Prescott, Arizona
Potter's House
Pastor Greg Mitchell
Corres: Alissa Wohlwend

Hello From Prescott! The last several months have been exciting and momentous for our congregation.

In the midst of a new wave of revival, we are seeing numerous people give their lives to Jesus in every service, and every outreach. Pastor Greg Mitchell has been preaching a series, "The Revival We Need," that is giving us an understanding of what it takes to prepare ourselves for the move of God that has been long promised. It is also giving us an appetite for the things of God and to see souls delivered and changed by Jesus.

We have had the opportunity to hold several different outreaches that reached a variety of audiences. Through these we have seen both God's favor and fruit added to our congregation.

Every year when our County Fair comes to town, we set up a fair booth. This has always been a fruitful time as it draws hundreds of people out, and gives us an opportunity to share the Gospel with people of all ages, and from all over the county.

This year we chose a theme of "Missing the Mark," and this was pulled off with the use of high powered nerf guns and spinning targets to help! As people stopped by the booth and took turns attempting to hit the target, it led perfectly to the sharing of the Gospel. We were able to share how none of us are able to make the mark, but God in his perfection took our place.

Throughout the weekend we spoke with hundreds of people, and we saw 29 souls respond to the Gospel. Additionally, we saw two notable miracles right there in the middle of the fairgrounds. One lady approached the booth who had a fractured hip and needed

walking assistance. After prayer she was powerfully healed and the pain left her body.

Another man came to the booth who claimed to be an agnostic. He stated that he did not believe in the power of God or that God even cared about him and his circumstances. We challenged him that God did indeed care very much about his circumstances, and he also has Power: the power to heal. The man had pain in his shoulder, and as he allowed us to pray for him, you could see the expression on his face change as all pain left, and he had no explanation other than there must be a God who cared for him and healed him.

The following weekend we held a performance of our play "Into the Sun." This play touches on the theme of suicide and shares the Hope of Jesus Christ that is offered to a broken generation. We had an open door into one of our high schools that allowed us to give a three-night presentation of this play. What stood out most about this outreach was the connections that were made with these young high school students who came out.

One of the teachers at the school gave incentive to her class to receive extra credit by attending the play, but only IF they got their program signed by cast members. This was a wonderful opportunity for one-on-one contacts to be made and it opened the door for deeper discussion on the message that was presented. Through this we saw several people not only give their lives to Christ, but also come into church and begin faithfully attending.

Our bi-annual Youth Extreme was held this past October, and we had nearly 450 youths from the surrounding area come to take part in this outreach.

We went out into the Tri-City area and began evangelizing and inviting people out to church and to our upcoming revival with Pastor Jerry Fussell. In the afternoon we definitely took our city by storm, as we

broke up into three separate groups, found busy street corners, and began street preaching. Each group had a hundred, if not more young people gathered on the busy intersection corners; all of them gathered around and taking turns on a bullhorn giving their testimonies and proclaiming the Gospel of Jesus Christ. For several of them, this was their first experience with street preaching, and it made an impact as a fire and boldness was stirred up in them.

To wrap up this powerful day, we had a performance of our new play "The Premonition." We had almost 700 people in attendance for the performance. At the conclusion we pulled an altar call and saw 35 people respond to the call to give their lives to Christ.

If all of this hasn't been exciting enough, we held our annual Haunted House the following weekend. This always draws a big crowd, as there is not really anyone else in the Prescott area that offers a Haunted House - or similar. This year we had people coming in even from out of town to wait in line, all for the thrill of being scared. We held the Haunted House for three nights, with the theme this year being "Asylum - You are just like us." It walked the visitors through an asylum, with the twist of being able to hear the thoughts and the torments of the patients. After they had been led through each scene we ended with the presentation of the Gospel, and the hope of rescue, salvation and true change. Throughout the three nights we had more than 600 visitors walk through with a total of 255 decisions for Christ, along with multiple people healed and even a few filled with the Holy Ghost.

We are tremendously excited for the favor and breakthrough we have been seeing through our outreach and evangelism the last several months.

We are even more excited at all that God still has planned to do in us and through us, and we look forward to even more testimonies in the upcoming months.

Testimony
Matt Sanderlin
Prescott Outreach Director

I stood in the back of the sanctuary, arms folded across my chest.

It was Friday night of the July 2021 conference. My brother-in-law had recently experienced a radical conversion. In two years, his life and family had been restored, and he was now being launched to pioneer a church in Mazatlán, Mexico.

I grew up in the fellowship and knew firsthand that God was real. However, I still struggled with God's calling for my life and with the confidence that He had my best interests at heart.

Despite living in Prescott, I only attended a few services during that conference. I agreed to go on Friday night to see my brother-in-law announced. At the end of the service, as the newly announced pastors were prayed for, senior pastors laid hands on Roberto Rojo.

Pastor Roman Gutierrez prophesied and gave my brother-in-law this word, "You are going to see great revival, and the moment you answered the call to go, He began to work in your family. The moment you step foot in that place, you are going to begin to hear about radical conversions in your family. As you have revival over there, your family is going to be having revival over here."

As Pastor Gutierrez gave Roberto this word, I rolled my eyes. My exact thoughts were, "This pastor thinks this Hispanic guy must have a bunch of unsaved family living here. But he doesn't know I'm the only unsaved family member here, and I am not getting saved!"

Unbeknownst to me, this was an answer to prayer, and God was orchestrating things to bring me to a decision.

For nearly five years, I had been running from God's will for my life. In my refusal to surrender, living a Christian life was an incredibly difficult experience. Trying to serve God on my terms was an ineffective uphill battle that I soon lost.

As my heart grew cold, I dropped out

A prophetic word during the July 2021 Prescott Conference put 'church kid' Matt Sanderlin, shown with wife Priscilla and kids, back on track

of ministry, stopped praying, and quit reading my Bible. I skipped church as often as excuses would permit. When Covid hit, I backslid completely and began to consider leaving the church.

Priscila, my wife of 14 years, had faithfully been praying for me. On day two of our Fellowship fast the week before the conference, my wife contended specifically for my salvation. She told the devil, "My husband and I are one. Therefore, you must get your hand off my life and my husband."

During that conference, Pastor Rubi preached a sermon titled "The Offering." This message greatly troubled me. For two weeks after that conference, I tried to shake the conviction, but God would not leave me alone. On August 1st, I came to the end of myself.

That Sunday afternoon, something inside me said it was time to decide. I was either going to leave the church for good or answer an altar call and fully surrender. After years of rebel-

lion towards God, I answered the altar call that night. I didn't just say a prayer or even stop at repentance. I made an emotionless choice of surrender.

In making this decision, sinful habits I struggled with for years fell away. My Christian life became one of excitement, joy, and new life. I developed a hunger for the word of God. Waking up to pray in the mornings became a joy.

It is hard to believe what God did in such a short amount of time. My wife is overjoyed at our newfound relationship in Christ and with each other. It was in 2017 that I told my pastor that I would never preach the Gospel. I thank God every morning that He did not give up on a backslidden pastor's kid.

I am in awe at the power of my wife's prayer and the prophetic word that came to pass in my life. Those words will forever be memorial stones I will reference as I continue in the Faith.

New Prescott drama available for outreaches

Prescott's new full-length drama, *The Premonition*, is now available for outreaches!

The Premonition, written and directed by Louie Paulino, is set in Indiana in 1987.

Seven high school senior friends are ready for their last year of school. They are also ready for some fun and excitement,

until one of them has a dream. Or is it – A Premonition?

Welcome to the scariest place on earth – your own dreams.

Always with a life-changing Gospel message.

For information on bringing this production to your church or outreach, contact Louie Paulino at loupaulino@gmail.com

'We are warriors: Protecting Our Children'

Prescott Children's Church Conference

March 2-4, 2023

Do you serve in nursery, Sunday school, Children's Church, Youth Bible Study, or other children's ministry? Join us for practical strategies while being refreshed and hearing from God! Speakers from: Prescott, Tucson, Chandler, Clovis, NM, McMinnville, OR, El Paso, TX & Norwich, UK.

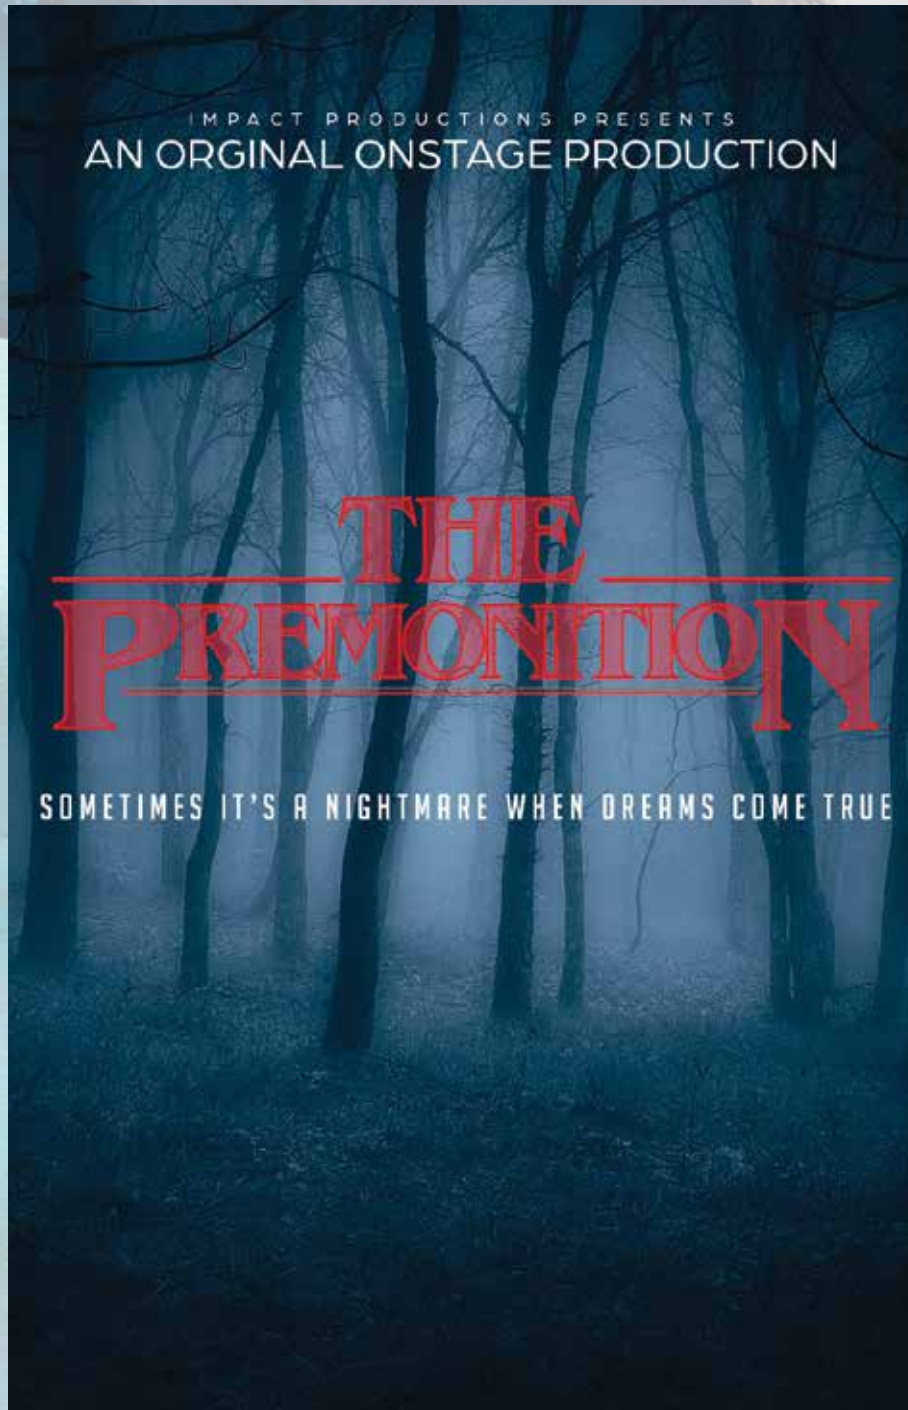

Prescott has a block of rooms at a special rate for this conference. Please note that the **hotel will not accept reservations from individuals** for this block. Delegates must use the online reservation system at www.reservations.worldcfm.com, which will be opened January 16 and closed February 20, 2023.

We must provide the hotel a guest list 7 days prior to arrival. Every person must be listed in the registration. Delegates will pay for their rooms when registering at the church prior to the Conference.

United States

Austin, Texas

The Door

Pastor Roland Perez

Corres: Gabriel Martinez

Greetings from Austin, Texas! We are seeing tremendous revival and are excited for all that God is doing in our church.

In our October Conference we were able to launch two international works, one to Roatan, Honduras and another to Da Nang, Vietnam! We are excited to see God move as he is already bringing favor in those areas.

We recently had our big Fall Festival that drew about 400 people with 20 giving their lives to Christ. We continue to see God bring in visitors and locking in people from that outreach.

We also had our first Austin Teen Rally in November. We had a great time with Pastor Gabe Rubi along with 100 teens, eight of whom made a decision to give their lives to Christ!

We continue to press forward as we see the day drawing near! Pray for us as we pray for you!

Fall Festival in Austin, TX drew 400 people with 20 saved

forced to move from our storefront location. I had seen a large building in an area where we would outreach frequently. I asked the owner if he would lease an area of the building to us. He agreed, but also offered us the full court gym across the hall, and the commercial kitchen to use whenever we would like!

The men and women of our church

cellent revivals with Evangelist Dan Felix from Chinle, AZ, Pastor Robert Dodd from Chula Vista, CA, and Pastor Dave Robinson from Wickenburg, AZ. Each revival was helpful for the congregation, with souls being added to the church and timely ministering to the Saints.

It has been a year of faithful labor

Newly remodeled building in Central El Paso, TX

stepped up and remodeled the sanctuary in three weeks. We had our first service at our new church the exact same week we opened five years prior!

We give all praise and thanksgiving to Jesus our Savior for the miracle we've received in our congregation!

and growth for our church. This year marks the first time that we have had consistent Saturday evening outreaches throughout the year. Our 180 concerts have been fruitful, as well as movie outreaches, family fun days and children's church plays, making an emphasis on consistent evangelism.

For the first time, our congregation put on a Halloween Haunted House/Play. The entire church came together to perform an original production entitled "Time to Die." Over three nights we saw 60 to 80 people come through the presentation and 15 people prayed a Sinner's prayer. We are still seeing fruit from that today.

The church has been faithful to door-to-door evangelism on Saturday

Central El Paso, Texas

Potter's House

Pastor Patrick Bencomo

Greetings from Central El Paso, TX!

We've had tremendous revivals with Evangelists Saavedra, Pugliese, and Roderick Gonzales. Time and time again God confirmed His destiny for our congregation.

I had received words in consecutive months from Evangelists Mike Gomez and Jerry Fussell regarding a breakthrough. They had no idea I had been praying and asking God for a tangible miracle at our five-year anniversary in November. Then in August, we were

The Central Tucson, Arizona congregation

mornings. We have seen new converts from the last year and a half make a strong commitment to the things of God, becoming qualified for ministry, and rising up to meet needs in the local congregation.

Two couples and a number of young disciples were able to go to the Prescott Conference this year and that stirred even more excitement in the church.

We are looking forward to what God has for us in 2023. Please pray for Central Tucson as we pray for you!

Chandler, Arizona

The Door

Pastor Joe Campbell

Corres: George D. Rose, Sr.

God has charged us believers to preach His word throughout the earth as a part of His great commission. He also promised that He would “watch over His word to perform it,” a promise that continues for us in today’s troubled world. It is in that spirit that we minister to the world around us.

God has continued to move in the teen ministry, Crossfire. We have a solid core of nearly 60 teens committed to the things of God. In September they hosted a valley-wide rally with Evangelist Al Jenkins with more than 130 teens in attendance. The teens flooded the altars with 10 precious young people coming to Christ.

They have remained active in the service of The King as they did a “Teen Takeover Night” for our 180 Music Venue, ministering in song, drama, testimony and even preaching the altar call. In addition to serving the House of God they have challenged the parents a kickball tournament which they won, twice! They remain a powerful force in

Sisters from Chinle prepare frybread for Chandler Native American Day event.

the Chandler congregation.

We were honored to host our International Bible Conference in late September. The theme of the conference was “Work While it is Day,” with a focused urgency for us to labor while we still can in our changing world. With leaders from around the globe, the Word was declared urging those attending to heed the call. The evening sessions were attended by more than 1,200 souls. At the end of the conference there were nine new domestic and six international works launched, with the majority of the overseas works planted by our overseas churches! Praise God!

October found us back at it with our annual Native American Day celebration. Pastor Aragon came with the Navajo Nation Choir from Chinle. Brother Artie brought messages birthed from years of sacrifice and dedication to the Navajo people, messages formed from him being poured out before God. Each service saw souls saved and touched by the

hand of God. Of course, we did have to minister to the community with copious amounts of frybread. What a blessing!

We were able to close out the month with our annual Trunk or Treat event. Many members of the congregation put together displays and games to engage the families while our bands ministered in song and testimony. More than 600 visitors came from the community with 12 souls giving their lives to Christ.

We close out this report with our 3rd Annual Veteran’s Dinner. We were able to outreach at the local V.A. clinics and facilities as well as a Veteran’s Day Parade. More than 60 people attended with 23 first-time visitors from the veteran community. At the end of the day three precious vets got saved.

Continue to pray for us as we pray for you and as we labor for souls for the kingdom.

El Cajon, California

Potter’s House

Pastor Michael Bethea

Greetings from El Cajon, CA where God is changing lives. We took over the church in June 2022 from Pastor Gilbert and Yolanda Zazueta, a precious couple that laid down their lives here over the past 25 years in San Diego, CA and did a great work.

We did our first movie/concert scene outreach that month in a nearby park and saw three souls saved. We did various outreaches throughout the summer months in that same park and saw between five to seven souls saved every time.

Most churches and evangelists were already booked for the year so we grabbed up help wherever we could. Pastor Stacy Dillard and Pastor Julio Blanco both came and ministered each

on a different Wednesday night. The saints were greatly encouraged and we saw souls saved each night.

We then had Evangelist Arty Marin from Tempe minister for us for two nights. This was in between two other revivals he was doing. We saw five souls get saved, one healing and one get filled with the Holy Ghost. It was an awesome time, praise God!

Souls that got saved during that time are still coming out and are bringing people.

We were able to send some of our youth to Tucson's YCON22. Many were stirred and are still doing a work for God. We have had a couple of church closures here in El Cajon area and we were able to absorb those precious souls into the church. They have been incredible and a breath of fresh air to the church. Each of our churches were small but God is growing a mighty army through it all.

Please pray for us as we enter into the holiday season with planned outreaches and revival with our Pastor Joe Zeable. I'd like to thank our mother church in Yuma for their loyal help, prayers and support throughout the years and also for Pastor Zeable for reaching out and helping us since day one.

I'd also like to thank Pastor Rice for his leadership in the San Diego area and all the surrounding San Diego churches for your prayers and support and also for Pastor Gilbert and Yolanda Zazueta for their help and faithfulness throughout the years. Continue to pray for us as we pray for you.

El Paso, Texas

The Door

Pastor Paul Stephens

Corres: Richard Contreras

We are blessed to see all that God is doing here in El Paso, Texas.

This year has been a fruitful one for us. God has been faithful to heal, save and deliver throughout the year.

This year we had Evangelist Jerry Fussel, Pastor Stacey Dillard, Pastor Kris Hart and recently Pastor Scott Lamb to preach. We were truly bless-

ed at the high level of ministry and incredible sermons these men brought to our church.

Our conference theme for this year was "Your

Inheritance, Your Possession." We had an incredible time of ministry and were able to see three new international works into Tokyo, Japan; Barcelona, Spain; and Chennai, India.

Some of our outreach churches planted new works into Mexico, Bolivia and Guatemala. We were also blessed to see one of our grandbaby churches in Mexico launch its first work into Oaxaca, Mexico.

Our yearly 3-on-3 basketball tournaments were also incredibly fruitful as we saw between 50 to 70 visitors each tournament with many responding to the altar calls.

Our annual Fall Festival featured the play The Addams family. We saw more than 1,200 visitors and many went in to see the play. Our altars were filled every showing and we are still seeing fruit that remained from that drama.

We are doing everything we can here in El Paso to fulfill the call to preach the Gospel and reach the world for Jesus, please pray for us.

Farmington, New Mexico

The Door

Pastor David Maldonado

Corres: Daniel Hallum

Greetings from the Northwest Corner of New Mexico.

The Farmington congregation that was pioneered in 1977, has continued to flourish and be fruitful, leaving a mark in our community for the last 45 years.

True to form, this year has followed

'Addams Family' drama in El Paso, Texas saw many visitors

suit.

As a congregation, we have been praying for a new and bigger building for the past 20 years. When Covid hit, an opportunity arose for us to buy an old Catholic church for a fraction of the cost. After some setbacks, we were forced to push the anticipated grand opening back several times.

Praise be to God, we were able to move into our brand new, beautiful building at the end of summer! Since we have been opened, we have had visitors in almost every service, with many locking in.

We had our grand opening services in October with several former pastors, including Tom Drout and Tom Payne who blessed us with timely words. Pastor Greg Mitchell preached two powerful messages dedicating our new building and we had Pastor Kris Hart preach at our ribbon cutting ceremony. It was an incredible time.

Not only have we moved into our new location, but our Fall season has been eventful as well. Our Saturday morning and Thursday night outreaches continue to produce converts.

We have had Saturday night park outreaches with bands playing, food being served, and complete favor in those neighborhoods with numerous people giving their lives to Jesus.

We also held an Outreach this summer at the local skate park. Anyone who entered had a set time to show off their tricks and skills. In between skaters and sets, bands played music while presenting the Gospel. Many testimonies were also given that touched lives. We had a great time with 30

people saved.

In October, we were privileged to have Prescott send their play "Promotion." Over the two nights, we saw several visitors and 40 precious souls saved. They did an amazing job and brought a spirit of conviction to everyone in attendance.

It has been a very busy, exciting,

we have labored, and labored, planted churches, did everything we could and I'm so glad to say this is the very first California disciple that's gotten sent out to preach the Gospel. That to me is exciting. This has probably been a 15 to 17-year battle but that's how your going to win the world folks!" he said.

Exciting Grand Opening in Farmington, New Mexico's new building

and fruitful time. We are encouraged and excited to see all that God is doing. Please continue to pray for our city!

Fresno, California
The Door
Pastor Joe Sanchez
Corres: Mario Chacon

Hello all! God is faithful and has been doing many and great things in the Central Valley. We truly enjoy reading all the encouraging reports and are blessed to have the opportunity to share ours.

We are excited to announce that we have launched out our first couple, Albert and Crystal Castillo, to take over the work in the city known as "Gateway to Yosemite," Merced, CA.

Many of us had the opportunity to see this exciting announcement and hear the encouraging words Pastor Rubi spoke at the South San Antonio Conference this past October. He mentioned that this launch was "a great breakthrough."

"We have sent couple after couple into California fighting the battle...

It's amazing to see how God moves when his people make a decision to serve, labor, and obey in difficult times.

We've recently had our Halloween Bash. It was filled with yummy treats, enjoyable games, and an amazing

Fresno, CA church sends out first couple to launch church in Merced

puppet skit filled with the message of hope. Several people answered the alter call. It was a wonderful time.

God's divine hand is always at work. During the past few months, we have noticed a steady flow of visitors. We are believing for these families.

It is a great privilege to be part of a wonderful Fellowship and look forward to all that God has for us. Please continue to pray for us as we pray for you. God Bless!

Indio, California
Potter's House
Pastor Carlos Olivas
Corres: Anzel Vega

Greetings and God Bless from Indio, California!

Our city and congregation has entered the most exciting time of the year. Our outreach season begins right in the middle of Fall and we have already seen God do tremendous things.

We've had a number of events that have given us the privilege to preach the Gospel to our city.

On the anniversary of 9/11 we partnered with our city to have our annual First Responders Banquet in appreciation of all the local emergency workers. This gave us a platform to preach The Good News to the multitudes in attendance.

The month of October saw our two biggest outreaches of the year. We started with our annual RapFest being able to go and outreach to our city and minister that same evening through various music groups.

We ended the month with a Harvest Festival where the church executed a Trunk-or-Treat style event. The brothers and sisters of the congregation put together stands, offering food, drinks, candy and most importantly the message of salvation to our community.

We are also continuing our tradition of Friday night outreaches at a local shopping center where we meet people going in or out of the store preaching the Good News. Through these outreaches we have been able to see numbers of people saved and more seeds planted.

The church also had two revivals, one with Glen Pugliese and the other with Jerry Fussell. Both gave words of encouragement and prophecy to the church, and we came out of both revivals stirred for God and encouraged for his work.

The bulk of our outreach season is yet to come. We're excited and waiting on what God is going to do. Please continue to pray for us as we pray for you!

Katy, Texas
The Door
Pastor Adam Stephens
Corres: Erania Ebron

The Word says, “You enlarged my path under me, so my feet did not slip.” Psalms 18:36 (NKJV). That Word has not returned void in Katy.

God is truly “on the move!” Our Fellowship’s most recent expansion wave started at the Chandler Bible Conference, held annually in Chandler, Arizona, USA in 2021. During that gathering, Pastor Curtis and Mary Carter were launched internationally to Bagamoyo, Tanzania.

The Carters were faithful, active members in Katy. Among many other roles, they spearheaded outreach and conducted a Bible study in their home. On February 13, 2022, they said farewell to the Katy congregation. Since that time, they have converted a building into a sanctuary, welcomed dedicated members, led many to Christ and celebrated their first wedding! There have been hardships along the way, but the Lord remains faithful to our new branch in East Africa.

The Lord called yet another couple to preach the Gospel beyond the bounds of Katy, Texas. Pastor Douglas and Tatum Montoya have served as door directors at the Katy fellowship. After the Carters’ departure, they hosted weekly Bible study gatherings in their home. In addition, they both use their musical gifts during song service. Those skills will be put to great use as they extend our reach to the Austin, Texas area. As the capitol of Texas, Austin is home to nearly one million people, with a median age of 33. The Montoyas were scheduled to depart at the end of November, 2022. We are fully persuaded that the Lord will move in a mighty way through their ministry.

Our Trunk-or-Treat event on October 30, 2022, was a roaring success! More than 150 visitors stopped by to play games, eat hotdogs and jump for a while in the bounce house. This year’s car themes were: Under the Sea, Puppy Party, Game Day, Donuts, Butterflies,

Curtis & Mary Carter launched to Bagamoyo, Tanzania

Douglas and Tatum Montoya launched to Austin, Texas

Astronauts, Carnival, Animals on the Ark, Pirates and the winner of our contest: Beauty and the Beast. We shared the love of Christ and invited everyone to come back and join us for service.

The Las Vegas, New Mexico congregation

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: Mario Sanchez

Praise God for all his goodness. We from Las Vegas New Mexico just want to share a good report of what God is continuing to do here in our church.

In the month of August, we had

Evangelist Jeremiah Wacker come and preach a revival for us and saw God move powerfully through the preaching and the gifts of the Holy Spirit through his life. We had many visitors and people saved during those services.

The following Sunday night we were able to baptize seven people in a water baptism service, thank God.

In September we were able to send our youth to the Tucson youth convergence sending a total of 35 people counting the adult chaperones, they came back changed, and challenged.

Also in September, we were able to host our yearly international Bible conference, where we had our pastors come from the nation of Japan, Panama, and Belize to attend. We were blessed to have Pastor Greg Mitchell and Pastor Salvador Castaneda that preached very timely and vision directed sermons.

We ask you to pray for us as we go into God’s will for our lives. We want to thank God for the leadership and direction through our Pastor Ray and Patsy Rubi. They are always an example to our lives.

West Las Vegas, Nevada
Potter’s House

Hello from West Las Vegas, Nevada!

This past summer and fall have been packed with many events, gatherings and most importantly tons of evangelism!

40th Anniversary service in West Las Vegas, Nevada church

McAllen, Texas
The Door
Pastor Roman Gutierrez
Corres: Leslie Flores

Hola from McAllen, Texas, of the Rio Grande Valley! Over this past year, God has shown us how good He truly is.

We are excited and pleased to announce that we had our very first International Bible Conference in April. After 32 years, our little church that started on Concord Square has finally got to see a prophecy come to pass.

Since 2021, we as a church have felt like we were at a conference during our Harvester's. This year we were in awe of all of it. Being our first conference, our church took the initiative and began preparing to ensure everything went smoothly. When the conference finally arrived, everyone was astonished. Seeing all our baby works come together and worship in one accord was terrific.

Seeing all the fruit our baby works brought to this great event encouraged new converts and our older saints that have been around in the McAllen church since 1990.

For as long as I can remember, our church has been called a "candlestick church." For many years, powerful pastors have prophesied that we would see many blessings flow through our church. Now that we have seen most of them come to pass is unbelievable. Through this influential conference, we were able to send out couples to South Korea, India, and Africa. Our first conference is a milestone we will never forget.

In addition to our incredible landmark, the recent activities of our church have been a great representation of God's outstanding work. We have had many outreaches, revivals, impact teams, and fruitful events where souls were touched and saved. One event that had a huge impact to our city was our annual Back to School Bash.

Our church is well acquainted with our city when it comes to festival events. One thing that our city looks forward to is our Back-to-School Bash. As students get ready to go back to school, we

Our late founding Pastor Wayman Mitchell would always say "Keep the main thing, the main thing," and that's exactly what we have been doing. It's been a joy to witness God's miracle working power in the lives of our new converts as well as the seasoned saints.

We have been encouraged by the testimonies of God's working glory from our weekly targeted corporate prayer meetings. Every meeting is prefaced with a specific topic that we would agree with each other to pray for corporately. To name a few, we would cover prodigal sons and daughters, financial breakthrough, and fellowship leadership. We would press in for our leaders to have the mind of God and a supernatural covering, coupled with our Fellowship to receive God's financial blessing, so we could continue to accomplish the great commission spoken in Matthew 28 -19 "Therefore, go and make disciples of all the nations."

Salvation, church planting, and discipleship preaching in our church continues to have tremendous affect on our city and our church body.

In September we hosted a two-day marriage seminar with Pastor Terry Haynes of Carbondale, Illinois.

All our married couples got to enjoy a candle lit dinner including rib eye steak, shrimp scampi and pasta prepared by our very own chef and culinary crew. Our youth did an amazing job as they served as waiters/waitresses and provided top notch service to the saints and visitors.

Pastor Haynes ministered for two full days on the precious privilege and dynamics of a Godly marriage and we were blessed to have him.

We followed that up a couple weeks

later with a very exciting celebration weekend!

September of 2022 marked our 40th anniversary for the West Las Vegas, Nevada church and we wanted to do it big. From the minds and hands of many brothers and sisters it was tremendously executed.

We were very fortunate to have guest pastors preach over the course of three days, outlining the ground roots of our church and all the years that followed bringing us to this day.

We seen souls saved and folks returning over the course of the weekend to hear God's word and fellowship with the saints!

Pastor Louis Oliver, Pastor Tom Payne, and our very own Senior Pastor Scott Lamb and Associate Pastor Mark Looney preached life changing sermons that not only reminded us of our roots but encouraged the body and gave proper perspective to God's miracle working power.

Faithfulness and endurance were the core theme and our new converts and visitors were able to see what God could do in the lives of people who surrendered to Jesus Christ. Over the course of this weekend, we showed time-lined videos as well as testimonies from original saints that have been serving God in our church since its conception in 1982.

On our final day we presented certificates and plaques to original members and our pastors, recognizing them for their faithfulness, with a wonderful lunch fully decorated with pictures and memories for everyone to enjoy. We saw more than 350 people attend that day and enjoy the fellowship and preaching. To God be the glory!

like to help our parents get their kids prepared. This fun event was filled with games, music, food, and a lot of fun. As children played games in our booths, they were able to win school supplies, toys, candy, and much more. We even had a special presentation created by our Royal Puppets ministry. By the end of the night, we had given over 300 backpacks, and we had more than 100 souls saved.

The next major event we had was our Trunk or Treat. As Fall quickly approached we didn't waste any time in preparing for the season. Instead of decorating booths, many of our church members decorated their cars with different themes. We had many visitors come out to this family fun event. There were lots of candy, music, several photo booths, food candy and more candy. Everyone had a great time for our first Trunk or Treat. We were able to see more than 100 souls saved. This was a great outreaching tool as many of our church members took the opportunity to share the Gospel.

This past month in November, we were privileged to help host the first Choose to Change Foundation dinner. This Ministry is a non-profit organization founded by Orlando Salinas, which helps ex-convicts and people in recovery change their lives. This growing organization has changed many lives throughout the years.

This event had a fantastic turnout. The Ministry decided to open the event to the public, and we had about 200 people in attendance. There was live music and great food, and great fellowship. This was an excellent opportunity for the church to connect with the people of McAllen.

During the dinner, Orlando Salinas shared stories about men whose lives were touched by God. There was even a silent auction to help raise funds for this organization. To end the great event, Orlando shared his own testimony and how God has completely changed his life.

As the year continues, we see all God is doing. He is always on the move and saving souls and restoring lives. Keep praying for us here in McAllen, Texas.

Midtown Phoenix, Arizona
Victory Chapel
Pastor Raul Delcid
Corres: Clarence Cruz

Greetings from Phoenix, Arizona. We are happy to report to the world what God is doing here in our community. We also want to thank our leader Gary Marsh and 1st Phoenix.

Our church is glad to let you know that we had a Fall Festival with a Haunted House. We had blessing poured out onto the event. We as a congregation have never put on an event this big. Equipment that was needed started appearing. Our event flyers were sent elsewhere, and our pastor had to order more (rush delivery).

God was moving for our church, we were ready to plant seeds. Our Haunted House went on for two days.

In those two days the Haunted House saw 395 people answer the call of salvation. In all our Fall Festival saw about 550 people come out to the event.

There is a time and season for everything that we as a Fellowship do. It was our season to plant seeds. As we do that, we ask that you pray for us as we pray for you and yours. Thanks to the leader of our Fellowship, Greg Mitchell.

Oceanside, California
Potter's House
Pastor Tim Moynihan

The Oceanside Potter's House Church has enjoyed a blessed year of evangelism.

We begin every year with a revival after the Prescott Winter Bible Conference. We had powerful revivals with Evangelist Frank Chi in January, Mike Gomez in May, and special meetings with our Yuma leader, Pastor Joe Zeable, and Pastor Carl Cooper.

The highlight of our year is the Oceanside Healing Crusade which is blessed by the support of Pastor Greg Mitchell and the Prescott crusade team, impact team, and music group. This year, more than 18 churches and 17 music groups participated. There were 42 souls saved and 41 notable healing miracles recorded on the platform this year.

Much thanks to the Prescott congregation and the participating churches make this such a successful event. The follow-up revival with Evangelist Bryan McCrae saw many

Pastor Tim Moynihan preaches during crusade in Faisalabad, Pakistan in partnership with Perth, West Australia.

visitors and solidified new converts with powerful words and healing miracles throughout.

Particularly notable is the large number of visitors we are seeing from the Camp Pendleton Marine Corps base this year. One event we held onboard the base was a Home Run Derby combined with a family Fun Day. While there were only three decisions for Christ that day, the on-line registration gave us many, many names and contact information for follow-up. One family has locked into the church as a result, and we are seeing a regular stream of visiting single Marines.

At the end of October, we held a Halloween Trunk or Treat in our church parking lot. Each trunk depicted a Bible theme. Fourteen souls prayed for salvation that night.

Our church sponsored another overseas Healing Crusade and Pastor's Seminar in Faisalabad, Pakistan, this year from October 14-17. We were excited this year to partner with Perth, Australia. Missionaries to Islamabad, Pakistan, Steve and Stef Lassey, with their three boys, made the trek down to Faisalabad so Pastor Lassey could participate with the crusade team and preach at the pastor's seminar.

The crusade team led by Pastor Moynihan also included Pastor Mike Ashcraft and Youth Leader Evan Baultemeier. Thousands attended the crusade, with hundreds answering each altar call and many notable healings including a deaf-mute boy healed, several with paralyzed or injured limbs restored, kidney pain gone, one woman who had a large neck tumor disappear and a Muslim man who watched his leg grow out when he prayed to accept Christ as his Savior.

Finally, we are seeing revival in our two baby churches in San Marcos, CA, and Fallbrook, CA. As these churches are only about 35 minutes from our own, we are constantly partnering with them for outreaches and in-church revivals. We are grateful for the many evangelists and impact teams that are helping them, and we are seeing breakthrough. Our

Fallbrook church has more than doubled in size since last year.

We are thankful for our Fellowship and the faithfulness of the saints in these Last Days. Special thanks to our mother Church, Pastor Dan and Jodee Jones, in Waipahua, Hawaii, for their prayers, support, and exampleship. Believing for Fellowship-wide revival in 2023!

Ogden, Utah
Potter's House
Pastor Rick Martinez
Corres: Garrett Berry

Greetings from Ogden! Revival is in the air along with a great expectancy of what God is going to do

Harvester's Homecoming in Ogden, Utah was first in 10 years

in the coming months.

We are experiencing a great time of revival in our city and throughout our baby churches. In recent months we have seen a wave of new converts and backsliders come into the church and recommit their lives.

After the 2022 July Prescott Conference, we went right into revival with Evangelist Patrick Johnson. Then in August we had revival with Evangelist Jerry Fussell. Both revivals brought timely words, healings and converts. Also in August, we did our annual Family Fun Day in the park and had more than 400 in attendance with many coming to Christ as their Savior.

One of the highlights of the last six months was our first Harvesters Homecoming in 10 years, and it was a tremendous success! We had 600 in attendance, with our pastors and delegates from our baby and grandbaby churches from around the world.

Our churches and their delegates

were stirred and left with an expectancy as they returned to their cities to carry on the Fellowship vision. It is a great privilege also, that in the midst of this we were also able to send our Pastor to both Medellin, Columbia and Panaji Goa, India with several people from our church to evangelize and bring revival to our missionary works.

In October, we decided to hold a Trunk or Treat with a Magic show. In three hours we had nearly 500 people come through the Magic Show and Trunk or Treat, with over 200 people giving their lives to Jesus.

We are excited for 2023 as we continue to press the gates of Hell and continue the heavenly vision of evangelism, discipleship and church planting! Pastor Jack Miller, Palmdale CA

Palmdale, California
Potter's House
Pastor Jack Miller

We would like to report about what God is doing in the Potters House in Palmdale, CA.

We began the year with a miracle birth from our Filipino couple. Last year in revival with Angel Morales, he gave them a word that they would have a baby, and that prophecy has been fulfilled!

In February Terry Wakefield came from Austin with his wife and taught a marriage seminar and Sunday service. That was followed by two new converts getting married in March, and another wedding in October.

We've taken our band and impact teams to churches in southern CA, including Hollywood, Oceanside, Huntington Beach, Yucca Valley, Barstow,

Palmdale, CA impact team to South Africa and Botswana.

Tulare and Redlands.

Local outreaches were helped by the churches from Paramount, Ocean-side, Yucca, Beaumont, Van Nuys, Calipatria, and Barstow. It's great to labor with people that have a common vision.

We had revivals with Steve Bowman, John McCarthy and Tim Miller. All of the meetings saw visitors, with people saved, healed and encouraged with words of knowledge.

In May we took eight people to our former missionary churches in Botswana and South Africa. Our disciples were able to preach in the pioneer churches. It was an eye-opening experience to see what God is doing there.

Our Haunted House was a great success. The theme was the "Mark of the Beast," which really hit home after all of the Covid restrictions. We had our highest percentage of people pray, with a total of 662 visitors and 517 prayed!

We recently sent out a couple to Newhall, CA. Mario and Ada Salguero had pioneered 25 years ago, but began to be stirred again to go. Please pray that they can find a building so they can get established there.

Pasadena, Texas
Potter's House
Pastor LaMont Melrose

Praise God! We are excited about what the Lord is doing here in Pasadena TX!

Over the past few months, we've seen the hand of God in all of our evangelical endeavors!

Our pioneer work is finally abroad in Baytown, TX and we are very ex-

Fall Festival in Pasadena, Texas

cited to see what God is going to do in the near future. Back on the home front, the mother church is contending for souls through our first ever Fall Festival! God is so awesome to give us favor in this event.

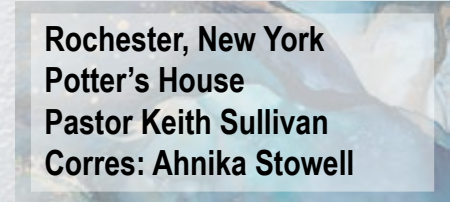

Everyone in the church lent a helping hand with games, food, music, and best of all, solid witnessing! We saw a total of 200 plus visitors with several receiving Christ. The best part is families returned for our Sunday services!

Many new believers are coming into the church and breaking the curse of fornication over their lives and children's lives! A young couple in our church made the decision to walk in holy matrimony and tied

the knot. I'm telling you, there's something about the Holy Spirit that changes lives, He's just amazing!

I want to extend my appreciation and gratitude to my Pastor James Rosario, also Pastor Campbell, and Pastor Greg Mitchell for their friendship, faithfulness, and the vision that has been handed down to my wife and I. We are a part of the greatest movement on earth, the cause of Christ.

Please pray for us as we continue to do His will!

Rochester, New York
Potter's House
Pastor Keith Sullivan
Corres: Ahnika Stowell

Hello from Rochester, New York! We are very excited to bring you a report of revival, fruitfulness, and new beginnings here in Rochester.

In June, we were able to take our play, "Neon Lights," to Chicopee and Cape Cod, Massachusetts. More than 50 visitors attended with at least one person giving their

life to Jesus. We are excited to see God continue to use this prodigal story to continue to reach souls around the North East.

This summer we have seen multiple disciples rise up to lead local healing crusades around Rochester. In two back-to-back crusades we have seen God heal more than 20 people, with at least five souls saved.

In recent months, our congregation has seen an influx of new converts attending and fully stepping into God's will.

One notable couple began attending in April and after a radical conversion, made the decision to get married in May. It has been so exciting to watch this couple lock in, get

Grand opening in new building, Rochester, New York

baptized, and become involved over the past couple of months.

Our church has had some big changes in recent months as we gained access to our new church building and have officially moved as of mid August. We were able to have six people baptized in the built in baptismal during our first Sunday night service. We were honored to have Pastor Greg Mitchell come to preach for our grand opening services. We saw many visitors from the community, and Pastor Mitchell left us encouraged and looking forward to all that God is going to do in Rochester as we step into this new chapter.

With the acquisition of the new building, our disciples have been stepping up and leading outreaches to make connections in our new neighborhood. We have done an “Unplugged” game night, a pumpkin carving contest, and a trunk or treat. These outreaches have opened a lot of doors in the community for building connections and we have seen a lot of visitors come through as a result.

We would like to express our gratitude to the fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting. God has blessed our church abundantly, and we are so grateful for the opportunity to reach this city for Jesus. Please pray for us here in Rochester as we continue to take the land!

**Santa Fe, New Mexico
Potter's House
Pastor Juan Fiffield**

Greeting from Santa Fe, the Green Chile Capital of the World. I want to share what God has done in and through our congregation during the last few months.

Baptism in Santa Fe, New Mexico

God has been faithful to reward our labors as we continue to proclaim the good news of the Gospel at every given opportunity.

A couple of highlights worth mentioning are our last water baptismal service in which seven people were baptized and gave powerful testimonies of what God had done and their commitment to continue their race of faith.

We had our last revival services of this year with Pastor Artie Aragon. We saw visitors every

night and in addition to that, people were healed, timely words given and there was an overall excitement seen and felt throughout the congregation.

We're looking forward to see the momentum carry through 2023 and our congregation enter into a new and powerful dimension of fruitfulness that God has for us.

Please continue to pray for us as we pray for you.

**Seguin, Texas
The Door
Pastor Rene Torres
Corres: Mary Gutierrez**

Hello from Seguin, TX! Just a quick testimony of what God is doing here in South Central Texas.

In June we released our Pastor Jason Garcia and his family to start a work in Bluefields, Nicaragua. As we welcomed our new leadership under Pastor Rene Torres, our church stood strong and pressed through and went from about an estimated 20 to 30 on Sunday mornings.

Pastor Torres immediately began ground work, taking us to the streets for street preaching and outreaching. We've been able to have a few of our surrounding churches from New Braunfels and San Antonio come help us with outreaching and concerts.

In July, we began Bible study and we baptized four individuals (two teens and two adults). In September, we were able to have Revival with Evangelist Roderick Gonzalez packing out our services with over 40 people in attendance.

In late September we celebrated our 18th church anniversary service with Pastor Roland Perez. Conference in October brought refreshing for our leadership and words in due season for the estimated 15 saints who were able to attend.

A challenge was given to us to seek a new building for the congre-

gation through prayer and we are believing God to make it happen!

Also, in October we held our annual Fall Festival. With the help of the New Braunfels church, we were able to pray with over 50 people and reached more than 300 community members passing through. God is moving in our congregation

Prayer during Fall Festival in Seguin, Texas

and raising up people for new ministries.

In November we began Sunday School and had 15 in attendance that first day and we will continue our NP night for the second time this year as we bring encouragement for our men to preach the Gospel. We pray to one day soon send out our first baby church.

Please pray for us as we pray for you and see how God will move this next season.

Sierra Vista, Arizona
Potter's House
Pastor Rod Olmstead
Corres: Jeremy Summers

Greetings from Sierra Vista. God has been fulfilling His promise of giving us a harvest in the days that we are living in!

We have seen another wave of new converts that have given their lives to Jesus and made solid decisions to serve God. Notably, in October, an all-day outreach for revival with Evangelist David Ajala was very fruitful with many giving their lives to Jesus. Some of these who prayed came to the concert that

Newly baptised converts in Sierra Vista, Arizona

night and have been attending services ever since.

The Revival was fruitful with visitors attending all nights, many greatly encouraged. We followed that with a baptism service with seven souls baptized, many of which were new converts from the revival services.

One of the highlights of our year happens in November with our Veterans Appreciation Dinner. We invite Veterans and their families to come and have dinner as we show them our appreciation for their service and dedication to our country. The dinner was donated by Texas Roadhouse.

Along with "live feed" free video advertisement from a local radio station, we increased our attendance significantly. We had 35 Veterans and their families. The Gospel was preached, and we had visitors come to church the following morning.

With our Summer outreach season coming to a close, and our Homecare Fellowships starting, we are looking forward to fruitful times.

It is exciting to see all that God is doing here in Sierra Vista and we look forward to what He is going to do in the very near future. Please keep praying for us in Sierra Vista!

Sparta, Illinois
The Door
Pastor Kevin Hansston

Greetings from Sparta, IL. The name of the game is personal evangelism. Right now

we have five new converts in church that were brought in through personal evangelism; three in the workplace and two from outreach.

We just had our first

snow on Nov. 11 so it looks like we will be switching to the ripe harvest fields of Walmart for the winter.

The church sent Joan and I to do the Mazabuka Rally in Zambia. It had been four and a half years since our last visit. The country is changing rapidly for the better. The Kwacha is actually gaining strength against the Dollar at this time.

We started with a revival in Lusaka with the Karabassis'. Pastor and Irene were gracious hosts, even giving us a vehicle to use for our travels. It was great seeing friendly faces as well as new faces in the church. One of the men from the church gave pastor a photo of him and our family taken in 1999 when we arrived in Zambia. God has been faithful.

Our next revival was in Monze with Pastor Oliver Hanzela and his wife Sheila. I had some prepared sermons for the revivals I was going to preach as well as the rally. The youthful exuberance of the Monze church brought out that "Rick Martinez" spirit in me. So we had to go off script a few nights. It was a great time.

I also had some follow up time with a man named Luke who owned a truck for hire. He showed up Sunday morning but did not pray. He came back Sunday night and got saved. When he saw Joan and I wandering around he made it a point of talking with us and I was able to encourage him in the right direction. Personal evangelism in a foreign country.

It was an old fashioned Zambian service, shaking hands with the crowd at the exit after each service. The love

Kevin and Joan Hanssston with Rally pastors in Mazabuka, Zambia

Springfield, Oregon
Potter's House
Pastor Craig Wilder
Corres: Robbie Rojas

Greetings from Springfield, Oregon. God is on the move in our city.

As we began to wind down 2022, in the month of August we had a revival with Pastor Willis Gordon from San Antonio, Tx. This was a powerful week for our church as we saw new visitors coming to every service, with souls being saved every night.

From this revival, there has been lasting fruit with new converts saved and getting locked in and being established in the things of God.

One topic that Pastor Gordon touched on was "Growing Pains" and how the church has to go through things that might feel like they hurt in the moment, but that's only so they can grow into what God has in store for them in the future.

One of the pains we had faced was having planted a church in Austria, and not having sent our pastor to go and preach for them. Pastor Gordon challenged our church and rallied us together to raise enough money to send our pastor to Austria to preach for our baby work.

We responded as a congregation and had the privilege of sending our pastor to preach for their Grand Opening Revival. God did powerful things there in our church in Austria, many people saved and powerfully touched. There were a number of miracle healings and many of those saved have since locked into the congregation.

In early October, we had Evangelist Glen Pugliese from El Paso Tx. During this time, we were challenged on the God of the Impossible and to believe God once again for things that we may have given up on in the past. This appeared to be a time of building and healing the church and the members from within in the parts that we hide and keep to ourselves, parts that only God can heal and restore. Following this revival, we had our Mother Church pastor, Pastor Paul Stephens in November.

offering was part of a dramatic presentation of gifts, envelopes and even a special gift for Pastor Mitchell. They have given me a mission to fulfill.

The theme of the Mazabuka Rally was "Restoration." It was twofold in its application. One was the restoring of the churches following the Covid restrictions. The other was the restoration of former members of the church. I was able to preach from the heart during the Rally.

The dignity of the Mazabuka churches and their pastors was evident from the attendance and the preaching of these men. Joan and I would meet with many people during the week and see many in the church services. The pastors and their wives, including Joan and I, were taken to Hungry Lion by Pastor Tembo. The conversation turned at the men's table to what we can do to work together. They agreed that they would start targeting one of the churches once a month with personal evangelism. I sat impressed and confident in what God was doing.

The rally was followed by a revival for the Mazabuka church. These were personal messages from God through me to encourage the church. Pastor Tembo has managed these 17 years through many "toils and snares." With the rally over we had time for good fellowship. I would come to the church to pray and we would talk afterwards. I shared a couple mental pictures of people during the revival.

One was of Bette, Pastor Tembo's wife. We were going to Mrs.

Ndonyo's to pray for her. I think it was on one of our return trips. She was deathly ill. As we came to the house there was Bette wielding a heavy Zambian hoe breaking up the ground for Mrs. Ndonyo's garden. It is a beautiful picture of the complete pastor's wife.

I shared about our trip across the country doing "One Minute Bible Studies" bringing everyone over to the map to show them the route. Each night Mazabuka was flooded with rain as the rainy season showed up with the accompanying joy. The last night I was talking with men who were still in church but not as faithful as they should be. They were older, wiser, richer but...I looked over at Pastor Tembo surrounded by young disciples. The vision was being restored.

That final night we would pray for Markfell and his wife who had been asked to be outreach directors. That included a talk about being willing to go to Shimungalu, no water, no electricity. The church is without a pastor at this moment. I think of Pastor Tembo's three years in Shimungalu, the fishing village that became our first planted church because of the visit of Pastor Chuck Haynes from the Sparta church. I see Pastor Tembo sitting at his contemplation bench under a papaya tree. Was it worth it? Yes!

Pastor Tembo let me know that five former members of the church attended the first Sunday services after we left. "Restoration."

This was a week of refreshment and renewal to the church as a whole.

In the early part of the year, our pastor challenged the church to be bold and pray for the sick. One of the disciples took this to heart, and has been establishing either a healing outreach or a street meeting directly after services on Sunday morning.

In the last number of months, we have seen several of our disciples with a newfound boldness to step and out and ask individuals if they can pray for them; its exciting to see God giving them a vision to see the hurt and pain of the people of our city. From the street meetings, there have been different periods of time where we saw fruit directly from those meetings. One of those new converts is in the church today.

The hand of God is very much alive in our city, the manifestation of His Spirit is clear, and the expectancy of things to come is deep-seated in the heart of God's people here in Springfield.

I pray all that God is doing here is not limited to this area alone and that all of our Fellowship churches break out in real-time revival in these last days. God bless.

Tucker, Georgia
Iglesia La Puerta
Pastor Joaquín Contreras

Testimony
Tyliyah Roberson

I have been saved at Iglesia La Puerta since March, 2022.

I am beyond blessed and grateful for what God has done in my life. Before I came to The Door church, I have been battling with major depression and anxiety shortly after giving birth to my son via c-section. It went on for about seven months. It was severe to the point I was in and out of the hospital due to the physical toll it was taking on me, as far as high blood pressure, rapid heart rates, etc.

I couldn't even leave my house without the thought of passing out.

Tyliyah Roberson, new life in Jesus

It was taking me over and I also had thoughts of harming myself because I wanted to feel something, I wanted to see if God really cared for me.

During those dark times, I didn't understand why God was putting

me through this situation, I was angry and upset with Him. Then I was introduced to my pastor, Pastor Joaquin Contreras and his family and the church. My life changed for the better.

can bring me out of that situation, I know nothing is impossible. Have faith and stay strong.

Thank you Iglesia La Puerta for directing me in many ways and also becoming my new family in Christ.

Tucson, Arizona
The Door
Pastor Harold Warner
Corres: Mike Webb

Greetings to all! We bring a great report from the "The Old Pueblo." The fall season has been a busy one of ministry and movement.

Youth Convergence 2022 in September was outstanding. We had 650 youths in attendance coming from six different states, from Washington to Texas. Powerful messages, packed altars and a

Tucson drama 'Milagro' saw 66 saved

I slowly started to see changes occurring and I was finally able to get out of my house enjoying time with my babies. During this time I was going through a divorce as well. But God rose me up from the trauma and I grew from it.

Now I am enjoying a home of my own with my beautiful kids and I constantly stay active in my church. This is my new life now. And if God

night street preaching outreach that saw nine people saved. Many young people were challenged and inspired to reach their generation this school year.

September also saw the church say farewell to Pastor Steve and Vanice Pinnick, as they journeyed to Athens, Georgia to take over the pastorate of the church there from Pastor Gene and Cheryl LaValley, who in turn went to Canada to take over leadership of the Mississauga church from Pastor Mike and Mary Webb, who have returned to be on staff here in Tucson, after 34 years on the mission field.

We have been blessed by two outstanding revivals this fall. Pastor Ro-

man Gutierrez stirred the hearts of God's saints in September and Pastor Joe Campbell brought God's Word to life, as only he can, bringing healing and deliverance to many hearts and minds in November.

The highlight and focal point of this fall season has been the multi-media, musical, drama presentation "Milagro." This was a major production that told the story of God's ability to bring about the miraculous to bring hope and healing to a family. We are very appreciative of the labors of so many actors, musicians, costume designers, set producers, and techies, who gave countless hours of tireless effort, to bring about this high-quality production. The effort resulted in 66 people praying to give their lives to Christ.

As we look to the winter months, we are believing God for even greater impact to be made as we earnestly contend for the faith and vision that God has given to our fellowship!

Tucson, Arizona
Potter's House
Pastor Larry Elliott

Praise God and greetings from Tucson. It is so wonderful to see the power of the living God moving before us in such times of uncertainty in the world around us.

We have been busy hitting the streets in evangelism and door-to-door ministries. Through certain events we have seen a dramatic change in all we do, but we have found that it is Jesus who is in control, and that we serve a powerful God who hears the cries of his people.

I'm amazed as people walk in the church we have never seen before and bring their tithes or offerings for the church as God meets the needs.

Recently one of the ladies in the church shared a need for prayer that involved an incident with a family member hitting a person with his car. The man he hit had been brain dead at the hospital for 12 days and they were charging this man with murder. That night we began to pray and believe God for a miracle and to our astonishment, God heard our prayers the next day and

this man woke up totally normal and was discharged from the hospital.

In another incident just days after, the same woman knew someone in the hospital that was dying and she went to pray for them. They were in a comatose state but when she leaned over and asked them to pray with her in their mind and ask Jesus to forgive them of their sins, tears began to run down their face as she prayed with them.

We had another family who prayed with a dying relative in the hospital, and when everyone else said it was useless as they were comatose, as they prayed there was a slight response to that prayer.

When the doctors give no hope there is Hope in Jesus. We know that we serve a powerful God who hears the prayers of those last-minute servants who will enter His glory.

Though we may struggle, and the enemy is moving all around us to thwart what God would do in these last days, I'm convinced we serve a God who is still moving today. We need to continue snatching souls from the gates of Hell.

Woodbridge, Virginia
Potter's House
Pastor Rocky Colona
Corres: Joseph Schoonover

Greetings from northern Virginia, where God is doing some truly amazing things!

In March this year, we announced two new baby churches at our Southeast Bible Conference in Jacksonville, NC. Our song service leader was announced to Annapolis, MD, and our outreach director was announced to Wesley Chapel, FL. All of this has opened opportunities for growth in ministry and has moved the hearts of many in the church to fill in the gaps.

Annapolis is home to the U.S. Naval Academy, the starting point for 1,000 naval officers every year. We pray God will give us the ability to influence, making for a God-only-possible outcome.

Since arriving, God has already shown the family great favor in their neighborhood, and they've opened services in a college auditorium... showing just how amazing God still works when we trust Him for His heavenly supply.

Tampa is known for being haunted, but we know the Holy Ghost is the only ghost that matters, and we're excited to see lives changed for eternity as the church sows and tills the ground. The Wesley Chapel church had their first few services in a tiki park and have recently transitioned to a local hotel where they've seen attendance reach over 20.

We sponsored our 12th annual God and Country event in June. Churches from up and down the east coast came together in our nation's capital, on the steps of the Lincoln Monument, to sing, testify, and preach to the glory of Jesus!

Hundreds of people gathered at the foot of the steps at the edge of the reflecting pool, to hear the stories of how Jesus transforms lives. The U.S. Navy drill team helped us gather a crowd.

We did several skits, live music, and a dramatic display of how Jesus took YOUR place. We conducted a military-style funeral, accompanied by the playing of taps, a flag folding, and presenting the folded flag to a grieving mother.

As a hush fell over the crowd, the mother began to wail and lament about her son dying. "Why couldn't someone else die?" she cried! As the soldier announced, "Ma'am, someone else DID die," Jesus was brought in being whipped by a Roman soldier.

As Jesus arrived at center stage, the Gospel was presented and we gave an alter call - in public, in the nation's capital, unashamed! Many hands were raised, and we trust for the fruit that will come from this effort.

Soon after, we were notified by our landlord we will have to find a new location. Our current building is going to be torn down and turned into apartments. This has caused us to look for land to build a new building and we believe that what was meant for evil God has turned to good. We have found land that will be a potential cash purchase by the church and enable us to build a new building to facilitate the growth that God wants to give us.

The church has been helped and challenged by all God is doing, and we've been blessed to have several revivals. God is on the move and we have a front-row seat! Please pray for us as we take our nation's capitol area for Jesus.

The Potter's House of El Alto, Bolivia held its Haunted House during Halloween, called "House of Terror, Escape From

Greetings from HBR Layout! We are thrilled to bring you a victory report of all that God has done over the past year.

Bolivia's House of Terror Haunted House event saw 473 people give their lives to Jesus.

Hell."

For this event the whole building of the 180 was transformed. We worked for a week to put together the whole theater. We were against time but we worked as a team, some putting together the scenery, others recording the videos and background audios. We showed different situations of sin that are more common in Bolivia. We had an introductory video, then people were directed through the different scenes. People were confronted and redirected. We presented their sin and at the end we showed them their sin.

We did this House of Terror for five days in a row from October 27th to 31st. We had a total of 625 visitors and 473 saved.

Studies on Saturdays. We witness around 30 people taking part actively in these programs including many visitors.

During February, There was a marriage of our disciples Devraj and Vinny. We had our annual Sweetheart seminar in which we had the Word of God, amusing games, and fellowship for couples. It was re-

freshing for all.

This year we had a powerful time of revival with Pastor Marcus Samuel from Ariyalur. He brought a timely word of encouragement to the disciples and the congregations.

Also, we had a powerful time of special meeting with Pastor Aaron Kumar from Kanikaipuram. We also had a special service Pastor Nur Rashed who brought the amazing Word of God.

Throughout the revival, we have seen many salvations and healings in our church.

In the month of April, 11 teens from HBR Church registered and took part in the 2022 Boot Camp. The church witnessed a vivid change in all the teens who came back from the camp. After hearing all of their testimonies, many more have committed to making up for next year.

In May we were looking for a place for our baby work. There was a sudden need in the KR Puram church. Pastor Akash and Sister Varsha took over the church and the responsibilities of Pastor Anup and Sister Sneha who had done marvelous work in bringing new souls and teens into Christ.

I want to thank our Mother Church

The HBR Layout, Bangalore, India congregation

and Pastor Packia Raj for having confidence in Pastor Akash and allowing him to take over. The church in HBR is excited, praying, and investing in the new baby work.

Koramangala, Bangalore, India
Potter's House
Pastor Ravi Kumar

Greetings from Koramangala Church Bangalore. We are excited to share what God is doing in this part of the world.

This year is the year of reaching new heights for Koramangala church and we're able to see the great move of God in our congregation. In spite of many challenges from within and outside of the church we are continuing to move forward.

This year we had six powerful revival meetings with Pastors Gareth, Sagar, Raj, Alex, Archie Brown and Paul Arps. All these revivals were timely and helpful.

We had a family enrichment seminar with Pastor Packia Raj. Through this seminar we received a great understanding on marriage and family and many were blessed. Nearly 200 people attended this seminar

We were able to organise a healing crusade with Pastor Packia Raj partnering with our Fellowship churches in Bangalore. We saw the power of God manifesting, and witnessed instant healings and deliverances. We had nearly 50 notable healings and more than 200 in attendance in each service.

We are able to celebrate our 15th church anniversary with Pastor Alex. It was a powerful revival and laid a strong desire and challenge to reach new heights in Koramangala. We saw nearly 25 people give their lives or rededicate them to Jesus. We saw 10 instant healings and many supernatural words were given to the congregation.

One young lady was suffering from cancer for many years. She has come from a different faith, and visited the church with the expectation of a miracle. God completely healed her after the church prayed. Reports showed that everything is normal and there are no longer traces of cancer cells present in her body.

A woman was pregnant with her

Outreach concert at One80 in Beechboro, Perth, Western Australia

second girl baby. She experienced sudden unusual pain during her seventh month. She was rushed to the hospital, and when doctors checked, there was no heartbeat for the baby. Doctors tried everything they could and finally gave up. As a church we all prayed on the phone with the father laying hands on the stomach of the mother. As we all prayed, in 30 minutes the resurrection power of God touched the baby and the baby started breathing normally. Doctors were able to deliver the baby. They were amazed by this miracle and working of God.

Our nine-year-old only son Stephen the champion went on to be with the Lord Jesus Christ this year in a mysterious way. During this transition we as earthly parents and family have gone through great grief and much pain, but God deposited HIS comfort from day one into our lives and strengthened us each day. Stephen has a powerful testimony. He prophesied his own death just one week before he passed on to eternity. He was a great blessing to church and family, he indeed troubled Satan to the core. His life and legacy are making impact to this day.

This year we had seven water baptisms and several filled with the Holy Spirit for the first time.

God continued to exhibit His power through wonders and miracles in different areas, healings, opened wombs, supernatural finances, raising up disciples, and more.

We appreciate and thank all our

Koramangala church members who continue to remain faithful in finances and evangelism, who have stood with us and supported us during the difficult times.

We thank Pastor Raj and Sister Samantha for continuous support and guidance and we also thank mother church Cox Town, our baby churches and all the pastors and Fellowship churches for joining us in reaching this part of the city and praying for us in the most difficult situation of our lives.

Please keep praying for the church in Koramangala.

Beechboro, West Australia
Potter's House
Pastor Daryl Elliott
Corres: Liam Halloran

This season has been very powerful in Beechboro, with many new converts being added to the church.

Our midday outreach on Saturdays has proven to be highly effective! It has been a great joy of mine personally to see the new converts developing a passion and burden for souls. Some, after being saved for just a couple of weeks are winning others to Christ with their heart for the things of God and being involved in everything we are doing as a church.

Our concert scene at the Perth One80 has been exciting! Creativity has been the key to keeping the One80 fresh. We have been doing a

series called “My Story” where we highlight a couple to share their testimonies in three parts throughout the concert, which has been very powerful and gets a great response from visitors.

We have had a number of monthly specials, “Battle of the Burbs” and “From Japan to Australia,” bringing a great response from the public.

A few weeks ago, after Sunday night service, we had an Acts 19 idol burn. People brought their idols and objects that might be demonic or an object with a curse attached to throw in the fire. We had people testifying before they threw the objects into the fire, as we sang praise and worship songs worshipping God!

Beechboro would like to thank Pastor Greg Mitchell for his leadership in continuing the vision of discipleship, evangelism and church planting. We look forward to all that God plans to do in the future and are believing for a fruitful time this coming summer, as we head into the park outreach season.

Bucharest, Romania
Potter’s House
Pastor Cristi Caramidaru
Corres: Gabriel Irimia

God is doing tremendous things in Bucharest, Romania!

Our church experienced a great revival in the last 12 months, with God adding many souls that locked into the church and became powerfully converted.

God has moved powerfully in our outreaches and our Bible studies.

On the streets, despite police coming to close us down almost every time, God has given us dominion and breakthrough. We keep preaching and singing with our PA and they cannot stop us, although they come with many cars and crew to take us down. The harder they come, the more souls get saved!

Every outreach we see many people saved. In our services we have visitors coming in from our street activities all the time and God amazes us with new people coming in from nowhere. We have seen many good and powerful dis-

Baptism of 18 new converts in Bucharest, Romania

ciples that have risen out of these outreaches!

Our Bible studies have proven to be very fruitful also. This is a very strong tool to lock in new people, and everybody is excited for the fellowship and the study of the Word of God every Thursday.

In the last weeks we have seen more than 50 people in attendance for one of these studies, with God moving powerfully in these groups.

As a result of the hard labor in the field, our church attendance doubled. Many new disciples

Buenos Aires, Argentina
Potter’s House
Pastor Fernando Ferraro

are rising. We are working to enlarge our building and we have a vision to buy a building one day.

Last month we had a water baptism where 18 people got baptised.

Romania is an amazing country, ripe and open for the Gospel of Jesus Christ! Please keep us in your prayers!

Blessings brothers, my name is Fernando Ferraro and together with my wife Romina and my three daughters, we are carrying forward the work of God in Munro, Province of

Buenos Aires, Argentina.

God is giving us a wonderful harvest time among families, people with addictions, destroyed marriages, and young people seeking help.

Street outreach in Buenos Aires, Argentina

The church is very encouraged and willing to serve in the One80, evangelism, and wherever God calls us.

A few months ago, a man arrived and gave his life to Jesus. He arrived with difficulties talking, walking and was completely without defenses as a consequence of Meningitis with fungi in his brain. His prognosis was very disappointing. He even had to take injections every week because his kidneys did not work.

On his last visit the doctor told him that he will no longer need these injections since his values are like those of a healthy person! His doctor saw that he is now talking and walking without any difficulty and asked what happened. The man began to talk about a wonderful God who is changing lives!

God is doing great miracles! We thank God first for giving us the opportunity to serve Him, and our pastor Juan Pablo Cardo and his wife Silvina for trusting us and being an example. Thanks to this beautiful Fellowship for remembering Argentina. We pray for you!

**Bonteheuwel, Cape Town,
South Africa
Pastor Harold Visser**

God is on the move in Bonteheuwel, Cape Town.

After the September Bible Conference we have had the privilege to announce our first church plant into another city. The church is very excited to see what God is doing and we are believing God for what only He can do through the lives of people that will surrender to His will.

Our Saturday and midweek outreaches are proving to be effective as we are seeing an increase in first time visitors to our congregation and with some of them coming back. During one midweek outreach, one of the disciples prayed for a lady that had leukemia. After the prayer, she said that the pain had left her body. A few weeks later she showed up at our church to let us know that she got healed and is now back at work!

We are still having our Saturday morning mini healing crusades in the local market area, setting up chairs and inviting the sick to be prayed for, declaring that the blood of Jesus has the power to heal.

God is faithful to heal on the spot as we are still seeing people with various injuries and sicknesses being touched and healed. We also had a lady join our midweek service to ask us to pray for her husband who is in hospital with a lung infection. He had fluid on the lungs and tuberculosis. She gave her life to Jesus and also brought her husband to church after being discharged from the hospital. Together with their family they are now regularly attending our services.

In November we had a revival with Pastor Brandon Pepich. We saw several people saved and notable miracles of

Brandon Pepich preaches revival in Cape Town, South Africa

healing. There was a lady with a lump under her one arm, and after praying the lump instantly vanished. Another person had a deaf ear which opened after praying for her. A person with a hernia behind her stomach area got healed instantly. We thank God for what He is doing. Also during this revival many people were encouraged by words of wisdom and knowledge and we had several people filled with the Holy Ghost and speaking in tongues for the first time.

We ask that you continue praying for our church plant and that God will make their way prosperous.

**Cebu, Philippines
Victory Chapel
Pastor Charlie Carias
Corres: Christelle Aligato**

Mabuhay from Cebu, Philippines!

Last August we held our Central

We had 12 couples announced the last night.

We had five live-in couples marry in the past months. We also had numbers of healing testimonies from our fellow believers.

A woman who was diagnosed with myoma for seven years and with bleeding for two years was advised by a doctor for an operation. Through prayers and herbal supplication, just this year it went away! The doctor said she is now normal and no longer needs an operation.

Another with the same case was healed. In 2015 she found out she had myoma because of severe pain felt especially during menstruation periods. She earnestly asked for miracles. Last August 2022, she felt an extraordinary healing because she no longer felt any pain!

A woman had a fever for a month and also lost her taste. A pastor visited and prayed to her. She felt she was gradually healed! She then attended the

Central Visayas Bible Conference in Cebu, Philippines

Visayas Bible Conference themed “The God of Increase.” Genesis 26:24. With us were Pastor Dave Stephenson and Pastor Louie Lobato. Believers were delighted for this event since it was a comeback after two years of being in a pandemic. The attendance doubled since the last gathering, reaching 1,200.

church service and testified to everyone how great God is.

We would like to give honor to our late Pastor Wayman Mitchell. We would also like to thank Pastor Greg Mitchell, Pastor Dave Stephenson and Pastor Louie Lobato. We give back to God all the glory, praises and honor.

Chilliwack, BC, Canada
Potter's House
Pastor Dave Marks
Corres: Cory Broadbent

Hello everyone. Here we are with another exciting report from Chilliwack, BC, Canada.

We had a wonderful revival this August with Evangelist Sho Kishimoto. God used him to speak timely words of knowledge and preach Holy Ghost sermons to stir and encourage us.

Ending September and entering October we headed into our Canadian Conference with churches from across the country represented. Three new Canadian works were planted along with one overseas work, partnering with the Vologda, Russia church. Again the preaching needs to be mentioned. It's remarkable to see young pastors becoming solid men of God that can minister God's word with authority.

On the home front we continue to see new people in our services. We are still faithful with our outreaches whether they be here in Chilliwack or Vancouver. Taking the Gospel to the streets remains to be a privilege and blessing.

Another highlight in the month of October was a Door Scene/band outreach to Mission, BC. Many heard the Gospel preached and a Persian man was powerfully touched by God as he gave his life to Christ that evening.

Our churches in Russia are still experiencing revival and seeing many souls saved. Thank God for precious fruit.

We thank you all for your prayers.

Davao City, Philippines
Victory Chapel
Pastor Frank Buenaventura
Corres: Emma Sotto

Greetings from Davao City! We have seen a remarkable move of God in our second Bible Conference for this year 2022 on the theme "Redeeming the Time." This was our first conference outside the church since the pandemic. We had 750 delegates and an attendance of almost 1,000 on Friday night. Davao workers put their

Eleven new churches announced in Davao City, Philippines Conference

hands on the plow for this great work. Everyone was excited and in expectation from God.

We were blessed by having guests from Tempe, San Diego, Vietnam, and our local Fellowship leaders who spent the entire week of conference with us. We were privileged and grateful to have Pastor Mark Aulson, wife Michelle, daughters Stephanie and Jackie along with their husbands. They were all great encouragement and inspiration to the congregation body.

Pastor Joe Rice and Pastor Alberto Desepida came as well as our guest speakers. Powerful revelations, challenges and very timely messages gave us clarity, directions, and impartations. On the final night, 10 local pioneering works, one couple launched from Vietnam Church, and three takeovers were announced. All glory to God!

Saturday night before Conference, we held a healing crusade with Pastor Mark Aulson at Rizal Park. We had several concert bands and drama with our zealous young people. Many came, responded, and received the miracle of healing from goiter, headache, and body pains.

In the past months, we were refreshed with three revivals. Pastor Seth Dacara came in June, and he powerfully preached on security and assurance in Jesus. Pastor Rico Herrera in July for an uplifting revival and encouraged us that God is collecting our tears and genuinely cares for his children. Then Pastor Remil Cordero in September with Spirit filled messages on inheritance and full reward. Visitors came each night in these revivals and souls were added in the kingdom of God.

Our jail ministry has always been in the business of reaching lost souls in two police precincts. On the average, 60 inmates are being ministered to through

weekly Bible studies with police officers getting saved. People may come and go from these places, but as they go, they have heard and received the greatest gift of salvation.

Lately, we had a farewell service for Pastor Klyde and Sister Jarah Mata going to Barobo, Surigao del Sur. We are claiming open doors and breakthrough as they labor and win souls for Jesus. By God's grace, despite the pandemic restrictions that affected most churches, we were able to plant a total of 25 new churches for 2022. We glorify God and that we are not disobedient to the heavenly vision.

Thank you for all your prayers. Thank you Tempe and Prescott churches for the love and exampleship through all these years. We continue to contend for greater things ahead. The grace of the Lord Jesus Christ be with you all.

Doncaster, United Kingdom
Potter's House
Pastor Michael Brick

Greetings from Doncaster, United Kingdom!

We would like to share a victorious report of all that God is doing in our church and our city!

We have recently had two revivals with Evangelist Ernie Toppin and Pastor Courtney Lowe in which we saw many people saved and people healed. We have seen a real growth and maturity within the church. We're seeing men rise up and are now leading outreaches, preaching, witnessing and seeing their labours bear fruit.

When we came back last month from our UK annual Bible conference in Waltham Forest, London we saw God had really triggered many of the

Testimony in Doncaster, United Kingdom service

couples to feel the call of God to go out and preach the Gospel, with many of the young men coming back stirred to do something within the local church and see their lives count in Gods kingdom.

This has really pushed the urgency towards outreach and evangelism with men going out everyday and preaching the Gospel. In the last month we have seen around 150 first time decisions from personal one-on-one evangelism and many of them coming to church and getting locked in!

We had another baptism last week in which we saw five men get baptised and they all testified of the conversion that God has done in their hearts over the past six months and how God has set them free from the lives of addiction, depression and habits of sin!

We're contending for continued revival here in Doncaster and are really believing for many more souls to be saved, couples to be launched and the church to thrive in a world that desperately needs God!

Please keep us in your prayers as we pray for you, your churches and ministries.

eMalahleni, South Africa
Potter's House
Pastor Prince Matladi

Greetings from the city of eMalahleni. We are still hitting the streets with the Gospel and are thankful of what God is doing.

In the month of August we had the Eldorado Park church come to help us

Gathering for outreach in eMalahleni, South Africa

with an impact Team. The Eldorado Park Team was immediately hard at work with street preaching, one-on-one witnessing and finished off the day with open air. It was a great time of soul winning and by the end of the day we had 99 decisions for Christ. We thank God!

We also had the Meadowlands church coming with an impact Team for the month of October. It was a great time of evangelism throughout the day as we hit the streets of eMalahleni with street preaching and door-to-door witnessing. In the evening the Meadowlands church also did a music concert for us. When it was all done, we had 14 decisions for Christ on the day.

Our prayer has been for God to give us breakthrough in one of the student residence in town. We are starting to see a breakthrough in this area. One of the disciples in the church comes from one of the student residents in town and is constantly bringing his friends to church.

I would like to thank Pastor Heimberg for his leadership and allowing us

to continue to labour here in eMalahleni. I would also like to thank the Eldorado Park church for their faithful investment in our lives over the years. God bless!

Footscray, Melbourne, Australia
Potter's House
Pastor Chris Plummer
Corres: Vishal Shinde

Greetings from the Footscray church in Melbourne, Australia! We recently had revival services with Evangelist Steve Bowman who brought the Holy Spirit fire across seven services.

It was incredible seeing all that God did that week, with many receiving timely words of knowledge from God. During the revival, Evangelist Bowman asked if anyone needed a miracle in their finances or employment. Several people went

forward for prayer and before the week was over, some people had given victorious testimonies. What a good God we serve!

The highlight of the year was our Annual Bible Conference in November, which was themed "A Burning Passion." It was a real privilege to have the head of our fellowship, Pastor Greg Mitchell, and head of the Australian fellowship, Pastor Daryl Elliott, as the keynote speakers. They brought the passion all week and God is truly moving in our churches.

Our auditorium was reaching the bursting point, which is a sign of all that God has done and is going to do.

One of the highlights was having more than 100 people come from our baby churches in New Zealand, most of whom were from the Central church in Auckland which was planted out of the Footscray conference only nine years ago!

We also saw our other baby churches and area churches bring several disciples, giving the Footscray saints a real

sense of expectancy for the future.

On Thursday night of the conference, we saw two new churches planted into India, and another into New Zealand. It is incredible seeing the direct result of the giving of our congregations.

off this year by sending three of our youths to Bangalore for the 2022 Youth Boot Camp. They were stirred and challenged and came back on fire for God.

We recently have started a youth service where we are seeing the hand of

Butler for revival. During the outreaches and concert leading to the revival we saw many people decide to follow Jesus. Many words were given and we saw several people healed. We hit record attendance with 47 people in attendance.

God is doing a tremendous work here in Goa. We want to thank Pastor Packia Raj for his leadership. Finally, we want to thank Pastor Rick Martinez and our mother church in Ogden, Utah for their investment in the Nation of India. Continue to pray for us as we pray for you!

Footscray Australia Conference saw three new international churches planted - two in New Zealand and one into India.

Several men have made key decisions in their life to prepare for the ministry that God has called them to. There is a real sense of our church entering into a new phase of enlargement and church planting.

We are impacting the nations for Jesus!

God move upon our youth. We've started monthly Men's Discipleships where we are seeing disciples rise up and want to do something for God.

In April we had an impact team come from Koramangala, Bangalore and saw people saved. We followed this with a Holy Ghost revival with Pastor Ravi Kumar that stirred and challenged the congregation. Our people were very encouraged that him and his wife Anu would come

Groningen, Holland
The Door
Pastor Peter Majoor

Greetings out of Groningen, Holland,

After the last lockdown which ended last January we almost immediately saw a breakthrough. Many young people got saved, and they have a strong desire to do something

Goa, India
Victory Chapel

Greetings from Goa, India! God has been doing an amazing work in our congregation.

Baptism in Goa, India church

In the past few months, we have seen an establishing of faithfulness in the hearts of God's people. We kicked

In September, we baptized five people. Following the baptism, we had the privilege to have Evangelist Donnell

Pastor Peter Majoor, right, along with Alonso and Marta Falcon, launched into Lima, Perú

to Goa after their son passed away just two weeks before.

for God. More and more people are involved in witnessing and follow-up and we're constantly sending impact teams to other cities and countries.

Last June Pastor Majoor, as former missionary and current over-

seer over the work in Perú, went to the conference, together with Pastor Carlos Morales. There was a great atmosphere and two new couples were sent out.

During one service Pastor Majoor gave words of healing and many people were instantly healed.

Please pray for the churches in Holland and Perú.

Hurstville, Sydney, Australia
Potter's House
Pastor Darren Munzone
Corres: Nina Samy

G'day from Hurstville!
This season we have seen a lot of growth and change in our congregation. Many people have had financial breakthroughs, from new jobs to pay raises. We have seen many young people being saved and living for God. Our church has been rising to new levels. God is so good!

Baptism in Hurstville, Sydney, Australia church

In the month of November our church had a "GROWvember" challenge, where the Hurstville saints committed to a five-week challenge for personal growth, church growth in faith, fruitfulness, and fellowship. From prayer walks to fasting, we have seen God move!

In November, we had a great revival service with Evangelist Boddy. We saw God move through his sermons, and after the services we saw many people healed from back pain, deafness, and neck pain. On the last day of revival, we had a water baptism with the Revesby church. We had a great turnout, and everyone was really excited to hear their testimonies and see people commit to the things of God.

We are looking forward to December where we are preparing for

"The great escape 3," which is a suicide presentation, to reach out to the youths of Hurstville who are battling through mental health issues.

As our church is continually growing, please pray for a new building for us. We cannot wait to see what else God will do in the coming months. Please continue to pray for the Hurstville church as we to pray for you.

Hyderabad, India
TNGOS Colony Church
Pastor Indrasena Kundanam

With my wife Naveena, we got launched in 2021 from the Indian Bible Conference by my Pastor Jeevan Babu.

God gave us a spacious building with the favour of the owner at TNGOS Colony, Hyderabad.

We started services in May 2022 and we've seen God moving power-

fully. We had the Grand Opening of our church in August 2022 with my Pastor Jeevan Babu. We had 112 people in attendance on that day, with 10 people saved, and four people filled with the Holy Spirit.

We could see people were coming on their own to church and were getting saved during the altar call. God gave us a word through Pastor Packia Raj in the 2021 conference and it is being fulfilled in our church.

A sister named Harini brought eight new visitors. A person named Chinnu brought nine new visitors. God moved a person to be baptised this month. This is the first baptism I gave in our church, and we had 33 people in attendance.

In one of the sister churches I preached an offering sermon and I emptied my account, hoping that

God would bring Revival in our TNGOS Colony Church. The next day, God brought 24 people to church, with 11 new visitors, and two saved.

A sister gave a prayer request for a little child of three who swallowed a large screw. We prayed that it should come out by itself. Miraculously God helped the boy. After two days the screw and bolt passed.

In September, a woman was taking care of an apartment where many people were suffering from Dengue. She came to service suffering from fever and asked for prayer, and God healed her. She came back the next day saying God healed her completely and gave an offering to God for that medicine cost.

We prayed for the brother of another couple who was suffering from Dengue. God healed him instantly and he went back to work.

Melville, Johannesburg, South Africa
Potter's House
Pastor Riaan Botha

After the Covid era, and having been through many unexpected events and surprises, God once again shows that He is a faithful God to those who keeps going forward in discipleship, winning their city for Jesus.

God has been adding many young people in the past six months through regular evangelism on the streets of Melville. They are joining the youth

Street outreach in Melville, Johannesburg, South Africa

in all of their outreaches and concerts on the street, and this has caused a flow of young on-fire Christians winning the world for Jesus.

We baptise five to eight people every two months.

There are so many new music and drama groups raising up performing in the One80 concerts and outside concerts.

It is clear that God is raising up a new generation of young people to bring a wonderful outpouring in the weeks and months ahead of us.

Mazatlán, Mexico Potter's House Pastor Roberto Rojo, Jr.

Greetings from Mazatlán, Sinaloa, Mexico.

On Friday, October 21, 2022, at 9:30 in the evening my wife (Carmen Maria) received a text message from a woman, Amanda, daughter of Mr. Francisco Sanchez Perez.

Amanda is a very close neighbor and has attended our regular services a few times. She told my wife that her father had just had a stroke, and was hospitalized in a private clinic without much hope. She asked if we could go pray for him.

On the way to the hospital, I was praying to ask God to do something supernatural that same day and that Mr. Francisco (bedridden) would become a testimony of God's supernatural healing.

When I arrived at Mr. Francisco's room, I was greeted by his daughter Amanda and about six other family members who were in total sadness and tears.

I found the news that our friend Francisco had just had his second cerebral infarction. This was very shocking because for a moment I felt that the time I had been praying had not had much effect.

I start talking to Francisco's family and I find out that he is an 87-year-old man suffering from diabetes and was being diagnosed with kidney failure.

Francisco was sleeping, the fam-

ily was trying to be strong because they had already been told that their beloved Francisco would not make it through the night, and I am questioning myself about how to pray - resignation for the family or Healing for Francisco.

I held Francisco's hand and I clearly hear the voice of God inside me saying, "It is not up to you to decide how to pray. It is up to you to pray with faith and only that."

At that moment I begin to pray first of all for salvation and I began to declare a miracle of healing in Francisco's body.

At that moment on Friday night, nothing much happened with Francisco, I said goodbye to the family and promised them that the church would continue praying for him.

The next morning Amanda contacted my wife to give her the news that her father had survived the night and was recovering.

On Sunday, October 23rd the great miracle happened. Francisco was awake and asking for the pastor who had prayed for him.

When we arrived my wife and I were surprised to find that Francisco was already leaving the hospital and was on his way home to rest, and he had no kidney failure at all. A week later we went to his house to visit him and talk with him.

At that time Francisco was asleep, but we were able to talk with one of his sons-in-law and asked him a question that confirmed the miracle.

"In what percentage do you think Francisco's mind was at that moment (because he only talked about the past and did not recognize his family)?"

He answered, "Francisco is the same way he was before those heart attacks. He already talks about the present and recognizes his entire family."

And the best news we received is that he was witnessing to a grandson with addiction problems telling him, "You need to give your life to Christ because only he changes lives."

God did an incredible miracle in the life of Mr. Francisco Sanchez Perez. God reminded us that our job is to pray with faith!

Lalitpur, Nepal Potter's House Pastor Sanjay Tripathi

Pastor Sanjay Tripathi and family, first nationalised pastor in Lalitpur, Nepal

Greetings from Lalitpur, Nepal. I came to Jesus Christ in 2011 through Pastor Mike Stampler, the first missionary in Nepal, launched from Prescott. I was born as the eldest son in my family and raised in the core Hindu values and culture. I strongly believed in and followed the cultural rituals.

In the beginning, I had many arguments with the pastor about Hinduism and Christianity. Pastor Stampler invited me to come to church,

My dad said it was no problem to go to church, but not to change my religion. But God already started to move in my life and had great plans for me.

Later on, I was sent as a translator for Pastor Jenya Usonav and their family and I got baptized by Pastor Usonav. After they had to return, I received Pastor Gordon Porter and his wife Mary as my pastors. They encouraged me to keep living for God.

I got married in 2012 to my wife Anita who was raised as a Christian girl. I had to stand against my family and society to get married because this

was an inter-caste marriage in Nepali Hindu culture. Though there were no immediate family members, my pastor and church family were there for me at my wedding.

I was discipled under Fellowship ministry standard and later in 2015, I took over the church from Pastor Gordon Porter and became the first nationalised pastor here in Lalitpur church. I have been faithfully serving Christ and reaching out to the lost ones since.

I can truly say that because of the investment and prayers in this nation, I got saved in this Fellowship, discipled, and now am pastoring. If Prescott had not sent out a missionary pastor and had not launched a church here in Nepal, I doubt if I ever would have come to know Jesus and got saved and be pastor of a church.

To this date, my dad doesn't speak to me and treats me like I am already dead. My family and I have not been accepted in the village. I had to make a really bold decision to live for Christ and for my marriage. But, God is a good God. My mom loves my wife and my daughter and I am still praying for my parents' salvation.

Nairobi, Kenya
Potter's House
Pastor Patrick Nyamai

Greetings all the way from Nairobi, Kenya!

We are excited to report how God has been moving in a mighty way in our fellowship here in Nairobi, Kenya and its environs.

Although COVID hit us hard in the 2020-2021 season, and we ended up losing quite a number of congregants, God has been faithful to bring back what the enemy was trying to steal.

Our outreaches, door-to-door and Home Fellowship ministries are bearing fruits as we've seen many new faces joining our church and staying.

In the past year we have been privileged to see three young couples marrying in Jesus People weddings, and we are very excited and looking forward to what God will do in their lives in the fu-

Pastor Tom Payne prays for couples

ture.

We have had two baptisms for our Nairobi churches held in our main church this year. It was packed to the brim with new members waiting to be baptised from our churches all over Nairobi. In the first baptism we had 80 converts getting baptised and in the second 45.

We had a team come over from Holland in November 2021 for a revival with Pastor Eric Naus. Pastor Naus preached powerfully and also performed some great music and the whole congregation was very excited.

We had another revival with Pastor Moffat Shawa from Kitwe, Zambia in February of this year and the congregation was encouraged.

Our Harvesters Homecoming was held in April this year with pastors from our baby churches ministering to us. It was great seeing what God has been doing through our baby church pastors, the maturity in them and to hear them minister God's word to us.

Pastor Andy Anderson from South Africa graced us with a revival this year in August. It was a wonderful time of being ministered to, refreshed and revived.

We had our annual East Africa Bible Conference in September with Pastors Tom Payne and Chris Plummer being the featured speakers. This turned out to be a powerful post Covid full Conference and also the biggest we've had.

Saints came very hungry to hear and to receive from God and they were not disappointed as every word ministered, landing in the right place in the hearts of God's people. At the end of the Con-

ference we had nine new works announced. It was very exciting to see all those new couples on the platform.

On the World Evangelism front, our pastor has been very busy as he's been able to preach revivals in Ghana, Tanzania, Uganda, Botswana and was also a featured speaker in the Nigeria Bible Conference held in May of this year.

We thank God for all he is doing in Kenya and all the prayers of God's people for us from different parts of the World.

We appreciate our Pastor Tom Payne and also Pastor Greg Mitchell for your prayers, guidance and direction for us.

Odessa, Ukraine
Potter's House
Pastor Dennis Vasiliev

Greetings from Odessa, Ukraine. My name is Dennis Vasiliev, my wife's name is Lyuba.

All Spring, Summer and Fall we've been having street concerts, telling desperate people that there is hope and future in the name of Jesus. It was great to see the younger generation involved in street evangelism by passing out flyers, witnessing to people and giving their testimonies in the microphone.

In spring, I was contacted by a British Christian charity. I was asked how we can help people of Ukraine if they send us money. I said, "We can arrange food packages for the needy, invite them to our services, preach to them, call to repentance and give them food bags." They liked the idea so it became one more way of evangelism through which more than 100 people heard the Gospel, many responded to the altar call and a few started to come to church.

We are involved in the prison ministry as well. One of our brothers got access to the prison so he conducts weekly services for convicts and challenges them to repent and believe God for miracles, healings and freedom from habits.

On behalf of my family and our church I want to express deep gratitude to our Fellowship. First, many of you

Online sermons preached by Fellowship pastors have helped sustain the Odessa, Ukraine church.

that the pastor told me about you. God told me that and He says that he will help you. Then he realized that it was God.

Some people whom we didn't see for a long time start to come back to church and begin to make right decisions.

Please pray for revival in Odessa.

God started to bring young people 14-20 years old by the hundreds! Every Saturday 60-70 visitors come out. Sometimes more than 100 show up to a regular concert. We are averaging 138 salvations a month in our church concerts and services.

Many of the kids have locked in and are showing signs of real conversion. At this moment our outreach director is working with 88 new converts saved less than six months.

Many are asking what caused such a move of God. First of all, we had a very humbling time of prayer and fasting preceding this. It was as if God caused us to pray more and seek His presence.

Secondly, we had been busy raising our own church kids and they were on fire. They are instrumental in helping to lock these teens in.

Thirdly, we put free coke and chips on the flyer! The good thing is this is a repeated pattern throughout the churches of the Russian Fellowship.

A few weeks ago a church on a remote Sakhalin Island, which is on another side of Russia, saw 200 visitors in two days with dozens answering the altar call.

Another church just saw over 100 visitors with 30 saved. So my hope is

have been praying for us and for Ukraine. So we feel safe and protected and we can continue ministering here.

Secondly, some churches supported us financially. That was timely both in spring when many businesses closed, the economy went down, some people lost their jobs, and others had salary cuts. It's timely now in the winter, at the time of long power cuts and high prices for electricity, gas and heating.

And thirdly, from May until now we've had a great privilege to have pastors from all over the world preach for us online and live, seeing our congregation. Due to different time zones, some US pastors preached for us at three and four a.m. and soon after that went to their own church services. We really appreciate their sacrifice.

As a result, people get saved, get baptized with the Holy Spirit, receive words of knowledge and God heals the sick. In one service 10 people got encouraging personal words from the Lord. Some were amazingly accurate.

For example, before one service started, one person complained to me about his desperate situation. Then an evangelist described to him his situation with his own words. It was so accurate that he thought that I told the evangelist about his problems. But as soon as he thought so, the evangelist said, don't think

Vologda, Russia Potter's House Pastor Sergei Golubev

Greetings from Vologda, Russia. We are seeing an unusual visitation of God.

Beginning in August 2021 God started to pour out His Spirit on teens of our city.

Ever since the foundation of our church in 1993 we've been holding weekly concerts. Sometimes we

Hundreds of teens flooding Vologda, Russia church, 138 salvations per month on average. Other Russia churches also seeing unprecedented revival.

saw results, other times we simply stayed faithful to the task of evangelism without seeing any significant salvations. But it all changed last summer.

this is not only a local phenomena but an overall Jesus People Movement in Russia!

Pray for our churches here as we are facing unconventional challenges.

Joinville, Brazil
Igreja A Porta
Pastor Manny Delgado
Corres: Eliane Delgado

Greetings from the beautiful country of Brasil!

My name is Manuel Delgado and together with my wife Eliane of 38 years we are pastoring the church in the wonderful city of Joinville, Brasil.

We were launched out of the 2018 Tucson Bible Conference and arrived here within 90 days to take over the work from Richard and Linda Lantz from the San Antonio church. Once the government allowed churches to open after the pandemic, we are steadily building a Fellowship church in this city.

God has brought into His church beautiful people who are hungry for the Word of God and willing to be disciplined.

We've had revivals with evangelists Craig McLaughlin from Jacksonville NC and Steve Wiktorski from Athens GA. Both were fruitful and helped establish our people in the vision of our Fellowship.

We've also had revivals with Pablo Luca from Belo Horizonte, Brasil; Sergio Torres from Santa Fe, Argentina; Fabian Godano from Cordoba, Argentina and my spiritual father, Pastor Gene LaValley from Athens, GA before he moved to take over the work in Toronto, Canada.

Each of these revivals were key to help God's people grow and we saw a steady flow of visitors, miracles, words, salvation and people filled with the Holy Ghost.

We have two families from Venezuela that are faithful to church and outreaches, and they bring visitors almost every service who are getting saved. Recently, they brought a family from Cuba that had only been in the country for two weeks. They came from their witnessing and immediately connected with everyone in the church. They have since started to attend services and are excited to see what God has for their lives. This last Thanksgiving, we had a church dinner with turkey and stuffing

The Joinville, Brazil congregation, Pastor Manny Delgado

and the saints brought visitors who are returning to the services.

We want to thank our Pastor Steve and Vanice Pinnick for their leadership and the Athens, GA congregation for their prayers and support. We are living the dream and trusting God to bring revival to this nation.

Please pray for us as we continue to pray for you.

Kathmandu, Nepal
Potter's House
Pastor Paul Arps

Hello From Kathmandu, Nepal. We are so grateful to God for all that He has been doing in our church these last few months.

It was a great blessing for our church to be able to have two revivals recently. The first of these was with international Evangelist John Perry in September. God used him to bring great encouragement to our church.

We were able to experience our largest recorded attendance in a regular service in the past six years. It was an outstanding revival and several first-time visitors came throughout the week. Several words were given and many people were encouraged to start laboring in public ministry, some for the first time,

others that just needed God to refresh them to join again.

We started off the month of October with another revival with Pastor Jesse Morales, and again God helped and encouraged many. Specific words of encouragement were given, five people were saved through the course of the revival, and the revival was very well attended despite that week being the biggest holiday of the year in the Nepali calendar (which causes many to leave our city into the villages to visit family).

We have been experiencing great breakthrough in our regular prayer meetings. Many from the church have begun to take this seriously, and I am

John Perry revival in Kathmandu, Nepal

convinced it is a great marker of things to come. God has also been bringing many people to church who have never before set foot in a church. Within the past few months we have seen more people faithful to our evening neighborhood outreaches in the streets.

Please pray that we will be able to see lasting fruit, people to lock into the church, and the Spirit of God to bring real conversion to this great nation of Nepal!

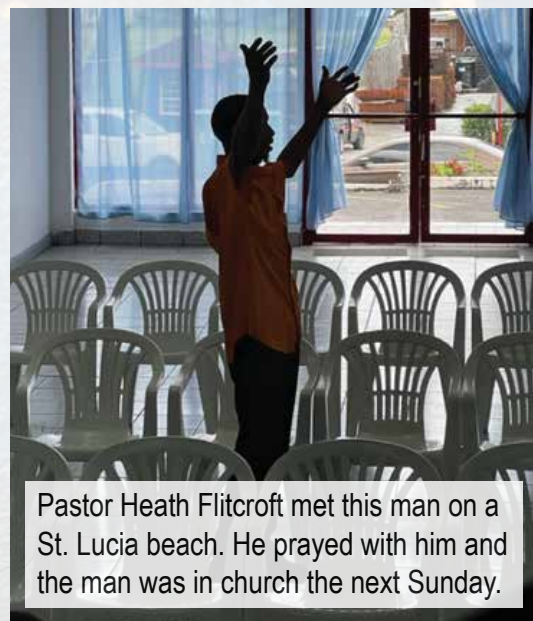

**St. Lucia, Caribbean
Potter's House
Pastor Heath Flitcroft**

Hello from St. Lucia!
We just arrived here and already we are seeing favor!

On the beach I was able to pray with a man who informed me that he was

The Zagreb, Croatia church congregation

Pastor Heath Flitcroft met this man on a St. Lucia beach. He prayed with him and the man was in church the next Sunday.

“not correct” and wanted to come to church. He prayed with me and was in church the next Sunday!

Then the landlady of our home invited us out to eat and as we were talking, she brought up the church and what we do. I was able to witness while getting to give our Fellowship’s history!

She had invited a friend named Sue (these are some wealthy long time locals). After a quite lengthy interview she told us she would tell her friends and wanted to spend more time with us.

Later that week she informed me that she was coming to church! As promised she came and enjoyed it, then we spoke more and she has been helping us navigate the demographics and dynamics of the city and island!

I was following up on the work visa and they were slow in getting back to me, but as we were outreaching the man who runs the reception desk came and told me “your stuff is ready!”

Thank God for His favor and help!

Since then I have had several divine appointments with some men, one of whom was having dreams about the Second Coming.

We got in with a radio station and they loved our vision. They are giving us advertising and testimonies on air free of charge!

The favor of God is helping us!

I am very excited to see what God does in St. Lucia with my wonderful family and support team!

Thanks so much for the investment and prayers!

**Zagreb, Croatia
Potter's House
Pastor Justin Entong**

We were launched into Zagreb in August 2021. A few months later, in October, we opened our new church building. During the openings weekend with Pastor Nomdo Schuitema, 25 people got saved. This catapulted us into a season of revival.

In the past 12 months more than 190 people prayed the sinner’s prayer with us. People from different nationalities (most Balkan countries), religion background and different age groups (12-70+ years) got saved. It often happens that people on the street ask us to pray with them the sinner’s prayer or pray for healing.

Recently an impact team of 58 people from Amersfoort, Holland came to help us. In a few days more than 70

people got saved and in the weeks after many of these people visited and were added to the church.

We have seen many miracle healings. People got healed from dislocated vertebra, broken ribs, broken fingers, back and neck pain, and legs grew out. Others were healed from long-term allergies and twisted ankles.

It is almost impossible to get a permit from the city government and police here. We talked with the police and the city government officials, and they granted us favor to preach the Gospel on the streets of Zagreb. They encourage us to do it more often because they see the spiritual change in the people when we are preaching.

Sometimes the police call us to check if they can help us and if we need any assistance from them. One time they even stopped a big event a day early so that we could be on the main square!

God is preparing this city and nation for a big revival. The spiritual climate is changing, and people are desperate for God. It is a blessing to see that the Gospel brings deliverance.

We thank God for what He is doing in Zagreb!

**Zwolle, The Netherlands
The Door
Pastor Nomdo Schuitema
Corres: Danny Mispelblom**

Greetings from Zwolle!
In the Halloween weekend in October we organized an escape room that lasted from Friday evening to Saturday evening. Solving puzzles and riddles, 75 people split into 15 groups were given an hour to escape. We called it ‘Escape from Hell’ and the

Cafe 180 outreach in Zwolle, The Netherlands

inspiring sermons that encouraged both older and younger Christians and emphasized once more we're living in the last days. Several new believers invited Jesus into their hearts.

Various evangelists preached Good News sermons. Lead by Edwin Jonkhout, Sarris Draaijer and Jan-Willem van Dam, these powerful sermons attracted a number of visitors and the Gospel was shared with them. We're grateful for what God has done and is doing through our evangelists.

Best wishes from the city of Zwolle where our hearts are still aglow for Jesus!

Pitesti, Romania
Potter's House
Pastor Mihai Calin
Corres: Mihai Constantin

Greetings from Pitesti, Romania. Our church has experienced the favor of God this year.

We kicked off 2022 by restarting our band ministry as a young disciple and a young lady from our church joined the old incomplete band.

In the first three months of 2022 we had impact teams going into three churches having powerful concerts, each time seeing visitors responding to altar calls.

Since then, our band ministry has continued to grow, up to the level where we now hold live outdoor concerts.

In the spring of this year we started a three-months fasting for breakthrough in seeing visitors coming to

church from our Saturday outreaches. God was faithful and since then, we have seen visitors from outreach coming in each Sunday. God responds when his people seek Him through fasting and prayer.

We had evangelist Sho Kishimoto in March and Pastor George Cernica in May preach revivals for us. Their ministry has been a great blessing as our congregation was encouraged and young converts were challenged to believe God and step into discipleship.

In the summer Bible Conference, our pastor and his wife responded to the call to start a missionary work in Hungary, a nation where our Fellowship had no churches. We are thankful and grateful to pastor Mihai Mihai and his wife Tina for their leadership and for ministering with love and commitment.

Pastor Mihai Calin and his wife Cami took over our church from Codlea. From our church also, Mihai Ticu and his wife Georgiana were sent out to take over the church of Codlea.

We had a supercharged conference and God worked through the powerful sermons.

Since the pastors' change we had three people baptized in water.

As expenses grew, our church saw God work miracles in finances like never before. People were blessed and gave abundantly to cover all the needs

Baptism in Pitesti, Romania

of the church as God proved himself faithful again. Also our attendance grew by almost 20 people since the start of the year.

Keep us in your prayers as we are pressing on and believing God for great things for our church in the future.

idea was to create a near-death experience.

The storyline began with a car accident, visitors then went into a room that characterized their death and sins and in the last room they entered the portal of Hell.

After-talks sometimes lasted two or three hours, participants occasionally came out crying and we saw a large number of Korean students. God was present and there was such a unity in our congregation during the weekend. More than 100 people from our church helped make it a reality and using the theme of Halloween we conveyed the message of hope and salvation through Jesus Christ (don't be afraid to scan the QR code).

This fall we started 12 home Bible study groups in Dutch, English and Spanish. Those attending the English Bible study are from Singapore, Nigeria, Zambia, China and of course Holland. "With different cultural backgrounds, we're having a nice atmosphere and lots of fruitful discussions. People are sharing their testimonies, challenges and experiences and we're praying for each other's needs," said Chinese Bible study leader Rubin. "For me personally, the study gives me a lot of encouragement. I am happy to use my experience to support others."

We had the pleasure of welcoming Pastor Paul Stephens to our nationwide rally. He preached a number of

La Ceiba, Honduras
The Door
Pastor Jose Bernal

Hello, and greetings from La Ceiba, Honduras.

My name is Jose Bernal and with my wife Angel arrived in Honduras on March 27, 2022.

We immediately began to make connections in search of housing and a church building. God began to put the right people in our paths, and we were able to lock in a building in June and had our grand opening on July 10, 2022.

Thanksgiving dinner at new La Ceiba, Honduras church

We had five visitors in service that morning and eight that evening.

My mother church (Pastor Roland Perez) sent us an Impact team at the end of July, and we hit the streets, passing out fliers for our revival and witnessing. We had 15 people pray from that outreach, and seven of those people came out to the revival.

Fast forward to November, we had Pastor Richard Gutierrez and his wife from Austin, Texas come out and helped us evangelize on the streets in preparation for a Healing Crusade/Revival where we had about 15 in attendance and six visitors every night of the revival.

The final night of the revival, we had 22 people in attendance 15 of those visitors, and out of those visitors, seven were healed and five filled with the Holy Ghost.

We had a Thanksgiving dinner for our Wednesday night service where we had 35 people in attendance, and 15 first time visitors came out and heard the word of God!

Keep praying for us as God is adding to his church daily. We are taking La Ceiba Honduras for Jesus!

Mandaluyong, Philippines
Potter's House
Pastor Alberto Desepida
Corres: Gualberto Hernandez

Greetings from Mandaluyong City, Philippines! It is always a great privilege to report what God is doing in our fellowship here for the past few months.

Our regular street evangelism every Tuesday evening and Sunday afternoon continue to draw souls to our Lord and Savior.

With the addition of Thursday and Friday outreaches, God always amazes us by what He is doing. In these out-

reaches we noted an average of 200 souls receiving Christ every month, and through these, our workers manage to open more Bible Studies and children's outreaches.

With the start of in-person classes in public schools in our city, God never fails to give us favor. We were allowed again to conduct Campus outreach. Most of the young men in our church are fruits of our campus outreaches and they are excited and expectant to what God has in store for us in this ministry.

In September, we had our Couples' Fellowship where 21 couples attended, and many were blessed by the Word of God. Last October 29 during our quarterly water baptism service, 16 people were baptized, seven of which are new members of our daughter churches. Praise to our God.

In November 7 to 11, during our bi-annual Bible Conference, God gave us favorable weather because just a week before our conference the country had some storms and earthquakes but the God we serve is a gracious God. The conference body was blessed and refreshed with very timely messages from Pastor John Maiolo and our local leaders. The conference's highlight

was the announcement of international works into Al Ain, United Arab Emirates and into Eliat, Israel, along with 11 local pioneering works.

We glorify God for the breakthroughs that He is giving to our church, and we want to thank everyone for praying for us. God bless our fellowship.

Lusaka, Zambia
Potter's House
Pastor George Karabassis
Corres: Brian Samuhela

Greetings from the great nation of Zambia, we are eager to share testimonies of what God has been doing in this part of Africa in the year 2022.

We had our first full-fledged Central African Bible Conference in August after the pandemic. Evangelist Steve Bowman and Pastor Jeff Day, including our Pastor George Karabassis were the main speakers.

The theme of the conference was "Asking for the Nations" based on Psalms 2:8. People were fed with God's word, healed and delivered.

We planted a church in the east part of Lusaka in a township called Bauleni where Delgracious and Monde are pioneering the church.

We also planted a church in Ten Miles area where Chiko and wife Bertha are doing the work of God. In total we had seven churches planted during the conference. After the conference we had Serious Men with Evangelist Steve Bowman.

In September and October, we had One80 events at church and in Chilenje Township respectively, which saw nine people give their lives to Jesus.

Pastor Simon Kakumbi preached for three nights in Chazanga for an outdoor crusade. A hundred plus people were added to the Kingdom of God and some testified of God's healing power during the crusade.

Pastors Terry Haynes and Kevin Hanston were in Zambia almost at the same time, we were blessed to have revival meetings with them as congregation was steered for greater works.

In the month of November, Pastor

Seven new churches planted out of the Central African Bible Conference

George preached for two nights in the newly launched works for a crusade in the Ten Miles area and one night in Bauleni which saw more than 50 people saved.

We are eagerly looking forward to our annual soccer tournament within November with our Guest Preacher - Danny Phiri, as we believe for many teenagers and youths not only to turn up but to be saved. Also looking forward to our Men's Rally in the first week of December as Pastor Karabassis will be hosting Pastors John Perry and Moffat Shawa for the rally. Happy 2023 to you all!

**Port Moresby, Papua,
New Guinea
Potter's House
Pastor Perry Noah**

Greetings from the Potters House Church in Port Moresby, Papua New Guinea.

In the month of July, we had Evangelist Bruce Callahan come and preach four nights of revival meetings for us however, we only had three nights instead. The first night was cancelled due to issues relating to our country's National General Election. It did not stop us from attending the other three nights of the revival meetings.

Our faith was stirred and we were encouraged to tap into the dimension of what God has in store for every individual. We had other city churches come out also for the revival meetings.

We have just come off from our PNG National Bible Conference 2022. We were blessed to have our Head Pastor, Mark Woods and Pastor Johnny Nguyen from the Merrylands Church in Sydney Australia as our guest speakers. It was a wonderful time of conference.

Our Fellowship churches have been

blessed, encouraged, strengthened, refreshed and brought to another dimension through the preaching of the word of God. We were able to launch out two new works - one within Port Moresby and the other outside of the city.

We now have a total of 21 churches. It is always great to see couples being raised up and to catch the vision of our Fellowship. We are believing God for more works next year.

Two weeks after our Bible Conference, we had a water baptism at the church where we saw eight young people declaring their faith publicly.

In the month of October, we had Evangelist Dan Villani all the way from Perth, Western Australia come and do a full on revival meeting for our three daughter churches. We saw God move powerfully. We had three people healed of epilepsy, deaf ears were opened, and the blind eyes could see again! We saw miracle after miracle. A total of over 514 souls were saved during these revival meetings and the outreaches.

We are now working on upgrading our church. Our faithful men from the church have been helping out. And woman also are volunteering helping out in preparing food for the men.

We have been faithfully labouring in our weekend outreaches as a corporate body. We are seeing people healed and their lives are touched with the Gospel of Jesus Christ and souls getting saved.

Please pray for us as we pray for you.

**Johannesburg, South Africa
Potter's House
Pastor Isaac Mathebula**

Greetings from Meadowlands, Johannesburg. South Africa.

This year we've seen the wave of revival in our congregation.

Earlier in the year we had our maiden Harvestor's Homecoming with Pastor Stacy Dillard and family from Chula Vista, CA. (They pioneered the church). What a powerful time we had!

Mid-year God showered the church with a wave a young converts from a nearby township. These fellows came in droves. To this day some have locked in and aspire to serve God. In that wave, siblings from one family all got saved and to this day are still faithfully coming to church.

We partnered with our baby church (Soweto, Whitecity led by Pastor Israel Mulovedzi) in baptism. One of their converts was a "sangoma" who got radically saved, even learned the principle of tithing and she has begun to be faithful in obeying God.

We appreciate the pastors who came to stir our congregation through revivals - Randal Van staden, Hector Ortiz, Evangelist Mike Brill and all fellow laborers.

**Eagle Vale, Sydney, Australia
Potter's House
Pastor Adrian Sciacca**

Greetings from Eagle Vale, Sydney, Australia!

In June we celebrated our church's second anniversary with a revival with Evangelist Rod Gibson.

God moved powerfully and numbers of people were saved, healed and filled with the Holy Spirit with the evidence of speaking in tongues!

We are seeing God establish a core of young men and women in Eagle Vale with a heart for evangelism and a desire to be disciples.

Recently we had the privilege of celebrating the marriage of a young couple in our church that were saved during the lockdown. God has been moving powerfully in their lives, inviting numbers of friends out that have gotten saved!

We are beginning to see backsliders coming home, relationships developing and converts rising up and joining ministry.

God is on the move in Eagle Vale and we are looking forward to all He is going to continue to do in the year ahead.

Christian Fellowship Churches presents...

Wayman Mitchell Memorial Tour

The Bible Land Experience

November 7-16, 2023

Departing Cities

Los Angeles \$3,595 Land and Air

New York JFK \$3,475 Land and Air

\$2,525 Land Only

Dear Friends,

It has always been Pastor Wayman Mitchell's desire that as many people in our fellowship as possible see Israel at least once in their lifetime. That is why he asked me to continue leading the tour so that opportunity would be possible. I will remain faithful to that as long as I can.

In 2022 we had to cancel because we did not have enough people sign up in a timely manner so we could not hold the rooms we needed. Many were disappointed about this but in a competitive business environment it could not be avoided. I am asking that for the tour Nov. 7-16, 2023, those interested in going would not delay but put in an application and deposit very early so that the tour can continue. We should be able to have a strong group by March or April so we can plan accordingly.

I know many wait until well into July but that will mean another cancellation. Pastor Mitchell's dream was for this to continue until Christ returns and I want to fulfill that dream. Please join me in honoring Pastor Wayman Mitchell next year in Jerusalem! You can find the applications and brochures on our website, thedoormapofredlands.org Israel tab. They are downloadable as a pdf file.

Sincerely, Pastor Richard Cox
