Greetings from the mother church in Prescott, where we are full swing in the middle of our building project!

As I write we are expecting the classroom construction to be completed by the end of the week. Paving has just begun on our new parking lot, and the work on our new building is still cranking on. It's always exciting to come into church and see the progress that is being made, and we cannot wait to see the completed building!

As our summer outreach season comes to a close we are thanking God for the fruitfulness He has given. Our Friday night outreaches in our local entertainment district, right in front of the movie theater, have been fruitful. Many people, especially teenagers and young adults, walk past where we set up, and hear our bands perform and testimonies given. With every outreach we see many give their lives to Christ.

What a powerful revival we had in October with Pastor Martin Klok, from Holland! God incredibly ministered to us as a congregation that week. Many words were given out as Pastor Klok ministered through the work of the Holy Spirit. It was a blessed time, and we ended that revival being spiritually revived and refreshed! We are so grateful to Pastor Klok and his ministry.

Every September the County Fair comes to town, and it is the perfect opportunity to preach the gospel! Daniel McCarty sets up a booth at the Fair as a tool to tell sinners about Jesus. With hundreds of people coming to the Fair every night, we had the opportunity to speak to many raw sinners, and tell them there is a hope for them. In years past there has been a lot of resistance, but the past few

years have been a breakthrough in testimony and impact made. Many people gave their lives to Christ, and several miracles happen right there in the middle of the fair grounds! We thank God for the opportunity to proclaim His name.

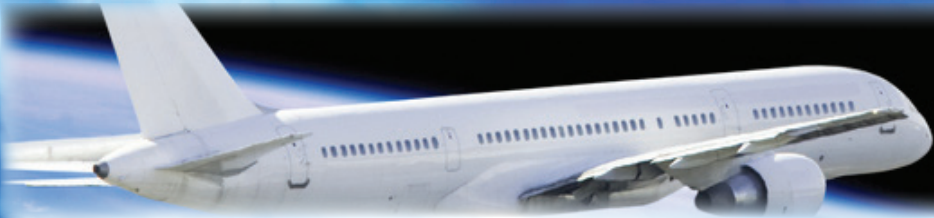

The Healing Crusade with Pastor Wayman Mitchell in Redlands, CA was a tremendous time. During the altar call many souls gave their lives to Christ and many bodies were healed.

God was faithful to touch a woman who was blind from diabetes, and bound to a wheelchair. She got a double miracle when Pastor prayed for her. Her eyes were opened and she could see for the first time in years! Then Pastor Mitchell asked her to stand out of her wheelchair, something she could barely do, and not without her legs shaking uncontrollably. She stood, and was able to stand there, no shaking, powerfully touched by God!

A gentleman also came up for healing who was battling with cirrhosis and hepatitis C, among other things that left him in a lot of pain. Pastor Mitchell led him in a prayer, and after, when he tested himself, there were tears streaming down his face. He was powerfully and visibly touched by God. These were only a few of the many miraculous healings that happened throughout the crusade.

Every year Louie Paulino puts on a haunted house as an outreach to draw in sinners to hear the Gospel. This year's theme was a "Hell-Bound Train" and we had hundreds of people come out each night.

Groups rode through the haunted house in a "train" and ends up in "Hell," where a disciple from our church gave an altar call. For many of the disciples, this was the first altar call they had given! At the end of the weekend we saw more than 135 visitors come through and 65 people gave their lives to Christ! We're praising God for all he has done!

Israel tour highlights busy quarter of travel for Pastor Mitchell

Pastor Mitchell has continued in a busy schedule of ministry. He traveled to London in October for a nation-wide Men's Rally at Walthamstow for Pastor Nigel Brown. The rally had a large attendance.

Pastor then traveled to Austin, Texas with Pastor Terry Wakefield and area pastors and churches with a great response.

One of the Fellowship highlights is the Navajo Nation's Rally in Chinle, Arizona with Pastor Artie Aragon. This is an ever increasing ministry as the church at Chinle continues to reach out to other nations. They have added Canada and China to their list of new churches.

The area-wide crusade at Redlands, California is always great testimony to to Pastor Richard Cox's increased leadership in the Los Angeles area churches.

Conferences in McMinnville, Oregon and Chilliwack, Canada, under Kevin Foley and Dave Marks always provide a great opportunity for ar-

ea-wide influence.

An area-wide Men's Discipleship in El Paso, Texas under the direction of Paul Stephens continues to grow in their enlarged building.

An area-wide Rally in Zwolle, Holland and Pastor Nomdo Schuitema filled a school auditorium and was a

great inspiration for all.

A crusade in Las Vegas, Nevada under Scott Lamb brought a miracle dimension to that event with many saved and healed.

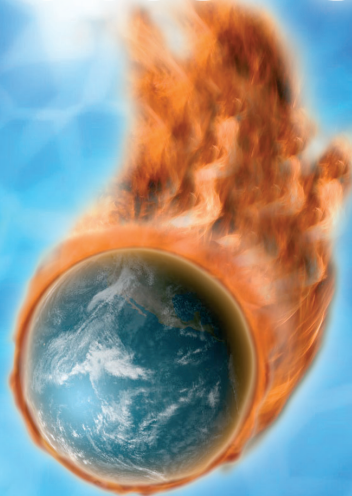

The annual Fellowship tour to Israel saw 53 people under the direction of Pastor Richard Cox spend a fruitful time in near perfect weather. The tour always sees great interest as Pastor Mitchell meets at 5 a.m. each morning before it begins and 7 p.m. each evening after the day finishes, creating new sermons with the pastors. This year, 18 new sermons resulted as many pastors reaped the fruit of a life time of insight and revelation.

The tour this year saw new sites viewed – the waterfall in Ein Gedi where Paul hid from Saul in the wilderness, and the Pool of Siloam and King David's Palace were a great experience. The tour is already booked for November 5-14, 2019. Every pastor should make plans to take several of his people on this life-changing tour.

Victory Chapel in Athens, Georgia wrapped up a summer of fruitful outreaches.

Several mini healing crusades and concerts were held in neighborhoods throughout the city. Each was planned and put on by the disciples in the church's six different Home Bible Study groups and youth group.

One Saturday evening, a bilingual healing service outreach was held at a small event hall. After outreaching surrounding neighborhoods, over 60 people, including five visitors, gathered to hear music, testimonies and a

leg grow out after prayer.

On another Friday evening, a small group went to a mobile home park. During the outreach, brother Julio witnessed to and prayed for a lady named Lourdes. Due to a prior surgery, she had lost feeling in her hand. She also suffered from hearing and back issues. She prayed and was healed of every issue! She even prayed for salvation. It was greatly encouraging for all those who attended.

Just before the start of the school year, the Victory Chapel youth group hosted a booth at a local middle school's open house to promote the church's concert scene, The Warehouse. Hundreds of flyers for the concert were given to families attending the festival. Several teachers and parents stated how good it was to

Testimony Lisa Hernandez

Greetings from Austin, Texas. My name is Lisa Hernandez. I've been faithfully serving God for 14 years. God delivered me from a life of drug addiction, violence, incarcerations, and adultery. Before my salvation, I lost my freedom and my family. But in 2004 I came into the Potter's House where God graciously began restoring every piece of my life.

2018 has been an extremely challenging time for my family and me. On March 23, 2018, I went to the ER for extreme abdominal pain and burning, a problem I've experienced for years.

After two days of testing and four blood transfusions, they discovered a mass blocking my intestine. I would need to undergo emergency surgery to remove the mass and have my gut reconstructed. This would be a very delicate surgery for the doctors to perform.

After a four-hour operation, and to the surprise of the surgeon, the surgery was a success. Later, though, my husband and I were informed that the mass was cancerous and had spread. They diagnosed me with Stage IV metastatic cancer.

I wanted to go into self-pity mode and shake my fist at God asking “WHY ME, haven’t I been faithful?” So many thoughts were running through my mind.

My husband faithfully prayed over me, reminding me that God was still in control and that we would get

Athens Georgia outreach team

healing service.

Four people came forward to a call for headaches and back pain, two reporting the pain they had before prayer had disappeared.

Two people received prayer for ear pain and deafness, and four others for deliverance from mind battles.

A gentleman with partial paralysis from diabetes complications began to take steps around the hall unaided by his walker after seeing his uneven

see the youth of Victory Chapel excited and out doing something.

The summer season wrapped up with the annual Haunted Trail. For several weeks more than 60 of the youth group and other church members worked to create a haunting outreach of Tribulation and End Times scenes based upon a recent movie called "The Purge." There were 275 people who came through the trail with 98 souls praying to give their lives to Jesus Christ!

Daniel and Lisa Hernandez journeyed through Stage IV cancer and emerged with victory!

the tumors were dissipating by themselves she was still going to start me on a mild form of chemotherapy. Although this was said to be a mild form of chemo, it was tough to endure, leaving me so weak and nauseous.

On August 17, I would undergo another major surgery. Although the second surgery also was a success, the breathing tubes that were placed down my throat during the operation caused the left side of my vocal cords to become paralyzed. I could not speak any louder than a raspy whisper for the next two months. I was referred to an ENT and a speech therapist in hopes that speech therapy would stimulate my vocal cords.

After a few sessions, we discovered that a few girls that attend our church used to work for the same office my speech therapist works at. These girls left an excellent testimony with my therapist and based on this, my therapist said she was going to “do me a favor” and refer me to one of her good friends who happens to be one of the few ENTs in the Austin area that do vocal cord injections to stimulate the cords.

After the injection, the ENT told me to allow five to seven days for my voice to restore. I left the clinic, disappointed, still unable to speak louder than a whisper. I wanted immediate results.

I sat in my car and asked God to please restore my voice. I told Him moving forward that every word out of my mouth would be only of edification to bring hope to the hopeless, and that I would witness and testify of His amazing love and all He has done for me. That my voice would be His tool to see souls saved.

Before I could make the 20-minute drive back home, I began to speak and noticed my voice was restored! It didn’t take me five to seven days, it took faith, prayer, and 20 minutes! God healed my vocal cords!

I called the ENT who had just done the injection and told him my voice was back. He said he had never seen immediate results like this before in all his years of practice.

On October 31st, my oncologist told me that she doesn’t get the opportunity to say this to many patients diagnosed with Stage IV Cancer, but she was happy to say I was now cancer free and would no longer have to do chemo!

As I look back now, it’s so evident to me that “God was indeed already on the scene!” He knew everything I would go through beforehand and was there with me every step of the way. He orchestrated everything.

I think about how God used Jody, my pastor’s wife, to plant a seed before all this even started. Jody called me a week or two before I went to the ER just to tell me that if my body doesn’t feel right, to go get myself checked by a doctor.

I think about my amazing church family lifting me up in prayer, prayers so powerful I could tangibly feel them as if their loving arms were physically wrapping around me lifting me up to God.

The favor God gave me with my job was another amazing factor in all of this! As the word spread of my diagnosis, so many co-workers began to donate their own hours of vacation time to me to make sure I would get paid for my time off in surgery, recovery, and chemo treatments. A total of 190 vacation hours were donated to me by my coworkers.

This definitely was the biggest fight of my life, but when I was weak, God was my strength!

God healed me just in time to celebrate my 25th wedding anniversary to an amazing man of God. I could not have gotten through this without the care, love, support, and prayers my husband demonstrated during this trial. We celebrated our anniversary in October with a vow renewal at our church, and since have been blessed with a brand new granddaughter.

I know God is not done with us yet, we’re looking forward to all God has for our family!

through this trial. Our pastors Terry and Jody Wakefield came and laid hands on me while in the hospital.

My pastor spoke powerful words to me that would resonate in my spirit throughout my trial. He said; “It’s understandable you feel scared, but rest assured, God is already on the scene.” These words would become so real to me in the months to follow.

After a 10-day hospital stay, I was very weak, my blood count and iron levels still low.

I started seeing an oncologist to begin a treatment plan. She ordered a PET scan to pinpoint precisely where the cancer was. As I waited for the results, I prayed and told God, His will be done, not mine. I thanked Him for saving me so I could enjoy the past 14 years of my life, and for entrusting me with my husband, my children, and grandchildren.

My pastor, his wife, and our congregation were steadily lifting me up in prayer! When the results came in, the oncologist said that remaining cancer seemed to be fading away without any type of chemotherapy treatments! She told me that although

Greetings from the great Northeast. The church on Cape Cod has seen the gospel message continue to be fruitful.

This year as we were faithful to stick with the vision of our fellowship in discipleship, and outreach. God has enlarged our spiritual carbon footprint. We have seen people added to the church through many different avenues.

One of those events is our annual Family Fun Day. This event is held in our parking lot, complete with a water slide, bounce house, and food on the grill.

This year we had the Rochester church come and perform the Super Fairy Tale. This event always adds a number of families to the church.

We also hosted our Harvesters Rally with Pastor Kevin Foley as the main speaker. The harvest field works were greatly encouraged.

Once a year for the past 30 years we have had our March for Morality. God has given us great favor. We don't have to join in a parade, we hold our own right down the main street of our town.

The main street is closed down for the duration of the march, giving us a chance to give those looking on a salvation invitation. The theme of this year's parade was, "Jesus is standing at the door of your heart."

At the end of the parade we gather on the village green and many of the pastors who brought their churches minister a Gospel message. Evangelist Tony Chase was the main speaker at the parade.

After the parade we entered into a week of revival with Evangelist Chase. Souls were added to the church and people were filled with the Holy Spirit with the evidence of speaking in tongues.

This year's Vacation Bible School was a great success. The theme was "Shipwrecked." This ministry has

Church float in Morality Parade in Cape Cod, Massachusetts

gained momentum over the years. The kids are given the Gospel message on their level. Through this interaction kids are accepting Jesus, and families are added to the church.

The disciples have been doing inspired local outreaches. One of those is called the Grill & Chill. We take a grill to a local park and serve up hot dogs, and Jesus. It's been a fruitful time. They have also done some neighbourhood healing services, and have seen people healed and saved.

The Cape church continues to send impact teams to churches in the area, and God has made it a very productive investment as souls are touched and added to the kingdom.

This year for Halloween we did a Haunted Play called "The Appointment." It proved to be a fruitful time, as people were at the altar each of the four nights the play ran.

We have also seen backsliders return, and lock in to the will of God. We are so thankful for the leadership of our pastor and the vision of our fellowship. Please continue to pray the Cape Cod church, as we will also keep you in our prayers.

Greetings from the Church in Chandler, AZ, where we continue to labor for the souls of men and women.

As we pray and sow the Gospel in our city, we are reaping an extraordi-

nary harvest.

Our young, as well as our seasoned disciples are rising up to lead our Friday night outreaches. At these outreaches we have set up for a night of food and music in city parks, shopping centers and local neighborhoods. Each time, we've attracted numbers of visitors and decisions for Christ.

For the Halloween season we did a follow-up with our successful Trunk or Treat event, where we decorate the trunks of cars with various themes, offer live music and food, as well as attractions geared at our local community families. Throughout the evening there were various opportunities to preach the Gospel as well as our congregation providing a clear gospel witness, with over 300 visitors attending; it was a very positive outcome, including a number of visitors to our Sunday services!

In our Spanish services, we were blessed to have Pastor Francisco Guerrero and Pastor Jose Luis Gaxiola for a revival. More than 100 people attended and many people received salvation. For our celebration of Mexican Independence Day, we had the band Armageddon come up from Mexico to minister for our concert venue. Many people attended and heard the gospel preached.

Recent church plants from our Bible Conference are now on the way to Virginia (Ryan and Julia Salanoa). Pete and Sandy Wakefield have landed in Dhaka, Bangladesh!

Pastor Wakefield and his wife received a missionary visa from a dominant Islamic nation, so the miracles

are already happening. They already met with various people who were saved in Fellowship churches around the world and who have been praying for a fellowship church in Bangladesh! Open door after open door gives us high hopes for this new international work.

We have lifted our eyes and we see the city, state, and nations ready to be harvested.

Chicopee, Massachusetts
Victory Chapel
Pastor Jeff Berwick
Corres: Norma Santos

Greetings from Chicopee, MA.

Much has been happening since our last report, once again reminding us that God is faithful to help us!

The summer was a season of outreach, starting off with disciple-led healing crusades. It was great to see God moving and people being healed.

In June, we were blessed by Rochester's production of Super Fairy Tales. We had 250 visitors, with many hands lifted when an invitation was given for salvation. Sixty-six precious souls came forward to pray, including one of the families that had first been impacted at a Healing Crusade. They have been coming to church ever since.

In August, we were able to send our pastor, and a team, to Vantaa, Finland, to assist Pastor Aaltonen for a week of outreach and special

services. There were opportunities to street preach, and pray with people on the streets.

In the fall, we entered into a season of labor for the Psycho Circus, as our Halloween event. The saints labored for the month of October for what has proven to be not only a fruitful time for souls, but a great time for the saints as well!

We had several families that had gotten saved as a result of last year's event, who were able to be a part of this year's production.

Over the course of a three-night run we had 185 visitors, with 135 praying a prayer of repentance and salvation. Our faithful saints are working with many of these folks, and a few have recently begun attending church services, Praise God!

In early November, a young man from our church tragically died, but his testimony has touched many. His friends and family had seen a tangible change in his life, witnessing the joy that only the power of Christ could have given to him. His mother has been receiving non-stop calls and texts from people expressing a desire to come to church.

Since the memorial service, there has been a steady flow of family and friends coming to

church, and praying at the altar for forgiveness from sin - Hallelujah!

God is doing great things. We are seeing visitors come, and new converts beginning to lock in. Since we began to support our pastor in full time ministry, people have also been seeing many miracle breakthroughs in their finances. Doors are opening for jobs, and people are getting promotions in the jobs they have.

Several couples have been blessed; not only by long term debt being broken, but having that debt replaced by a God-given prosperity they've never experienced before.

Something that has been a great joy to see is our young men and women having a vision for what God wants to do in and through their lives. They've begun doing their own outreaches and praying with many people. They're encouraging one another and are bringing a lot of life to the church.

We are excited for what the future holds as we continue to fight the fight. We look forward to what

Chicopee team ministers in Vantaa, Finland

God will do next!

We count it a blessing to be able to co-labor together with the pastors and churches around us. Thank you for your prayers, your faithfulness, and your friendship.

Greetings from Espanola, New Mexico!

We have had such a fruitful summer! We kicked off our summer with regular park outreaches, holding a concert/movie in our local park every other Monday.

In these park outreaches we saw many visitors and a total of 46 people saved.

We continued our weekly Saturday morning outreaches, Saturday neighborhood outreaches every other Saturday night, as well as

We will continue to have our One80 concert scenes every other Saturday throughout the fall and winter. We have also had three weddings this past year and five new babies born in our church!

We want to thank all who are praying for us, continue to pray for us as we pray for you!

Fort Worth, Texas

Pastor Ron Beyerle
Corres: Joseph Beyerle

Greetings from Fort Worth, Texas!

We are rejoicing at what God has been doing in our church this year, a new chapter in growth and fruitfulness, and in reaping the Harvest!

We have continued with street outreaches, and preaching, as well as with weekly music scenes to impact our city, also sending impact teams and music groups

to many areas to help with evangelism and in building other area churches.

As our pastor has challenged the church to be "Useful Vessels for the Kingdom of God," some who have been in the church for years as well as new disciples have been rising up to answer the call to ministry in the church and outside the walls. We have also felt the stirring of God for men who will rise up and preach the Gospel.

In May a Cinco de Mayo outreach outside our building was very fruitful with live Spanish music, and free tamales with rice, a big hit to all who attended. We had many visitors from the area and 11 saved with a powerful impact being made for the Gospel.

In the beginning of October we had revival with Evangelist Dave Johnson who brought a timely word and a very gracious spirit to help and minister to the church. With people filled with the Holy Spirit, healed, and many ministered to, we had a very timely meeting with God through his ministry.

Also in October we had the church Fall Festival with everything from games, a bounce house, free food, a pony ride and even an "urban hay ride" (God can apparently use most anything). The outreach was fruitful with many

of the church folks creating and running a booth to draw and entertain visitors at the event.

Approximately 130 visitors attended in two nights and 71 souls surrendered to Jesus Christ at the altar calls.

The following Sunday services had a number of visitors from

One80 concert scenes every other Saturday night.

At the end of the summer we saw 148 decisions made for Christ!

As the summer came to an end we continued the momentum and headed into fall having our annual Haunted House. In two nights we saw 150 visitors and a total of 111 people saved!

We are starting up our regular fall/ winter home Bible studies that will be held every other Friday in two different areas of our city.

One will be in Chimayo which is known for many of our city's drug problems. Our other home Bible study will be in Santa Clara Pueblo, one of the eight Northern Pueblos in New Mexico.

Pony rides part of Fall Fest in Fort Worth, TX

the event and we have several that have been coming ever since.

We thank God for His faithfulness in all He has brought to pass and all He is going to do! God bless you in the coming year.

We would like to thank Pastor Campbell for his investment in our church and our lives, Pastor Greg Mitchell and Pastor Wayman Mitchell for their unwavering vision for the nations of the world for so many years.

Fountain, Colorado Potter's House Pastor Isaac Cilano

Greetings from Fountain Colorado! We praise the living God for all that He is doing here.

We are experiencing a time of great fruitfulness. Our congregation together with Pastor TJ Horta from Aurora, CO, his wife Christina, and members of his congrega-

tion put on our annual Haunted House the last weekend in October. We had two teenagers who had come to the haunted house bring eight of their friends to the concert.

All 10 of them got saved that night and three people were healed of various pain or injuries in their bodies. Three of them came to church the next day and brought another two visitors. One of them was saved and healed that morning.

The following Saturday three of the teenagers returned to the One80 and brought three more teenagers, who also were saved that night!

The next morning it snowed and we did not expect a large turnout in church. Fortunately God is not limited by the weather and 23 people showed up for church that morning with eight of them being first-time visitors.

Three answered the altar call and one was healed of back pain, a short leg, and pain in a sprained

Fresno, California The Door Pastor Joe Sanchez Corres: Mario Chacon

What an amazing God we serve. God is definitely moving in Fresno, CA. 2018 has been a busy year for our church. We started off the year with a continued desire to bear fruit and to see revival.

Revival has been on our minds. This year we have had three revivals. We had revival with Evangelist Gabriel Alonso. He reminded us that as Christians we need to get over our fears and fight. Back in May, Pastor Les Uptain, came and delivered a word in due season. Pastor Benny Rodriguez was here a few weeks ago and what an amazing time it was. In all revivals we were able to experience super natural healing. Many were healed from aches and pains on the spot.

This year we have seen a steady flow of visitors. Some have come because they received a flyer, were invited by a co-worker or happened to see the church sign and decided to stop by. One Sunday morning service, we had six visitors and three of them answered the altar call. God is on the move and his hand is upon us.

Our church outreaches regularly on Saturdays. It's amazing to see people accept Jesus into their hearts. One outreach we encountered an older gentleman who had back pain and didn't speak English, but that didn't stop God from moving. One of the sisters translated and he allowed us to pray for him. He mentioned that he felt better and we felt God touch him.

We continue to have favor for our Friday night concerts at a well-known taco stand in Fresno. At one of the concerts we had an unexpected visitor, a police officer. She was intrigued by the music and decided to stop by and watch. After learning about our ministry, she felt encouraged and took a few re-

Puppet skit brings Gospel to life at apartment complex in Fresno, California

vival flyers to hand out to families in need of hope.

We are grateful and give God all the glory that our pastor had the opportunity to travel this year. In February, he traveled to Washington and ministered for Pastor Frank Bravo who pastors at the Lake-wood Church. He also traveled to Guangzhou, China and preached a powerful word for the Guangzhou church where Jackie Li and Chris Kelly minister.

In May, we were asked to participate in a Billy Graham event, Decision America, California Tour. About 5,000 people attended this event and hundreds decided to give their lives to Jesus. We are grateful to have witnessed God's grace and mercy that night.

This past June one of our teenagers attended the South San Antonio Boot Camp. This young man has attended The Door since the age of seven and finally had the opportunity to attend bootcamp. His trip was fully sponsored. He returned on fire for God and knows that he can be used in God's Kingdom. He can't wait to attend next year's bootcamp and is encouraging his twin sisters to attend.

The triple digit weather this summer didn't slow us down. We've taken the Gospel to the streets. Not only has street preaching allowed us to reach the lost but also see the fire for God in the young children that attend our church. Hearing them proclaim on the bull

horn that, "Jesus saves lives," "Jesus loves you," or "There is hope in Jesus Christ," is encouraging to the older saints.

Another area we are seeing favor is in drama, this summer we preformed, "The Choice." It's a skit which deals with an expectant mother having to make a choice to

keep her child, while everyone is advising her to get an abortion.

The puppet ministry is growing as well. This spring and summer we have had a few puppet shows in a couple of different parks. The Misfits deal with issues such as bullies, fitting in, and fear. Even though the skits are filled with silliness, the puppets are still able to bring hope to those that don't have any.

Although the summer has come to an end our labor for God hasn't. This past November we had our annual Harvest Festival. It was a great time. About 75 people attended the event. We would like to thank the San Antonio congregation, our Mama church, for all their prayers. We are grateful for them. Please continue to pray for Fresno. God Bless!

Gainesville, Florida
Victory Chapel
Pastor John Taylor

Hello from Gainesville, Florida, home to the University of Florida Gators. We are excited to have our first entry into the Trumpet as we are a new pioneering work launched out of Starke, Florida.

Since getting here in October 2017, we have hit the ground running and not looked back. We

started by having a Thanksgiving dinner on the grounds in November 2017, where we saw 19 in service, 12 of which were visitors.

In December 2017, we had a grand opening/revival with Evangelist Craig MacLaughlin. Each night we saw 40-plus people in attendance with several souls added to the kingdom each night. The messages that God had for us were right on time.

In May, we wanted to make the moms feel special so we honored them with a special Mother's day service with several moms joining us that morning.

The biggest highlight of our first year was when we had our 1st annual 4th of July Family Fun Day. We had an outdoor concert, free food and even a pie eating and a hot dog eating contest. We had approximately 20 visitors that day and six answered the call for salvation. We continued that momentum with a week-long revival with Pastor Kevin Baker from our mother church, Starke FL.

Each week we continue to take to the streets of Gainesville, going into the neighborhoods outreaching. We are starting to step out and have outdoor concerts, with street preaching, and outdoor movie nights in the near future.

This past November, we had our second Thanksgiving dinner service (seven first time visitors in service) and getting ready for a three-night revival with Evangelist Craig MacLaughlin.

Please continue to pray for us as we are praying for you.

Guadalupe, Arizona

Pastor Paul Castanon

Hello from Guadalupe, Az. which is home to the Yaqui Indian Tribe.

My family and I have been here a little over a year. And we've been experiencing the hand of God upon our

Church congregation at Guadalupe, Arizona

pioneer church.

We've been having our monthly Healing Crusades with different pastors/evangelists throughout Arizona.

In September, I asked a lady in the church if anyone in her family was having a birthday soon. She said her older son's birthday was coming up. I asked her if we could have a birthday/concert/crusade for him in her backyard. She said of course, so she invited friends and family and made some delicious Mexican food. A group from Chandler rapped and Pastor Mammen preached the gospel of Jesus!

Several people were saved and four people were instantly healed by the power of God! It was like in the book of Acts when Cornelius invited his family to hear the man of God and God manifested His power!

Another notable outreach happened on Halloween night. We set up games, a movie, a photo booth and gave out candy. In Guadalupe, hundreds of trick or treaters fill the streets but everyone was avoiding our area, they didn't even want our free candy. I got very upset. So I got three of our guys, gave two of them buckets of candy and Vince and I passed out flyers.

We went down this dark road with tons of families walking back and forth to houses for candy. After walking the entire street giving out candy and flyers, I stood under the only street light, pulled out my bullhorn and began to preach with the Gospel with fire. It was so amazing.

I was nervous but I felt the pleasure of God! Little did I know that Satan's dominion was broken. We walked

back to the church and my wife said, "I just prayed with three people!" A total of 15 were saved that night!

We've been maxing out our little building with about 25-33 people on Sunday morning, so we just rented the suite next to us, giving us a bigger sanctuary that can hold up to 50 people. We're believing God for greater things.

Lastly, a 46-year-old lady that got saved in June has gotten baptised, started tithing on her SSI, threw away her Catholic idols and for the first time in 18 years got a job.

God is on the move and I'm so thankful for this glorious opportunity to extend the Kingdom of God. I want to thank my wife Kristina, also Pastor Aulson, Pastor Mammen and the Tempe church. God Bless!

ors.

In September we had Impact teams from Pastor Radersdorf's Phoenix congregation and the Band No Mo Blues from Prescott play on the float for Kingman's annual Rodeo parade.

The band also played an evening outdoor concert where we had 67 first time visitors and 10 saved.

In October we had an Impact team and band from Lake Havasu City come for the outreach for an incredible Jerry Fussell revival. We experienced great breakthroughs in attendance in every service, as well as powerful healings,

and many words of knowledge.

The most incredible part of the revival was the number of new believers who came to the entire revival, and have continued to be faithful to every service and event since the revival!

Thank you all who are partnering with us in prayer for revival in Kingman, AZ.

Pastor David Szczepanski

Hello from Jacksonville NC! We are excited about what God is doing in our church and in our city.

We are seeing God pour out His spirit on every effort to take the gospel

to the world around us.

2019 will mark the 35th anniversary of the church here in Jacksonville. As I write this report I am sensing a great appreciation for the grace that God has extended unto us, and a deep gratitude for the work of God within this Fellowship of churches wherein we stand.

We would like to express our gratitude to Pastor Mitchell and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship and church planting, and for doing it again and again!

We also are grateful to the Bullhead City church, who those 35 years ago heard the cry and saw the need to send a pioneer to Jacksonville to labor and put this church on the map. Many thanks to Pastor and Theresa Lobato, who have been faithful to hold the course and stand by the stuff and be there for us these many years. Thank You!

We are so grateful also for the pioneers God has raised up from our assembly and their faithfulness to give their all and continue to labor and hold dear the vision and purpose that's been passed on to us.

Although Jacksonville is home to the United States Marine Corps, and Camp Lejeune, the city itself has a rather small town feel, not offering much in the way of ready-made public venues or gathering places for a street outreach. But the saints have utilized some acreage the church owns and carved a trail in the pine thicket where we began doing outside Halloween walk through dramas, Christmas outreach and even an Easter outreach.

All of these draw in hundreds of souls who see and hear a clear Gospel call to repentance and salvation, whereby many decisions have been made for Christ and the church has gathered in fruit that remains.

One of the great things we've experienced in this outdoor venue is that a great proportion of the folks that come and stand in line and await their turn (sometimes well over an hour) to walk the trail, hear and see a clear salvation message, and then get preached to at the conclusion are unchurched, no bones about it sinners.

At the conclusion of the presentation they arrive in our big tent where many

workers from the church are awaiting them with tables, chairs and refreshments all in place, and sharing testimonies, witnessing, praying for them and just getting to know them and set the ground work for follow-up. Some of these converts will stay with us the entire evening and bring out family members and friends the next evening.

Once again our deepest appreciation to all we have the privilege to co-labor with in the work of the Lord. Please continue to pray for us here in Jacksonville, as we continue to take the land for Jesus. God bless.

In one night we saw more than 209 people come through with 91 people giving their lives to Jesus.

In total, for the month of October we have seen 127 souls get saved.

Disciples and couples are rising up and catching the vision with a notable shift and excitement energizing the congregation.

Keep praying for us here in Las Cruces, NM as we contend for revival!

God has been doing a lot since we opened in November 2016 - this year continues to be eye opening and exciting.

Our mother church in Woodbridge, VA had a pastoral change in the summer of 2017, with Pastor Colona returning from an overseas stint as a missionary and taking over the church he pioneered.

Within a few months of taking over he began to challenge us to find a building since we were meeting in a hotel conference room. We didn't have the finances to afford a building on our own, but the church in Woodbridge took a pledge to support us - starting in November 2017 (one

year after we opened for our first service). God opened doors and gave us a building in the heart of Old Town Manassas, right on the main road - and the land lord gave us everything we asked for without pushing back at all.

As soon as we moved in I was moved to a midnight shift and the church attendance dropped continually - but God was working in the hearts of those who stayed.

Around the time of our South East Bible Conference in Jacksonville, NC we had a sister begin

tithing. It was the perfect amount we needed to come off support - which we did in April 2018.

I was supposed to be on midnights through August 2018 but God answered prayers and I was able to get back on a day shift in

changing lives one life at a time.

These past few months have been busy and very fruitful. God has been moving for us in so many ways.

On April 5, 2018 we held our ground-breaking ceremony, celebrating the construction of our new 54,000 square foot building. In this ceremony we had representatives from Frost Bank and The Chambers of Commerce, along with family and friends.

It was amazing to see how after all these years we finally get to have a building we can call home. To start out our ceremony, we had our very own song service minis-

prizes. Even our local fire department, ambulances and the McAllen Police Department joined us in giving away small prizes, safety tips and showed children their equipment and vehicles. One of the popular attractions was Felipe's Petting Zoo.

Then we had a great performance from our puppet's ministry team. Toward the end of the show, the altar was filled with about 50 families who decided to accept Jesus Christ as their Lord and Savior. This was a sight to see. To finish off the event, we gave away 300 backpacks to children who were returning to school.

Recently we did a Beauty and the Beast play that was inspired by the beloved 1991 film. In this family-friendly musical, Beast learns the love of Jesus Christ through a girl named Belle. It was

Praising God in Manassas, Virginia

May, so we had Pastor Colona (our mother church) do a revival to launch three services a week. God honored our prayers again, and the sister who just started tithing was filled with the Holy Spirit (after seeking and praying for several months).

We had a second revival in September with Pastor Hector Rodriguez, the pastor who launched us out originally in 2016. We were able to pay for the entire revival on our own, which was a stretch of faith.

We were believing God for miracles - but we had to wait for them until November. We had been praying for backsliders, a family, a man, and finances. One family began coming in early November and is an answer to all four prayers.

God is so good! He continues to encourage us and we're excited about what is coming as we continue to press in.

Pray for us in Manassas.

ter. Then we heard testimonies from our own church members, who have been in the church since the beginning. Pastor Roman Gutierrez then gave a speech about how this church has come along way, and how there is so much more in store for the future to come.

Months later we had our annual Back to School Bash, in August. This has always been one of our biggest events of the year. This was a family fun event that featured live music great food, a lot of games and many school supply

through her love and kindness that Beast was able to understand what God has done for him, and he was able to break his enchanted curse. This was one play that we had to show again the next month. Each night was always packed with visitors and each time several souls answered the altar call to receive Christ in their hearts.

God is really moving for us here in the Valley. Continue to pray for us as we continue to construct our new building and for our baby works out in the field.

He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of love. This is what we are living out in the Church in Mesa pioneered by Pastor Richard Romero and Minnie over 27 years ago.

One couple had a vision for a Fellowship Church in Mesa, Arizona and that vision perseveres to this day.

We were pleased to announce a brand new baby work into Coolidge, Arizona in our August Chandler Bible Conference - Pastor Jesse Sanchez and his wife Mariana.

This was followed by a Revival with Pastor Artie Aragon. He brought a deep pastoral understanding and reconciling sermons, along with his gifts brought the church to its knees in repentance.

The following month of September brought us a revival with our leader, Pastor Joe (the idol smasher) Campbell. What can you say about his ministry that hasn't been said already? We love him and we are praying and thanking God for his ministry and guidance and were so thankful that he would take time out of his busy schedule to preach to us. He comes with the mind of Christ, and a word of grace seasoned with salt, many souls were saved and destiny's rescued during this revival.

Never to be outdone, we were honored to be able to host the new Super Hero play from Prescott. The excitement was tangible and the response undeniable. With so much hype around superheroes these days the public responded and Prescott brought an unforgettable message of hope that changed many lives for years to come. Everybody needs the "Jesus talk." We highly recommend it.

We just finished our 5th Annual Fall Festival. An evening full of fun,

games, live music, video game truck competition and even bullriding! We saw 500 visitors, 15 respond to the altar call and several who have returned for church services and voiced a desire to become a part of the body.

We have seen so many men step up to ministry and fulfill their calling, hardly a day goes by when we don't have an outreach or a prayer meeting. The church is active and thriving thanks to the ministry and direction of our headship; who has stirred many men to respond to the needs of the church.

We are excited to have a brand new underground building opening this November called "Breakthrough." We are looking forward to enlarging our concert ministry and drama team through this inspired endeavor.

Our prayers are with the Fellowship and the many saints that are helping to enlarge it. We will continue to persevere and strive to be a candlestick church, lit and fully aflame with a vision for discipleship, church planting and world evangelism.

Characters of Super Fairy Tale Play

The church in Rochester NY has seen incredible momentum through 2018.

This year was special for the congregation because it celebrated its 35th year of ministry! In May the church hosted a rally which

turned out to be a great time of encouragement and dignity for the local church, with guest Pastors including Pastor Eric Strutz, Pastor Chip Ganear, Pastor Jeff Beswick, Pastor Paul Campo, and Pastor Greg Mitchell.

The invitation also reached out to the surrounding churches and we had many come and celebrate with us. From that rally we also had some incredible revivals with Evangelist Hart and Evangelist Valerio.

With many words and prophecies of fruitfulness and increase, now we are seeing God's promises come to pass. Numbers of backsliders have returned, and new converts are getting revelation.

Over the summer we also took numbers of impact teams out to surrounding churches. Our main out of town outreach was our Super Fairy Tale play. It's a family fun event with the simple message of the sin inside all (Romans 3:23), no matter how good you think you are. Each time we took this play on the road we packed out vans with 30-40 people. It was encouraging for our church to see hundreds drawn and hundreds saved through their labor of love.

Another exciting breakthrough we are seeing is our youth getting a vision for ministry. Many pre-teens and teens have signed ministry standards, and they are getting into the prayer room, and now involved allowing God to use their abilities and talents.

In October we held our 4th haunted house "The Asylum." It was an incredible victory with 354 visitors and 270 saved! Since then we have seen visitors in our services, and the church has an expectation for continued growth.

Great things have been happening in South Oklahoma City, Oklahoma! God is moving in our midst. We are truly amazed at all He has done in the past year.

In April, we had a revival with Pastor Serafico Saavedra of our mother church in Amarillo, Texas. Many people were healed and there were a number of visitors nightly, growing our attendance into the 80s! He gave us a word saying he sees "the building filled to capacity and soon the building wasn't going to be large enough to hold all that God was going to do in our city."

During the summer we had Amarillo's "Faces of Meth" play. There was a tremendous response and many souls received Christ. We had 20 visitors with nine saying a prayer of repentance!

This September, we had a baptism service in which eight souls baptized! Many family members came to the service to see their loved ones be baptized. Attendance reached 89!

Our annual Fall Festival with music, games fun for the whole family, reached a record breaking 506 people in attendance! We gained many contacts through this event with a number of people saying a prayer asking Jesus into their hearts.

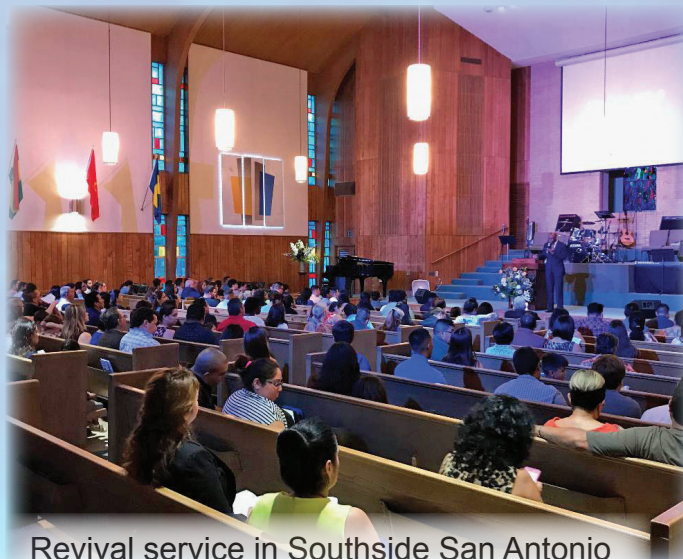

Also this year, we hosted a haunted maze in the backyard of the church. More than 280 people come through! We brought people to real life scenarios at each turn in which they ultimately have to make a decision to change their ways or continue lost in the maze of life. Over 130 gave their lives to Christ that night and we are continuing to harvest the souls into our church.

God is continuing to do a work in the Great city of Oklahoma City! We are making a mark here and moving forward to win the whole state for Jesus!

Greetings from South Side San Antonio, Texas. We have had a great year of victory and fruitfulness.

We began the year by sending 15 people to the January Prescott conference. Immediately after, we had a revival with Pastor Mitica Draghichi from Romania. He brought such a fresh and unique perspective on the Gospel being that he got saved as a teenager and later sent out as a young man in Romania.

Revival service in Southside San Antonio

In February we had a timely revival with Evangelist Jerry Fussel and saw many decisions and visitors every night. In April we held our 5th annual Harvesters Homecoming. Pastor Gordon started it off and preached on this year's theme, "Handfuls on Purpose." Many of our pastors under us were able to give timely words.

Our main speaker was Pastor Mark Aulson. He gave a word in due season and challenged the church this coming year.

In June we were able to send 16 teenagers to the South Texas Believers Boot Camp. Many of the teenagers came back stirred and

on fire and began to do their own outreaches. The week immediately afterwards we sent 17 people to the Tucson Bible Conference. All of came back on fire as we went into our summer outdoor concerts and movie nights.

On Monday nights we had the young disciples lead outreaches and concerts in apartment complexes and saw many conversions and healings take place.

In the end of June, we had a powerful revival with Evangelist Kris Hart who ministered in the word of knowledge and encouraged the church.

In July, Pastor Gordon took a pledge to start buying our building. God began to move as many of our

church members found creative ways to earn extra cash to give to the building fund. Some ladies began doing yard sales, the teens began cutting grass and selling bikes and couples began to give from their savings. In the end we were able to raise more than \$66,000 to begin purchasing

our 55,000 sq. ft. building and remodeling the sanctuary.

In August Pastor Gordon challenged the church to do a 40-day fast. We had church members taking turns praying and fasting each day out of the week for 40 days.

During this time we saw many breakthroughs, with backsliders and visitors getting locked in. We also saw many people get jobs and promotions.

One brother testified that his job told him that he was accidentally getting a dollar less per hour for the last year, so they gave him a check of all the back pay for the last year.

One couple in our church was

praying for finances and trying to have a baby for the last year. Right after the 40-day fast the wife found out she was pregnant, and her sister blessed them with a car.

In this year's South Texas Bible conference, we were able to launch our 2nd international work to pioneer a new work in Asia!

Immediately after the conference we had a revival with Evangelist Mike Gomez from Colton, California. He gave timely words of knowledge and encouraged the church. We saw many visitors and new converts were filled with the Holy Spirit. We held our annual Haunted House and Fall Festival, in which we saw 54 people saved!

We are pressing in for revival like we never have before this coming year. Continue praying for us as we take the world for Jesus.

Greetings to our fellow laborers in the Gospel from Tucson, Arizona!

It was Dec. 16, 1973 when Harold and Mona Warner came to Tucson to take over a struggling, dilapidated Foursquare Mission Church on Veterans Blvd. As we look back on all that God has done since that time, it would take volumes to record, but to say the least, God has been good.

He has built a thriving church and Conference Center that is touching the nations. We are celebrating our 45-year anniversary by entering into a building project for a new sanctuary on our existing property. The orchestrating hand of God to bring this all together was evident as we ventured out to do this.

This new sanctuary is needed because of the growth God has graciously given us over the years. We are now having double services on Sunday morning and our new sanctuary will enable the whole church to meet together again in one ser-

vice, and also facilitate our yearly Bible Conference. This has been a desire of everyone here, especially Pastor Warner.

God has given us a great season of fruitfulness and momentum since announcing our plans to build. As I write, we just completed our annual Halloween outreach where we typically do different plays. This year we did "Judgment Day," which

Earlier in the Fall we hosted our 15th annual Youth Convergence featuring Pastor Jonathan Heimberg from Gallup, NM. We had more than 600 in attendance and the altars were filled with young people from several states getting saved and rededicating themselves to God's purposes for their generation.

Vision Unlimited is the name of our Youth Ministry, and it has been a key ministry in our church to help make disciples and train pastors who are now functioning in the harvest field. Our fall play "Judgment Day" was 80 percent young people, most of them were disciples of this ministry.

We had a wonderful revival with Pastor Neil McCann from New Zealand. The report from the church was it was a "unique" move of God. There was a notable presence of God and prophetic edge as Pastor McCann preached on the rapture, other eternal themes, and giving his testimony as well. His wife Ann-Marie was able to come with him also, and their open hearts

and desire to fellowship with the saints was a great blessing and well received.

As we look ahead to our building project, we ask for your prayers. We

know that future breakthroughs are met with temporary resistance, but Jesus always leads us in victory.

One final note is we are deeply grateful to Pastor Mitchell and The Prescott Church for their step of faith and investment in sending our Pastor and Mona here, without that, who knows where we would be? We are also thankful for Pastor Greg Mitchell and the legacy and vision that is continuing in our fellowship, being perpetuated by you all in Prescott after so many years.

Santa Rosa, California **Potter's House** **Pastor Dominic Tedesco**

Greetings from the church in Santa Rosa, CA! God is on the move in our city and we are taking dominion in what God has promised us!

We have seen the mighty hand of God move this year, not only in our church but in both our baby churches in Rancho Cordova and Vacaville, CA. From revivals to street preaching, healing crusades and concerts, we have seen people touched by God by getting saved and healed in miraculous ways.

This summer we were able to take music and dramas into new neighborhoods that we've never gone to before, including one neighborhood that was directly impacted by the wildfire our city had last October. People were open and willing to listen to the gospel!

We also have been going into a local mission that serves homeless men and women and have seen a tremendous response in those monthly outreaches! On average we preach to groups of 30-50 men at a time and see at least five to 15 of them respond to the call of salvation at each altar call. It's a powerful open door as most of these men are just broken and in need and we have seen many of them come out to our church services through this ministry.

We also had a Haunted House this year where we did a drama on suicide. Over the two-night event we saw about 140 people come out and 80 of those visitors respond to the altar call! Most people who came through were grateful for the message about suicide and the hope Jesus gives us in salvation. Many stayed in the fellowship hall to chat with us after they saw the drama presentation.

Praise God for what He's doing in our city! Please pray for us as we continue to labor in Santa Rosa. We have our eyes set on winning our city for Jesus!

Southwest Houston, Texas **Potter's House** **Pastor Robert Correa** **Corres: Jacky Guidry**

Greetings from the Southwest church in Houston, Texas! We would like to take this opportunity to share the great things God is doing in our city.

This winter we begin with our Home Bible studies with four in total spread throughout the city. One couple that's newly saved has taken the leadership role in leading a teen Bible study. The Lord is doing a powerful work not only the hearts of the teens but also doing a miracle in the couple that's leading.

In the month of September several people were able to go on an invasion team to Queens, New York. From the very first day of outreach people were open to prayer and stopped to hear the

gospel. After our daytime outreach we gathered at the train station in Jamaica Queens NY to street preach. Out of all the years being saved I have never seen so many people give there live to Christ on a street meeting, and of all places New York. This was a miracle to see! Every night of the revival souls was saved and lives changed. The people of

New York are open and eager for change in their lives.

In October, we presented our annual Halloween play and Fall Festival. We want the the Lord for the faithful men and women of God who continually give themselves to practice for weeks and serving.

The play called "Trapped" ended up being very fruitful. Souls were saved from the powerful altar call that was preached. Immediately following the play, a storm caused the power to go out on the entire block. The people of God still continued the Festival by candlelight, flashlights, and vehicle lights.

In early November, we had Pastor Craig Wielder in Revival. This is exactly what the congregation needed. We saw numerous lives touched and healed, financial strongholds were broken, and miracles followed after the preaching.

A young man for the first time stepped out in faith and prophesied in tongues, and a new convert immediately saw breakthrough the very next day, glory to God!

For the month of December, we are preparing for our yearly Christmas play and "No Talent got Talent contest." Please keep SW Houston church in your prayers as we pray for you.

God is moving in Las Vegas, New Mexico, our small city of 14,000.

We began the end of the year with our 6th annual Bible Conference, themed "Changed Lives Change Lives." God has used our congregation to launch out many couples with 21 churches functioning nationally and eight internationally.

Two new works were planted, one into Garden City, KS; and the other one into Tokyo, Japan. Also in our conference five changes took place and one evangelist was announced. Our main speakers this year were Pastor Harold Warner from our mother church in Tucson and Pastor Gary Marsh from Glendale, Arizona. The conference body was challenged to rise up, to make a stand, and to believe God for a supernatural work in these last days.

For Halloween, we had our children's church perform "Willy Wonka And The Chocolate Factory." We had several visitors in attendance and one precious soul who gave his life to Jesus. We also sent one of our bands and an outreach team to one of our outreach churches in Mora, NM. Several people prayed for salvation on the outreach. Several people attended the concert and some prayed to receive Jesus. Glory to God.

In November we had special services with Pastor/Missionary Brandon Pepich from Prescott, Arizona. He testified about God's supernatural work in their lives and ministry in China.

We also had a very timely after Thanksgiving revival with Evangelist Kris Hart from Prescott, Arizona. We had several visitors with some responding to salvation. Many right-on-the-money life saving words were given to many indi-

viduals who needed to hear a word from God. They were encouraged to go after the words given so that they would come to pass in their lives. Also several people were healed through the laying on of hands and some by a spoken word from the pulpit - "God is healing you right now." The Holy Ghost descended upon our congregation as many were filled and refilled with the Holy Ghost!

Greetings from Springfield, Oregon. It is a pleasure and privilege to serve God in the days that we have, around brethren and under headship that believe in discipleship.

We serve a mighty God who is in the business of saving souls. After having launched our second baby

Disciple prays for back pain to be healed during mini-Crusade

work into Seattle, Washington, we have sent invasion teams up several times to help and partner with them. Not only did we send teams to help Jed and Elaine Matthews in Seattle, we also helped our baby work in Medford, Oregon pastored

by Thomas and Amanda Freitag. God is on the move in all three of our cities and bringing revival to our land.

The 4th of July was an exciting time as well. One of the brothers in the church was inspired to hold a Miracle Healing Crusade in a neighboring city. Eight souls were won to Christ that day and several notable miracles were done.

One lady who had part of her vocal cord damaged was able to speak clearly and without pain. Another man had lower back pain, and one of the disciples who had never prayed for a leg to grow out got the opportunity pray this prayer; and to watch and feel this man's leg noticeably grow out.

Our annual Haunted House was a great time in which lost souls were boldly and personally presented with the gospel of Jesus Christ.

The theme "The Devil Within" was a way in which to show visitors how the devil is within each one of us and shows himself through our sin.

Throughout two nights, we saw approximately 187 visitors come through and roughly 60 make decisions for the Kingdom of God. In our follow up meeting that Sunday, many loyal members were present and willing to the task of seeing these souls make it for Jesus.

In our regular church services, we are steadily seeing visitors who are making decisions for God. We are taking dominion in our streets through door-to-door evangelism, Friday night street meetings and personal one-on-one witnessing.

Springfield is a city ready for revival, and to harvest the seeds that were planted. Continue to pray for us in Springfield as we fight the good fight for our Lord and Savior, Jesus Christ.

In the month of July, some members of the church were baptized in Lake Pleasant. Some of them, young people who were born in this congregation and now in their teens take this step of obedience and faith. All these youngsters went to a miracle crusade that took place in Oceanside, CA with Pastor Wayman Mitchell.

It was a great blessing for these young people to see how God moves in people.

On the day of Halloween, we had a Hallelujah Night at our church which was organized to reach our community and our neighborhood. We had games, prizes and sweets in addition to a piñata for all the children. We had about 60 visitors, believing God will move in all of the people who were there.

Keep praying for us and we will continue to pray for you.

Hello to all of the brethren... here are a few recent highlights.

In September, Steve Bowman preached a Saturday Youth Rally and then our youth outreached all day, culminating with an evening park concert with Dopeless Hope Fiends from Prescott. Twenty souls were saved in that day-long effort! Brother Bowman then preached an outstanding revival for us in which all of the services were saturated with the presence of God and there was a great liberty of the Holy Spirit to speak to the saints. We were very much encouraged and edified through our brother's ministry!

Our four night Halloween outreach event, Madhouse, was a tremendous success! The joint effort of all our folks made the whole thing possible - set up, behind the scenes, technical, invi-

tations, ushers, kitchen, acting, preaching, follow up and clean up equaled a truly amazing display of the Body of Christ in action! The Holy Spirit anointed and we had 433 visitors with 163 praying to receive Jesus Christ as Savior!

Immediately following we had a revival with Kris Hart. God used our brother greatly in preaching and words of knowledge - which brought a fresh dimension of fruitfulness, dominion, and the supernatural.

Each service was marked with great liberty in worship and much-needed refreshing for the saints. We had several visitors from our Halloween play attend and keep coming back. We also saw a number of backsliders make a clear choice to repent and saw God powerfully save/restore them. We are shouting the victory!

As always, we are deeply thankful to our headship and mother church in Prescott! May God bless you all and give our Fellowship revival!

Greetings from the Potters House in Grants New Mexico! This year we are celebrating the 40th anniversary of the church!! We are so grateful to all the men and women who have sacrificed and contributed to the advancement of the gospel of Jesus Christ!

To celebrate, our music scenes have been in a 70s theme, we decorated with things invented in 1978 (Space Invaders). Our songs, along with the tie-dye have been evidence of the celebration.

This year we have seen God really strengthen our church in outreach. Two of our teens jumped a wall to witness at an apartment. After praying with a lady in a wheelchair, she rose and began to proclaim the name of Jesus, saying, "My knee! I can walk!"

One afternoon, two men from the church noticed a man who appeared to be in his 80s just outside the church in his wheelchair. This man had never heard the gospel! Shortly afterward, that man gave his life to Christ!

We recently tore down, and rebuilt our 4th of July float, and proudly demonstrated the love of Jesus Christ to the town of Grants. Our band, "Keeping it Real" performed, while the teens walked alongside and passed out flyers.

This past September, the church celebrated 40 years in our annual Harvesters Homecoming. The Grants Potter's House has sent out baby churches, grandbaby churches, and great-grandbaby churches! We currently has a total of 17 churches sent out!

Without church planting, discipleship, perseverance, and God's blessing, none of this could have been possible. On Friday night, our church building held more people than ever before! We had over 300 people in attendance!

Keep praying for us in Grants as we experience our most fruitful harvest yet. God Bless.

Hello from Adelaide Enfield South Australia! God is helping us here and encouraging us in working in miraculous ways.

Last year in November we relocated from our building in Prospect one kilometre away into the area of Enfield. The building is on the main highway and has its own carpark. Since then we have seen a steady stream of visitors and souls added to the church.

We had our first Holy Ghost revival in January with Evangelist Steve Stephan, seeing many miracles with numbers of visitors and decisions for salvation. This was an outstanding time that built momentum from service to service with record numbers in attendance!

Then Pastor Alberto Desepida from Manila preached, consolidating the church. We also had Pastor Paul Graham from Willetton come minister in music and preaching.

One of the ladies in the church requested prayer for her baby grandson who was facing kidney surgery. Thankfully God did a miracle and he recovered fully.

Our Adelaide conference was in October with the theme "Moving Forward." Deuteronomy 31:8 NKJV. *"And the LORD, He is the One who goes before you. He will be with you, He will not leave you nor forsake you; do not fear nor be dismayed."*

Our guest speaker, Pastor Tom Payne, ministered, bringing great encouragement and direction to our lives.

Finally in November Evangelist Pat Brick from the United Kingdom preached, and we saw many signs and wonders rapping through the word of God! With a different dynamic we saw

every service increase in numbers.

Now that summer is upon us we look forward to all that God do and the increase He will bring. Many thanks for all your prayers and encouragement.

Almeria, Spain
Potter's House
Pastor Alberto Maleno

Greetings to everyone from Almeria, Spain. Last September, we had the honor of organizing the twelfth Healing Crusade in Almeria with Pastor Wayman Mitchell.

I want to tell you that after many years of sowing with tears and making a large investment, we have begun to see great results.

On the one hand, the impact we have made in the city. We are known as a church which has a message of hope to the sick and the sinners. Many times, we receive phone calls and are asked for prayer for sick people.

On the other hand, the Church of Almeria is not the same after these years, we have not only grown numerically, but our disciples and brethren of the Church have developed a culture of faith that contends for divine

healing.

In this year's crusade, we saw more than 70 people receive the Lord Jesus, and we have testimonies of healing.

I want to talk about Eva, who was saved in the crusade of 2017, having lived a life of terror with 26 suicide attempts. Pastor Mitchell was praying for women who had lost sensitivity by a caesarean section, and while he prayed for her, she received an instant miracle. After the crusade, Eva went to an eye doctor, having suffered poor vision for many years, in which the doctor gave her a written report of perfect vision.

When we asked Pastor Mitchell what he thought about this, he declared: "Evil spirits do not resist the power of

Blind man receives sight in Almeria!

the blood of Jesus.”

People with hernias, asthma, muscle pains, deaf ears, allergies, lumps or deformations on their bodies - all have been healed.

Finally, I want to tell you one of the biggest miracles that we've seen. Juan Cesar had been losing his vision for 25 years. He had been totally blind for five years.

Juan Cesar refused to climb the platform because he thought that he would not be healed, and he didn't want to embarrass the pastor in front of the people. At the end of the crusade on Sunday night, he came up so that a pastor would pray for him because he had a severe back pain.

After praying, Juan Cesar received a miracle in his back, yet pastor Jan Venstra of Holland, with great faith, removed his dark glasses and began to pray for Juan Cesar's eyes. After the prayer, our brother began to see, and he could identify the faces of people for the first time in his life.

This miracle has forever changed our congregation, we saw our brother walking with a stick that blind people use and we now see him walking without a stick and without his dark glasses.

I want to thank Pastor Greg Mitchell, and the Prescott Church for believing in and trusting in us, as well as for the financial support to make this Healing Crusade possible.

I want to also thank our amazing Pastor Wayman Mitchell, for his dedication, consistency, exampleship, and wisdom in leading Healing Crusades.

Finally I want to thank Pastor Nomdo Shuitema, Pastor Nigel Brown,

and Pastor Ovidiu Rusu for their support for our fellowship in Spain.

The years pass, but the words remain the same “Without you, it would not be possible for this crusade to take place.”

Continue praying for Spain, we have 12 churches, and we will go for more.

Antsirabe, Madagascar Potter's House Pastor Nathi Hadebe

Greetings from Antsirabe, Madagascar! We took over this precious work mid-September from Joe and Amber Balleau and what a great privilege it is to represent our fellowship here in Madagascar.

We hit the ground running, spread-

ing the Gospel and seeing lives transformed for Jesus. In people who are fearful for nature, God is challenging young men and couples to be daring and bold for the Gospel.

Weekly outreaches, street preaching and

door to door outreaches have created hunger for local evangelism. We recently challenged the young men to bring us to new areas in our city. Some of the places were untouchable and unreached, where no one wants to go, but where the Gospel is desperately needed.

In two recent outreaches, we had a number of people respond to the gospel and come to our services the next day. Many of these have locked in and are coming regularly. Praise God!

We have also targeted the youth through specific outreaches and we had our first concert in the church. Our music groups put together some songs and their own drama. At the end of the concert, eight people got saved. The youth are excited and stirred up for Jesus!

We recently had a baptism with our baby church and eight people were baptised. Last Sunday, 12 people were filled with the Holy Ghost. God is moving in Antsirabe!

We have been actively challenging the folks to follow up and bring the unsaved. God is rewarding His people and unsaved family members are coming to Jesus.

Last Sunday the church was challenged and there was a call for people who feel called to preach the Gospel. There were eight couples that responded, seven young men and a number of ladies that responded.

Antsirabe church outreach team

We are so thankful for Pastor Mitchell and Pastor Greg and Lisa Mitchell for trusting us with this precious work and giving us the amazing opportunity to reach Madagascar for Jesus. A heartfelt thanks to the Prescott congregation and those who partner with Prescott to give to world evangelism.

We are grateful for Pastor Ron and Kathie Banet, the Eldorado Park church and the South African fellowship for investing in Madagascar as well. Thank you to Joe and Amber Balleanu for all your labours here in Madagascar!

Greetings from Atlantis, Cape Town, South Africa. We have really seen the power of God helping our congregation.

New people have been added to the church. Many see Atlantis as a lost city where lives are broken, with gang violence, prostitution, and high unemployment rates.

The Potter's House saints are reaching the community with evangelism and street preaching. We have seen ex-gangsters, drunkards, and the bro-

Atlantis where we have Friday Night Home Bible Studies. Our Saturday Night Movie outreaches into different areas also have been fruitful, with big crowds and many saved.

In Revivals with Pastor Hector Ortiz and Pastor Cheslyn Solomons, the Holy Ghost came down and visited us with timely messages that stirred and challenged the congregation. Many were saved and filled with the Holy Spirit.

We would like to thank Pastor Hector Ortiz for his leadership and support, Pastors Campbell and Mitchell for the vision. We look forward to all that God is going to do in the year 2019. God bless.

Greetings from Koramangala Church, Bangalore, India. Excited to share what God has done in this year 2018, Right after the India Bible Conference 2017 we have moved into a new spiritual dimensions.

We had total five powerful revivals by different pastors, Evangelist Jeremiah Wacker, Pastor Andrew Cota, Pastor David Elhers, Pastor Packia Raj and Pastor Gary Monnes respectively.

All these revivals are very unique and a great blessing to our congregation. Through these revivals we have seen nearly 70 first time visitors and 114 decisions for salvations and rededications and many more of healings and miracles. The first revival by Evangelist Jeremiah Wacker gave great momentum for the rest of the year. The preaching was so timely and broke all spiritual barriers in the church.

Nine people were baptised. One young man is from Hindu Brahmins. He powerfully got saved and is serving God in spite of opposition from his family. Eleven people were filled with the Holy Spirit, and we witnessed many notable healings and miracles in different areas of life witnessed.

We had a Christmas program inviting all non-Christian friends and relatives. We had nearly 110 people attend and eight people responded to the altar call for salvation.

We had a live street Christmas concert for two days in a row, and hundreds of people heard the Gospel as they passed by. We offered Christmas cake and coffee, and people were able to stand and could listen to the Gospel.

On Good Friday evening we had street preaching and drama and saw eight people respond to the al-

kenhearted saved by the blood of Jesus.

We had a water baptism in November with eight new converts. Disciples are rising up and taking the streets with the confrontation of the Gospel.

We have seen fruit from our labors in two neighboring communities out of

Greetings from Beechboro, Western Australia. We bring a great report about all that God has done.

In the last few months our one-on-one evangelism has been very fruitful. On week nights some converts have been inspired to spontaneously go witnessing, going into the streets of Perth City. Our planned midday outreaches have also been

successful. One disciple prayed with 48 people in one month!

During winter our main outreach is the One80 concerts on Saturday nights. A standout show was a "Where's the Soul" Tribute night.

tar call. The next day we had the Passion of the Christ movie, and the place was packed. Twenty-six people responded to the altar call.

The next day, we had a drama, Time Machine. Again, the place was packed with more than 100 visitors and nearly 32 people responded to the altar call.

We have a special program every month focusing on students in which we address youth issues and share the Gospel.

Outreaches and Saturday scenes are so fruitful. Many men and women are reached with the Gospel. We have full music and drama teams and committed disciples who stay on the job on every outreach. This year we were able to do 12 impact outreaches in different churches to especially support pioneering churches in evangelism.

We hosted a healing crusade in September with Pastor Raj in Shillong, the North East part of India. We partnered with our mother church and other fellowship churches and we saw a powerful time of revival with nearly 75 people saved and more than 40 instant and supernatural healings.

We had first time International impact in an outreach into Nepal in the month of November. We had a great time of impact in local churches. We preached the Gospel in the streets through music and dramas and saw 15 people respond for salvation, with the support of the Kathmandu church pastored by Paul and Amy Arps.

We launched out another cou-

ple, Prabhakar and Prathyusha, to take over a church in K R Puram in Bangalore from the mother church in Cox Town in September

The church is growing in the word and number, disciples are multiplying and rising up and moving forward in building the kingdom of God.

We thank Pastor Raj and Sister Samantha for their continuous support and guidance and also thank our mother church in Cox Town, our baby churches, and our Fellowship churches and pastors for joining us in reaching this part of India.

We thank international leadership pastors for impartation and vision for the nation of India. Please continue to pray for the church in Koramangala.

Along with the music, we made our own Ray Comfort-style video that presented the Gospel powerfully. Another One80 we took to the streets of our downtown area and 12 were saved. In total over the winter we have seen 252 decisions for Christ!

Last month for Halloween we did Heavens Gates & Hells flames. It was a big task preparing a huge drama set, cast and crew in only three days, but well worth it as on the first night the building was packed out and we saw 14 decisions at the altar. Every night was fruitful and by the end of four nights 50 people were saved.

To keep the momentum going, we did a follow up dinner at the end of the week with 40 new converts

in attendance.

Then it was into revival with Pastor Greg Mitchell. With many new faces in attendance the church was buzzing. Pastor Greg Mitchell's ministry was an absolutely awesome time with new converts filled with the Holy Spirit, Words given and the congregation greatly encouraged. A big thank you to Pastor Mitchell for blessing our church.

Right now, we are planning ahead for our summer outreaches and are praying for a huge harvest. Please keep us in your prayers.

Thank you Pastor Mitchell for the impact you have made in Australia, we are very grateful for the leadership of Pastor Tom Payne.

Greetings from Bern, the capital of Switzerland! We are happy to be able to give a good report of what God has done in this year.

In November we celebrated the 10-year anniversary of our church while having Pastor Rusu, the pastor

Ploiesti who have faithfully sent a team every year. You have contributed to the salvation of the people in our church and of many more still to come.

Switzerland has become very multicultural as many immigrants from all over the world are coming. This gives us the opportunity to reach many nations through these people. As of now, we are counting 15 nationalities who are regularly represented in our services.

We were very blessed with pastors and teams from Germany, Romania, England, Holland and Pastor Lamb from America who came to help and preach for us this year. We're thankful of our fellowship and it's leader-

church. In two weeks from now we will baptize another five people.

Also new converts are catching the vision and are preparing to one day pioneer themselves. There's a group of seven men who meet early every Sunday morning for Se-

rious Men's class. They want to learn and to be involved.

In fall we began two Bible studies of which one is lead by an immigrant from Nigeria who's married now and wants to become a missionary, too!

We can't wait for our room to become too small for us but we also need God to prepare another one for us to be able to grow. We want to see more people saved, healed, delivered and filled with the Holy Spirit!

Praise God for His work in Bern!

God is working in our nation! In June we were challenged at our International Bible Conference by Pastors Wayman Mitchell and Sergei Golubev, as well as by the local pastors, to keep the fire burning for the things of God.

Life giving ministry, a new fresh pouring of the Holy Ghost, together with decisions taken at the altar made the conference a big success. The end of the conference marked the beginning of a brand new work. We sent a couple to pioneer in the city of Craiova. Immediately they found an apartment and a church building and begin to outreach almost every day on the streets. The response is great, and many people have already gotten saved!

of our mother church, preaching for us. It was overwhelming to see the work God did and how he changed so many peoples lives.

We want to thank all the pastors and teams that have supported us in this initial stage of our church, especially the church from Brasov and

ship to us.

One of the highlights in 2018 was our impact team to Frankfurt, Germany with 16 people. We saw seven people saved and a Bulgarian family from that revival got baptized just a few weeks after that! This impact team kindled a new fire in our

Many people got saved already. Visitors are regularly coming to church services, movies and concerts.

Recently we sent an impact team from Brasov. After outreaching the whole day 15 visitors showed up in the evening for the concert. That day we saw 15 decisions for salvation.

In September we had a powerful revival with Pastor Paul Stephens. Every sermon was anointed, visitors came to

Pastor Stephens preached a sermon called “The art of healing,” and the man came to be prayed for. The next day he had to drive to some other cities a total of 1,200 km. At the end of it he had no pain at all. That was the evidence that God did a miracle.

At our annual men’s discipleship in October we had Pastors Jonathan Heimberg and Angel Morales preaching for us. About 150 men attended,

interested to gain insight in discipleship. We spent much time around the guest pastors, asking questions and receiving excellent insight. We felt that this time made a difference for all of us.

Cristi Caramidaru for his support and leadership, for believing in us and helping us every-time we needed it.

Bucharest is a big city, with more than three million souls open to the Gospel. We are pioneering in a neighbourhood very popular for its gangs and many addictions of drugs and alcohol.

We had our official opening on April 1, with fellow churches from Romania coming to help us. In the next weeks after that we continued to reach out on the streets with a strong desire to see people saved. We worked hard to see visitors in our church. Our mother church helped us with many concerts and other events that proved to be very fruitful, as we still have people coming to church from those activities and currently we work with around 15 people.

The entire summer we went into different parks, showed movies and at the end we preached an altar call, saw people saved and visitors in church from these evangelisms.

Last October we had a revival with Evangelist Edwin Jonkhout from Holland. He thought us alot in the area of healing and praying for the sick on the streets. In this revival we saw more than 100 people healed and 40 saved, the majority of them on the streets, being watched by many witnesses.

We also went in front of the church with two chairs right before every revival service. The evangelist was sitting in one and invited strangers from the street to sit in the other chair so he could pray for them. Many people

We thank God for our Fellowship and the example we have in our churches and in Pastor Mitchell. Please pray for us as we continue to work hard to see souls saved in our city and our church grow.

God bless you all!

Cali, Colombia **la Casa del Alfarero** **Pastor Juan Fiffield**

Greetings from Cali Colombia. We want to share a report of what God did during the last couple of weeks as we prepared for our first Revival with Pastor Diego Galvan.

On Friday October 19, we presented the drama "El Chavo Del Ocho" brought to us by our sister Churches in Bogota. A total of 32 people responded to the altar call and it was the first time we saw this number of people pray the sinner's prayer.

There was a Holy Ghost atmosphere and it was a tremendous time. It was a great turnout and people wanted to take photos with the play characters.

The following day, we had scheduled a 7 p.m. healing crusade at another park near the church, with Pastor Galvan. When it seemed as if the rain wouldn't stop, the chair rental people did not show up with the chairs and it seemed as if the whole thing was going to be "washed out," no pun intended.

God once again showed himself faithful. Just around 6:30 p.m. the rain stopped, we were able to borrow some chairs from the president of the "junta comunal" (Neighborhood Association) and little by little people began to come. We had about 30 people in attendance and 11 of them responded to the altar call and tangible miracles took place.

We followed the Friday drama and Saturday healing crusade with reviv-

al. Pastor Diego Galvan came and preached our first full revival and we had first time visitors in every service, timely words were given and it seemed that we have begun to turn the proverbial corner here in Cali.

Thank you Pastor Mitchell and Pastor Greg for the vision imparted unto us and thank you Prescott Congregation for the investment you have made and continue to make in our lives and on the Nation of Colombia. Great is your reward and we count it a privilege to represent our Fellowship in this Nation.

Cape Town, South Africa **Potter's House** **Pastor Robert Polaco**

Greetings from Cape Town, South Africa. I bring you a good report of what is happening in Grassy Park, Cape Town. God, like always is faithful to bless our Labor.

I dedicated most of the month of February to preaching, teaching on God's perspective and plan for marriage and the home.

I preached a week long Family Revival touching on marital roles, the single life, and parenting. God has and is bringing healing and hope to families and singles in our church.

The month following, we had a very timely revival with Pastor Joe Zeable, bringing a much needed dimension, with insight on the providence of God. The revival was well attended and the saints were greatly encouraged.

Our Harvest-er's Homecoming in July had such a sense of expectation and excitement. Every year there is a notable difference in the level of preaching of our men as they are growing and developing in the ministry.

We were experiencing a

kink in the hose, in the way of church growth. Though people were praying to be saved in our outreaches, personal witness, and our weekly concert, souls were just not sticking. I challenged the church to one day of fasting and a time of prayer at the church on Tuesday nights. Focused Fire was our rallying cry, contending for conversions and backsliders to be restored.

It was very obvious to us that God was doing something tangible. People starting coming in, getting saved and sticking. We begun baptizing folks, our Foundations of the Faith (new converts class) was growing, and recently we had six new believers complete the 12-week study.

We have had three weddings this year. Two of the couples had recently been saved and wanted to do right.

Our Youth Convergence was a stirring time for our young people. We had approximately 160 young people come and hear music and testimonies and after the altar call was given, six of them responded to the appeal given, and nine of those who attended were baptized with the Holy Spirit, speaking in tongues. It was glorious.

We had four baptized in water recently, all of them are moving forward for Jesus.

One of our couples fired up a young people's Friday night Bible study, "Vision Unlimited." They have 25-30 in attendance and are being challenged, dealing with current issues that young people are having to face today, providing them with a Kingdom perspective, answers and the hope of making impact.

In September we were able to bring

our couple who are missionaries in Kinshasa, Congo back in for our South African Conference, He preached in one of our services and God moved upon hearts, I got good feedback about the sermon helping them, being timely and anointed. Folks were encouraged to see one of their own rising and being used.

We are seeing visitors coming in, some are coming back and are wanting to get saved. We have seen a number of people who rededicated their lives to Christ, and had an impact on many of their family members, and they too have come in, and are now serving God together. We have seen some radical conversions, lives transformed from Gangsterism, drugs and alcohol to living a new life in Jesus, in church, Bible in hand and joy in their hearts. God is so, so good!

My wife, Jacque and I count it a great privilege to be a part of what God is doing in South Africa.

Testimony

Ivahn Nico Bester

From Pollsmoor Prison to the Potter's House - My name is Ivahn Nico Bester, also known as "Billy," born March 17, 1989.

Growing up was difficult without a Father. He died when I was only six years old. Dealing with my pain, I was always trying to fill that empty space by doing wrong things. I started doing drugs at age 13, and that's when I decided to drop out of school.

In trying to feed my drug habits, I became a watchdog for a drug lord at the age of 16. He was well known in the ghettos of Cape Town. I got paid every Monday and got free drugs every night. It felt good at first. I didn't know the plan Satan had for my life.

My mother, out of concern, moved our family to another neighborhood, hoping for a better future for her kids. After the move, I found myself having to prove myself in this new location. I joined a gang called JFK "Junky Funky kids." They are a notorious gang among many others in the Cape Flats. JFKs have earned a bad reputation throughout. Having done my share of bad things, I look back

and wish I had met Jesus at an earlier age, as He really did have a plan for my life.

As I was in and out of prison, the gang was never there to help with paying for lawyer fees, and so in prison, wanting to make a name for myself, I joined what is called a number gang, called the "27s." In order to get into the gang, the initiation required that you kill/take blood. I worked my way up the ranks, and thinking I would never get out of prison because I had seven court cases pending, this made me give up on life.

Then things got worse. While I

was in prison, I got a call informing me that I lost my brother, He was shot and killed by a rival gang. I was bitter and cold. I vowed to get out and take revenge, to kill their families and make them feel the same pain my family was feeling, but I had to wait for my pending cases to be processed.

Then one day a man came to preach the Gospel in prison, I was a backslider under conviction, accepted the message, and got saved. I could see that God was being merciful to me and I began to see that most of the cases against me were being dropped.

I only had one case pending and was able to post bail, and got out of prison. But once I got out, I found myself back to my old lifestyle, in the gang, smoking and selling drugs out of my mother's house. The relationship with my daughter, who was also living with my Mother, was not what it was supposed to be. I was not able to show her love, because I had none to give, and I knew that the only way I could love her was to have the love of Christ back in my heart.

I was driven to take revenge, looking out for the gang that killed my brother. I couldn't sleep at night, this was consuming me.

Things took a turn for the worse when my own gang turned on me. They beat me up and were ready to kill me. While I was laying there, I looked up and cried out to Jesus, "If not now, then when. I need you to save me!" No sooner did I pray that, than three police vans pulled up and everyone ran.

I made my way to the hospital, and after I somewhat recuperated, on May 10, 2018, I made my way to the Potter's House, where I gave my heart to Jesus and received the love that I could now pass

Billy Bester in his gang days

Billy today, married and living for Jesus

on to my daughter.

My life radically changed. I could forgive again. I got a job. I went to trial for the last case pending and it went well for me.

On the 9th of November I was able to marry the woman who has stuck by my side through all the insanity. Today we are both in church, serving the Lord with all our hearts.

If you are at a place where you feel that God is too small compared to your problems, think again. Jesus is the Way, the Truth and the Life.

Of Jesus Christ!

September held our Central Visayas Bible Conference themed "Surrender and Sacrifice." Invited international speakers were Pastor Dave Stephenson and Pastor John Mureless. There were nearly 700 believers who attended the seminar. Powerful sermons were imparted on every service challenging all believers to fight through prayer, to spread the Gospel and vision; and to fully surrender and sacrifice to God's calling. On last night, five couples were announced.

October held water baptism. Six new converts proclaimed to follow Jesus.

In November, we had an impact team to our new daughter church. Outreaches and outdoor film showings were made. People responded to the altar call and received Jesus in their hearts. Sick people were also healed on that night.

Currently, four new churches have started in Central Visayas Region. There are 53 churches planted with more newly announced couples to start in God's time. God has ordained us to bear fruits for His glory.

We thanked Pastor Wayman and Greg Mitchell for spreading God's vision in every nation. Please continue to mention us in your prayers as we also continue to pray for you

Greetings from
the Potter's
House, Chennai. We
are excited to share
what GOD is doing in
our city!

This year has been a fruitful year of great testimonies of victory that God has won for us. We've had an outpouring of revival in our church throughout these last several months! God moving powerfully in our outreaches, music scenes and services being fruitful.

One of the highlights of the year was that God gave us a new bigger building for church in a prominent location with a great favor with the building owner. The saints of God raised to the occasion in meeting the financial needs, setting up the entire church within a span of few weeks for our first service on July 1.

We started 2018 with an outdoor revival meetings with Pastor Terry Haynes from Illinois. We saw 30 decisions for Christ and people got healed from chronic diseases, asthma and many other sicknesses. In the month of April, we had powerful revival meet-

ings with Pastor Joshua Kumar from Bangalore with many decisions for Christ. The messages were timely and refreshing.

Revival with Pastor Joshua Shapiro added a tremendous help with many people saved and healed during.

One night, a woman with pain in her arm came forward for prayer. God powerfully healed her as pastor prayed. From that day forward, the woman is faithful to God and to all church services.

Recent revival with Evangelist Mick Listing was fruitful and in every service we saw the miracle hand of God upon the congregation as there were many decisions for our Lord Jesus, many

sick people healed and encouraging words spoken to the saints. Prayer for Holy Ghost resulted in people being filled with the evidence of speaking in tongues.

Regular movie and music concerts continue to bear fruit with souls being saved and born again. We recently had 14 baptized in water and many filled with Holy Ghost.

We are continuing to believe God for our city of Chennai. We're grateful to our mother church in Beechboro, Australia and Pastor Tom Payne for their support, encouragement and investment into our lives, as well as Pastor Wayman and Greg Mitchell for their leadership.

God bless you! This year we had a good time in the church of Cuenca!

The church celebrated its fourth anniversary and the pioneer brothers gave testimony of how they came to church and what God has done in their lives and in the church.

We also had the opportunity to take a guerrilla team to the church in Duran, Ecuador where many people were impacted with the

working in the maximum security jail in this city. We are seeing God touch the prisoners and change their lives through the preaching of the word of God and prayer.

Many prisoners are receiving glorious healing miracles and God is being faithful in doing the work in this ministry.

Pray for the church in Cuenca Ecuador, as we are praying for all of you.

I praise God for all the different people God is bringing us in contact with here in Ecuador.

We took the work the Del Cids pioneered here in Cuenca. There are solid families involved in all we do.

In the last few months we did a VBS for the kids in the church and some of our neighborhood kids brought their parents on the final night to see many "super heroes" get saved.

We held a carnival for the Cuenca fiestas and had many visitors that had gotten flyers on our outreaches.

One family and a few others have started coming to church.

Pastor Del Cid had made con-

tact with a family that live in the Andes mountains. They are mostly Quechua Indians from the outskirts of the village of Shiña. When Sally and I took the church, they invited us to dinner, and asked us to begin Bible studies. They are hungry and reading their Bibles.

This last Bible study, I invited Pastor Avila from Hobbs, NM to minister with 28 attending. We have now done these in four different locations and one of the families have come to church on a couple of occasions. It is a privilege to minister to these precious people and represent our fellowship.

Thank you Pastors Heimberg and Wilson for your investment in Ecuador.

Greetings! God continues to do great things in our beautiful city of Davao!

We were blessed this quarter with two revivals. Pastor Genaro Bugtai of Tacloban City came for an inspiring revival last August. He challenged the congregation to unite for we are one in God's body and to support the world mission. Pastor Ernie Gerente of Lucena City visited us in October for a time of refreshing and uplifting. He preached on God's greatness and also challenged us to persevere and be determined in advancing God's kingdom.

In September, the hospital ministry visited the House of Hope, a temporary home for children with cancer, situated in the government hospital premises. We prepared packed meals, balloons and gifts. We had Bible stories for the kids, preaching of God's word to the adults and most importantly, we prayed for the sick. A parent testified that his child got healed from leg pain. There were 16 kids and 21 adults who received Jesus.

A Halloween drama "Wrong

Turn” was staged in the last Saturday of October. It depicted the three life stories of people who were searching for happiness and financial stability. They lived desperate and miserable with their wrong choices in life but salvation came to their families. They were delivered from the chains of Satan and received new life in Jesus.

People who passed by the training center were attracted with the outdoor entrance horror design that they got curious and just went inside, not knowing that it would change their lives. Our daughter churches nearby came, the place was packed and 50 visitors got saved!

In our concert scene, we held an outdoor acoustic night at Madapo Hills with our guest band from Digos church and gathered 22 decision cards for Jesus.

We are trusting God to do greater things in the next quarter. Please keep Davao in your prayers as we also lift up our whole fellowship in prayer. God bless you all!

Dili, East Timor

Pastor Chris Plummer

Hello from Dili, East Timor. We have been here for five months (after the Kennaways' and the Jones' established a wonderful work here!)

We have an amazing victory report.

Just after arriving here, we held a fast and saw tongues and interpretation in the prayer meeting. Soon after, we prayed for people to receive the Holy Spirit, and several people were filled.

We have seen demon possessed people set free, two of whom are still coming to church and bringing family and

healed! One of our new converts got radically filled with the Holy Ghost at the altar as we were worshipping God, He was crying out to God in tongues, but we weren't even praying for people to be filled! After the service he came to me and said: "Pastor, something happened to my tongue!"

We sent our first impact team a couple months ago for our first baby church... we saw 56 people saved and many healed after the concert!

Disciples are being raised up.

Praise the lord for a total of 800 souls saved in the five months we have been here. People are being added to the church. All glory to God for what He has done and is doing in Dili.

friends. Our church has been doing weekly outreaches and fortnightly concerts on the streets and we see many people saved. At one of our outreaches we saw 46 people pray for salvation!

We have also been seeing many miracles of healing. After every street concert we pray for the sick. During these times we have seen legs grow out, deaf ears open, back pain healed, scoliosis healed, stomach problems cured and head dizziness set free... too many miracles to mention! God is really moving powerfully on the streets.

We have already held a couple of baptisms in our building and have baptized many converts.

In October, Pr R Walsh preached revival for us, many were saved and

Pastor Daryl Elliott
Corres: Geoff Stowers

Greetings from Footscray in Melbourne.

Anyone who is familiar with the area knows that it is a sea of different nations and peoples. This is also reflected in the diversity of many nationalities in the Church.

Hence this past few months have seen the disciples band together with the encouragement and backing of Pastor Elliott and present things like the "Straight outta Aotearoa" drama production, aimed at New Zealanders

and Islanders. That saw a total of 15 souls saved.

We are hosting a “Diwali night” in November for the many people of Indian origin that are in the Footscray area.

Our regular concert scene sees many visitors and people getting saved also. One concert in July with the Onehunga Church saw 9 souls saved.

With our September Conference just behind us we saw God powerfully move with timely Holy Ghost preaching, with main speakers Pastor Greg Mitchell and Pastor Glenn Cluck.

At the end of the week there were some exciting announcements, one being a new pioneer work into Wellington, New Zealand.

A new pastor, Kenan Tuteru, was launched into the suburb of Werribee in the western Suburbs of Melbourne. What’s interesting is that on the same night his father, Simon, was announced to take over as pastor of the church in Frankston which is in Melbourne’s southeast.

At the end of October, the disciples again put in hours of hard work and put on a Halloween drama “Stairway to Heaven, Highway to Hell.” Once more we saw many visitors come out and 8 precious souls saved.

We have just concluded our winter Bible studies on Friday nights with record numbers. Many who were visitors at first have been saved, filled with the Holy Ghost and are locking into the Church.

The Footscray Church on the first weekend of November has just sent an invasion team of over 75 people (as well as other fellowship churches) to help Pastor Kenan in Werribee for the day and an opening hip hop concert that night.

It was decided to do an impromptu “Flashmob” praise song in one of the local shopping centres. Over 80 Pottery House saints lifted their voices to the surprise and shock of shoppers and security guards alike. Unable to do anything because of the sheer size of our group, security watched on as we took dominion in the main food court. After an enthusiastic crowd response and even favour with security and management, they have asked if we could do it again in the near future.

Over the day we saw 197 people in the concert, 33 visitors and 9 people saved.

As we approach the end of 2018 heading fast into 2019 we are looking forward to the summer months as we keep our hands on the plow and hit many of the local parks for different outreaches.

Even the disciples are encouraged to hold outreach events with a separate trailer packed with audio and visual gear so they can reach our communities with the gospel when major church events aren’t scheduled.

We are looking ahead to our annual Christmas Carols Event in December which always draws large crowds of visitors in one of the local parks.

Thank you for your prayers for our Church here in Footscray. Please continue to pray for us as we are uniquely placed to minister to the many different and varied cultures that are a part of our city in Melbourne.

Foshan, China Pottery House Pastor Ian Kline

Ni hao from Shunde, Foshan, China where God has been helping our church to build foundations, grow ministries, and raise disciples.

We started off the year with a challenge to take our city for Jesus. During the Chinese New Year (the Year of the Dog), I challenged the church to be the head and not the tail from Deuteronomy 28:13. I also challenged them to see what we could become. Our village is about seven million people and many of the surrounding areas would be perfect for church planting!

The people have since begun to grow in so many ways! Our church has started both Adult and Children’s Sunday schools (we had to build a new Sunday school room because of the amount of families

that have been coming), we’ve had several new translators raise up, and people have become more active in all of our outreaches. China is truly hungry for the gospel.

This year we had several revivals with Pastor Frank Beaman from Colorado Springs, and Evangelist Sho Shishimoto from Guam. God brought dozens of visitors with many saved, healed, and filled with the Holy Spirit.

The highlight of the year thus far has been the Federal Way, Washington church coming with an impact team. One of the men in the team does a magic show and music, so we arranged to do an event at our building. We took the team to a local university where we were able to pass out invitations and talk with university students one on one. We had total freedom without a single guard or policeman in sight.

The next day, we set up in a local park and played music and talked with local people, again without any police interference. At our magic show, we had almost hundred people come with four saved, many contacts, and visitors the following service.

Outreach in Foshan, China

Pastor Hoyt Hutchinson (who pioneered our church) preached a revival during the week in which the congregation were greatly encouraged. Thank you Federal Way Church for lending us your pastor and the outreach team, we are so encouraged!

China is a great harvest field, over a billion souls! It is an honor to serve. Pray for us as we pray for you!

Pastor Francesco James

This is Pastor Francesco from the little island of Malta. We have taken over from the Buchholz family that have left a tremendous work!

We have been here a little over a year now, and are really excited about what God is doing !

We are seeing a great number of visitors coming into our services. We have recently had a revival with Pastor Maduro from Holland and had 31 people in the church. Since then we are always seeing new people in the church.

We are working with five new converts which are giving their all to God.

Pray for us here on the island of Malta as we take this country for Christ.

God bless you all.

Hurstville, Sydney, Australia
Potter's House
Pastor Darren Munzone

G'day from Hurstville, Sydney, Australia!

This season God has been shifting and making room to accommodate the revival that's near.

Miracles are happening left, right and centre. The presence of God is thick in our services, young and old saints are moving in the gifts of tongues and interpretations. We are seeing backsliders come home, new visitors flowing in, fringe dwellers becoming active saints and young men getting saved and catching our fellowship vision.

One notable miracle God has been doing in our church is expanding our building.

In 2017 we had Evangelist Kris Hart for revival and in that revival, he gave the church a word of prophecy that we would increase in size. As we prayed and looked around for a new building,

we soon realised we needed a massive miracle. Every building of a larger size was \$100,000 plus in annual rent and then renovations on top of that. However, as a church full of faith we prayed for a building double the size and half the price knowing it would have to be God to bring this to pass.

As the year rolled by nothing suitable came up. Nothing at double the size and half the price or anything close. Until one day our pastor asked our owner if there is any possibility to remodel the inside of the building.

In the meantime, the people who occupied the building next door moved out and the owner offered it to us and advised us he's been working with his team on how we can remodel the building to increase the capacity of the building.

He offered it at the going rate of \$4,000 a month, but we declined it and said sorry we can't afford it. He immediately came back and offered \$2,000 a month. We negotiated and agree on

\$1,750 a month! On top of this miracle the owner also agreed to fully renovate the new building and remodel our current building at his expense. The landlord has spent approximately \$60,000 on renovations for us. This extra building gave us three extra rooms, a large nursery, concert venue and a recreation room. The remodel of our current building will double our floor space and increase our seating capacity to 180 and possibly 230 in the future as the mezzanine floor is also being built.

It really is a miracle of God's provision. It didn't happen the way we would have expected it, but we have doubled the size at half the price and haven't moved. The work is still in progress. We really do have great favour with our landlord, which highlights the fact that God really does own all the silver and gold and really does have riches stored up for the righteous. We give God all

the glory and believe for Him to fill the building quickly.

Testimony
Malachi

My name is Malachi and I was born and raised in Auckland, New Zealand.

I grew up as a privileged but also very typical Samoan child. I was one of seven siblings.

I knew what it felt like to be loved and cared for but like any other typical Samoan family there was also an aspect of violence always accompanied by

Remodeling expands Hurstville church

screaming. One of the earliest memories I have is my father beating my mother around the kitchen table.

I went through school as a quiet and reserved child. I was never bullied, never struggled horribly with my grades and I was always able to make good friends.

As a care-free teenager our friend group started drinking and partying around the age of 13.

In 2011 my sister was raped. For a teenage boy having to see how something like that affects his sister, who he's supposed to protect, was devastating. Drinking became my outlet to release all the emotion I wouldn't let my normally quiet, reserved and sober minded self show.

Around this time my brother almost successfully committed suicide. He had gotten himself into a situation he couldn't see himself getting out of, so

he decided to end it. This time it was repressed thoughts about seeing his lifeless body that would accompany my pain and alcoholism that was becoming a normal part of my life.

I finished school in 2013. A Facebook ad and the thought of wasting money on university when I knew I was going to muck around lead me to joining the New Zealand Defence Force.

I became a soldier in 2014, two months after my 18th birthday. The foundation of sin that I had laid out in the previous years, including alcoholism and violence grew with me in my new career. The small sins of the past seemed to be opening larger doors as time went on. Alcoholism gave way to dabbling in drugs. Violence was welcomed as natural progression to any encounter.

As my career within the army continued, I grew prideful and egotistical, I started valuing myself above others, to feel good was to look good. I was being consumed by all these sinful things.

I decided to leave the army in January 2018 – a three-month leaving period meant I would get out in April. I had no plan, I just didn't like who I had become. It was during that period I called an old school mate living in Australia. He helped me get a job in Australia and provided me with a place to stay. When I moved over, he invited me to church.

The Potters House Church in Hurstville is where I eventually got saved. I couldn't deny all that God had done for me in getting me to Australia, giving me a job and providing me with an opportunity to really get to know and build a relationship with Him. On June 22, 2018 in a Sunday night service I decided to ask Jesus into my heart and into my life.

I was cured of the desire for alcohol and of the lustful thoughts I had. I have been able to forgive those in my past that have hurt me and my family. I now want to build a strong relationship with God and become a disciple on fire for God, to one day be spreading the Gospel with others around the world.

God continues to work in my life as I take dominion over the things that I struggle with and allow myself to be taught. Jesus Christ was the answer to all my problems and questions that I was searching for in my last few months in the army. Becoming a Christian and asking Jesus into my life was the best decision I've ever made.

Currently, I'm 22 and give thanks to all that I have been given by God. I've got a job, a roof over my head and a purpose. I attend church with a joy and passion that I've never had attending anything else in my life and am excited for how God can use me and His plan for my life.

Pastor Jeevan Babu

Greetings from Hyderabad, India.

We had a powerful year, it really rained from Heaven. In this whole year through revivals, movies, concerts, karaoke nights and regular church services 250 people got saved. We have had eight baptisms, 38 Holy Spirit baptisms, and many notable miracles. Many people received Words from God through the revival speakers.

In January, we had revival with Pastor David Ehlers from Chennai. Saturday night, we had a marriage seminar with eight couples attending. Many single men and women also attended, as Pastor Ehlers preached on married life as well as choosing a life partner.

We started revivals from Sunday to Wednesday and 12 people got saved. We had 20 visitors for the revivals, and afterward two girls came for baptism.

We had great revival with Pastor Foley in March. Many people were delivered from mind issues. Many of them shared their experiences after revival, and 32 people were saved.

Pastor Marcus was visiting Hyderabad to meet his brother on arrival to India, so I asked him to preach Saturday and Sunday. Seven people got saved.

We had tremendous revival with Evangelist Steve Zapata in July, with 40 first time visitors. Just in this revival 55 people got saved, 10 were filled with the Holy Spirit and we had notable miracles.

One lady was suffering with spondylitis for more than one years. She usually takes pills every day to get relief from that pain. When pastor prayed God healed her. She stopped medication and has no more pain!

Another lady was healed from eye irritation and burning sensation in the eyes. Another man began hearing better than before.

Street outreach in Hyderabad, India

We also had a great revival with Pastor Paul Arps from Nepal. Seventeen were saved.

Couples and disciples are rising up. We have outreaches with 15-20 people on the streets, witnessing, inviting people for revivals, concerts, movies and church services.

Thank you Fellowship pastors in India and Nepal for your prayers. I thank my Pastor Kevin Foley for his wonderful leadership and guidance.

Pastor Dennis Akumu

Greetings. We rejoice to see God's faithfulness in our lives. It's encouraging to see God raise workers from our congregation. Our church is now positioned to enter into a great time of fruitfulness.

Pastor Jan Schuitema preaches crusade in Kisumu

We are seeing a steady stream of visitors in our church services. Our regular outreaches are fruitful. It's a joy to see a dedicated group with a heart for the lost. They view evangelism not as a program but as a passion.

We just finished a series of Crusades and revival with Pastor Jan Schuitema from Holland. He led a team of 10 saints from Dordrecht and Zwolle churches. It was a joy to host them. What a wonderful time we had! We saw a total of 56 souls saved and 19 testimonies of instant healings.

Earlier in August we had Pastor Tom Drout visiting from Seattle, WA. Pastor Drout and his wife Cindy were once missionaries in this city. His meetings were fruitful and well attended. He really brought encouraging words to the church.

Our national leader, Pastor Patrick Nyamai came for revival in September. We had a great time with him. 15 souls were saved and 21 were filled with the Holy Ghost.

We had water baptism in October. A total of 21 converts were baptized. It was a joy to hear their testimonies of conversion and their commitment to live for God.

We are thankful to God for His workings in and through our lives. We wish to thank Pastor Nyamai for his leadership in Kenya. We are blessed by his direction and guidance.

We wish to thank Pastor Mitchell, Pastor Greg and the Prescott church for the vision and great exampleship.

Greeting from Nogales, Sonora, Mexico.

We have experienced a tremendous move of God all of this past year and have especially seen his hand in the past few months.

In May we held our annual Healing

mensions. At the end of that conference we announced five new churches to our nation and have the vision to continue filling every city in Mexico with the gospel of Jesus Christ.

One of the highlights this past year was also our annual Haunted House which was titled "The Circus." In only two days we had more than 1,200 visitors, and 800 giving their lives to Jesus Christ.

We will continue to do a good work for God in our wonderful nation of Mexico and we ask you to please keep praying for us as we are praying for you!

Greetings from Mandaluyong City, Philippines!

God is amazingly at work blessing us with fruitfulness in our church, the

Fall Conference in Nogales, Sonora, Mexico

Crusade with Pastor Jonathan Heimberg from New Mexico and were extremely blessed by his ministry. We saw in three days over 1,500 people in attendance with 172 decisions for Christ and dozens and dozens of spectacular miracles taking place.

In October we held our fall conference with hundreds of men and women coming from all over the country to hear incredible sermons. Among the pastors preaching were Pastor Greg Mitchell and Pastor Jonathan Heimberg who challenged us and encouraged us and really lifted us to new spiritual di-

Philippine churches as a whole, and even our missionary churches.

Prior to the last quarter of 2018, we had Aussie Evangelist Rod Gibson for revival in August. He preached powerful messages on "The BIG THREE: Faith, Hope, and Love", where more than 20 people came for salvation and healing. Two of them received instant healing from pain in the shoulders and chest pain respectively.

Then, reggae-singing Evangelist Gibson was in our One80 Concert with a breakthrough attendance and 22 young people gave their lives to Jesus.

Altar call after Pastor Campbell's conference sermon in Mandaluyong, Philippines

Consistently, our young disciples are always excited and on fire testifying and sharing the Gospel to everyone. They are now leading and organizing their own street outreach and one-on-one evangelism every Sunday afternoon and we see God touching even the elderly as they listen and respond in surrendering their lives to Jesus Christ.

These young disciples have also opened Bible-study groups in three most populated areas of our city and weekly Bible-studies in one of the local high schools, gathering teenagers to hear their testimonies and the power of the God to change lives. Some of these teens are now regularly attending our church. Thank God for the revival among our youth!

We had another revival in October with Guam Evangelist Sho Kishimoto and we are blessed with his ministry, particularly on "Generosity," that is, to plan our lives in God's economy, not our economy.

During his revival, many received Words from the Lord – timely and important especially for two ladies suffering from suicidal tendency and depression who were instantly delivered. Also, one of our baby church pastors who is pioneering in San Juan City, Gemson Mesa, was given Word that sacrifice will lead to blessings.

We were so joyful to hear Pastor Gemson shared his testimony that he had recently started ministry in the local jail with 14-15 prisoners giving their lives to Christ. And most blessed of all, the city's police chief asked him to start a regular Bible study with the police force. When Pastor Gemson opened it, 70 policemen prayed the sinner's prayer. It was so powerful that the police chief told him to do the Bi-

ble study regularly 30 minutes during their daily morning briefing. Hallelujah!

Last October 27, we baptized in water seven brethren. One was a seven-year-old girl who, understanding the importance of water baptism,

asked her grandparents to accompany her. Others also testified how God transformed their lives when they accepted Him as our Lord and Savior.

In October 28 to 31, we prayed and fasted for the upcoming Bible Conference. Sunday before the event, we had Pastor Glen Cluck preaching his message on "Defeating Discouragement" and God's call for healing in Jeremiah 30:17. People were healed and freed from pain.

Then, from November 5 to 9, we had Pastor Joe Campbell, Pastor Cluck, Pastor Jonathan Heimberg, and some of our local leaders challenging us with powerful timely messages in the conference. By the grace of God, we were so blessed as we had another breakthrough attendance and financial provision for this bi-annual conference. The highlight on Friday night was the announcement of four new local works and one young Vietnamese couple going into Binh Thanh District, Ho Chi Minh City, Vietnam, out of our first missionary church in that same city. Glory to God.

We would like to thank you all for your prayers. We will continue to pray for you and believe God for the coming revival in all our churches around the globe.

Corres: Anele Makalima

Greetings from the in Motherwell church Port Elizabeth South Africa. God doing great this in the third largest city of South Africa.

Picking up from end of last year No-

vember, we had an Impact Team from the USA. They did a tremendous outdoor outreach followed by 54 souls that gave their lives to Jesus. We see mixed race people attending even to this day in our regular services. One guy who was a thug from prison bound in drugs and alcohol got delivered by the power of the Gospel. He brought his mother to church, she came and got saved, and the mother brought one older lady along. The testimony of our church around that area spread fast as a result, opening a door for mature people to come in our congregation. God is helping us.

In January, seven men rose up to open Bible Studies in different neighbourhoods. In April we had our former pastor, Pastor Prince from Botswana Francistown to do a revival service. The atmosphere and the spirit of God's conviction was indescribable and many decisions were made during that revival.

God favoured us in the month of June. During winter season our attendance didn't drop. On June 16 we held Youth Day. The whole church dressed in school uniform and we had a parade, telling people about Jesus.

In July we had a revival with our senior Pastor Andrew Anderson. Sixteen souls that got saved with many notable healings.

New converts have been rising up doing door to doors, praying for the sick outside the church, and surpassing older saints with a double portion of the Spirit.

In October we had a Jesus people wedding, and in September Conference we as a church took a step of faith and sent out our second church, Prince and Amanda Machikiche to South Side Motherwell.

We still believe in our vision as a fellowship of pioneering and making disciples. In November we had revival with Pastor Peter Khusta from Cape Town where we saw six souls saved.

Our Saturday night music and drama concert touched one Muslim to come in our concert. People are getting saved in vast numbers and we believe that what we do works.

We thank Pastor Wayman Mitchell for the vision and Pastor Andrew Anderson for the direction. May God bless you.

Pastor Benjamin David

I am Benjamin David and my wife Geraldine and I are pioneering a work of God from the capital of India - New Delhi since 2013.

Praise God. It is our loving heavenly father who has ordered our footsteps and guided us all through 2018. That we are well placed to move to whatever extent God so desires us to reach is evident in all the mighty signs and wonders that accompany our labour in Christ Jesus.

Doctors said baby had no heartbeat, here she is healthy and being dedicated!

We have laboured in our street evangelism and Saturday night movies, and God has given us the increase. We were so joy filled to see God do supernatural miracles in our labour.

Twins were born to a young mother in the Northeast of our country. Through our interpreter, Anurag Paul, this mother got in touch with us. Of her twin sons, born prematurely, one was born without a gall bladder. Though we had prayed over the phone God stirred my heart to call them to Delhi. They did not plan to come to the city, however due to their local hospital's inability to treat the child, they were compelled to come to Delhi. We were able to meet the family and pray for the child.

The father of the child was moved by the Holy Spirit and requested to

The San Luis, Argentina church congregation

be baptised. We encouraged the family to allow the child to undergo every test without fear as God had shown us that He has answered the prayers of the family. After undergoing all tests, the doctors could not believe what they were witnessing as they had their own reports which indicated no gall bladder. Yet upon doing the ultrasound, the report indicated that the child has a gall bladder! Praise God!

Another woman walked into church being two months pregnant, weeping, and stating that the doctor said there was no heartbeat for the child evident. God lead us to declare life to that child. When

the woman went for the third month test the baby's heartbeat was evident! She went on to give birth to a healthy boy child.

Pastor Mauro Rodriguez

Greetings from the Church of Villa Mercedes - San Luis, Ar-

gentina.

We have been in this beautiful city together with my wife Susana and our children, Eneas and Joel, for two and a half years working for the Lord.

We started the year with a water baptism, in which five brothers decided to be baptized and make a greater commitment with God!

We had revivals with Pastor Dustin Speiser of the Province of Mendoza, Sebastián González de González Catan, of the Province of Buenos Aires, Fabián Godano of San Vicente, of the Province of Córdoba and my Pastor, Juan Pablo Cardo. Each revival has left us fruit, saved souls, healings and impacted the hearts of our people with words of prophecy that have greatly built their lives!

We had a music group called "We Were Blind" from the Church of Mendoza, together with the church of San Vicente, Córdoba, that came with an invasion team and their drama team. The city gave us great favor in one of the most important squares. As a result we had many saved and more than 200 visitors.

This year we took on the challenge of having concerts with music, dramas and testimonies, that has given us fruit which has been established to this day. We have new convert's class, music workshop and Serious Men, where the disciples are given the opportunity to preach. Each event is done with the purpose of evangelism and edification for the work of God.

We are enjoying the growth of our church. Our brothers are giving their all, working side by side for the growth of God's work in our city.

I want to thank my Pastor Juan Pablo Cardo and his wife Silvina, our Fel-

lowship and our beautiful congregation for the effort, fidelity and consecration that they have shown all this time!

Continue to pray for Villa Mercedes! May God Bless You!

Suva, Fiji Potter's House Pastor John Perry

The past three months have been one great event after another! It is exciting to be part of such a great work that God is doing here in Fiji and the South Pacific.

In August 2018 we held our South Pacific Conference with missionaries, national pastors and disciples from six nations around the South Pacific.

As usual our Suva church building was jammed packed with people from around the Fiji Islands, Solomon Islands, Vanuatu, Samoa, American Samoa and Tonga.

From the moment he arrived, our main speaker, Pastor Scott Lamb, began arresting the conference body with his dynamic style of preaching. His messages powerfully stirred both pastors and disciples alike. Each morning during the coffee break the pastors met in our upstairs office area for specific pastoral ministry from the main speaker while eating cakes and drinking coffee. Pastor Lamb did not disappoint as his focused seminars delivered challenging thoughts to our South Pacific pastors on refining the craft of pastoring.

Our conference was a landmark event concluded with record breaking results. This past South Pacific conference saw us announce the most ever church plants which included our first Indo-Fijian couple sent out, Suva's first granddaughter church launched out, our first assistant pastor announced into the Suva church, the first daughter church launched out of the Apia, Samoa church, and the first church plant into the Banks Islands, a group of islands within the nation of Vanuatu. Eight announcements in total were made during the South Pacific conference!

We are just now (mid-November)

finalising the moves announced out of the Suva church and the Fiji Fellowship.

In October we were privileged to have Pastor Tom Payne come to preach pastoral seminars for the Fiji and South Pacific Fellowship. Again, from the very beginning Pastor Payne began hitting home runs in the messages he ministered in those seminars. Each morning we received a double dose of ministry wisdom from the veteran leader of the Australian Fellowship. We had missionaries and national pastors come from Vanuatu, Solomon Is-

lands, Samoa and Fiji.

The first day's seminars proved that it was a worthwhile investment for these men to sacrifice to travel and be part of our pastor's seminars. Each lunch time and at every evening meal our pastors crowded around Pastor Payne to tap into his decades of experience as a pastor and learn from the wisdom of his hard earned lessons. In total we had 27 of our pastors and their wives in attendance at the seminars.

This year we again staged a "House of Horrors" production here in the Suva church. Our congregation rose to the occasion by manufacturing about 35 tombstones of various shapes and sizes to decorate our haunted house scene. Each night we had teams out working the streets bringing in visitors which kept our drama teams going until around midnight each night.

One of the highlights was when one of our drama team members came out of a coffin we made for the outreach. There were shrieks from the crowds

as this morbid figure emerged from the coffin. Hundreds of people attended the House of Horrors with 274 people making a decision for Christ by the end of our four-night production.

While the House of Horrors was in progress I was in the Solomon Islands preaching for Pastor Adrian Martinez. The Solomon Islands is a harvest field bursting with opportunity. Each night visitors poured into the Honiara upstairs building to hear the Gospel. Some came back night after night. On the second last night we were doing outreach downstairs on Honiara's

main street and praying with sinners before the service. Some of them came straight into service. Inspired by this we organised a street preaching event immediately prior to the final night of revival. Standing on the steps of the Honiara

building we preached and gathered a crowd of around 200 people on the sidewalk, on the other side of the road and even standing on the median strip. We invited them into the service that night and pastor Martinez estimates that between 30 to 40 visitors were in service as a direct result of our outreach efforts.

In total we saw 124 people saved during that revival, both on the streets and in services. Pray for our Solomon Island neighbours, they desperately need a new building!

In about two weeks from now we go into revival with Pastor Terry Olsen who is going to preach a series of meetings about his conversion from an insane and violent ex-naval sailor criminal to a man of God preaching the gospel. We are anticipating a tremendous revival with Pastor Olsen.

Please continue praying for the Fiji Islands and the South Pacific Fellowship as we continue to press forward with planting churches here in the south Pacific.

Hello, praise God. This is Pastor Elisha John of The door Arusha, Tanzania.

We had a crusade in one of the markets in Mbauda, Arusha, Tanzania for four days with Pastor John Otieno from Nakuru, Kenya. Sixty five people gave their lives to Christ during the crusade!

Coming to the end of this year, we have seen God do a miraculous work within our congregation.

We have been contending for a shift in the culture of our church, walking in God's will, in obedience to various prophecies and timely messages.

In October we held our annual

Nigel and Carol Brown celebrate 20 years in Waltham Forest church

Bible Conference, titled The Legacy of Fruitfulness. The highlight of this conference was the Thursday night. Four couples were launched into Cyprus, Antigua (West Indies), China and Ghana. The majority of these

couples are returning to the places of their birth or places in which their families are originally from. On the Friday night, five new couples were launched into the ministry along with other changes.

We have started up our youth services again with the aim to see conversions amongst our church kids and to see new young souls added to the kingdom. The theme of these meetings is "Counter Culture." This is in line with the current vision of our church, to see a shift in the culture and for our youth to be on fire for God. Since this has begun, we have been seeing many young men come into church, get saved and begin to bring their own friends. We are seeing the beginning of a revival amongst our youth.

In October, we celebrated the 20th year anniversary of pastoral service from Pastor Nigel and Carol Brown. We have been truly blessed as a congregation to have such great leadership and we are believing God to take us into a new dimension in the coming year 2019. We thank you for your prayers.

Greetings from the city of Witbank. We thank God for all He is doing in our midst.

One of the encouraging things that has been happening in the last six

months is that we are seeing God raising up converts.

At the end of June this year four men were part of a team that attended the Johannesburg Men's Rally in Eldorado Park Church. Sunday after the Men's Rally we had Pastor Tiago Chicote from Mozambique preaching for us on Sunday morning and we had 21 in attendance with three answering the altar call to accept Jesus.

In the month of August we also took a team of five disciples to attend a discipleship class in the Nelspruit Church. It was a great time of impartation of the vision and fellowship. God is really helping young men in the church as we see them for the first time taking courage to preach Jesus on the streets.

God is also establishing righteousness in the hearts of people. The main highlight in the past six months is that we now have our first couple in the church. A man who was witnessed to in our Saturday outreach came to church with a woman and three children. They were living together not married. But thank God for the conviction of the Holy Ghost. In the month of October they went to the Home Affairs to get married and made things right in the eyes of God!

God is helping us here in Witbank. We appreciate all the Impact Teams from the neighbouring churches. We thank our pastor, Pastor Banet for the privilege he gave us to pioneer a church in Witbank. And we would also like to thank Pastor Wayman and Greg Mitchell for the vision and investment in South Africa. God bless!

Haifa Adai. We are pleased and honored to report that God is moving in a dramatic way on our little island in the middle of the Pacific Ocean.

These past few months have been very fruitful despite the weather. Two typhoons have come through recently (one of them, super typhoon Yutu, being the strongest to ever hit U.S. soil). God protected us from both as we only sustained minor damage to our island. The island of Saipan took almost a direct hit from Yutu. While the Island itself was devastated and two people were killed, God obviously protected them from greater loss of life.

In August the high school Bible clubs started with a bang. We have several around the island and have had great reports so far. This is always an outstanding opportunity for evangelism. God has given us complete dominion and we are taking advantage it. The average attendance has been between 15 and 50. The real miracle, however, is that seven brand new converts have been coming to church regularly and are already interested in ministry.

Another breakthrough in our youth is the Vision Extreme. Island wide youth rallies and mini One80s have seen record breaking attendances of anywhere from 105-120 with 45 saved at each event!

In September, Pastor Jim Ballinger came to Guam and preached a revival for us. We love having him here! He always does a great job of cleaning house and at the same time is very encouraging.

In October/November, Evangelist Kris Hart came and preached during the Halloween season. The gift of words of knowledge and wisdom were in full operation with uncanny accuracy. Both Pastor Ballinger and Evangelist Hart are no strangers to Guam and we hope to have both of them back real soon.

We are looking forward to all God is going to do in the near future both in Guam and our fellowship around the world.

Mabuhay! All the way from Manila, Philippines. We are writing what God has done through this quarter.

We have a once a month 180 JAM live concert. Last September 2018, we had a very upbeat marketing strategy of our 180 JAM. The Beat, a blacklight live concert and live musical sketches was presented by the team, and 12 souls were saved that night. A month after, our team got invited to have an impact team and live concert for the church in Antipolo City.

A Halloween Special presentation was shown on October 27th entitled, "The Walking Dead," which was an implication of the truth that many people are alive but are spiritually dead. Unexpectedly, a huge crowd of 110 people attended. God truly intervened and the actors so portrayed their roles that the visitors' hearts and minds opened to the reality of Heaven and Hell. Many were saved as the Holy Spirit moved mightily.

Every Sunday afternoon, some disciples visit the Philippine General Hospital, a mile away from our church. They share testimonies, preach the gospel and pray for every patient.

Right after the November Manila Conference, Paco Church, together with our daughter churches, had a revival meeting with Pastor Adrian Martinez from Solomon Islands. After the revival services in Paco, we sent an impact team and conducted healing crusades in Olongapo City, Sta. Ana, Manila and Makati City.

God's healing touch was visibly felt as a lot of instant healings took place. People with eye problems experienced great improvement after prayer. A woman whose legs were

not aligned received instant healing. These manifestations of God's power have led to fruitfulness of our daughter churches. Those who were healed have begun attending church services and even asked that a Bible study be conducted in their homes. On account of these revival services, more disciples have been challenged to commit themselves to the ministry.

In anticipation of the Manila November Conference, the church had a three-day prayer and fast asking God for miracles and provisions for this event. A couple was encouraged to pledge a faith promise for the conference. Having four kids to raise, not to mention some projects to juggle with, did not hinder them in giving the amount that the Lord had impressed in their hearts. A week before the conference, they received a call for catering services from a big client. A huge amount was entrusted to them thus they were able to fulfill their financial commitment to the conference.

We had a two-day Holy Ghost revival with Pastor Glen Cluck. Lots of church members attended the revival, including our daughter church in Sampaloc. Disciples from Cambodia, and Baclaran Church helped with the outreach. At the last night of the revival, towards the end of the service, the electric lights blew off but the service went on, as nothing could stop the revival service.

During the conference, our daughter church in Sorsogon launched out its first daughter church in New Bualan, Bicol, making the mother church in Paco, Manila, a grand parent for the first time!

The Paco congregation is thriving to capacity and we expect an overflow of attendance soon. Space is needed to accommodate the people. It is a good thing that the lot that the church occupies at present is for sale. We pray that God will provide the necessary fund for this giant step of faith as we aspire to purchase the lot.

To God be the glory for the great things He has done! Together, let us claim the land for Jesus!

Dear Friends,

Over the past centuries, Jews have cried, "Next year in Jerusalem," to express their longing for the land of Israel. It has been 3,000 years since David captured Jerusalem from the Jebusites, who were descendents of Melchizedek. This year, we will be privileged to visit Jerusalem and fulfill what millions of Jews were unable to do. For this, we are thankful, as we recognize that we live in "Messianic Times" when the coming of the Lord draws near. We invite you to join us on this visit to the land God promised to Abraham, Isaac, and Jacob, and made holy by prophets of God, by our Savior Jesus Christ who died and was resurrected there, and by His disciples. We are planning to make this a memorable trip for you, to let you feel with your heart as you stop in ancient holy places and are informed about scriptural events. Come join us on this inspirational, testimony-building tour of Israel.

Sincerely, Pastor Richard Cox
