was launched from the mother church into the suburb of Eerste River at our 2016 Annual Bible Conference. The lack of a building could not put a damper on this couple nor stop the work that God has begun! Straight after being announced they headed out and had their first Open Air Meeting and several cottage meetings are being held as people who hunger and thirst for the gospel open up their doors.

Miraculous healings have also

begun to take place. A woman with an unknown medical cause was gloriously healed from back and knee pains. Another man's sense of hearing was completely healed from the dependency of wearing an earpiece, which only gave him 50 percent hearing. As God opens up some more doors they are able to minister at several high schools in the area and minister the Word of God through live concerts.

This work has been further blessed with a group of people and young men ready to serve God and willing to be disciplined. Please partner with us as we pray and believe God for a building for this work.

Lastly, please continue to keep the Mitchells Plain church, our baby works and congregants in prayer as we believe God for 2017.

Greetings from Chingola, Zambia! What a tremendous grace of God we are experiencing.

We had a water baptism in November with 27 people. We have seen new converts from that group coming to church faithfully. These precious folks are almost about to complete the Foundation of Faith class and their acceleration in Christ is refreshing to see.

In December, our pastor and a bus load of men went to Kitwe for the annual Men's Rally with Pastor Gene LaValley. Brother LaValley challenged men to build their core muscle (spiritually) in order to take on all that God would begin to place before them.

Immediately after the Men's rally, Pastor Christopher Marungu did not head back home, but came over to minister to our young people in a Saturday youth night service and also both Sunday services. The youngsters put on some MTV drama coupled with music from Pastor Christo-

pher, which was exciting to see, and five people got saved at the end of it.

We recently had four couples travel 640km (400 miles) for a one-night marriage seminar, hosted by our mother church, with visiting Evangelist Tony Chase. Testimonies of rekindled passion ensued after the marriage seminar.

As I write this report, we just concluded a Holy Ghost revival with Evangelist Tony Chase, during which 12 people were saved and the entire church was greatly ministered to. Brother Chase ably ministered and one message titled "Steps that lead away" left such an impact that many are making steps towards God.

Many thanks to Pastor Joe Camp-

Greetings from Bangalore India!

Our church here in Cox Town, Bangalore is grateful to the Prescott and the Chandler congregation for their investment in our great nation because of which we are seeing a great move of God in a way never seen before.

From the last conference in December 2016, we have seen a tan-

gible and miraculous move of the Holy Spirit in our congregation and the churches throughout the nation.

Lives are being changed, disciples and couples are being raised up and many without hope have been finding their hope in Jesus Christ.

Our church celebrated its 15-year anniversary in India with Asghar Ghafoor, the man who pioneered the work in Cox Town, the first church in India. Anniversary services and a followup revival witnessed packed services of over 200 every night. The services were filled with passion that turned on the fire of God in us and propelled us towards taking the work of God with added urgency.

December 2016 was another milestone with our Annual India Bible Conference getting a Holy Ghost boost with the privilege of having Pastors Wayman Mitchell, Joe Campbell and Peter Field as our main speakers with delegates from Nepal, too. The atmosphere and the spirit of God's conviction was indescribable and many decisions were made during this conference.

At the end of the week of conference, two new couples were launched to pioneer in Delhi and Bangalore and with this we are a total of 25 churches in India. God has been supernaturally providing for the conference as we have been able to pay our own conference expenses for the past four years!

We thank God for Pastor Mitchell and Pastor Campbell for their vision and labor towards the Kingdom of God and heart for the great nation of India.

God is doing a great work here in Cox Town with couples being

married and launched into God's will, receiving healing and bearing children, lost and backslidden children getting saved from drugs and destruction, people getting radically saved and getting locked into our congregation and the list goes on.

We believe more that Jesus is alive and through us is establishing his kingdom on this earth. We stand with you and with all our fellowship churches to see Jesus preached in every part of this world.

To God be all the Glory. Pray for us as we take Jesus to the great nation of India and regions beyond!

Greetings from Cuba. Pukhovsky family and myself (Russian Pastor Sergei Golubev) traveled after the January Prescott

Conference to Havana, Cuba for a revival in our church there, pastored by a Cuban pastor, Alejandro. You might remember how three years ago due to the one-year imprisonment of Sergei Pukhovsky the church was turned over to a disciple who rose up to the challenge.

On a side note Cuba has opened low-cost flights for American Airlines, Spirit Airways, JetBlue and others. Upon arrival we made a very unpleasant discovery that Sergei Pukhovsky is a persona non grata. This was his first attempt in three years after release from jail. He was refused entry and promptly sent back on the same flight we arrived from Miami.

We were met by a hungry and very open crowd of Cubans saved and serving God. There were 71 people in the church on Sunday morning and 85 at night. The church is experiencing revival.

Two couples are preparing to be sent out in the nearest future. All disciples asked questions, mostly

about pioneering and pastoring. I did a marriage seminar and when I opened for questions they asked what qualities a couple should have to be sent out as soon as possible! The level of spiritual hunger is unbelievable. In 30 minutes of street outreach I personally prayed with five people and saw two notable healings.

My letter is actually a plea. The church there haven't had any full-length revivals for the last one and half years. And they never had/saw a fellowship evangelist! I had 30 people saved in four days with very little advertisement.

There are great hotels for \$120 dollars a nite, guest houses for \$25. They have English-speaking interpreters if you come with a non-Spanish team. You and your people will undoubtedly experience everything you wished in your life. You can roam freely through the perfectly preserved mid-19th-century sugar town like tourists from another era. You can meet people frighteningly open to the Gospel. All of this is as close as a 45-minutes flight from Miami. It will be a well-invested time and money that will leave you and your people revolutionised!

You can directly contact pastor Alejandro at alejandrofernandez2410@gmail.com. Also please feel free to contact me atgolubevcfm@gmail.com for any details. I am more than willing to set you up for revival.

Services in Cuenca, Ecuador

Greetings from Cuenca, Ecuador.

This year three men rose from the church to open Bible studies, so we have three Bible studies in three different neighborhoods. We have established music concerts on Saturdays, doing music and drama. God has raised a group of drama and musicians in the church.

People are coming to our church and being saved, God is doing healing miracles in people's lives, healing them from epilepsy, leg, back and head pain, and freeing people from

oppression.

Recently a family came to church and heard the word of God. The following service they brought an idol and books of apostasy and witchcraft to destroy them in the church. It was glorious as God touched them and now they are serving God.

God has been good to us. Keep praying for the congregation of Cuenca, Ecuador, as we pray for all our fellowship. God bless you.

God's love and mercy abounds as He saves souls in Davao City.

Last August, we had a Holy Ghost revival with Evangelist Dennis Wright, an anointed and gifted preacher. It was his first visit and though this was an unexpected revival, God moved tremendously for five nights and made much impact on our faith.

God tested our hearts whether we'll complain for having three revivals in a row (with two weeks interval) or be excited about what God has for us. The congregation supported the revival and God did not fail us for many received words of knowledge and testimonies of healing every night. God's visitation was with us and 41 souls received Jesus.

Pastor Robert Nadala of Dumaguete City came for a revival at the end of August. We had a great time in the Lord as he preached on forgiveness, envy, the value of our souls and stewardship. Hearts were revived and encouraged.

A new couple's ministry started last September. The couples gather on Thursday evenings in the church, go out for street outreach and one-on-one evangelism in parks and crowded places.

From Oct. 31-Nov. 4, we had our Mindanao Bible Conference on the theme "Knowing the Voice of God" with our guest speakers Pastor Terry Haynes, Pastor Albert Desepida and Pastor Rollie Gacote. Three delegates came with Pastor Ramon Jungco from our international work in Thailand. Couples were launched in the harvest field on the final night with five takeovers and seven new churches.

Pastor Genaro Bugtai of Tacloban church visited us in December. On Sunday morning of the revival, we had the Children's Christmas Presentation on the theme "Soldiers of Christ." A week later, the drama ministry staged a play entitled "Give Christmas a Chance" and saw 60 souls for Jesus.

Welcome 2017! We were so blessed for having Pastor Chris Aulson in the beginning of the year. He gave us refreshing and inspiring messages on restoration, forgiveness and overcoming loneliness. There were revelations and impartation. Visitors kept coming, received deliverance and salvation.

Looking ahead in expectation for more on what God has for the next quarter. Thank you for all your love and prayers. God bless you!

Testimony of Healing: Emma Sotto

I thank God for this opportunity to glorify Him and testify on the healing miracle that I received during the revival of Pastor Dennis Wright in Davao City last August 2016.

Since Sunday morning, Pastor Wright had been calling out for people with uneven feet and praying for specific sicknesses that God wanted to heal. My faith was stirred up as I

Evangelist Dennis Wright in Davao City revival where many were saved and healed

saw them getting healed. With excitement in my heart, expecting for God's power to manifest thru me and that His Name be glorified,

I prayed and asked God to remember me, His servant. I prayed and prayed and got excited on every service of the revival, especially when someone got healed.

On Monday night, Pastor Wright called for those suffering from endometriosis (a painful condition in women during menstruation that affects the reproductive organs). Immediately, I raised my hand. There was so much joy in my heart since it was the first time ever that a pastor called for this particular "unpopular" sickness. Then, he prayed for me that night and something happened in the spiritual dimension at that moment that I couldn't explain in mere words. I believed God touched me. God healed me.

The following morning, I went for an ultrasound scan for confirmation and so I can testify and honour God in the evening service. Upon receiving the scan report, I stared on the paper for sometime because I was amazed, for it says that my ovary is normal. I went back to my doctor right away and testified. The three cysts that were slowly growing in my ovary for many years now were gone.

My scan report in January 2016 shows that it had grown to four centimeters each in size. A common complication of endometriosis is the development of a cyst on an ovary. Its treatment suggests surgery but God is so good, He spared me. And now, I no longer suffer pain from menstruation.

My heartfelt thanks to my pas-

tors and brethren who prayed for me; God bless you more. Thank you, Pastor Wright for coming. May God send you again to Davao.

As I write, I am still in awe of what God has done. He is my healer! He is my God who answers prayers. He truly remembers His servants. All Glory belongs to God!

East Timor Potter's House Pastor Brendan Jones

Hello to everyone. I want to give a report from East Timor. My wife and I have been here for 10 months. We were planted last year in the Australia March conference 2016.

We took over the work from Steve and Michelle Kennaway who did a great job here, and thanks to the Darwin Church for sending them.

God is doing amazing things here in Timor. We have had some great revivals with Eric Dines, Ross Barcham and Ed Kidwell. In each revival we saw over 50 decisions and several miracles.

Just last month we were blessed to have the drama Heavens Gates/Hell's Flames. We saw over 230 saved with 230 out on the last night. The following week we had a celebration dinner with more than 210 in church!

In our regular services we are seeing an increase in numbers recently. Four weeks ago we had over 60, then 70, then 90, and just last Sunday we had over 100 in church.

I believe God will fill this building, and this is why we are in the process of making plans for a new building. The church is blessed with the construction plans for a larger new building that will fit more than 300. A businessman is going to build it for us and charge the same rent we pay now for the smaller building.

When this baby was miraculously healed, the entire family gave their lives to Jesus!

God has healed many people and people are hearing of the miracles and coming from other villages for prayer.

The highlights over the last 10 months have been two dramatic miracles.

A demon possessed lady came out. She wasn't able to sleep at night. She was tormented, and when her family went to bring her to church she was hiding in the bathroom. They brought her out and she was powerfully delivered!

A family brought their six-week-old baby that had water on the brain. This made the baby's head swell, and the child was unable to eat. God miraculously healed this baby, which resulted in the conversion of all the

family!

In a recent Wednesday night service we had over 20 baptised with the Holy Ghost, praise God!

We are also seeing some young men come out that were into martial arts. They were delivered and burning their martial arts artifacts and uniforms.

I want to thank Pastor Payne and the Beechboro church for their support and prayers, and Pastor Mitchell for his impartation and leadership. I also thank my wife for coming with me to Timor!

**Eldorado Park,

Pastor Ron Banet**

Greetings to all from Eldorado Park in the great nation of South Africa. I want to give an update on events that have transpired recently.

Our Bootcamp in December had

youth from all over South Africa. Mike Brill and Naaman Struck stirred the youth at night, and challenged them throughout the day. In weeks afterward, many pastors and parents have reported testimonies of the teens' changed lives.

The following week was our annual Christmas play, this year, "The Grinch." It was our largest Christmas attendance ever, with over 25 decisions for Jesus. The Christmas carols by candlelight Christmas night, always a hit, saw 120 in attendance. The best part was singing the old fashioned carols about Jesus' birth, and teaching them to the younger generations.

In early February we were able to have Ron Lawhon from Dover, Delaware. It was a great revival with 48 decisions, words of knowledge, and at least five healed. The last night saw eight filled with the Holy Ghost.

We got Pastor Lawhon into the high school and 100 hundred students responded to the altar call. We still have an open door in the schools of South Africa, as the principals are standing against non-preaching laws. We have students locking in from Eldos schools.

Finally, the Rally season has started. The Eastern Cape Rally had all nationals run it for the first time! They did great. Western Cape, Gauteng, and Durban follow in the next two months. The nationals have developed enough to run all the rallies, and it is a great pleasure to see the development in leading, preaching and testifying. God is raising up a nation of on-fire preachers.

Thank you Pastor Mitchell, Pastor Greg and the Prescott congregation, for your support of Southern Africa.

And thanks to the other mother churches who have sent missionaries into this great nation.

Nihao from Shunde, Foshan China!

We are so grateful to be writing from the great nation of China where the people are so hungry for the Word of God!

Foshan, China church said farewell to the Hutchinsons, welcomed Pastor Ian and Priscilla Kline and family

Everywhere you look in this city of seven million, people crowd the sidewalks, cars and motorbikes fight for domination of the streets, and many people have never heard the name of Jesus! So when you have that kind of population to reach, where do you start? You keep the main thing the main thing! That is exactly what the faithful congregation in Foshan is doing!

Christmas was a great opportunity for the church as many Chinese are very curious about Western holidays. The church put on a talent show, sang traditional Christmas carols, and we saw dozens of visitors come into the church to learn about the real reason for Christmas. Christmas service also saw many visitors.

Since then, the church has continued in outreach and God has really helped us. Recently, Patrick Johnson came and did a very successful hip hop concert. Also, the church has begun to take initiative and create forums for evangelism. One disciple has taken over the re-

sponsibility for the church's English corner. Praise God!

The church said a bittersweet goodbye to the pioneering pastor, Pastor Hoyt Hutchinson, his wife, Grace, and son Aaron. The farewell service saw 51 people from six different nations and seven people saved. The church here is so grateful for this couple that invested their lives in the nation of China. So many of the people that had been touched by Pastor

ually growing.

There's a process of spiritual expanding that's occurring in Gen-San. Disciples, workers, youth, and new converts are continually increasing in number, church members have stepped up to another dimension of commitment.

Just last November we conducted our first Horror House in the church. For two consecutive days we've seen God moved powerfully, more than 150 souls got saved Glory to God! Also in this month we had our 29th Church Anniversary Celebration, reminiscing God's goodness in us for the past 29 years, during this celebration God spoke to us using His servant Pastor Frank Buenaventura from Davao Church, our mother church. God inspired us to continue looking on what's ahead as we forget what happened in the past but reminisce how faithful He has been throughout the years.

In December, we conducted a drama presentation where we highlighted the drama entitled "The real meaning of Christmas." Children from Sunday school also presented a skit entitled "Jesus VS. Santa." @e're glad to see that youth being involved as such ministries are increasing.

Finally we welcomed 2017 with a fierce heart of facing the challenge of having our 2nd District One Bible Conference. Pressures, struggles, worries were with us during the preparation since our church is the host, yet, great is the challenge but greater is our God!

Our conference was the 23-27 of January. During these days our hearts were overjoyed seeing our fellow cross-bearers from 28 different churches in the District One gathered together. We're also glad to see that there were people who sacrificially volunteered for this week-long conference.

We were able to have with us our main speakers Pastor Chris Aulson from Washington, Alberto Dese-pida our national leader and our regional leader Pastor Francisco Buenaventura who preached with

In March, we conducted a Student’s Prayer where we witnessed, preached and prayed for more

these meetings.

We had a total of 11 baptisms this year, with many young and old, making bold stands against family and other traditional restrictions.

Notable healings included:

- Karthik - A four-year-old boy with tuberculosis and a tumour-like clot in his neck was healed completely after constant prayer.

- Martin – one of our disciples, diagnosed with multiple kidney stones, but was healed completely after continuous prayer – as proven by the latest reports.

- Beulah – one of the sisters in the church, was healed of a severe back injury on a Sunday morning

Greetings from HBR Layout, India!

We bring great tidings of God’s goodness and power as we have witnessed the visible hand of God in our church this year.

Fresh from the December conference, with the Fan supernaturally flamed, the church youth staged a series of street dramas. We per-

than 75 students.

Our 4th annual Good Friday street procession in April was powerful as we depicted the crucifixion of our Saviour and preach to large crowds as we passed through surrounding neighbourhoods. This event also saw many young men in our church stand up, testify and street preach – proclaiming the power of God to change their lives in the very localities that they were raised in.

We had special meetings with Pastors Arun Matthew, Joshua Kumar, Sagar, Rajesh, Aaron and Martin which have been very refreshing to the church. Many have been encouraged, healed and saved during

Tokyo, Japan
Potter’s House
Pastor Gary Case

Greetings from the biggest city in the world!

We are getting ready to celebrate our church’s third anniversary. Thankful for what God has done, excited about all that He is going to do!

Every year, on a specific Sunday, Mitaka City and Kichijoji celebrate a festival dedicated to a local Shinto shrine. Different civic and communi-

ty groups carry portable shrines in a parade that passes right in front of our church. So right after morning service, we step out onto the street and invite hundreds of people to our services and activities. God is good!

People are extremely self-conscious about setting foot in a church (most

have never even seen one). Many Japanese are by nature guarded and wary about ANY new situation or activity. While there are only an estimated 2,500 churches in Tokyo (pop. 37.8 million), there are thousands of cafés. So on Fridays we have our Potter's House Café, with Language Exchange (nothing scary there), where we serve up free tea and Japanese snacks, and play games in English (usually UNO, but we've branched out to Jenga, and most recently, Farkle!). We've had visitors from Russia, Egypt, New Guinea, Mexico, Staten Island, and Japan, of course.

This past December we outreached our immediate neighborhood, passing out booklets on the true meaning of Christmas. Tokyoites are burnt out from so many businesses handing out flyers 24/7. They're experts at avoiding taking anything from anyone. So we sweetened the pot by adding a candy cane to each the booklet, and suddenly people were smiling and thanking us (not the response we usually get). For most of Christmas season we also went out on drive-by caroling sprees (well, more like "walk-by") to local bus stops and to our nearby train station. Many heard about the birth of Jesus for the first time.

One Sunday night, a slightly tipsy man in his late 60s stepped out of the elevator and took a seat. He promptly dozed off and appeared to take a nap during the worship service (although I did see him peek before the offering). His eyes were closed throughout the sermon, but he was

propped up pretty well, and I'm fairly certain he was listening. I preached on sin, Jesus and forgiveness, and led everyone in a sinners prayer. Afterward, I gave him some booklets and flyers and invited him back. We're still hoping to see him again soon.

Later, the rest of us were joking that he was going to wake up the next morning, see the stack of literature, and say - "Oh no! I went out and became a Christian last night!"

Pray for us here in Tokyo. Scarcely any churches are being planted anywhere (by anyone). Missionaries are few and far between (Japan has been nicknamed "the missionary graveyard"). On the other hand, our Fellowship has made a tremendous investment in a nation that is not on anyone else's radar.

This is a country that God loves. As a Japanese descendant, I find myself in a position to intercede in prayer for the horrific sins of the past - and for a people unimaginably ignorant of the terrible price Jesus paid to wash away sins (not only the sins of nations, but of individuals). If God had mercy on the Ninevites, surely He can spare and bless Japan as well.

Thank God for Pastor Mitchell's vision for Japan, and for the prayers and support of the Prescott Church, and those of Pastor Ray Rubi and the Las Vegas, New Mexico congregation!

Altar call in Koramangala church, Bangalore

Maseru, Lesotho Potter's House Pastor Lloyd Hermans

Greetings from the nation of Lesotho. We indeed serve a God that is unstoppable.

God is continuing to move in the nation of Lesotho and we give Him all the Glory. We were able to bring eight people with us to our Bible Conference in 2016 and God changed their lives during that conference. Today they are still faithfully serving God.

The highlight of conference was that we were able to plant our first baby church into another area in Lesotho. I remember Pastor Scott Lamb giving a

word to that couple, "He can see in the midst of them a great harvest."

Soon as we arrived back to Lesotho we were believing God for a church building, and God gave us favor. We managed to get a building for the baby church. We are seeing visitors coming in and people getting saved in that church.

I managed to go and preach for the baby church. There was a seven-year-old girl with an injured leg. She was unable to walk properly and she was unable to run at that time. We prayed for her, and God healed her leg. Last when I saw her, she was on outreach, she's walking and running on her own, and we give God all the glory.

In November we had a revival with Pastor Richard Kakoma, and we saw first time visitors coming, and people getting saved, healed, filled with the Holy Spirit and some received words of encouragement.

I would like to thank Pastor Mitchell and the Prescott church for their investment in our nation, and I thank Pastor Banet and Sister Kathie for their leadership and their support. I also like to thank the Hadebe Family, the Eldorado park church and all the fellowship churches for their support and prayers God bless you!

Testimony: Peter

My name is Peter, and this is my testimony of how Jesus changed my life.

I was once a soccer player, but I was more interested with reggae music. I would always listen to it because I loved it, and I decided to quit soccer, to become a reggae singer.

I started hanging around Rastafari-

Peter, before and after salvation

ans, and that is where I began to smoke dagga. I released a song called "Stronger" because I wanted to be strong in their

religion. Girls were interested in me, because they realized, that I was about to become a celebrity. That is when I also started to fornicate with different girls.

But one day I got an invitation to watch a movie at the Potters House church. God touched my life through that movie. There was an altar call, and I gave my life to Jesus Christ. While I was still going to church, I still had a girlfriend, but as time went on, I left her, because every time I came to church, God was dealing with me about my sin. I had to make a choice, and I chose to leave that relationship.

Today I thank God for all he has done and is still doing in my life. I am changed. God is working in my life, using me at my church, and every day I get an opportunity to preach the word of God at my school. I thank God for all He is doing in my life.

**Lisbon, Portugal

Pastor Gilson Kischener**

Hello from Lisbon, Portugal! We had a year of many experiences, struggles, but also had many blessings from God.

Had three visits from pastors who supported us with revival, and also a group of young people from England who supported us with a street concert in which 38 people were saved.

We saw a miracle in a woman's life with a diagnosis of bipolarity and depression. We prayed for her, and now

we can see her joyfully praising God in every service.

In the hospital we saw two great miracles of God; a young man with leukemia was completely cured. A woman who suffered a stroke was completely paralyzed from the middle of her body. We prayed and we saw how she started to move and to walk!

Another miracle of salvation and healing that we saw was in my brother. He visited us from Brazil and had a strong internal pain in his abdomen. We prayed and He experienced God in his life.

We have great projects for this year and we are sure that we will have successes and victories in the name of the Lord Jesus Christ!

Keep praying for Portugal!

Mabuhay from Paco, Manila, Philippines.

It's a great time to harvest in this busy part of Manila City. God is still on the move by igniting couples, reviving warm-hearts, and raising up flaming disciples.

A three-year-old baby boy, diagnosed last year with the condition of acute leukemia, is still battling. In spite of his blood platelet count of four. Through this depressing problem it became an encouraging opportunity for our church to unite in prayer and also open a fast-growing hospital ministry. Even up to now every Sunday disciples dedicated to visit, offer prayers, and preach

hope for the sick people and their loved ones in Philippine General Hospital.

The first couple to be wedded in Potter's House Paco Church were Pastor Franco and Sister Rovian Adel Paulo Kaamiño. Meanwhile, two of our youth workers stepped up during October of 2016 to be the next couple and firstly married by our pastor. More disciples are challenged by this occasion, for we are now looking forward to another couple getting married this mid-2017.

Two nights of our Horror production turned into a series of nights of salvation. The youth group prepared a 30-minute play entitled The Dead, The Lover, and The Poet. The play is a roller coaster comedic/romantic/dramatic type of act. It ended with Pastors Franco and Bong preaching on each night with 216 total attendance and 48 souls saved. Praise God for a blessed event.

December was a month of full celebration. As the secular world started the season with gift shopping and Christmas carols, we began our practices for the surprise carols to every street in the vicinity, but with a twist. We share our testimonies, offering songs, Christ-centered messages, giving out Bibles, and ending with prayer for the whole family.

God led us to a group of youngsters waiting to be witnessed to. Well, praise God for He is unpredictable and saved these eight hungry young men.

We faced 2017 with an event full of praises, drama skits, and concert music. Young adults are starting to lock in and youngsters joining every gathering, it became way of an encouragement for the disciples to expand and work harder in God's kingdom.

As our youth groups are expanding, the couples of our church are excited to get ready for their couple's night. Pastor Boyet Desepida, our national leader, was our guest speaker. Eighty-six couples rekindled their relationship to one another and six received Christ. When Pastor Boyet opened the floor for questions, husbands and wives eagerly asked questions.

Please continue to pray unceasingly for our fellowship here in Paco, Manila City. God is raining down fire upon us. We may not be able to hold the congregation in our building maybe within a month or two we'll move to a new one.

We are praying fervently for the whole fellowship.

Evangelism is still the heartbeat of our fellowship. Maraming Salamat! God bless!

Mar Del Plata, Mexico Potter's House Pastor Osvaldo Luca

Greetings from the city of Mar Del Plata. We send our warm affections and gratitude for everyone's prayers towards us in this time.

We are moving into the Jacinto Peralta Ramos neighborhood where there is a great need for God among souls.

Ever since we arrived people came to ask what was going to be installed. After six years of no rent and knowing that we were a Christian church, their attitudes were accepting. Since we opened, many families, married couples and youth have come in and have been in every service affirming themselves.

We were stalled for a couple of months because of cold weather with winds and rain; however, it didn't stop us from having some outreaches. Some people have been sick, but are already recovering. We have also had two families saved at an outreach come to church and remain along with another 21 people who have been added to the church as well.

We have observed that in front of the church we have a beautiful plaza that has been very well cared for by the neighbors. We will start to use it as a meeting center for spring and summer events such as films, music, mime presentations, and fellowship to spread the Gospel.

I want to recognize that the return of Pastor Evangelist Pablo Andrés Luca and his family has been a great blessing. We have invest-

ed a lot of hope in this neighborhood because of its dynamic and cheerful Christian youth. I pray to God to fulfill our dreams in this place and we ask that you pray for all that I have described. Please also pray for the church that has been opened in the city of Corrientes, Argentina.

Thanks for the total support of our leader Pastor Juan Pablo Cardo, his wife Silvina, and our fellowship that will always be in our lives with a heart for God. We send our sincerest love and thanks for all your support and prayers from Mar Del Plata.

Melville, South Africa Potter's House Pastor Riaan Botha Corres: Lebo Tshangela

Greetings from the Melville congregation. The church is receiving growth and fruitfulness to the extent that we had enlarge our tent!

The increase in visitors and members necessitated the church to embark on a project which involved breaking down walls to extend the church to make room.

Numbers are swelling up among the youth and children's ministry as these adolescents are hungry to serve God.

The church continues to see visitors weekly and dozens of souls have already been saved during outreaches and services since the beginning of the year.

We have seen new families added

to church and new converts are gradually catching the vision as we see them developing a passion for soul winning.

The so called "church kids" who are now teenagers are rising up and being released into various ministries, and disciples are rising up to learn instruments. The 180degree concert scene still continues

to draw crowds and decisions are still made.

In the last months we have been revived and captivated by the preaching of Pastors Jack Miller from the U.S., Kenneth van Vliet and Ettiene de Sain from Holland and Joe Baleanu from Madagascar, who gave words of prophesy to people.

Toward the end of last an impact team travelled to Botswana to help Pastor Sizwe and Tumi Malema ahead of a revival by our pastor. We saw 40 souls saved and the majority of them attended the revival.

Since the church began fasting on Wednesdays for marriages and various needs, we have seen breakthroughs, with people getting jobs and student getting supernatural financial assistance.

Our baby church in Boksburg kicked off with an opening concert which saw 33 visitors in attendance. A total of eight

people got saved that night and at the Sunday service the next day seven of them pitched up. These young men are excited about Jesus and some of have begun to come to outreaches.

Meanwhile our baby church in

Pastor Roman Gutierrez brought his compelling testimony to Perth, and 37 were saved

Windsor has a solid group of men, who are already being released into ministry. They are already leading song service, instrumental in follow-up and are passionate about evangelism.

We thank God for what He is doing in our city.

For the last 10 years we have been blessed to be able to do our International Mens Rally in Mexicali, Mexico with our Pastor Wayman Mitchell.

This year we had Pastor Mitchell, Pastor Greg Mitchell, Pastor Jose Torres as our speakers.

God moved in a tremendous way. The Secretary of State of Baja, California moved on our behalf and allowed us to do the International event in the States Art Theatre. This was a miracle because the government uses this facility to do big events, and its very expensive. But he allowed us to do our rally free of charge.

At the event we had 478 men from many places in Mexico and the U.S.

Our church in Mexicali has been working now for over 14 years, having revivals, doing concerts, preaching on the streets and in rehab centers. We have a jail ministry where we go every Friday to preach to the men in our local jails.

This last year in the month of February we were able to send a team of 13 people from our church into Cali, Columbia with Pastor Joel Gutierrez to

take music, dramas and street preaching along with a revival with our Pastor Juan Cortez. God is really moving in our church. We were able to launch out to the field a new baby church into Ensenada, Mexico.

We are grateful for all the pastors who have invested in the fellowship in Mexico. Also pastor mitchell for coming into Mexicali every year. We ask that you continue to pray for us in Mexicali. Thank you God bless you.

Beechboro, Perth,
West Australia
Potter's House
Pastor Tom Payne
Corres: Eben Brunet

Greetings from Perth, Western Australia. We are just over half way through our summer Season and God is on the move.

We ended 2016 with Pastor Roman Gutierrez coming over and doing his Twice Dead revival for us. The revival went from Sunday through to Thursday, each night having people get saved. There were many visitors coming out to hear his incredible life stories and by the end of the revival we saw 37 people give their lives to Jesus.

On Christmas night, the Beechboro Children's Church performed a children's play which consisted of a drama and the children's choir. The kids play was a great draw card to get people into church on Christmas night, share the gospel and show them the real meaning of Christmas. The Children's Church did an amazing job putting this production together and also proclaiming the Gospel to the lost on Christmas.

This year we broke the Beechboro record for the most disciple outreaches in one year. We have a total of 47 disciple outreaches booked in for 2017 and over 180 decisions for Christ so far this year.

We want to thank Pastor Wayman Mitchell for the vision and the Prescott congregation for the continuing support. Please continue to pray for Pastor Tom Payne and the Beechboro congregation as we continue to labor and win souls to Christ.

San Luis, Mexico

God has granted incredible favor to our prison ministry in Baja, California and recently in San Luis, RC, Sonora.

Brother Ruben Betams has been working the prison ministry for four years. Recently we experienced an open door. Right after conference we were granted permission to have a special event in the San Luis Prison. Eighteen of the disciples supported the event along with our elite team from Baja California FEJC - Brother Gabriel Perez, Luis Osornio and Nacho Zambada.

We were greeted by the prison director with whom we prayed for salvation

God. Another man testified that he had kidney pain but was totally healed.

Please pray for our prison ministry in Ensenada BC, Tijuana B.C. El Hongo B.C. Mexicali B.C. and San Luis RC Sonora Mexico.

Zwolle, The Netherlands

Pastor Evert Valk
Corres: Daniel Vuyk

Greetings from Zwolle, The Netherlands.

Our conference in February was exceptional. It felt like a turning point. Pastor Valk never spoke to so many couples before who expressed a desire and a willingness to be sent out.

"It is a special work wrought by God." Pastor Valk said, "and I believe we're seeing the beginning of a climate change in our Fellowship."

It was inspiring to listen to Pastor Glen Cluck who emphasized the importance of remembering where we came from. Some things must never depart from our hearts. Pastor Joe Campbell stressed the importance of strengthening each other. The seed we sow today is somebody's future tomorrow.

Justin and Jennifer Entong are launched out to Guangzhou in China. In Holland

Ursul and Lilian Molina will be going to Rotterdam-Overschie and Desmond and Carly Burghard are sent out to Purmerend to take over the church of Zefanja and Natalie Sminia, who will be coming back to Zwolle. Not all couples who asked to be sent out could be sent out. But fortunately there will be more conferences!

Dirk-Jan and Yvonne van Rijn returned from China where they pioneered

a church in the city of Zhongshan. It has now been taken over by Robin and Dima Chen, a Chinese couple from the Dongguan congregation.

"It is a privilege and an adventure to pioneer in China," Dirk-Jan said. "We saw many people saved and many miracles happening. One highlight was an unborn dead baby. I prayed and God gave its life back. The potential in this nation is beyond imagination. It's easy to get a crowd on concerts and movies. We easily saw 115-plus visitors on our concerts. But the real challenge and key is to win the trust of man and make disciples. Only then this potential can be reached. Therefore there is a desperate need of couples that want to go. The time is short and the open door might not be open for long."

Dirk-Jan will continue to inspire us as an evangelist.

Moises and Carla Baptista who went to the Cape Verde Islands early 2016 to take over the church in Praia are seeing beautiful things there. "We spoke to a young lady on the street who suffered from asthma and chest pain, we prayed and she got delivered instantly. We also testified to a young man in a bus while others were listening. He accepted Jesus as his Lord and Saviour. A young lady who overheard our conversation said she also wanted to accept Jesus into her heart. So God is moving, but we really need your help. Most people here have no idea what Christianity is. We hope to see more pastors and teams coming to Praia. Pray for us!"

Mike and Moniek L'Acosta who took over a church in Leiden have already seen God move in supernatural ways. "The average waiting list for a house in this city is 6 to 7 years," Mike said, "but we found a house within a week! When we wanted to take over the contract for the church building there was a group of business people who wanted to use the building as an office. They could afford to pay more than us but the owner granted us the building and gave us a discount on top of that. God is a provider and He is on the move in Leiden!"

Last October we had a refreshing and encouraging rally with Pastor Greg Mitchell. Many new people visited the rally and we saw different people give

Pastor Jose Torres ministers to young man in San Luis Prison ministry

along with the commandant and the event organizer. We had song service, special music testimonies, and Pastor Torres preached that Jesus is alive. At the altar call 80 men gave their lives to Jesus.

Pastor Torres followed with a prayer for the sick. One man testified that he had a headache for a long time due to a bullet shot that was fired close to his ear. He was totally healed by the power of

Conference in Zwolle, The Netherlands

their lives to Jesus as well.

The Zwolle youth choir regularly goes on the streets to sing and preach. On the Thursday night before Christmas we had an especially powerful time in the inner city. A crowd of people gathered around the choir and heard the good message through the enthusiastic singing and preaching.

On Christmas Eve we held a service in a fully packed building. Many younger and older people who used to come to our church before visited that night too. It was a great opportunity to reach these people with the Gospel!

In January we organised a Chinese night in which we saw over 20 Chinese visitors and one convert. The songs, testimonies and the sermon were all in Chinese. The Chinese visitors could see that our God moves through people of every race and culture, including their own!

Windsor East, South Africa Potter's House Pastor Sifiso Mazibuko

Greetings from the church in Windsor East. Disciples started the year on fire and they started door-to-door outreach. We continue to see visitors and salvations almost every service.

Door-to-door outreach in Windsor East, SA

Recently, we held a church service at the park and this resulted with six people getting saved.

A young lady came to church during this past school holidays, who was already born again but not baptised, and used to have horrifying dreams. After getting baptised all her bad dreams stopped.

The church has been faithful with their tithes and begun pledging to the mother church and we have witnessed people getting jobs and most of them continue to faithfully support God's work with their finances.

Most of our disciples were involved in fornication, smoking drugs, and drinking alcohol, now they are radically saved and hate sin, and they just want to

do anything for Jesus.

The disciples have been faithful to morning prayer and some have been released into ministry such as song service and follow-up.

We still believing God for bigger building, keep praying with us.

Pasig City, Philippines The Door Pastor Mel Bianco

Praise the Lord for the great things He's doing in this nation, especially, here in Pasig City, Metro Manila.

It's been two years since my wife, Alicia and I started the church here out of the Chandler Conference. We outgrew our first building and moved in to a bigger one to accommodate the fruits God has been bringing in last November 2016.

Our mother church sent an Impact Team of 12 witnessing machines with Pastor Joe Campbell. With them we did our Grand Opening Revival seeing more than 80 souls saved, many filled with the Holy Ghost and many people healed.

Our Children's Church Ministry did a wonderful Christmas play last December where we had 142 people in attendance with eight people saved. In January we had our first concert featuring our own home-grown music group. We did it outdoors in our parking lot, with six saved. The next day we had 150 people including 20 first time visitors in our 2nd Year Anniversary Celebration with Pastor Boyet Desepida, our national leader here in the Philippines.

In just two short years we are averaging more than 100 people in our Sunday morning services.

We're thanking the Chandler Church, Pastor Campbell and the whole Fellowship for all your prayers, support and partnership.

Dear Friends,

Over the past centuries, Jews have cried, "Next year in Jerusalem," to express their longing for the land of Israel. It has been 3,000 years since David captured Jerusalem from the Jebusites, who were descendants of Melchizedek. This year, we will be privileged to visit Jerusalem and fulfill what millions of Jews were unable to do. For this, we are thankful, as we recognize that we live in "Messianic Times" when the coming of the Lord draws near. We invite you to join us on this visit to the land God promised to Abraham, Isaac, and Jacob, and made holy by prophets of God, by our Savior Jesus Christ who died and was resurrected there, and by His disciples. We are planning to make this a memorable trip for you, to let you feel with your heart as you stop in ancient holy places and are informed about scriptural events. Come join us on this inspirational, testimony-building tour of Israel.

Sincerely, **Pastor Richard Cox**
