Prescott, Arizona
Potter's House
Pastor Greg Mitchell
Corres: Matt Sanderlin

“Why don't we do a drive-by healing crusade instead?” “What is that?” he asked. “Well, instead of organizing a formal healing crusade, we drive around and find people that need healing, tell them about the power of Jesus, and then pray for them for healing.”

This is how it began for a young, inspired disciple who wanted to begin praying for the sick. Growing up in our Fellowship, he witnessed countless miracles but never experienced praying for someone himself, which resulted in seeing them healed. That was all going to change now that he had decided it was time to put God's promises into action.

The hospital parking lot seemed like the most logical place to start; in just a short amount of time, they prayed for many sick and injured people and led others to salvation.

One lady was suffering from pain and paralysis. After prayer, she experienced a miracle healing; the others with her requested prayer and prayed to receive salvation.

Shortly after, this young man was at Walmart and met a guy who had had his arm crushed flat in a workplace injury. He expressed his pain level was at a 10, and he was not able to use his injured arm. After prayer, this man's world completely changed. He began squeezing the hand and making a fist, and all the pain was completely gone.

For decades, we have held Monday night movie outreaches in downtown Prescott on the courthouse plaza. Always at the same time, the same location, and oftentimes the same movies, but each time we reach different people. Over the years, many people and families have been added to our congregation through faithfulness

to this outreach.

From July to August, we showed four movies, and in those four outreaches, we had 50 people respond for salvation. At one of these events in July, a young teenaged disciple noticed a group of college students at a restaurant and felt inspired to share the Gospel with them. He waited outside the restaurant for them to finish and then approached them with the message of hope. Right there in front of Bill's Pizza parlor, 10 young men raised their hands and prayed for salvation.

'Rightthere in front of Bill's Pizza parlor, 10 young men raised their hands and prayed for salvation.'

On the final night of our summer movie outreach season, we transitioned from using a video projector to showing the movie on a large digital screen trailer. The new screen was an incredible undertaking and a great technological advancement. Thanks to the hard work of Pastor Steven Ciaccio and a number of dedicated engineers in our congregation we no longer have to wait until it is completely dark to show an outdoor movie.

As a church and as a fellowship, we strive for excellence, we keep up with the current times and remain relevant by utilizing the blessing of technology. While the digital screen trailer is sleek and impressive, it is not the answer to reaching the lost with the Gospel; it is just another method that allows us to continue doing what has been highly effective for generations. Times change, technology transitions, and methods

are modified, but the message of Jesus Christ remains the same. We continue to change lives with this message, make disciples to declare this message, and plant churches to spread this message.

September 9th was Pastor Greg Mitchell's 60th birthday. The Prescott congregation organized a surprise birthday to celebrate with him. Pastor Jesse Morales spoke briefly on the gift of a pastor, the gift of discipleship and church planting, and the gift of supernatural impact. Pastors and men who have been discipled and blessed by Pastor Greg's ministry lined the platform with their wives and children, some of whom flew in to commemorate the event.

Pastor Devon Ryals put together a video in which men in the ministry shared words Pastor Greg had spoken into their lives that significantly impacted their ministry. This 10-minute video showcased the power of discipleship and the vital importance of a pastor who hears from God.

As a gift from the congregation and pastoral staff, we presented a canvas depicting a photo that was taken at our final conference held in a tent when our founding Pastor, Pastor Wayman Mitchell, deposited his spirit upon Pastor Greg's life, ministry and future.

It was a beautiful service, and at the conclusion, visitors responded for salvation, and many men stood when Pastor Morales presented a challenge for men to respond to pastoral calling. Pastor Roman Gutierrez sent us a wonderful BBQ pit crew from McAllen, Texas, who killed the fatted calf and served a fantastic lunch. Thank you, McAllen! Thank you, Prescott congregation and staff, for pulling this off.

Pastor Greg has been a faithful shepherd to the Prescott congregation for more than 20 years now, and we are incredibly grateful to be able to call him our pastor. Thank you, Pastor Greg, for leading our Fellowship and leading by example.

Happy 60th Birthday Pastor Greg Mitchell!

September 9th was Pastor Greg Mitchell's 60th birthday. The Prescott congregation organized a surprise birthday to celebrate with him. Pastor Jesse Morales spoke briefly on the gift of a pastor, the gift of discipleship and church planting, and the gift of supernatural impact. Amarillo, Texas
The Door
Pastor James Wilson
Corres: Lyneth Baca

Howdy! We are so excited to share the big ways God has been moving in our city!

Street outreach in Amarillo, Texas

This year's spring and summer season has been full of blessings, revelation and salvation, as well as our church (the people) working powerfully to spread the good news of our beloved Jesus.

February thru April started strong with Evangelist Micah Wright who stirred the hearts of the church with many saved, prophetic words and healings.

We sent a group into Lubbock, TX to outreach around the area along with other local Fellowship churches. The goal was to scatter and sow seeds in faith that they would show up later that night for worship and service. Summer days in Texas are dreadful, but the turnout that hot summer day was unbelievable... a full house! Souls gathered to hear the word of God and the sound of hearts worshipping the Lord filled His church. We took that fire out to the streets in one-on-one evangelism and street preaching and many people's lives were galvanized in their commitment to Jesus Christ.

In May and June, we spent our time soul-winning as much as possible. Along with our 180 concerts, knocking on doors every Saturday, and street preaching, we've had "drive by rap concerts," drive-through prayer on the street corners and movies at the park! We had guest speakers come (Pastor Joseph Lujan, and Evangelist Ralph Blanco) for revival to share their prophetic wisdom to keep the Amarillo Potter's House on fire.

Our church stayed packed with new visitors,

and many decided to give their lives to Jesus and get saved. Others received incredibly encouraging words. This was also a time we saw miracle growth in our young adults with some making big decisions in their walk with Christ and joining up for ministry. Others are growing in confidence, cultivating their skills, and growing in knowledge and wisdom.

July and August were our months of good harvest, we were reaping the fruits of our treasured season of labor. As school approached and summer was coming to an end we had the privilege of blessing 50 kids and their families by raffling off backpacks filled with supplies and free haircut vouchers and of course, the Gospel!

During this event, our folks evangelized and witnessed to as many people as they could - and over 30 people answered the altar call that day, men women, and children!

God blessed our church in August with Evangelist Adam Porter who brought incredible sermons

that truly spoke into the hearts of our people. Baptisms were happening and new believers were arriving, and we grew in numbers!

Finally, coming out of the summer and into the fall season, we proudly announce we have had new converts come, see, get converted and STAY. Sowing and reaping is hard work, but it is all worthwhile when we get to see new souls finally come to Jesus for salvation. "This is why we do what we do," Pastor James Wilson says.

We're looking forward to revivals with Ernie Toppin and Louie Lobato. We're doing the play, "After I'm Gone" in Lubbock and Amarillo and of course our annual Fall Festival and Grinch Play - which will mean more conversions!

The harvest is plentiful, but the laborers are few! Stay on fire, stay hungry, and do not let growing weary make you forget what we as Christians labor for. You are the salt of the earth!

Austin, Texas
Potter's House
Pastor Roland Perez
Corres: Santana Paniagua

Howdy from Austin, Texas! This year we started off with a bang by encouraging our church people to join in a three-day fast. We went straight into a revival with Evangelist Jerry Fussel where many were saved and healed.

In February we had our annual South Austin

Healing Crusade in Barstow, California

Harvesters where a few of our baby churches traveled home to hear some good preaching from Pastor Rob Scribner. In April we partnered with North Austin's Potter's House, and together we had our annual healing crusade with guest Pastor Mark Aulson, many were healed and touched by God.

In June, we were able to send former boots as drill instructors and counselors to the South Texas Believers Bootcamp. We had a total of 23 teenagers attend bootcamp. God met with our teens there and many of them came back saved, on fire, and ready to do something for God. They began joining us in outreach, prayer meetings and serving in our church. We are committed to investing in our future generations.

In August, we started a month long volunteer fast to believe God for breakthrough in our church. This summer has been especially fruitful. We started Friday night outreaches, passing out free food, drinks and the Gospel. We have seen more than 60 get saved through these outreaches.

This month we have, for the first time, nationalized one of our overseas works in Roatan, Honduras. Pastor Nur and his wife Becky Rashid labored in Roatan for two years and God moved tremendously. We are excited to announce that Pastor Mario and his wife Nereida Leiva will be taking over the church in Roatan.

Though they are coming home, the Rashid's labor was not in vain. The Roatan church has been blessed with a new building, and a body of

believers ready and willing to follow their new pastor. It's awesome to see God providing the Roatan church with handfuls on purpose.

This year we started a new ministry entitled R.O.A.M (Right Off The Altar Ministry) that has been very effective with visitors and new converts getting to know people from the church. This has helped us with locking in many of the visitors and new converts that we have had.

We are so excited to see what else God has in store for us as the year progresses. He is not done with South Austin, Texas yet.

Barstow, California
Potter's House
Pastor Mark Lara
Corres: Ivan Magdaleno

Greetings from Barstow, California (high desert) where God is making impact and changing lives. We bring a good report!

In the last couple of months we have been seeing backsliders coming back home rededicating their lives to Jesus and recapturing the vision of our Fellowship once again.

Many have been coming on outreaches as well as out of town impact teams and going to Men's Discipleships hosted by Pastor Cox and the Redlands congregation.

We have had revivals with Evangelists Leonard Williams and John Valteria, who are faithful to bring a word due in season to God's people by challenging us not only to live for God but to press towards the high

calling and all that He has for us.

In April we hosted our '24 annual Healing Crusade at the high school with Evangelist Charlie Forman followed up by a revival.

Many were saved and healed from that event, and many of our area churches helped us by laboring and sacrificing their time to make this possible!

In the summer we have our movie nights in which many come out and get saved. This is followed up by food and refreshments.

Almost every service we are seeing visitors come out and getting locked into the church.

On behalf of the Barstow church we want to thank many of our local churches for their love, support and labor - Orange, Redlands, Palmdale, Oceanside, Las Vegas, Carson, Placincia, Montclair, Beaumont and Apple Valley.

We thank God for all He is doing and yet to do in our church and throughout our Fellowship.

Pray for us as we are believing God for a great revival as we take Barstow for Jesus!

Lynn, Massachusetts
Potter's House
Pastor Anthony Ciaccio

Greetings from Lynn, MA. Since February, God has been powerfully at work in here as my wife Natalie, three children and I began pioneering a new church in the city. From the start, we've seen God's hand moving through our efforts in evangelism and outreach.

In July, we were blessed to have an impact team from Malden, MA join us. Their support and outreach laid an essential foundation as we continued to share the Gospel in the city. Their time here helped to establish meaningful connections with the local community, opening doors for future ministry and evangelism.

August was a particularly fruitful month. An impact team from Chicopee, MA visited and contributed significantly to our outreach efforts. Through their evangelism, six people made decisions

Pastor Anthony Ciaccio and saint remodeling new church building in Lynn MA

for Christ, and many other valuable contacts were made. This marked an important moment of growth, reinforcing our belief that God is drawing people in.

Later in August, a team from Greece, NY came to assist in the work. God moved through their ministry, and two individuals came to Christ during their time here. The teams from Chicopee and Greece brought fresh energy and momentum, which we are continuing to build on through regular outreach.

Our primary strategy remains one-on-one evangelism. Through daily conversations and prayer, we are seeing the church in Lynn grow. Every contact is significant, as we aim to establish deep, personal connections with those we meet.

Meanwhile, the remodeling of our church building is progressing well, and we anticipate opening the doors in mid-September. The new space will be a vital hub for worship, fellowship, and outreach.

It is clear that God is at work, building His kingdom through the lives of those we have the privilege to reach. We are excited and humbled to see what He will continue to do as we move forward.

Central Tucson, Arizona
CFM Tucson
Pastor Curtis Berry
Corres: Stephen Sziklai

God has been on the move in Central Tucson. We have consistently seen souls

saved on outreaches and concerts, and have been looking for a larger building to be able to retain that fruit. After identifying a potential location in the same neighborhood as we are currently located, we began to fast and pray each Monday, meeting at the church those evenings.

God gave us the breakthrough of initiating contact with the owners of the building, who have been unavailable for years. However, they were still unwilling to rent or sell. Undeterred, we met that Monday night and laid hands on the building and prayed. Within the week, we had an offer to rent the whole building with an option to buy!

God blessed us immensely in this deal, as the building is over twice the size of our current location, with half the cost of rent. We have already been given keys, and will not have to pay rent until January! We have been hard at work preparing the building for our grand opening. The whole church has come together to labor, moving furniture, pulling carpet, doing demolition, and building new walls. Despite the hard work and late nights, everyone is excited to see God move and fill the new seats come October's opening.

We recently took a group of nine youth to The Door's Youth Convergence. God met with our youth there, bringing conviction and instruction through the sermons, and stirring a passion for evangelism. When a call was made for who would make themselves available to go as missionaries, multiple youth responded, some for the first time. They are looking forward to our mission trip to Agua Prieta, Mexico

this month, as well as Prescott's upcoming youth rally.

We have been blessed with Pastor Curtis and Corina Berry's leadership and vision; They have invested themselves wholeheartedly into the Central Tucson work. We look forward to seeing them go full time next year.

We see God building his church, and we are excited to be a part of it. We are seeing the fruit that we have

Central Tucson, AZ church is remodeling newer, larger building and planning for grand opening

been praying for for years, and are coming into a new season as a congregation.

Please keep us in your prayers as we pray for you; God is at work in Central Tucson!

Chandler, Arizona
The Door
Pastor Joe Campbell
Corres: George D. Rose, Sr.

We are blessed to have quality ministers of the Gospel, giving direction and God-inspired leadership. This leadership has allowed the Chandler congregation to be effective in fulfilling the great commission.

Recently, Pastor Torey Williams has been teaching a series, "Help For The Home," focused on helping the church family to be more effective in seeing God's will for the home, the church and the nation. He recently stated that we have a responsibility to "disciple" our children. We have

seen the impact of this in our church amongst our youth.

Our Crossfire ministry, along with many young adults, has risen to the challenges of discipleship and ministry. Being better able to reach their own generation, they have found expression in our One80 music scene. They have taken this ministry by storm with live bands, rappers, vibrant dramas and dynamic preaching.

A recent Saturday night found

the open market place. In a notable miracle, they prayed for a woman who had been crippled for many years and was unable to walk. As they believed God, this woman saw her legs strengthened and began to walk! Glory to God!

We were blessed to have a revival with Sergei Golubev, focused on God's supernatural power. Pastor Sergei brought powerful messages to the church with a focus on the power of God to heal. One person

ward to rising to the challenges put before us to raise disciples and reach the world!

Pray for us, as we do you.

Clifton, Arizona
Potter's House
Pastor Chris Lee

Greetings to everyone from the "Ends of the Earth," Clifton, AZ. We have been seeing the Lord move in glorious ways.

We had revival in August with Evangelist Steve Gabriel from England. We as a congregation have never tried anything like this, getting an evangelist from another country across the world. This was a big step for the church. I encouraged the congregation that this was one small step for man and one giant leap for the Clifton church! By the grace of God we were able to make it happen.

Every night was Holy Ghost! Each night we saw people saved, healed, and encouraged. Timely words were given. From that revival we have been seeing a returning visitor come to church.

Following the revival we had a children's church team from Tucson come and do a puppet show, skits, and, games in the park. We saw over 50 visitors show up and three people responded to the altar call. We are incredibly thankful for their willingness and labors.

This coming weekend we are having Pastor Frank Romero from Sells, Arizona share his testimony at the Morenci High School Gym. It's a Suicide Awareness Prevention event. The suicide rate is high in this community.

The Bible says in Acts 8:8 that Philip brought great joy to Samaria. Like Philip, we want to bring great joy to our city through the preaching of the Gospel. We are pressing the battle to the gates of Hell. We are believing the Lord to bring in a great harvest. Thank you for your time and pray for us. Maranatha.

Chandler saints minister on streets of South Africa

dozens of young adult visitors in the scene. A powerful altar call by a young disciple saw five precious first-time conversions! Not only do we see this rising leadership at work in the church but, when our Crossfire teens attended the South Texas boot-camp, our teens distinguished themselves as leaders of several platoons and garnering top awards!

During our recent Missions Rally, Paul Stevens challenged us to be trail blazers. Missions, which is at the heart of the Chandler church, compelled us to send a team of believers to South Africa in support of the ministry there. Fourteen saints invaded the streets of Mitchell's Plains, with the simple Gospel and full of faith.

During their time in South Africa the team prayed with approximately 235 souls. They also gathered crowds with impromptu concerts where they declared God's plan of salvation. They also exercised faith as they prayed for the sick in

was healed of pancreatitis and another of a persistent open wound. Additionally, there were a number of people who experienced deliverance over addictions and oppression. Continuing in the demonstration of God's power, he prayed for many to receive the baptism of the Holy Ghost. The altars were full of believers who spoke in tongues for the first time.

We have been encouraged by what we see God doing in our midst. There have been many visitors in all our services with the altars being full. God continues to move in the gifts of the Spirit, ministering to the saints. The church is preparing for the next wave of revival and converts!

Even as we prepare for our upcoming conference "Discipling Men in a Digital Age," we are expecting God to move powerfully as we lengthen our cords and strengthen our stakes.

We are grateful for what God is doing in Chandler. We look for-

East Phoenix, Arizona
Potter's House
Pastor JR Stewart
Corres: Shawannah Garza

Everett, Washington
Victory Christian Center
Pastor Tony Uriarte
Corres: Osworth Dube

Jesus is on the throne in East Phoenix! We are so excited for what God is doing in our church this year.

We wanted to give a praise report that puts a spotlight on our youth. For the first time in many years, we sent six

East Phoenix teens returned changed after bootcamp in Las Vegas, NM

of our youth to the Enlisted to Endure bootcamp in Las Vegas, New Mexico.

A former boot went back as a counselor and drove our youth there. We had a testimony service on Sunday night after they returned, and each teen had the opportunity to share their experience with the congregation. God moved powerfully in all of their lives that week.

During the testimonies, one of our teens, Lexi, said that her experience at bootcamp inspired her to serve God at a deeper level. "The preaching just changed me a lot. What really spoke to me was when Pastor Rick Martinez said that life is like a crossroad, where you either choose God or choose worldly things. I chose God and to go serve the Lord."

Since then, our youth, on fire from the bootcamp, have been quick to jump into ministry and serve in new roles in our church. May the older saints catch the same fire as we move forward into the next season of the year!

Please continue to pray for us (and our youth) while we pray for you! Lord Bless!

Greetings from the Great Pacific Northwest! We are so excited to share all that God has done.

We kicked off the spring with our annual Easter Egg Hunt. The highlight of this outreach was the amount of help we got from our new converts. Many

donated candy, egg fillers and Easter eggs! The outreach was a success with many who came out and heard the Gospel through testimonies and preaching.

In April we had a magic show with the "Dean of Hearts" from Longview, WA. We saw an incredible turnout and people just kept on coming throughout the show. Many heard Pastor Dean Young's testimony throughout the performance and decisions were made for Jesus at the end. We thank God for that!

The highlight of the month of May was seeing our converts get baptized! It was glorious to see! Each one of their testimonies were anointed and brought many to tears. And many of their non-church-going family members in attendance got to hear about how Jesus transformed their lives!

In June we had the privilege of having Joff and Ili Harnett from Mc-

Minnville, OR come do a Holy Ghost anointed concert for us in a park we hadn't used before. We had many visitors including a mom and daughter from Mongolia. These and many more left that day having the hope of Jesus planted into their hearts. Please be praying for seeds that we have sown.

In July we were able to help our baby church hold a 3-on-3 basketball tournament, and it saw many young visitors. The highlight of that outreach was seeing the new converts helping and sharing testimonies. They are truly raising disciples!

Then in August we were able to support our pioneer work in their first-ever revival with our Pastor, Tony Uriarte. Each service was timely with words given.

Toward the end of the month, we had the band, Cloven Tongues, come rock out for us from Puyallup, Pastor Fred Gonzales Jr.'s church. They also had an all-girl band, Maranatha, open for them. It was a tremendous time! At the end of the day, we saw many seeds sown and four decisions made.

Newly baptized saints in Everett, WA

We decided to end our summer with a bang and do a "Signs and Wonders" street preaching. Many heard the Gospel and the testimonies of changed lives, and we are just that much closer to winning our city for Jesus! Thank You Pastor Greg and Lisa, Pastor Foley and Janet, and Pastor Bob Overson and Connie for your leadership, prayers and support. Hallelujah!

Fresno, California
The Door
Pastor Joe Sanchez
Corres: Mario Chacon

Thank you and have a blessed day. Hello from Fresno, CA! It's a blessing to share all the wonderful things God is doing in our city.

Despite the warm weather, we continue to take every opportunity to outreach and street preach. One of our newer saints joined us for the first time during street preaching. She was stirred, encouraged, and excited. We're grateful for her and pray she continues to join us in future events.

Recently we had a church baptism. Two individuals decided to get baptized. While each had a unique testimony, they shared one powerful commonality: Jesus. Their testimonies were encouraging to hear.

Additionally, we are excited to share that our Pastor had the opportunity to travel to Belize to minister to the people there.

As always, we ask that you continue to keep the Central Valley in your prayers, just as you are in ours. God bless!

Gallup, New Mexico
The Door
Pastor Tom Payne
Corres: James Heimberg

Greetings from Gallup, NM! We're excited to share the amazing things God has done this summer.

In June, we held our annual Youth Extreme with Martin Klock, where over 150 youth from neighboring churches joined us. After a message on evangelism and prayer for the Holy Spirit, we hit the streets to spread the Gospel and share our testimonies. That evening, our "No-Bull Rodeo" brought over 200 visitors to the church, and by the end of the day, 74 people had given their lives to Christ!

On July 6, we hosted a patriotic celebration and concert at the church, drawing in over 120 visitors and leading to 23 more people saved. The following

week, on July 13th, we held a Family Fun Night at our One80 downtown, with more than 100 visitors and 27 people saved.

God has been moving in our local "Disciple Outreaches" as well. On July 26th, we organized an outreach at a local park where we had been previously denied permits. But God made a way, and we were granted permission. We hosted a concert and movie night, and 39 people prayed to receive Christ! Some of them even returned the next

Back-to-School outreach in Gallup, NM

night for One80 and joined us for Sunday service.

On August 3rd, our annual "Back to School Bash" at the church was a huge success. We handed out school supplies and served chili dogs, with around 400 visitors coming out! At the end of the outreach we had over 100 people respond to the altar call! Several families from this outreach have since started attending our church.

Then, on August 10th, our Children's Church team put on a Blacklight Puppet Show and Concert at our One80, with over 100 visitors and 29 more souls saved by the end of the night!

From August 15 to 17, a team of 16 from our church traveled to outreach for our pioneer churches in Big Spring, TX, and Lubbock, TX. We arrived in Big Spring on Thursday evening and jumped right into outreach. After a full day of sharing the Gospel on Friday, we performed the History of Hip Hop at the local Junior High School, where many people responded to the altar call.

We then packed up and drove two hours to Lubbock, where we spent Sat-

urday outreaching for another History of Hip Hop performance that night at the church. Once again, many people came forward to give their lives to Jesus. In total, 72 people were saved, and both churches are still experiencing the blessings of these outreaches. On Sunday, August 25 we were able to baptize 10 of our new converts with many more to come!

We are incredibly thankful for how God is moving in our church and our baby churches. His work in Gallup is

undeniable, and we trust that He will continue to grow His church, regardless of circumstance. We're not backing down in this fight because without a doubt, "We Know Exactly What To Do!"

Great Falls, Montana
Potter's House
Pastor Abram Baca

Greetings from Great Falls, Montana!

We started our outreach season with a bang! In May we had our Fourth annual three on three basketball tournament where we saw 165 visitors nearly 200 and attendance 28 people saved!

In June, we had our fourth annual Skate Jam Competition where we saw 200-plus in attendance with 55-60 first time decisions for repentance/salvation.

We then went into revival with Pastor Timothy Miller where we had our highest attendance at 48 people! Many powerful words were given and the

Outdoor baptism in Great Falls, MT

church was greatly encouraged!

In July, we continued with our regular One80 concert scenes and in August we begin a remodel in our church, knocking down a wall and building an altar.

We ordered 25 new chairs in preparation for revival with Micah Wright. During the revival many specific words were given and we saw our numbers increase to 55 in attendance. During the revival the church was challenged to meet the financial needs, and all the needs were met.

Please continue to pray for Great Falls, Montana as we pray for you!

Jacksonville, NC
The Door
Pastor Dave Szczepanski
Corres: Walter T. Van Tiem

Greetings everyone from Jacksonville, North Carolina!

This past summer started off with a surge of the Holy Ghost! We began with a revival with Evangelist John Robinson. What a time we had! Our brother is an anointed preacher and challenged the saints to a life of repentance, consecration and commitment. We were encouraged with souls added and saints being stirred to press the battle to the gate.

In June we had our second annual yard sale as a way of drawing a crowd and sharing our testimonies. We had over 100 visitors and many seeds were planted.

We then set our sights on our nation's capitol. Each summer we impact Wash-

ington, D.C. with a Gospel presentation on the steps of the Lincoln memorial.

This year Pastor Sean Gunkel and the church in Stafford, Virginia organized the event. We had great liberty to preach and share a brief history of our

venture. Steve and Jessica Herring and their four children left in August to pioneer this new work.

A week after conference we had Evangelist Steve Nicodemus in for revival services. This was a timely meeting! The last night we had 21 folks filled with the Holy Ghost with the evidence of speaking in tongues. Souls were also saved and bodies were healed during our brother's time in Jacksonville.

Our young folks in the teen ministry are fired up for Jesus and are taking charge of the song service once each month. It's encouraging to see the young people rising up!

We are blessed to have Pastor Szczepanski and his wife, Vinita faithfully serving our congregation. They've been with us since 1992. We also want to thank the Bullhead City, AZ congregation for planting a church here back in 1984. Your investment is paying eternal dividends. God is so faithful!

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: Mario Sanchez

God is on the move here in Las Vegas, New Mexico.

We had the privilege to host our annual Teen Boot Camp the week of July 22-26, titled No Reserves, Retreat, Regrets. With well over 400 combined boots, councilors, and D.I.'s it was the biggest camp attendance of all time.

God showed up at the camp from day one. The young people were being saved, baptized in the Holy Ghost and also praying for one another and seeing miracles of healing take place right before their eyes as they laid hands on the sick. They were also being used in the gift of prophecy and the interpretation of those prophecies directed towards them and for their generation. There was a very tangible presence of God there throughout the week. Everyone left encouraged and ready to take their generation for Jesus.

We also want to thank God for the fruitful summer outreaches we've been doing all around the city and in the parks. Through these outreaches we

Steve and Jessica Herring & family to pastor new church in Okinawa, Japan

nation including our Christian roots. Many tourists were touched along with many from foreign countries.

At the end of June, we hosted our annual Teen Boot Camp and it was a great success with many teens coming from up and down the east coast and Canada.

We followed up the Boot Camp with the summer Prescott Conference and the awesome news of a church being planted in Okinawa, Japan. Many of our older Marine Corps veterans spent time on the island during the 1980s when we had a Fellowship church there. We are blessed to be able to partner with the Prescott congregation in this exciting

are seeing disciples rise up who want to preach the Gospel. They are doing concerts, giving away free hot dogs, raffling off school supplies and otherwise being creative to draw people in to hear the preaching of God's word, and it has paid off. There has been a steady flow of visitors to the church and people getting saved because of these outreaches.

We are rejoicing because we recently baptized 11 people that went on record to want to live their lives for Jesus. Some are new converts, some are those

raised in the church, who have made up their minds to separate themselves from the world and give themselves to Jesus and his will for their lives.

We would ask for your prayers as we head into our annual International Bible Conference titled "No One Coasts Into Destiny" praying that God would challenge couples to go again into the harvest field in obedience to what Jesus said: "The harvest truly is plenteous but the laborers are few, therefore pray the Lord of the harvest to send out laborers into His harvest."

We want to thank Pastor Ray and Sister Patsy for their unwavering commitment to do and lead the way into all that God would have for our lives. pray for us as we pray for you.

McAllen, Texas
The Door
Pastor Roman Gutierrez
Corres: Leslie Flores

Greetings from McAllen, Texas! This year of 2024 has been a blessing. We have seen God move in so many ways.

Kicking things off in April, we had the privilege of hosting our 3rd annual International Bible Conference in McAllen, Texas. It was truly inspiring to see all our baby works come together, united in worship under one roof. This year's theme, "Enlarging," highlights the significant changes God is bringing in these last days as He prepares to pour out many blessings for His glory.

The conference featured a series of powerful sermons, including memorable messages from our Fellowship leader, Pastor Greg Mitchell. We were especially proud of our Kids of the Kingdom ministry, which raised over \$15,000 for world evangelism. It was heartwarming to witness our children actively participating in God's work.

The highlight of the conference was sending out 10 new missionary couples - six to international locations and four nationally. The experience was amazing, and we're already looking forward to what God has in store for the next conference!

Then, this summer, our teenagers caught the vision to reach the World for Jesus after coming home from bootcamp. They stepped up as leaders, organizing their own outreaches that led to an incredible healing crusade in the park. The result? Countless lives were touched, with many experiencing healing and embracing Jesus Christ as their Savior.

This success sparked a new wave of enthusiasm, propelling our teens to host a series of park concerts and inviting the city for wholesome family fun. Just as 1 Timothy 4:12 inspires, "Let no one despise you for your youth, but set the believers an example in speech, in conduct, in love, in faith, in purity," our young leaders demonstrated that age is no barrier to fulfilling God's will. They took on key roles - running the sound-

board, testifying, leading altar calls, and organizing what bands would minister. This summer has proven to be a season of extraordinary growth and revival, with our youth leading the charge, ablaze with a passion for God's work.

As summer came to a close, our church decided to give back to the city by helping families get ready for the upcoming school year. Partnering with Kids of the Kingdom and The Royal Puppets, we organized a Back-to-School Bash that was a huge success. We successfully distributed 400 backpacks filled with school supplies and welcomed over 500 visitors to the event.

The day was filled with fun activities like games, train and swing rides, and a petting zoo. One of the main highlights was the Royal Puppets' performance, which entertained kids and parents alike with songs, dances, and a moral lesson that led to the Gospel. Mark Morales, the leader of our puppet ministry, ended the event with an altar call, where over 100 families responded and accepted Jesus Christ into their lives. We are truly grateful for what God accomplished through our church during this event, and we look forward to continuing to serve our community.

Then, inspired by Prescott church, we were excited to host our first Children's Church Conference in August. It was an excellent opportunity for churches across Texas to come together and learn from Tim and Cathy Martin, two remarkable leaders. This conference showed us that children's church is about more than just looking after kids - it's about making the services meaningful and impactful.

Over the two-day event, we learned how the lessons taught in children's church can stay with kids as they grow up, just like Proverbs 22:6 says: "Train up a child in the way he should go; even when he is old he will not depart from it." We had six sessions that covered different parts of the service, including song service, the lesson, the altar call, and games. Tim and Cathy also showed us that you don't need a big team to run a great children's church service, a team of just four to five people can make it work.

The conference ended with an amazing special children's church service.

ENLARGING

Couples launched during McAllen, Texas Conference

Over 200 people attended, and everyone, from the workers to the families to the kids, enjoyed it and learned how knowing the Word of God can help them as they grow.

This conference was a powerful experience for our church and others, and we are so grateful to Tim and Cathy for helping us find new ways to inspire and teach our children.

Newport News, Virginia
Potter's House
Pastor Larry Mitchell
Corres: Wayne Nickerson

Hello from the Hampton Roads Area! God has been doing many great things in the last three months.

Every Friday we street preach at different intersections, and we've seen people saved. Several new converts have overcome fear and nervousness and gotten on the bullhorn to proclaim Jesus.

New converts are really starting to lock in and get involved. We had a water baptism where they gave powerful testimonies of how Jesus changed them. Since then, several have made concerted efforts to be as involved as they can and are very faithful to all church activities. We continue to send impact team to works in the area.

Our youth group, Arrow Youth Ministries (AYM) were responsible for an Extreme music/drama scene in June that saw several visitors in attendance who got saved. They did an outstanding job and it was an anoint-

ed time. It was great to see them rising up and taking the things of God seriously. We hosted a Youth rally for the youth in works we have sent out. Over 40 young men and women came out. God challenged them through powerful preaching. Some youths even prophesied in tongues

Pastor Larry Mitchell prays for youth in back-to-school service

with interpretation after the service. After the morning seminar they went outreaching.

We held a very momentous occasion in August; our very first Harvesters' Homecoming! It was a truly historic time that was long-awaited for. The theme was "Next Level." The presence of God was powerfully evident in all services. It is amazing how the Holy Spirit causes messages to dovetail together from the first message to the last. This was a fulfillment of faithful pillars' decades of labor and prayer. We are looking forward to the day we will have our very

own Bible conference!

Following the Homecoming, we had a revival with Evangelist Patrick Johnson. We always look forward to revivals with our brother. Every sermon was powerful and convicted, challenged and edified us. He ministered powerfully, praying for the sick and those in need of deliverance. He also gave very specific words of knowledge and encouragement that impacted people.

Our youth were powerfully challenged to go on record publicly that they would live for God genuinely and not settle for merely being "church kids." We thank God for Evangelist Johnson's ministry.

The last Sunday morning service

in August we had a special back-to-school service. We had 40 first time visitors in attendance. Our assistant pastor, Pastor Deon Howard preached a very relevant sermon directed at the youth and parents.

We are gearing up for a Walmart Blitz next week.

We are thankful to all Jesus is going to do; we know without a doubt it is all a work of God and are appreciative of the investment of our leaders, Pastor Joe Campbell and Pastor Greg Mitchell.

Please pray for us as we pray for you.

Pittsburgh, Pennsylvania
Potter's House
Pastor Roger Williams

Greetings from the Potter's House Church in Pittsburgh Pa, where Jesus is still on the move.

As we continue to stay grounded in the Biblical truths that our Fellowship was founded on, God has been faithful to give us favor as we labour for souls.

Street outreach in Pittsburgh, PA

This year our main event was a revival with pastor Josh Shapiro from Manchester, NH. We did an unconventional revival, starting on a Wednesday night with our midweek service. Thursday, Friday and Saturday we took his rap group to different locations in the city along with a barbecue run by a faithful brother from the Cape Cod church, Enrique Santiago. We also did street preaching in downtown Pittsburgh. We ended the revival with a Sunday morning service.

During the week we saw 14 decisions for Christ, miracle healings and over 100 visitors to all of the events. We also made contact with key people in the city that will help us in holding future events. Pastor Shapiro did a great job of ministering to our congregation.

Since the revival we have continued to go to the streets of the city with the good news of the Gospel. God is bringing quality people into the church. We are looking forward to all that God will do with and through their lives.

We want to thank our pastor Paul Campo for his unwavering heart for the harvest field, and his pastor Harold Warner for his faithfulness to the cause of the kingdom, and his pastor Wayman Mitchell for obeying God and estab-

lishing this wonderful Fellowship of churches. Please keep the Pittsburgh Potter's House in your prayers, as we keep you in ours.

Pleasanton, Texas
The Door
Pastor Josh Steele
Corres: Kris Masingale

Greetings from Pleasanton, Texas, the self-proclaimed birthplace of the cowboy!

God has done a tremendous work over the summer season here in South Texas. We started off the summer by sending four teens to the South Texas Bootcamp. Our "Boots" came back with a vision and

have continued pressing in.

We followed our Bootcamp with a timely revival with Pastor Willis Gordon. In the revival we saw powerful healings, and our church body challenged to grow in Christ.

Over the summer months we began our "Movie at the Park" outreaches on Thursday nights. These outreaches proved to be very fruitful. Nearly every outreach we saw three to four souls responding to the alter calls. The highlight of these outreaches is that many of those saved, ended up coming to service the following Sunday, with one family attending regularly.

As the summer came to an end, we had the great privilege to baptize six people who had recently dedicated their lives to Jesus Christ. We capped off the summer with a game night outreach. We brought our favorite board games and snacks, and God brought the Holy Spirit. With powerful testimonies throughout the night and an alter call at

the end, four souls answered the call for salvation.

One of the exciting things we are seeing is our young people starting to catch the vision and desiring to be used by God. They are being touched by Jesus Christ and are rising up and taking an active role in our church.

The Kingdom of God is faithfully being spread in the hearts of people and over the land here in South Texas. Continue praying for us here. Thank "yawl" and God Bless.

Portland, Texas
The Door
Pastor Edward May

Greetings from Portland, Texas! Greetings from Portland, Texas. Yes, Texas has a city named Port-

Movie outreach in Pleasanton, Texas

land, as well as Maine and Oregon!

We were sent out of the 2019 San Antonio Bible Conference to pioneer in Portland, TX - just north of Corpus Christi. Our Mother church is in Corpus Christi, Texas with Pastor Dan Canonge.

In the first two years, we went without a building but we were able to have Bible studies at our home and church services at a local hotel. Then, after many prayers, we were able to get a building in a prime area close to H-E-B Grocery store and other shopping areas. The building looked so nice, I was sure the owner was going to ask a premium price. In fact, the original price was \$2,500 per month, and we could not do that!

The space was subdivided up into little offices that made it hard to make

Street outreach in Portland, Texas

a decent sanctuary space. We asked the owner to both open up the space and to pay less rent, and she agreed to both - with our rent being \$1,000 less!

We had three revivals within the year in this building location with Pastor Jim Pena from Kingsville, TX. Then, we had another revival with Pastor Dan Canonge.

Finally, we had a revival with Evangelist Paul Boddy from England. This was an amazing revival that paid for itself. We saw the most people in attendance that we ever had – about 56 people during one of the nights of revival.

When we obtained this building, we saw visitors people coming to church. We still have two families that still come faithfully since about two years ago.

One of the families used to attend church at The Door in McAllen, Texas. They had been out of church for about five years. They rededicated their lives to Jesus, and they have been a blessing to the church and have helped us many times with outreaches.

The lease to the nice building was up in only a year, and we could not stay because the rent would go back up to \$2,500. So we had to move to another location in Portland. The owner at this different location allowed us to work on the building prior to opening in September of last year, which was helpful.

The building at our current location needed a great deal of work, but for the most part - we got it done. We even had a local building supplies store do-

nate at least \$1,000 of building material for our church.

Late this past July we had another revival with Pastor Dan Canonge and it was a great blessing. We saw visitors come almost every night. After the

revival, we saw even more visitors come.

I recently prayed for two men and a woman that came on a Wednesday night. They all prayed for salvation. I then prayed for the two men to get deliverance over cigarettes. I recently called one of the men and he said he felt power when I prayed for him. He told me that since I prayed for them, they do not have the urge to smoke anymore.

We have also have had favor with some of the local apartment complexes in the area to show movies, and even a concert outreach in April of this year where we saw many people come out. There are many people that we have prayed with and are praying for. We are believing God that they will come to church and they let God help them.

We know God wants to bring revival, because we have seen Him working on our behalf at every step.

Please pray for Portland, Texas as we pray for you!

Redlands, California
The Door
Pastor Richard Cox
Corres: Felipe Segovia

It has been a truly exciting year for us in Redlands, California. We have been blessed to have launched two new national churches into E. Riverside and Hanford, California, and an international church into Valencia, Venezuela.

The church in Venezuela started out with a home Bible study and they are already seeing an average of 15 people attend those weekly studies.

Earlier this year we sent a guerilla

Couple saved in Redlands church married in morning service and were baptized in evening service.

team to our church in Peru, where they saw 250 people accept Christ during the outreaches and that week of revival with Pastor Rich Cox.

In Redlands, we have seen the hand of God in our services. There has been a constant flow of visitors, and a great number of them have decided to stay and serve God in our church.

Our older saints have been busy working with and encouraging these new converts that God has brought in.

The Spirit of God has also been touching hearts in our services, stirring people to make life-altering decisions. We've had 21 people get baptized in recent months, choosing to take that step

of obedience in their salvation and making a public declaration to live for God.

We have also had several new couples added to our English and Spanish services. One young couple came in and got their hearts right with God. A couple of weeks later they decided to get married Sunday morning and get baptized that same night.

Some of these new converts are already asking to join ministry and looking for ways to get involved and be used by God. The church has been busy with our monthly Xtreme Scenes. We have been taking advantage of the great summer weather and using our bands, rap, drama and puppet teams out where the people are, such as parks and shopping

Rochester couple divorced in 2011, gave their lives to Jesus this year and recently remarried.

centers. We always see a great number of people give their lives to Jesus at these events, as well as during our weekly Thursday and Saturday outreaches.

This year we have also been blessed with several powerful revivals, Pastor Rick Martinez, Pastor Kris Hart and Evangelist Steve Bowman. All three revivals were encouraging and a great blessing to our congregation.

We are excited to see how God has emboldened the church in our commitment to evangelism and discipleship. Please pray for us as we take Redlands, California for Jesus!

Rochester, New York
Potter's House
Pastor Keith Sullivan
Corres: Ahnika Stowell

Hello from Rochester, New York! We are excited to report all that God has been doing here in Rochester this summer.

We kicked off the beginning of summer by hosting Evangelist Ernie Toppin, who performed a powerful Ro-cOne80 concert bringing in 15 visitors. Following the concert he preached a wonderful week of revival services for us. We would like to thank Evangelist Ernie Toppin for his ministry and the encouraging words that he brought to our congregation.

Our church has recently had the opportunity to connect with some people from Buffalo who have a desire to serve God in our Fellowship. Pastor Sullivan has been working with the people there and has been doing weekly Bible studies in the area.

One woman from this Bible study, Melina, had divorced her husband in 2011. After getting saved last year, and her ex-husband getting saved this year, they made the wonderful decision to get remarried. Originally married in 1989, they were able to start again in 2024 with Pastor Sullivan performing the ceremony. We are so excited to see what God has for this couple as well as the city of Buffalo.

The Reno, Nevada church sent Curtis and Courtney Hennion to pioneer a church there during the Prescott July Conference. We can't wait to see all that God is going to do through this couple in an area that is primed and ready for God to move.

During these summer months, our congregation has also had the opportunity to put on a couple of healing crusades down in the heart of the city. One woman in attendance had been run over by a car and had her foot crushed and her leg injured, after prayer she had no more pain. Through these healing crusades there have been many healed as well as at least three people praying a prayer of salvation.

We would like to express our gratitude to the Fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

God has blessed our church abundantly,

and we are so grateful for the opportunity to reach this city for Jesus. Please pray for us here in Rochester as we continue to take the land!

South Central El Paso, Texas
Potter's House
Pastor Ryan Manzano

This has been a year of investment for the South Central church.

We started the Spring/Summer season alternating regular outreaches with outreaches in the parks where we play music and give away food. We have rotated parks within a few miles of our church and we have seen miracle conversions and fruit from these events.

In May I was invited to preach a revival in Guatemala. We challenged the church to invest in sending their pastor to this nation. They rose to the challenge and we saw miraculous things take place during that revival.

It is noteworthy to say, there was an elderly lady that had been coming to our church in El Paso last year who was from Guatemala. She used to always ask me when I was going to preach in her nation. At that time, it was the farthest thing from my mind. She unfortunately passed away prior to seeing the fulfillment of her request. In challenging the church, I was reminded of sister Rebecca and God's provision and faithfulness.

Upon returning from Guatemala, our church adopted a new pioneer work financially in Juarez and they are connecting to the vision of world evangelism.

We are preparing for our second annual healing crusade which consists of a six-month financial pledge and five weekends of outreach to disperse over 60,000 flyers. I am astounded at our young church that at every call and challenge of investment they continue to rise to the occasion.

We have more than 30 churches from surrounding areas coming to labor/outreach for this event with us. I am beyond grateful for the vision of the Fellowship, the investment of others in our ministry, and the duplication that we have been able to impart into our congregation for world evangelism and the mission field. Casting the vision where they can catch

South Central El Paso sent Pastor Ryan Manzano to preach in Mixco, Guatemala

Texas, to pioneer a church. All glory to God.

As we enter a new chapter in our church, please pray for us, as we pray for you.

**Sparta, Illinois

it is what Pastor Mitchell used to say, right?

We're excited to be a part of a move of God in these last days and privileged that God chooses us to accomplish his purposes.

**San Angelo, Texas
The Door
Pastor Richard Swift
Corres: Samuel Martinez**

Howdy Y'all, From San Angelo, Texas! We have fantastic news from this little corner of the world of West Texas, to share what God has been doing, not only in our city, but also in our church.

We have had our share of roller coaster rides. I remember when I, along with my wife Margaret, came to visit this church in July of 1995. We were the only ones at that service, and we became the congregation. Pastor Robert Hernandez and his wife Debra were sent here to start a church on June 6, 1995, from The Potter's House in Odessa, Texas by Pastor Wade Shultz and his wife Lisa. Pastor Hernandez worked the Harvest Fields of San Angelo until he felt God's calling to go to North Dakota in 2007.

Pastor Richard Swift and his wife Melina, with their two children Jeremy, 13 and Shania, 17, came to take this church over in October 2013 after doing missionary work in Montreal, Canada. Pastor Swift kept God's work going. We continued street preaching and doing concerts, and movie outreaches at parks. People responded and our church grew.

We recently had a revival with Evangelist Adrian Farley. The revival was hotter than the weather outside! Sermons that were from God couldn't

have been timelier along with the words that were given. God is moving in our city and in our church as we have grown to 90 people in some services.

I had mentioned that Pastor Swift and Melina's kids were 13 and 17. Now, Jeremy is our song service leader and engaged to be married. And Shania is still locked in and serving God.

God is moving in men as they have risen to fulfill ministries in the church. Our church now has 17 ministries that are filled by men, women and teenagers.

Paul and Amy Vasquez to plant San Angelo, Texas's first baby church into College Station, Texas.

I'm glad to say that God has brought this church to another chapter. After 29 years we've become a mother church, sending out our first church. We are glad to announce that Rodrigo and Aimee Vasquez have been launched out to College Station,

Greetings from Sparta, IL and the faithful saints of the Sparta Potter's House Christian Church!

The spring and summer months of 2024 have been busy as the church has been faithful doing what God has called it to do. That is to preach the Gospel.

With the onset of summer, the church geared up for a craft fair, organized and planned by a faithful young couple in the church with a desire to do something for God. Their vision of an outreach centered around a craft fair was faithfully carried out as

many in the congregation participated and had booths set up.

This outreach took place in the church's parking lot, which is alongside one of the busiest streets in Sparta. Passersby and shoppers were confronted with the Gospel and given church flyers as Gospel music played from a speaker.

Following the excitement of that craft fair, members of the congregation had another opportunity to participate in a craft fair at the

local Walmart. Many of the members of the Sparta church work at Walmart, and because of their testimony, the church's band had free rein to set up at the craft fair and play music. Playing near one of the store's entrances, members of the band shared their tes-

timonies about how God saved them, and Pastor Stamper was able to give a short message about salvation. Despite the intense heat of the day, the Sparta saints were filled with excitement and gratitude for God's faithfulness in allowing such an open door to minister and preach the Gospel to so many in the community.

In July, the church rallied together and designed floats for two parades in surrounding communities. One parade was a 4th of July celebration of America in a small town with the theme "Americana." While dressed patriotically, the Sparta saints walking in the parade were able to hand out ALL of the flyers from the church, getting the message

Sparta church shared Gospel during two local parades

out about the Potter's House and Jesus Christ.

The second parade took place in another small town, and the theme this time was "Around the World." The Potter's House proclaimed that Jesus came to save ALL the world ALL AROUND the world. Once again, the saints were able to pass out many flyers and witness to people. The church's float even won second place!

Some other highlights from the summer include seven members of the church attending Prescott's July Bible Conference, which was such a time of refreshing and encouragement.

Pastor and Yolanda Stamper celebrated their 50th wedding anniversary for which the church was able to surprise them with a party and are thankful for their faithfulness.

God is doing great things in Sparta, IL, and the church is thrilled to see what God has planned next! Keep praying for

the church in Sparta as they pray for the faithful churches here in the U.S. and around the world.

Springfield, Oregon
Potters House
Pastor Craig Wilder
Corres: Gabriel Garcia

Hello from the beautiful Pacific Northwest, where the trees are as large as our faith is!

These past six months have been an amazing display of God's Power and Faithfulness in our city of Springfield OR. Discipleship is the heart beat of our church as men and women

rise up with clever outreach ideas, and continue to press-in diligently to follow-up ministry.

Creating a culture of destiny and purpose is always our Pastor's spirit and new converts are catching that

same vision. They display a hunger and thirst for the Will of God that is so encouraging.

A woman suffering from blindness in her right eye was completely and totally healed by the power of prayer and pleading the blood of Jesus upon her!

Since that service we have seen an increase of disciples contending for the Gift of Healing and faithfully laying hands on the sick to be delivered of infirmities.

Recently we held a special baptism-service where these new converts publicly displayed their love for Jesus by getting baptized and giving testimonies of what God has done and is doing in their lives.

Weekly Street Preach meetings have set a fire to the hearts and souls of new converts and elder saints alike. We have been working our way into the college campus and surrounding areas through

evangelism and simply sharing the love of Jesus Christ.

We are also continuing to contend for miracles in our One80 concert scenes and local Bible studies. All of these outreach efforts have proven to be very fruitful!

We recently had Revival with Evangelist Glen Pugliesi which was an amazing time of divine appointments where hearts were healed, minds and spirits were delivered, the backslidden returned, and God ultimately glorified. Many were in attendance throughout the entire week and we are still seeing momentum and excitement as a result of the revival.

We have also been blessed to be able to send our pastor overseas to preach several revivals in the nations of India, South Africa, and of course our baby work in Austria. To be able to take part in world evangelism has been a great honor to our church, and in doing so we have seen great breakthrough in our finances and soul winning.

We consider it an awesome privilege to be involved in all that God is doing both in our city of Springfield, and worldwide. Please pray for us as we pray for you!

Testimony in Springfield, Oregon church

Uvalde, Texas
Potters House
Pastor Doug Swimmer
Corres: Joann Silva

Greetings from Uvalde, Texas! God is on the move here in Uvalde, Texas. We are happy to report that it has been evident that God's grace and healing is dwelling here in Uvalde,

Street outreach in Uvalde, Texas

Texas. Within the past couple of months, we have seen growth and maturity in the congregation.

Recently we had a water baptism, and 13 individuals got baptized and testified about how Jesus saved them and set them free from sin.

Shortly after the baptism many new converts have been growing within the past several months and have grown a heart for serving others, and ministry. Disciples and some of the women were encouraged to do concerts and they quickly responded to the challenge. God has been moving through the concerts and reaching the backsliders.

Pastor Aguilar came to preach for us recently and many were stirred, till today we are still seeing the fruit and growth from that evening.

In closing, our baby churches (Cuidad Victoria and Rio Grande City) have been doing well and growing. We are looking forward to our annual Trunk or Treat and Christmas programs. Pray for us as we pray for you.

West Las Vegas, Nevada
Potters House
Pastor Scott Lamb
Corres: Anthony Yurkonis

Hello from the Sagebrush State! Our late founding Pastor Wayman Mitchell would often say that “God’s will and destiny is in the doing.”

It’s “in the doing” that God reveals, opens doors, and blesses his people. “In

West Las Vegas, Nevada becomes conference center church

the doing” is where God’s omniscient nature unfolds because of his provision.

So, with that revelation in mind, the West Las Vegas church has been “In the doing”!

At this time in humanity that we currently live in, there is no spiritual headroom to coast. Our Senior Pastor Scott Lamb holds tightly the spirit of our Fellowship fused with the mind of God, to forge ahead with vigor, utilizing preaching, evangelism, discipleship, church planting and the cultivation of the entire world in preparation to reap the harvest.

This summer has been tightly packed with all of the above. We saw an influx of fresh faces and families stemming from our routine and consistent park outreaches, night scene events and several other ministries in place to win souls to Christ.

We gathered once again for our annual Island Night presentation with an

entire evening of outreach, music, cultural displays along with food and fellowship. We see an abundance of the island culture show up to support this both sinner and saint. Las Vegas, Nevada is often termed the “9th island” because of our rich Polynesian population. We saw many visitors and decisions made for Christ during this time. Glory to God.

We followed up shortly after with

Mother’s Day and Father’s Day appreciation services. In these services our leadership preached on the value of parenthood, as well as the blessing and challenges of both motherhood and fatherhood. After each service they were treated to specialized appreciation gift baskets, flowers and goodies for the mothers and Dad’s root beer and cracker jacks for the fathers!

July 2024 Prescott Conference was as always, sensational and life-altering. This conference was also a monumental one for us as a congregation, because we became a conference body church! We look forward to the excitement and possibilities with this new responsibility, and the provision God has for us in the future, to continue the vision of the fellowship in unison with the great commission of Christ!

Please continue to pray for West Las Vegas!

2025 Prescott Children’s Ministries Conference

Look for details in the Winter 2025 Trumpet!

Amsterdam North, The Netherlands The Door Pastor Gerald Dovale

Greetings from Amsterdam-North, The Netherlands!

We are excited to tell you about what God did in our church the past year. We were sent out from the church in Utrecht four years ago and the church in Amsterdam-North has been faithful in outreach since then. We evangelize and make music on the streets in Amsterdam-North near the centrum and

Street outreach in Amsterdam North, The Netherlands

the train station. Even though we're often with a small group of people we see people on the streets drawn to us because of our enthusiasm for Jesus, especially people who are looking for an active and lively church. They visit our services because of this.

Almost every visitor that attends our service comes to repentance. There is a supernatural atmosphere of God pulling the right people into the church of Amsterdam-North. A lot of them stay committed and visit the church every week.

We also see a lot of growth in the people that attend our church faithfully. Our band "Destino" performed in a lot of small churches but also bigger churches like Zwolle and Amersfoort this year.

A big group of people from our church is involved in either the different kinds of Latin and Caribbean music that we play or the drama that we perform to tell people that God has a "Destino" for all of us.

On the weeks that we as church go out to organize outreaches in other cities and help fellow churches, we also see God miraculously bring in people the Sunday after in our own church.

Even though we have difficulties finding a new building. God is sending us new people to care for and these people commit to our small but growing church in Amsterdam-North.

Please pray with us for the leads we have for a couple buildings here in Amsterdam-North, as we will pray for you! We serve an almighty God!

Arnhem, Holland De Deur Pastor Bert Fledderus

Greetings from Arnhem, Holland! We've had a busy summer so far, with various activities.

At the beginning of May, a team of 10 people traveled to Romania, working together with the churches in Bucharest and Ploiesti. One of our team members performed a faith-based Magic Show, which was well received. It drew in sinners, with several people getting saved, either at the end of the show or during the subsequent revival service. The team enjoyed fellowship with the saints of the

Romanian churches and appreciated their great hospitality.

Our annual summer activities, such as Family Fun Day and Multicultural Night, are becoming better organized each year, resulting in lasting fruit. We had an awesome revival with Evangelist Jerry Fussell, and Pastor Alan Taylor from Norwich, England preached a great marriage retreat for the Arnhem church and the baby churches.

Our disciples were so stirred over the past year that they started conducting their own Serious Men Classes on Wednesday nights after the service, in addition to the men's classes we regularly hold.

The highlight of our summer was the privilege of hosting the annual healing crusade for the Dutch fellowship, which took place before the Zwolle August conference. The church worked very hard to make it happen; the weather couldn't have been better, and many people found their way to the tent.

Pastor Jesse Morales ministered powerfully, praying for the sick with the laying on of hands and through words of knowledge and inspiration.

After the Saturday night service – with a crowd well over 800 people – Pastor Morales passed the baton to Pastor Ovidiu Rusu from Brasov, Romania. He ministered in both Sunday services and also prayed for the sick, resulting in some outstanding miracles! We ended the crusade with dozens of

healing miracles and just under fifty decisions for Christ, several of whom have already attended our regular services.

In our latest mission work in Ljubljana, Slovenia, the Purperhart family is seeing the first fruits of their labors. One of their first converts, a 17-year-old young man, attended the Zwolle conference for the entire week!

It's great to be part of this fellowship of churches and to know that we have brothers and sisters in many parts of the world who share the same vision and zeal. God bless you all.

Beechboro, Western Australia
Potters House
Pastor Daryl Elliott
Corres: Nab Yankey

I am pleased to share that the Beechboro church, under Pastor Elliott, is experiencing a wave of fruitfulness and spiritual growth. Disciples are being challenged to rise up and respond to the will of God for their lives.

Beechboro Impact Team to Papua, New Guinea

Our Winter Home Bible study, focusing on Making Your Life Count For Eternity, has been a tremendous success. We have observed many disciples stepping up to take roles as Bible study leaders and assistants, which has been a great blessing for our church.

In the month of June, we had the privilege of sending an impact team to Papua, New Guinea.

During this mission, our team conducted an incredible three-day Healing Crusade.

We saw 462 people healed and 1,160 decisions in just a few days saved. This

Crowd at Arnhem, Holland Healing Crusade

served as a testament to the power of God in the lives of those who participated and the Port Moresby church. This experience was reminiscent of the moments described in the book of Acts.

Our weekly concert scene at the Perth 180 has also been an exciting endeavor. Over the past few months, we have hosted two special events each month.

Our annual Christmas in July proved to be one of the highlights of our winter

“Poly Proud Night.” This occasion was marked by a rich showcase of food, cultural displays, and heartfelt testimonials which saw many visitors, and a substantial number of people being saved.

A notable highlight was our recent Annual Battle of the Burbs, which proved to be a remarkable occasion for both fellowship and evangelism with six of our local churches competing for the trophy, was a great success I am particularly thrilled to share that many souls were saved during this meaningful gathering.

We thank God for our leaders and what we are part of as a church.

The Beechboro Church would like to extend our heartfelt gratitude to Pastor Greg Mitchell and the Prescott church for your prayers and also Pastor Daryl and Jillian Elliott for being a blessing to our congregation.

Please pray for us as we pray for you.

Bonteheuvel, Cape Town,
South Africa
Potters House
Pastor Harold Visser

Greetings from Cape Town, South Africa! Once again we are excited about what God is doing in the lives of precious people.

We started this year with a revival with Pastor Walied Ling (missionary to Ethiopia) with timely words given to the people of God and notable miracles of healing. During the summer months we have seen an increase in visitors with salvations in our One80 concert scene.

For our church anniversary we had a

revival with Pastor Cheslyn Solomon. During that revival we saw a breakthrough in the lives of our regular congregants being revived and stirred for the will of God for their lives. There were timely words given and our people made decisions to attend the regular services after the revival. We are grateful to see that God did something in the lives of His people during that revival.

On one of our Saturday morning outreaches we did a mini Healing Crusade in the town centre, where we set up some chairs, preached a short healing sermon and invited people to be prayed for. There was one man that came on a crutch after suffering from an injury to his back. After praying for healing, he walked away without his crutch!

One of the highlights is to see what God can do in the life of someone that wants to live for Him. We have had a visitor show up that had mental issues and seemed to be a bit unstable at times. After praying a sinner's prayer, regularly attending and baptized in the Holy Ghost, this person is now doing much better and even came to join a prayer meeting before the evening service. God is touching their life with His miracle redeeming power.

It is a privilege to be part of what God can do and is doing.

Bujumbura, Burundi
Potters House
Pastor Masumbuko Renovat

Hello from Bujumbura, Burundi. My name is Masumbuko Renovat (Mugisha), my wife is Igiraneza Renie.

I have the privilege to be one of the servants of God here in Burundi. From August 28 to September 4, we had an eight-day revival in two churches of Bujumbura (Mirango and Gahahe) with Pastor Patrick Nyamai from Nairobi, Kenya. We had fruit from that revival and precious people were added to the church.

We had had 145 new converts, and 15 people received the Holy Spirit. A good number of people had been prayed for and get healed.

God is doing great things in Burundi.

I do appreciate Pastor Harold Warner, Alvin Smith, Gareth King and all the congregation of Tucson, Arizona for

Pastor Patrick Nyamai ministers in Bujumbura, Burundi church

their support and prayers.

We still need your prayers for Burundi Church to have our own land in Bujumbura City for the two churches.

Keep praying for us as we praying for you.

Central Visayas, Cebu, Philippines
Victory Chapel
Pastor Charlie Carias
Corres: Christelle Aligato

Cebu, Philippines youth camps

Greetings from Cebu! In June we held a Summer Youth Camp from the North themed "Catching Fire" and had 114 campers. From the south, we had 146 campers with the theme "Radical

Obedience." There were seminars, activities and games for the youth. They were enlightened, blessed and encouraged after the camp.

Daily Vacation Bible School (DVBS) was also conducted. Many kids joined the five-day Bible study. There were lessons and colorful activities that helped them know more about Jesus.

Our first missionary couple started in Thailand last June. They opened a free English class and now have 16 Thai students! They have also opened Bible studies.

We are excited for what God will do for this mission.

We thank Pastor Greg Mitchell, Pastor Dave Stephenson and Pastor Louie Lobato for their impartations and investments here in us. Please continue to pray for us.

Chilliwack, BC, Canada
Potters House
Pastor Dave Marks
Corres: Irene Broadbent

Awarm hello from your brothers and sisters in Chilliwack, BC, Canada.

God has been helping us with our regular scheduled outreaches on Fridays and Saturdays this spring and summer. As of late, we have two

new outreaches starting on Mondays at Five Corners and every second Tuesday in Vedder Crossing.

We recently had a band outreach at Victory Park in Vancouver with Pastor Garrett Marks. Many people

heard the Gospel and were witnessed to. We also continue to witness and street preach to hundreds of people in downtown Vancouver every three weeks, often praying with people to receive Christ as their Saviour.

We have been very privileged to partner with the Vologda, Russia church over the years in the planting of various works, the latest being in Kyrgyzstan and in Port Said, Egypt. God is moving there by His Spirit and has already established a good group of converts.

Recently Pastor Marks was ministering in Ulaanbaatar, Mongolia with Pastor Sergei Golabev. He came home with a tremendous report of growth and Holy Ghost fire in the Mongolian people.

On the home front there is always a solid presence of the Holy Ghost in our services. We are seeing some new converts and visitors coming regularly.

We are looking forward to a baptism on the 31st of August, where friends and family will be hearing the Gospel, and also our upcoming Canadian Conference in September.

Pray with us for a mighty move of God and strategy from heaven to take our nation and the world for Jesus Christ.

To God be the glory. Pray for us as we pray for you.

**Córdoba, Argentina
Potters House
Pastor Fabián Godano**

Greetings from the city of Córdoba, Argentina (South America).

My name is Fabián Godano and together with my wife Sandra and my family we have been pastoring the church in San Vicente, Córdoba for 14 years now.

Firstly, I want to thank God for the opportunity to be part of this Fellowship and to be able to bring his love throughout the world.

We are currently occupying our second location, which we moved to in 2019. God has been with us

and given favor every year since the church opened. Over time, more and more people have come to the church seeking Jesus with the hope of changing their lives and being filled with the love of God.

This year 2024 we have had seven weddings. Couples have risen to do the will of God by putting their lives in order with the Lord.

We have had a crusade of miracles where children and adults were healed of hereditary diseases that they had been carrying for many years. We have seen the move of God in revivals, water baptisms, marriage seminars (Pastor Richard Rubi and Pastor Juan Pablo Cardo) and discipleship of men with national leaders (Pastors Gaxiola, Cardo and John Maiolo).

In our pre-teen and teen camp we have had a total of 100 children, making the love of Jesus present in each of the events we did with them. We always pray for the next generations that will come after us, because they are the future of our Fellowship.

Today we have three daughter churches in the countryside, doing the work of God and bringing the message of the Gospel to other neighborhoods of Córdoba.

My granddaughter Victoria was born on May 25, 2021 with a 24-hour life expectancy. They gave no hope of life for her because she had severe respiratory problems and other diagnoses. This year, on May 25, 2024, Victoria celebrated her third year of life! We are happy to have her with us, she is a very sweet girl who loves Jesus and knows that God has been glorified in her life. Once again, God shows us that he is the God of the impossible.

I want to close by saying that we love our congregation. We bless every new soul that enters our church seeking a new life in God. Thank you to my family for always supporting the work of God in this city.

A special thank you to my pastor and my mother church, who trust in us and give us the privilege of serving alongside them. We always pray for our Fellowship and our pastors.

**Dili Central, East Timor
Potters House
Pastor Steve Lassey**

Greetings from Dili, East Timor. The last few months have been an incredible time of revival, exciting things are happening in our small island nation.

We have recently celebrated our 14-year anniversary and had revival with Pastor Chris Plummer from the Footscray Church where we saw many people saved, filled with the Holy Spirit and baptised.

We also just finished a Timorese written and produced version of Heaven's Gates, Hell's Fury where we saw over 220 people pack out our building on the final night. Over three nights, we had 113 decisions for Christ.

We have seen new ministries begin and flourish, our weekly New Believer's Class has doubled since making it bilingual teaching in both Tetum (the local language) and English.

Also a couple of other highlights have been impact teams to our baby churches which are starting to see breakthrough, Disciples running out-

door healing meetings, many times seeing hundreds of visitors and many decisions and miracles.

We are believing God for continued breakthrough revival and appreciate that we are part of such an incredible Fellowship.

**Dili, West Timor
Potter's House
Pastor Rui Sarmento**

Greeting from Dili West church Timor-Leste.

My name is Rui and with my beautiful wife Dalia Sarmento, we were sent out in Perth Bible conference March 2024.

On July we had a grand opening with 2 revival meeting with Pastor Steve Lassey and Pastor da Costa. Prior to

Dili, West Timor congregation

revival meeting with Pastor da Costa, many people who got saved in previous revival with Pr. Lassey came back bringing new people with them. Pastor da Costa preached the message of hope and transformation in the name of Jesus Christ. We saw many decisions for Christ and healing happened every revival meeting. Overall, the total number people got saved in these revival meeting 209 people. Thank God, in our regular service we went from 4 up to 20

**Doncaster, United Kingdom
Potter's House
Pastor Michael Brick**

Greetings from Doncaster, UK. I would like to take this time to let you know what God has been doing in our city.

We have seen over the last few months a real growth and maturity in the church with record attendances, supernatural offerings and radical conversions. This had a major impact on our building facility which has become too small for what God was doing. We prayed, fasted and believed God as a church and didn't seem to see any breakthrough. However, all of a sudden God came through for us.

What months of calling land owners, property agents and councils couldn't do, God did. In less than a week we had signed a lease, got the keys and started renovations to our new church building. This did wonders for the church and it filled us with a real sense and belief that God is faithful and his promises are true.

The church have been able to complete the renovations successfully to create a house of God that has more than doubled our seating capacity. It also has a balcony for extra seats if needed and all the necessary rooms we need to facilitate the work of God in our church and local community.

We had our Grand Opening weekend a couple of weeks ago with an opening concert and revival services with Pastor Eric Mumba. On the streets we saw eight people give their lives to Jesus. In the concert we had a packed house with 17 people praying a prayer of salvation! The revival was timely and many visitors from the concert came out to each night and have been serving God since.

Dili, East Timor church celebrates 14th anniversary

that we had impact team from mother church and Dili East Church came to impact our city as we advertising the grand opening. We had 2 Bairo outreach concerts where more than 600 people attended and more than 100 people responded to the altar call with so many notable miracles. Deaf can hear again, depression get set free. On the first day of the revival meeting Holy Ghost was moving powerfully in the building and Pastor Lassey preached a powerful sermon with many people got saved even healing started happening before the service start. we saw many visitors came. The highlight to me was a girl came to the revival meeting by picking up our church's flyer on the street and came and got set free from demon possess, then the next night she brought her parent and they got saved and healed. The meeting started with 10 people and packed up on the last night with 50 people.

Straight after that, we continue the

new people come regularly to our regular Sunday service. I want to thank my Pastor, Pastor Lassey for his support, guidance and leadership and to baby churches that pray for us and helped bringing impact to Dili West Church. Please keep praying for us as we pray for you.

**Baucau, East Timor
Potter's House
Pastor Leoneto de Silva Ribeiro**

Greetings from Potter's House Baucau East-Timor.

A brief report from our city. On 5th of May 2024, we had an impact team from our mother church in Dili. We did an outreach during the day, and concert in the evening. We have seen more than 300 decisions for Christ. From that impact team, 30 people attended church in Sunday morning service. Glory to Jesus.

We're seeing an intensifying of disciple-making and are preparing workers to go and replicate what God has done here in Doncaster.

I want to thank you for your prayers and support. It's a privilege to serve God and build a work for his kingdom.

Cuenca, Ecuador
La Casa Del Alfarero
Pastor Amos Ray Sanchez

Greetings from Ecuador! It's a privilege to give a report of what God is doing in our church here in Cuenca.

Cuenca, Ecuador church plants permanent couple into Pavan de Shiña

The churches in Cuenca and Loja get together every year for a marriage seminar for our couples. It's always a great turnout, and this year was no exception with Pastor Manuel Cano preaching.

For Easter we had visitors come out to see our children's church performance.

Sally had her 5th annual Woman's dinner in April. This was our largest turnout with around 80 in attendance. We also had Pastor Cano's drama "El Chavo del Ocho," and we saw visitors and souls saved.

Recent revivals were a great encouragement with our Pastor Jeff Day, John Maiolo, Carlos Olivas, Les Uptain and Tony Bravo.

We took 16 to the June Bible conference in Lima, Peru, where we launched our first baby church - Silvio and Lorena Morocho into Pavan de Shiña. They just got a house and church building. They've been functioning as a satellite work with 25 solid believers. They will already be paying their own rent.

We thank God and our Fellowship for imparting this vision and then in-

Eldorado Park, JHB, South Africa
Potter's House
Pastor Jonathan Heimberg
Corres: Leebon Britde

vesting in us to do something for God in the beautiful nation of Ecuador.

God is visiting our churches in Southern Africa and Eldorado Park is a witness to that.

Seeing people saved, healed, baptized and filled with the Holy Spirit has become the norm for us.

Outreaches have been fruitful, as we see hundreds saved weekly on the streets, with regular visitors in every

South Africa Bible Conference in Eldorado Park

service. What we are witnessing is nothing short of the supernatural. God is pouring revival out on us to the point where keeping up with convert names has become a challenge with so many new faces.

We have been able to send impact teams to various churches every month with reports of numbers of people saved, healed and visitors the next day.

Our One80's are picking up momentum with people rising up to be involved, and disciples being trained to preach and pray for the sick in every concert.

Revivals with Pastor Scott Lamb, Success Adeshida, Craig Wilder and Nic Montoya have strengthened and edified our church and we are so grateful for these preachers.

Discipleships, Pioneer Rallies and Shepherd Seminars have kept Pastor Heimberg busy. The result of it was seen as we just concluded our annual Bible Conference with 1,500 in attendance, 19 domestic churches planted and two international works. Praise to Jesus!

With the growth and momentum of the Southern African Fellowship Churches, we are excited to announce that we will be extending the building to accommodate all that God is doing in our nation in preparation for the last days revival!

We are so grateful and appreciative of Pastor Greg Mitchell and the Prescott Church for the investment they have made and will continue to hold the Vision of our Fellowship in Africa!

Escarcega, Campeche, Mexico
Potter's House
Pastor Victor Hugo Balderas

Greetings from the south east of Mexico!

In 2023 we opened the church in one of the most undeveloped areas of Mexico, the state of Campeche in a city called Escarcega.

In the past, Escarcega began just like a little town that start to grow due to natural resources and the train

Evangelist John Valtierra ministers revival in Escarcega, Mexico

that was built in the heart of the city. It's a striking story because this city was appointed to be the capital of the whole state for its strategic location.

The Gospel arrived 30 years ago with major Christian denominations from the U.S., such as Assemblies of God, Full Gospel, Baptist, Presbyterian, and many more. These churches really had revival, big buildings were built, they believed in the power of the Holy Ghost, many still remember great campaigns and revivals with foreign pastors. Well known Christian artists and bands came to play massive concerts. Sadly, this almost entirely disappeared.

When we arrived, July the 20th, the spirit of this city impacted us with perversion, drug addiction, poverty, witchcraft, and thieves everywhere. We would never imagine that in the past all this happened. Big buildings were almost empty and the city was in a great need of spiritual power and justice.

We almost immediately started to preach the Gospel, and found a house with a building next to it. All this was with the same owner. We rented it and in our big opening we saw people getting saved, praises be to God!

We started to have regular services establishing the kingdom of God, outreaching, street preaching, giving out flyers, doing local concerts out in the streets, and we started to see good things happening.

We had a major setback, after Christmas. We went to visit a good friend of mine in Chetumal, missionary Luis Alcalá from McAllen, Texas, and when we returned our house was torn apart. Thieves broke in and took everything they could, hitting us financially very hard as we were pioneering. We cried but we knew we had to keep going and believing God for restoration.

We were challenged by the enemy for us to leave, but we decided to fight back and we had our very first Healing Crusade, which was truly a great miracle because we didn't have people serving yet, for we were at that time a church of five months. The city helped us with 200 chairs for the event and all permits. Pastors of our Fellowship from the area came to help us with their churches and to the glory of God we saw great miracles taking place and local people smiling and rejoicing for God was returning to his city again!

From that moment God started to faithfully build his church, sending great men of God to help us with powerful revivals, including Evangelist John Valtierra from Prescott, Arizona.

Now a year later we have a thriving church with men and women serving the Lord Jesus with passion. A key victory for us was seeing the thieves who stole at my house coming to church and repenting, receiving Jesus Christ as savior!

Please pray for the whole South East of Mexico, and for Escarcega as well.

Footscray, Victoria, Australia
Potter's House
Pastor Chris Plummer
Corres: Joshua Joseph

Greetings from Footscray, Australia! God has been moving in our church!

The past three months has been a great season of excitement. The season kicked off with a marriage seminar in May with Pastor Nomdo Schuitema from the Netherlands. Couples across the Victorian Fellowship were strengthened.

This was followed by our Area-Wide

Rally and Revival with Pastor Schuitema, where God's word and the Holy Ghost preaching stirred the church to persevere and lay hold of God's promises.

Our One80 Concert scene is vibrant. More and more of the youth in our church are getting into ministry and excited to form new bands and minister in drama presentations. Our concert scene has been driven by testimony nights and themed music events. This included a testimony concert by Pastor Rangji Pou from Napier, NZ. He shared his

Meth to Life - Pastor Rangji Pou Testimony Concert in Footscray

story of a life transformed from being a gangster and meth dealer to now being an effective pastor. The theatre we hired was packed and 15 people responded to salvation.

In July, our drama team presented "Heaven's Glory, Hells Fury," a confrontation of the reality of eternal judgement through modern day issues: trafficking, warfare, atheism, suicide pacts and youth violence. The drama was played out to a packed venue, with 15 decisions recorded across both nights.

The Footscray church regularly sends out impact teams across Victoria with reports of fruitfulness and the local churches growing from these teams.

We thank God for the wonderful things He is doing in and through our church here in Footscray.

**Glasgow, Scotland
Potter's House
Pastor Allister Cameron**

Greetings from Glasgow, Scotland!

We celebrated 40 years as a Fellowship church which was pioneered by Vic and Wilma Eason. We had a weekend of celebration in which Wilma (Eason) Allen was our guest of honour.

Pastor Alan Taylor from Norwich opened our celebration on the Friday evening and on Saturday we had a tremendous outreach in the city centre with impact teams from Waltham Forest and Leicester churches.

Early Saturday evening we had a fellowship meal followed by a concert and Pastor Pete Temple preached both services on the Sunday. We had a tremendous time of fellowship and saw visitors at all of our meetings in which several people got saved.

We as a church want to thank the Easons for coming to Scotland and we want to thank all those pastors and their wives for the investment they made in the Glasgow church.

Please keep our nation in prayer as Scotland needs more Fellowship churches and we are excited to see what God will continue to do over the coming years.

**Guadalupe, Nuevo Leon, Mexico
Potter's House
Pastor Angel Rivera**

Greetings from Guadalupe, Nuevo Leon, Mexico.

My name is Pastor Ángel Rivera and with my beautiful wife Sonia, we were sent to start this church in April 2022. Through a local we saw how the hand of God was with us, because in this area it is very expensive to rent a property.

After six months on the internet we found this property below the budget we had. I spoke with my pastor and we signed the indefinite contract. Without a doubt God was behind all this.

We began to work concerts, inviting

Glasgow church, founded by the late Vic Eason and Wilma Eason Allen, celebrates its 40th anniversary with celebration.

people from the area and they began to arrive. The brothers from Reynosa came to bring music. We projected a film and had visitors and two saved.

For the year 2023 we had the brothers from Nuevo Laredo who helped us with evangelization and a concert in the church. We had seven visitors.

Guadalupe, Mexico couple and their miracle baby

In December we went out to the markets with music and giving testimonies and bringing candy and toys to the children.

I would like to add as a special testimony that God worked in the life of a young couple who came to church. They did not have children, because after several studies, the doctors had informed them that could never have children. The doctor had recommended that they buy some puppies to keep them company!

My wife and I began to encourage them to believe in a God who works miracles and who could give them a baby. In a special service, Pastor Roberto Leiva made a call to women who could not have children and she responded to that call. In two months the doctor confirmed that she was expecting a baby!

At the end of nine months they received a beautiful girl in their arms. Seeing the miracle of God, they are grateful and serving God to this day.

It has been a great adventure to go with the hand of God and he has not failed. We continue with this precious work of God and I ask for your prayers. We are believing for great things!

**Howick, Kwazulu-Natal,
South Africa
Potter's House
Pastor Udesch Mthusamy**

Greetings to all. At the 2023 Southern African Bible Conference, we were launched into Howick, Kwazulu-Natal out of the Pietermaritzburg main church.

We started looking for a building and God came through for us as we met a Hindu man who owns a small mall in the area. He agreed to let out one of his shops to us for church and gave us the building for the price we wanted to pay including utilities.

On the 1st of June 2024 we kick started with outreaches from our mother church and sister churches from the Pietermaritzburg area. We had 41 people saved in the two outreaches. We had a concert later that afternoon and saw two people answer the altar call for salvation.

One of the people was a man by the name of Vicky Roberts. He was injured in an accident nine years ago and could not sleep on his left side due to the accident. We prayed for him for healing and God miraculously healed him. He went home and can sleep on his left side with no pain since. He and his family have locked into the church from our very first service.

One Thursday we did a healing cru-

sade for outreach and we had people healed. A lady who had suffered with chest pain for a number of years was delivered and set free that night.

On a Wednesday evening after service, we were about to go home and a mother brings her daughter and asks us to pray for her. She could not see in her right eye. We prayed and God healed her totally. Sihle and Lisulenkosi have locked into the church from that Wednesday.

We are contending for families to come into church. We had some children come without their parents. Eventually the mother came into church. That was the first time in 10 years she had entered church because she was angry at God for an event that took place in her life 10 years ago and she blamed God for it.

God touched her and she answered the altar call and got radically healed and transformed. Gugu has been witnessing to people and bringing her family and friends to church. This past Wednesday we saw her husband come to service and stay for the whole service for the first time.

We are thankful for the investment from Prescott into Pietermaritzburg and our mother church as God is moving in Howick.

We are contending for God to build His church in Howick and for people's lives to be changed by the Gospel of Jesus Christ. Keep praying for Howick as we pray for you.

Hurstville, Sydney, Australia
Potter's House
Pastor Darron Munzone

Greetings from Hurstville, Australia!

We have been incredibly blessed by God in our church this season. Our monthly prayer meetings have brought about miraculous moves of God. Many people in our church have experienced financial breakthroughs, large amounts of debt being cleared, and supernatural healing. God's goodness is undeniable!

Our church concerts and outreaches have also been a success, with many young people coming to our disci-

ple-led concerts and getting saved. Our pioneer churches are thriving as well, with the Henderson church in New Zealand recently celebrating their one-year anniversary.

We are currently working on our new church building, and significant renovations are underway as we prepare for its opening. Along the way there have been a few setbacks, but no problem is too big for God. The congregation has been supportive, generously investing their time and effort for the church renovations.

Despite the circumstances, we cannot wait to see what God will do in the city of Hurstville. Please continue to pray for the Hurstville church as we to pray for you.

Hyderabad, India
Potter's House
Pastor Indra Senereddy

Greetings from from Tngos Church, Hyderabad.

We had powerful revival meetings with Pastor Tom Drouot from Jan 31st to Feb 3rd in our church. We had more

Street outreach in Hyderabad, India

than 15 people saved, and many visitors.

We had a Revival Meeting with Pastor Robert Polaco on 21st July 2024 for Sunday Morning Service. Nine people responded to the altar call.

On Good Friday we used the chance to encourage the disciples for pulpit preaching about the seven words of Jesus on the cross. Four of the disciples who were faithful and filled with the Holy Spirit were given a chance to preach, and we had one saved. We also had a powerful Easter service.

We encouraged our church members to attend the Pioneer Rally in May in Bangalore. Fourteen members attended

from our church and every one was encouraged and reaped a great benefit out of every sermon that was preached.

With the help of our mother and sister churches we had a wonderful music concert at our church in June. We could see a tremendous presence of God's conviction in the concert.

I thank Pastor Jeevan and Pastor Chris Wendt for an opportunity to preach at Pastor Chris's church in Kolkata in July. We had five saved.

On August 2nd, my wife and I celebrated our fifth marriage anniversary by the Grace of God. We had a powerful special service at our church.

We have attended the continuous revival meetings at our mother and sister churches. Many of our church members were encouraged to attend these meetings in spite of their work. Many got deliverance from strongholds and bondages, and received hope in Jesus.

We have supported our mother and sister churches at Madhapur, and Kondapur.

We thank Pastor Greg and Sister Lisa Mitchell for their continuous efforts and labor for the Kingdom of God. Special thanks to my Pastor Jeevan and Sister Navya for their investment in our lives.

Saint Lucia, West Indies
Potter's House
Pastor Heath Flitcroft

Hello from Saint Lucia!
The Gospel is making its way around the island and making impact. It's a funny thing, when we will have visitors the people will tell of the good things we are doing. Then when asked if they are going to the church they reply "next time."

We are excited for the impact teams

Prayer during outreach in St. Lucia

We're grateful to be apart of what God is doing in the Caribbean! Please continue to pray for us as we are looking to impact Saint Lucia!

**Lince, Lima, Peru
Iglesia La Puerta
Pastor Eric Pizarro**

Greetings from the District of Lince in the beautiful City of Lima, Peru!

My family and I were launched out of the March 2024 Southeast Bible Conference in Jacksonville, N.C. We landed in Peru on April 15th, 2024. Since arriving, we have immediately begun to see the hand of God working on our behalf.

We have been using Uber drivers to get around, so we decided to use that as an opportunity to witness and make contact with Peruvians and Venezuelans alike. We have seen many Uber drivers pray, and so far, a few of them have visited the church as a result.

While searching for an apartment, the first deal we thought we had did not go through. We were bummed out because we really liked it, but as always, God had a plan.

We continued looking and found another apartment. We needed to provide letters, proof of income, etc. After sending everything, the realtor asked if there was anything else we could provide as proof that we are missionaries. I thought, "Well, let me send them the YouTube link of our farewell service." I honestly didn't think much of it, but the realtor said, "Perfect, that works," and set the date for us to sign at the notary.

When we went to sign the contract, the owner, Mario, was there. He said, "Eric, I saw your farewell service, and it really touched me." I was like, "Wow! Praise God!"

We met for breakfast the following week, he opened his heart, and that day, he made the decision to accept Jesus Christ. He has been faithful ever since and has been a tremendous blessing.

Shortly after moving into our apartment, we decided to hold rooftop services, and we saw God move through that as well. One Saturday, on my way back from outreaching, the front desk

told me that the cleaning ladies from our building were arguing. Mario spoke to them and said, "Tomorrow (Sunday), I want you to come in, clean your areas, and after that, I want you to go to church." Praise God! They all came, got saved, and started coming regularly.

However, shortly after that, one of the apartment owners in our building saw one of our flyers in the park and was upset. They contacted a small group of about eight property owners and began to attack Mario (who is the president of the HOA), sending him nasty texts and accusing him of illegally allowing a church to function on the rooftop. Unfortunately, we had to stop services on the rooftop, but we met in my apartment until we got our building.

Right before we signed for our

building, we had an impact team from the church in Trujillo, Peru, led by Pastor Daniel Rumiche. During that time, we obtained contact information for 26 souls, with 20 saved. That same week, we had another impact team from Magdalena del Mar, led by Pastor Paul Alvarez, and we saw seven saved.

I want to give all the glory to our Lord and Savior, Jesus Christ, for all that He is doing and will continue to do. I also want to thank Pastor Greg Mitchell, Pastor Louie Lobato, Pastor Dave Szczepsanski, and Pastor Carlos Morales for their leadership, prayers, and investment.

**Lenasia, South Africa
Potter's House
Pastor Ashton Tiervlei**

Greetings from Lenasia, South Africa. We are privileged to

Prayer during revival in Lenasia, South Africa

share what God has been doing in our city.

In the past six months, we had a revival with Pastor Whalied Ling. Throughout this revival people were healed, timely words were given and six men from our church answered the call to preach the Gospel. We have seen families lock in and respond to the call for salvation.

Our Pastor Jonathan Heimberg preached a special service on a Sunday evening in August. We had record attendance of 55 in our evening service. In this service we saw several salvations and notable healings.

We had a special service with Pastor Warren Koot and God was moving, he called for specific needs where individuals wanted to commit suicide and three people responded - one was a first time visitor. People with back pains were healed and legs grew out.

As we approached our annual South African Bible conference, we joined in on the Fellowship fast with our mother church, Eldorado Park.

As a pioneer work, this was our church's first conference and we were able to take several people to each

evening service. Many people in our congregation were greatly encouraged by the messages preached.

The Sunday after conference, testimonies were shared of God's miraculous power.

A man from our church was held at gun point and robbed of his entire salary. They were about to shoot him, but the gun jammed and the thieves ran away. He informed his employer of the incident and his employer gave him back all the money that was stolen from him. All this happened after this man and his wife, who has only been coming to our church for a few weeks, made the decision to put God first in their finances and tithes.

Many more testified of job opportunities and supernatural finances.

**Manzini, South Africa
Potter's House
Pastor Michael Brill**

Sanibonani Nonke! Greetings Everyone!

The Kingdom of Eswatini (formerly known as Swaziland) is a landlocked country bordered by South Africa and Mozambique, with an estimated population of 1,2 million precious souls. It is the last country in Africa to be ruled under an absolute monarchy. There are clear strongholds of poverty, culture, witchcraft and religious error and a clear need for the Gospel of Jesus Christ!

My wife (Michele) and I, along with our two daughters (Hannah and Evangeline), were launched out from the South African Bible Conference in September 2023 out of the Eldorado Park Church into the City of Manzini (in the Kingdom of Eswatini).

On February 5th we arrived in Manzini and began witnessing while looking for a building. We found many empty buildings, but according to the City

Council, none of them met the criteria for church use to allow for ample parking, so we began applying for special consent. In the meantime we began Bible studies at our home and we were working with about five new converts.

In April we found a temporary solution to a church building (a lecture room at The Bosco Study Centre). Although it was slightly isolated, we were still encouraged to have three services a week, while gaining momentum with regulars.

By June, I took a page out of Pastor Heimberg's book and preached our first revival, where we saw up to 15 souls in service for the first time. During this revival we saw souls saved and delivered specifically from generational curses. We also prayed for five souls who had legs grow out. One of our regular young ladies (Nokwanda) who didn't believe this was possible, had her own leg grow out!

A young man (Edwin) also came, prayed a sinner's prayer, started coming faithfully and at month end came with me to the Annual Johannesburg Men's Rally. He has been on fire ever since, coming to outreaches, leading souls to Christ, interpreting for me while I street preached and has helped me translate a few worship songs into Swati and came with us to his first Bible Conference in Johannesburg, South Africa in August.

Last conference Pastor Riaan Botha gave us a word that we would have resistance when we got there but that God would give us favour with the authorities and that we would have breakthrough.

Well, we had resistance from the City Council for three months with their building criteria. Pastor Richard Kakoma happened to mention to me that the President's Office in South Africa helped him to fast track an issue he was having with his passport. This triggered me to search and find an official website for the King's Office, detailing the Eswatini Constitution and highlighting religious freedom. With this information I approached the Council and asked them if I needed to contact the King's Office for assistance and the next thing I know, I'm speaking with the Director at the City Council to resolve our building queries.

By the 26th of June, we had our first

Isaac Mathebula revival in Manzini, South Africa

service in our own building on the main road, which holds up to 110 people. It has great visibility and access, allowing us to have morning prayer and weekly One80 concerts.

In August we had an impact team come from the Meadowlands Church in Soweto (Johannesburg) and had powerful revival services with Pastor Mathebula with more than 50 decisions made for Christ.

That Saturday was our first One80 Concert where we had 30 souls come in and a lady (Make Simelane) who had pain in her side for over 10 years healed. Since then, she's been coming to every service with her family and bringing visitors as well. The Sunday after the Revival we baptized her, her 17-year-old daughter (Bella) and her 15-year-old son (Lito) and have baptized nine souls in total in the past three months.

God is moving in Eswatini and I'm encouraged to say that there is a Church in Manzini. I want to thank the South African Conference body and our Fellowship for support, prayers and giving to World Evangelism. What we do absolutely works.

Saskatoon, SK, Canada
Potter's House
Pastor Derrick Clauschee

Greetings from Saskatoon, SK, Canada! We are glad to report of some wonderful things God has done for us.

We have been coming up with creative ways to get people to come to church, one being our monthly potlucks. Our church enjoys getting together and breaking bread as often as

they can while inviting friends and family. We have seen as much as 35 to 40 people pack into the church to get fed the Gospel before the potluck.

Late last year, we had Pastor Les Theiss from Edmonton, Alberta come preach a revival for us. We were glad to see a few visitors come out and the faithful as well to

The Saskatoon, Canada congregation

each service. There are still a couple people I am working with from that revival with our brother.

The church just had a great time with Pastor Elijah Pete in mid-August. He ministered in music and in the word in our Sunday Services. We had seen one of our most attended church services to date with 35 people coming out for his last service with us.

God has been faithful to hear our prayers for fruit that would remain. In the last three months, we have been blessed to have our next door neighbor start coming to church with one of her sons. They are excited to see all that God has in store for their lives ahead, as are we.

We so appreciate the vision of our Fellowship and headship. We thank our Canadian brothers up here for all their prayers and friendship. Thank you Prescott Church for the Gospel that has impacted our mother church in Chinle and our lives. Thank you Chinle for your faithful support and prayers for us up here in the North, and thank you Pastor Artie and Sandra for all the love and prayers. God Bless.

León, Nicaragua
La Capilla De La Victoria León
Pastor Manny Herrera
Corres: Claire Herrera

We bring a glorious report of what God is doing in León!

Launched out of Tempe's May 2023 Conference, we arrived in our city five months later. From the moment our "boots" hit the ground, there was an incredible acceleration.

We were able to secure a building in the Central Park our city, complete all the renovations and inspections, evangelize and open for our Grand Opening services within two months of our arrival.

From our opening service, we saw visitors enter

in and make decisions to live for God! Our city has been broken down by the oppression of an authoritarian government, and we are surrounded by broken walls, buildings and streets, and broken lives.

There's a strong religious spirit here, without the hope of change, but the fresh oil of the Holy Spirit has been poured into it! In the past 10 months of laboring in this city, we've seen God raising up a remnant of souls.

Our church was blessed by three key revivals with Evangelist Doug Kuehneman, Pastor Casey Mammen and Evangelist Mark Benavidez. This has been an amazing year of many decisions for Christ, miracle healings, monthly baptisms and two Jesus People weddings.

We were blessed with a concert and play put on by one of our sister churches in Managua and our building was at max capacity!

The city of León is known for its universities and the streets are full of young people without vision. Our faithful prayer has been, "God give us young people!" Our Friday Youth Bible studies currently see an aver-

The León, Nicaragua congregation

age of 25-plus and the Lord is raising them up in prayer and evangelism.

We currently have 15 members enrolled in instrument lessons with a desire to minister in our song services. Men are hungry for our bi-weekly Men's Discipleship classes.

We brought several couples and young men to the area wide Rally in Managua and they were stirred to see what we are a part of.

Currently, we have couples getting passports in preparation to attend the conference in Guatemala.

The latest miracle has been with our building situation! We are already outgrowing our main sanctuary as our core has reached close to 50.

Our building is a part of a historic museum, and the request to tear down a wall in order to double our sanctuary space was originally denied. We prayed and believed for divine favor in this need and several days later received a call from our landlord stating that approval to move forward had been given. Glory to God!

Our hearts are full of gratitude to be a part of the Lord's work on the earth. We petition your prayers. The situation here is very unstable and need supernatural miracles.

Namotomoto, Nadi, Fiji Islands
Potter's House
Pastor Greg Fisher
Corres: Gabriel Martinez

Greetings from Namotomoto Nadi, Fiji Islands!

This year has been a challenging, but fruitful one in Christ. We've been blessed to have revival meetings with Pastors Kris Simak (Panmure, NZ)

and Rangī Pou (Napier NZ). We saw numbers of people getting saved and healed on the streets and in the services.

We've sent out an impact team to Votualevu, our newest sister church near us and done revival meetings on the next biggest island of Viti Levu to the Labasa Church.

The saints have been faithfully giving and seeing personal breakthroughs with job opportunities and transportation.

One of our faithful members who had transport issues living quite a distance from church now has a car of his own which he's been using more for fellowships.

We've seen the morning prayer room fill up recently with a lot of young men responding after the vision was cast for the great commission to be fulfilled in the recent South Pacific Conference and Youth Camp.

We are excited to see what God has in store for us. Do pray for us as we labour here in Nadi.

Libala, Lusaka, Zambia
Potter's House
Pastor George Karabassis
Corres: Brian Samuhela

Greetings! We are excited to share some of the highlights of the events we've had from June to August 2024.

Towards the end of June, and at the beginning of July, we took our Jah night concert outreach to our area baby churches starting with the church in Chipata Maplot where Pastor Gershom Tembo is pastoring. We laboured all day spreading the

Gospel and inviting people for the evening concert, where we did live reggae and ragga music, with some drama skits at an outdoor location by a busy road junction. Many people came for the concert and at the end of that day's outreach, 86 souls got saved!

In July, we helped another one of our baby churches in Bauleni where an impact team was sent to help Pastor Deogracious and Monde Mutape. The team laboured all day, witnessing and inviting people for the evening outdoor One80 concert as well as the revival services which were scheduled for the following week.

We had an amazing response as many people turned out for the concert and over 100 people gave their lives to Jesus. In the same month of July, we did a Jah night concert for our church in Chongwe where Pastor Danny and Mwewa Phiri are serving, which was also fruitful.

In August, we continued with our regular Saturday outreaches while readying ourselves for our 2024 Central Africa Bible Conference which ran from 19th to 23rd August. We had international ministry on the Sunday just before conference where Pastor Jeff Day from Albuquerque New Mexico, USA, who was one of the main speakers in our conference, ministered in both the morning and evening services. Pastor Scott Lamb from Las Vegas, USA, was also the main speaker in our conference. We had a wonderful conference and as we concluded, one international work was announced plus five new local works.

On the Saturday just after conference, we held a Miracle Healing Crusade with Pastor Joe Acuna from New Jersey, USA. At the end of the crusade, 15 people gave their lives to Christ, and the sick were prayed for and they received healing. One woman came to the crusade with pain in her legs and she had difficulties walking. Pastor Acuna prayed for her and she was instantly healed as she leaped and ran around the stage in joy.

We are keeping the fire burning for Jesus here in Lusaka, Zambia!
