Winter is in the air, but God's word is alive and burning in our hearts. Warm greetings and exciting announcements from the Prescott congregation.

In December 2023, we celebrated 53 years of concert ministry with the grand opening of our new One80 concert facility in Prescott Valley. Hundreds flooded the auditorium, exceeding the seating capacity. Youths sat on the floor, crowding the altar space, and many more stood at the back of the auditorium.

During construction, the Prescott teen youth group commemorated the building by laying into the foundation a mural depicting the history of our concert ministry. The 900 square foot mural illustrated our journey from "The Door" scene of the '70s to the "Arena," the Underground, and then our current One80.

Joshua 4:6 - *We will use these stones to build a memorial. In the future, your children will ask you, 'What do these stones mean?'*

Our church and Fellowship will forever be linked to the Coffee House concert outreach ministry. Teen visitors attended the commemorative event, and before the building was even open, two precious young people prayed for salvation at an altar still under construction.

We have wasted no time filling the calendar and putting the venue to use for its intended purpose of evangelism and outreach. A new building, a new location, a new name, but the age-old pattern that has been changing lives for 53 years lives on. Join us online via Livestream and catch the vision for evangelism as there are precious souls in your city waiting to experience a One80. Watch live and recorded One80 events at <https://vimeo.com/showcase/one80-live>.

In October, we had our bi-annual Youth Extreme. Many churches brought teens and youth to take part in the event. After a message from Evan-

gelist Jerry Fussel, 400 young people took to the streets to pass out flyers, evangelize, and street preach. That night, a theater production drew a crowd of over 400, and 72 responded for salvation, with many more saved throughout the day. We followed up with a week-long revival service with Jerry Fussel. Many were saved and healed, and the Prescott congregation was blessed and encouraged.

Halloween provides a unique opportunity to present the Gospel to thrill seekers and adrenaline junkies. For nearly three decades, the Prescott congregation has presented some form of horror house or haunted theater, and this year was no exception.

This year, Pastor Jesse Morales wrote and produced a stage production titled Psycho Circus. The show drew hundreds of visitors, and 141 decisions were made for Christ. One of the actresses who performed in this year's production was invited by her classmate to "The Purge," our Haunted House in 2021, where she was radically saved. She is actively involved in our youth group, and seeing her family faithfully attend our services is so encouraging. The Gospel works, and we continue with the vision to win souls, make disciples, and plant churches.

Our Southwest Men's Rally, with the theme "Men For The Times," delivered powerful messages from Pastors Greg Mitchell, Mark Aulson, Tom Payne, and Joe Campbell. Pastors and disciples from Arizona, Cali-

fornia, Nevada, Utah, Texas, and even Mexico traveled to Prescott for the two-day event. Despite recently suffering cardiac arrest, Pastor Campbell stepped up to the pulpit and hit a grand slam that brought men to their feet and down to the altar. Pastor Campbell's passion and preaching make it evident that his heart never stopped beating for evangelism and the souls of men.

Pastor Greg Mitchell has brought the history of our Fellowship to life with his Sunday School series "Memorial Stones." This incredible series retells who we are, what we believe, why we believe it, and how we got to where we are now. Churches throughout our Fellowship have begun showing this series to their congregation during their adult Sunday school hour.

With translation now available in many languages, saints are being encouraged as God's guidance and faithfulness are rehearsed.

Joshua 4:7 - *Then you can tell them, 'They remind us that the Jordan River stopped flowing when the Ark of the LORD's Covenant went across.' These stones will stand as a memorial among the people of Israel forever.'*

Christian Fellowship
Pastor Curtis Berry

We are very grateful for all that God has been doing in the central Tucson congregation.

The church is very encouraged about world evangelism, as we have just sent Pastor Star and Caryn Sullivan, as well as their two sons, to Cambodia. Every-

Central Tucson men who attended Prescott Men's Rally in December

one is excited to be part of reaching the world for Jesus, and disciples have the vision to get launched themselves.

Pastor Curtis and Corina Berry from the South Tucson church have now taken the reins, and the two churches have combined. The transition has gone very smoothly, with everyone coming together truly as one body. We are looking forward to this new season, and are expecting much growth in the church. We are already seeing fruit, with multiple broken people coming in off the streets and getting saved. We are also seeing disciples take on new ministries with willing hearts and eagerness for serving God.

We have been able to retain the building in South Tucson, and we are now using it for our 180 Concert Scene. We have been able to put on either a concert or a movie every Saturday night, and have had visitors come in and hear the Gospel. This is possible due to the congregation rising up and working together.

We have been able to increase the size of our skit team, which God has been ministering through. The church has also been able to form two brand new bands, who are working hard to write songs to spread the Gospel.

We have more than a dozen men who have been inspired and encouraged by the men's discipleship classes. They continually share with each other about how God is convicting and changing them, and the calling upon their lives to preach the Gospel. Sixteen men recently went to the Prescott December Men's Rally, banding together to ensure each man was able to go.

We are seeing God anoint our evangelism, with open hearts and open doors. People are getting saved on our

Saturday morning outreaches, Saturday night 180's, and in disciples personally witnessing. One man was even able to pray with 10 people in one night!

We are thankful for all the investment we have received, with God moving in key areas in each revival we have had. Pastor Josh Sanchez from Mammoth, AZ has also been a blessing to us, always willing to partner with us on our different outreaches.

Please continue to pray for our congregation as we pray for you. God is on the move, and he is not slowing down!

**Chandler, AZ

Pastor Joe Campbell
Corres: George D. Rose, Sr.**

Revelations 14:15 says "...Thrust in thy sickle, and reap: for the time is come for thee to reap; for the harvest of the earth is ripe."

Due to the confusion, instability and chaos in our world today, people are desperate, searching and open to the Word of God. This is where we find ourselves as a Last Days church.

One of our guerrilla teams invaded El Paso, Texas. Filled with the

Holy Ghost, the team flooded a flea market filled with people. The team street-preached, prayed for the sick and even did an impromptu drama skit. As a result of their ministry 10 people got healed and 17 experienced powerful conversions! What a wonderful opportunity to reach the lost in another city and establish dominion for a baby work.

Our 180 music scene has been fruitful. We were blessed to have the live-action drama, "Premonition," from Prescott minister to a capacity crowd. A number of souls came to Christ as a result of this powerful drama. With our bands and drama teams ministering we have experienced full altars with precious souls repenting before God.

This move of God has also overflowed in our regular ministry. Pastor/Evangelist Al Jenkins preached a service while Pastor Campbell was recovering and turned it into a healing service, praying for the sick. We got to witness God's healing power as legs grew out and other demonstrative miracles took place. During a recent baptism where 21 new believers gave powerful eye-witness testimonies of God's changing power, 10 souls came to Christ.

As our call is to Jerusalem, Judea and the uttermost parts of the world, our International Bible Conference allows us to respond to that challenge. More than 1,200 attendees from across the country and around the world found themselves refreshed, renewed and refocused on the call to the harvest field. Our theme challenged us to be "Radical for God in a Culture of Comfort." As a result of that challenge, the conference body launched 11 churches, six domestic works and five international works, including one into Cambodia!

Native American Day was a great success with Pastor Aragon declaring the church as the gateway to Heaven. He pointed to numerous times when God reached down and snatched souls from the devil's hand in their final moments and days on this earth. He pointed to our constant declaration of God's amaz-

ing forgiveness as an open door to God's grace and redemption. More than 650 attended with many sinners and backsliders answering the altar call. We then broke bread together (fry bread, that is) in a spirit of unity and love.

Our Trunk or Treat event was effective with more than 400 visitors.

Full altar call during Chandler 180 Concert

In addition to candy, they got the Gospel and an opportunity to come to Jesus. A family from the local area that had passed the church countless time during our many events, finally came. They said that there must be something special going on here so they came. The ENTIRE family got saved that night. Praise God!

As many of you know, our Pastor Campbell suffered a heart attack. Hell tried to silence him but he is still in the land of the living and back preaching the Gospel! Thank God for His healing power and mercy. On behalf of Pastor Campbell, we thank you for your prayers and love.

We are excited about what God has done and continues to do in our congregation and branch of the fellowship. Pray for us as we do for you.

**El Paso, Texas
Potter's House
Pastor Ryan Manzano**

Greetings from El Paso. This fall we hosted our first annual tent healing crusade which ran for 10 nights.

In preparation, we did five weekends of all day outreaches distributing over 50,000 flyers throughout the city. We had about 25 churches from the surrounding areas come and labor with us which we gratefully appreciate.

We saw tremendous miracles including blind eyes and deaf ears open, cancer healed, tumors dissolved, and multiple people that had been in pain for years experienced healing. There have been reports of emotional healings as well as we are living in a broken world. In total, we saw about 60 people saved and many added to our church as result of the crusade.

In leading up to this ex-

looking forward to doing it annually. Multiple thanks to all the churches that invested time, finances, and labor. Pray for us as we pray for you.

**Fargo, North Dakota

Fargo North Dakota in the last six months has seen the largest growth since taking the church in 2016.

Our young people began to witness more fervently and bring their friends to church. Their friends got saved and then *they* brought friends and family and on and on we go!

One young man came in after being befriended and witnessed to at college and got radically saved. Soon after, his girlfriend came to church, she also got saved. They became convicted about their living situation and decided to live separately for three months and then we were able to marry them in a glorious Jesus People wedding this past May! They are now both in ministry, on fire for God and they have been inviting other young converts over for dinner, personally investing time and effort into seeing other people live for God.

Miracle healing crusade in El Paso saw 60 saved and many healed.

pensive endeavor, we pledged our church for six months prior, challenging them to give. In labor and sacrifice, all the needs were met and many of our church members are still reporting miracle testimonies in their finances. Lifting up the name of Jesus, all around, it was a tremendous, fruitful venture. We were astounded that our young church was able to host an event of this caliber. We are

There has not only been immense growth in converts, but many men have expressed a desire for ministry and discipleship, women are raising up and getting involved, supporting and helping in the song service ministries, the nursery, Sunday School and many more. Many hands make the burden light and we are so blessed to have people who desire to serve.

Finances have increased along

Revival in Fargo, North Dakota

with the attendance and so we are in the process of searching for a larger building!

We have recently had special services and revivals with Pastor John McCarthy, Pastor Wade Schultze, Pastor Jon Overson and Evangelist Mel Montoya. God moved powerfully through all these men and we appreciate their investment so much!

Many words were given and there were many notable healings, including a mother who came in with tremendous pain in her back for many years, unable to hold her son. After she was prayed for - she left after service carrying her son! Another young lady had severe pain from growths in her ovaries. After being prayed for, she no longer had pain!

Another young lady had just been released from the hospital after surgery. She came for revival services but was in such terrible pain that she was pacing the hallway. Evangelist Montoya prayed for her then and there in the middle of service and the pain eased and she was able to sit and enjoy the rest of the service.

Our Fall Festival this last October was our most successful event so far, with around 60 visitors coming in and six people openly praying for salvation and many more repeating the salvation prayer with heads bowed.

The hunger and vision for souls has increased greatly. Some of the young ladies have started their own Bible studies in the High School and have brought many people into the church - and have encouraged them to STAY in church by being a friend and spending time with them, teaching other young ladies to live for God.

The young men have started Bible studies at the college. Many new converts have come into the church from these youth studies.

The men have gathered together to support each other, praying for each other's needs, outreaching together, volunteering to clean the

church, being a blessing to elderly church members. How honored we are to watch all that God is doing here in Fargo!

Keep praying for Fargo. God is on the move.

Hello from the city of Fresno, CA. We had a productive summer and fall and we're believing great things to happen this winter.

In October we had our annual Halloween Bash along with a Blood Drive. Local heroes, the Fresno Fire Department, Fresno Police Department, and McGruff The Crime Dog joined us. Vis-

Many heard the Gospel at Fresno, CA Halloween Bash

itors had the opportunity to play games, join a raffle, buy food, and most importantly hear the Gospel. During this event we also had a blood drive take place. Several individuals took the time to donate blood.

We recently had a family visit our church. It turns out that the mother has been to our church before. Her parents use to attend when she was a child. Now she has a family of her own and has come several times. We are believing for God to move in this family.

As the holidays near we've noticed an increase in visitors. Some have visited because they received a flier, were invited, or saw the church's sign. Some of them continue to visit and we are praying for these individuals.

In November Evangelist Mark Benavidez came and preached for a couple of nights. He delivered powerful messages. He reminded us that we are living in the last days and the importance of forgiving those who have hurt us.

As mentioned previously, it's an encouragement to read everything God is doing in our Fellowship. Please continue to pray for us as we pray for you!

Greece, New York
Potter's House
Pastor Paul Van Epps

Testimony
Marvin Jr. Correa

I'm so happy & enlightened by my experiences in the three to four weeks of going back to Church!

It took me 22 years to finally feel the awakening of my faith at Pastor Paul Van Epps' Church. The reason it took me so long was the passing of my biological father who was heavily into many different churches and religions! He passed away in November 2009 and

I was shattered in infinite pieces in my heart as well as my soul.

I remembered that I took my fear of generational curses that an assistant pastor brought up while at a church that I had become a member of in 2001 and ran away with my faith in ruins! My greatest fear was that I realized my biological father used to preach over the radio at a local high school's audio studio department and played an instrument in his church orchestra, but fell victim, unfortunately, to drugs. He was in and

out of Teen Challenge several times over the years. My fear was that I would follow suit, but, thank God, I never did.

I'm truly thankful that God sent Pastor Paul to my residence recently because that one truly blessed act has changed my fear into a blessing!

Greece Potter's House is my home of Christian fellowship and God willing, that will help me get through the many difficult times of my life! I already feel that I'm going into the best phase of my life because of my Savior!

My very first time visiting this beautiful place of worship was on a Wednesday night. I was invited by the pastor by

Robert Correa, saved and changed by Jesus Christ

way of his visitation of homes in North Greece Township several weeks before I arrived. I knew that it was going to be a very special church because he handled himself in a very respectful manner while he was speaking to my wife and I on our front porch.

I remember walking into the Church for my first time and feeling like a heavy burden floating away from my soul! Later that evening I raised my hand to be saved and quite honestly I don't remember doing this at all. Next thing I know Pastor Paul was guiding me to the very front of the church. I felt light as a feather and listened to the words that he was preaching in order to be saved that night! I felt a sense of rebirth during this moment and began to cry tears of happiness. I cannot describe in words what that night has meant for me!

Later, Pastor Paul and I met for lunch with a blessed discussion about our lives

that included how God has helped us. During the end of lunch he asked me if I wanted to think about getting baptized and I didn't even let him finish his sentence because I said "Yes, I'm in!" Two days later I was baptized in front of the church, and the experience was beyond amazing. I went under the water for maybe two seconds, but it felt like two hours! As I was raising I truly felt my 22 years of stepping away from God's house disappear from my heart, mind and soul. My heart was filled with love, and my mind was cleared of all misfortune and mishaps that had occurred in my brief 48 years of existence in this world! My soul was clearly cleansed and made my vessel pure as God our creator intended it to be! This is my testimony and thank you for letting me share it.

**Horizon City, Texas
Potter's House
Pastor Danny Hernandez**

Greetings from Horizon City, Texas. We're all so grateful to be apart of what God is doing in the run-up to His soon return.

We had two impactful revivals with Evangelists Roderick Gonzalez and Glen Pluglisie. In both, the people were encouraged and words were given that came to pass weeks after each revival. We had a fruitful season of summer outreaches that included the drama team "Mi Vida Loca" from the El Paso church, concerts with Lacy Brunson from San Antonio and a Miracle Healing Crusade with Pastor Stephens that saw miracles and decisions for Christ. The summer ended but our outreaches continued.

The church was amazed at the success of our "Escape Room" that ended with a funeral scene and an altar call. In total we had many visitors and 28 decisions for Jesus. We are seeing visitors in almost every service, members growing in their faith and new converts being established.

With Pastor Stephens leadership, God's favor and the wonderful people of the Horizon church, we are seeing God's goodness!

**Indio, California
Potter's House
Pastor Carlos Olivas**

Greetings from Indio California, "The City of Festivals."

God continues to help us here in Southern California where Hell, bad politics and crazy agendas are wreaking havoc everywhere you look. But in the midst of the chaos, the Kingdom of God is taking dominion.

This year we have had revivals with John Robinson, Steve Bowman and Jerry Fussell. All were timely, and we saw God move in the supernatural with healing and prophecy. We live in an area where the extreme summer heat limits some of our outdoor events, but it doesn't stop us. We have been able to establish dominion in a local shopping area where every Friday we go out and witness, pray for the sick and proclaim the Gospel. This has been extremely fruitful, as we continue to see people saved, healed and helped, even seeing some coming into the church and locking in.

We regularly send out bands and impact teams to neighboring cities. God has honored this and He is graciously adding to the congregation. We are now in need of a larger building. Please pray for us in this.

We have just entered our busiest season because the fall, winter and spring are the best time of year for outreach and taking the Gospel outside the four walls. We are excited and anticipating a fruitful season as

Timely words given to youth during John Robinson revival in Indio, CA

we lay hold of the prophetic words that were given during July conference regarding a fruitful harvest to come in California. Please pray for California and the Indio congregation as we strive to “keep the main thing the main thing!”

Katy, Texas
The Door
Pastor Adam Stephens
Corres: Erania Ebron

Greetings from Katy, Texas. Pastor Adam and Beth Stephens were launched from the Chandler, Arizona Bible Conference in August 2013. Two “baby” works were then launched from The Door-Katy: The Door-Bagamoyo, Tanzania in 2021 and The Door-Austin, Texas in 2022. Those baby works are under the leadership of Pastor Curtis and Mary Carter and Pastor Douglas and Tatum Montoya, respectively.

After outgrowing their meeting space, the Bagamoyo fellowship identified a plot of land for purchase. Plans are now underway to build a permanent church facility in the region. While the Gospel is prolific in Tanzania, there isn’t an established “home base” in the community where Pastor Curtis and Mary are ministering. Church plants have come and gone frequently there, so the local Christians are struggling to find a place they can call home.

The plot of land slated for The Door Church-Bagamoyo is right off

the main highway. In fact, it is located on the only road leading from the village of Bagamoyo to the closest major city, Dar es Salaam. This new church facility will undoubtedly bless the community of Bagamoyo, the people of the church there, and future generations to come.

The Austin fellowship previously met at the Liberty Hill Event Center, in Liberty Hill, Texas near Austin. After prayerful consideration, Pastor Douglas and Tatum Montoya will transition to the rapidly growing city of Bastrop, Texas. This baby work will still be in the metropolitan Austin area and will have a powerful impact on souls near Texas’ capital city. Stay tuned for additional praise reports about the establishment of this local fellowship.

Several special events have maintained the Fellowship’s impact in Katy, Texas. On September 16, 2023, The Door-Katy held another Live Music Event. Attendees enjoyed live, Christian music, free food, face painting, a photo booth and activities for the little ones. During the event,

More than 400 people attended Katy Church 2023 Trunk or Treat, and heard the Gospel

testimonies were shared and many gave their lives to Christ.

The 2023 Trunk-or-Treat was the biggest ever! Mountains of hot dogs, a bounce house, games and amazing decorations. Most importantly, the love of Christ was shared and visitors heard testimonies during the event.

Finally, from November 5-8, 2023, Evangelist Nathan Brazell delivered five powerful sermons during “The Way, The Truth and The Life” Revival. After spirited worship and the teaching, many were saved and prayed for during the altar calls. Several experienced healing and received words of knowledge to assist

them in their walk with Christ.

We covet your prayers for the continued move of God in Texas and Tanzania.

Las Vegas, New Mexico

Pastor Ray Rubi
Corres: Mario Sanchez

Greetings from Las Vegas, NM.

In the month of September we had our yearly Bible conference with the theme of “The Sword of the Lord and of Gideon!” God met with us in a very special way, all the sermons were powerful and encouraging.

We were privileged to have as our main speaker Pastor Harold Warner. He preached some very challenging sermons for our lives. At the conclusion of the conference we had some exciting announcements. On thursday night we sent into a new nation Jorge and Elizabeth Espinoza, to Tirana, Albania to pioneer a new work and also the first church planted out of Panama City, Panama into San Miguelito, Panama. On the domestic side, out of the Alamosa, CO church we sent out Joseph and Mary Harmon into Cape Coral, Florida to start a new work and out of las Vegas, NM going into Denver, CO, George and Markita Cruz.

In October we had a great time of revival with Pastor Alvin Smith. We saw many visitors come and get saved, and words of encouragement were spoken into people’s lives. The great blessing is we still have people coming from that revival.

Another highlight in October was our Haunted Circus. We held it for two nights, October 30th and Halloween night, and we saw close to 400 people walk through, some standing in line for two hours through 27 degree weather to get in. At the end of the two nights we had 56 convert cards filled out.

We want to thank Pastor Ray and Patsy Rubi as always for their great leadership and direction. Pray for us as we pray for you.

Los Angeles, California
Potter's House
Pastor Erik Bakke

Greetings from Los Angeles, Ca.

God is moving in our neighborhood of El Sereno! Recently we had an outreach and play from our mother church in West Las Vegas. The play was entitled: "Hulk - The Rage Within." The play powerfully ministered on the topic of rage, anger, and deliverance through the Power of Jesus Christ. A total of 48 precious souls were saved that day.

We followed up with a revival with Pastor Mark Looney from our mother church, and we had a tremendous time. Powerful preaching, timely words, people saved and touched throughout the week. God has given us lasting fruit from the revival, and the saints have been stirred!

Lastly, God has also been giving us supernatural favor with our local government and city officials. The mayor of our city is completely backing our church. She giving us opportunities to link up with city events, outreach, and preach the Gospel of Jesus Christ, unabated! Even renting the equipment, supplying the facilities, and providing the advertising. In a place like Los Angeles, CA this is an absolute miracle of God!

Thank you Pastor Greg, Pastor Lamb, and the West Las Vegas Congregation. Please continue to pray for us as we pray for you!

Louisville, Kentucky
The Door
Pastor John Slone
Corres: Alec Slone

Greetings from the church in Louisville, Kentucky.

Despite the numerous religious institutions and schools in Louisville, violent crimes, drugs, and gangs have been increasing and wreaking havoc in our city. However, it is here that we are declaring the hope of the Gospel and souls are being saved.

We have seen fruit from our prayer meetings, street preaching, and outreaches as God is restoring people of different ages and cultural backgrounds. We have new converts from Honduras to Kenya that are locking in and are excited to share what God has done in their lives.

One teenage girl from Honduras, whose name is Anna, was tired of Catholicism, a dead religion that could

not save her or her family. She heard the Gospel several times in our services, and one night she surrendered her heart to Jesus. She was baptized and has been witnessing to her classmates at her school, and some of them came to church and received salvation.

This past summer we had revival with Evangelist Patrick Johnson and Evangelist Dave Eccles. In our revival meetings, we were stirred to be bold and have a passion for the Kingdom of God. As Pastor Eccles preached, "God moves when we move."

This past fall we showed "Nefarious," a movie that accurately depicts the reality that there is a spiritual battle for the souls of men and women, and without Jesus, they are hopelessly lost. Visitors from the neighboring community came and heard the Gospel.

We will continue to labor for our city. Please pray for us as we continually pray for you.

Newport News, Virginia
Potter's House
Pastor Larry Mitchell
Corres: Wayne Nickerson

The Newport News Church is actively winning our city for Jesus by staying true to the vision of evangelism and discipleship.

We have been engaged in several impact teams throughout the Hampton Roads area and in our own city.

We recently held two powerful revivals, one with Evangelist Patrick Johnson and the other with Pastor Hector Ortiz, missionary in Mitchell's Plain, South Africa. Both men preached powerful messages and gave very specific words of knowledge and encouragement. The church was energized, challenged, and encouraged greatly by our brothers.

We sent several delegates to the Chandler Bible Conference where we

also announced Ricky and Rebecca Sandoval will be pioneering in Williamsburg, VA. We are excited for this couple and are looking forward to God using them to build a church there.

In October, our youth group had the opportunity to run one of our Saturday night music scenes. It was great to see our youth rising up and being effective in ministry.

We held our annual Fall Fest, a family fun day featuring games, various contests, music, and testimonies all Saturday afternoon and saw over 200 visitors in attendance. It was a powerful time for the church to join together and preach Jesus. The fruit of this endeavor was 16 first time visitors who came to Sunday morning service the following day.

We recently had a disciples' night where our Door Director, Jamar Blyther, and soon-to-be pastor, Ricky Sandoval, had the opportunity to preach.

Our in-home Bible study season has started. We have several disciples who have been challenged to use the opportunity to build a work for God in their neighborhoods, and they are generating an air of excitement. One brother reported he had five visitors at his first study.

We appreciate the legacy of excellent leadership from the late Pastor Wayman Mitchell, and the continuing leadership of Pastor Greg Mitchell and Pastor Campbell. Praying God gives us all a harvest of souls in these last days.

Ogden, Utah
Potter's House
Pastor Rick Martinez
Corres: Payton White

Hello all the way from Ogden Utah! God truly is building his church and we've seen his hand at work over these past few months.

We are seeing people saved and added to the church in our outreaches and during our church services. Our follow-up and visitation team has been an integral part of locking in this fruit.

In October we evangelized and hit the streets in preparation for our Fall Festival. We saw nearly 500 people come through in three hours while we played live music, shared testimonies, played games, and candy was handed out but most importantly disciples were given an opportunity to pull alter calls every 30 minutes. Visitors came and stuck around for over an hour at a time. We saw many saved and many return visitors to church the next day.

In November we did a throwback 70s night for one of our 180 Concert scenes. This gave people the opportunity to pull out their bell bottoms and tie dye shirts and come and hear music from the 70's but with a Gospel twist. After outreaching and the final altar call, 20 precious souls gave their lives to Jesus. There was a tongues and interpretation at the end of the concert about preparation and with that momentum it launched us that next week into revival with Evangelist Jeremiah Wacker.

Hector Ortiz preaches in Newport News, VA

From the concert to the beginning services there was tongues and interpretation on readying yourself. We saw the hand of God in a special way that week and a fresh stirring of God.

In December we celebrated the 20-year anniversary of our pastor, Pastor Rick Martinez coming to Ogden. We are so grateful for our pastor and to be a part of what God is doing here in Ogden, UT.

In 20 years more than 40 churches have been planted!

We are excited for the New Year and expectant for what God is going to do in 2024! Yours in Revival!

Palmdale, California
Potter's House
Pastor Jack Miller

We would like to report what God has done in the last year for the Potters House in Palmdale, CA.

Since our marriage seminar in February, three new convert couples have gotten married, and another wedding is scheduled for early 2024.

We've been able to take our band and impact teams to churches in southern CA, including Barstow, El Sereno, Bellflower, Oceanside, Hollywood, and

Huntington Beach.

Local outreaches were helped by the churches from Barstow, Yucca Valley, Oceanside, Van Nuys, Brawley, Bellflower and Huntington Beach. It's great to labor with people that have a common vision.

We had revivals with Tim Miller, JW Ballinger, Mel Montoya and Angel Morales, plus special services with Bryan St. Armand and Jesse Morales. We were blessed to have international ministry from Isaac Madzivere (Zimbabwe), Abdul Yussuf (London), and Chilindi Maloiso (Botswana). All of the meetings saw visitors, people saved, healed and encouraged with words of knowledge.

Our pioneer couple shifted to Lancaster, just north of us. They already have a building on a main road. We took the band and impact team for them. In September they had an average of 10 people coming.

A high school kid got radically saved, started preaching during lunch, and is bringing other students to church. He's begun a Bible study and is planning an after school movie. Around 150 teens have prayed for salvation!

Our Asylum Haunted House came under attack from the moment we started planning and building, but God still moved. We had 788 visitors & 541 prayed! Even a well-known actor came through and answered the altar call.

We're looking forward to partnering with Redlands as they help us with our first outdoor crusade in downtown Palmdale. Praying for a supernatural outpouring in the Last Days.

Greetings from the Potter's House church in Pittsburgh Pa. We are truly blessed to be able to labor in these times.

We have seen the sovereign hand of God move in so many different dynamics as we press into the kingdom of God. We have continued the time proven method of bringing the Gospel message outside the four walls of the

103-year-old WWII veteran gives his life to Jesus in Pittsburgh, Pennsylvania

church.

We have a large banner we set up announcing that we are praying for people that have a need. People have responded for prayer and for salvation. We had the privilege of praying with a 103-year-old WWII vet for salvation.

God is building a core of believers in the city of Pittsburgh. We have been able to get some of our people to go on the street with us. It has had a positive impact on their lives and their faith. It is wonderful to see the joy on their face after they have lifted up their voice for Jesus.

We did a family fun day outreach in a parking lot in the city. Pastor Shapiro brought a team to labor with us. We saw people pray for salvation. It was a tremendous time as we hit the streets with rap music and heart felt testimonies. We have seen fruit from that investment.

We have a brother in the church who had suffered a stroke on his 40th birthday. I met him through his mother who I witnessed to in the parking lot of her apartment complex. Her son Andre was in a physical rehab in a bed with very little movement in his left side. I began to visit him there and share Jesus with him. We would contend for him in prayer before

every service that God would make a way for him to attend church. That day did come. He's in a motorized wheelchair. He came to service and gave his life to Jesus. As he would hear about our street meetings he was stirred and said he wanted to go. The difficulty was his wheelchair weighs 400 lbs. So we scheduled a street meeting in an area close to his house. He was able to drive his chair there with his caregiver walking alongside. He took the mic and lifted his voice for Jesus. It was glorious thing to see.

Please keep praying for the city of Pittsburgh. We are expecting a season of revival. We thank God for our leadership from Pastor Campo and our mother church. I thank God for men who stick by the stuff. There is victory in Jesus!

Greetings from Redlands, California, the "Jewel of the Inland Empire." We thank God for all that He has done this second half of 2023.

Our international works in Peru and Colombia have been seeing a powerful revival with God bringing in new families, converts getting baptized, and events that are producing lasting fruit in their churches. During the July 2023 Prescott conference our

church in Bogotá, Colombia was nationalized to a Colombian couple that was disciplined in that congregation.

In that same conference, our church in Cali, Colombia announced and sent out their first baby work. We're excited for what God is doing in South America.

Our church in Redlands has been busy about God's business, hitting the streets and evangelizing every Thursday and Saturday. Not only are we seeing a great number of people giving their lives to God in our outreaches, but we are also seeing visitors from those outreaches come to our services and lock into the church. It has been a real fruitful season; a great time to reap the fruit from all the seed that has been sown these last several years.

We've started doing a First Sunday Fun Fellowship every month. We've used this as a tool to encourage new people to come out to church and it has been a real success. The church gathers in our parking lot after the evening service and both, old saints and new converts, are participating and encouraging each other as they enjoy a fun time of fellowship and games.

We recently had Evangelists Paul Boddy and John Perry come to preach revivals for us. Both revivals were opportune and powerful. Our church was blessed with great preaching, healing miracles and timely words. During these last several months we have also had a Jesus people wedding, baptized six converts, and had a baby

dedication service. Our church is growing!

In October, we held our annual Trunk or Treat, which turned out to be a great event. Many folks from our church participated. We had about 170 visitors, and saw 39 decisions for Jesus Christ.

We have also started our Spanish services where we have seen God at work. There is already a core of 15 to 20 faithful converts attending those weekly services.

God is doing a powerful work in our city, and we are excited to see all that He will do this coming year! Please pray for us in Redlands, California.

Hello from Rochester, New York! This season has been filled with outreaches, revivals, and impact teams and we are excited to report all that God has been doing in Rochester.

Toward the beginning of August we hosted an outdoor family fun day on the front lawn of the church. This outreach was so encouraging to our congregation as there were almost thirty visitors. Most of these visitors were from a local Muslim community, many who were very open to learning more and staying in contact. Through this outreach two people prayed and we are still praying and working with this large community moving forward.

For the third year running we put on the rock opera "Neon Lights." This outreach led to a number of first time visitors and two souls saved.

The cast hit the road in August traveling across the country to Southern California. The team performed in seven churches across the area and saw 24 people pray for salvation!

The Neon Lights team also made their way up to Canada in September for the Mississauga and Whitby churches. This was a great time of connecting with these neighboring congregations and opened the door to a number of connections for those churches.

Street outreach in San Jose, California

For Halloween this year we hosted a trunk or treat to connect with some of the families in the local community. We are blessed to have such great favor with the local police department as they even sent over a truck to participate in their own trunk display! This was a great opportunity to reach the community as this outreach brought in 120 visitors with seven souls saved.

Our congregation is also encouraged to have connected with the church down in the Bronx. In October we sent a team down and then in November they were able to do the same for us. This was an amazing time of outreach and connection and overall between these two impact teams we saw 12 people give their lives to Jesus.

Impact teams were also sent down to Washington, PA, as well as our baby churches in Syracuse, and Brockport. Our congregation is encouraged and excited to be making connections with these neighboring churches who have the same vision for the lost.

Throughout this past year we have been having pastors who have labored in Rochester return to celebrate the church's 40th anniversary. This has been a blessing to our congregation as we have had Pastor Eric Strutz, Pastor Jeff Day, Pastor Bob Mammen, and Pastor Jesse Morales come to minister throughout this year. We are grateful for these pastors and their investment into the city of Rochester.

We are grateful to the Fellowship for all the prayers that have been poured out for this city. We value Pastor Greg Mitchell and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting. Please pray for us here in Rochester as we continue to take the land!

God is moving in California! Our time in September was blessed with purpose as we stepped into the streets of Downtown San Jose. The Youth on Fire team brought their A-game, We left no corner unturned while engaging with the community, sharing testimonies, prayers, and the Word. Thirteen individuals decided to take the step and were baptized. It was a clear sign that something special was happening.

In the same spirit, September also brought our Harvesters event to life. It was a powerful scene as three of our developing churches came back to join forces in a single, united service. The energy was palpable, with everyone from near and far coming together, sharing stories, and bolstering each other's faith.

In October, our Trunk and Treat was more than just a hit; it was a heartfelt gathering of joy and spiritual discovery. Kids and families came for a fun night, but it was about so much more. Six children found hope and a new start as they prayed with us.

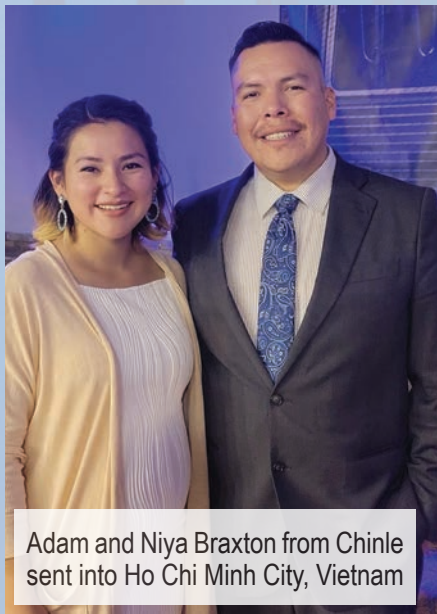

As the community celebrated Halloween, we were there with our outreach turning into a night of meaningful connections. Four individuals, drawn to seek prayer, were saved. God's wonders don't take a day off, not even on Halloween.

We're seeing the threads of faith weave through our days. We're heading into the rest of the year with our hearts full, our hands open, and our eyes up, ready for the next chapter in this adventure of faith.

Hello from the heart of the Navajo Nation. All the praise, glory and thanks to our Lord and Savior Jesus Christ for all that he has done and continues to do in our lives.

This year we hosted the first Camp Meeting since Covid. We experienced miracle revival during that time with Pastor Serafico Saavedra. During that week we saw many people get saved and miraculously healed. We also had the opportunity to pray for

Adam and Niya Braxton from Chinle sent into Ho Chi Minh City, Vietnam

our Navajo Nation President Mr. Buu Nygren.

In September we had our first Reservation Rally since Covid with Pastor Greg Mitchell. We had 400 in attendance. Native Americans from the surrounding area and the Dakotas attended the rally.

Another notable time of outreach and fellowship we experienced this year was the opportunity for us to participate and preach the Gospel in the Navajo Nation parades.

Natives gather by the thousands for these events. We entered floats with music and testimonies in every parade. Souls were saved at each event with people requesting prayer and mass altar calls happening throughout.

One final notable move of God from Chinle came during the 2023 Bible Conference in Gallup, NM where we were able to announce a Navajo couple, Adam and Niya Braxton into Ho Chi Minh City Vietnam. We are currently working on passports and visas to make this happen.

We here in Chinle are amazed with all that God is doing from The Navajo Nation! He continues to bless this ministry and provide opportunities for us to preach the Gospel to the ends of the earth. Continue to pray for us!

Hello from the Steel City. God His helping us! My wife Erica and I took over the church in May after Tempe conference from my Pastor Jeff O'Brien, where I've served God since 2015 after getting out of the Marine Corps. My pastor got launched out from the Tempe conference and is pioneering a great new work!

First, I have to share how God moved at the time to take over the church. My wife and I went to our first pregnancy 10-week baby appointment Monday a week before the May Tempe conference. We had an immediate follow up for an ultrasound that Tuesday to find that we lost the baby two weeks before. My wife still set herself to go to conference, so even with the DNC procedure on Thursday, we flew out to conference the following Monday. Flying out, we had no plan of pastoring this year. Our church is in a rebuilding time, with not a lot of money.

Tuesday morning my wife (which she shared with me later) was at the altar just broken from the miscarriage. God dealt with her otherwise, "Will you be a pastor's wife?" Her reply "God you know I've already said I would, but

that's not why I'm up here right now." After lunch as soon as we get back to the hotel, I got a call from my pastor to come up to his hotel room, and the rest is history. My wife confesses had God not dealt with her at the altar, that she probably would've said no.

We took over on Mother's Day, and since then, we've had about 15 people pray a sinners prayer, including some who God brought back home, and we've baptized five. A few of these are young families and young men who are pushing and learning to live for God!

One particular young man came in with a tender heart, got saved his second service, then came to our trunk or treat outreach and dressed up and was witnessing to the 100 people that visited! He then brought his brother the following service and his brother got saved the next service as well. Glory to Jesus. It's awesome to see God moving in 20-year-old young men!

We're praying for some new jobs for a few guys because they want to get more involved! Pray for Pittsburgh, it's a great city, people are opening up, and we can take a few more pioneers!

Greetings from Sparta, Illinois! God is on the move in our city and we are excited about what he is doing!

In August, we had a change over service as Pastor Kevin and Joan Hansston

Pastor Mike Stamper during Sparta, IL altar call

became missionaries to China. Pastor Mike and Yolanda Stamper took over the church in a service that saw many visitors, new converts, and faithful saints. In the months leading up to that change-over service, the congregation saw many young people getting saved, attending the services, and bringing more young people with them. The momentum of the summer months continued into the change over service and on into the fall.

In September, the congregation had a Labor Day BBQ that was a good time of fellowship and getting to know Pastor and Yolanda. Also during September was the Midwest Pioneer Rally in Carbondale that was a wonderful time of ministry in which the word of God was preached, encouraging pastors and congregations. As the Sparta saints and Stampers settled into new routines, God kept on moving.

God's hand on the congregation was evident during the mid-October revival with Glen Puglisie. Two of the teen converts, who got saved during the summer, attended every night of the revival. The evangelist prayed for many people dealing with issues of rejection, forgiveness, and healing. On the last night of revival, Evangelist Puglisie gave the Sparta saints a powerful prophecy about God's hand on the church, what he is doing in the church, and the incredible impact this congregation will have on young people.

Since then, the church did a Trunk or Treat Outreach for Halloween, which was set up in the church parking lot and organized by one of the young disciples. It was a very fruitful event with many visitors coming and being witnessed to. From that time and throughout November, there have been visitors coming and attending services. Many of the

visitors have come because Chrishawn and Joey, new converts from the summer, have witnessed to them and invited them to church. Each of these visitors has prayed for salvation.

As the church prepares for the coming year, the Sparta saints are encouraged by what God is doing in the city and in people's

lives. Pray for the congregation and the new converts as the Sparta church takes the city for Jesus!

Wickenburg, Arizona

Pastor Dave Robinson

Greetings from Wickenburg, AZ. In October we had the privilege of hosting a 50th anniversary party to commemorate our church's 50 years of existence.

On May 12, 1973 Ron and Suzy

Ronnie Burrell and new Eden band minister at Wickenburg 50th anniversary.

Burrell began the work here in Wickenburg, starting from scratch. They rented a portion of a building that would seat 38 people and had once been a bar. Through the use of music and outreach teams from Prescott, they quickly outgrew their humble beginnings. The Prescott church raised enough money to erect a modular building which was completed in a record two days and revival hit the whole town in a wonderful way.

Fast forward, Wickenburg was able to send out couples to pioneer in Glen-

dale, AZ, Maryvale, AZ, Coolidge, AZ, Albany, OR, Seattle, WA, Salem, OR, and an additional location in Glendale, AZ.

We were honored to have Ron Burrell and his New Eden band play for us, including some of his original songs from back in the day. Also of note, two couples who were saved during the Burrell's time here, John and Donna Cook and Jerry and Robyn Perkins, are still living for God. They are a great blessing to our congregation.

Next we had presentations from several of our men who had been sent out and a video greeting from Kevin Hansston, who along with his wife Joan, have just been sent to China to pioneer. The walls of the church were covered with pictures from the last 50 years and our hope was that everyone who attended would locate themselves in our church's story.

We then served a pulled pork sandwich luncheon out on the front lawn and everyone had opportunity to visit and reminisce.

We are so grateful for all that God

has done, and are so aware of how much effort has made all of this possible down through the years by the congregation, the pastors and the evangelists.

Blythe, California

Pastor Josh Neal

Greetings from the Potter's House in Blythe, CA. We come with a good report on

what God is doing in our church and baby churches. Throughout the year, we maintain a steady stream of outreaches and opportunities to spread the good news. We have had family fun days, karaoke nights, concerts, a Trunk or Treat, movies in the park, neighborhood healing crusades, to name a few. Through all those various efforts, we have seen many people saved and added to the church, for which, we are so grateful.

We were able to send our pastor to our baby church in Arequipa, Peru. God is moving there too! They have a solid core of precious people. Several in their congregation have fled from Venezuela because of political unrest. They have given their lives to Jesus and God is blending a beautiful congregation of Peruvian and Venezuelans, that have become like a family.

Our other missionary church in Zacapu, Michoacán, is also seeing breakthrough. God is drawing people unto Himself and souls are getting saved. It's such a privilege to be a part of sending and seeing what God is doing around the world.

Tucson, Arizona
Potter's House
Pastor Harold Warner
Corres: Mike Webb

Greetings from The Door Church, Tucson.

As a congregation we have officially passed the 50-year mark in our church's history.

It was on December 16, 1973, that Pastor Harold Warner and his wife Mona held their first church service in Tucson with just a handful of people in attendance. Little did anyone understand at that time, all that the Lord had in store for the Warners, or all that He would accomplish through the church in Tucson. As Job 8:7 declares, *"Though your beginning was small, Yet your latter end would increase abundantly."*

We celebrated our 50-year anniversary with a banquet dinner celebration. Highlighting the night were two video presentations. One video

Tucson church celebrates 50th Anniversary with banquet, videos and testimonies

'Concert on the Main' in Tucson with Fellowship's first band, Eden with Ron Burrel

told the Warners' story, how they were married and how Pastor Warner had an accident that left him paralyzed, and how that even through the difficulty, the Warners did not give up, but rather remained committed to God's call to preach the Gospel, how they came to Tucson and how that God used their lives as a catalyst to see people saved and see many churches started. A second video showed pictures of people and significant events in the 50 years of church's history.

We also celebrated our 50th anniversary with a Saturday night, "Concert in the Main" featuring our Fellowship's first band, Eden, with founding member Ron Burrell. Eden 2.0 ministered with both skill and anointing. Testimonies of salvation highlighted the night. As well the concert included Tucson church's first band – Oil of Joy, with Pastor Paul Campo ministering. Also, music from Charlotte Redhouse from the music group Firstborn, was performed.

Another ministry highlight oc-

curred Saturday night October 7th. We held a healing crusade at Menlo Park, which saw over 50 people responding to the call to give their lives to Christ, and over 30 people were healed of various afflictions as Evangelist Frank Escobar boldly proclaimed the life changing Gospel of Jesus Christ.

We followed that up with a Sunday night healing service in our church where another 20 people made decisions for Jesus and many more were healed. We are grateful that God still confirms His word with signs and wonders following!

We as a church are extremely blessed to have Pastor Warner and his wife Mona as our pastors for 50 years. Their commitment and longevity has brought stability and blessing to our congregation. We also are grateful to be part of a Fellowship that in these last days is making great impact in our world for Jesus! Fifty years has not tarnished our vision, rather, we are blessed knowing that God's best is yet to be!

Worldwide Ministry

Beechboro, Western Australia
Potter's House
Pastor Daryl Elliott
Corres: Andrew Sutton

Greetings from Beechboro, Western Australia. We just celebrated the 45th anniversary of the Perth church.

For our anniversary, we had the privilege of having Pastor Greg Mitchell come and preach a Revival for us, including a timely "Israel on the Brink" sermon, and perform with Lisa at our special ALL STARS concert at the One80.

After the Sunday morning service, we invited the whole church and all the pastors out of Beechboro to join us for a special 45th anniversary lunch on the lawn. About 510 people were in attendance, including about 25 pastors and their wives, some of whom had flown in from other states and then stayed for the revival which made it feel like a mini-conference. It was a great time of reminiscing and re-connecting which certainly gave the church a mid-year boost!

It has been two years since we nationalised the Australian fellowship under the leadership of Pastor Daryl Elliott. Pastor Elliott has a heart and a vision to see growth in our churches in Australia whilst also continuing to support missionaries in many nations all around the world.

We recently sent a couple into the new nation of Pakistan and in 10 months since opening, they have seen over 1,100 decisions and young men wanting to be discipled. We also sent out a couple to do a new work in Manado, Indonesia. Then in August we sent out our Assistant Pastor, Glenn Plummer to take over the Darwin church so that Pastor Mark Woods could be released to pursue a calling as a missionary in the pacific island of Papua New Guinea.

We also sent out our Outreach Director, Christian Roennfeldt to take over the Springfield church in Queensland.

Impact team from Bucharest, Romania to Pitesti, Romania

Pastor Elliott got a word in a previous Conference that as he gave out, that God would give back, and ever true to His word, God has been supernaturally blessing our efforts. Our Impact Teams have been having great success, and even in our regular Saturday midday outreaches, we have been regularly seeing 10-plus people saved through one-on-one witnessing.

Our One80 concerts have been fruitful with visitors and souls saved every concert. We have especially been seeing the youth coming out to our theme nights, including a Hip Hop concert, a Pacific Island concert, and most recently an anti-suicide drama "Listen Before I Go" which saw 36 people respond to the Gospel, including many young people.

Our small-group home Bible studies this year looking into the life of David were a big success with our numbers growing by 50 people from start to finish, and during that time many people were saved and have locked into the church, which has seen the church continue to grow.

We are looking forward to our annual Carols in the Park in December and taking the One80 concerts in the local parks during the summer. Many disciples are also planning to do their own park outreaches and already we have about 40 discipleship outreaches booked for January and February, which is very exciting to see.

Please continue to pray for the Beechboro Church and the Australian fellowship. God bless.

Bucharest, Romania

Greetings from Bucharest! God is doing amazing things in Romania and, more than 30 years after the Potters House Fellowship reached our country, the Gospel of Jesus Christ still does miracles!

Romania is still incredibly open for the Gospel and our country is an amazing crop for souls. Lately we are experiencing a supernatural movement of God in our churches and an advancement of His Work in our cities!

Our church in Bucharest has seen tremendous growth. In the past two years, the congregation almost doubled, breaking over 100 people in attendance almost every week. Disciples are rising, young men are making powerful decisions to follow Christ and preach powerfully about the deliverance that only He can bring in our lives.

One man was powerfully converted after a life lived with alcohol, drugs and fights, terrorising his neighborhood. He ended up overdosing, was in a coma for several days and almost died, but God had other plans with him. He got saved and he is now on the streets with us, preaching about Christ and sharing his story to the people!

Our outreaches and impact teams have seen amazing revival, bringing the Gospel to many parts of our country

but also outside our borders. We went to Malta and Budapest - Hungary with impact teams to support the churches in those countries. In Budapest we had more than 20 people getting saved on the streets and one girl is still coming to church from that impact team.

All across Bucharest we hit the streets all summer with concerts in parks and crowded markets, having an amazing dominion over those places and seeing many decisions for Christ. Every Saturday night we saw between 20-50 souls saved on the streets!

Last month we sent an impact team of 50 people to Pitesti (a city close to Bucharest) where we saw close to 180 people getting saved on the streets in one day!

God is doing supernatural thing in and through our church, so please keep us in our prayers as we continue to advance with the sharing of the Gospel and making disciples for Jesus!

Pastor Harold Visser**

Greetings to all! We have been privileged to see what God is doing in the lives of precious people.

During the month of November we had a revival with Pastor Brandon Pepich from Prescott. It was an encouraging time for our people and the visitors that came. We had several miracles of healing and words of knowledge given to our people. There were also during this revival several visitors that came for the very first time and are still coming regularly.

Another highlight was that one of our visitors that was deaf and mute for the past two years went to a Healing Crusade at the Grassy Park Church, got prayed for and could say "The blood of Jesus" after prayer. That means he could both hear and speak! We had a testimony service not long after that and had him speak into the microphone saying "The blood of Jesus."

In November we had a fellowship and water baptism after a Sunday evening service and had five converts baptized and share their testimony.

They are still coming regularly.

During December month we had a two-night Healing Crusade. There was a member of our church that was injured several years ago, which left him paralyzed on one side. We have prayed for him a couple of times before, but at the Crusade he could lift up both his arms for the very first time! There was also an elderly lady that lost sight in one eye and after prayer she could see some light and the preacher's hand moving in front of her. God is faithful to heal the sick and injured.

We are truly grateful for what God is doing in the lives of people.

Greetings from Cebu, Philippines!

Last August we held our Central Visayas Bible Conference themed "Send Me." With us were Pastor Dave Stephenson and Pastor Robert Hall. There were 13 pioneers, one take over and one international missionary to Taipei, Taiwan announced.

Our local districts also held Harvester's Homecoming themed, "Fan the Flame." Believers were ignited through different preachings. Attendance reached 783.

One woman was diagnosed with PCOS (Polycystic Ovary Syndrome) on both ovaries last 2020. She had a hormonal imbalance and cysts on both ovaries. She was given medications by but this lead to her vomiting. She wholeheartedly asked God for healing and stopped taking treatments. By God's grace last August 2023, she was healed! Her hormones are normal and the cysts are gone.

One Sunday church service, there was an old woman who collapsed and had no pulse. Pastor and the church prayed for her. By God's grace, after prayer, she woke up! Praise God, this woman is alive and attending church services.

We thank Pastor Greg Mitchell, Pastor Dave Stephenson and Pastor Louie Lobato, and give all glory to Jesus.

Here we are with another victory report from Chilliwack, BC, Canada.

God has blessed our church in the last while with some new people that have been solid and coming faithfully. (When people hear good Biblical preaching and feel the presence of God they appreciate it and are excited to come to church).

Lately some of the younger men took up the opportunity to preach while Pastor Marks was preaching in Holland. Discipleship is linked to evangelism and these men are faithful to outreaches on a regular basis.

We continue with our outreaches on the streets and into Vancouver faithfully and are believing for a fruitful new year.

Our pioneer works are doing well and growing. (Vancouver, Hope, Salmon Arm, Mission, etc). Our Russian works are seeing many conversions on a regular basis and the Chilliwack church will now be partnering with the Valogda, Russia church to support a new work in Port Said, Egypt.

Our Canadian Conference was a great success with high caliber preaching, (thanks to Pastor Greg Mitchell and many more), encouraging reports about what God is doing in Canada, and good fellowship.

In closing we want to encourage everyone to keep fighting the good fight and remember that our God is in control.

Pray for us as we pray for you.

We recently concluded our second Davao Bible Conference for this year. It was a tremendous week, from the preparations early on to our prayer and

fasting, with the powerful preachings, then the most awaited Friday night. We saw God's hand working every step of the way. A wonderful spirit of God moved every night and in the morning seminars focusing on the theme, "Passion and the Holy Spirit."

We are thankful to our guest speakers Pastor Mark Aulson, Evangelist Ernie Toppin, Evangelist Steve Stephan, and Pastor Alberto Desepida for coming over and imparting to us priceless spiritual things. Pastor Nathan Oropeza and his family, all the way from Cambodia, visited us as well.

We were greatly blessed as they ministered on the pressing issues of Christians in these last days. Warnings and prophecies were given and the congregation body was stirred and challenged to do far more in expanding God's Kingdom through planting churches, especially to other nations.

Three young couples from our daughter churches responded to the call for the nations of Cambodia, Japan, and Indonesia. They were announced on Thursday night and on the final night, 12 pioneering churches were announced. All glory to God!

Looking back, we had revivals last quarter with Pastor Robert Gonzales of

Candelaria, Quezon, and Pastor Charlie Carias of Cebu City that brought encouragement and strengthening to the saints. Then, we had our Vacation Bible School with our zealous young people taking the lead throughout the week in teaching God's word to the children.

We sent our impact team to Barobo, Surigao del Sur for an outdoor concert and street preaching. For several weeks, we had open doors for the Gospel, prayed for the sick at the Capernaum Cancer Center, and saw healing, hope and salvation in cancer patients.

Our outreach ministries have been fruitful. Couples started to do their own outreach at Rizal Park on Sunday afternoons, alternately with the young people. Last Sunday, they brought nine souls who got saved at the park to the evening church service. Our faithful

seniors were also energetic, as they hit the streets for an evening outreach on Thursday nights.

By God's grace, we continue to take Davao and other nations for Jesus! We are grateful to Prescott and Tempe churches for their love and prayers. Please keep praying for us. The grace of our Lord Jesus be with you all.

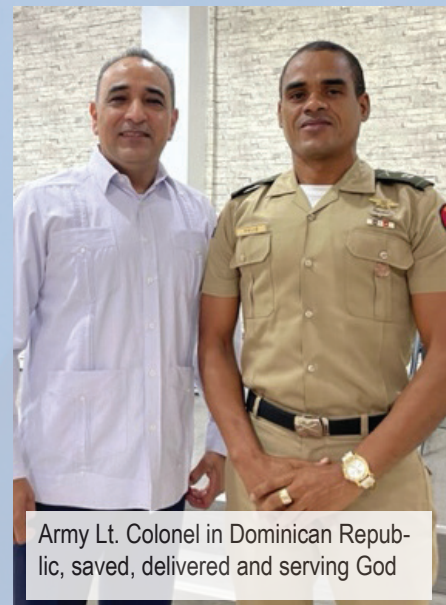

**Santo Domingo,
Dominican Republic
La Puerta
Pastor Gil Cota**

My name is Gil Cota and with my wife Rosa, we pastor in Santo Domingo, Dominican Republic.

We were sent out from our Chandler Bible conference in 2021 to take over the church in Santo Domingo for the second time.

I want to take this opportunity to give a report of what God is doing in the beautiful city of Santo Domingo but first, I want to thank Pastor Greg Mitchell and his wife Lisa for being an inspiration to our lives.

It has been 28 months of continuous work since we took over the church of Santo Domingo, and we have seen the

Army Lt. Colonel in Dominican Republic, saved, delivered and serving God

hand of God moving and confirming His word. Men and women are taking up the challenge of going to the streets of our city to preach of a living and resurrected Christ Who changes lives. We have had fruit from this, and people have given their lives to Jesus Christ and begun to make decisions for God.

One of the many testimonies is from Alexander Pérez, a lieutenant colonel in the army. The first day he came to church, barely setting foot in the building, he began to manifest. He was demon possessed, and we prayed for him. God made him free from witchcraft, and from many hardships that he brought into his life. He is now free, glorifying Christ every service and making good decisions in his life.

I recently read Pastor Greg Mitchell's book and it brought an inspiration to my life to preach about healing, so I started preaching every Sunday about healing and we have watched miracles happen.

A young woman came to the church visiting and that night accepted Jesus, She came forward for healing, but the healing was for her mother who was at home and in bed due to rheumatoid arthritis. She had pain on her legs, hips and feet for many months. Because of that she couldn't walk. We prayed for the daughter who was taking her mother's place, and God healed her mother at the same time we were praying for her. On Wednesday the young woman's mother came walking to the church and without any pain. That night she gave

her life to Christ and she's been coming since that day, free of the illness.

In the time we have been in Santo Domingo we've had revivals with pastors from Holland, Mexico and the United States, bringing a word of encouragement and wisdom to the church.

Every year we have our Caribbean rally where churches from Curacao, Bonaire, Aruba, Guadeloupe, Panama, and Puerto Rico attend, and we have a great time with God. We've had leaders of our Fellowship come and preach to us, bringing spiritual refreshment and a vision of reaching the Caribbean for Christ.

Last but not least, thank you to my wife, my mother church in Chandler Arizona, my Pastor Campbell who is a great blessing to our lives and ministry, and to his wife, sister Connie Campbell for her great friendship with my wife Rosa. Keep praying for the Dominican Republic.

**Doncaster, United Kingdom
Potter's House
Pastor Michael Brick**

Greetings from Doncaster, United Kingdom.

Over the past few months we have seen a continuous momentum of people being saved, healed and filled with the spirit of God. During the summer season we held various outdoor healing crusades every other Friday night, which disciples in the church would host. We saw many first time decisions for Christ but we also saw a number of healing miracles during these events!

A few notable miracles that really stood out; we saw several people get healed of cancer, a woman who was blind since birth was able to see, a lady who was deaf since birth began to hear, a man who couldn't walk began to walk. A lady who was suicidal and facing depression now testifies how Jesus set her free and she no longer feels lonely, fearful or afraid - she has the victory because Jesus healed her.

We had a revival with Pastor Roman Gutierrez in August this year. It was incredibly timely and in that revival we saw over 50 people pray for salvation

Ministry in schools during Doncaster, UK team to Cape Town, South Africa saw many saved, healed and delivered, making great impact on the youth.

which was a real boost for the church. There was a real sense of expectancy which has flowed into personal evangelism and a culture of discipleship so it has definitely made a profound impact.

From that revival our One80 concert scene has really seen an increase and been revitalised. Young people are being inspired to do something for God, writing new music and using their personal creativity which has definitely made an impact as we have been seeing visitors and people being saved every concert since.

We were able to send our second international impact team as a church to the nation of South Africa we were able to reach two cities while we were there Cape Town and Bloemfontein.

In Cape Town we really saw God come down and pour out his spirit. We saw over 450 people pray for salvation, with people being healed, set free and delivered! A young man who got powerfully saved in an altar call at one of the schools that we went to came to the revival every night and gave up his drug dealing criminal life for Jesus.

Another young man got saved after his friend was stabbed the night before we went to the school and he began to break down. You could see the Gospel being preached gave him vision for his life and a future.

Many of the young men in the church were stirred and I have reports of them starting back up their One80's with many new people getting involved in music and outreach, etc.

In Bloemfontein we saw over 75 people make a decision for Christ. It really stirred our church and pushed forward world evangelism and a heart for the lost, which has impacted the city of Doncaster. We're seeing God bring people in peculiar ways not just from our outreach events but in ways that are supernatural and divine appointments!

Please continue to pray for us. We're believing God for an incredible 2024. Our theme for the year is Re-Strengthening Pillars and Reaffirming Foundations, which is what we believe God wants to do in order for us to keep growing and seeing His plans come to fruition in our church and city.

**Groningen, The Netherlands
Potter's House
Pastor Peter Majoor**

Greetings from Groningen, The Netherlands!

God is moving in Groningen. We just bought a building and we've seen God's providence. Our pastor (Majoor) wrote a letter to the owner, knowing that he was religious. Pastor wrote that "if you grant this building to our church we see it as God answering our prayers." Shortly after that the owner let us know that the building would be sold to us. He even gave a discount which is an equivalent of 50,000 dollars.

We found out there was already a zoning permit on the building which is

God provided new building for Groningen, Netherlands church

exceptional in The Netherlands.

We've seen miracle after miracle of God's providence!

Right now we are remodeling the building, and in the meanwhile people are getting saved and baptized.

Hyderabad, India
The Door
Pastor Indrasena Reddy

Greetings from Hyderabad, India. We had a powerful four-day revival with Pastor Roger Nepair in our church in April 2023, where we got support from our Fellowship churches in Hyderabad.

On the First day we saw 50 in attendance and six people responded to the altar call, with two new visitors. On the second day we had powerful healings where around five people got healed instantly. Seventy people attended the service.

On the third day of revival we could see our church was packed with 105 people and we had a great presence of God. Six people responded to the altar call and two new visitors to our church. The fourth day was on Sunday and eight people got saved.

Pastor Robert Polaco came on June 25 and we could see a change in the environment in our church. We had two saved that day. One person is coming regularly for Sunday and Wednesday Service and he has a desire to work for the Kingdom of God.

We were earnestly praying for a new church building as the current church building tenure is about to be com-

pleted. In August 2023, our building was flooded. We had no option to have the service outside, so we had to keep sending the water outside with buckets. Church members kept pouring out water. Through the season the rain hasn't stopped and still our services

were not stopped in that place. God did a miracle to carry on with the services all three months. We went through hard times in August and September with the building lease ended, and deciding to hold services in different places. We could God never left us in those hard times. Finally, God gave us a brand new building near to the old.

In October we celebrated our one-year church anniversary with our mother and sister churches in the new building. Our guest speaker was Pastor Jeevan Babu. We had 173 people in attendance, with 12 saved.

We followed with four days of revival with Pastor Jeevan. My father and mother who attended this meeting have shared how God transformed their lives.

We prayed for a sister's grandmother who got paralysed and was in bed for many days. God healed her completely and she is able to do her routine work.

In one of the services, we prayed for a Sunday school child whose cheeks were swollen, struggling hard to eat or talk. The boy was healed.

A person who was tormented by the spirit of fear came to Sunday Morning service. During Prayer he was trembling at the end of the chairs and kneeling down. Together with the church, we all prayed for him to get deliverance and by the next week he came to church healed.

A young boy who was demon possessed for more than 10 years was brought to church in March 2023. I prayed with him the salvation prayer and commanded the demon to come out of him in Jesus' name. He was delivered in that moment.

Continue to pray for Hyderabad, India.

Savannah la Mar, Jamaica
Potter's House
Pastor Harry Henry

Greetings from Savannah la Mar, Jamaica.

We have been here around two years, and God has really helped from the beginning. In March 2023 we had an impact team from Lewisham in UK and Pastor Stewart and his church did a fantastic job.

We started the week with an outreach in the local hospital, saw a number of people and seven people saved.

Throughout the week we hit the town centre and had the same results of people healed and 10 people saved.

We also had the opportunity to minister in the local high school, and they gave us three hours with the students. After a concert and testimonies and short messages, we saw around 100 make decisions for Jesus.

In our revival we saw visitors every service and a number of people saved in the week. In total we saw 35 people saved and people are still in the church today.

In August we had three healing services with four people saved and a couple of healings.

The most notable healing happened on the streets in town. I laid hands on a man with a broken wrist and he was healed.

It is an outstanding time for us here in Jamaica. Please pray for us here as we remember you in prayer too.

Hyderabad, India
Potter's House
Pastor Prakash Uddandi

Greetings from Hyderabad, India.

We had a great time this year for the Christmas and New Year events with 100 in service in the morning for the first time. Forty-one people got saved and we had 160 visitors on those days altogether.

We had moved to a new building and we could see the growth in all

aspects in our church.

Our official grand opening was followed by revival meetings with Pastor Marcus Samuel in Jan 2023. We saw eight visitors and five saved.

Throughout the meetings, pastor gave the words of knowledge and many were encouraged. Many were enlightened with his preaching and committed themselves to God. Pas-

The Hyderabad, India congregation, Pastor Prakesh Uddandi

tor Samuel also prayed for people who were sick.

Pastor Roger Napier preached for us in April, with people healed.

We had revival meetings with Pastor Robert Polaco in July, with timely words of God strengthening the people in our church. We experienced the powerful presence of God in all the services. Throughout all the days, 12 people responded to the altar call, and one instantly got healed.

One night, a mother walked into our church and asked for prayer about her lost son. He could not contact her through any means. After praying for a few days, her son contacted her and she testified about it in our church.

A sister having eye pain for many days came for prayer and got healed. A mother having abdominal pain also got healed.

As churches in our city grow rapidly, our church is being a blessing to mother and sister churches in the city in supporting the concerts, revivals and outreaches.

Our music concerts are having impact, with an average of 70 people are attending the concerts, and 15 to 20 actively involving in songs, skits and other concert activities. This year, movie nights are also powerful. People are being saved, filled with the Holy Ghost, and going on for God.

Salt Lake City, Kolkata, India Potter's House Pastor Stephen Jeeva

Greetings from Kolkata, India. We started with a music concert with Pastor Keith Mickens. Overall 30 people came, and two

people gave their lives to Christ.

Church new Bengali believers contributed with a song.

God used Evangelist Rexton Davidson to touch the lives of the Kolkata people. The first day of his revival we saw 17 saved.

In spite of heavy rain the second night people faithfully turned out to the meeting. Two more were saved. Evangelist Davidson gave words to many people, who asked post meeting "how does he know what we go through in our lives?"

Many more were saved throughout the revival. One man had lost his vision in both eyes at 21 years old. Confined inside his home. He and his wife attended all six services and brought friends daily along with them. Evangelist Davidson prayed and the man witnessed that he felt an evil spirit leave him. On his way home he was able to see street lights.

A elderly woman who couldn't walk came with a walking supporter. God healed her during prayer. She was able to walk and climb the podium to witness about what Jesus did in her life.

A lady who came to church a couple of weeks before came to the altar in tears to pray for her baby. The doctor told her the baby had a hole in his heart and required surgery. As a church we prayed for the baby. The mother came to the revival and wit-

nessed that the doctor gave a new report and there is no longer a hole in the baby's heart.

Evangelist Rexton prayed for a lady who was suffering from depression and sleeplessness. The next day she said she had slept well.

Apart from these there are many more miracles and healings witnessed during the revival meeting where God delivered people from hand pain, back pain, and stomach pain.

During this revival our college girls sang Christian songs in the Bengali language and north east girls sang in the Khasi language.

Please pray for us and support us as we win Kolkata for Christ

Kazungula, South Africa Potter's House Pastor Mulenga

Greetings from Kazungula! My name is Angel Mulenga, and with my wife Mary, we were sent out of the Mtendere church. We have been laboring at Kazungula border between Zambia and Botswana since 2021.

God is doing a lot of wonderful things for us as a church and as a family. We are seeing people locking into the church and disciples rising up with great desire to serve God. On July 23 we had a movie outreach and saw 28 souls give their lives to Jesus.

In August we had another movie outreach where we saw four adults and 15 teenagers give their lives to Jesus. We also took advantage of the independence holiday in October by showing an outreach movie. From that outreach we saw 14 Souls added to the kingdom of God. We ended the month of October on the by showing the Left Behind movie part II and 15 Souls prayed to receive Jesus as their Lord and Savior.

With this report allow me to thank

my pastor, Pastor Morgan Kakumbi for both the spiritual and financial support we have continued to receive. I want to appreciate my wife for being supportive, and Pastor Simon Nzima in the Livingstone church, he's always there for us whenever we knock. My name is Pastor Yvan Roncal and together with my wife Noelia Roncal and my children Youssef Matias and Shalem Roncal, we are pastoring the Potter's House in La Paz, Bolivia, in the Villa Copacabana area.

God has given us a lot of favor this year.

We've had revivals with Fabian Godano (Argentina), Sebastian Gonzales (Argentina), Victor Soliz (Mexico),

La Paz, Bolivia congregation

Victor Juarez (Mexico), and John Valtierra (USA). We saw people saved and the sick healed, and backsliders return. We had 12 baptisms.

During Children's Day activities we had 20 saved, and in our Halloween Horror House, we saw 120 saved.

We've also seen more than 50 saved in movie outreaches, and in an impact team to our daughter church in Oruro, Bolivia we saw 35 saved in a concert and movie.

I thank Pastor Michell for his support and this opportunity to report, and my mother church in Ogden, Utah, Pastor Rick and Cesy Martinez. God bless you.

**Lenasia, South Africa
Potter's House
Pastor Ashton Tiervlei**

Greetings from Lenasia, South Africa.

We were launched from our mother church in Eldorado Park during the 2023 Bible conference. We managed to secure a building within two month's time after we were launched out. We had our very first service on 26th November in the new building.

We had Evangelist Michael Brill, from Eldorado Park come and do our very first revival service for us. The Saturday before the revival, we had our first music outreach in

the park with impact teams from Melville and Chiawelo that came and partnered with us. During this outreach over 30 decisions were made and we saw one notable healing!

A man I met on outreach and who had been coming to our regular services, brought his daughter, mother, sister and nieces to the revival. The niece brought her husband and son and this entire family prayed for salvation. We had a couple come in on the last night of revival, both of them surrendered their lives to Jesus Christ!

Our first service of the revival we had 22 in attendance and 12 visitors in the morning and in the evening service we had 23 in attendance and 17 visitors. On Monday night of the the revival we had 28 in attendance and 23 visitors, Tuesday night we had 48 in attendance and 14 visitors. The final night of the revival we had 29 in attendance and 18 visitors. Throughout the revival we had 18 decisions made for Jesus Christ and nine were baptised with the Holy Ghost with three notable healings!

Antsirabe, Madagascar
Potter's House
Pastor Nathi Hadebe

Greetings from Antsirabe, Madagascar! We bring you a victory report of all that Jesus is doing in our nation!

The past couple months have been full of God's favor. God has shown us great breakthroughs and open doors.

For the past five years, we've been trying to get into the military base here in Madagascar to preach. Up until this point it was a closed door. A military doctor who was just about to become a general had been coming to our church. He recently passed away and the family asked us to do the funeral at their home. We went there and numerous people got saved, including a mayor of another city, who gave us a complete open door anytime we want to plant a church there.

After the home funeral something quite miraculous happened. The military colonels that were at the home funeral asked if we could come to the formal funeral at the military base. We thought we were just going to support the family but they gave me the mic and asked me to speak. We witnessed and shared the Gospel and prayed with hundreds of military generals, high-ranking political figures, dignitaries and numerous ranks of soldiers. God used that to open a door on the second largest base on the island. We are so grateful for that God-given opportunity!

Just recently we had Pastor Joe and Amber Baleanu, who pioneered Antsirabe, come back to preach. We started off in the capital with a healing crusade at one of our baby churches. Despite heavy downpours, 93 people showed up with 20 first time visitors. Fifteen people got saved and there were numerous healings.

In Antsirabe, we started off with a marriage seminar for our couples here. Twenty-six couples came and God spoke a word in season to their marriages. Six couples were visiting and they all got saved! We followed that up with doing street meetings in

Street outreach in Antsirabe, Madagascar

different locations - music, preaching and praying for the sick. There were many souls saved and notable miracles; including a blind man who saw and a lady suffering with years of knee problems completely healed. Finally we followed it up with some special services in our building. We had 15 saved in those services and words in season! How glorious to see all the souls saved and be apart of what God is doing in Madagascar!

God is moving through the island and has been blessing our baby works. The newest works in Ambohibao and District of Ambohidratrimo are opened and are experiencing God's hand upon their ministries. After being opened a short amount of time, they have a stable group of people, miraculously converted!

Our other baby churches are seeing growth and are replicating the vision of seeing disciples made and couples raised up.

We are so incredibly thankful to Pastor Greg and Lisa Mitchell, the staff and congregation in Prescott for your giving, your prayers and your sacrifices so we can be here and have the privilege of being a part all God allows. Thank you to all those who have partnered in giving to world evangelism!

Finally, we are also grateful for Pastor Jonathan and Rachel Heimberg, the staff and congregation in Eldorado Park, South Africa for all your prayers and partnership. May God bless you all!

Mabuhay! Greetings from the Potter's House in Paco, Manila, Philippines!

Our country is known for this tourism tagline "It's really more fun in the Philippines," but the real fun for us is when God moved and showed His favor in our church for the last three months.

In October, we had a powerful revival with Pastor Remil Cordero. After hearing all the anointed sermons about the second coming of Christ, new souls have accepted Jesus as their Lord and Savior and 50 were baptized and filled with the Holy Ghost.

Weeks after the revival, we had our Halloween Drama presentation where we highlighted people living in the world without Jesus are spiritually dead. The unity of the young and adult disciples was manifested and resulted in another soul saving night, 50 souls were saved involving parents and their children. We also had a water baptism inside our church, where 12 souls decided to show that they trust Jesus as their Lord and Savior.

Lastly, a red-light district area in Ermita, Manila that is surrounded by beer houses and where prostitution is rampant, has become a newly opened door for the Gospel. We held a one-

Revival in Manila with Pastor Remil Cordero

night miracle healing crusade where 30 souls raised their hands and accepted the King of Kings and the Lord of Lords.

God has been faithful even during our storms and continually moving in our midst. We're always excited with what God has in store for us that we can even imagine. All glory to God! Please include us in your prayers as we also pray for you!

Medellín, Columbia
Potter's House
Pastor Tony Arroyo

Greetings from Medellín, Colombia.

God is on the move in Medellín. We were announced out of the 2021 Summer Prescott Conference and arrived in Medellín in October 2021. We opened the Church in March of 2022 in an area called Laureles.

We began to see people getting saved who lived in a totally different area from our location, so we moved to that area called Itagüí in July 2023 and we are seeing revival. God is helping us to establish dominion and we are seeing a Church being built by the hand of God.

My wife and I recently had to return to the United States to reapply for our visa, what we thought would be a two to three week process turned into three months. What happened in those three months can only be described as a miracle. Our congregation is basically new converts, but these new converts rose to the occasion and preached, evangelized, and served while we were away. We returned to growing congregation

and maturing disciples.

We are blessed to be part of God's plan and purpose in the last days.

I would like to thank my Pastor Paul Stephens and the El Paso Congregation for the investment in our lives and Colombia and Pastor Greg Mitchell for his leadership.

Please continue to pray for Medellín.

Church front in Medellín, Columbia

Nairobi, Kenya
Potter's House
Pastor Patrick Nyamai

Greetings all the way from Nairobi, Kenya!

We are excited to report how God has been moving in a mighty way in our fellowship here in Nairobi, Kenya and its environs. Over the past few months, God has been faithful to bring so many new members to our church.

We have had two baptism events for our Nairobi churches held in our main church this year. It was packed to the brim with new members waiting to be baptized from our churches all over Nairobi.

In the first baptism we had over 40 converts getting baptized and in the second over 55. We are looking forward to the next baptism in November and to what God will do.

We've been having a lot of events in the church and all these have been adding members to the church and having a great impact.

We've had different revivals that

have been having a powerful working and move of the Holy Spirit in them. Pastor Frank Schwerer from Germany, Pastor George Karabassis from Lusaka Zambia, Pastor Dennis Akumu from Kisumu, Pastor Eric Muyeiya from Nakuru have all ministered and each of them brought a different dimension to the church.

Our Harvesters' Homecoming was held in April this year with Pastor Vickash Juggai from Durban, South Africa as the main speaker. Pastor Vickash ministered powerfully and lots of people were impacted by his ministry. It was great seeing and hearing what God has been doing in our baby church pastors, the maturity in them and also very encouraging to see the excitement in the members to be in the mother church.

We had our annual East Africa Bible Conference in August with Pastor John McCarthy being the featured speaker. This turned out to be a powerful conference with a very powerful dynamic of the move and working of the Holy Spirit. Saints came hungry to hear and to receive from God and they were not disappointed as every word ministered, landed at the right place in the hearts of God's people.

This particular conference was a milestone as for the first time in the history of our Fellowship here in Kenya, the conference was able to totally pay for itself. At the end of the conference we had three new works announced. It was very exciting to see all that God is doing.

At the writing of this report, we are in the midst of revival with a team of five pastors with their wives from Holland, led by Pastor Jan Schuitema who have come for an impact in our different churches. So far there are very good reports coming forth of people being healed, saved and delivered. Thank you Holland for having us in your hearts.

On the world evangelism front, our Pastor has been very busy as he's been

able to preach revivals in Durban, South Africa, Uganda Conference, Harvesters' in Kitwe, Zambia and revival in Lusaka, Zambia. He was also the featured speaker in the Russia Bible Conference held in September of this year.

In all these meetings God has been moving supernaturally with souls getting saved, healed and encouraged with words of Knowledge that have

Pastor John McCarthy ministers to couples being sent out during annual East Africa Bible Conference

had a great impact in the lives of people..

We thank God for all he is doing in Kenya and all the prayers of God's people for us from different parts of the world.

We appreciate our Pastor Tom Payne and also Pastor Greg Mitchell for your prayers, guidance and direction for us. We also appreciate all the pastors who have come to minister to us here both local and international. Your ministry has not been in vain as every meeting has added value to our church. May God bless you all!

**Pitesti, Romania
Potter's House
Pastor Mihai Călin
Corres: Liviu Soare**

Greetings from Pitesti. We are honored to send you a very good report about what God is doing in our city.

We've had people saved at every evangelization, concert, and revival that we had in the last six months in Pitesti.

In November, God performed a miracle in the relationship with the City Hall and the authorities in our city. They gave us the stage in front of the town hall, in the center of the city, and we had an extraordinary concert with the band "Winner" from the mother church of Brasov, without paying any tax to the town hall.

In October we had a concert with a team from Bucharest where 170 souls were saved.

In the last six months, eight souls were baptized. God blessed us with three extraordinary new couples who were saved recently.

David and Oana Vintila

I had. Now my friends are only from the church and my life is new with a healthy mindset and a happy family with my wife Oana and my baby.

God helped us to overcome any obstacles and especially with our family and parents who were against this change. Today the credit belongs to Jesus and we are happy that we are the first of our generation to become Christians.

**Testimony
Oana Vintila**

My name is Oana Vintila, David's wife. For seven years God has been calling me to Him even though I rejected him, but He did not want me to lose myself in the world and in sin. He did everything to redeem me to be His daughter.

I gave up worldly pleasures and now I am happy to do His will as best I can every day to build myself up. Since the day I asked for forgiveness for my sins, absolutely everything is going better and better. Family life has become unstable, but thanks to Him we have supernatural protection. We thank God, because now our child will grow up in purity and truth, not in lies, hatred and sin.

**Testimony
David Vintila**

My name is David Vintila. Although I knew about God's existence since I was a small child, I never had a relationship with Him.

I grew up in an orthodox family with religious customs and less Biblical or Christian ones. God intervened in my life and showed me that the life I live is not a good one but full of sin. I had addictions that I gave up, I gave up old friends and the entourage

**Testimony
Ionel and Leni Maceasa**

We are the Ionel and Leni Maceasa Family. We came to the "Casa Olarului" Pitesti Church in May 2023.

My wife Leni came first, then three weeks later I came too. In April, my wife listened to a podcast about a famous singer who had become a Christian. And then he had a burning desire to go to a Christian church, other than the Orthodox one, where we have

Ionel and Leni Maceasa

years old.

We couldn't wait to come to church every time. I gave up the circle and friends I had before coming to the church. We were so blessed in our prayers, and Jesus blessed us in everything we asked. We had victory in our finances. We have changed in our behavior both in our family and in society. We no longer curse, gossip and judge people. We are living the most beautiful period of our

Altar call in front of the Town Hall in Pitesti, Romania

been since we were born. He asked God for a sign and on the same day he received a message from a lady from the church, Mihaela Chirca, and that's how he felt God spoke to him to go to this church, "Casa Olarului."

My wife was saved from the first day she went to church. I saw a major change in her from the first week. She had become calm, she was no longer stressed, she began to pray and read the Bible every day. After every church service, she came home full of enthusiasm and joy.

I decided to go to the church and I also chose to be saved from the first day. And then I understood what made my wife so happy. Jesus who was in the church. After two weeks I quit smoking, although I had tried countless times, without success. I started reading the Bible and praying every day, and our life changed radically. We communicate much better, we speak with respect, we take care of each other. I am no longer jealous of my wife, even though I was 29

lives since we became Christians and experienced our Lord Jesus Christ.

We were baptized on October 15, 2023 together with David and Oana. We thank and owe a deep respect to our Pastor Mihai Calin, for his sermons, advice, closeness, devotion and involvement towards all the people in the church. We thank the pastor's family and every person in the church for their faithfulness and service to God.

Thank you, Pastor Greg Mitchell, for the vision you are passing on to us.

Shillong, India Shillong Christian Church Pastor Dwight Schuler

Greetings from Shillong, India. My wife and I were sent out of the Killeen Bible Conference in April 2022 into Shillong, Meghalaya, India. We arrived in November 2022.

God has given us amazing favor in the midst of a tribal nation. God put key people in our path, who helped us find a church building. The owner was wanting a Christian church and was willing to construct it as a church facility. The church is located in a busy market area of Rynjah.

Our grand opening was in August 2023 with Pastor Raj and we had 27 in attendance with 10 souls giving their lives to Christ. Praise the Lord!

Our first concert in September, we had a full house with 35 in attendance and four decisions for Christ. Two precious souls were baptized in September.

God is moving here in Shillong. We've seen some powerful healings.

One young girl had pain in her stomach for a week. After praying for her the pain was totally gone! Another powerful healing was a young girl, whose hand was swollen and bruised, and who was obviously in pain. After praying for her, she was able to clap and move her hand and fingers with no pain!

Another miracle was a young man's father who was in the hospital in the critical ward. After praying for him, the young man said that within a couple of hours after the prayer, his father was moved from the critical ward into the general ward. He said it was definitely the power of God!

**Sibiu, Romania
Potter's House
Pastor Lajos Jakab**

Greetings from Sibiu, Romania! We recently ended up a revival with Evangelist Patrick Saris from Breda, Netherlands. We had a Holy Ghost time, full of miracles.

New Christians were saved, got words of knowledge, made good decisions and people were encouraged.

We started the revival with great expectation and God truly moved in our midst by the power of Jesus Christ and the Holy Ghost, bringing healing and salvation.

A few months ago I had an accident at work, with a sprained ligament and sprained knee. I was immobilized with my knee for months. I could not move it at all, but from the first night of revival, Evangelist Patrick Saris, prayed for healing. God moved by His power, and I was instantly healed. For the first time, after almost three months, I could move my knee. I even drove the car to my home that night.

In these revival meetings we saw seven people saved, and four people filled with the Holy Ghost.

We just moved into a new church building and God provided. God inspired Christians to do much more than usual.

I have some men also who told me "Pastor, I want to take my calling seriously." One of them got saved just four months ago.

I thank God for His grace and favor upon us. I thank my Pastor Ovidiu Rusu and his wife Lumi for their guidance and direction.

Please pray for us and we will be praying for you.

**Siem Reap, Cambodia
Potter's House
Pastor Star Sullivan**

Greetings, and glory to God from Siem Reap Cambodia. God has been faithfully laying a

firm foundation, with three services a week - Sunday evening Khmer language service, Saturday outreaches, English classes and Chinese classes as outreaches, morning prayer and a Serious Men's class.

God has been moving greatly in 2023 in the central Siem Reap church.

It has been a year of favor as we have seen Christ grow the church. We were able to take a large group of delegates to the Malaysia rally, and God inspired and stirred many for what God is going to do.

We were also able to take a group of delegates to the Prescott conference where they were stirred for evangelism, discipleship and church planting.

In late August we filled the tour bus to go to Phnom Penh to hear Pastors Mark Aulson and Casey Mammen preach the inaugural Cambodia Rally.

Our thanks to Pastors Nathan Oropeza, Mark Aulson, Casey Mammen and the Tempe congregation for their great investment in Cambodia.

We followed that up with a healing crusade on Tonlè Sap Lake Village. Pastor Mammen ministered, with 400 visitors and 100 saved and many healed by the power of Jesus Christ! Plus a revival to conclude an awesome September.

In early October we rode that momentum with a healing crusade in Siem Reap that has brought out many visitors to the church. God is demonstrating himself through his power to heal!

In late November, Pastor Tom and Chrissy Kenyon returned to Glendale, Arizona after pioneering for an amazing 2 1/2 years, leaving the church to Star and Caren Sullivan as a strong Fellowship church on fire for Jesus and excited to see all that God is go-

ing to do!

We are very grateful for the Prescott church, the Glendale church, and the Sierra Vista congregation. Furthermore, we are grateful for all the investment in our church from around the Fellowship, including all the churches in Cambodia and all those

who have labored before them. We are excited for 2024 and all that God has planned for Siem Reap and kingdom of Cambodia!

Pastor Heath Flitcroft**

Hello from St. Lucia! We are expecting great fruit from some of our latest connections.

We had a visitor from the U.S. in a service. She has family here. Her family member, Marvin, was raised in false religion but seeking God. He has been coming and was healed from stomach pain and anxiety. He since wants to see more and learn the Word of God.

We have had an open door into a sports academy. I was able to play music and preach. I'm so excited, at the end we prayed with more than 20! They have asked us to come back.

Just today I was able to meet with a commanding police officer. As we spoke he picked up his phone and called the prison to get me in to preach

Greetings from Curepe, Trinidad.

It has been a good year. God has helped us with so many key battles. The biggest battle is always for souls. Trinidad has a population of 1.4 million people. It's a nation with two races, East Indians and Black Africans. It's a very religious nation with plenty of idols everywhere because the Hindu religion is big here.

However, God has been saving people from that background. Our church is a mixture of both races even though there is an underlying tension between them.

Intermarriage is frowned upon, but not in our church. At our UK conference in October 2023, a couple from our church were announced to go into an area called Arima. Kevyn and Sabreena are a mixed couple, glory to God.

In the last year we have had great revivals with Pastor Royston Labrooy, Pastor Nigel Brown and Pastor Leon Etten. They all brought timely messages that helped strengthen our church.

Other highlights include the baptism of six new converts, and the miracles God did at a healing crusade in one of our local areas. We saw a woman get out of a wheelchair and walk, to the amazement of the family!

Disciples are being made, and the vision of our fellowship is being caught. We have Evangelist John Perry doing a healing crusade in January. We are praying for a great start to the new year. Thank you all for your prayers. We are looking forward to 2024, and all that God will do.

the Gospel! The island has a serious problem with troubled youth, and he has asked if I could help island-wide to provide the Gospel and hope to all.

Thank you for praying for us! This fruit is your fruit!

Since then, we have been having great impact in the city and seeing people saved every week. Our street outreaches have been very fruitful with a total of 32 people that have prayed the sinner's prayer on the street. Our people are catching the vision that they too can have their lives count.

In October we had our first water baptism with eight people making a public confession of faith and six people filled with the Holy Spirit

We were launched out of the Killeen Conference, April 2023 and landed in the Philippines the end of June. We immediately began to get to work in the harvest field, building a work for the Lord. We had our first service August 13, 2023. We saw 25 visitors attend and we had eight people answer the call to serve the living God and become Christians.

on a Wednesday night two weeks before.

October has been a breakthrough month for us, and we had our first service, breaking the 30 people mark.

It is such a joy to be along for the ride on what God is doing in the Philippines, and we are anticipating what God will do. The book of Acts is still being written in our generation and God will do even more in the future.

I want to take the time to thank

Greetings from Waltham Forest, London!

The church is currently stirred, remaining in a tremendous season of laboring where we have seen God move through the different events put on throughout the latter half of 2023.

Firstly, in July we debuted the Freedom Experience, an inspiring collection of ministries on the continuing theme of freedom which was demonstrated through songs and testimonies. A total of 40 souls were saved over two days. We continue to be excited to see how God uses the concert ministry to impact lives through an eclectic mix of music.

In the month of October, we held the 2023 annual Bible Conference, which drew in all our missionaries to be strengthened and stirred to re-

sin of ordinary people will take them to Hell, proclaiming the only way to salvation is through a relationship with Jesus Christ. A total of 30 people were saved throughout two days. Glory to God!

We share in the vision of reaching our local community through drama productions on a large scale as this

being restored, we kicked it into high gear after our Bible Conference and continued with the vision.

With our monthly Youth Convergence, Prison Ministry, and Men's MVP outreach, we have been seeing an increased flow of sinners coming to Christ.

turn back to their respective harvest fields in order to sow and reap once again. Truly the touch of the Master's Hand was upon us, as His grace and ministry redirected lives through the preaching of timely messages.

Out of this conference we witnessed the fellowship planting new churches into Arima, Trinidad and Flic En Flac, Mauritius. In total, we heard 12 announcements.

As Halloween approached, the church sprang into action, constructing a large scale sequel of the drama "Ordinary people go to Hell," a musical production depicting how the

has proved most fruitful.

Please pray as we take the city of London for Jesus, as our forefathers started, may we be faithful to complete.

Hafa Adai from the island of Guam!

God has been moving powerfully in our midst. With the island power

urday outreaches have been impactful as we have seen many visitors come into our services. We see anywhere from 16 to 25 saved in these outreaches. We had two revival meetings, the first, in August with Pastor Aaron Saavedra, and second, in October with Evangelist Jerry Fussell. These meetings were timely and had our saints refreshed and revived.

The word of God was preached and the gifts of the Holy Spirit were in operation. In both meetings, we saw 40 sinners saved, several healed from various sicknesses, and nine filled with the Holy Ghost. We were

people got saved, in Chingola we had 99 decisions for Christ, in Kitwe we had 253 souls who got saved, while in Ndola we had 32 and in Kabwe 71 people saved. The campaign started from Solwezi, Chingola, Chambeshi, Kitwe, Ndola, Kapiri-Mposhi up to Kabwe. This campaign saw more than 500 decisions for Christ!

In September, we hosted Evangelist Peter Ajala for a revival from Thursday to Sunday, he also taught during our Serious Men's class on Sunday morning where the Evangelist had a Q and A session with the men. We had a lot of visitors coming throughout the revival.

That very Sunday we had six visitors and four got saved. Besides people being challenged, we saw many souls getting saved, the sick healed, those in bondage set free and timely messages of wisdom.

In October, we sent our impact team to Chazanga where Pastor Kumbuso Lungu and his wife Nzov-

In late October, our one80 team was able to put on an intense Haunted House Production called; "School from Hell." We originally planned to do two nights and two showings. Due to an immense overflow of visitors coming out to the production, we had to add an additional showing per night!

In four showings, we saw 225 decisions made for Christ. We are excited to be a part of what God is doing in this great Fellowship. Our gratitude to our mother church in Prescott, Pastor Greg Mitchell and Sister Lisa, and the Prescott congregation. Greetings from Austin, Texas! We are happy to report that we are seeing revival!

New converts getting locked in, having radical conversions and making life changing decisions. We just got out of revival with Evangelist Ray Felan and had a Holy Ghost time. Many came to Christ, decisions were made and people were encouraged. We continue to see great fruitfulness from that revival.

We had our annual Harvesters as well with Pastor Mark Aulson where we had a tremendous time of encouragement and refreshing for all our baby works.

This May we continued to invest and partner with Pastor Packia Raj in the "India/Asia Bootcamp" as our Pastor and Evangelist Wacker with his wife headed over there to conduct the third consecutive Bootcamp in that nation. Seventy-nine youths signed up for that Bootcamp.

Seven churches were planted including two international works in Luanda, Angola and in Malawi. Pastor Morgan Kakumbi and his wife Amina are privileged to pioneer a church in Luanda.

In the month of September, we had the Copperbelt and North-Western Campaign which covered three provinces in Zambia.

wa are laboring. People ministered during the day as people were invited for the evening concert. After the very concert was held, together we saw 86 decisions being made for Christ.

During our country's 59th independence celebrations on 24th October, we had an outdoor outreach in Kamulanga area, situated south of Lusaka, where the drama team and music groups put up a splendid presentation, an altar was called, and 30 people gave their lives to Jesus.

In the month of November, we hosted our annual five-aside soccer

tournament. We had 16 registered teams and played all the group stage matches on Saturday at a play park located in Libala near our church.

Pastor Nash Phiri was our guest preacher who delivered a short but powerful message of salvation before the tournament kicked off and 70 people got saved on Saturday!

On Sunday we had eight visitors during our service out of which six got saved after Pastor Nash powerfully preached. The semi-finals and finals were played on Sunday afternoon and at the end we returned to church for our afternoon service where the award ceremony took place. Pastor Nash preached during the Sunday afternoon service and five more people got saved.

Pastor George has been showing the Memorial Stones teaching by Pastor Greg Mitchell during our Sunday morning Adult Bible Study. People are blessed to know the history of our Fellowship and

to understand why we do what we do.

I am pastor Zetout Diamonomosi and together with my

lovely wife Corisande, we have been pioneering for two and a half years in Paris, France.

We continue to bring together the people of God in Paris.

This summer many pastors, evangelists and teams from the Dutch Fellowship came to support us.

Pray for us we keep praying for you.

Christian Fellowship Churches presents...

Wayman Mitchell Memorial Tour

The Bible Land Experience

November 5-14, 2024

Departing Cities

Los Angeles	\$3,800	Land and Air
New York JFK	\$3,525	Land and Air
Land Only	\$2,800	

Dear Friends,

It has always been Pastor Wayman Mitchell's desire that as many people in our fellowship as possible see Israel at least once in their lifetime. That is why he asked me to continue leading the tour so that opportunity would be possible. I will remain faithful to that as long as I can.

In 2022 we had to cancel because we did not have enough people sign up in a timely manner so we could not hold the rooms we needed. In 2023, the chaos that resulted from a terrorist attack on Israel meant we could not travel once again.

I am asking that for the tour Nov. 5-14, 2024, those interested in going would not delay but put in an application and deposit very early, and that you would pray we would be able to complete this trip.

Pastor Mitchell's dream was for this amazing tour to continue until Christ returns and I want to fulfill that dream. Please join me in honoring Pastor Wayman Mitchell next year in Jerusalem! You can find the applications and brochures on our website, thedoormapofredlands.org Israel tab. They are downloadable as a pdf file
