Prescott, Arizona
Potter's House
Pastor Greg Mitchell
Corres: Matt Sanderlin

In March, we hosted our annual Children's Ministry Conference. This conference brings youth ministry leaders, pastors, workers, and young servants together for

Christian culture but has never been converted.

The Prescott youth group holds regular prayer meetings during which each of them presents a need they have in their lives. As a group, we pray for each prayer request corporately. Matthew 18:19 instructs, "If two of you agree on earth concerning anything you ask, my Father in heaven will do it for you." With the aim of revealing God's

time in its services. In the last six months, several visitors from El Salvador, Peru, Costa Rica, Ecuador, and Cuba have attended services and have been saved.

Two Hispanic Family Fun festivals, led by Spanish-speaking disciples, saw several visitors and many salvations. In one of these events, an entire family was saved, and they have since become part of the Spanish Service.

Disciples in the Spanish Service meet at 6 a.m. on Saturday to learn how to preach and minister. They desire to preach the Gospel and one day become pioneers.

The most recent pioneer work sent out of the Spanish congregation is getting

established in Charlotte, NC. Pastor Manuel Vasquez saw 27 people in attendance during his midweek service, most of whom are from the nation of Honduras.

Our baby church in Mazatlán, Mexico, is seeing a season of growth. Last week, they had a revival with Pastor Reo Obispo from Holland, and they closed their Sunday night service with an attendance of 65 people. God is on the move in the Spanish-speaking community.

In February, we held our first baptism of the year, and 10 precious converts went on record to live for God. As a result, many family members and friends came out to witness their profession of faith and celebrate with us in fellowship after the service. We look forward to the many baptisms that will follow.

The summer outreach calendar is full of events, including healing crusades, park outreaches, evangelistic movies, and neighborhood outreaches, all of which are led and organized by disciples who have a desire to do something for God.

Continue to pray for Prescott as

three days of preaching, training, and spiritual calibration.

Guest speakers included Pastor Steven Ciaccio, Pastor Matt Sanderlin, Pastor Anthony Seawright, Evangelist Frank King, and Peter Nash from the UK. With more than 25 workshops, seminars, and sermons, youth and children ministry workers were inspired, challenged, and encouraged.

In Daniel 1:3, King Nebuchadnezzar launches a strategy to capture the young men of Israel and place them in captivity. We must reach this next generation for Jesus or risk losing them to an enemy who is actively working to take them captive. The conference theme was "Unleashing the Power of God in Your Children's Church."

We must take active steps to demonstrate the power of God to our young people and share with them the testimonies of His power. Without introducing them to God's power, we risk ruining a generation of cultural Christians. A cultural Christian is a nonreligious or pseudo-religious person who adheres to Christian values and appreciates

power to teens, we have leveraged this promise in weekly prayer meetings for nine months and have seen 136 documented prayer requests answered.

During a prayer request in January, the youth prayed for 15 to be saved on Saturday of their one80 youth takeover (see photo). After a day of outreach, street preaching, and a youth-run concert, 15 people had prayed to receive salvation! In this event, Prescott partnered with the youth group from Chandler, and the band dramas and testimonies were produced and presented by young believers between the ages of 13 and 19.

Devon and Jacquie Ryals came on staff in January, replacing Anthony and Natalie Ciaccio as our concert directors. Pastor Anthony Ciaccio, his wife, and three children are now in the Boston, Massachusetts area, pioneering a work for God. They have already been able to lead people of many nationalities in prayer to receive Christ as Lord and Savior.

Prescott's Spanish congregation has been experiencing an exciting

Bullhead City, Arizona
Potter's House
Pastor Louie Lobato, Sr.
Corres: Jonathan Lobato

There's a stirring in the church and a panic at the enemy's gate!

In July we sent out a wonderful couple, CJ and Carrie Petrowski, to faithfully continue the progress in Denton, TX and to send back Jonathan and Lauren Lobato to come and assist here at home.

Their transition occurred a couple weeks before an awesome meeting with Pastor Dion Howard, who admonished us to keep outreach a church culture, not a special event! The saints were fired up at the introduction of the indoor Walmart Blitz and saw 80-plus strangers make a decision to repent during evangelism that same week!

Having both our Pastor and an assistant, we've been able to share them more frequently with our baby churches to encourage many saints from CA to NC throughout this last year.

In September our Pastor Louie Lobato did a revival in Show Low, AZ and returned with good report as we began a meeting with Evangelist Steve Bowman. That's the most anointed USB in the Fellowship! (Uncle Steve Bowman!). The end of September was still warm enough here to do a Splash Pad concert at a new local park and the response was very encouraging.

Pastor Peter Ajala was our October Oracle and there is still fruit in the church today from that meeting! His encouragements still ringing in our ears, we loaded up our church van and a parade of personal vehicles to impact and amplify the efforts of our Henderson NV baby church that was doing their annual Harvest Festival and (all youth) Hero Play. There were 100-plus visitors and around half of them didn't leave before repenting!

The year 2023 came to a close for us with a home-made children's play, "A Hero For Gotham," where Batman and other mini-sized heroes realized there's saving only Christ can do. We welcomed 2024 by announcing a fresh New Convert's Class that has seen 15-30 in each meeting to date.

Most recently, there was a powerful testimony from a young man and his uncle that came to church to see if the Holy Ghost was present. They confirmed with confidence they felt and heard from God and have since introduced us to about 20 of their relatives, each coming to the altar to give their lives to Jesus! How quickly God can make things happen!

We pray the same for your church, just one convert away from filling rows in your services!

Chandler, Arizona
The Door
Pastor Joe Campbell
Corres: George D. Rose, Sr.

The Bible promises that we will reap in due season if we faint not. In Chandler, we continue to cast seed in many different directions and so are expecting a bountiful harvest.

Chandler launches Gilbert & Judy Ornales into Cambodia

Following Christ's command, we sent teams to other cities to preach the Gospel of peace. Our outreach teams to partner with local churches to harvest souls for the kingdom. These teams have been fruitful in seeing God's word go forth.

November found us reaching veterans of the military family with our 4th annual Veteran's Day dinner. More than 60 people attended with 24 visitors who got to hear a message of healing and hope.

Additionally, we entered a float in the Gilbert Day's Parade. The float featured

one of our bands that ministered the Gospel in the staging area and throughout the parade route. A number of disciples were able to preach to the crowds as the float made its way through town. A number of people were saved as a result of these outreaches.

Our teens, full of the Holy Ghost and power, took over the music scene and established God's authority and dominion in that place. They ministered in all aspects of the concert scene and delivered powerful testimonies throughout the night. At the end of the night 17 precious souls were added to the kingdom!

The church presented a musical drama called, "Jingle Jangle," about a man who lost his way and lost hope but had his faith restored through a miracle of redemption. Many people from the surrounding community attended with the altars being full at the end of the evening.

We were able to release Gilbert and Judy Ornales into the nation of Cambodia. In his farewell service Pasto Ornales declared the importance of not only having a "quiver full" of arrows but also the ability and willingness to release them. He thanked Pastor Campbell and the Chandler church for always being willing to pull back the bow and "aim" couples at the harvest field. We will pray for this precious couple as they minister in Cambodia.

We will embrace the opportunities that lie ahead in the upcoming season. We will continue to respond to God's call to preach the Gospel to every creature and look forward to the harvest God will bring.

Pray for us as we do for you.

Everett, Washington
Victory Christian Center
Pastor Tony Uriarte
Corres: Osworth Dube

Hallelujah! God has been SO faithful to us here in Everett, WA!

The year 2023 was truly amazing, seeing the hand of God at work in our city and congregation in such a new and profound way! One of our biggest prayer requests for 2023 was to see two new families added to our church and by

New converts enjoy Everett, WA Family Fun Day

the end of the year God did THAT and so much more! We've seen backsliders return, spouses saved, friends and family won for Jesus that are faithfully attending church today and continue to see that even in this new year!

In August we had a special baby dedication for three new babies born this year, each carrying their own unique miraculous story. From health scares and medical issues, premature delivery to miracle healings and breakthroughs! Moments like these and seeing God do miracles in each of them brought our church together as a praying people and made us even more of a family!

Then at the end of the month we held our annual Back 2 School Family Fun Day Event and it did not disappoint! We saw many nationalities represented that day with many open to the Gospel. One notable mention was a visitor who came with their child that one of our new converts invited. He was so blown away! He shared how impactful it was that Jesus could use him to win souls and has been coming to outreach ever since.

In September we were able to help our pioneering sister church in the city of Mt. Vernon, hosting our Family Fun Day at one of their neighborhood parks. One of the biggest highlights of this outreach was seeing all of our new converts come and help set up, outreach and participate in different stations and they even invited their unsaved family to it too! AND it was pouring rain that day! If you know you know! Rain can be discouraging but there was no discouragement to be seen at all! These converts were on fire! We were excited to see two souls won that day!

In October we hosted our annual Trunk or Treat, and it was a tremendous time! We had many "trunks" in service

which included our pioneering work's new convert family! They joined us and helped spread the Gospel that day! We are grateful for the many souls that came through who heard, one-on-one, how Jesus can change lives.

Fast forward to November we had a testimony night and many of our new converts were able to testify of the Holy Ghost fire inside them and all that God had done in their lives! It was an incredible time! Many hearts were impacted and stirred! There is no stopping these new converts!

Towards the end of December, we had our No Talent, Talent Show, and it was mind-blowing! These new converts no doubt have God-given talent and it was so awesome to see them perform!

We can't wait to see all that God has for us in 2024! Here's to a fruitful year for us all!

Fresno, California
The Door
Pastor Joe Sanchez
Corres: Mario Chacon

Hello from the city of Fresno, CA. God is doing a wonderful work in our city.

Even though it has been cold here in Fresno we still have had beautiful days in which we have been able to outreach.

We recently went to Tulare and Visalia, CA for out-of-town outreaches. There were at least six churches from our Fellowship in attendance. It's always encouraging to meet and see individuals from our Fellowship and hear all the amazing things Jesus is doing in our lives. During these outreaches, many lives were touched and prayed for. We are praying that there is fruit from these outreaches.

We have noticed that any time we attend out-of-town outreaches God blesses us with visitors in our next church meeting. God is truly a rewarder, and he blesses faithfulness. We are grateful

for all the individuals who have visited these past few months. Recently, on a Sunday, the men at church worked on the building due to unforeseen circumstances and we couldn't have our regular church meeting, but we had a church fellowship instead (after the men finished working). During the fellowship, a gentleman stopped by and was able to hear great testimonies from churchgoers. He was encouraged and has visited us a few more times. We are believing for this individual. It just goes to show that God provides at all times no matter the circumstance.

We have had some individuals visit because they saw our church signs. We are amazed every time we hear that people decide to stop and visit because of the signs. The sign ministry (like all types of ministries) is important!

We are looking forward to what God has in store for us. Please continue to pray for us as we pray for y

Globe, Arizona
Globe Christian Center
Pastor John Gooding
Corres: R. McInturff

Greetings from The Globe Christian Center in Globe, Arizona where God is on the move!

In November we saw an outpouring of the Holy Spirit as Evangelist Steve Bowman came and ministered and gave timely words to many. This poured over into our Harvester's Homecoming in January themed, "Yet More Land to Possess." We had over 25 pastors and their wives from the states and overseas in attendance bringing 25 couples and single delegates.

We were privileged to have Pastor Major from Holland as our guest speaker. Pastor Joe Zeable gave a challenge to enter the ministry and many young men and women responded to the call. It was a wonderful time of refreshing with challenges and fellowship for everyone.

After the winter conference in Prescott, we hit the streets with door-to-door evangelism and street preaching downtown for the upcoming revival with Pastor Stacy Dillard. There was such an outpouring of the Holy Spirit during the

Harvester's Homecoming in Globe, Arizona

revival with visitors saved every night as saints were ministered to and challenged to be examples. We are grateful for the fresh stirring of God and to Pastor and Esther Gooding for where God is taking us in 2024!

**Great Falls, Montana
Potter's House
Pastor Abram Baca**

Hello and greetings from Great Falls, Montana.

This past year has been a time of great ups and downs. We had revival with my Pastor Timothy Miller where we saw our numbers peak at 41 people in attendance, many people were saved,

Disciple Ivan, Pastor Abram Baca and son, Jaiden Baca in Great Falls, Montana

and the church was inspired.

We followed that up with a three-on-three basketball tournament where we saw 120 people in attendance with 56 participants. Twenty-eight people were saved.

After this, we went through a season

of barrenness, where many people simply stopped attending. Pastor Greg put into my pastor, who then put into me, "That is unacceptable!" We began to fast as a church every Monday. I opened up the building for prayer in the evenings and began to see first time visitors come through our doors during the next couple of months!

We had a revival with Pastor Artie Aragon where we saw 38 people in attendance on three different nights. On one of the nights, there were all native Americans - Blackfeet, Chippewa Cree, Pueblo and first nations from Canada! Many words were given, people saved and vision was implanted.

In December, we were able to take two men down to the Men's Rally in Prescott.

Then the winter weather hit. At times we could experience -58 with the wind-chill.

We experienced another assault where people were backsliding, finances dropped and so again, we begin to fast and pray, and took it upon ourselves to be individually fruitful. I begin to pray for the sick on a regular basis in our services and challenged the congregation to believe God for a financial miracle, and to give in that faith.

From that, we saw a backslider come back into the church after getting married. He had been praying for a house. God provided for his family, and his wife is now pregnant with another child.

One of our new converts got an \$8 an hour raise on his job!

Another lady in our church was praying for a new vehicle and she found one on sale for \$8,000. She met with the lady and she sold the car to her for

\$6,000 with only \$400 down.

The church finances increased dramatically!

After seeing these miracles, my faith was stirred to get a vehicle for our family. That along with my wife's prayers for years about a specific vehicle! We went to a dealership and didn't like the deal that was being offered, when the finance director came from the back. He asked me if I was a pastor. I told him yes, and long story short, he gave me a testimony about how he had gone to prison on three separate occasions. On his last stay, he had gotten radically saved and he believed that God saved him to help me that day! He took thousands off the price of the vehicle and lowered our monthly payments to a reasonable amount!

We have recently had 30 first time visitors and a wave of backsliders in the month following the winter conference. Please pray for us in Great Falls, Montana!

**Hampton, Virginia
Potter's House
Pastor Roman Covos**

God has been helping us here in Hampton! We were able to move into a new building to facilitate what God is doing in our church. Our new building is more than twice the size for the same price!

In fall of 2023, we hosted our Trunk or Treat inside due to the rainy weather. Our turn out was around 150 people and we gained a family of five. They have been attending since!

In November, we were blessed to have revival with Evangelist Andrae Brooks. God used him to bring timely words. Along with the revival, our F.Y.R. (Faithful Youth Redeemed) also hosted the "757 Youth Revive," where Evangelist Brooks ministered to more than 80 teens from our church and surrounding area churches.

Closing out 2023, we had 51 people in attendance for our last service of the year with several praying to receive Jesus before the new year started. What a great way to end our year!

This year our theme for 2024 is "Next

Youth meeting in Hampton, Virginia

Level.” God continues to pour out His Spirit over our church with many souls getting saved and stirred to profess Christ with their lives!

Our Pastor has started a new Men’s Discipleship class this year. The men meet once a month; “Bros, Bibles, and Breakfast.” Our ladies also come together for a women’s prayer meeting a couple of times a month as they believe God for our church.

We also have five precious souls getting baptized at the top of the year. We are so excited for what God is doing in our church and in the state of Virginia. Hampton is on fire for Jesus.

Please continue to pray for us as we pray for you.

Litchfield, Arizona
Potter’s House
Pastor Lupe Serna
Corres: Sarah Nolde

Greetings from the city of Litchfield, Arizona.

It is such a great privilege to be a part of all that God is doing in our Fellowship. During one of our Sunday services, a woman in the church who had injured her back came up for prayer. God gloriously touched her, and she is completely pain free. During one of our outreaches, a man was invited out to the church. He walked into the next service, gave his life to Christ and has been faithfully attending the church, along with his brother and sister.

In September Pastor Marin did a revival for us where we saw two people healed of back pain and one person healed from breathing issues that they had suffered with for years. We also saw two people filled with the Holy Ghost.

Gospel with many souls.

Our children’s church performed for our Christmas Eve services where we saw many visitors and hosted a Christmas Eve brunch.

God is bringing growth to our church as we dedicated children and baptized four people. Please keep us in your prayers as we look for a new building. Thank you Pastor Mammon and our mother church for your continued support and prayers. Please pray for us as we continue to labor for souls.

Lubbock, Texas
Potter’s House
Pastor Lee Williams
Corres: Jaime Ortega

Hello from The Hub City, Lubbock, Texas. We are very grateful for all that God is doing in our city and church.

In August we were blessed to send

The Lubbock, Texas congregation

In October we had Pastor Robert Martin- ez as a guest speaker. A couple who had noticed our church sign, and they walked into the service and gave their lives to Christ.

We teamed up with our mother church at their annual Trunk-or-Treat and had the opportunity to share the

a impact team to Corozal, Belize for Pastor Frank and Olga Beaman. We witnessed many souls impacted for Jesus.

In October we had our annual Halloween Reality House, seeing several visitors that night with decisions for Jesus being made as each group went through.

Revivals with Micah Wright, Mel Montoya, and Rob Gibson were on point and on time with encouraging words with many visitors in attendance each revival.

The Litchfield, Arizona congregation

We recently were blessed as Pastor Mike Webb and his wife Mary from Tucson, AZ came for our annual Valentine’s Sweetheart Dinner. Married couples in the church and some from surrounding churches were refreshed and also had a great time of fellowship. Pastor Webb ministered both Sunday services giving words and timely messages from heaven.

God is helping His people in Lubbock as He has truly been on the move in our church. We have begun to experience a fresh wave of visitors coming every service with decisions being made for Jesus each time. This thrust has encouraged God’s people tremendously and we are starting to see a new vision for evangelism and

discipleship in our church. God has been restoring families and healing hearts as people are getting involved and raising back up into ministry.

We’re believing God for greater things in 2024. What a privilege to serve God in this day and time.

Lynwood, California
Potter's House
Pastor Erik Quiles
Corres: Cameron Quiles

Greetings from the Potter's House Church in Lynwood, CA. God is moving in Los Angeles!

God has brought in new people and families to our church who are rising to the challenge. A new couple that came in last year is seeing their lives and family restored. Their DCS case was recently closed and they now have full custody of their infant daughter. They also just got married!

During the holiday season, we held a Christmas Toy Giveaway and had over 400 visitors come through the rain. Roughly 40 people responded for salvation.

Outreach in Lynwood, California

Our men recently attended a breakfast held by our Mayor. We interacted with and heard from our city officials. We are believing God for influence and favor in our city!

We are excited to see what God will continue to do this year and are keeping the momentum through outreaches, concerts, and events.

Please continue to pray with us for revival in Los Angeles! God bless.

Merced, California
The Door
Pastor Albert Castillo

Greetings from Merced, California!

We are excited to share what God is doing. After meeting at the local Boys and Girls Club for a few months, God opened a door for a new building down

town. We are seeing favor with many visitors and backsliders.

A new family locked in and their teenagers have been bringing friends to Bible study.

We are believing God for the youth who have been boldly stepping out during our street meetings. Please keep praying for us as we pray for you.

Midland, Texas
Potter's House
Pastor Robert Hernandez

Testimony
Luis and Mary Hernandez

My name is Luis Hernandez and with my lovely wife Mary, we moved to Midland, Texas in 2004 and started attending The Potter's House Christian Fellowship Church in March

2005.

We served God up until 2009 when we backslid and went back into the world. We were away from God for 14 years, thinking we knew what was best for ourselves, not knowing that God had a plan for us.

I begin to think that I could hide my sin, thinking I could keep it in the dark until one day when God flipped a switch and revealed it to my wife. We begin arguing constantly and fighting. God had been dealing with me and He gave me a choice. He said "I can leave you to yourself and you can die in your sin alone or you can come back to Me and I'll work on you and then on your marriage."

I argued with God, I tried to do it myself but one day while at work I was on my phone looking up parts for my motorcycle, trying to keep my mind occupied, but God caused the sermon from Pastor Hernandez here in Midland, Texas called Getting Out of the

Congregation at Merced, California

Way to speak to me. No matter what I did I couldn't get it to stop playing on my phone! I turned my phone off and went about my day. When I got home I turned it back on, and God was telling me to listen, so I made a decision.

I told my wife I was going to church Wednesday night and if she would come with me, I would be happy. But I understood if she didn't want to since we had been arguing and fighting a lot. She tested me. She told me that the Pastor's wife had called her and told her

Luis and Mary Hernandez, backslidden for 14 years, now saved and serving God

that they were in Revival services with Evangelist Glen Pugliese. This was Monday night, there was service that night so I thought to myself, OK God I'm going and that evening I laid my

life down, gave my heart to God and so did my wife.

Now we have been in church for a year and God has been moving. He showed me my destiny and my wife's, for us to preach the Gospel and do his will. We've been in attendance faithfully.

We give the glory and honor to God for without him we will surely fail. God has improved our marriage and helped with our children. He's even helped me to become bold and confident and to be able to speak in front of people. He has turned my heart from an ice cold stone to loving fire. God is good all the time.

Newport News, Virginia
Potter's House
Pastor Larry Mitchell
Corres: Wayne Nickerson

Greetings from Newport News, VA. God has been doing great things for us.

We ended 2023 with our annual No-Talent Talent show. We invited those on staff and other pastors in attendance to give their testimonies of how Jesus saved them.

Pastor Larry Mitchell has set our theme for 2024 "Level Up." He has challenged us to extend ourselves for the Kingdom of God. Just as Caleb asked for the mountains as his inheritance and rose up to take his land, Pastor Mitchell challenged to be of the same mind spirit individual and corporately as we rise up to take the land God has given us.

We have begun having bi-monthly Serious Men's classes, patterned after those done in Prescott. A good number of disciples of all ages who desire to do great things for Jesus faithfully attend these special meetings and ask questions.

In January we had the Sandoval's farewell service. Pastor Ricky Sandoval, his wife Rebecca and their daughters are now pioneering in Williamsburg, VA. The good news is they have already secured a temporary facility where they have begun having services/Bible Studies. We believe God is going to do a great work there!

In February we were overjoyed to have Pastor Tony Chase for revival.

Pastor Chase preached five powerful sermons, each dealing with a different facet concerning faith. It was truly a Holy Ghost time.

Several visitors that were invited during our Wal-Mart Blitz came out and got saved. The presence of the Holy Spirit was so powerful as we lingered at the altar. There were at least one or more prophesies in tongues and interpretations that challenged and encouraged the congregation after each service.

We are confident what Jesus has done in us during this time will be a lasting, memorable work as we move forward in one accord, moving upward and onward in God's mission for our church.

We appreciate Pastor Greg Mitchell and Pastor Joe Campbell for your leadership and vision. Please pray for us as we pray for you.

Radcliff, Kentucky
Potter's House
Pastor John Hildebrandt
Corres: Renee Hildebrandt

Greetings from Radcliff, Kentucky where God is doing great things.

Early in October we had our annual Fall Fest with Pastor DaKim Murphy from St. Louis rapping for us as well as our new band from Radcliff playing. We had more than 200 people in attendance for this event. A bouncy house, games, music, pumpkin and face painting kept the crowd engaged while the music and testimonies were going on. We had 25-plus decisions that day and we're still working with these contacts.

We have had excellent revival services with Evangelists JW Ballinger, Glen Pugliese and Franki Chi in June, August and October respectively, and a revival with our own Pastor Terry Haynes in September, which was a major encouragement for our congregation. In each one God was doing the miraculous. We have been seeing a steady stream of visitors all summer with people making decisions to get saved, and then returning for more of what God has for them.

Please pray for us in Radcliff. We are believing God for revival in these Last Days before Jesus returns.

Testimony
Luis and Mary Hernandez

My name is Gracie Swartz. My husband, Joseph, and I are a part of the Potters House church located in Radcliff, Kentucky.

I have a testimony to share of the healing power of Jesus Christ. I began having painful symptoms relating to poor circulation while I was pregnant with our first daughter. The symptoms gradually worsened, especially after the birth of my second daughter. I went in to see a vein doctor to have my situation evaluated.

After running an ultrasound on my lower leg veins and abdomen I was called in for a consultation with a vascular surgeon. He told me they had found a significant blockage located in my left iliac vein (just below my belly button, on the left side) which meant that blood flow to my lower left leg was restricted. The ultrasound was unable to verify what exactly was causing the blockage, but he wanted to send me for a CAT scan to determine what exactly the blockage was from. His theory was that I either had a blood clot with one of my pregnancies, or developed a condition, called may Thurner syndrome. He said either way it was obvious that I needed a stent placed to return normal blood flow.

He said his worry was that the stent may make any future pregnancies difficult, in the least, and maybe impossible, due to its relative proximity. He prescribed me a blood thinner to take while I waited on the CAT scan. This appointment took place on a Wednesday which meant that evening we had church. Pastor Hildebrandt had no idea what was going on with me, but he preached a sermon that night about how God is a God of the impossible and how life's circumstance's try to push us into a corner and tell us that there's no way out, but we serve a God who specializes in the realm of the impossible.

I took this message to heart and decided that I was going to pray and fast for a miracle. I asked God specifically to let it be the kind of miracle that I could know exactly when it happened. I also was prayed for that night by Pastor Hildebrandt after service. A week be-

fore my CAT scan appointment we had J.W. Ballinger in for revival. He prayed for me as well.

Friday night after the revival, I had a dream that I was on a surgical table and there was a surgeon standing at my feet. I was laying there unable to speak and I could feel something winding up my leg vein and then I felt it stop and vibrate twice just below my belly button on the left side. I woke up terrified thinking it had been a nightmare but eventually I fell back asleep.

When I woke up the next morning, I had a feeling that I'd been healed. I noticed the painful symptoms began to disappear. I had the CAT scan and the test results came back with NO BLOCKAGES! Everything was 100 percent normal! The vascular surgeon reviewed my CAT scan and was so bewildered that he sent me to a cardiologist who ordered an echocardiogram which also came back completely clean.

I'm praising God for His faithfulness and willingness to heal even me!

Reno, Nevada
Potter's House
Pastor Louis Oliver
Corres: Oliver Brown

Greetings from the beautiful city of Reno Nevada, pastored by Louis and Barb Oliver.

What a privilege it has been to be a part of what God has been doing in these last days. Our church has been doing what we have learned from Prescott AZ for the past 36 years. We have been preaching the Gospel, evangelizing, making disciples and most of all, planting churches.

A short recap of what has happened in those last eight months. We started our summer with movie outreaches, live music, and dramas in our local parks. Every Friday night we would pick a different park and set up shop, we would get between two to four saved. Besides the movie outreaches, we would have our bands play on Saturdays in different parts of our city with an average four to seven saved.

Throughout the year we had revivals with Steve Bowman, Jerry Fussell, and were blessed to have the last reviv-

al from Tony Chase. Many were saved during those revivals and stirred.

We have been bringing in leaders to stir our men with our monthly Men's Discipleships. We were able to bring in Pastor Tom Payne. This man discipled me and planted me out, thank God for him. We also had Joe Campbell, John McCarthy and Scott Lamb bring us direction and vision. These Discipleships are a blessing to our surrounding pioneer churches giving them the opportunity to bring their men and see what they are a part of and grow.

In the July conference we planted a work into Mindenk NV, and the pastor is now open and working with a couple families. We have been sending him impact teams and getting the surrounding churches to help get him going and people have been getting saved. Please pray for the church in Minden. Our pioneer church in Midtown has outgrown their building and just signed a lease for a building three times the size of their current building. We're believing God for great things from this church. Our church in Majunga, Madagascar planted their second pioneer church and were believing God for revival for them.

In October we had our annual Trunk-or-Treat, with more than a thousand visitors. We went right into our Joker play, with 70 souls saved that weekend. For Christmas we had our Grinch play and had 20 souls saved between two shows. In January we planted our grandson into Sparks, NV and we're excited to see what God will do in his life.

God has been giving us visitors almost every service and we have been working with new converts. Currently we have a gentleman who came into the Kingdom of God, he was born and raised in Cleveland, living a life of drug dealing, shootouts and what not. In prison he made up his mind to never go back and by the grace of God, he has done just that. God spared him and has made him a brand new man. He no longer thinks the same, acts the same, nor walk the same. This is what were all about, investing into peoples' lives and helping them grow in God.

We showed the Memorial Stones and what a blessing that has been to all of us. This has caused a fresh fire in our church, fresh vision, complete clarity on

why we do what we do. We are stirred to keep doing what has been given to us by Pastor Mitchell.

Please keep us in your prayers, as we keep you in ours.

Rochester, New York
Potter's House
Pastor Keith Sullivan

Testimony
Sharon Colón (Francis)

After four years of salvation, in 2012, I was diagnosed with Lupus (Systemic Lupus Erythematosus) after a kidney biopsy showed my kidneys were on the brink of failure.

Sharon Colon (Francis) healed from Lupus

By the end of the diagnosis, and months in and out of the hospital, doctors had come to realize that I had experienced all 13 symptoms that indicate a person with this autoimmune disease. I had been showing symptoms as a child without realizing it.

I began immune suppression and steroids to help bring relief to my organs. A year later they did a spinal tap and found that I needed six rounds of chemotherapy because inflammation had crossed the blood-fluid barrier in

San Pedro, California
Potter's House
Pastor Rick Warren

my brain. After the intense medication and chemo, I was unable to be in the sunlight due to severe side effects. My eyes were effected negatively so I had to test and get glssses due to this illness. I couldn't outreach outdoors anymore. I had to go through hair loss three times. I wrestled with joint pain, rashes, and extreme fatigue. I even went through steroid psychosis as the doctors accidentally overdosed me while trying everything to help save my kidneys.

If I'm being honest, after 10 years of believing God and many pastors praying over me, I was exhausted. I tried so many different ways to pray but there was very little change.

Eventually, I became discouraged. I stopped praying for healing and even would lash out when people closest to me would ask about it. I wanted to ignore it and live in an unrealistic mindset. Even in my courtship to my now husband, medication and my illness was a topic we avoided so as to not cause any negative reactions within me.

In 2023 I realized that God wanted me to focus on and sharpen my faith.

"Its by faith, if you believe, you shall receive," a word I received from Pastor Alvin Smith. I had relied far too much only on the physical things I could see!

I went to the 2023 Toronto Bible Conference and was prayed over by Pastor Dave Marks. The word he give to the conference body was from Jeremiah 17:14. He had us all declare out loud: "Heal me O'Lord and I shall be healed." I knew this word was for me. I began to accept the reality of a life free from illness.

A couple months later Evangelist Ralph Blanco gave me a word stating that what God has done for others He would do for me also. He prophesied that my body would reject the medication and later on joked that I didn't need the stress of my job managing a local coffee shop.

During the same revival my husband received confirmation from our area pastor that God spoke to Him and said "Sharon will be healed." We both received it with excitement.

Fast forward less than a month. I'm told by my doctors to stop all medicine due to its ill effects on my body. Typically if I missed a dose of medication my

body would react within 24 hours with hives, joint pain, digestive issues, etc.

For the first time in 12 years I feel completely normal! No joint pain, my skin rashes subsided, I was even able to stop taking allergy medicine because I could breathe normally again! The brain fog has lifted as I began to realize what a strong hold pharma had over my body.

I was also given favor from my job to take a leave of absence to focus on my health just as prophesied.

I was able to do the Fellowship fast January 1st of 2024, my first fast in over 13 years! On the first day of the fast I got a call from my kidney doctor and his exact quote was

"...you no longer need to be seen by my office, I see zero evidence of Lupus in the kidneys." Every single lab work marker had come back normal! I believe God has completely healed me of Systemic Lupus.

I genuinely could not remember my life without being bound by pharmaceuticals, yet here I am! It's been seven months since I've taken any medication and I believe that Jesus will sustain me in continuing forward.

God Himself has shown His faithfulness and compassion to me through this entire journey. I am a living testimony that God is still on the throne, healing me from an incurable immune disease in this world's eyes. Nothing is impossible with Jesus.

Thank you Jesus for the stripes you bore for our healing and my parents Pastor Eric and Wilasinee for the love and support throughout all the ups and downs, and Pastor Keith and Kerri Sullivan for the prayers and practical input on dealing with sickness.

Thank you to Evangelist "Tio" Blanco for his faithful prayers and words of faith, encouragement and challenge. Your faith really helped me to overcome.

I'm so grateful to my husband Yanni, for constantly pushing me towards righteousness, especially in this area of healing.

Thank you to Pastor Greg for the insightful book on Healing Power.

Most treasured, thank you to all those who have prayed for me over the years. I pray God richly blesses you and your ministries in return.

Greetings brothers and sisters from the Potter's House Church of San Pedro California.

We are having a great time down here in San Pedro and God is moving in our church. We have visitors almost every service and people getting involved in ministry.

Our youth group is growing with great leadership, and our young people are rising up. We have 13 and 15-year-olds playing in song service, with more learning and eager to join in.

We have a number of men getting locked in and when we attend men's discipleships in Redlands we usually have between 10 -12 men who take the two hour journey every month.

Our women have also developed strong bonds and relationships with their weekly coffees and the women's in-home book study along with their text message prayer group.

We are also seeing a number of people coming out for our Friday night "Memorial Stones" Bible study/potluck/fellowships.

We wound down 2023 by celebrating our 10-year anniversary in November with revival services with former Pastors William Ortiz and Pastor Chris Smart. Later that month we celebrated with a Thanksgiving Day potluck dinner with about 60 people in attendance.

We started off December with a Friday night service with Evangelist Jeremiah Wacker. He ministered powerfully and stayed for a Men's Discipleship breakfast that Saturday morning.

At Christmas time we had a "Pictures with Santa" outreach where we saw 100-plus visitors and we still have a family of six in regular attendance.

We ended the year with a New Year's Eve baptism service with five people getting baptized before we had our talent show and potluck fellowship and we then prayed in the New Year.

We headed right in to 2024 with a special Wednesday night service before conference with Pastor Michael

Brick from the UK. We then had Pastor Fabian Godano from Argentina the next night for our Thursday night Spanish service before conference and then again for our Wednesday night service following conference.

We have several things lined up for the rest of 2024, including revivals with Pastor Mark Looney and Pastor Glen Pugliese, and will be performing concerts for various churches around the L.A. area.

We are excited to see what God is going to continue to do in our church, and in Southern California. Please pray for us as we pray for you all as well.

Santa Fe, New Mexico
Potter's House
Pastor Nate Rush
Corres: Vincent Montaña

As we celebrate 45 years in 2024, we thank God for all that He has done and is doing in Santa Fe! We have had tremendous breakthrough in our church!

Back in September, we had Pastor Josh Neal do a revival for our church. Prior to the revival, we invited churches from the northern New Mexico area to help us outreach for the event. We also had a drama from Albuquerque titled La Familia minister the Saturday night before the start of the revival. A total of 40 people gave their lives to Jesus!

During the revival God moved as we saw record numbers in each service as well as nine people saved. People were encouraged and timely words were given.

In October, we hosted our first Trunk-or-Treat. We weren't sure how it would turn out, but by the end of the event, we estimated 300-400 visitors walked through. Many got to hear the Gospel and pray a mass prayer of salvation as we gave away prizes and lots of candy. We even have a family coming to our church from that outreach!

In December, we were able to bring six men to the annual Prescott Men's Rally. This is the most we've ever taken. The men in attendance were stirred, excited, and encouraged to be a part of our Fellowship and see all that God has for their lives.

We've been excited to see spouses that were gone for years begin to come back to church.

We recently inquired about doing Bible studies at our local drug rehab center. To our amazement, we were given total favor to go and minister to the men in the program! We have seen an average of 8-10 men each time. Many respond to the altar call, and we've even seen fruit in our church services from these Bible studies!

We also started a new believers Bible study and have seen new converts and members of our church attend the class.

God has helped our church in so many ways. We've more than doubled in size since last January, and we are currently believing God to open doors for us to get a new building.

What we do works! We are continuing the pattern of our Fellowship - evangelism, discipleship, and church planting! Again, we thank God for all that He's doing in Santa Fe, and we value your prayers!

Sparta, Illinois
Potter's House
Pastor Mike Stamper
Corres: Erriel Wolters

Hallelujah! It is a new year with new opportunities!

The year 2023 ended with a Home for the Holidays dinner for friends, family and the community in general with Ralph Blanco from Prescott, AZ ministering God's word.

Following that event, Ralph Blanco

held a revival in Sparta, preaching timely messages about miracles, healing, and stepping out in faith. During the week, several people testified of being healed. From that revival and Pastor Stamp-er's own preaching, the church was challenged to believe God for

GREAT things. That kind of challenge set the tone for January and February

January began with New Year's fun and birthday celebrations, but within those celebrations there was a renewed zeal in the church and an expectation of a fruitful year. The Sparta saints had already been challenged to lay hands on and pray for people, and with the start of the new year, people did just that. In

January, Pastor Stamper also challenged the church to believe God for a breakthrough in personal finances, to believe that what does not make sense to people would in fact happen.

The church in Sparta has continued to see young people coming to church and getting saved. Young converts that got saved in July, August, and September are still coming to church and are bringing friends, and they are getting saved. Several of these young people have been filled with the Holy Ghost!

One new convert has risen up and joined the newly formed drama team. Another young convert, a teenage girl, has been coming faithfully on Sundays and has attended after-church fellowships. It is exciting to see revival breaking out amongst Sparta's youth!

Young people are coming to church and getting saved. Saints are stepping

out in faith, and rising up in ministry. The church has organized a new drama team as well as a band. Home Bible studies have started and are hosted by a wonderfully gracious couple.

As the church continues doing what God has called it to do, the Sparta saints are encouraged and excited about all that this new year has in store. Continue to pray for the congregation as it turns the city of Sparta upside down for Jesus!

Tempe, Arizona
The Door
Pastor Mark Aulson
Corres: Nate Blanco

Greetings from Tempe, AZ. We'd like to give God glory for all that he's been doing in our city, pouring out fruitfulness in multiple areas.

We have been specifically contending for students to get converted as well as people from other countries and are beginning to see those prayers come to fruition.

Our annual Trunk-or-Treat outreach saw 200 visitors roll through and we were able to see 18 decisions for Christ. We've also been taking advantage of the cooler weather and doing outdoor concerts, much of the fruit from those continue to be in church and involved in ministry.

During December, we held both a Christmas concert as well as a candlelight service. It was so encouraging to see our long-term saints collaborate with the youth to put on these events and to see how God moved through their willingness. Our youth continue to rise up and catch the vision, they are excited about being involved in our concert ministry as well as our biweekly youth Bible studies. They're starting to find ways to be involved and serve God's people.

Recently, we had a revival with Evangelist Nathan Brazell. He preached a series entitled "Home Invasion," that dealt with our saints about the dangers of social media and how to guard our homes on that front. It was a powerful time and we saw many lives saved.

We also just held our annual Valentine's Day Banquet and 40 couples joined us. Pastor Adam Porter delivered a timely message on the keys to sustaining a long-term, happy relationship with God's help.

We are so grateful for all God is doing as well as the support from our congregation and surrounding churches as we reach The Valley for Jesus!

Uvalde, Texas
Potter's House
Pastor Doug Swimmer

Greetings from Uvalde, Texas!

The new year has just rolled in and we have hit the ground running for Jesus! Within these past couple of months God has done a tremendous amount of work here in Uvalde. Many lives are being touched

Couples enjoy marriage seminar in Uvalde, Texas

and transformed.

In October we had several concerts, one of them being outside where many could hear and were being ministered to within the neighborhood.

We also had a Trunk-or-Treat as a form of outreach and about 300 individuals came through. So we took the opportunity to witness to many adults and teenagers.

We then kicked off the holidays in November with a healing crusade and many people were healed. One of the disciples went up to get prayed for due to back pain. Come to find out one leg was shorter than the other. As we began to pray his

leg grew out and he was completely healed. Many witnessed a miracle for the first time that night.

The first week of December Pastor Lawhon came down and did a revival for us. Many individuals locked in, got delivered, saved, and challenged. One of our faithful sisters had been having issues with one of her ears for a couple of years. She went out on faith and asked Pastor Lawhon to pray for her ear. As they were praying she felt a pop in her ear, and he felt the pop on his palm. When they finished praying she was filled with joy because it was at that moment, she realized she could hear again from that ear and that her ear was healed.

One specific couple, Jose and Kaylyn got saved during the revival as well and heard how we were about to get ready for a marriage seminar the following weekend. God began to stir their hearts and they got married the day before the

marriage seminar and were able to attend.

During this revival, we had about 30 visitors each service.

The marriage seminar was a great way to end the year. We have seen marriages gain fruit from it and apply what they learned to their marriages.

Many came back from January conference, stirred to do something for God along with one of our couples being announced to be launched out to Rio Grande City, Tx.

God is on the move here in Uvalde, Texas. Pray for us as we pray for you.

Worldwide Ministry

Bangkok, Thailand Potter's House Pastor Ramon Jungco, Jr.

Greetings from Bangkok, Thailand, the land of smiles!

Our main outreach tool is free English class. But the good thing is we are teaching the Bible. We have one Thai student who had been gone for years. Last month, he sent me a message and told me that the reason he disconnected from us is because he just wanted to work and work and work. He thought that money would make him happy. He got so depressed that he wanted to take his life. He remembered the church and reached out on us. He realized that Jesus is all he needs and decided to come back to church. He got water baptized and is now faithfully coming and supporting the church financially.

There is one Thai orphan, 21, who came to church. He had not met his parents since birth. He had no family. He had been suffering from depression and been involved into deep drugs and prostitution. We reached out to him and prayed. He received deliverance and now he has a church that he can call his own family. He is now faithfully helping us in translation for our weekend outreaches.

Last August, Pastor Arvin Latoreno from the Philippines visited us for a revival. He brought his whole family of musicians and we had a two-night concert. Five souls got saved.

Last October, Pastor Boyet Desepida visited us for a weekday of revival. Amazingly, many people showed up on weekdays. Many were stirred and encouraged. We received healings, words of knowledge, and all three nights were spirit filled.

One lady had been suffering from total deafness in her left ear for 19 years. She was instantly healed. She came back the following night and got baptized by the Holy Spirit.

Baptism in Bangkok, Thailand

Last month, 18 church members went to the province to hold an English camp and Christmas concert. We went to a Thai Buddhist school that really has no idea about Christmas. We were able to explain what real Christmas is all about. We evangelized and we felt the dominion of the Holy Spirit. Out of that two days of outreach, 76 precious Buddhist souls got saved.

Last December 31, we held our testimonial service where 10 disciples glorified the Lord with their powerful testimonies after which, we water baptized five precious souls.

As of today, we have four churches in Thailand and one more coming next month. And for the very first time, out of Bangkok, Thailand, in partnership with my mother church in Davao City, Philippines, we were able to plant our first international work in Vientiane, Laos last October.

I would like to thank Pastor Frank Buenaventura, and all Mindanao churches, for all your love and support.

Barbados The Door Pastor Rudy Estrada

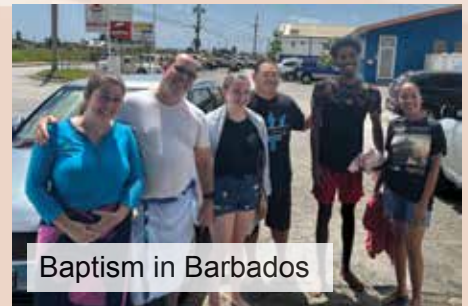

Hello, this is Pastor Rudy Estrada from the Door Christian Fellowship in Barbados.

We want to give a glorious report of what the Lord is doing here on the island. This year we've had some solid decisions made by people that got saved and gave Jesus their lives. Six people were baptized this year and many more decisions have been made by people

wanting to follow Jesus

We want to thank our mother church in the Southside of San Antonio, Pastor Willis and sister Liz Gordon for their continual prayers and support.

There is a great momentum moving forward this year, and we're excited to see what the Lord will continue to do!

Baptism in Barbados

Ba, Fiji Potter's House Pastor TJ Motokula

Testimony Rhea

Hi, my name is Rhea and I am 19 years old.

I just want to share what the good Lord has done in my life. As a little girl I grew up in church and my life encircled around the truth and its principles. I knew that Christ was the answer to everything, but being the prideful and arrogant person that I was, I chose to ignore it and continue to be a hypocrite.

Life took its toll when I hit my teenage years. That's when the world was revealed to me. I got so distracted with the things of the world and the way people lived in it that I started to mimick their lifestyle.

It was then when I started indulging in gossips, boys, immorality and got bullied for the most of my school years both physically and verbally. I would go home after school with places of my body bruised and

Rhea, saved and delivered

Beechboro, Western Australia
Potter's House
Pastor Darryl Elliott
Corres: Peter Hounslow

We are more than halfway through our Summer Outreach season in Perth, Western Australia and we have seen God doing great things!

Our Summer started with a bang as we held our annual Carols in the Park outreach in one of the local suburbs main park and saw over 500 people in attendance and 31 decisions for Jesus!

It is always one of our most attended outreaches and the community responds well to it. We reached out with a charity event where we donated hampers of food and a gift card with an invitation to our Christmas services. It was an exciting time as we saw people responding to the kind gift but more powerfully the gift of salvation that was being offered. We saw 19 people respond to the Gospel and get saved.

To continue the momentum in our Summer evangelism we had Pastor Johnny Nguyen from Merrylands, NSW come and present a powerful testimony in one of our park outreaches and also preach and present his testimony again back at our church on Sunday morning and night. We have a number of new converts that got saved in those outreaches and are locking in.

We also had a powerful revival with Pastor Artie Aragon from Chinle, Arizona. Good News Week was the theme and Pastor Aragon's ministry was filled with stories of God's incredible work in the Navajo Nation. Our church was very encouraged and challenged afresh to see the need, to respond to it and be ready for a great harvest.

As the church is growing we have

seen an increase in all our services and our New Believers' class is expanding, with people getting filled with the Holy Spirit and Water Baptised every month.

The disciples have been running one and sometimes even two outreaches every other night of the week in local parks around, regularly seeing five to 10 people responding for salvation. One disciple outreach saw 31 decisions.

A notable highlight was our Annual Youth Extreme event which is a full day of evangelism with all the youth from our Western Australian churches. This year we held a youth rally featuring a Holy Ghost challenge

Prayer during Youth Extreme in Beechboro

by guest preacher Pastor Rangī Pou from Napier, New Zealand. He and a team of singers and rappers came from NZ to minister in the Rally and on the streets with 80 youths. This street evangelism saw 59 decisions for Jesus as the youths, filled with the power of the Holy Spirit, witnessed and led people to Christ.

The culmination of the day was our Waitangi Night concert held in a local community park. The Napier Hip Hop crew ministered again in the park and we saw 350 people come out and another 44 decisions for Jesus. The young people were able to go back to their churches with a great victory report of all God had done!

The Beechboro church would like to thank Pastor Greg Mitchell and the Prescott church for all of your prayers and support and also Pastor Daryl and Jillian Elliott for the blessing they are to this congregation.

wouldn't tell anyone including my parents and siblings. I tried my best not to show anyone that I knew the truth and tried to hide my identity, all for the fear of not being able to fit in because everytime I tried to stand out I was judged and mistreated.

As days went by I grew more and more apart from God and from the people who loved and cared about me and deeper into the things of this world. I could not differentiate between right and wrong and thought that this was the life. The more I did that the more empty and alone I felt. In my mind I started to succumb to the judgement, the mockery and the abuse, thinking this was all that life had to offer me. I was tormented day and night. I just wanted to escape so I attempted suicide, but every time I did I was reminded of the Bible text that I am fearfully and wonderfully made. I just ignored it and tried to fight my battles with my own strength but the burden was too heavy and I couldn't do it anymore.

It was then that God reached out His hands and rescued me through a drama in a concert that I went to. I found myself weeping and just kneeling down and asking the Lord to rescue me from this miserable life and He did. God showed me Love that I had never felt. He showed me that I was beautiful in His eyes and that He accepted me for who I was, a sinner who was in need of a Savior.

From that point till now I have never looked back to the life I once lived. I know my identity in Christ. I am His child and His love is all I need. No one in this day and age will give their life up for you, but He did and He demonstrated the perfect love. If He can save and rescue a filthy sinner like me then He can do the same for you!

Tel Aviv, Israel
Potter's House
Pastor Bobby Perez

Testimony
Sasha

My name is Sasha and with my husband and two sons we moved to Israel from Russia.

I've never been a believer. I had faith in God, but I did not go to church. I saw how my husband needed the Lord's help, and he received it if he really came to prayer with faith in his heart. But it always seemed to me that everyone else needed it, not me.

One day I went to church, and I heard words from the pastor that really sank into my soul. He was speaking specifically about my life. He didn't know anything about me, but when he preached this sermon, my tears flowed. At that moment I realized that the Lord was talking to me.

Throughout my life, I have noticed miracles. I think about what has happened, and I understand that God has always helped me return to the path that He had planned for me.

In my youth, a very unpleasant thing happened to me. I met the man who abused me. Now with the help of prayer and the help of God I can talk about it. The Lord helped and is still helping me to cope with it.

Another important change is my mind, which always speaks and always opposes some things of God and miracles. But when you come to church, you understand that the Lord loves you and helps you.

My mother was very sick. I started praying for her, and she felt better. My sister dreamed of buying a house for herself. I began to pray for this, and they bought themselves a house. My husband had problems when we came here, with alcohol and problems with work. I began to pray for him, and the whole church began to pray. He stopped drinking. He began to treat me better, he became more attentive to the family, he began to help me.

I'm glad to share now about the peo-

Sasha, Iliya, and sons Nikita & Simon

ple who brought us to church, introduced us to the pastor's family, who immediately began to help us grow our faith, help us believe in miracles, helped us believe in God, and taught us how to talk to Him. Many people listen and don't believe the miracles that happen in our lives, and the miracle that they can go to Heaven in the end.

The political situation in Israel is very difficult now and it's very painful to watch. When I left Russia, I was broken, because what was happening there was incomprehensible to me. And what is happening here also worries me very much. But faith in God, and a church that I can go to helps me to be calm for myself, my children, my husband and my life. I am on the path to get to know God and be closer to Him and learn to communicate with Him as with a father.

Bern, Switzerland
Christian Fellowship Bern
Pastor Matthias Kipfer
Corres: Lisha Northrup

Hello from Bern, Switzerland! After pioneering and pastoring the church in Bern for 15 years, we were excited to be able to send our first couple, Simon and Natalie Ngwobia to the city of Biel, about 45 minutes away.

This is a very international city with people who are open to the Gospel.

Since the opening in April 2023 we saw God add more than 20 people to the new church.

Planting our first work was a step of faith and God has blessed us since with new families and converts. One of them is Irene, who had been raised by her grandparents, abused as a child and married six times. She had spent four years in prison in Brazil, though innocent, which she survived only by the grace of God. She got powerfully saved and serves the Lord with all her heart in her newfound family.

Cast of Christmas Grinch play in Switzerland

We are still reaching out to different nationalities and ethnic groups like the Ukrainian refugees. Our services are translated into three to four other languages and there is a great atmosphere in the church.

During the past nine months we focused our attention on the new churches in Biel and Baden to help them get started. In spring a group of young people went to Hungary to support the pioneer work in Budapest. All these impact teams returned very encouraged and excited.

In September we had a powerful Jesus People Wedding with around 40 unsaved friends, neighbors and family members hearing the Gospel through testimonies and preaching.

For Christmas we did a Grinch Musical where almost everybody was involved and over 60 people visited the plays.

In March we are going to move into a new building. God is building his kingdom in spite of opposition and we believe for much fruit in the future!

Tngos Colony, Hyderabad, India
Potter's House
Pastor Indra Senareddy

Greetings from Hyderabad, India. We had powerfull revival meetings with Pastor Rodger Nepair in our church in April, where we got support from our fellowship churches in Hyderabad. We saw 20 people saved, and five healings. On the third day 105 people packed the church!

We had a revival meeting with Pastor Robert Polaco on June 25 and we could see a change in the environment with two saved.

We have earnestly prayed for a new church building for three months. Our current church building is under tremendous risk of floods, and many times we have lost hope, draining water with men and two motors on those days. Through the rainy season the rain hasn't stopped, but our services were also not stopped. God's amazing hand is there with us to carry on with the services.

Happy news! God gave us a brand new building!

On October 14 we celebrated our first church anniversary followed by four days of revival meetings. Our guest speaker was Pastor Jeevan Babu and it's a miracle that 12 people were saved!

Many have spoken in tongues evidently for first time in these meetings. We thank our Pastor Jeevan for giving us amazing revivals this year.

God has healed many! A person who was tormented by the Spirit of Fear, came to Sunday morning service in fear. During prayer he was trembling at the end of the chairs and kneeling down. We all prayed and he was delivered. The next week he came to church as a normal person.

A young boy who was demon possessed for more than 10 years was brought to church in March. I prayed with him for salvation and commanded the demon to come out of him in Jesus' name. He was instantly delivered and went home healed.

We prayed for a sister's grandmother who was paralysed and was in bed for many days. God healed her completely

Street outreach in Hyderabad, India

and she is able to do her routine work

In one of the services, we prayed for a Sunday school child, Bittu, whose cheeks were swollen. He was struggling hard to eat or talk. We prayed in Jesus name and he was healed!

With the help of Fellowship churches, we had an amazing music concert in February and saw another person saved.

I thank Pastor Jeevan and Sister Navya for their investment in our lives and Pastor Packia Raj and sister Samatha and the conference body for the opportunity. Keep praying for us as we pray for you.

Mindanao, Philippines
Potter's House
Pastor Arnel Gipolan
Corres: Johannie Gugo

Greetings from General Santos City Church!

The past year has been challenging for us, but we have been experiencing breakthroughs and victory with God's help.

God has continually shown that He still saves and he never changes. The

church in General Santos City is growing, leading District 1 churches in the Mindanao Islands consisting of 54 churches.

God has been raising a new generation of believers. Starting with former Sunday school kids now leading Sunday

school ministry as teachers, we are seeing people being captivated by Christ's love who are committing themselves to outreaches, Bible studies, concerts, crusades, music ministry and more.

God has been saving faithful and committed disciples who are willing to support and move for kingdom's purpose.

One of the areas where we are seeing fruitfulness in the church is our Campus Ministry which aims to bring students to attend Bible study sessions and would later on be saved.

One of the miracles we've seen out of this ministry is that disciples who were fruit of these Campus sessions have committed to Jesus, preserved their lives, and got married in the church. Some are now church leaders and pastor's wives.

Although the church has recently mourned the passing of our beloved pastor of 23 years, Pastor Rollie Gacote, the church has strengthened its faith knowing that everything is planned by the Potter's hand. General Santos City church is now pastored by Davao city church's former assistant pastor, Arnel Gipolan.

Mindanao, Philippines church launches 13 pioneer works

In January, we hosted District One's eighth Bible Conference themed "Don't waste God's time." Seventeen anointed preachers challenged the congregation to maximize God's given time.

Thirteen pioneering churches were launched out with one couple sent to a known Muslim city, Marawi City, in the Mindanao islands which used to be a hiding place for terrorists and Islamic groups.

Big thanks to Pastor Mark Aulson and the Tempe church for his support.

Pitesti, Romania
Potter's House
Pastor Mihai Călin
Corres: Liviu Soare

Greetings from Pitesti! We are so honored to send you a short report about what God is doing in our city and in our church in Pitesti.

In the last period of time, we have seen the work of the Holy Spirit in our church, more than ever. God brought three couples to our church, in whose lives the Holy Spirit is doing an incredible work. Older people in the church make radical decisions in their service to God. And this is a great encouragement for the whole church.

After the December conference, people were very encouraged and inspired to do more for God. During the outreach, even if it was -10 degrees outside, 25-30 people came and God blessed us with new souls in the church.

We started doing Bible studies in three houses. We see visitors and an atmosphere of unity and harmony that unites the church as a body, and the presence of the Holy Spirit is tangible.

Men's Discipleships, together with Serious Men's classes, brought to the men of our church a domination and a desire to put our lives in the hands of God and to wish nothing more than that everything we do should be done under the influence of the Holy Spirit.

We believe God for what he has before us and may God bless you.

Thank you, Pastor Greg Mitchell, for

Church service in Pitesti, Romania

the vision you are passing on to the Fellowship of Romania.

Suriname
Potter's House
Pastor Meme Regilio

Greetings from Suriname! I'm from the Suriname Fellowship, De Deur Latour. Here is an update on what God is doing in our church and city.

We see the power of God moving. We've been seeing people get healed, saved and begin to serve God.

We had several revival services. In one, God raised a child from the dead! He healed people, and set free people who were possessed.

Please pray for us so we can reach this nation with the Gospel.

Lusaka, Zambia
Potter's House
Pastor George Karabassis
Corres: Brian Samuhela

Greetings! These are highlights and testimonies of events we had during the recent months.

In December 2023 Pastor George Karabassis hosted the annual Men's Rally. Evangelist Steve Bowman was our main speaker.

Thereafter, we had a four-day revival with Evangelist Bowan. We saw the hand of God through word of knowledge, salvation, signs and wonder.

We had a mini-football tournament within the same month which saw 17 decisions made for Christ. Our

youth got challenged during the cross-fire youth meeting on a Saturday evening.

The little kids performed through music and drama during Christmas.

During midweek service the teenagers also staged music and drama. Saints and visitors were touched.

On New Year's eve our evening service was dubbed "Oldies Night" where people dressed up in 1980s and 1990s attire. Towards the beginning of the year 2023, we had a baby dedication, where family and friends who were invited were impacted for Christ.

We had a One80 concert, where our drama team made outstanding skit performances and our music team made an impact which included a rap battle. We had seven souls saved during this concert.

Harvesting from the fruit of salvation, in February we had about 17 people who were baptized and we also had a baby dedication which saw more than 10 babies being dedicated to the Lord.

During the month of love, Pastor Greg Farrell from Australia preached powerfully during the marriage seminar which was held at Taj Pamodzi Hotel. Thereafter, we had revival with Pastor Farrell. Souls were added to the kingdom and many lives were challenged.

Healing prayer during revival in Suriname

**Vaivase, Samoa
Potter's House
Pastor Kurt Fatupaito
Corres: Nefertiti Laumua**

Talofa! God is on the move in Samoa and we are experiencing a hastening as our leader Pastor Greg Mitchell declared in the Winter Conference of 2023.

As a small nation in the heart of the Pacific - there has been much favor shown to us in 2023! It has been a year of Restoration, Fruitfulness and Reviv-

New Zealand team makes great impact in Samoa

al. We have seen marriages restored, the broken saved, the tormented healed, the addicted break free and God continues to raise up more disciples for his church.

We have seen an influx of young people come into the church and get saved. Disciples have been running a Youth Ministry which allows them to preach to these youth and encourage them to serve God. God has been giving fruitfulness in our younger members that we now have created two separate groups for youth which targets ages 13-to-19-year-olds as well as a "Young Leaders" group targeting members aged 20 years and older.

Furthermore, we have started Bible study "Connect Groups" as an opportunity to help new believers together with mature Christians grow more in their understanding of God's word and his promise for their lives. The Connect Groups have been a great way to fellowship with new converts outside of the four walls of our church and very effective in strengthening relationships in the body of Christ.

Times continue to change but our passion for Evangelism continues to grow and be the focus of our church.

The church continues to strategize better with ideas to bringing people to Jesus while keeping main thing the main thing. We have done a range of events including a Weight Loss Challenge, BBQ Fellowships, Talent Quest night, Changed lives Testimony night, a Siva Samoa Nights, Themed Concerts, Movie Nights and the list continues to grow. We have seen the hand of God move on each occasion with precious souls being saved and locked into the church.

Last June an Impact team from the New Zealand Central Church were in Samoa for a week, and were outreaching as soon as they landed and then blessed Samoa by putting on two unforgettable outdoor concerts followed by five powerful revival services with Pastor Dan Stephan. Over 1,000 souls were saved throughout that week.

The Impact of the Central church went beyond souls but also the greatly impacted men and women of our congregation. Our church was so encouraged by the central saints hearts and labors that it stirred the people of God to do something for God. As a result there was fresh fire in the hearts of the saints and God's people wanting to be used and getting involved in the things of God. We are grateful to Pastor Dan, Sis Bec and the NZ Central Church for the impact made in our church and our nation.

In October 2023 we were able to send our own Impact Team over to our sister nation in American Samoa and co-labored with them in their Haunted House Production. We were tremendously honoured for the opportunity to labour with faithful missionaries Pastor Ruben and his wife April Gonzales. In the four days we were there we used every opportunity to evangelize and saw a total of 372 souls saved. This year our church will again be sending an Impact team to the Kingdom of Tonga for the very first time!

God has also helped us through the

ministry of precious men of God that came and did revival services for us in 2023. We were blessed to have Evangelist John Perry, Pastor Dan Stephan, Evangelist JW Ballinger and Evangelist Rod Gibson. God moved in a supernatural way throughout each one of these revivals where every revival was a divine appointment with God doing his work in the hearts of his people and edifying his church.

We are forever grateful for the investment of the Prescott Church in our in our nation, for the vision given to our Founder Pastor Mitchell and the courageous leadership of Pastor Greg Mitchell. From all of us in Samoa to you all, alofa tele atu.

**Cayenne, French Guiana
Potter's House
Pastor Florent Coste**

Greetings from Cayenne! We are very happy to tell you what God has been doing in our church recently.

After six years of digging the ground with ups and downs we finally see a breakthrough! God is faithful.

In April 2023, a young lady gave her life to Jesus. The couple almost immediately decided to stop fornicating and we baptized her in June. At her baptism service, she invited her whole family and one of her sisters got saved. A young man who had come to church that very day for the first time was also touched by God. The three of them are faithfully serving God.

We started a music band and we perform mostly in the street near the marketplace to attract more people.

In the financial area, we also experienced a breakthrough with four people who started giving their tithes.

God has blessed us with a beautiful small building in the heart of the city and we believe that He will give us a bigger one on the ground floor as the church grows.

We have seen healings and all the asylum seekers who came to church obtained a residence permit. We now have people from Peru, Suriname, Afghanistan, Gabon, and different tribes from French Guiana (Creole, Ndjuka, Saram-

Baptism in French Guiana

Our church goal was to be a 24/7 witness and maintain 24/7 faith.

The Hurstville church sent an impact team to Henderson, New Zealand, in January to help support our pioneer church. We witnessed God move tremendously in Henderson, where 140 visitors attended one of their concerts and over 50 people were saved. Praise

aka, Native Indian).

Even on the day of writing this report, God did a quick miracle. A young man who had visited our church on and off in the past couple of years came unannounced to our home. He had just arrived in Cayenne the day before and had slept in a squat house. He prayed a sinner's prayer and we also prayed that he would get a place to sleep at a social institution. The same evening, he came to our Wednesday church service and he testified that he had miraculously met with the right people who told him someone had just left and that he could get the available room.

Although French Guiana inherited the French revolutionary spirit, God has another revolution in store for the precious people of this land - the Jesus revolution!

French Guiana is beautiful. The more we live in it, the more we love it and we appreciate its friendly people living next to each other peacefully. Our goal is to bring them all together in church: Chinese, Lebanese, Hmong, Brazilian and more.

After the sowing, the harvest is coming, please pray for it as we pray for you!

Hurstville, NSW, Australia
Potter's House
Pastor Darren Munzone
Corres: Nina Samy

G'day from Hurstville, Australia.

This year, the Hurstville church embraced a challenge to be "24/7 ready," aligning with the verse from II Timothy 4:2: "To preach the word! Be ready in season and out of season."

God!

In January, we also had an impact team from Auckland, New Zealand. They came to the Hurstville church

Cast of 'Will They Remember?' play during altar call in Hurstville, Australia

and shared their testimony through a drama called "Will They Remember Me?" The drama was about suicide prevention, which had a great impact on the youths of Hurstville. We had 250 visitors, and 140 people were saved that night. Following the drama, our church had a revival service with Pastor Daniel Steph from New Zealand. We saw a great number of church attendees, and many people got saved during the revival.

In February, we set out a challenge to get 500 souls saved. We have seen more than 350 souls saved within the first two weeks of setting the challenge. The Hurstville saints are pressing in, and God is getting involved in the streets of Hurstville. We have seen exponential growth in our disciple-led street outreaches. God is moving in the city of Hurstville!

As we look ahead to the coming year, our church is believing big and punching above our weight, knowing that with God, all things are possible. Please continue to pray for Hurstville Church as we pray for you.

Chiawelo, South Africa
Potter's House
Pastor Shanin Jukskei

My name is Shanin Jukskei, and along with my beautiful wife Cherie Jukskei and our four children we took over the pastorate in the Chiawelo church from Leebon and Charneil last year during our annual Southern Africa Bible Conference.

The past four months since the changeover has been nothing short of amazing. We feel so privileged to

be a part of a mighty move of God in the earth.

The first event which was in the pipelines since before my arrival was a revival with Evangelist Micah Wright. I decided to take it further by doing a two-day healing crusade in one of our indoor soccer fields.

We saw many people responding for salvation and quite a few notable miracles. One of the faithful saints struggled with severe pain in the right leg for a long time. Evangelist Wright prayed for her on the first night and the lady got tremendously healed up until this very hour! We saw many others impacted and the revival with timely words of knowledge and encouragement was on point.

One of the new converts in the church has a son in the Eldorado Park church Choose to Change drug program who was on drugs for many years. He came into the CTC program with all manner of mental illnesses but since he joined the CTC program he got saved and

powerfully healed and restored to his sanity. His mother, elated for her son's deliverance and healing, also surrendered her life to Jesus and is now so set ablaze that she fills up two mini bus taxis with boys from her neighborhood, filling up three rows of chairs in the church every Sunday.

We had record breaking services for the entire month of January with our final Sunday reaching 128 in our morning service with 40 souls saved and 14 baptized. The church is ex-

Neighborhood Healing Crusade in Chiawelo, SA

cited and has been seeing steady growth ever since.

I decided to take a follow up team to the area where most of these converts come from. The place is a gold mine of raw sinners ready to be reaped for God's Kingdom. They are just so excited about hearing the Gospel and responding to it in surrender and repentance.

One Thursday night I decided to have an outdoor service. I printed out a couple of the new Foundation for the Faith lessons and handed it to them along with New Testament Bibles. These converts brought their families, friends and neighbors. We had one lady who came with pain in her back and feet, however, before I started the lesson God was already at work and healed her during the song service. She testified how the pain left her body gradually while singing. She has been joining us at church ever since.

I am so excited to see God is building His church and confirming His word through signs and wonders. Please remember to keep us in your prayers.

**Brisbane, Queensland, Australia
Potter's House
Pastor Mario Tong**

Greetings from Potter's House Brisbane East here in Queensland Australia.

God has been moving tremendously for us from the day we have opened on June 3, 2023. We have seen a number of people come to church, get saved and lives transformed.

God has moved financially in our church. On our opening day, someone anonymously put in \$2,000 in our offering basket. We had five people get saved on the opening weekend and these people have been pillars in our church.

Within two months we had our first baptism where we had six people got baptised, 45 people in attendance and 12 people saved just through the friends and family of these six people.

Before the year ended, we had a concert where we had 50 people get

Prayer and praise during revival in Brisbane, Australia

saved and 90 in attendance. We have had people from that concert who have now locked in the church, regularly coming and tithing. We have seen miracle healings from leg pain, mental health issues, a declared miscarriage where baby is now full pregnancy progression and due May 2024, scoliosis healed, excru-

ciating sciatic pain and ear pain and ringing. These are just some of the notable miracles we have seen in the last seven months.

We have had disciples rise up, filled with the Holy Spirit whether it would be during a service, fellowship or Men's Breakfast. We took our very first pledge just before Christmas and saw miracle money.

During the Christmas Holiday, one of the disciples lead street preaching before Wednesday night service where we saw an amazing response and dominion over our city.

We had our very first revival since opening with Evangelist Dan Villani where we saw God visiting the altar with people getting baptised in the Holy Ghost, confession of sin and people falling unto their knees praising God.

A 15-year-old boy who has been coming to church on Sunday with his family quit his job so he could come to concert, and he had an encounter with God during the altar call where he got filled with the Holy Spirit. Another 8-year-old boy gave his life to Jesus and had an encounter with God in the same concert. The concert was turned into a worship service where people stayed at the altar praising God for more than an hour.

At the end of the revival, a 15-year-old girl came up to my wife

to thank her for church. She had gotten saved in one of our concerts in November 2023, and now has been self-harm and suicide free.

God is truly helping us here in Brisbane East, Queensland Australia. We are excited for what he has in store for us this year and the years to come.

Utrecht, Netherlands
The Door
Pastor Jan Schuitema
Corres: Francisco de Hone

Warm greetings from Utrecht (Centre), The Netherlands! We are excited to report that this church is 36 years old this year.

We remember late pastor Paul Leidelmeijer, who pioneered this church years ago. To this day we are still laboring steadfastly, and we are expecting God to move powerfully in our city and nation.

The city of Utrecht has a beautiful geographical location, we have a lot

Concert in Utrecht, Netherlands

of students and there is a multicultural demographic. This is reflected in the people who attend our services and it's reflected in our weekly outreaches.

In January this year a few disciples visited the Prescott conference. We were amazed and refreshed from seeing the work that God is doing in Prescott. We are happy to report that we adhere to the same vision through evangelizing, discipleship, and church planting.

Six months ago, with the help of fellow churches, we have started monthly youth services. We have seen an attendance of up to 100 young people. We are happy to see teenagers and young adults rising to ministry. We were even able to baptize a few of them.

God has also blessed the church with great resources. We see a lot of healings in church. With our Latin American music group 'Fe en Cristo' we're visiting music scenes in multiple churches, including Zwolle and Den Bosch.

One of the greatest blessings for the

church has been that our pastor has started full-time ministry since January this year. He has a great heart for (world) evangelism! We are still looking to buy a building for our church.

Please pray with us, as we will pray for you!

Waltham Forest, London, UK
Potter's House
Pastor Nigel Brown
Corres: Christopher Chai

Greetings from Waltham Forest, London!

As we celebrated going into the new year, the church hosted the renowned "Heaven's Gates and Hell's Flames" drama production. We witnessed the masses congregating at the altar who were personally receiving Jesus Christ. More than 60 people were saved.

This catapulted the church supernaturally into 2024, raising our expectations and hopes for much fruit for the year ahead. We praise God for his saving grace!

Following the influx of believers, the church has witnessed many bold and courageous testimonies shared at our baptism services. This has led to a great stirring in our youth, along with a powerful youth revival with Evangelist Peter Ajala which has challenged many to personally seek breakthrough from the God of Miracles!

One outstanding healing miracle took place for Cameron Wearing, a young on-fire study leader who ruptured his Achilles tendon while playing football. Two weeks later, while in his cast and crutches, believers prayed for his leg. In the exercising of faith, the very same day as the prayer, Cameron had an ultrasound

check. Doctors found the Achilles tendon was no longer ruptured, however, it was discovered that his soleus muscle had also been torn in the injury.

The following service, Cameron answered a healing altar call from Pastor Akinyemi. The very next day it was revealed at the hospital that the soleus muscle had also been healed to the surprise of the doctors. His leg had miraculously advanced in healing by 12 weeks! Not just once but twice Cameron's leg had been healed. We serve a miracle working God!

Suva, Fiji
Potter's House
Pastor TJ Motokula
Corres: Apakuki (Kuki) Raisuaki

Greetings from Potters House Church, Suva, Fiji.

Every month we're seeing numbers of people respond to the Gospel in our outdoor outreaches, Young Leaders events, in-door concerts and Reggae nights.

As a mother church, we've been busy sending impact teams to our daughter churches throughout Fiji. These teams see anywhere between 100 – 200 decisions each time and are an effective way of bolstering the hard work our pioneer churches are doing.

In August, we hosted our South Pa-

Heaven's Gates, Hell's Flames drama in London, UK

cific conference with main speakers Pastors John Perry and John Gooding. Pastors and delegates from all over the region came together for what was an outstanding conference.

On the Thursday night we took a World Evangelism Offering where \$30,000 was pledged and later sent to

the Sydney church to support the missionary work in Mauritius. On the last night we had five announcements, with four new churches planted throughout the Pacific, including two in Fiji.

Suicide is a major problem in Fiji, especially among our youth, so in September we did a production called “The Way Out” where we saw 30-plus young people respond. Some of these young people began attending services straight after and are still in church today!

Our annual “House of Horrors” production was also a great success with the saints working hard together over three nights of the show to see a total of 260-plus decisions.

Our two new daughter churches planted into Votualevu and Davuilevu have both seen fruit early on and our Votualevu church even secured a building that seats over 100 people. They were also able to bring a couple to our Marriage Retreat earlier this month.

God is doing great things in Suva and the Fijian Fellowship and we are believing for even greater things for 2024 and the years to come.

**Mexico City, Mexico
Potter's House
Pastor Juan Carlos Gomez**

God bless you brothers, we are in beautiful Mexico City.

Pastor Juan Carlos Gomez and his wife Marina have been pastoring the church for more than 10 years, doing a great job for the Lord.

At the end of 2023, we had a revival with Pastor Jose Luis Castro of our sister church. God moved in a great way bringing words of encouragement to the church. We had been having low attendance and after this revival, people responded to God’s challenges, and attendance began to rise. This year they raised our church rent, but we are seeing God’s provision in His work.

Recently we had another revival with Pastor Leonardo Gonzalez and in the same way, God spoke into our lives, bringing words of exhortation and edification to the Church.

People are coming, brothers are responding to God’s challenges, and we

hope that the work will continue to grow.

Receive greetings from the Church of CTM Culhuacan, thank you to the Church of Prescott, as well as Pastor Greg and his wife, to the leaders, for all your dedication so that this ministry continues to move forward.

**Plettenberg Bay, South Africa
Potter's House
Pastor Andrew Isaacs**

Greetings, from Plettenberg Bay, South Africa. even in the midst of chaos and trials, God has been faithful.

We had numerous revivals, miracles, breakthroughs and much more. We had a revival with Pastor Maleke Taioe from Knysna Church and I invited Victor, a young man, 68, who had been selling drugs for most of his life. He kept his promise and hiked for 15 km to get to the church for all three days.

Victor got miraculously saved and gave his life to Jesus, got baptized and is turning 70 years old this year. He started to make a great impact in young people’s lives on outreaches with his testimony and sharing the hope of Jesus Christ.

Another young man, Kondwani, 46, a backslider, was arrested for drunken driving and was also invited to our church services. He came with his family, recommitted himself and they also locked in. When he joined us he had dreadlocks and got convicted so he cut his hair.

We also had a few water baptisms and our third Jesus People wedding. My

son, Keenan got married to Jaidine who is also part of the Sunday School and worship team.

The youth are rising up in ministry and started to be on fire for God. We are trusting God for a per-

manent building. We’re believing God for supernatural revivals in people’s lives and all over the world.

We are looking forward to our upcoming revival with Pastor Simphiwe Ngcumbe in April. Continue praying for us as we continue praying for one another.

Kondwani, before and after, saved and changed by Jesus

**El Paso, Texas
Potter's House
Pastor Augie Herrera**

My wife and I were sent out of El Paso, Texas and had the privilege of taking over the church here in the beautiful city of Chihuahua, Chihuahua, Mexico in May of 2023 from Joe and Cynthia Arceo.

We’re grateful for the great work they did here. We also want to thank the other couples who have labored here over the years: Ramon and Patti Juarez, Celso and Lucy Barreño, and Victor and Alicia Juarez. We have seen God do marvelous things here. We’ve seen some families added to the church. God has saved young and old alike and has also added them to the church.

A group of young people who have

Chihuahua, Mexico impact team to Parral, Chihuahua

gotten saved in the last nine months have decided to start a music group. Praise God! They decided to call it grupo “La Puerta”! As of this writing they are having their first concert this coming Saturday. And, they are also making plans to play in the parks and neighborhoods during the summer months for outreach!

People are rising up, preaching and testifying on the streets, inviting people one on one, and getting involved in ministry in the church!

We also had our first Jesus People wedding! Hopefully the first of many to come. It is truly a privilege to be here in this city reproducing the vision of our Fellowship. Keep praying for us as we take this city for Jesus!

Footscray, Australia
Potter’s House
Pastor Chris Plummer
Corres: Joshua Joseph

Greetings from Footscray, Australia, where the church and the Gospel message continue to be fruitful.

Our Victorian Annual Bible Conference was in November. We were joined by all our churches in Victoria, plus many from interstate, a huge contingent from our baby churches in New Zealand and some of our pastors from India.

Pastors Darryl Elliot and Paul Stephens were our key speakers and led the preaching on our theme “A Militant Mandate.” The challenge to make disciples and be discipled was very clear. Along with three new international works into New Zealand and India, we were excited to announce our brand new baby church into the area of Ringwood, Victoria.

Just before the Christmas Break, we hosted an area-wide Youth Extreme for

a day of evangelism, Pastor Dan Stephan preached and stirred the youth, prayed for the Holy Spirit for 16 young people, and all were demonstrably filled! After the

preaching, we sent three bus-loads of bonfire youth to six different churches in the area with many people street preaching, witnessing and praying for people for their first time! Then we held our Christmas Carols event that same evening, which drew a large crowd of visitors with more decisions for Christ.

Footscray disciple-led park outreach, 21 saved!

God has enlarged our spiritual footprint, and we have seen people added to the church through many different avenues. One of those events was our annual New Year’s Eve Celebration. This year, the event was held on the back lawn of our church, complete with a jumping castle, sports events, face painting, icecream and coffee stalls, and also played host to six people saved and 15 water baptisms before the night finished.

The New Year has seen us continue to sow seeds and reap the harvest as we hit local parks for different outreaches. The disciples have been holding outreach events when major church events aren’t scheduled so that they can reach our communities and preach the Gospel.

Our warmer days here are January and February, and by the end of February, we will have done about 20 park outreaches! Disciples are growing, and many people are praying for salvation every week!

Thank you for your prayers for our

Church here in Footscray. Please continue to pray for us as we look forward to all that God has in store for us.

Mandaluyong City, Philippines
Potter’s House
Pastor Alberto Desepida
Corres: Perry Malupa

Greetings from Mandaluyong Church, Philippines!

We’re thrilled to share some exciting news of what God is doing. The conclusion of 2023 was a significant moment for us. Our Bible Conference, initially set for November was reset to December to accommodate Pastor Greg Mitchell’s schedule.

Pastor Greg, together with Pastor Jesse Cluck and some of our local leaders delivered timely and impactful messages that resonated with everyone and also served as lifelines for those called into the ministry, offering hope when challenges seemed overwhelming.

On Friday night, 10 new local works and one international work were announced, adding to our growing local and international missions.

God’s favor is undeniably evident in these new endeavors. One of our baby churches launched out during the conference into the city of Dagupan, Pangasinan, is already seeing revival as 25 souls regularly attend their Sunday services.

Here in our church, our street outreaches, Bible studies, and concerts consistently bear fruit as we gather an average of 100 decisions for Christ per month. These ministries also serve as a valuable training ground for disciples, some as young as 13 years old, engaging in street preaching during these outreaches. Miracles unfold not only in terms of salvation but also through healing and deliverance as we pray for the sick on the streets of Mandaluyong.

On January 27th, we had our first water baptism of the year to welcome six new converts. This was followed by our church anniversary on February 4th, marking 42 years of fruitfulness.

Our Pastor shared a message empha-

sizing that our enduring compassion for the lost and commitment to evangelism have been the driving force behind our longevity. We believe that holding this message close to our hearts and acting upon it will secure another 42 years of fruitfulness, unless our Lord Jesus Christ returns first.

Sending much love and prayers from the Potter's House Mandaluyong.

Nijmegen, Holland
Potter's House
Pastor Etienne de Sain

Greetings from Holland's oldest city. God is moving in a powerful way in Nijmegen.

We have more than 20 different nationalities in church and young and old people are being saved. We see visitors in almost every church service. Often we don't know where they come from or how they got in. But Jesus changes and restores lives!

It is great to hear how enthusiastic the new converts are. A mother and her teenage daughter burned an expensive centuries-old wooden Buddha statue belonging to the family in their barbecue. With an occult background, they made sure their house was cleaned up.

A young man was saved and called all the contacts he had in his phone. Of some, he did not remember who they were. But he told them how Jesus had changed his life and invited them to come to church. Some got angry, but about 25 people attended our church out of that and some were saved.

We look forward to seeing what God will do the coming months. Disciples are rising up and couples are preparing to be sent out. Pray for us as we pray for you!

Shepherds Bush, London, UK
Potter's House
Pastor Yomi Ikutiyyinu
Corres: Jeremy Semanhya

Greetings from The Potters House, Shepherds Bush!

The latter part of 2023 into 2024 has been a turning point for our Church, and

Outreach in Shepherds Bush, London, UK

we're pleased to report on what God has been doing in the last six months.

In October last year, we began a season of prayer and fasting for various needs in our church. We had a list of prayer points and met every Thursday evening at the Shepherds Bush Green, central to where we do our weekly outreaches.

During that time, God gave members of our congregation new jobs, financial increases, and healing from oppression of the mind. More notably, we have been praying specifically for young men to be added to church. Since that time, we have seen them attend every Sunday and they are beginning to lock in.

Leading up to Christmas in December we had a Christmas outreach at Shepherds Bush Station. We worked together to put up a small tent and served our community with hot drinks, snacks, and the English staple – mince pies! We also had live music from our bands during the day and saw people pray to give their lives to Christ.

The day after, on Christmas Eve, we had a Christmas Concert from our choir. We saw eight visitors and 38 people attend. On New Year's Eve we hosted a movie night showing *I Can Only Imagine*. We ran the evening with more food, fellowship, and popcorn! After the movie we had an altar call, and God began to move as he challenged our church on forgiveness and freeing ourselves from the past – which was a prominent theme in the movie.

From 24th – 28th January 2024 we began our revival with Evangelist Rexton Davidson from Waltham Forest. Every night the altar was filled as God ministered to our church and brought words of knowledge. During those ser-

VICES we saw five visitors, four people saved, one rededication and she has been attending church since. We're very thankful for Evangelist Rexton and his ministry.

We also started Serious Men's classes every Tuesday morning at 6:30 a.m. We meet for coffee in our local coffee shop and Pastor Yomi teaches leadership and discipleship lessons. We've seen the men begin to grow

in confidence and take their places in church, which has been very encouraging!

Please continue to pray for us.

Glenwood, South Africa
Potter's House
Pastor Kurt Lingeveldt

Greetings from Glenwood, South Africa. My wife and I were launched from the 2022 Southern Africa Bible Conference. We found a building one year later and started services on the 10th of September 2023.

God is doing a wonderful thing in the lives of the people in Glenwood.

We had a grand opening revival with my pastor, Mark Green. We kickstarted the revival with impact teams from Durban and the other Pietermaritzburg teams coming to help us outreach and hold an open air concert.

We saw total of 183 visitors and 78 decisions for Jesus through our grand opening week, with multiple healings and people being filled with the Holy Ghost. We still have fruit of that revival coming to church.

We had another revival with Pastor Jason Rice in December 2023. He encouraged the church and brought a word in season. We saw over 120 people in attendance over 20 people saved, others were healed and filled with the Holy Ghost during the revival.

There was a lady that stopped coming to service for about two weeks. I went to follow up on her and she came to service. I asked her if anything had happened because she just stopped coming. She said "Pastor I'm in a lot of

Outdoor service in Glenwood, South Africa

pain for the past two weeks. I can't sleep at night because the pain is too much."

A friend had given her black magic items in the form of rubber bands and the pain still didn't get better. I told her Jesus could heal her and there is no power in black magic but only in Jesus. I told her Jesus could heal her that night. I asked her to take off the rubber bands and prayed for her and all pain left her body immediately. She had the biggest smile on her face and she still in church today!

We are thankful for the vision of our Fellowship and for discipleship.

We are also grateful for what God is doing in the lives of the people in Glenwood. The Potter's House

**Bonteheuvel, Cape Town,
South Africa
Potter's House
Pastor Harold Visser**

Greetings to all from the beautiful city of Cape Town, South Africa.

We still count it a privilege to be part of what God is doing in the lives of people. God is still touching the lives of sinners and broken people in Bonteheuvel and we are grateful to be a part of it. This truly is the will of God for the lives of people.

During December we had our annual Christmas outreach and service the Sunday before Christmas. One of our men dresses up as Santa Claus and we invite families to be a part of the services. All children that bring their parents will receive a small gift bag with treats. Every year we have loads of visitors and peo-

ple to preach the Gospel of Jesus Christ to.

This year we had over 100 people in the morning service with a couple of decisions for Jesus Christ. In the evening we presented a Christmas play where we had a few visitors and people praying at the altar.

In the month of January we had a Saturday and Sunday evening Healing Crusade where we saw some visitors and two decisions for salvation. One visitor had a deaf ear and after prayer she could hear

Outreach in Cape Town, South Africa

out of the ear. Glory to God!

During the Saturday outreach we did a mini healing crusade in the town center, where a man came forward that struggled to see out of his one eye. After praying he could read the writing on a vehicle's licence plate and was amazed at his sight being restored. He could not work his job anymore because of it. The same man we met again several weeks later and he can still see. What a wonderful God we serve, a miracle working God!

**Buenos Aires, Argentina
Potter's House
Pastor Fernando Ferraro**

My name is Fernando Ferraro and together with my wife Romina and my daughters we are carrying out the work of God in Munro, Province of Buenos Aires, Argentina.

We can see that God is leading us to a new time of growth, the brothers and sisters continue to rise to serve God with boldness of heart, in evangelisms, recit-

als, theater... wherever God calls them.

In the last conferences we sent a new couple, we are still looking for a place to open this new church wherever God wants.

We had several revivals and in one of them a new brother came to pray for healing. They wanted to operate on him for a tumor in his lungs, but the following week when they did the final tests and studies for the operation, the tumor was no longer there. Glory to God!

A man wanted to commit suicide. We invited him to church and he came with his wife. At the end of the meeting they cried with joy because God had spoken to them. The second time he came he wanted to bear witness to what God was doing in his life. We have a wonderful God who can change lives to the core!

We always pray for you and for this beautiful Fellowship to which we belong! Keep praying for us!

**Davao City, Philippines
Victory Chapel
Pastor Frank Buenaventura
Corres: Emma Sotto**

Greetings to all our fellow workers in the Lord! We bring you good report from Davao City, Philippines. All glory belongs to God!

Early in December, we had our Children's Christmas Presentation entitled "All About Jesus" where every attribute of Jesus in Isaiah 9:6 was presented and given emphasis. We saw our children and young people working together for God's glory.

A week later, Pastor Yelly Seville visited us for a three-night revival and ministered on Christian maturity, on being cautious with the devil's diverting words, and preparing the way of the Lord. We were refreshed, encouraged, and blessed with his ministry in Iloilo City and in leading the churches in Western Visayas Region.

A Christmas Concert was held at the main sanctuary as our last event for De-

ember. It was filled with Christmas music and powerful testimonies of changed lives. This event was in collaboration with four ministries: The Choir, One80 Concert, Praise and Worship and Young Disciples. Despite the busy schedules,

Potter's House
Pastor Harold Gloudemans**

Street Outreach in Buenos Aires, Argentina

In the church of Den Bosch, we are experiencing a revival like we have never seen before.

Before it all happened, evangelists and visiting pastors prophesied about this, and already for more than a year we see many visitors and new converts.

we saw a spirit of servanthood, faithfulness in practices and unity among all age groups involved.

In January, we started off with a Discipleship Class. It was a great time of renewing our commitment in the signing of covenant for ministers. We also had the first breakfast meeting for Serious Men's on a Saturday morning with 20 men in attendance. The Couples' Choir was back into action, encouraging new and older couples to participate in church activities and build a strong relationship among brethren.

Towards the end of the month, Pastor Frank Buenaventura ministered in General Santos Church (Davao's first daughter church) in their 8th Annual Bible Conference and announced 11 pioneering local churches on their final night.

We thank God for souls he is bringing to our church through weekly outreaches in public markets, outside of malls, at the park on Sundays after the choir practice, in One80, personal invitations, and one-on-one evangelism. It is our prayer that these fruits will remain and will likewise bear fruit for the enlargement of God's tent.

Our April conference is fast approaching. We are hopeful for more and greater things ahead, as what God desires for His church in these last days. Please remember us in your prayers.

Heartfelt gratitude to Prescott and Tempe churches for the investment and impartation. The grace of the Lord Jesus be with you all.

A lot of young people are coming in, asking questions "who is God?" and "how can you get to know God?" On Sunday mornings, average attend-

ance lately is 175 people. A lot of them are teenagers or young adults. Some of them grew up in church, many recently came in and stayed. A lot of them are recently baptized. Even people who attend church for a long time, sometimes join them to be baptized.

In church there's a great enthusiasm to attend activities. One80s are packed, more and more people show up, also thanks to social media. We have had wonderful times during revival-services with Evangelist Toppin and Pastor Draghici from Romania. We saw a lot of visitors, converts, healings, words of knowledge and encouragement for the church.

Last Christmas we have had a very

Youth outreach in Davao City, Philippines

nice Christmas-musical with high attendance and several converts. We are looking forward what God will continue to do in our church in 2024.

**Elizabeth, South Australia
Potter's House
Pastor Aaron Cooke**

What a mighty God we serve! I bring a fantastic report from the Elizabeth Potters House in South Australia.

Over the past few months we have seen God visiting our church in a powerful way. We finished 2023 with momentum after a revival with Evangelist Rod Gibson in November. We saw six saved at the Saturday night concert and then throughout the week of revival we had visitors every service and another 14 decisions plus some notable miracles of healing.

Leading into Christmas we saw some new families added to the church, locking in to outreach and morning prayer. As we entered the new year we've continued the momentum having a baptism at the local swimming

pool where we represented Christ and glorified God in a very public way. The pool was packed and we certainly created a scene as we sang and praised God, baptising four precious souls.

At the beginning of February we tried a new area for our summer outreach and definitely found a gold mine.

We showed a movie in the park and saw more than 200 people come from the local area and had 24 decisions for Christ at the altar. We're believing God for continued momentum and growth in Elizabeth.

We covet your prayers and we're believing God for last days revival across our great Fellowship.

Wayman Mitchell Memorial Tour

The Bible Land Experience

November 5-14, 2024

Departing

Los Angeles
New York
Land

UPDATE
See Below

To all interested in the Israel Tour for 2024.

Several of the airlines we usually use have stated they will not fly to Tel Aviv as they are taking a stand against Israel. Due to this fact the pricing will change a bit, but we are unsure at this time how much it will affect us as a group.

Those who have already carried over to the 2024 tour there will be no change for you, you are paid in full.

The Tour Company is asking that we wait until April to set the prices as they are actively in negotiations for the best rates. Once we know I will post it on our website, thedoorfredlands.org Israel tab.

Thank you for your patience and understanding during these difficult times. As far as I know at this time we will be going in November. Israel is working on advancing tourism again so we are encouraged that all will be back in place by then.

Thanks to you all, Pastor Rich Cox
