Prescott, Arizona
Potter's House
Pastor Greg Mitchell
Corres: Matt Sanderlin

His final words were, *"Therefore, go and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit. 20 Teach these new disciples to obey all the commands I have given you. And be sure of this: I am with you always, even to the end of the age."* Matthew 28:19–20 (NLT)

Christ's parting instructions to His disciples gave us the "Great Commission." This clear and simple mandate has become a distinctive of our Fellowship. As of the January 2025 Prescott conference, Christian Fellowship Ministries is now 4000 churches and growing. The final verses found in the Gospel of Matthew have shaped the world and formed our Fellowship.

The core principle of discipleship has been challenged, criticized, ridiculed, and even abandoned by many - including much of the church world. Yet, it is ironic that a believer or congregation could forsake the very foundation that established the church and brought salvation to the individual. Had discipleship ended with Jesus, or if His Great Commission had never been taken seriously, our world would look vastly different today. The same holds true for our Fellowship - discipleship has been the driving force that has sustained our vision for 55 years.

As churches send churches, discipleship becomes more crucial than ever. It wasn't enough that Jesus had effectively disciplined the twelve; He instructed that the new disciples must be taught Matt 28:20.

Serious Men is a group that was formed in Prescott 21 years ago and intended for men serious about their calling. In 2004, Pastor Greg began facilitating weekly discipleship training courses for disciples and men who felt called to preach. Providing biblical instruction, practical guidance, and leadership development, these lessons helped men to grow spiritually, mature in ministry, and develop personal discipline. Hands-on

Fellowship's 4000th church planted out of Prescott Winter Conference!

training enables disciples to fulfill the Great Commission and the calling God has on their lives.

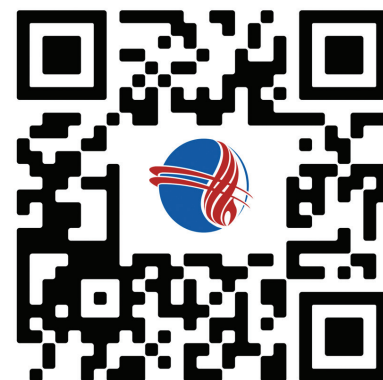

While this concept is not new, it is an imperative that cannot be neglected or move away from. Proverb 22:28 warns against moving the ancient landmarks that your fathers have put in place.

Pastor Wayman Mitchell often said, "The main thing is to keep the main thing the main thing." Saving lives, making disciples, and planting churches must remain the vision of our fellowship, and this cannot be accomplished without discipleship.

Serious Men lessons are now accessible on the Prescott Serious Men podcast, and more than 10 years of notes and lessons are available online through the Prescott Potter's house website. (Scan QR code or visit www.prescottpotterhouse.com/prescottseriousmen).

In August of last year, the group MANTality was formed, a discipleship forum for teens with a desire to develop in maturity, mindfulness, and manhood. Men's Discipleship classes, sermon writing workshops, pastoral Q&A sessions, and many other venues are essential to the fulfillment of discipleship and the longevity of our fellowship. The apostle Paul instructs a young Timothy to teach these things to faithful men (2 Timothy 2:2).

As a result of discipleship, the Prescott congregation continues to experience exciting times in reaching the local area and the world with the Gospel. The Christmas season presented a rich opportunity for evangelism. Between the One80 concert venue and the church, there were a total of seven different Christmas-related outreach events.

Find Serious Men materials at this link

One80 concert ministries hosted a Bluegrass Christmas, an Island Christmas, a Christmas Café One80, and a theatrical musical production that incorporated our puppet team and live actors in "A Puppet Christmas Carol."

Pastor Jesse Morales performed a spectacular reading of the Christmas Story accompanied by video and live music. Under the direction of Louie Paulino, the youth put on "The Nativity," an original children's church play.

On Christmas Day first time visitors were in church for a cinematic theater and musical experience titled "A Christmas Carol After." Each of these events presented a clear Gospel message and the opportunity for the lost to respond to an altar call. A wide variety of productions drew a broad audience and resulted in many decisions for salvation. Each event provided an opportunity for disciples to preach, and for believers to learn and grow spiritually. Outreaches

Baytown, Texas Potter's House Pastor Eric Cardenas

God is moving powerfully in our church and city, and we are witnessing His incredible work in the lives of individuals and families.

In July 2023, during one of our outdoor concerts, Pastor Garrett King pulled an altar call, and it was there that Maria made the life-changing decision to re-dedicate her life to Jesus.

Maria had been through a heart-breaking season, having lost custody of her two daughters due to her struggles with drug abuse. But in that moment, she found hope and healing in Jesus. At that time, Maria's boyfriend, Ricardo, was serving a five-year sentence in prison. While separated by distance, their relationship began to grow stronger through their faith, with Ricardo watching our services via FaceTime.

As God worked in their hearts, Ricardo experienced a radical transformation. While in prison, he gave his life fully to Jesus and made the brave decision to leave behind a dangerous gang he had been a part of for 18 years. It wasn't easy - there were many challenges along the way - but God was with him every step. Ricardo developed a deep desire to serve God upon his release.

On December 31, 2024, God moved in a mighty way, and Ricardo received unexpected news: he was granted an early release, four years ahead of his original sentence. We knew this was the work of God's mercy and power. Our church family had been praying for Ricardo, and we were thrilled to anticipate meeting him in person at last.

On January 2, Ricardo was finally home, and we celebrated his return to a new life in Christ. The couple made a decision to honor God by living separately until they could make things right and marry. They wasted no time

Ricardo and Maria, saved, delivered and serving Jesus

and were married on January 18 in a beautiful ceremony before God. Now, as a married couple, they are faithfully serving the Lord, and their children are making decisions for Christ as well.

This couple's journey is a powerful reminder of why we do what we do. We serve a God who redeems lives, transforms hearts, and makes all things new. The glory belongs to Him alone.

Please continue to pray for Baytown, TX, as God is doing great things in our city.

Austin, Texas Potter's House Pastor Roland Perez Corres: Jeremiah Wacker, Jr.

Howdy from the Capitol of Texas! God is doing a great work here in Austin Texas.

So far this year our church has rallied together in our local concert scene, Austin 180. Austin is the proclaimed Music Capital of the World, so with that in mind we have had bands rise up.

Men and women of all ages are coming together to help make a vibrant music scene! The music scene is set up and mostly run by young people, we have disciples rising up

to do altar call, the youngest being 17 and oldest almost 50!

We have seen visitors and new converts at every concert scene! We are also seeing new converts getting involved as well, from giving testimonies to set up and breakdown. This is what is bringing life to our concert

scenes, new converts and seasoned saints linking together with one goal, to reach the lost.

Since the January conference we have had a revival with Evangelist Jerry Fussell where many people were saved and converted! From that revival we had a young couple get radically converted, they stopped their sin, decided to get married and got baptised all within a month!

In February we had a marriage dinner with Evangelist Lacy Brunson, a timely message for our church couples.

We also had a baptism where seven people decided to make a public declaration of their new faith in Jesus Christ. Our church is seeing an influx of visitors from all the development in our area. God is drawing in many visitors to almost every single service, it is amazing to see revival in our city and church!

Lastly, from December to February we have had four weddings!

God is helping us here in Austin, Texas. We are extremely excited to see what God will continue to do in His church! Greetings from Austin, Texas! We are happy to report that we are seeing revival!

New converts getting locked in, having radical conversions and making life

changing decisions. We just got out of revival with Evangelist Ray Felan and had a Holy Ghost time. Many came to Christ, decisions were made and people were encouraged. We continue to see great fruitfulness from that revival.

We had our annual Harvesters as well with Pastor Mark Aulson where we had a tremendous time of encouragement and refreshing for all our baby works.

This May we continued to invest and partner with Pastor Packia Raj in the "India/Asia Bootcamp" as our Pastor and Evangelist Wacker with his wife headed over there to conduct the third consecutive Bootcamp in that nation. Seventy nine youth signed up for that Bootcamp. It had a powerful impact on their lives with countless decisions being made and many getting filled with the Holy Spirit.

We continue to press forward as we see the day drawing near! Pray for us as we pray for you!

Carlsbad, New Mexico
Potter's House
Pastor Manuel Espinoza
Corres: Eugene Rodriguez

Greetings from Carlsbad, New Mexico! Where Jesus Christ is still changing lives!

In July we had our first baby dedication of the year for baby Summer Rodriguez. Also we had Armando Montoya on July 14 for our morning and evening service. Our morning service had 45 people in attendance, with two visitors and four people saved. Our evening service had 32 people in attendance.

Two families have locked in since

this service where many were impacted. Both services were translated from English to Spanish. Additionally we had a baptism where seven people were baptized.

For the month of August we had revival with Evangelist Mel Montoya. Pastor Montoya delivered six anointed services and gave many encouraging words to several couples and individuals from God.

Throughout the week Pastor Montoya was with us we had 11 decisions made for salvation, with 21 visitors.

Pastor Angel Ortiz came and did a Serious Men's Bible Study and then gave our morning and evening services that Sunday.

Pastor Ortiz delivered two powerful sermons that changed lives. We had 51 people in attendance with three decisions for salvation and four visitors.

We had the honor of sending an Impact Team to Hobbs, New Mexico to take part in the grand opening of their 180 Concert Hall. We were grateful to be a part.

In the month of September several young disciples rose to the call and covered services for our congregation and all delivered very inspiring sermons. Also in the month of September we had a baptism where eight people gave their testimonies and were baptized.

We had two weddings in 2024. The first one was in May for Richard and Amanda Armendariz. Our second wedding was for Ramon and Brittany Fuentez in October. Ramon and Brittany had the privilege of spending their honeymoon at the Gallup Conference. We have seen God move

upon this couple's life since they surrendered to Christ.

We also welcomed Evangelist Micah Wright in October for revival. God moved powerfully upon each service. Pastor Wright gave many encouraging words to several individuals and couples. Attendance for this week of Revival reached as high as 57 people in one service.

October also brought the start to some much needed remodeling for our church. All thanks to God and the generous congregation we are a part of here in Carlsbad, New Mexico. We were able to expand our platform and congregation to allow for God to move and add more chairs.

At the end of October we had our Annual Fall Festival which was very successful! We had many families attend throughout the night. A total of 546 people who attended and 22 decisions for salvation.

One notable miracle we would like to share that took place this year. A lady and her husband were traveling through Carlsbad from New York. They stopped in during a revival service where the lady came in, in a wheelchair. She was prayed for, God touched her, and she left pushing the wheelchair! Praise God!

We here at the Carlsbad Potter's House are excited for to see what God will do this year. So pray for us as we pray for you.

Chandler, Arizona
The Door
Pastor Joe Campbell
Corres: Nicholas Bueno

Jesus Christ has risen from the dead! And by that resurrection power, God is building His church in Chandler, just like He promised.

Our recent Sunday School Series titled "Reading the Room" led by Pastor Torey Williams, has had a massive impact on our congregation. With touch points on themes such as people skills, forgiveness, redemption (just to name a few), it has influenced the flock and how we serve, interact, and minister. In the trenches of our frontlines when

working together, we often now hear the phrase uttered “read the room!”, which speaks to the awareness and help it has brought people in the recent months.

Altar call at Chandler revival

We decided to read the room in December, and hosted our first ever Winter Wonderland event. Setting up in our parking lot, we served food and held games at various booths/stations, along with a short film highlighting that Jesus is the Reason for the Season! It rallied the church together for a final event of the year, and perhaps more importantly, provided a visual to the church of the enormous potential for this event in the future.

Just a couple of weeks later for our Christmas day service, our first ever Men’s Choir performed special music, and let there be no doubt, that the Holy Ghost came down! Over 40 men redeemed by the Blood of the Lamb, stood up to sing, and to declare the goodness of our Lord Jesus! It was a “proclamation letting the devil know which side is up” is how one person described it.

Shortly after the new year, we began our annual in-home Bible Studies. We saw five first-time couples announced as assistants this season. Given the recent influx of visitors, and number of converts added to the church, this has been a near perfect segway to build relationships, and help solidify what God has been doing.

February 2 was the start of our annual Black History revival, featuring our very own, home-grown, Pastor Stacey Dillard. We kicked off Sun-

day morning with 33 visitors, and of those, 17 were at the altar making decisions for Jesus!

Our cookout following the morning service was filled with wonderful

fellowship, and the breaking of bread between new converts and saints alike.

In one sermon, Pastor Dillard challenged us this year to “Thrive in ‘25,” not merely survive. Every message was the epitome of timely and encouraging. By the end of the revival, we had seen more than 50 visitors and over 30 saved.

Let there be no doubt, One80s still work! Our concert scene is yielding fruit, and in the last couple of months, among steady visitors in attendance, we have seen young men rise to the challenge of becoming a One80 preacher. The spirit of our church, especially since our Bible conference in October, is one that we hope to capture and keep in the coming months, and for the rest of this year. God bless the Fellowship, and God bless America.

**Chinle, Arizona, Navajo Nation
Potter’s House
Pastor Artie Aragon
Corres: Elijah Pete**

Ya’at’eh and greetings from the Great Navajo Nation! God has been helping us tremendously these past few months.

We have made noticeable impact in our city that Jesus Christ is the only answer to our broken world.

In September we hosted a Res-

ervation Rally for the area and had over 500 in attendance. Pastor Jesse Morales powerfully encouraged our church Friday night and challenged our men Saturday morning. Both messages were timely and a reminder to contend for revival on and near the Navajo Nation.

In October we had a Halloween Carnival in the parking lot of our church. Our folks hosted over 20 booths and we saw more than 350 visitors, with many praying and hearing the name of Jesus lifted high.

December was a busy time of evangelism for us this year. The Rochester, NY church sent their exceptional singing production “Ebenezer” to our church. The Christian Broadway event attracted 273 people with 15 saved.

Our children’s church Christmas play has long been a big draw from the local community. This year did not disappoint. The production “Straight Outta Bethlehem,” brought in 390 from the city with both young and old hearing the Gospel of Jesus’ miracle birth.

We would also like to highlight a miracle testimony of man named Bryant. He had been coming in and out of church for close to a year (sometimes intoxicated). But in October Bryant came to church desperate to rescue his failing marriage and give his children a better example. He gave his life to Jesus that night and immediately began to see a supernatural transformation in his life.

He quit drinking alcohol, began attending services faithfully, and started helping around the church every day. His two young boys began coming with him and eventually got saved. A month later his wife stepped in the door and got saved as well. They recently dedicated their youngest daughter on a Sunday morning and the next week they all got baptized as a family.

Recently the family was blessed with a home after years of sharing a house that was falling apart. Bryant is seeing the tremendous power of Jesus Christ to not only transform a life but to bring blessing to his family and nation. Pray for us as we continue to reach the Native American tribes for Jesus Christ!

Eloy, Arizona
Potter's House
Pastor Gordon Parsons

Greetings from the city of Eloy, Arizona. My name is Gordon Parsons, and my wife Vanessa and three children got sent out of the 2016 winter Bible Conference.

Approaching nine years in this city, we have seen many conversions and miracles. We began to link hearts with other pioneer churches close to us.

We are seeing revival in a local rehabilitation center. In one year we have seen more than 300 souls give their lives to Jesus Christ in the rehab. We've had many countless souls repenting on our local streets - Eloy people getting saved.

In December we have an electric light parade. We partnered with our mother church, Casa Grande, AZ, along with Sells, Mammoth, Phoenix, Tucson, South Tucson, and Marana. We had more than 150 Christian soldiers that night, and people got saved during the parade.

God has used my life in this city. I've had open doors to minister. I had an opportunity to become a chaplain for our local police department, and became a part-time chaplain at my job at a prison close by in Eloy. I have had the chance to lead convicted killers to Jesus, both men and women.

We have had revivals with Frank Romero, Josh Sanchez, Joaquin Oroco, Frankie Chi, and Jacob Salas, all Holy Ghost services! God gave us grit and determination to fight, and we saw healings and conversions.

Please keep the pioneer churches in your prayers.

Greetings from Fresno, CA! We're grateful for the opportunity to share the incredible things God is doing in our city.

In December, we took part in the

Several pioneer churches partnered to participate in Christmas Parade in Eloy, AZ

city's Christmas parade. People were open to hearing the message of hope and the true meaning of Christmas.

We also hosted our first Marriage and Singles Seminar. It was a time of rich fellowship, and we were encouraged to see couples and singles reminded that God has a unique plan for each of us and

ran out of chairs, and many individuals had to stand. By the end of the night, we prayed with 32 people. Our second Christmas special was a Charlie Brown concert, where we prayed with 21 people.

Around this time, we had the privilege of hosting the musical Ebenezer

Fresno, CA church held both Marriage and Singles seminars

can use us in any season of life.

Our outdoor signs continue to bring in new visitors. We recently had an individual who works nearby, notice our sign and decide to visit. She has visited several more times and has also begun bringing her granddaughter along. We are constantly amazed when we hear that people are led to stop by after seeing our church signs.

Please keep us in your prayers as we continue to pray for you. We are excited about what God has in store for both our fellowship and the city of Fresno. God Bless!

Gallup, New Mexico
The Door
Pastor Tom Payne
Corres: Madison Shorty

Greetings from Gallup, New Mexico! We bring a good report of God's faithfulness as we co-labor with you to reach the world for Jesus.

In December, we had two One80 concerts that were particularly fruitful. For the first, we transported our guests to the world of Dr. Suess's Whoville, complete with a visit from the Grinch. There were so many visitors that we

from Rochester, NY, for two nights in Gallup. Our church building was packed both nights, with up to 338 in attendance. We prayed with over 110 people over the course of two days.

Right before Christmas, our children's church performed their stellar, annual Christmas play. This year's play was called Night at the Trading Post. Our congregation looks forward to these plays every year. This time, we prayed with over 40 people.

In January, following the Prescott Conference, we had our farewell service for James and Kersha Heimberg. Our church was excited to send them to Bernalillo, New Mexico. We are believing for them to be fruitful at their first posting. This was an exciting start to the new year.

In early February, our congregation hosted a marriage seminar with a fully catered dinner and ministry by Pastor Ray Rubi. We had a total of 34 couples attend. We thank God for helping the couples in our church.

For Superbowl season, we had a themed Gameday Concert at our One80, where we gave away several football-related raffle items. We had over 30 visitors, with five decisions for Christ.

Indio, California
Potter's House
Pastor Carlos Olivas
Corres: Juan Vargas, Jr.

Greetings from the beautiful city of Indio, California!

We've had an exciting time since the conclusion of Prescott's Winter International Bible Conference, as one of our own couples have been announced into Palm Springs, CA.

Following the conference, our church immediately entered revival with Evangelist Steve Nicodemus which saw young converts saved and planted into the church, people prayed for and filled with the Holy Ghost and old saints challenged and convicted. Eight individuals were prayed for and healed in one night from pains in back, leg and shoulders.

We were blessed to labor and evangelize with our sister churches in 29 Palms and Chula Vista. God has honored our labor and brought in new converts and visitors following the outreaches! Praise God!

We continue our efforts in our weekly outreaches on Friday evenings and Saturday mornings. Our saints are leading five to 10 sinners per outreach for healing, repentance, restoration and deliverance!

We are seeing the fruits of our labor as a young couple have attended our services, repented and have remained with us since their radical decisions.

A young man has entered the church stating that God drew him to the church and has been delivered from his addiction to alcohol. Backsliders are returning to the faith and are healed from various addictions and healed from a broken heart.

The youths are hungry for Christ and we continue laboring in faith as people come in droves to hear the Gospel. Young men are rising up to answer the call to preach and have begun to dedicate themselves to ministry.

We are also very excited to report the return of our Spanish service ministry by one of our couples that would serve as a great blessing for our city.

We thank God for the privilege to be a part of His great work in our city and

Jacksonville, Florida
Victory Chapel Monument Landing
Pastor Darren Walker

Hello from Jacksonville Monument Landing Church!

We are currently experiencing an outbreak of revival in our city. This is spreading not only in our church, but out of the "four walls" impacting our communities and the nations!

Over the course of six months the

schools. Many are coming in from personal teen outreaches and school clubs where young men are holding alter calls.

We held a baptism where 13 people testified what Jesus has done in their lives. Many being baptized were teens and they are still coming to church, saved and on fire!

The church has now received access to go onto our Navy base, where they can outreach and have Bible studies. Young men and women have stepped into the church from the base and experience true family and belonging. The church was blessed with many special services and revivals with Pastors Eisler, Campbell, Meyer, Harry Henry and Ernie Toppin. They

We were also privileged to go to Jamaica on an impact team where 60 souls were saved.

The church has been seeing a lot of teens coming in from our local high

One final blessing was during our Chandler Bible Conference, where we were able to launch out our fourth baby work!

We want to give all the glory to God for what's happening in our church. God Bless from your Jacksonville Monument Landing Church!

Katy, Texas
The Door
Pastor Adam Stephens
Corres: Briana Gonzalez

Greetings from Katy, Texas and our baby works in Bastrop and Bagamoyo!

This season we have seen revival in our churches! In Katy, we have seen multiple families come in and become faithful members of the church. We had a service where we saw a miraculous work of a multitude of people get filled with the Holy Spirit.

In January, the Katy church sent an impact team to help outreach for the awaited grand opening! We saw numerous people saved on this outreach and were also able to aid in the final preparation of the building.

During the grand opening in Bastrop, we saw over 50 in attendance, with multiple lives saved. As services have continued, the Bastrop church has continued to see fruit with multiple families getting saved.

On the other side of the globe, we are also seeing an impact in Bagamoyo. Pastor Curtis and Mary Carter have been experiencing a revival while in Bagamoyo. Pastor Adam Stephens just returned from a visit to Bagamoyo, where there were several saved and even more filled with the Holy Spirit during an impactful revival!

Las Vegas, New Mexico
Las Vegas Christian Center
Pastor Ray Rubi
Corres: Mario Sanchez

Greetings, from Northern New Mexico at the Las Vegas Christian center.

Since our last report God has changed course for one of our missionary couples. Pastor Jaime and Georgia Cruz were originally announced to go to Osaka, Japan but God had other plans. During the January Prescott Bible conference "Stewards of time" God spoke to them about going to pioneer a church in Andorra De Vella, Andorra a nation without a Fellowship church.

Multiple people filled with Holy Spirit in Katy, TX service

Partnering together with the Prescott church as of this writing they have relocated into that nation, and we are praying for favor and revival to a people that have not yet had the Gospel preached to them.

We want to thank God for a great open door at one of our local universities, where we held a back-from-break concert event, complete with coffee bar, free food, and a fit test competition which drew a lot of visitors. At the end of the night we saw three people give their lives to Jesus Christ. We are planning to do more concerts on campus with the hope of reaching these students for Jesus.

In February, we were blessed to have a two-day marriage seminar with Pastor Jesus and Pat Celaya who are pastoring in Mexico City. God through the preaching of the Gospel renewed our marriages, as we recommitted to honoring our wedding vows and love for one another.

Pastor Jesus stayed over to preach a revival for us where God, through his ministry, ministered to our lives richly. Lives were transformed, hearts strengthened, and quality decisions were made to keep serving Jesus.

All things are getting put into place for our upcoming Enlisted to Endure Believers Boot Camp, which will be July 21-July 26, 2025. The

Boot Camp is entitled "Lazarus Generation." As always we are expecting a great turn out, with the hope that God will meet with every single one of the teens that make the effort to come.

We want to thank God for his great mercy and grace as we con-

tinue to labor to build the kingdom of God together.

Our thanks to our Pastor Ray Rubi and sister Patsy for all they do for us as we continue to believe in God for revival. God bless.

Lubbock, Texas
Potter's House
Pastor Lee Williams
Corres: Denise Hernandez

Howdy from the Hub City of the South Plains. We are excited to report on the steadfast goodness of a promise keeping, miracle working God!

It was at the 2023 Gallup, NM Conference when a prophetic word, a promise, was given to our pastor, and a fire was set deep within the hearts of our congregants. After several years of wandering through the proverbial desert, we would finally be entering into

Lubbock, Texas congregation blessed with new building

the promised land - God had a building for us!

While our pastor has received many words over the years, this one was different. A renewed expectancy for God to move in the miraculous was stirred, and we began to scout the land. The land didn't look so promising, at least not initially, but we held onto God's promise and prepared for the blessing of a new building.

Meanwhile, we began to witness an increase in souls getting saved, prodigals returning, and financial blessings in the form of promotions and raises to our tithing members.

Come Summer of 2024, we located THE building, but the giants were great and the obstacles seemingly insurmountable. So we did the only thing that makes sense in these circumstances. We fasted, prayed and we engaged in the battle by taking new territory.

In October, we advanced on the enemy and announced the launching of our very best couple, Jaime and Michelle Ortega, into Slaton, TX.

Then in December, there was a shift. The giants and the insurmountable obstacles were no longer standing in our way. God had moved upon the heart of the seller! The price of the building was reduced, all furnishings, sound and media equipment would remain, and the seller allowed us to enter the building under a Lease to Own contract with the option to purchase after the third year.

Over the next three years, every penny paid on the lease comes straight off the balance of the sale price. That's "same as cash" or 0% interest! God is good!

We were handed the keys at the beginning of January and held our first revival with Evangelist Andy Anderson, each sermon digging deep into matters of the heart and bringing fresh revelation.

Already, we have seen an influx of visitors and people getting saved! For 30 years, our pastor and his wonderfully devoted wife, Sophie, have been unwavering in their commitment to see the lost won for the Kingdom. They are the epitome of lives laid down.

It is a tremendous privilege to be a part of all that God is doing here in Lubbock, TX, and we continue to await in eager anticipation for all that God is going to do. Please continue to pray for us as we pray for you.

Long Beach, California Potter's House Pastor Cameron Quiles

God is moving here in Long Beach!

We just secured our first building, in the last week of January, a week before our grand opening with Pastor Angel Ortiz.

Door-to-door outreach in Long Beach, CA

While we were getting our building ready for opening, we had three young guys from the local community help us and they've been faithful ever since. All three young men want to get baptized, have been evangelizing, and are wanting to go to conference.

We're finding open doors while outreaching and on almost every

outreach, and we're seeing people saved. Please continue to pray for Long Beach! God bless.

Lynn, Massachusetts Potter's House Pastor Anthony Ciaccio

Greetings from Lynn, Massachusetts. We're excited to report all that God is doing for us!

In order to complete the construction of the building on time for the grand opening, God provided us with a contractor who had all the necessary skills to have our building ready. He did a lot of work for us, which included installing an HVAC unit, carpet, fixing the ceiling grid, and helping us to pass all inspections with the city! The miracle was that even though I had never met him before, he did all this work at no cost to us, just to bless the church! God truly adds everything needed for his work to be accomplished!

We were able to have our grand opening this past October with a play from Rochester, NY, followed by a revival with Evangelist Adam Porter. We had many people saved, healed, and filled with the Holy

Ghost throughout the week, some of whom are still in the church today!

God has been steadily building His church since our grand opening! In December, we had a powerful week of revival with Pastor Steven Ciaccio. Pastor Ciaccio gave incredibly, timely words that changed the course

of people's lives. We saw converts become established in the church through this revival.

On the first Sunday of 2025, we had our largest service yet, with 27 people in attendance just three months after opening!

God has been moving powerfully, recently bringing two new families into the church - one from Colom-

Service in growing Lynn, Massachusetts church

bia and one from El Salvador - who both gave their lives to Jesus. We continue to be amazed by the diversity of people Jesus is drawing in. Each week, our church is filled with people from Jamaica, Colombia, El Salvador, Nigeria, Liberia, Haiti, Brazil, Guatemala, and even Louisiana! It's incredible to see the hope of the Gospel transforming lives.

In February, we held our first annual Couples Dinner, with four couples attending. We're excited to see people investing in their marriages. God is at work, and Jesus is building His church!

We thank God for the privilege to pastor wonderful people and are looking forward to all that God is going to do in our city!

Pray for us and for revival on the East Coast. God is establishing a powerful church in Lynn, Massachusetts! We are truly part of the greatest move of God on Earth!

Greetings from The 120's Here at the Mesquite Christian Center in Mesquite NV!

God is doing powerful things in our city and we want to bring a report from our desert town. This winter season has been a time of fruitfulness and we are beginning to see a supernatural move of God in our church! At our conference in New Mexico we announced our first baby church to be planted in

Pahrump, NV and since then God has begun to stir the church to fight for our city.

We started off the season with our first annual Trunk or Treat, and with some help from our sister church in St.

George we had a wonderful turnout. We had games and candy for the kids and powerful testimonies being preached throughout the night with over 200 people in attendance!

In November Pastor George Espinoza and his family who pioneer a work in Albania came back to our congregation to function as an evangelist. We have seen an increase due to his gifting and powerful ministry.

God has been giving us favor within the city and we have been seeing a steady influx of people coming into the church and giving their lives to Jesus. We have been seeing an average of 35 people every service, including Sunday nights and Wednesdays.

In December Pastor Manny Gonzalez from the church in Elko, NV came and ministered with powerful sermons and timely words were given.

We ended our year with a bang as we hosted our annual No-Talent night and we were joined by Pastor Dave Holland and his family from the church in Price Utah.

We have started our youth ministry on Fridays called The Cutting Edge and we are seeing revival and fire breakout among our youth!

We have also begun to outgrow our church building and are now

seeking God and his supernatural power to help us get a bigger footprint into this city!

God is doing miracles in Mesquite and we ask that you pray for us that God would continue breathing upon His Church!

Greetings from North East Las Vegas!

The past year of 2024 truly has been a great time and God has been showing us great favor. We have been seeing a growth in youth coming to our church as well as youth catching the vision of the Fellowship.

This past summer we had Pastor Heath Flitcroft (our previous pastor) and his family come from Saint Lucia to preach for us! From the previous years we have seen a growth and

it was a great time of vision, discipleship, and fellowship.

In the following months we had a revival with Pastor Scott Lamb where we saw constant visitors and people giving their life to Jesus Christ.

As we began the New Year, Evangelist Steve Wynn came to preach for us before January Conference and we saw God work! There were nine people who received prayer for healing and saw seven people healed! Notably there was a woman who was suffering from pain in her

neck, back, and torso and immediately after praying she was healed from months of pain!

We are thanking God for all that is happening in the North East of Las Vegas. We thank everyone for their years of investment as well as prayers.

Continue to pray for us as we pray for you!

Hello from Newport News, VA. God has been helping us greatly the last three months.

Our in-home Bible studies continue to be a great venue for fellowship and locking in new converts.

Our children's church was honored to minister to adults in the Christmas play, "The Forgotten Christmas." They really went out of their way, inviting relatives, friends, neighbors, and teachers. A mother of one of our members who has been visiting for a month gave her life to Jesus in the altar call.

We also held our first ever "Winter Games" Night. No, it has nothing to do with Olympic level athletics, rather an indoor game night. More than 65 visitors were in attendance with many returning for service the following Sunday morning. In early January we had the Howards' farewell service. It was an excellent time as we saw them off to what God has for them in Jamaica. They are underway in getting established. Please join us in praying for God's favor and that He would do a quick work there.

Recently unusual (at least for our area) inclement weather has blown in, yet we capitalize on it and used creative means to win souls. We have had two Saturday night movies recently that have been very fruitful. More visitors than we had expected have shown up. One whole family surrendered to Jesus and returned the following day for church services.

Two new converts took the plunge and were baptized. They are having a joyous time experiencing a new life in Christ. We expect more baptisms to follow as our current complement that are in the New Convert's class are nearly complete.

Pastor Larry Mitchell has made our theme for 2025 Radical Living. We are pressing the battle to the gates corporately and individually.

We thank Pastor Greg Mitchell and Pastor Joe Campbell for their leadership and examplesh. Please pray for us as we pray for you.

Greetings from Salem, Oregon where Jesus Christ is changing lives!

We are very grateful for the Vision of our Fellowship and the Pattern that has been imparted to us!

We ushered in 2025 with a Baptism on New Year's Eve with 12 pre-

for salvation and for healing and we are seeing God do many miracles!

The Good News Magic show continues to be incredibly fruitful! In January, four area churches partnered together, and we saw several people pray for salvation on this outreach, with more than 60 visitors in attendance at the magic show. After pulling an altar call, there were over 20 decisions made for Christ!

Regular Street Preaching outreaches have encouraged our young converts to rise up and to proclaim the Gospel boldly and publicly.

One couple in our church felt inspired to head up a new believer's Bible study which has been well attended and as a result new converts are being discipled and are being inspired by the Word of God.

Our Spanish ministry is continuing to grow and continues to be very fruitful. God is moving powerfully in our Hispanic community, as we are seeing many notable conversions!

As a multi-cultural church, we are seeing people saved from various nations around the world!

In January, we acquired a 9,000 square foot church building! This is a miracle and a fulfillment of a prophecy that was given to the Salem church over 10 years ago!

Pastor Foley and the NW Leadership church in Mc-

cious souls going on record! Among those that got baptized is one young lady who has already brought more than 30 people to our church and they are bringing others as well!

Our Youth Ministry is flourishing, and we are seeing a number of our youths in attendance, being discipled and catching the vision for reaching out to the lost.

We have regular Saturday outreaches and are praying with people

Minnville, Oregon continues to be a tremendous example to follow and to reproduce the Pattern of our Fellowship.

God is on the move in Salem and throughout the Northwest churches as we partner together to see souls saved, lives healed and restored in Jesus' Name!

Please continue to pray for our Fellowship church in Salem, Oregon as we pray for you!

We thank God for giving us a great 2024. It has been a blessing to see many new converts in our church, as well as backsliders that have made their way back home.

As always, we closed the year with an amazing revival with evangelist Jerry Fussell. We participated in the Redlands Christmas Parade with an elaborate float and a live band. We also held our annual Christmas Village and closed the year with our Children's Church Christmas play. All these events require a great amount of time and effort by our faithful saints.

It was certainly a busy 2024, but it's nice to see the fruit of that labor which has produced new people that are getting saved, converted, and are now serving God in our congregation.

Now we look ahead to an exciting 2025. We kicked off the year with the announcement of a new granddaughter church launched out of our church in Bogotá, Colombia. That church will be pioneered by a young couple who got radically converted after their daughter received a powerful healing miracle. Soon after their conversion they developed a zeal for the things of God and quickly decided to make themselves available for the ministry. Now they are preparing to pioneer a new work in Bogotá. We pray that God will produce an expedited and fruitful work in that city through this young family.

After returning from the January conference, we had a powerful revival with Evangelist Adam Porter. During that revival we saw people healed, the attendance grew daily, several of our young couples and older saints were challenged to step out and do more for God, and at the end of that revival there was a true momentum that had been rekindled

Redlands, CA revival with Evangelist Adam Porter

in our congregation. We are thankful for Evangelist Porter's ministry because it was a real blessing to our church.

We then moved into the month of February for our Marriage Seminars with Pastors Rich Cox and David Maldonado. We had 60 couples attend from our church and several of our baby churches. God used our pastors to strengthen many marriages through their encouraging sermons.

There is an expectancy in our church for all that God has prepared to do in 2025. We know that there is great blessing and more revival ahead. Please pray for us as we take Redlands, California for Jesus!

Rochester, New York

Hello from Rochester, New York!

December was a full month with our musical "Ebenezer" traveling west, performing seven shows in five different churches across Arizona, Texas, and New Mexico.

After that outreach team returned we were able to bring it to the Troy and Greece churches here in New York, finishing off with performing the show in our own city. Overall this outreach saw over 1,000 visitors, with almost 200 prayers for salvation this year. We are now looking forward to our next musical, "Jesus

Christ Risen Star," which we will be putting on at Easter. Please pray for this outreach that we will see lasting fruit and key converts.

One of our teenagers has recently started a Bible study at her high school that has been extremely fruitful. In only three sessions, she and her siblings have seen more than 80 students total in attendance with 71 of those saying a prayer of salvation. We are thrilled to see teens stepping up and it's absolutely the type of revival that we need to see in this next generation. A fire is being lit in our teens here in Rochester and we can't wait to see all that God is going to do through them moving forward.

Being the winter, it is common for the snow to slow things down during the dreary winter months. However, this winter has been the opposite. Our congregation has seen new converts getting married, young people stepping up, musicals, outreaches, Bible studies, and people locking in and getting involved. We are so grateful for all that God has been doing this season.

We would like to express our gratitude to the Fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

God has blessed our church abundantly, and we are so grateful for the opportunity to reach this city for Jesus. Please pray for us here in Rochester as we continue to take the land.

Seguin, Texas

Pastor Rene Torres

Hello from Seguin, TX! We bring a quick testimony of how God is moving in our city and congregation this past season.

Coming out of our South Texas Bible Conference, we announced our first Door Directors, Jose and Bianca Garcia. We also continued our street preaching and outreaching endeavors to include an area for the public to stop and get prayer!

Pastor Torres began a new Sunday School focusing on the foundation of our Fellowship with Pastor Greg Mitchell's video series on Memorial Stones. Those new to the church attended regularly; eager to learn the historical beginnings of our church.

We began our annual revival with Pastor Andy Anderson who came with words of accountability, endurance, healing and redemption. As we began revival, we had about 14 Texas Lutheran University students in attendance. Most were able to attend all of our revival services, responding to Pastor Anderson's preaching and prayers for healing.

During revival, Pastor Torres announced an open opportunity to begin Bible studies at TLU. We can't wait to begin this and see what God can do on this campus.

We recently joined our mother church in San Marcos for marriage and singles seminars. Please keep us in your prayers as God is opening doors in Seguin and we are having more visitors coming out to services!

Sierra Vista, Arizona

Pastor Rod Olmstead
Corres: Jeremy Summers

Hello from Sierra Vista, Arizona. We're happy to bring a good report about God's faithfulness to us here in Southeast Arizona. Together with our Fellowship, we are reaching the world for Jesus!

Florent and Sabine Coste, saved and married in Sierra Vista in 1998, now minister in Cayenne, French Guiana.

Recently, we partnered with Prescott to send Star and Caren Sullivan into Siem Reap, Cambodia. We are excited to report that we have received many wonderful reports of God's faithfulness in their ministry there.

We are also seeing many open doors and God's blessing locally as well! Some highlights of the last several months are a revival with Evangelist Steve Bowman in which many timely words were given and numerous healings were had.

Then before attending the July conference, Florent and Sabine Coste from Cayenne, French Guiana were here to minister to us. This was a special time for us as he and his wife were saved and married here in our church in 1998!

In August, we had Joaquin Orosco preach a revival, words were given and prayer for the sick, followed by Fred Gonzalas who came and preached for us in September, stirring our assembly.

In November, Evangelist Jan Willem Van Dam from the Netherlands ministered for us in a week of anointed ministry with numerous timely and accurate words with several healings. Then before the January Conference, our good friends from Germany, Pastor Frank Schwerer and his wife were here and he preached powerful messages setting the pace for evangelism and revival this year.

We have been seeing a rapid acceleration of souls saved here and have

baptized 11 people in the last couple months! Revival is in the air!

What a privilege it is to be a part of this great Fellowship. We are praying that God give our Fellowship an even greater year than we have ever seen in 2025!

Sparta, Illinois

Pastor Mike Stamper

Greetings from Sparta, Illinois! God is still on the move in our city and we are still excited about what he is doing!

Despite the cold, and sometimes inclement weather, good things have been taking place in Sparta this winter. One of those things included the announcement that the church building mortgage was paid off! This is an incredible blessing for the church to have the building paid for.

Recently, the disciples of the church, including long-time pillars of the church and newer disciples, have begun conducting the offering at each service. Mixing humorous, yet convicting, scriptural illustrations to the offerings, the call goes forth for the saints of the church to continue to give faithfully in their offerings and tithes.

The disciples have also been meeting regularly on Sunday mornings for a men's class prior to regular Sunday school. This has been a great time of learning, growth, and fellowship for the church's disciples.

Sunday school follows that group each week for everyone else in the congregation and that has also been a great time of learning.

In late January, early February Pastor Stamper conducted a Sunday School series on logic, which was powerful for those in attendance. The challenge continues to go out for as many people as possible to come to the Sunday school class as it provides discussion, growth, and an increase in revelation.

During the summer of 2023, right before the announcement that Pastor Stamper and Yolanda would be coming to take the church here in Sparta, a young man named Chrissean started

Teens in Sparta, Illinois church are sparking revival among young people.

coming to church, bringing his friends with him. This young man had prayed with Pastor Hansston some time before that and would come to church when possible.

After the Stampers arrived in Sparta, Chrissean continued coming to church and bringing friends with him. The fruit of this young man's conversion is numerous young people over the last year and half have come to church, prayed for salvation, and attended other church events.

What is more powerful is that last year Evangelist Glen Pugliese gave the Sparta congregation a word that the church would have influence and impact on the youth of this city. That impact is being realized as these young people have been coming to church.

Other young people have been coming because of the testimony of church members who work at Walmart and are not afraid to share the Gospel with their coworkers, who include some of these same youth. The Sparta saints are thankful for and excited about what is happening in the city's young people and continue to pray for all those who have been coming to church.

As winter comes to a close, the faithful saints of the Sparta church look forward to the spring and the events coming up. Those events include a revival with Evangelist Glen Pugliese, the Midwest Bi-

ble Conference in Carbondale, IL, and the 2nd annual Sparta Potter's House Craft Fair and Outreach in addition to the regularly scheduled church services, outreaches, and personal witnesses.

Continue to pray for the Sparta church and what God is doing here!

A large and grateful greeting from West Las Vegas, Nevada! We are completely enamored with what Jesus has done for us, and how we get to link hearts with our entire Fello-

humanity. It is also the place where God cultivates destiny and speaks to the hearts and souls with personal and audible prophecy. We are seeing more and more youths rise up and make those decisions to pursue destiny from experiences with Christ at the altar.

That is the definitive difference between our Fellowship and many other organizations throughout the world. We do not ever miss the opportunity to provide a corridor from sin to repentance without an altar call.

With that being said, we fostered many events over the past few months including revivals, outreaches, production plays, One80-night scenes, as well as much more all with the intent and foresight of one thing, delivering the Gospel for choices to made for Jesus

Australian Pastor Daryl Elliott prays for people during revival in West Las Vegas, NV

ship for the great commission.

As we look back over the past few months and all that we have been a part of its quite astonishing from a high level understanding of what we get to do.

Whether that was outreach events, production plays, musical events, discipleships, conferences, church services or one on one evangelism, it all boils down to one thing the greatest part of it all - the altar.

The altar is where all of the labor, evangelical tenacity and purpose manifests. The altar is the place where God himself does His work. Any event, testimony, witness, or Gospel expression funnels right down to the altar where repentance, salvation and conversion begin its radical course in the lives of

Christ.

We have seen hundreds saved from all of these instances. Our church has really put a lot of effort into increasing effectiveness with outreach production plays, and it shows.

We delivered a couple highlighted full production plays over the holidays called "Back to the Future" and "Charlie Brown." Both were executed with anointing and results for salvation.

As we move forward into the spring, please pray for West Las Vegas as we are entering into a new season of increased responsibility of ministry with our first Bible Conference in April. We are excited, and always know we are praying for you as well!

Amersfoort, Holland

The Door

Pastor Martin Klok

Greetings from Amersfoort, Holland! We're excited to share the amazing things God has done in recent months. The year 2024 has been a blessing, with growth in every area!

At the beginning of the year, we expanded our church auditorium by removing the wall between our fellowship hall and the auditorium. This renovation was necessary due to the lack of space, especially on Sundays. The wall has been replaced with a panel wall that we can open and close. During the first service after the renovation, the extension was already completely full!

We have also seen a lot of new people with the desire to be baptized. Nearly every month, new members take this step, turning our baptism services into true events, sometimes with more than six people being baptized per service, attracting many visitors, family members, and friends.

We launched a new initiative called "Dare-to-Believe Campaigns" throughout the city. Disciples picked a spot, the church helped prepare the scene, and we started preaching the Gospel and praying for the sick.

We faced a lot of spiritual resistance, including an incident where a tree fell on the car of the disciple who was preaching that evening. Despite this, God moved powerfully that night, and we saw a breakthrough in people getting saved and many delivered from pain and sickness.

In recent months, especially during our Sunday evening services, we have seen scores of young teenagers attending the church. They bring their friends and are open to the Gospel. We already saw some of these young people making serious commitments.

Next to that we also see a new group

Auckland, New Zealand 'Poly Proud' event saw 505 decisions for Jesus!

of young adults rising up and getting serious with God.

At the end of 2024, we went with an impact team of 41 people to the island of Guadeloupe (where we planted a church pastored by Jan Willem and Priscilla van den Bogaardt).

The team members learned some French and God moved. Many people got saved. During the last night 16 people prayed the sinners prayer at the altar!

We are grateful to be part of this Fellowship and for the friendships we share worldwide. Together, we will reach the world with the Gospel of Jesus Christ.

Greetings from Central Auckland, New Zealand, where God is moving in powerful and mighty ways.

One of the major highlights for our church since our last report was our Poly Proud event held in October. We had over 1,200 people in attendance, and an incredible 505 decisions for Christ were made that night.

Another highlight has been our summer outreaches. In particularly a mixed tag tournament where we saw over 700 people in attendance and 269 decision for Christ.

We are witnessing a wave of souls being saved and returning to church services and events, with God continuing

to build His work.

God has been helping us tremendously, and we're experiencing an amazing increase in momentum.

We are grateful for the opportunity to share what God is doing here in New Zealand.

It's evident that these powerful moves of God are the fruit of prayer. We extend our heartfelt gratitude to our Fellowship for your unwavering labor in prayer.

As we continue to pray for you, we ask that you keep us in your prayers as well.

Reflecting on 2024 and 2025, we stand in awe of all God has done in and through our church. We have witnessed God's faithfulness in the lives of individuals, families, and our congregation.

Our summer outreach programs have yielded many fruits, with increased participation and engagement from church members and the community. We conducted street evangelism and door-to-door witnessing and have seen several new visitors attend these outreaches and church services.

A key highlight is that one event saw 50 people respond at the altar, and four receive instant healing. We thank God

for His favour and continue to pray for lasting impact.

Our annual Australia Day celebration was a wonderful time of fellowship and community outreach. We hosted a family-friendly event featuring activities like backing bull, thong-throwing competition and a free sausage sizzle. Many first-time guests attended, providing opportunities to share the Gospel and connect with visitors from our community. The event fostered a spirit of togetherness and national pride, coupled with preaching the Gospel, which saw 20 people responding.

This was followed by a revival meeting with Pastor Jesse Morales. He preached powerful messages that stirred hearts and ignited a renewed passion for the work of God. Many experienced healing, deliverance, and fresh encounters with the Holy Spirit. It was such a tremendous blessing.

Our Youth Extreme event was a powerful time of ministry. The day started with almost 100 youths across our local churches who met at our Beechboro church to hear a word from Pastor Chris Ofanoa. He ministered powerfully, challenging the young people, and most of them rededicated their lives to Christ and were prayed for to be filled and re-filled with the Holy Spirit. The presence of God was great.

One of the brothers brought a word of encouraging prophecy and pumped the youth up for the day. They engaged in street evangelism and one-to-one witnessing. Pastor Chris and his crew did an amazing job doing some songs while allowing the youth to testify in between; for many of them, it was their first time! It was such a joy to see. We saw 74 decision at the end of the event!

The church expansion project is progressing steadily. Renovation efforts are underway, and we are grateful for the congregation's support and volunteer efforts. This expansion will allow us to accommodate our growing membership during our upcoming conference in March and provide additional space for ministry activities. We anticipate completion in a few months and believe in God's provision for the remaining needs.

We thank God for the incredible work He is doing through our church.

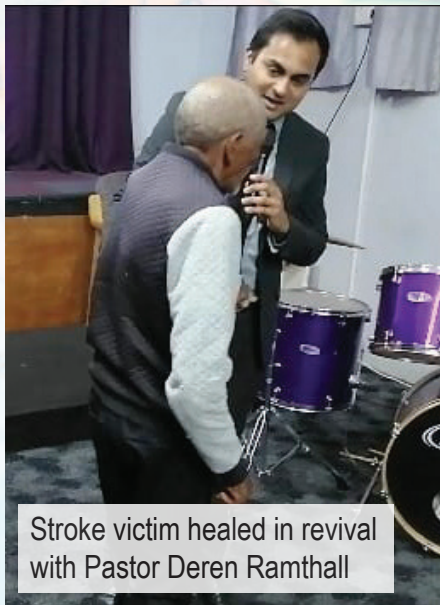

Each ministry effort has yielded great spiritual impact, and we are excited about the future. Thank you, Pastor Greg Mitchell and the Prescott church, for your leadership and also Pastor Daryl and Jillian Elliott for being a blessing to the Australia Fellowship.

Greetings once again from Cape Town, South Africa. We are extremely grateful for the goodness of God we are seeing in our congregation in Bonteheuwel.

During November we had a revival

with Pastor Richard Kakoma where we saw God helping our church and our people in the area of the supernatural. The Sunday morning of the revival proved to be the mind of God as one family came to every service after that. They had experienced a setback and tragedy in their lives but have been helped by God.

In December we had our annual Christmas outreach and services where we had several first time visitors and people responding to the altar for salvation. Our Christmas play is always a lot of work but we see the fruit of it.

In the month of February we had a three-night Healing Crusade and the two Sunday services with Pastor Deren Ramthall. We had over the three nights,

22 visitors and 21 notable miracles of healing. People were called out who had specific diseases and were prayed for and God healed them!

One man had a stroke 18 years ago and was dependent on a walking stick. After prayer he walked back to his seat without the stick! Glory to God. There was another girl that came for prayer for healing and salvation after finding out she has Tuberculosis and AIDS. God is touching the lives of precious people.

Another powerful miracle we saw God do was a young man that was hospitalized after a throat infection. The doctors were wanting to perform surgery on his throat, but after the church prayed for him he was discharged three days later. We serve a miracle working God.

Our church has partnered with the Eldorado Park church for the six month building pledge and have seen miracle money and fruitfulness as a result of it.

We are extremely grateful for the goodness of God.

Greetings from The Door Christian Fellowship Church of Burundi - Bujumbura. God is helping us as we continue to preach and bring the good news of salvation to our country in outreaches.

Our church is experiencing revival. We are seeing souls coming to our Lord Jesus on every outreach. Our regular services, Sunday School and prayer meeting are at a record attendance.

Many people have received Jesus in outreach. Three of them got baptised and they are still in the church. The new disciples are excited and striving for ministry, new converts are getting involved in what God is doing and we see visitors on every service.

Please, keep the Burundi congregation in prayer that we can have our own plot for our churches in Burundi.

May God bless you. We continue to believe God and demonstrate his power to save.

Greetings from Cebu, Philippines!

In celebration of the New Year, churches conducted water baptisms, outdoor concerts and preaching at public beach resorts. There were 82 new converts baptized that day. A lot of people have witnessed and heard the testimonies and good news.

Our city celebrated their grand annual fiesta celebration. Filipinos came all the way from different cities and provinces just to join the mega fiesta celebration. But just downstairs of our church building, we conducted a street Gospel concert. While thousands of people were passing by, we played Christian music, gave flyers and preached the Gospel.

We also had brothers and sisters of Christ who were miraculously safe after a car accident. On one rainy evening, our brother in Christ was driving the church people home after the service. Since the place was uphill and slippery, it was difficult to drive up so the car descended back, bumped into a house fence and fell sideways. There were six elderly people, six youths and a toddler inside the car. Rescuers came and assisted the accident. Their pastor came and prayed for them. All passengers were treated and underwent examinations. Thank God all of the x-ray results were negative with just only minor bruises on their bodies.

We also had one pastor and six young people who had experienced intense vehicle crashes. After a car bumped on their customized passenger-type motor, the pastor lost consciousness, waking up to find out they flew meters away from their vehicle. Lying on the ground, he saw his

co-pastors and first aiders gathered around him. They were rushed to the hospital. Four of them were critical and two had only minor cuts. They went for a surgical operation. Thank God the operation went well and they are now recovering.

Street preaching, home Bible studies, night concerts, jail ministry, and hospital ministries are fruitful. We have seen new young people surrendering to Christ; live-in couples who were finally married; families opening their home to the Gospel; financial breakthroughs; and more! Praising God for He is indescribable!

We thank Pastor Greg Mitchell, Pastor Dave Stephenson and Pastor Louie Lobato for their labors, prayer and investment. To God be all the glory!

Greetings from Chingola, Zambia. We have seen the goodness of God in the past year and into this New Year.

Last year we were once again privileged to attend the Annual Central African Bible Conference "Focusing on the Mission" with guest preachers Pastor Jeff Day and Pastor

Scott Lamb. We were able to plant a church in our neighboring city Chililabombwe.

In the month of September, the mother church hosted the Copperbelt Campaign and we gave the opportunity to two of our baby churches to host in their areas, one night in Nchanga North and two nights in Lulamba and we really saw the hand of God, many people were healed and many gave their lives to Jesus.

In November, we hosted our Annual Chingola Harvesters Rally "The Gift of Ministry" with guest preacher Pastor George Karabasis from Lusaka. It was a great time of ministry, were the church and the area churches were refreshed and encouraged to appreciate ministry and not take

it lightly as a side hassle or second option.

On Christmas Day we had a carols service and fellowship, it was really awesome to see people come out for the service especially for the fact that it fell on a Wednesday.

On New Year's Eve, we held a potluck dinner which was really nice, we saw people bring lots of food to share. Many people gave testimonies and our pastor gave a short exhortation encouraging everyone to embrace God's vision and not our on for the following year.

We entered the New Year powering on for Jesus and we have truly seen his hand upon us with frequent decisions in our regular services and seeing families lock in.

We are extremely excited to see what God is going to do for us in this year and we are expecting good things. Keep praying for us as we take Chingola for Jesus.

ule of church activities. Starting with a revival last December, Pastor Dinh Luu from Australia ministered for three nights and in Men's Discipleship class. There was a powerful move of God. We were encouraged that we have access to God's throne. He warned us about Satan's trap and gave us hope in Jesus that our tears of sorrow would become tears of joy.

We also had our Children's Christmas Presentation, "I Am Thankful," where the God-given talents of our Sunday school children were shown for God's glory. This conveyed a message of gratefulness that we are fearfully and wonderfully made by God, and that Jesus is the best gift ever. A week after, a Christmas Concert, "Blessed," was staged by the choir ministry. We were reminded of how

blessed we are, despite life's challenges, that Jesus is the greatest blessing and reason for Christmas.

Then, we had a Jesus People's Wedding on a Wednesday service. Visitors heard the Biblical truths on marriage and received

Jesus as their personal savior. Lastly, for 2024, we had a testimonial service and New Year dedication on December 31st. We were blessed with several testimonies of financial blessings, comfort and strength, favors in work and school, and passing the physician's licensure exam. God has truly been faithful!

Our first revival for 2025 was in January with Pastor Victor Vargas from Tempe Church. Though it was only two nights, we had a wonderful time, and God's presence was felt. We were reminded to trust God, for better things are ahead, and revival is coming.

Ibring greetings from Verulam, Durban, South Africa.

God is on the move. We just purchased property for the church and are busy moving. We're set to have a grand opening in April. This is a great breakthrough as the church is going be 19 years old.

We have a boy in church who has no legs, and uses prosthetics. He is baptized, on fire for God, and doesn't let his condition limit him at all.

Pastor Prince Matladi

Greetings from the city of eMalahleni. We have been seeing God's hand of deliverance and salvation moving upon lives.

In September, we moved out of the

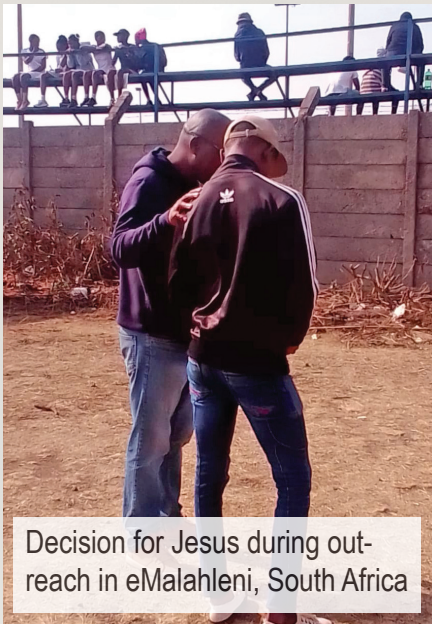

Land for new church in Durban, South Africa

ing in our morning outreach team. Before the disciples hit the streets, they seek God in their morning prayers and gather for an hour of Bible sharing. New saints are coming and testifying what God has done in their lives. On average, 70 souls are saved every week through this ministry alone.

We are excited to see more from God as we start this year. We are praying for breakthrough after breakthrough in our soul-saving ministries. That God will raise more workers for His great harvest.

Remember us in your prayers as we continue to take Davao for Jesus and

school facility where we were holding our church services into another location. Our first service in the building I preached on the Holy Spirit and several folks came forward to be baptized with the Holy Spirit. A guy who has been on and off from church for three years also came forward and was miraculously filled with the Holy Ghost. I heard him praying in tongues for the first time in three years! The following day I find

Decision for Jesus during outreach in eMalahleni, South Africa

him waiting outside the church building to join us for morning prayer. A couple of weeks later he gets convicted to close down his small business where he was selling cigarettes and also made a decision to break up with his girlfriend. He is always on our Saturday outreaches and this year has opened up his home where we are currently doing a Bible study on Friday evenings. We thank God for His delivering power!

After the South Africa Bible Conference, we took opportunity of the Spring/Summer season where we are on the streets three days a week evangelizing. As a result we have seen a steady flow of first time visitors in our church services.

In October, we had a young lady visiting our church service on Wednesday evening. She comes from a broken family and confessed that her mother spoke words on her life saying that she will never get a job and that if she wants to get a job she must participate in some witchcraft rituals. She has not been working for more than five years, but since she came to church God moved upon her heart and she got stirred to start tithing from whatever was coming in. She just got a job and attributes her breakthrough to tithing.

In February this year we had an impact team from our mother church, the Eldorado Park church. Impact was made through street preaching, one-on-one evangelism, knocking on doors and presenting the love of Christ. At the end

of the outreach we had 44 decisions for Christ! We are still seeing the fruit of that outreach in our church.

We thank God for all that He is doing in eMalahleni and for allowing us the privilege of being part of what He is doing on earth through our Fellowship.

I would like to thank my Pastor, Pastor Heimberg for his leadership, and the Eldorado Park church for the love, support and investment in eMalahleni. Keep us in prayer as we contend for revival in eMalahleni.

Hello from the Hurstville church. It has been an amazing season for us!

We kicked off 2025 in revival with Evangelist Ernie Toppin. On the first day, we hosted our first Hurstville Pioneer Church Rally, setting the tone for the week. The revival was filled with Evangelist Toppin's incredible testimony, live music, and powerful preaching.

In this revival, Evangelist Toppin had really cemented that God was working in our nation. Back in 2023, during a revival service, he prophesied that a mighty revival would sweep across Australia and New Zealand. His words were a powerful declaration of what God is doing in our nation.

Early this year, 20 of our Hurstville saints went on an impact team to support our first overseas pioneer church in Henderson, New Zealand. Our saints were able to impart a spirit of discipleship to the new believers, who were eager to learn new skills that would help them in their ministries at the Henderson church.

We were also greatly impacted by the experience in Henderson and witnessed a tremendous revival there. We shared

the Gospel with the youths of New Zealand, who were hungry for the Word of God.

On the first night of revival, there were 70 visitors, with 40 saved. Overall, approximately 300 people were saved during the week. It was an amazing opportunity to witness God at work in our pioneer church in Henderson.

As we seek a double portion for our church, we ask that you continue praying for the Hurstville church, just as we are praying for you.

Greetings from Hyderabad, India. In January, we had powerful Revival meetings with Pastor Tom Drout.

On the final day, Pastor prayed for people to be filled with the Holy Spirit where one of our disciples got filled with the Holy Spirit. One hundred and thirteen people attended the service, and more than 10 people were saved

Baptism in Hurstville, Australia

through the revival.

We thank Pastor Jeevan and Sis Navya for helping us to get such an amazing revival through Pastor Tom Drout.

We had a revival meeting with Pastor Robert Polaco in July for a Sunday Morning Service. We saw 72 in attendance, with nine saved.

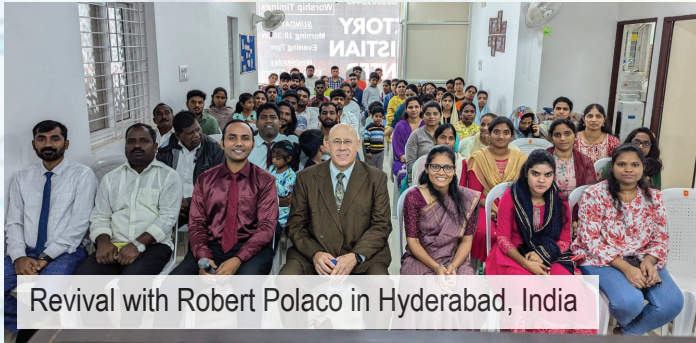

On Good Friday we used the chance to encourage the disciples for pulpit preaching about the seven words of Jesus on the cross. Four of the disciples who were faithful and filled with the Holy Spirit were given a chance. We

had a powerful Easter Service on Sunday morning and evening.

We encouraged our church members to attend the Pioneer Rally in Bangalore in May 2024. Fourteen members attended from our church and every one was encouraged and reaped a great benefit out of sermons preached by Pastor Martin Klok and Pastor Packia Raj.

With the help of our mother and sister churches we had a wonderful music concert at our church in June 2024. We could see a tremendous presence of God's conviction in the concert.

In September we conducted another music concert at our TNGOS church.

Revival with Robert Polaco in Hyderabad, India

Fourteen members from the church came to the morning outreach. We prayed that it wouldn't rain before the concert as it was dark and cloudy. By 7:20 p.m. all people were inside along with new visitors and once the concert started there was huge rain outside. We thanked God for his grace.

I had the opportunity to preach at Pastor Chris Wendt's church in Kolkata in July 2024. That Sunday God brought 15 in attendance and five people got saved.

In August, my wife and I celebrated our fifth marriage anniversary by the grace of God and we had a powerful special service at the church. I have heard that God spoke specifically with a few members of our church about the importance of marriage.

In January this year God moved my mother-in-law to live for Jesus and we have baptised her. She has started going to church on Sundays in her village.

We thank my Pastor Jeevan and Sister Navya for their continued effort and labor for the Kingdom of God. Special thanks to Pastor Greg Mitchell and Sister Lisa for their support.

Johannesburg, South Africa Potter's House Pastor Isaac Mathebula

Greetings from Meadowlands, Soweto. Johannesburg. God has been so good to the Meadowlands church.

Last year we experienced a breakthrough with a building that is in a strategic location in Meadowlands township. Upon moving we saw many new faces every service. Our regular concerts saw many souls saved.

Our building grand opening with Pastor Riaan Botha and Evangelist Jonathan Mphake refreshed the church.

One family came in, locked in and a miracle happened where a family member began to tithe.

We partnered in prayer for a gentleman who was in hospital for attempted suicide. The church interceded and a miracle happened! God intervened and he recovered from all the poisonous substances he consumed to end his life.

We are believing God for another wave of revival as we approach winter season.

We appreciate Pastor Stacey and Daphne Dillard for pioneering this church, and Pastor Jonathan and Rachel Heimberg for their leadership in South Africa.

Kathmandu, Nepal Potter's House Pastor Tim Miller

Greetings from land of the Himalayas! God is doing a great work in the nation of Nepal, and in the Kathmandu church.

We were sent from the July 2024 Prescott Conference to take over the church from Paul and Amy Arps. We

Outreach in Johannesburg

thank God for them, and all who have come before us to labor in this great nation. God has built a faithful core of believers here that is a testimony for Jesus in a nation that is largely ignorant of the Gospel.

We evangelize through one-on-one witnessing, concerts, and other special events despite anti-conversion laws. It's great to see the vision of our Fellowship being fulfilled as disciples rise up to lead these outreaches.

A revival with Wade Schulz saw more than 20 first time visitors, eight saved, four filled with the Holy Ghost, and five men respond to the call to preach the Gospel. Thank you to Pastor Schulz and the Odessa church for their investment here!

Our Thanksgiving outreach attracted 25 visitors with five praying to receive salvation. In December, we were able to send three couples to the India Conference where they were stirred for the vision of our Fellowship.

Our Christmas service brought 80 people to church, with multiple people answering the altar call. In January, we were able to move into a new building that is three times larger than the old building and is in a better location. Our grand opening service drew 80 people.

We are looking forward to a breakthrough year in 2025! This nation is filled with desperate people, many of whom have never heard the Gospel even once. False religion has left them without answers and the result is that Christianity is growing faster here than any other nation in the world.

We currently have three churches in Nepal, but the field is white for harvest in this nation of unlimited potential.

**Almaty, Kazakhstan
Potter's House
Pastor Paris Dominguez**

Greetings from Almaty, Kazakhstan. We are encouraged to see all that God has and we have confidence for the future and what He will do.

God has been adding to the church families and individuals with different cultural backgrounds and languages but one common denominator - they all were lost and broken, until they came and discovered the blessed hope in Jesus Christ - Kazakhs, Uighurs, Russians, and Filipinos, West and South Africans, and Indians (our services are conducted in both Russian and English) are being saved and added to the congregation.

In the spring and winter we baptized seven precious souls with amazing testimonies of transformed lives by a living faith in the person of Jesus Christ.

We have a particular family in our church that has three sons who are approximately 20 years apart from the oldest to the youngest. They had for a long period desired to have daughter, however they came to the conclusion that it probably might not happen as time passed on.

Today, God has blessed them with a beautiful baby daughter. When the wife discovered she was pregnant, she was shocked, and even more surprised to find out that it is a girl.

However after the good news, came the onslaught of negative doctor reports, major complications, even some suggesting to terminate the pregnancy because the baby might not be healthy or normal. Both parents stood in faith and on the promises of God, rebuking the evil report in the name of the Lord. Today they have a miracle daughter and we have this precious girl as a new member of our church congregation.

Since we have been in our new stand-alone building we have seen many visitors from the region and local community.

Recently one fellow came in looking for direction. He shared with some

Almaty, Kazakhstan congregation

of the brethren that he was a committed Muslim. However during the song service and then specifically during the preaching of the Word of God, the Holy Spirit visited, bringing a conviction of sin and revealing the need for the righteousness that comes only by faith in Jesus. He answered the altar call and was supernaturally touched by God, discovering for himself that Jesus is truly Lord and Savior.

In Almaty, Kazakhstan, we have been under persecution from time to time by the local city government's secret police, and currently they are again up to their shenanigans. Please pray for us for both victory (in this new situation) and liberty to proclaim the Gospel boldly and freely in public venues.

God has given victory in times past over similar circumstances when the Secret police tried to create scandal with dubious charges for simply singing about the name and power of Jesus and preaching the Word of God. The Lord gave us favor in the courtroom. I know it sounds unusual, but our attorneys' names were both "Ms. Vera" (Faith) and "Mr. Ayan" (Revelation), and we stood before the honorable judge whose name is Ms. Isa" (Jesus!). Because of the prayers of the saints and the grace of God, our case was completely dismissed by the judge. Pray for us that we will have the same favor and even greater victory over the schemes of the adversary and for complete liberty and open doors to proclaim this blessed Gospel of hope in our Lord Jesus Christ!

Thank you Jacksonville, Norfolk, Prescott, and Vologda churches. Thank you Pastors Szczepanski and Greg Mitchell, and thank you to my dear wife.

**Lusaka, Zambia
Potter's House
Pastor George Karabassis
Corres: Brian Samuhela**

Greetings from the Lusaka Church! We were excited to end the year 2024 with our annual Men's Rally in December with Pastor Artie Aragon from Chinle, Arizona.

Thereafter, Pastor Aragon ministered powerfully in our revival services where we saw people getting saved, delivered and touched by the hand of God.

Our media team took advantage of this period to sit down with Pastor Artie Aragon in an interview posted on our YouTube channel. Pastor Aragon shared great insights in the interview on discipleship, and the impact the Chinle Church has had on the Navajo Nation.

God has been helping us in our regular neighborhood evangelism. In December we had recorded 38 decisions for Christ out of our regular Saturday outreach program. There is a burning desire amongst young people to work for God as they are improving in their commitment and showing genuine interest to get involved in ministry and to serve in church.

The month of December is always full of activities, with the commercialization of Christmas – as a church we always take advantage to reach out to the many souls during our outreach programs. We had our midweek service in the morning on Christmas day; we saw many attend the service and ministered to by Pastor George Karabassis. We had Holy Communion. The following Sunday afternoon service, the Children's church ministered through poems, songs and a skit depicting the birth of

Jesus.

On the first Saturday in January, we had a mini soccer tournament by the ground adjacent to our church property. Disciples from our church headed that outreach program; they preached the Gospel before the soccer matches, and we had 13 young men give their lives to Jesus. In the evening of the same Saturday, we had a Club One80 concert, and four people gave their lives to Christ during that concert.

our services, outreaches, and impact teams. People have been responding to the messages, resulting in souls being saved both on the streets and within our church. Our follow-up efforts have been fruitful, as we have done few lessons on outreach and follow-up.

Our youth have been growing in confidence to share their faith on the street, effectively reaching out to their peers. Pastor Heimberg conducted special revival services on July 25-26, 2024,

one visitor pray the salvation prayer.

Men in the congregation are experiencing spiritual renewal, with two individuals accepting Christ in recent services, including a visitor brought by a new convert.

The hand of God is evident in bringing individuals to Himself and building His church and indeed God is moving in our midst, shaping and equipping us for His divine purposes.

We are looking forward to what God is going to do in our church this year.

We had two visiting preachers in January, Pastor Bwile Chongo from the Chingola church and Pastor Charles Tembo from the Mazabuka church. The men preached powerfully during separate Sunday services, and blessed the men during Serious Men's Class.

During the month of love – in February, we had our annual Marriage Seminar on Valentines Day. Pastor Isaac Madzivire from the Zimbabwe fellowship preached during the same, and couples were convicted to live for Christ.

During the same period our pastors and their wives gathered for the powerful annual Pioneers' Shepherd, and Pastor Isaac Madzivire ministered.

We thank Pastor Greg Mitchell and Pastor Jeff Day for their leadership. Pray for us as we continue praying for you!

Greetings. My name is Msikeleli Nxoko, and I am a pastor in Meyerspark, Pretoria, South Africa.

Over the past seven months, we have witnessed a remarkable outpouring of God's presence and power in

blessing the church with messages that uplifted, challenged, and encouraged us. Two individuals made decisions for Jesus during the revival, and we welcomed one visitor.

In August 2024, our mother church from Eldorado Park joined us as a sizeable impact team, resulting in reaching and praying with 110 souls. Four individuals from this outreach visited our church, with one new convert continuing to attend services and Bible studies.

Pastor Mike Meyers from Kensington, Cape Town, delivered an uplifting message August, 2024, filling the church with anticipation for God's work ahead. One disciple who has been with the church for years received a word and ever since then he has been committed to discipleship and is involved in outreach. The Edenpark church supported us in our outreach efforts in September, leading to 13 decisions for Jesus Christ.

Our One80 concerts have been yielding fruits as the we also had the Sunnyside church collaborate with us in October, resulting in one decision for Christ during the concert.

A one-day revival in November with Evangelist Jonathan Mphake rejuvenated the church with timely messages and breakthroughs. An evening service saw

Greetings from Siem Reap, Cambodia! We started out 2025 with prayer and fasting for our conference, with our vision set on outreach and the church growing in Christ.

In January, we had a revival with Garrett Berry. God really helped us. We had four people saved, three filled with the Holy Ghost, and powerful words given to the church. It was a great way to start the year.

In February, we had our first Jesus People wedding in the church, with 270 in attendance and 20 people answering the call. That week, we followed up with our second annual Married Couples' Dinner, with seven couples in attendance. Pastor Andre Stephenson from Battambang, Cambodia brought a message of faithfulness in marriage, and the teenagers in the church served the meal. It was a real encouragement for all of our married couples.

We have been faithful in outreach and evangelism, including outreaching by the riverside on Saturday mornings. We also had our first karaoke contest with visitors, resulting in one person being saved.

Our weekly English class has brought a steady flow of visitors and new converts.

We are very grateful for The Prescott Church, Pastor Greg and Lisa Mitchell, Pastor Jesse and Bethany Morales, the Sierra Vista Church, and Pastor Rod and Sue Olmstead. We are also thankful for the Central Tucson Church, Pastor Cur-

My journey began in Mindanao, Philippines, where I was raised in an environment filled with drugs and violence.

From drug addict to delivered pastor, Franco Kaamino and family.

At just 12 years old, I succumbed to the allure of methamphetamine, marking the beginning of a long struggle with addiction. Throughout high school, I became deeply involved in gang culture, drinking, smoking, and engaging in numerous unhealthy relationships.

ing for a job. However, the shadows of my past continued to haunt me.

In 2013, a pivotal moment occurred when I met a girl at an American call center. She invited me to church, and although I was still using drugs at that time, I felt a flicker of hope. It was there that I received Jesus as my Lord and personal Savior. This decision marked the beginning of my transformation. Gradually, I started to shed my vices, and eventually, I found myself free from addiction.

In 2014, I married the woman who had introduced me to Christ, and together, we felt called to serve.

By 2015, we pioneered a local church in Makati, Philippines. Through God's grace, the church grew into a vibrant community dedicated to saving souls and helping those struggling with addiction.

In 2020, we took over a church in Santa Ana, Manila that was on the verge of closing. Over the next three years, we witnessed God's incredible work - lives were transformed through salvation, healing, and financial breakthroughs. Attendance flourished, and many souls were reclaimed for Christ.

Now, as we enter 2024, I stand as a testament to God's redemptive power. From a former drug addict to a pastor, and now a missionary sent to Japan, my life is a living example of the hope and transformation that faith can bring. I am excited to share this message of hope, knowing that no one is beyond the reach of God's love and grace!

After graduating from college, my life took a drastic turn when I was imprisoned for two drug-related offenses. The reality of my choices hit hard during my time in a provincial jail, but after a month, I managed to bail out and attempted to reintegrate into society by searching

Odessa, Ukraine Potter's House Pastor Dennis Vasiliev

Greetings from Odessa, Ukraine! Despite all the hardships, we have seen God's faithfulness time and time again.

As Russian missionaries, we have faced challenges with our stay in Ukraine. The migration service has sought to remove us from the country, but we trust that it is God who opens and closes doors. After three years of struggle, we are still here.

We experience power outages and heating shortages from time to time, but we have installed batteries and a gasoline generator, allowing the church to serve as a literal lighthouse in times of darkness.

During the warmer seasons, we hold outdoor concerts featuring music, videos, dramas, testimonies and preaching. In winter, we organize indoor movie and cartoon screenings, table tennis tournaments, and concerts.

God has also opened doors for us to minister in a commercial rehabilitation center. On Sundays, between church services, we lead Bible studies with altar calls, and we have seen people from the rehab center start attending our church.

When we took over the church six years ago, the children were between the ages of seven and 12. Today, they are 13 to 18 years old, and almost all of them are saved and actively involved in music and drama ministry. Over the past two years, they have attended a Boot Camp in Romania, which had a profound impact on their spiritual growth.

In the last three years, we have had only one guest preacher visit in person, but many pastors and evangelists have ministered to our church online which has always been a great blessing and refreshment.

I want to express my gratitude to all Christians who have been praying for us and for Ukraine. Thank you to those who have supported our

The Odessa, Ukraine congregation

church financially - you have made it possible to purchase essential equipment for power outages, complete necessary renovations in our church building, send our teenagers to Boot Camps, and assist those in desperate situations.

I am also deeply grateful to the pastors and evangelists who, despite different time zones, have sacrificed their sleep to minister to our congregation. We really appreciate that!

Although the economic situation continues to decline, our church remains committed to world evangelism. Our congregation gives money to that cause.

Moreover, in March, we plan to send an impact team to Italy to support Pastor Vitaly Glopina's church.

May God bless you all!

Pastor Antonio B. De La Rosa

Mabuhay. Greetings from Pagsanjan, Laguna, Philippines. Because of the grace of God we had the opportunity to do a mission in our own country. We come from Toronto, Canada and we just celebrated our second year anniversary on January 12, 2025 with the attendance of 60 souls.

This year 2025, God saved many souls and we have Bible studies to their house. Two young people decided to get married on February 14, 2025 and their families accepted Christ and continue attending church.

Many young people from the ages

of 10 to 18. And many parents were saved also and they are all willing to be baptized this April and to serve the Lord.

We were able to rent a small piece of land and build a church building that can accommodate 80 people.

Pastor Mike Webb came and preached for two nights, and we were encouraged.

We are thankful to our mother church in Scarborough for the support and prayers.

Greetings from Newton Park, Port Elizabeth, South Africa

God is doing great things in Newton Park. We have seen the church strengthened through revival meetings with my Pastor Mlozana. We also had Pastor Xandekana from Motherwell and Pastor Qibi from Stutterheim preach for us.

In all these meetings God really helped us. We are working with a number of new converts who are really excited about what God is doing in their lives, they are getting involved in evangelism and it is exciting to see. We are also contending for the supernatural and seeing many healing miracles in praying for the sick. We give Jesus all the glory.

Sharon Thomas

Istand here healed and set free by the power of the living God.

My name is Sharon Thomas. Eight years ago I became ill. I started having seizures out of the blue in front of my then three-year-old son and became paralyzed on my left side. Doctors could not understand because I had not had any head injuries before.

After numerous tests and scans, they discovered that I had a condition called brain cavernoma (three brain

tumors on my brain) from birth.

I needed an operation, but I was told that I had an 80 percent chance of a normal life should the operation be successful.

My family and the people of God prayed and some fasted for my operation. It was a success. I began physio, speech and occupational therapy to regain my strength.

The seizures kept on coming back over the years. Some sent me back to physiotherapy again and they kept increasing my medication.

I kept on praying together with my

family, pastor and the people of God in my church for my complete healing. I do not have seizures anymore and doctors are weaning me off the medication.

I give Jesus all the glory!

Pastor Liviu Soare

My name is Liviu Soare and together with my wife Lumi, we are pioneering a church in the city of Mioveni, Romania.

We were sent from the Conference in June 2024 by our church in Pitesti. I want to thank my Pastor Mihai Calin and his wife Cami for the discipleship and friendship they showed, for their obedience to the Holy Spirit and for the trust in us to go to Mioveni.

We opened the church on November 24 and had extraordinary favor, with 50 visitors at the opening concert. On Sunday we had the first church service and we had six visitors, children and teenagers. They continued to come to the following church services.

God has shown us favor in this city, a city open to the Gospel. Also in the church services of the past two months, we had a boy Adrian who was saved and is present at every church service and Saturday activities. I took him to the special Christ-

mas program organized by the mother church in Pitesti. He makes good decisions, God blessed him with a job, he wants to do well.

I believe God that he will build his church on the foundation of Christ, as he promised, in our city of Mioveni. I want to thank my mother church in Pitesti, where I was saved and grew up in Christ, a church full of faithful and steadfast people.

St. Lucia
Potter's House
Pastor Heath Flitcroft

Hello from the beautiful island of Saint Lucia!

The labors of planting seeds are beginning to blossom. As we are seen more and more in the streets many already know where we are. There is favor in the liberty to preach everywhere.

I am able to take anyone into the schools for preaching and testimonies. Recently, we had a service with the majority of the men. This is actually quite rare, as most of the churches are mainly women. I heard a Caribbean statement recently - "Man is in charge of

the home, but woman leads the church." The revelation is the toughest part of conversions, and the spirit of religion runs thick. But I see the potential of the converts "getting it" and this island will never be the same!

Troy, a man in our church, got a new job! This is a miracle! He was quite stuck mentally in a job with low pay and

high hours. Now he is able to come to all the services and hasn't missed a beat! I see the process of discipleship starting to spark.

We have had some recent revivals with Evangelist Steve Gabriel and Pastor Robert Dodd.

The response is always good for special events. Prayed for the sick and the gift of the Holy Spirit. With the help from Pastor Dodd and his disciple Chris Allen we had numbers prayed for in schools, streets and services.

Just this week I was able to speak to roughly 50 kids. Every week I am able to speak at two separate schools. In the end I lead them all in a sinner's prayer. I believe God will begin to work in them. They are the future. They are always coming to ask me for prayers, scriptures, and questions.

We so appreciate the investment in the island of Saint Lucia!

Worcester, South Africa Potter's House Pastor Mac Arthur Smith, Jr.

Just a quick testimony of what is happening here in Worcester.

We have currently upped our outreach endeavors and have seen God move powerfully. We have seen young men rising up with a vision to take the world for Jesus.

We have seen young ladies get serious about destiny, taking the name from the men and calling themselves Serious Women. Together they have made a tremendous impact seeing any where from 30-100 saved on local outreach and 80-90 saved per month in our services.

We are experiencing a true move of God here in the winelands. Please keep Worcester in your prayers God Bless.

Greetings from La Paz, Bolivia.

Pastor Tomas Bueno of Bellflower, California blessed us with the first impact team to La Paz, El Alto, Bolivia - consisting of Pastor Bueno and

a group of eight more people.

We started on Wednesday with Pastor Bueno preaching. Then we continued with a three-day revival. On Saturday we went out to evangelize

the streets where more than 40 people gave their lives to Jesus.

The church was encouraged, and the preaching encouraged the saints of God.

Winter in Prescott is Home Bible Study season and presents another unique opportunity for disciples to grow in ministry. This year, 24 couples

helped lead Bible studies, some of them for the first time.

David and Jessica Desjaden were one of the couples who signed up to help lead a Bible study, and they were sent out at the January Prescott conference

The Prescott congregation is looking forward to another exciting season of outreach evangelism and discipleship as we enter the spring and summertime harvest.
