It's highlighter time! From door-to-door on our feet, to house-to-house on our knees. The summer outreach season is coming, filled with neighborhood outreaches and outdoor evangelism; however, during our winter months, the Prescott church did not go into hibernation or lay dormant.

With the reduced opportunity for one-on-one evangelism, the spiritual confrontation was in full swing as the church came together in targeted corporate prayer. Pastor Kris Hart has held ongoing prayer meetings on Tuesday evenings to lift up critical needs. The names of loved ones in need, those that are sick, backslidden family members, and Fellowship needs are brought to the prayerful attention of Prescott's seasoned prayer warriors.

Other prayer groups have begun to spring up, with a woman's prayer gathering every Friday, and a youth prayer group on Tuesday nights. The church did not organize these house-to-house prayer meetings. They are an expression of believers desiring to harness the power of corporate prayer.

A fresh wave of prayerful passion has been sparked, and Pastor Lamb's sermon "The Prayer Meeting That Wasn't," preached in the January 2023 conference, has served to fan the flames of corporate prayer. In the prayer meetings, specific needs and requests are written down and targeted corporately. As God begins to answer prayers and needs are met, highlighter pens are used to illuminate the miraculous responses to the written petitions.

These answers are so pervasive that a new catchphrase was born "It's Highlighter Time." As the praise reports come in, those involved in the prayer meetings are eager to share the good news and break out the highlighters. Over the course of

Prescott's Nate and Ashley Rush to take over church in Santa Fe, NM

13 women's prayer meetings, there have been 64 documented and answered prayers. Praise God! It is a beautiful sight to see 30 teens and youths coming together of their own volition to invite the power of God into their lives and circumstances.

In addition to bringing about many notable miracles, these prayer meetings have had the added benefit of creating a much-needed atmosphere for personal care. Isolation can be a fatal factor for the precious souls in our churches, and this can too easily befall members in our larger congregations. These intimate groups have been able to join together to address the personal struggles and needs of the individual. This has led to other evangelistic efforts like impromptu street meetings and outreaches into Prescott's Pioneer Home, a retirement facility.

Our Home Bible Study groups have also been a great time of encouragement and fellowship. Every Winter, we break into smaller groups to study, learn and encourage one another in the Lord. This year's lessons were taught from a book titled "I AM David." Disciples are given the opportunity to write lessons, engage in follow-up, and remain active in evangelism during the winter months.

During the holiday season, we put together several special events, including a Christmas music spe-

cial, an acoustic parody night, a rock drama, and a Christmas play titled "Joy" at our One80 event center. Our Children's Church ministry performs a Christmas play annually; this year, our resident young servants' ministry wrote and directed the entire production. It was titled "A King for Christmas." The theatre production was outstanding, and the Gospel's message was clear and brought heartfelt conviction.

No matter the outdoor climate, we continue to see fruit on our weekly Saturday morning outreaches, and our One80 Concert ministry is a machine that maintains the heat year 'round. Music, drama, videos, testimony, and the preaching of the Gospel is a pattern we have maintained for more than 50 years.

We are seeing the supernatural expression of the Holy Ghost at work in our Saturday night concert. Words of knowledge, prayer for the sick, miraculous healing, and signs following have caused a stir in Downtown Prescott. One night after the concert, there was a specific call for people that had cancer, and in response, a woman came forward. This lady had a sizable tumor in her breast; after prayer, the lump in her breast was completely gone. The family was incredibly touched, and she was baptized soon after receiving her miracle.

Greetings from Alamogordo! We have started the year full speed! We came back from the January winter conference stirred and full of faith ready to continue taking the world for Jesus. We went right into a revival meeting with Pastor Tony Chase. This continued the expectancy of the church to see The Kingdom of Heaven continue to be established in our city.

During the revival we saw many visitors come out. When asked how

Shanice - Healed of curvature of the spine

they heard about the revival they replied, "I was driving by and something compelled me to come in, don't know why." Another young man who came for the first time stated, "I saw all these people here and thought, I need to check this out."

We had many saved and finished the revival hitting 150 in attendance, with many first time visitors who are continuing to come.

From that revival we have a young man who has since started attending Bible studies and went on his first

Artesia, New Mexico congregation

Guerrilla team. He had a great time.

During one of our regular services, a young woman came up who had a curvature of the spine, and was in pain for years. Pastor was ministering to her and prayed, and during prayer she grew TWO inches, the pain was instantly gone, and her spine straightened out 95 percent better than what it was before prayer. Thank God, He is still in the healing business.

We are contending and expecting God to continue to hasten His word, and we are beginning to see it come to pass.

Artesia, New Mexico
Potter's House
Pastor Curtis Hacker

Hello from Artesia, NM. It has been exciting few months.

We were launched out of the July Conference 2022, into Artesia, NM. In September we moved into the city. God opened doors, and we had outstanding favor with the community before coming into town. We were able to get hold of a church building that came fully furnished with all the things we needed to open. Chairs, sound booth, sound

equipment, platform instruments, altar, and even a pulpit. It also has a fellowship hall with tables, chairs, and a kitchen. All for an extremely low price.

Our first service was Oct. 2. Since then we have had visitors mostly every week. We announced the opening with a ribbon cutting which got our name out into the community. By God's provision we were also provided with a big home, suitable for our family of seven!

We had our first impact team from the mother church in Alamogordo, NM. They did an outstanding job, and we have two solid converts who are from the impact team. We currently have a steady group of 25 converts, and we recently had our first wedding in January. Fifty-three people attended! We have new converts who are eager to be discipled.

I recently preached on the Holy Ghost and five were filled. We are seeing healings on outreach with two men healed of diabetes. And healings in our service started with a lady having a seizure. We had to stop in the middle of the service and pray for healing. The seizures stopped and she was able to sit back down through the service. She hasn't had another seizure since.

A young man, only 17, had arthritis

in his hips and knees. We prayed and the pain has left and never came back.

Artesia is a very open city to the Gospel. We cannot wait for this summer to bring the power of a demonstrative God to the streets in healing crusades and concerts.

Ten years ago, my wife and I were homeless, living in an abandoned house and injecting meth into our bodies. Now we are doing the Will of God, completely delivered by His power and pastoring a church. What an amazing God we serve. What a great Fellowship we are in.

Let's take the world for Jesus.

Greetings from Austin, Texas! God is moving and we are excited for all He is doing in our church!

Prison ministry in Austin has seen 100 souls saved

We kicked off the year having a revival with Evangelist Jerry Fussel. We had a total of 40 visitors and 15 giving their lives to Christ!

We saw miracle healings and breakthroughs and we are excited for the year to come.

We have also started a prison/half-way house ministry where we hold Bible studies every Tuesday night and sermons at least once a month. We are seeing God move through these men and women's lives with healings and more than 100 decisions made for Christ since May of 2022.

We continue to press forward as we see the day drawing near! Pray for us as we pray for you!

Chandler, Arizona
Potter's House
Pastor Joe Campbell
Corres: George D. Rose, Sr.

Greetings from the church in Chandler. As the Book of Ecclesiastes says, "Whatever you find for your hand to do, do it with all your might..." This is what we here in Chandler have set in our hearts to do.

Since our last report we were about our Father's business, reaching into our community with the Gospel. We put on several performances of Charles Dickens' "A Christmas Carol." Our major outreach for the play at the city's annual light parade was rained out. This did not stop us from saturating our city with invitations to attend the play.

Despite the setbacks, we saw more than 500 attend with more than 70 first-time visitors. At the end of the day, we were privileged to lead 18 precious souls to Christ!

Our children's play, "A Christmas Yarn," saw similar success with a multitude of visiting family and more than a dozen souls being saved.

The teens remained diligent in their ministry, Crossfire, hosting a valley-wide Teen Rally with Evangelist Frankie Chi. The teens set an example of service and ministry for other teens as they ministered in the song service, and acted as ushers and altar workers. More than 150 valley teens gathered to hear Evangelist Chi bring a timely message for this generation. He brought hope and a challenge for their generation to rise to the challenges that lay before them. A number of teens were saved and many renewed their commitment to God.

God has been moving in our music scene with several new bands coming together to bring the Gospel to a lost generation with song. One such band is named "Legacy" and is made up of teens and young adults who are preacher's kids. They present a powerful message through their music and testimony.

Other bands rising up are "Last Call" and "Salvaged." These additions have allowed us to bring the Gospel with a broader appeal to reach this new generation. As a result, there is a renewed vigor and vision for our coffee-house ministry.

Young disciples are stepping up by

Josh Sanchez ministers in his farewell service in Chandler

bringing the living Word of God to the streets with street preaching and neighborhood outreaches. At one such outreach the brothers held a healing crusade at a local neighborhood park. More than 50 visitors from the neighborhood came to hear a message that Jesus is alive and that he has the power to heal the sick. More than a dozen people came forward for healing with many receiving deliverance in their bodies. The brother who ministered challenged all who attended to believe God to heal people they meet in their daily lives.

It is one thing to make an announcement at conference but it is another to finally release them into the field. Josh and Emily Sanchez were able to preach their farewell service at our bilingual ministry as they embark on the great commission. Pray for them as they go.

Our Black History Celebration would not be complete without the powerful ministry of Pastor/Evangelist Stacey Dillard. As a church we reached out to the community in our annual "Soul Food" feast with more than 500 souls in attendance for the event. As the revival progressed, Stacey effectively ministered on the narrow gate that is hard to find. He reminded us that now is a time to do what God has called us to do. Many responded to the call for salvation and to see God move in their lives.

Pray for us as we pray for you.

Clarksville, Tennessee
Potter's House
Pastor Tony Thomley
Corres: Joel Varela

Greetings from our church I'm Clarksville TN.

We're writing to report how much God is moving in our congregation. A couple years ago Glenn Cluck gave a prophecy at a church service in Chandler about how God will be pouring out his spirit on the churches in Tennessee. We report to you God is doing just that!

This move of God began in 2021

Street Outreach in Clarksville, Tennessee

with the help of a Deon Howard "Walmart Blast" evangelism seminar that added a new dimension to the church's hunger and efforts to outreach.

Carrying this spirit into 2022 sparked an outpouring of God's favor in soul winning. We began to see people from various walks of life come in and get genuinely saved and locked into the church.

We took this hunger for evangelism to help our neighboring churches with impact teams. The majority of 2022 was a dedication to invest and help our neighboring Fellowship churches win souls. These impact teams proved instrumental in imparting vision to every new convert that got involved.

The majority of our fruit is coming from the Army base in our

town, Ft Campbell, KY. It's encouraging to see God touch a new and broken generation of young soldiers and heal their lives. Young military couples are finding healing in Jesus Christ.

The church continues to see momentum heading into 2023. We are believing God for a new outpouring of revival that touches the Midwest.

Greetings from Denver, Colorado.

My wife and three children and I are in the Denver/Federal Heights area of Colorado. We are so grateful for the hand of God moving in the people we have witnessed to, evangelized to, and those that come to the House of God to hear the preaching of His word.

We were sent out of our El Paso Bible Conference in 2022, and we're so amazed at and in awe of what God is doing in this city.

We have 22 new converts in the church, blessed and locked in, minds made up to serve the Lord. We are looking forward in 2023 with an expectation of the Holy Ghost to breathe a supernatural revival here in this city. We give God all the glory!

Testimony
Destoni Chavez

All glory to God for completely changing my world around. He has brought me so far.

I grew up fast, being a second mom to my two younger sisters while being physically abused every day, from age seven to 17. I tried different ways to cope with my pain, from drugs to

drinking to cutting myself, to being intimate with men at a young age, which caused me to become a mother at 17 years old.

I was homeless with my daughter, struggling, trying to work and finish school. I got lost in a world I was trying to fit into. I lost myself trying to find acceptance and love in all the wrong places.

After 28 years, I felt defeated by people, situations, and life. I was ready to take my life. I was addicted to drugs, drinking and sex.

Then one day my daughter begged me to take her to the corner store, and I did. I saw the most amazing thing. I saw people preaching on the corner of the store we went to. We got stopped at the red light, and one of the brothers from the Door gave me a flyer and invited me to church.

About a month later, my daughter and I finally gave it a shot and attended, and it changed my life. God has delivered me from all my addictions, and all the pain in my heart. He has

changed my heart and my motives.

God healed my hands from carpal tunnel syndrome and through it all He has enlarged my heart. God is so amazing. Thank you, Jesus!

Greetings from the Great Pacific Northwest!!

We are praising God for all that He is doing in our midst! We had many outreaches during the months of October and November 2022, ranging from our annual Trunk Or Treat, to packaging Christmas Shoe Boxes. With every one of these events, our new converts

were heavily involved! It's such a reward to see disciples being made!

In December, we had several outreaches to advertise for our Christmas Concert. One of the disciples came up with

it was so timely! We had several visitors who came, with one who that same day was asking God to show her what church she and her family could go to. Another woman had lost her husband and needed a place to be for the holidays. They were all greatly impacted and a couple of them came to church the next day with one of them bringing their spouse, who was touched in that service as well.

To kick off the New Year, we had our annual "No talent" Talent Show and saw our new converts rise up again and perform! It was glorious! We had no idea these converts were so talented! Visitors came out that night, some of which were brought by the new converts! One of the converts sang that night and her husband who never really sets foot in church came and stayed for the concert! God is truly moving! Please pray for our new converts and their soon-to-be-saved loved ones.

Last but not least is our biggest praise report of all! In January, at the Prescott Winter Bible Conference, we launched our VERY FIRST Baby Church into the neighboring city of Marysville, Wa! We are ECSTATIC! We can't wait to see all that God does for our pioneering couple and can't wait to see all that God does

Pastor Jim Ballinger preaches marriage seminar in El Paso

Valentine's Dinner 2023

Our mother church from Las Cruces brought a few couples to join with us and we were privileged to have my pastor, Jim Ballinger, do our seminar.

It was exciting to see 11 of our own couples from the South Central church participate. We had a tremendous time and we're still receiving feedback regarding the content of the banquet. We've heard it said that the strength of the church is in the marriages of that church. We're investing in our couples and believing God for great things this year.

We have been experiencing amazing testimonies of salvation, miracles, and families added to the church. Our church has seen record breaking attendance already this year with visitors almost every service.

We're excited for the Spring and Summer months and we look forward to all God is doing as He builds His church and we prepare for the return of our Savior.

Outreaching for Christmas concert in Everett, Washington

an idea to make tickets for the concert with candy canes attached to them. People were practically asking us for them!

We were able to make lots of contacts and even got to take advantage of a local community event that our city was hosting and passed out many more candy canes and tickets there too!

Then came time for our concert and

in our own church as well! We're ready and hungry for revival, and this is the year for it!

We are forever grateful to be a part of this great Fellowship. Thank you to all our leaders and their wives. We are humbled and proud to say that we are "still taking the land" Everett and Marysville, WA for Jesus!

Hello everyone! What an incredible spirit of God we have been experiencing in our church this new year! God is faithful! Many wonderful things have happened since our last report.

In January, we had a guest speaker, Pastor Frank Bravo, from Washington. He delivered a powerful message about God being first in our lives. His message was refreshing, and we pray to have him again.

We continue to see a steady flow of visitors. A particular family has been visiting us for the past few weeks. We are believing for this family. God is amazing, and seeing his divine hand at work is always encouraging.

As the days are getting longer and the weather is warmer, our Bible studies have ended 'til this fall. We are eager to resume our Friday night concerts and street meetings.

We recently had our first street meeting of the year, which went well. It was exciting to hear the Gospel preached through a megaphone and to hear wonderful testimonies.

It is a great privilege to serve God with all of you. We want to take this opportunity to give God the glory! Please continue to pray for us as we pray for you.

Gallup, New Mexico

Pastor Tom Payne
Corres: Cedrick Samuels

Hello from the Land of Enchantment! We are experiencing a move of God here in Gallup, NM. We are excited about all that God is doing.

We kicked off our fall and winter season with a concert downtown at our beautiful courthouse square. The venue was filled with spectators and 21 people gave their lives to Jesus Christ.

The following weekend we had

Preaching the Gospel during street meeting in Fresno

another event called, "The Tonight Show with Jimmy Begay." Instead of Jimmy Fallon, we had Jimmy Begay host a night of music and testimonies. Our One80 building was packed with people, many of whom made decisions for Christ during the event.

Throughout the season, we had several One80 specials. In October, we had a Fall Festival. At the start of the Fall Festival, nearly 100 people formed a line for tickets. Throughout the rest of the evening, we witnessed more than 500 people in attendance. Seventy of those visitors prayed for salvation.

In November, we had the privilege of honoring our local veterans for Veteran's Day weekend. The event drew many people and we prayed with 18 for salvation. In December, we had a Concert in Whoville. We had more than 200 people attend with 20 who prayed for salvation.

In November, we had a revival with Evangelist JW Ballinger. Many people prayed for salvation throughout the week. Shortly after, we had a two-service revival with Pastor Ralph Blanco. Both revivals brought timely words for many. We witnessed healings, deliverances, salvations, and rededications to Christ. Numbers of people were filled with the Holy Spirit.

At the end of 2022, we had our New Year's Eve fellowship. Many people attended, and several prayed

for salvation. We shared our end-of-year video and announced an exciting number of people who gave their lives to Jesus in 2022.

Our recent weekly outreaches to the mall and flea market have been fruitful. Tax season caused a surge of people at our local mall. We've used this as an opportunity to share with them how Jesus can change their lives. Lots of souls are open to the Gospel. In two weekends, we saw 77 people make decisions for Jesus.

God is giving us supernatural favor within our city. We give God all the praise and glory for what He is doing here in Gallup, NM. Continue to pray for us as we pray for you.

Hampton, Virginia
Potter's House
Pastor Roman Covos

Greetings from Hampton, Virginia!

The Hampton Potter's House Church has been experiencing a wonderful time in Jesus and soon will be approaching our two year anniversary. Our church opened Easter Sunday of 2021 when we were launched from our mother church, The Potters House of Newport News, Pastor Larry Mitchell.

This year we have themed, "Faithful." Our God is proven faithful! He has brought in a number of new Converts and a solid core of about 25 people in the last two years.

We have five people in song service and our Sunday morning worship is held with live instruments as we are continuing to learn and add more songs to our worship list. Playing live instruments has truly been a blessing to our church.

In November of last year, we were able to challenge one of our core couples to take six teenagers to the South East Teen Rally held at The Door in Jacksonville, North Carolina. It was such a success that we were able to start a Teen Bible Study group at the top of this year called FYR(Fire), "Faithful Youth Redeemed."

Hakeem and Megan are the faithful couple heading that up.

One young lady in our church named Ateeanonya, was radically saved last summer and has been a trail blazer for more youth getting saved in our church. Our Teen Bible Study group meets one Saturday night a month as of now and is growing!

We've also been able to do two rounds of the, "Solid Foundations Bible Study" which is a 14-week lesson. With growth in another one of our core families, we were able to pass the baton and have them lead the Bible study. Rob and Tiana are currently hosting the group of new converts of about six people in total.

We are constantly seeing visitors in our church services and right now we

Group from Hampton, Virginia attended Teen Rally in Jacksonville, SC

are experiencing direct fruit from our church family witnessing to their family members, friends and neighbors!

We were also able to take three families to the Jacksonville, NC marriage retreat this past February and had an amazing time.

God is pouring out His Spirit in Hampton and we are continuing to see growth in converts that are getting saved in the church. Please continue to pray for us as we pray for you!

Pastor Adam and Beth Stephens went into full-time ministry effective April 16, 2022. Since that time, the Katy fellowship has continued to flourish, grow and be active in the local community and worldwide.

In November 2022, Pastor Hector Ortiz traveled nearly 14,000 miles to minister in Katy, Texas, delivering

two powerful sermons and a Men's Discipleship session. And then in turn, Pastor Stephens had the privilege of traveling with Pastor Campbell to Cape Town, South Africa for their Harvesters Homecoming in January 2023.

The Door, Katy held its First Annual Valentine's Day Dinner on February 11, 2023. Eight couples enjoyed the catered night out, laughing the evening away while competing in the "not-so-newlywed game."

The couples also captured the moment with a photo booth picture. Several of those in attendance were visiting the Fellowship for the first time. Unique events like this one are enriching to the community and help enhance our ability to reach souls for Christ.

Pastor Curtis and Mary Carter were launched internationally to Bagamoyo, Tanzania from Katy on February 13, 2022. The church sent an impact team to Bagamoyo from March 8-15, 2023. The 15-person team assisted the Fellowship with outreach and enjoyed delicious meals, fellowship and cultural excursions.

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: Mario Sanchez

Hello everyone from Las Vegas, New Mexico.

Since our last report, in the month of October on Halloween night, we

had a Harvest Fest that included game booths and handing out tracts, candy, and a Gospel witness. We saw more than 200 people come out and had people go through our first attempted escape room, where they had to find clues to get out of the room. On their way out they were presented with the Gospel of Jesus Christ and 27 people gave their lives to Jesus!

We have also seen our youth rising up to form bands and minister the Gospel through their music and testimonies, joining the drama group, street preaching, and outreaching with us. God is doing a great work in their hearts.

There has been a great door that has opened for us on one of our universities to be able to start a Bible club on the campus. This has also led as a gateway to be able to use a classroom for the Bible studies and the use of a theater hall for concerts every other Saturday. There have been various visitors and we have been seeing people get saved.

In the month of January, we were blessed to be able to announce out of the Prescott Bible Conference Jaime and Georgia Cruz going into Callao, Peru to pioneer a work there.

During the month of February Evangelist Jerry Fussell came and did a marriage seminar in which God met with the married couples. He stayed over and did a revival for us and we saw people saved and healed by the power of God. We are praying and looking forward to all that God is going to do this New Year in and through our lives for the Gospel.

Pray for us as we pray for you.

**Leander, Texas
Potter's House
Pastor Cixto Saucedo**

All glory to Jesus Christ! Greetings from the great state of Texas. We are seeing the hand of God moving in Leander, Texas.

Since we started the church almost two years ago, we have been going to the streets, parks, apartments, and houses and inviting people to church, but more importantly, inviting them to know Jesus Christ on a personal level.

We have had one couple and a brother that have been coming out to church faithfully since we opened up the church.

Last summer, on one of the park outreaches, we invited a man to come and listen to live music and eat some hot dogs, chips, and watermelon. He responded by saying, "That's the park they call 'Abandoned Park,' because nobody goes to that park."

We continued our morning outreach and in the afternoon we started setting up for the concert. We had a band from our mother church in Austin come. We started the concert with no visitors, but by the end of the concert we had 11 visitors who heard the Gospel of Jesus Christ.

Toward the end of last year, we had revival services with our mother church pastor, Pastor Terry Wakefield. We had visitors and members who were touched by God. People were healed and delivered from sicknesses. The church was greatly encouraged by the preaching of Pastor Wakefield.

In November, we had another revival with Evangelist Jeremiah Wacker. We had record attendance during the revival. Brother Jeremiah was able to minister powerfully and people responded during altar call and prayed the sinner's prayer. We are grateful for what God did during the two revival meetings.

We have been fasting and praying for miracles, break-throughs, and divine encounters. God has answered

Group of men from Little Rock halfway house touched and changed by Jesus

our prayers. This January, while the Fellowship was having the Prescott church conference, a family of four from the country of Iran walked into our service and the first thing they said was, "We want to change our religion." Since then, they have accepted Jesus Christ as their Savior, gotten baptized and have been coming out faithfully to our services. They are very excited for the new life that God has given them. They are hungry for the Word of God.

One of them testified: "The day I went to the Potter's House church for the first time, there were many problems in our lives. After talking with Pastor Cixto and continuously attending the church and listening to the teachings of the Bible, a window of light and hope opened in my heart. It was more like a miracle than a simple event. My heart was filled with the love of Christ and God, and my heart's faith in the truth of Christ has put my soul in incredible peace. The problems and issues of our lives were solved one after another, and this is incredible. It was that faith in God and Christ that has been so effective in our lives. Now I feel like I have been reborn and great changes have taken place in my life. I have found love for my fellow man with every race. I am excited and happy and I hope I can share this beautiful feeling with others. God bless you all."

We are grateful for the leadership and support from our mother church in Austin and from everyone that has been praying for us. Please keep us in your prayers. All glory to Jesus Christ!

**Little Rock, Arkansas
Potter's House
Pastor Daniel Foster**

Greetings from Little Rock. My wife and I took over the church here in Little Rock, Arkansas in May 2022. We are so blessed and privileged to take over this wonderful church.

We immediately started having local outreaches and doing what we have always been taught - house-to-house, street preaching and movie outreaches. We saw visitors come out and people saved.

In September, we had a timely Revival with Evangelist Artie Marin. He came and preached powerful messages and gave timely words to our congregation.

On the last night of revival, two men came into our service. One of the men, Mark, works at a halfway house a couple of blocks from our church. They were just taking a walk that night and saw our sign and decided to join us for service. He was inspired by the preaching and said he was going to start bringing some men from the halfway house to our Wednesday night services.

Since then he has been coming regularly and bringing a group of guys with him. We have seen men get saved and we have been able to baptize three men from this group.

There is also an open door for me to go into this halfway house to min-

ister to these men. The men come straight from prison into this house. While in this house, they help the men find jobs and they remain there for six months. We are currently working with a group of them and praying for lasting fruit to remain. We are looking forward to all God is going to do.

There is such a great need here in Little Rock. We are praying and believing God for revival!

We would like to thank Pastor Roman and the McAllen Congregation for their investment and prayers. And also thank Pastor Greg Mitchell for carrying on the vision and legacy of our Fellowship! Please pray for us as we pray for you.

Longview, Washington

Pastor Dean Young

Hello from Longview Washington. God is doing great things in our city and we are having tremendous revival!

People are being delivered from drugs, alcohol, and sin. We have a woman in our church who was bound in drugs and homosexuality for more than 30 years, but God saved and delivered her. She is now one of the most faithful people in our church and has been a key convert in our city. There's also a disciple, incarcerated for more than half his life, delivered from smoking and wants to live for Jesus. We have couples and youths rising up for ministry, and we just started a band that can be used for our concert scenes.

During the summer of 2022, we put on a family fun day in our parking lot and throughout the day 150-200 people came to the event. From the family fun day event a single mother came to church and was delivered from addiction and is still coming to this day.

During October 2022 we had one of our best outreaches, where we did a haunted magic show that lasted two separate days. With both days combined we had 300 visitors, and multi-

ple saved, with people still coming to church from that outreach!

God is already doing great things in 2023. We are excited for all He has for Longview. Please pray for us!

Greetings from Pleasanton, TX. We are excited for what God has been doing in our city.

In 2021 Pastor Josh Steele took over the work in Pleasanton from Pastor Adam Mora. Pastor Mora and wife Sylvia built a tremendous foundation and since the transition God has continued to move in our city. We've had many

Revival in Pleasanton, Texas with Evangelist Jeremiah Wacker

great revivals over the past couple years - 2022 was highlighted with revivals with Pastors Roger Gamboa and David Maldonado, along with Evangelists Frank Escobar and Ray Felan. God met us in each revival, bringing specific words for specific times.

We've seen many miracles over the past year, receiving victory reports of people getting healed from cancer along with other infirmities. In addition to physical miracles, God has opened doors financially. We've seen many of God's people receive significant pay increases. Doors were opened for new homes and business owners were able to expand their businesses.

God has been doing a great work through our movie outreaches at the local park with many saved and young

people being touched with the Gospel. We closed out 2022 with our Christmas Ornament outreach at our local Merry-On-Main festival. The South Side San Antonio church came and helped with the event, making it a complete success. We were able to pray with people on the streets and hand out many invitations, not to mention we had a blast making ornaments with the children.

We started 2023 off with a bang as Evangelist Jeremiah Wacker came and brought encouragement and tremendous words to the congregation. Many were filled with the Holy Spirit and stirred in their spirit.

We are excited to see what God has in store for Pleasanton, TX for the rest of this coming year. Please continue to pray for us here in South Texas.

Hello from Rochester, New York! We are excited to bring a good report of revival here over this past winter!

In November, we had the honor of having Evangelist Patrick Johnson come and preach a revival. He brought an encouraging message to our congregation and we are grateful for his ministry!

In December, we were able to send an outreach team down to Puerto Rico to help evangelize and support

a church in the area. It was a great time of evangelism, and we are excited to see how God will move in that community.

This winter we had a baby dedication, which was an exciting victory for our church. Four miracle babies were recently born, so it was encouraging to see those babies as well as three others, (for a total of seven babies) dedicated to God's purposes.

Lastly, our Christmas play Ebenezer was a huge success this year. The cast and everyone involved was specifically praying and contending for more visitors than we would have room for, which is exactly what happened! We were pulling chairs from backstage, having church members stand in the back, and creating seats out of whatever we could find to accommodate the abundance of visitors for both performances. We were also able to see young people stepping up in ministry for this play, as well as new converts getting involved. Overall, the play had a great response from the public, which was extremely encouraging to our congregation as a whole.

We would like to express our gratitude to the Fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

God has blessed our church abundantly, and we are so grateful for the opportunity to reach this city for Jesus. Please pray for us here in Rochester as we continue to take the land!

Hello from Seguin, TX! We bring a quick testimony of how God is moving in our city and congregation.

In November we had our 2nd NP night for 2022 with four of our men participating. They brought the mind of God to the church, following the foundational steps our fellowship has

taught them. In the month of December, we began bible study for our teens and continuing our street preachings. Our church was blessed in mid-December with a revival featuring Pastor

Moses Aguilar. Preaching mostly regarding finances, he also offered a few financial classes benefiting our church as we were able to ask questions to better understand God's word on finances and financial blessings. We were able to ring in the New Year with our first annual No Talent-Talent Show. People were able to share their talents in form of acting, comedy and singing while eating the state of Texas favorite BBQ.

In January, we began Sunday School series centering around the "Foundations of the Church & Why We Believe What We Believe". It has really helped the church bring understanding of our fellowship, our beliefs and mission. We were blessed to attend our Harvester's Homecoming at our mother church in San Marcos with Pastor Artie Aragon of Chinle, Arizona. Timely messages for our church, mother church and sister churches in Lockhart, TX and Mount Vernon, WA brought refreshing to our local leadership and congregations. Pastor Aragon emphasized on the importance of church and those who serve are vital to the strength of our mission and we can't allow the

new "belief" that we can worship, read our bible and pray within the comfort of our homes. He reminds us of the power of our local churches and it's supernatural intent regardless of what

we see or do not see; one thing and one thing only is that there is nothing more powerful than the local assembly and all that can be done within the walls. We can't thank our mother church for the initiation.

In February we were able to conduct a Single's class for our church and a few others from our surrounding area; there were about 17 people in attendance. We provided a meal and a preaching. He spoke about devoting your singleness to God and being able to do more within your church;

not rushing into relationships or giving into lust but rather keeping your purity. It was a good time for all who attended. We are now preparing for our revival in March with Pastor Roman Gutierrez. Please continue to pray for our church as we look forward to seeing what God is going to do this year.

Greetings from Southwest Houston, Texas! We are pleased to report all the great things God has been doing in our church.

We have had many couples and single people added to the congregation through out the year. We have experienced growing pains as the core of the church is being stretched. God has been showing us how to work with different people from the youngest to the oldest. Men are contending to preach the Gospel and God has formed some amazing relationships for the future of the

Tucson, Arizona Door celebrating 50 years of ministry with parade entry

To mark our “Jubilee Year,” monthly “Jubilee weekends” have been scheduled with many of our homegrown pastors preaching, and their wives testifying. This will culminate with a 50-year celebration banquet scheduled for December.

Also, in celebration of the event, our church entered a float in the Tucson Rodeo Parade. In blustery cold conditions, a horse-drawn wagon carried musicians playing, followed by church members carrying banners and flags from nations that have been touched for Jesus, along with people testifying and sharing the Gospel.

God has blessed our church in recent months with many people getting saved and a number of people being baptized with the Holy Spirit.

Pastor Garrett King recently preached a message pointing out that “Pentecost” also means 50. We are believing that this 50th year of ministry in Tucson will prove to be a year of significance, marked by a Pentecostal outpouring of revival in our church, our Fellowship, our nation, and the world.

church. We have had three Teen Rallies, with souls saved in all three.

One young lady from those rallies has been baptized and is still serving God today.

We were able to send out Jorge and Melissa Martinez in November. They were announced to Honduras as missionaries during the last El Paso conference.

In October we had an outstanding Fall Festival with a Wild West theme, along with a mechanical bull for the third year. As the faithful men and women in our congregation put forth their time and effort to build and to serve our community, God was faithful to bring souls to the event. We were able to plant seeds of the Gospel to many.

Our second major event this year was with a revival with Pastor Ernie Toppin. This was an amazing revival. We first set up an concert outreach at a local park. Pastor Toppin was singing and preaching the Gospel, and you could see the people of God sharing their testimonies and what Jesus Christ has done in their lives. At the altar call eight people gave their lives Jesus Christ with a total 16 souls saved!

Two young men, fruit from that concert, also showed up for the revival that started the day after.

Our most recent event was in February, our second annual rally. Powerful men of God preached with anointing such Pastors Willis Gordon, Rene Galaes, and Robert Correa. Between the

two days of the rally several Fellowship churches supported with 392 people in attendance.

Several people answered the altar calls to surrender their lives to Jesus. The Houston Southwest Church is on the edge of revival. Please keep us in your prayers as we continue to win this city for Jesus.

Greetings to all the Fellowship saints. We in Tucson are excited to be part of the great things that God is doing in these last days.

This year started with Pastor Warner preaching and announcing the theme for the year, which is, “50 YEARS CELEBRATING AND PROCLAIMING THE GOOD NEWS.” That’s right, this year will mark 50 years since Pastor Harold Warner and his wife Mona rolled into Tucson, Arizona.

Pastor Warner’s stated burden and desire was “to see God do in Tucson, what He was already doing in Prescott.” Since then, our vision has enlarged, along with that of our Fellowship, to include reaching the world for Jesus. God’s faithfulness and blessing toward that vision is evidenced by the many flags from nations of the world that adorn the walls of our sanctuary.

Greetings from West Las Vegas, Nevada!

We kicked off the fall season with a harvest festival to celebrate the Halloween weekend. Many of our faithful saints structured over a dozen booths in our church parking lot. These tents were all unique to their own specific games, specialty foods and evangelism.

We also saw many food vendors set up shop with us, to provide more of a festival feel and draw in more of our community and city. Last but definitely not least, we erected a full stage to accompany church bands, rappers, singing and drama skits to perform during this event.

Remarkably, we saw more than 1,500 people pass through during this weekend of festivities!

Gail Lamb acts in Christmas Gospel drama in West Las Vegas church

Many folks answered the altar calls and we saw remaining fruit from this outreach.

We didn't waste any time after that momentous weekend, as we were privileged to have evangelist Ernie Toppin start a week-long revival that same Sunday! The revival built over the course of the week as brother Toppin ministered through special music and life changing preaching. We saw many healings along with words of knowledge given, and most

importantly souls saved.

Our prison ministry is once again thriving. After a long shut down due to Covid and prisoners escaping from the prisons near Las Vegas, the prison ministry was able to go back in to provide hope and direction to the inmates. The first week back they saw 24 respond to the altar call and six healed. Many expressed a desire to come to church and serve God when they get out.

We currently have precious souls that were once ministered to while being in prison, who were subsequently released and are serving God with us faithfully today!

We finished off our year with a tremendous Christmas play outreach event called "The Tales of Christmas." This was a two-day showing with many visitors and saints alike. The Gospel was preached and we saw many souls bow their knee to Jesus Christ.

With all the uncertainty and drivel this world offers in the modern day, we are blessed to possess the only solid foundation that will stand through it all, and that is salvation through Jesus Christ.

Continue to pray for us, as we con-

Disciples have been contending for the fullness of God's power in this ministry, fasting, giving, and meeting at the One80 during the week to pray and lay hands on the facility. Over the years, many have been discipled, prepared, and launched into the ministry following their involvement in the One80.

Nate and Ashley Rush are examples that the pattern that we follow works. Nate, now Pastor Rush, has faithfully preached altar calls for the past two years in the One80. In February, he was launched to assume the pastorate of our Santa Fe, New Mexico congregation. Although his absence will be felt here and their family greatly missed, we are excited to see all God has for them and to see who will rise up and fill the gap.

We are excited about our new

One80 project, which is currently under construction at the front of Prescott Valley. The foundations for our new concert facility have been laid; however, we plan to build on the same foundations that have supported this ministry from the small beginnings of our Fellowship. The new location is simply an extension of our longstanding vision and calling handed down to us in Mark 16:15.

We are gearing up for our summer outreach season. Disciples have already begun filling the calendar with the outreach events they will plan, organize, and lead themselves. We've already had an awesome time so far, and we can't wait to experience all God has for us in 2023. Join us in prayer for this year's harvest; it is time to prepare our nets.

WORLDWIDE MINISTRY

Lanús, Argentina
Casa del Alfarero
Pastor Cesar González

My name is Cesar González and I am the pastor of the Casa del Alfarero Church, in the City of Lanús, located in the Gerli neighborhood, Argentina.

With my wife Vanina, I've been pastoring this beautiful church for nine years.

Lanús is a very Catholic city, with mostly Italian families of several generations and sometimes it takes a little longer for the Gospel to reach their hearts, but it's not impossible thanks to the help of God and His Grace.

Our church has remained firm despite the time of the pandemic, even though the premises were closed for two years (in Argentina the quarantine lasted two years) but not so in our walk as believers, since we have testified and preached by all means possible.

When the city government allowed the meetings with a separation of one meter per chair, we opened the church, and rotated the attendance of the brothers.

One night after finishing the service, a young man named Maxi, a praise leader today, who lived a few blocks away, approached us to tell us that during that time of Quarantine, God had made Himself real in his life in a supernatural way. He accepted Jesus that same night at the door of the church and since then he has been faithful for two years and is an approved worker in the work of God.

At his baptism, 64 people visited us, where in the call prior to water baptism, all the people raised their hands. From that moment another couple and their children and two families congregate with us. They are also faithful brothers

for the glory of God.

In Quarantine time, a couple was also saved, the one involved in the occult. Today they are pillars and faithful of the church. All this was in the year 2020 and 2021.

In 2022, we already started with all the regular face-to-face services, and the church began to grow and mature. Pastors visited us in special services and revivals, both from Argentina and abroad.

Pastors Torres, Maiolo, Pugliese, Marquez, Panopulos, Varela, and Delgado ministered to us. This encouraged the church to continue the work of God. We are preaching in the streets, hospitals, doing One80, and discipleships, and we can see the fruit. God is faithful.

Disciples are preaching in the church and active in Bible studies, preparing to go out into the field.

We are praying and believing God to continue and bring forth His will.

We want to thank my Pastor Juan Pablo Cardo (Sivina) for his love and investment and the Prescott Church for its investment in Argentina through Pastor John and Erin Maiolo, who started this labor of love, and to God above all things

Greetings, we love you in the name of Christ.

Greetings from Arnhem, Holland! These are exciting days as the world is more and more in turmoil and we get closer to the Coming of Jesus each day. The more reason for us to stay busy with the work of God and preaching the Gospel to the unsaved.

The year 2022 was busy in Arnhem as always. We went with several impact teams to cities both national and international. Especially our team of 22 people to Constanta, Romania, came home excited after seeing many saved and new friendships being established with brothers and sisters from our Romanian fellowship. Also, the eight saints going to Malta came home stirred after an exciting and fruitful trip.

In May we had a marriage retreat with Pastor Keith Sullivan of Rochester, New York, which was well received by our own married people and many of the baby churches.

In Summer we took advantage of the unusual hot weather in Holland by doing most of our activities outdoors:

Pastor Ernie Lopez ministers revival in Arnhem, Holland

putting up concerts and small crusades in different neighborhoods, with God confirming with healings and salvations.

In the Zwolle conference in August, long standing member and former missionary Jan-Willem van Dam was announced as evangelist out of the Arnhem church. God is confirming this step in faith by keeping him busy from the start.

In November we celebrated 40 years in Arnhem with founding pastor Bart Kooijker and his wife Wilma, and with many others who were instrumental through the years in establishing and supporting our church. We are glad to see that our church today is a reference point for many and a mother church for national and international works.

In January we had five people saved when one of the brothers put up a magic show which brought out 25 visitors. And we had Pastor Ernie Lopez from El Paso coming for us and preaching an intense revival on Bible prophecy and signs of the times. The saints were challenged to greater zeal and visitors were touched, with 15 responding for salvation.

It's both a privilege and a joy to be part of what God is doing throughout the world. Thank you, Pastor Mitchell for the great vision you keep imparting in us and thanks to Pastor Schuitema and the Zwolle church for the leadership in Holland. God bless you all.

Greetings from the beautiful island nation of Barbados, we want to thank everyone praying for us.

Street Outreach in Barbados

In October we announced in the San Antonio Bible Conference a couple from our church to pioneer a new work here on the island. Since then the Lord has been faithful to add new people to our congregation. We've seen a lot of decisions made for Jesus in our one-on-one evangelism at a supermarket parking lot near our church. We've seen new converts make key decisions to leave their life of sin.

We had a marriage dinner at our

church that turned out to be fruitful.

Barbados is a beautiful place with beautiful people who need the message and example of the Gospel. If you're available to come with an invasion team we will gladly welcome you! Please keep us in your prayers as we pray for you.

Bat Yam, Israel
Potter's House
Pastor Bobby Perez

“Hear Oh Israel” is what that phrase means, pronounced “Sh-ma Israel!”

My wife Carrie and my sons Max, Robby, and Jack were launched out of the 2021 El Paso conference to Bat Yam, Israel. We have been here a year now and God has been faithful in and brought us this far.

We arrived and had a culture shock, which we expected, but once we began to pray, God began to direct us. The first thing we experienced was favor in our home. When

we arrived every person I told about what I was doing simply dismissed us and said “that will not work.” They said we would not find a place to rent without a visa. We began to look and within days we met a man and he immediately said he would work with us and rented us an apartment under his name!

We then began to attempt to speak to people but the language barrier was difficult. I prayed that God would bring English speaking

God is already moving in a mighty way in Bat Yam, Israel

people to me so that I can witness. We began to play table tennis at the park nightly and people have come to us and introduced themselves in English and I have been able to witness and pray with a few of them at the park.

We live in an area with a lot of Russian immigrants that has more than doubled because of the war. Most of these are men with no direction, country, and no God. Some spoke English and I was able to pray with them, but I prayed one morning asking God to give me a convert that speaks Russian and English.

That same day I received a call from Pastor Golubev that he had a disciple who is moving here and wanted me to connect with them. Laroslav and his wife Nina, and son Mark arrived a week after this conversation. An English speaking Russian, Laroslav's arrival has really accelerated the church. We are excited about the potential that they bring to the church.

Finally, people said that I would never be able to rent a building, but God is BIGGER than them! We began to look and found instant favor with a man who allowed me to rent with no problem. We are ecstatic for the relationship with our powerful God who has given us favor with men here in Israel. Keep us in prayer as we continue to pursue the Jewish Nation for Yeshua. Thank you El Paso for your investment. Thank you Pastor Greg Mitchell for your leadership, and Pastor Paul Stephens. You are the reason this church ex-

ist, your investment has reached the Land of the Lord.

The Beechboro church under Pastor Daryl Elliott is doing exceptionally well, we are truly experiencing revival here down under! A huge highlight for us was our

Summer park outreach in Beechboro, Perth, West Australia

December One80 special Poly Music Fest. This event was to draw our Polynesian community in. We flew Pastor Fritz Helg from Melbourne to help us with the concert and share his testimony throughout the night. We had over 500 in attendance with

many many people giving their lives to Christ.

The months of January and February have been very exciting. Our disciples have been flat out, reaching the community in various parks all over Perth. Disciples organise a trailer with all the equipment in it and take it to the arranged park to be set up for live music, sausage sizzle and movie. At the end of the movie an altar call is preached for people to respond for salvation. We have had countless reports of many people saved!

Right now, we are just over half way through our Outreach Season and have had more than 300 people saved!

We held a Waitangi Day celebration in the park and flew in the Central Auckland crew to help us with our concert. We had over 600 in attendance and 25 people gave their lives to Christ that night!

As a result of the labour of the church members in all of these outreaches our church has been having exponential growth! The church is in a state of revival and people are very much excited about evangelism and working with new converts, there is a fresh wave of God moving and the church is not wanting to miss what

God is doing.

We are going strong and God is helping us. We are looking forward to a fruitful year ahead. Please continue to pray for the Beechboro congregation, Pastor Elliott and the Australian Fellowship.

Greetings from Cape Town. It is a privilege to be a part of what God is doing.

In November we had a revival with Pastor Brandon Pepich and saw several of our people encouraged through words of knowledge and baptized in the Holy Ghost with speaking in tongues.

During that revival there were two visitors that received a miracle

of healing. One was from a hernia and the other was a deaf ear that was completely restored. Both have been visiting our church after this revival.

In December we had our annual Christmas service where we invited families to our service for a small gift bag of sweets for their children and a photo with one of our men dressed up as Santa Claus.

This year we had over 70 visitors (including the children) and four

people answered the altar call for salvation.

In the evening service our church did a Christmas play called "One Ni

ght" where we saw 14 visitors and two people answered the altar call for salvation. From both of these services we have seen visitors coming back to our services.

Throughout the summer months we have been having a midweek outreach, sometimes two, where we see several people praying a sinner's prayer with some of them being Muslim.

God is faithful to help His church in Bonteheuwel and we are believing God for supernatural increase in our fruit to remain.

Greetings from Davao City, Philippines! Praise God for all He has done here in our church for the past months.

Last December, we had our last revival for 2022 with Pastor Genaro Bugtai from Tacloban City. He ministered on the test of our faith and what we profit from our trials.

It was also during this time that we had our Children's Christmas Presentation on the theme "Armor of God" followed by our first ever Christmas Musical Drama entitled "He is Born." Young and old saints labored, prayed and were encouraged. We saw visitors responding to the Gospel at the altar and received Jesus.

We started off this year with a wonderful revival with Pastor Robert

Nadala from Dumaguete City. It was a great time of refreshing and equipping the church with inspiring messages on making good decisions for a good destiny and the importance of finishing well in running the race.

We thank God for the 12 souls who got water baptized at the end of January. Eight of them were new converts, fruits from one of our Home Bible Study centers. Their testimo-

nies of deliverance from drinking, immorality, hatred and other habits of sin brought glory to God.

This February, we just had a Holy Ghost revival with Pastor Celso Telen from Cebu City, who powerfully preached on the power of God, loving one another and bearing fruits. Our faith was stirred up with the fresh revelations and visitation from God. He also ministered in the Men's Discipleship Class and in our Couples' Fellowship. Everyone was blessed, encouraged with his testimony and ministry and visitors gave their lives to Jesus.

Our young disciples have been fruitful in their outreaches. Every Saturday, they share God's love and gift of salvation to the young people at the People's Park on a one-on-one evangelism. Lost souls hear the Gospel and get saved in their street preaching at the public market.

We are expecting more of God this year. By God's grace, we will be having two more harvesters to accommodate all our churches and by the end of this year, we will have a total of four harvesters and four conferences in all of the Mindanao churches.

We are hopeful for more opportunities in bringing the Gospel to more cities and nations. Thank you, Prescott and Tempe churches, for the vision, guidance and faithfulness.

Thank you for praying for us as we also pray for you. The grace of the Lord Jesus be with you all.

Greetings from the Chiwempala Church. God has been doing great things in our church.

After our 2022 Central African Bible

Conference, we came back fired up to reach our city for Jesus. We've continued with regular fortnight One80 Concerts which have gained traction.

God is using the faithful youth to reach their generation with music and testimonies of changed lives. Equally our Saturday morning outreaches of witnessing, street preaching and follow-up on new as well as old believers, have brought fruit in our church.

In November 2022, we sent an impact team to Kandabwe to help Pastor Jackson and Florence Nyirenda, who were having a three-day revival. The

team saw people in service that evening, as a direct result of their evangelistic efforts. Some of those individuals got saved and filled with the Holy Ghost during the revival.

In early December, a number of men attended the nationwide Men's Rally in our mother church in Lusaka. It was obvious that they were stirred and challenged to relentlessly engage the enemy.

The following week, we had Revival with Evangelist John Perry from Perth Australia. He ministered timely messages laced with testimonies of what God has done in the Fiji islands, and encouraged us to believe God as well.

Our Christmas play was a Nativity musical, which was our best Christmas production thus far. We wrapped up the year with a potluck dinner, and we saw our young men bring out their friends who gave their lives to Jesus that night.

We entered the New Year doing what we've been taught, powering on for Jesus. Our pastor shared with us a story of how one evening, right after the Sunday PM service, he and his family were

heading home when they saw this large crowd of Copper diggers - famously known as Stone Dealers, gathered by the corner near our church. He decided to turn around and engage them. While doing so one of them mentioned something about the Gospel. Pastor used it as an opportunity to share the truth about Jesus Christ and as a result 57 of them repented and prayed to get saved!

We are super grateful for our Pastor George Karabassis and the Libala church as well as Pastor Jeff Day and Pastor Greg Mitchell with their respective congregations.

Hello from Cuenca, Ecuador. We would like to give God all the glory for what He is accomplishing in us and through us in Ecuador.

What an exciting year we have had as God is building a work here. We arrived here in July 2021, and once

pled.

We have pushed our vision through our pattern here in South America, we continue to have concerts, dinner and movies, and neighborhood healing crusades. We have seen many people get saved and have baptized more than 20 people. Our outreaches have been very fruitful as we are seeing many people getting saved, delivered, and healed by the Blood of Jesus.

We have favor with teenagers getting saved as we have approximately 15 teenagers who are locked in and serving God. We recently had a teen rally and we had 87 people in attendance with 28 visitors and 19 people prayed for salvation with four getting baptized in water the same week.

There is a tremendous spirit of expectation in our church of all that God can and wants to do through our congregation. Continue to pray for us as we are pushing through into 2023 with force of momentum from heaven. Taking South America for Jesus!

kitchen sink at the Devil and his minions.

We've been using every excuse for an event to get people to come in and "taste and see that the Lord is good," - birthdays, baby dedications, game nights, even family reunions. Anything, anytime, anyhow!

If we notice someone looking in through the back windows during service, we'll hit the pause button and wave them in.

In January, Pastor Will García and the Panama City church came up (they're on the Pacific coast, we're on the Atlantic) and spent a Saturday with us outreaching. We started with a street procession (complete with Roman soldier, of course), which then lead to a concert on the steps of the church itself. There were testimonies, skits, music and rap, right there next to our local hotspot, the laundromat! The Holy Spirit moved in a powerful way. The next day a new family (with four kids) came to church for the first time, and they haven't missed a single service (or altar call) since!

God is helping us in Colón. Please put us on your prayer list (and keep us there for a while). Bendiciones!

Annual Victoria Conference in Footscray, Australia

Mitchell and Pastor Daryl Elliott come and minister for us as our key speakers. It also was a privilege to have some of our pastors from India, Mozambique and New Zealand join us. We packed the building with over 450 people and the supernatural presence of God was tangible throughout the services. This was highlighted by a powerful prophecy at the altar in which one of the pastors spoke about a great revival that is going to sweep across Australia. From the conference, three new overseas works were announced into India and New Zealand.

Our church then began to focus on the task of finding a new building while keeping our Summer outreaches a priority. The Footscray building we were in was about to be redeveloped and we had until the 1st of February to be out. November and December had come and gone and despite desperate efforts to find a new building we had no breakthrough. Our church through this time began fasting and praying for a miracle as there now was no hope left in the natural. We came to the beginning of January, one month before the deadline and we still didn't even have a lead, but this is where God moved.

Three weeks before our church became building-less, Pastor Plummer received a call from a friend of the developer and they were desperate to help us. He found us a rundown reception centre but was eager to make it work. The place would need a lot of work but after speaking with leadership and the church council Pastor Plummer felt that this opening was from God so he proposed an offer - four months rent free and then an indefinite period of \$1,000 a month

- and the man accepted!

Two weeks before we had to be out of our old building, by the miracle power of God, we signed an agreement for the new lease. The man who helped us get the building looked Pastor in the eyes and said, "this is a miracle."

On the 1st of February after many long hours of hard work by the saints we had our first service in the building. We've seen visitors in every service and people saved as well as great prophecies of what God has in store.

Our first corporate outreach following the opening was a massive food and music festival on the front lawn of the church in which we saw over 200 in attendance and 10 saved.

During this time, we also had an application accepted to buy our own building and we are believing God to give you a great report in the very near future!

Baptism in Groningen, Holland

to Groningen and after they came back from Perú (after being missionaries there for seven and a half years) they took the church again in Groningen.

Two other couples have laboured as well in Groningen in between and God moved back then as well.

Last year God saved especially young people, who are on fire for Jesus. They witness on the streets, take initiative and are serving God.

Recently we baptized several young people and we rejoice in what God is doing in our midst.

In the first week of February we had a revival with Pastor Garrett King from Tucson and we saw God move.

Our church is involved in world evangelism and it's a blessing to see the results!

Please pray for the work in Groningen and for the work in Perú as well (as the overseer of the work in Perú pastor Majoor is going twice a year to Perú to preach in the conference and rally. God is giving revival in Perú and we rejoice as well what God is doing in that great nation!)

God is doing great things in Siem Reap, Cambodia.

With constant prayer, preaching and witnessing, we have seen God establishing His church in this city. Faithful

couples are rising up to the challenge of leadership.

Men are coming out to prayer every morning followed by Bible study or outreach into the local market places. There is no greater joy than watching Cambodians who only a short time ago knew nothing of Christ or the Bible, now witnessing and praying with sinners.

Veasna is one of the men who got saved last year. God has changed his life from living in bondage to alcohol to freedom in Christ. Family members and friends have seen the powerful transformation in Veasna's life and they too have been saved and added to the church.

Veasna sent me this note:

"After believing in Jesus Christ, all is good for me and my family. I am so thankful to God that He sent his teacher and his family to spend time teaching me the right way. I always thank the Lord for His peace, compassion, and love for all. I thank the Lord Jesus Christ, the best God in the world, for dying to save and deliver. Man is free from sin. That is why I love Him and trust in

the Lord all the time. I worship Him and pray to Him to see Him in Heaven. We will believe in His name, Amen."

John Robinson came for our first revival and did a fantastic job, speaking words that have impacted the congregation. Some people who previously only came on Sunday mornings now came to every service and have continued to attend faithfully.

In May, we will be taking a group to the Malaysian Rally. This is the first time many of them have flown on an airplane or traveled to another country.

Everyone is excited and this has brought a new thrust for evangelism.

We are so grateful for this Fellowship and the incredible grace of God we have stepped into here in Siem Reap. Thank you

all for your constant prayers and support.

Antsirabe, Madagascar

Pastor Nathi Hadebe

Greetings from Antsirabe, Madagascar where Jesus is still changing lives! We bring a report of the powerful things God has been doing here.

Couples at marriage seminar at Antsirabe, Madagascar

Recently, we had a revival with Evangelist John Perry from Australia. This was our first revival since 2019 due to Covid. Evangelist Perry really brought fire from Heaven. We had num-

bers of people saved and healed!

One notable miracle was a lady in our church who had six miscarriages in nine years. She was going into her third trimester during the revival. The first night she was rushed to hospital and the hospital had said she miscarried. Someone stood in the gap and Evangelist Perry prayed for God's miracle working power to touch this dear lady.

A few days later, they could not understand but God did a miracle. Not only did the baby live but just two weeks ago the baby was born! Our God still saves!

Evangelist Perry did a marriage seminar for our church after the revival and really brought a word that strengthened our couples. Three couples that visited gave their lives to Jesus! We are thanking God for what He did in these services!

In mid-December, God did something supernatural in our church. It was just an ordinary Sunday and our building was maxed out with 187 people with 25 saved. The next Sunday 178 people with 12 saved. God has continued to pour out His spirit and we look forward to all God will continue to do.

In January at the Prescott Bible Conference we launched two works into Itaosy and Ambohibao, Madagascar. God has already shown favor to these couples going to these cities.

Just recently in February we held our annual marriage seminar. We hosted couples from our church in Antsirabe and the churches in the capital, Antananarivo. We had 30 couples in attendance. What an overwhelming joy to see the potential of Madagascar! As we look forward to the coming months,

we are excited at all the possibilities of God's work fulfilled here in this nation.

We are so thankful for Pastor Greg and Lisa Mitchell and the Prescott church for your giving and investments

in our lives and this nation. We are thankful to Pastor Jonathan and Rachel Heimberg and the Eldos church for your partnership in Madagascar.

To all of you who give to world evangelism, thank you! What an absolute honor to represent all of you here!

Pastor Jeevan Babu

Hello, I'm Jeevan Babu. My wife Navyarani and my beautiful four daughters are doing God's work in Gachibowli, Hyderabad.

It has been another year filled with miracles, healings, revivals and Holy Ghost showers. In these eight months we have around 400 new visitors, 240 souls got saved, and many people got filled with the Holy Spirit speaking in tongues.

We had powerful revivals in the

Revival in Hyderabad, India

month of August with Pastor Ravi Kumar and Evangelist Robert Polaco. Twenty-three souls got saved. In October we had a revival meeting with Pastor John Foley and 22 souls got saved. Six people got filled with the Holy Spirit, three people got healing. We saw a great move of God in our church. So many people got word, they got stirred up in faith and gave commitments to God.

We have started area wide Men's Discipleships. For each one 65-75 men attend. Many of them got stirred up and started getting involved in ministry.

Last year Christmas and New Years we did continuous revivals for four days and 32 people gave their lives to Jesus.

In February, we had a powerful revival with Evangelist Michah Wright

Outreach in Paris, France

– 35 people accepted Jesus as Lord and Savior, many people got words, and many got healed.

Pastor Zetout Diamonomosi

I am pastor Zetout Diamonomosi me and my lovely wife we are pioneering in City of Paris.

Two years ago we were sent out from the Zwolle Conference to Paris. We have been here 16 months. Paris is open for the Gospel.

It was difficult in the beginning to find a building. We had church in our home for 12 months and we've seen miracles and people come and give their lives to Jesus.

A team from Delft came with Pastor Henk Brusse. People were saved, and one family came into the church with three teenagers.

We've been in our new building for three months and we're seeing people come in one by one. Please pray for Paris as we pray for you.

Pastor Indra Senareddy

I am Pastor Indra. My wife Naveena and I Naveena started our pioneer work in April 2022. Within eight months God brought 180 visitors and every Sunday morning we have about 40 in attendance.

God has done many miracles in the past months. One older lady who is the grandmother of our church was paralysed in bed and was unable to wake up or walk. We prayed continuously for her and God healed her miraculously. Now she is healed and able to do her work!

A sister was demon possessed and we took authority in Jesus name. Immediately she got delivered.

We thank my Pastor Jeevan and Sis Navya for their investment in our lives. Our church was self-supporting within eight months and God is helping us.

Eleven people attended last December's India Bible Conference and came back stirred up to work for the ministry.

In February we had a powerful concert with the help of Hyderabad churches. We had more than 70 in attendance, with three new people and one saved.

Wayman Mitchell Memorial Tour

The Bible Land Experience

November 7-16, 2023

Departing Cities

Los Angeles \$3,595 Land and Air

New York JFK \$3,475 Land and Air

\$2,525 Land Only

Dear Friends,

It has always been Pastor Wayman Mitchell's desire that as many people in our fellowship as possible see Israel at least once in their lifetime. That is why he asked me to continue leading the tour so that opportunity would be possible. I will remain faithful to that as long as I can.

In 2022 we had to cancel because we did not have enough people sign up in a timely manner so we could not hold the rooms we needed. Many were disappointed about this but in a competitive business environment it could not be avoided. I am asking that for the tour Nov. 7-16, 2023, those interested in going would not delay but put in an application and deposit very early so that the tour can continue. We should be able to have a strong group by March or April so we can plan accordingly.

I know many wait until well into July but that will mean another cancellation. Pastor Mitchell's dream was for this to continue until Christ returns and I want to fulfill that dream. Please join me in honoring Pastor Wayman Mitchell next year in Jerusalem! You can find the applications and brochures on our website, thedoourofredlands.org Israel tab. They are downloadable as a pdf file.

Sincerely, Pastor Richard Cox
