Prescott, Arizona  
Potter's House  
Pastor Greg Mitchell  
Corres: Matt Sanderlin

God sets the season; we seize the moment. Ezekiel 34:26 (NLT): *I will bless my people and their homes around my holy hill. And in the proper season, I will send the showers they need. There will be showers of blessing.*

"When the season is ripe, we don't hesitate - we harvest. The beautiful spring and summer months in Prescott provide excellent conditions for outreach and evangelism. While our church labors year-round, these warmer months bring a unique window of opportunity. We seize this season with boldness, using every sunny day and warm evening to bring the Gospel to our community through park outreaches, outdoor events, neighborhood healing crusades, and our longstanding Monday night movie under the stars on Prescott's downtown plaza. As the people are out enjoying the sunshine, we are out planting seeds of salvation.

Our season began in March with a powerful week of revival featuring Pastor Jesse Cluck from Guam. His supernatural gift ministry left a profound impact and blessed our church.

We hosted an area-wide youth rally the weekend leading up to the revival. Teens from across Arizona and neighboring states joined forces to help evangelize, street preach, and invite the community to the revival meetings. Pastor Cluck delivered a stirring challenge Saturday morning, and that evening, One80° was packed with hundreds in attendance. By the end of the day, 49 souls had prayed to receive salvation.

We're grateful to see the legacy of Pastor Glen Cluck living on through his son and flourishing throughout the Marianas Islands, China, and the Philippines.

Outreach events geared toward families are always a huge success in the Prescott community. Easter brought one of our most successful

family events yet. Our indoor Easter egg hunt featured live music, food trucks, games, face painting, and puppet shows. Over 500 people came out for this event, with hundreds of visitors in attendance. Two altar calls were given, and 70 people responded to the message of salvation. This was a very rewarding time, and the dedicated labor from many saints in the Prescott congregation paid off.

For 35 years, the Potter's House church in San Luis Rio Colorado, Mexico, has held an annual miracle healing crusade. Each year, the Prescott congregation supports this event by sending impact teams to promote and support this fruitful effort. This spring, we took five vans to San Luis, where Pastor Jesse Morales preached three outdoor services. These were marked by numerous salvations and miraculous healings, demonstrating God's power to save and heal.

Disciple-driven outreaches remain a hallmark of our summer season. In May, Tony Begay organized and preached our first outdoor healing service of the year. Four people were healed during this event that took place in a local park. These efforts are the fruit of intentional discipleship from our pastor and the result of in faith during a season of blessing.

Our One80° concert events continue to connect the Gospel with diverse audiences. As Pastor Greg often reminds us, evangelism is about finding a crowd - or forming one. Two themed events in early May proved this true: An evening of Reggae Vibes featured a teen-formed reggae band that drew 30 visitors

and saw six saved. The next weekend, we followed up Punk Rock Night, blending music and history in a themed experience covering punk's evolution from the '70s to today. Guests were invited to dress up in full punk fashion - mohawks, spikes, long hair, and wild colors. Twenty visitors attended, five gave their lives to Jesus.

Prescott is home to the Northern Arizona Wranglers arena football team. Associate Pastor Jesse Morales has become the team's spiritual coach, regularly ministering to the athletes in the locker room and on the field. This relationship has opened the door for many players to attend church and find salvation. Wherever God leads - whether in stadiums or on street corners - we cast our nets with expectation.

We're thrilled to introduce a new feature in this edition of the Trumpet - the Prescott Youth Column, written by 15-year-old Kylie Dickens! This section gives voice to the passion and impact of the next generation. Be sure to see what is taking place in the lives and evangelistic efforts from the perspective of our Fellowships' next generation. In the past year alone, three youth music groups - California Stop, Beyond Barz, and Soul Vibes - have emerged, made up entirely of teenage talent. These groups are ministering in One80°, local outreaches, out-of-town impact teams, and even across the border into Mexico. Our youth have a voice, and it is being heard.

By Kylie Dekens  
Age 15, Prescott

How can a young person stay on the path of purity? "By living according to your word" (Psalms 119:9). The youth of Prescott, Arizona, have been setting out to do just this! Due to the hard work of our future generation, we have experienced a revival! Many leave services encouraged in their walk with God and set out to do His will. Services, outreaches, and even ministries have begun to feel the effects of this fire within the next generation.

Every Tuesday night, the One80 is filled with young men and women between the ages of 13 and 18. These youth services, typically led by Pastor Matt Sanderlin, feature all of the key characteristics of our normal services.

Through multiple young volunteers, it is possible to run song service, offering, and the light and sound board. Not only does this allow for the different ministries to be learned, but the youth set out in life with encouragement and guidance in the ways of God. However, these nights are not always simply a service. With the help of adults, the Prescott church is able to hold youth game nights and teen building events. The challenges help with learning how to work together and think in new ways. The fun is then tied into the word of God, giving revelations that can't always be revealed through a sermon.

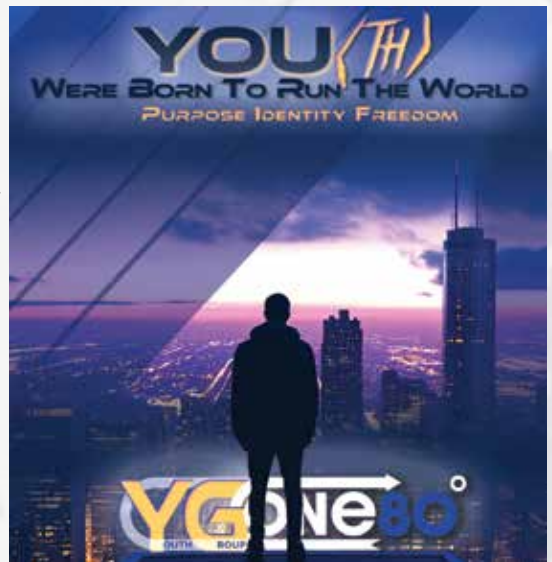

This strengthening in our faith then brings a calling to give others the same salvation that we have all experienced.

The increasing number of youth in ministries is one of the products. For instance, the band California Stop - consisting of Trevor Wright, Liberty Burton, Niyah Morales, Ian Pearl, and Nolan Brunner - brings in a flood of new converts with every performance. Heartfelt lyrics address largely understood struggles and offer God as the solution.

In an interview, I had the opportunity to ask about this ministry that has touched so many, and found that it isn't just the crowd being impacted. As these talented musicians have created songs and diligently practiced, their faith has drastically grown. According to the band, seeing the radical conversions and getting to experience new opportunities has helped in their understanding of God's goodness.

When discussing these realizations, Liberty Burton stated, "We still saw fruitfulness. We still saw, you know, healings... It's showing that God really is with us." It is important to under-

stand that our ministries aren't just for others. Ministries are key to the perseverance of our own faith, especially for the youth.

Thanks to everyone's support and help, the next generation is able to work on our convictions and aid in the increase of converts. I encourage you to look at your youth and guide them into great men and women of God.

Prescott young people set themselves to pray for specific nations and then send messages, photos and videos of encouragement to those churches.

# Life Transformed: Cathy Day

I was born into a family with my dad, mom and one brother. We were Catholic (when it suited us). My mom would take us to church occasionally, and my dad stayed home. Both my parents were very hard workers and were gone most of the time.

It was a safe time back then, or so you would think. But the summer when I was seven years old, I was molested by an older neighbor a few houses down, and it went on for months. I told my mom, but she told me not to talk that way. I think that's when my self-esteem disappeared. I believed that it was my fault.

When I was 10, my mom told my dad she wanted a divorce after having an affair. It broke my dad for a long time. I was also told that my brother was adopted. I tried even harder to be the good girl so all these bad things would stop. At 12 my brother raped me and that solidified the feelings of being bad and worthless.

I went to live with my mom at first, then I moved back with my dad. This was the beginning of learning to play one parent against the other.

My dad then married a barmaid, and my mom married the person she had an affair with. He beat and abused my mom almost weekly. I heard my mom's screams, heard her being slammed against walls, and saw her with a gun pointed at her. She divorced and remarried this same man five times. It was an example I was not going to follow.

My dad then married a new lady. She brought three kids with her, and she brought church into our lives. At 13 I heard the simple Gospel of Jesus for the first time. I wanted that, I did not want to live the way I had been.

I asked Jesus into my heart and to forgive me of all my sins and to heal all the hurt. And He did - it was amazing. I really did have a new lease on life. I was preaching the hope of Jesus. I became friends with the pastor's daughter Debbie and was loving serving God and feeling a stability I had never known.

At 16, I started hanging out with some of the "cool" kids. I went to a

Scott & Cathy Day, married and living for God for 40 years.

football game and got plastered, mixing, wine, vodka, beer and tequila. Needless to say, the next day I felt like I was dying. When my parents asked me why I did this all I could say was "I just want to have fun." That simple act and the people I was hanging around with changed the whole direction of my life.

I moved in with my mom (again). I knew I could be "free and have fun" and she was too busy to care. Once again, I was in the abusive home but I was older so I could get away when it started. The day after I graduated high school I came home and found the door locked and all my stuff packed in my car. I was on my own, adding to the rejection.

My dad offered to let me come home but I knew I would need to serve God, and I did not want to. I went to my brother's, who by this time was married and had a little boy. I lived with them until I had the money to get my own place and start a grown-up life. I thought I was now in control.

I decided to move to California with a friend who ripped me off as soon as we got there. I fell in love twice and was destroyed twice. I found myself at one time sleeping in my car in an alley until I had to go to work the next day.

At 19 I moved home to my dad's again. One night by surprise, (or by ambush!) my friend Debbie came to my house and asked me to go to church

with her. I told her it was quarter beer night, and I couldn't go. Finally, just to get her off my back, I said yes. I always told myself and others that "I would get saved again when I was ready." Well, that was what the sermon was about that day. Now God was ambushing *me*.

Pastor spoke about being ready for God and His coming back to take us home. No one was guaranteed that on "their time" there would be any opportunities left. I realized if I asked Jesus back into my heart it would have to be for real and forever. After fighting it the entire service I asked Jesus into my heart again and gave up my will for his.

The rejection I had felt all my life was lifted off of me. I felt truly loved. The next day I moved to Colorado Springs with Debbie to live so I could make a clean break. After a year I really wanted to come home to Prescott where it all started. I moved in with dad again! God had forgiven me and taken away my shame and guilt.

I met a guy that became my best friend and who eventually became my husband. I was told I probably would not be able to have kids, but God gave me a girl and a boy who are some of the greatest joys in my life. They are both married and serving God and I now have four grandkids! God has healed my heart, mind and body. It hasn't always been easy but I have been given a wonderful and blessed life that I truly don't deserve. I have a God who hears me, loves me, and accepts me. He has given me a purpose and a reason to live life to the fullest. The devil will always try to bring us down but if we will just hang on to the love of God we can't lose.

I have been married for 40 years this September. Life with Jesus just gets better and better. I would not go back for anything in the world. God has taken my bad memories and traded them for incredible ones.

You can have that and more. Open your heart to the only One who will never leave you, reject you or hurt you.

**Phoenix, Arizona**  
**Victory Chapel 1st phoenix**  
**Pastor: Tom Phillippe**  
**Corres:: Justice McCoy**

**G**reetings! Our church has been in the Phoenix/ Glendale area now for 42 years!

As our church has been faithful through the years, we have experienced God's supernatural favor and blessing in our congregation.

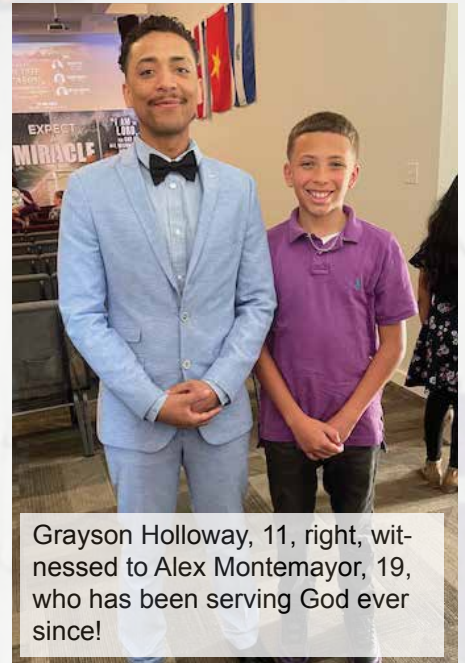

Recently we have been blessed to be able to purchase our very own church property located on 59th avenue and

pad for couples called to the cities and nations to preach the Gospel. God is always good, and his timing is always perfect! We are excited for this new chapter and can't wait to witness all that God is going to continue to do!

Please pray for 1st Phoenix.

**Arlington, Texas**  
**The Door**  
**Pastor: Troy Johnston**  
**Corres:: Jose Green**

**O**n April 12th, 2025, surrounding churches in the Dallas Fort-Worth area came together to help Pastor

Grayson Holloway, 11, right, witnessed to Alex Montemayor, 19, who has been serving God ever since!

"It's crazy, because that night, I went to the concert, gave my life to Jesus, and I've been saved ever since that day," said Alex. "Since I've been coming to church, I've already acquired two jobs, and God is continuing to move in my life."

We thank God for all that He's doing in the Dallas-Fort Worth area and ask for prayers as we continue to send ours.

**Artesia, New Mexico**  
**Potter's House**  
**Pastor: Curtis Hacker**  
**Corres:: David Palmer**

**G**reetings from the Potter's House Church Artesia New Mexico!

Within the recent few months, we have seen God move in so many ways. Our church grows monthly through weekly outreaches and healing crusades. We now have 40 regular attendees of the church and 20 attendees who come on a regular basis. We've been blessed to be able to baptize 16 new believers.

A few couples in the church came in having a rough time. God has moved miraculously in their lives, changing mindsets of both the husbands and the

1st Phoenix congregation in front of future church home

Cholla. This property was an answer to the prayers of our church over the last four decades. Up until now our church has held services in many different high schools and operated out of different shopping centers.

Miracle after miracle, there are no other words to describe what we have been experiencing in our church. There are three buildings that sit on a 2.3-acre lot on a major street corner in the heart of Glendale. We obtained the property for half of the asking price; the sanctuary sits 201 people. Recently, we have seen revival break out in the youth with many young people getting saved and bringing their friends to church. We have seen an increase in visitors, returning backsliders, and new families added to the church.

The photo presented is our congregation standing in front of its new home, it's discipleship center, and its launching

Summers and the Duncanville church for an all day outreach for a revival the Duncanville church was going to be having with Evangelist Scott Snellen.

One of the fruits that came from that outreach is 19-year-old Alex Montemayor, who was witnessed to by 11-year-old Grayson Holloway. "If not for the fact that I had gotten let go from my job that week, I wouldn't even have been home for Grayson to have witnessed to me," Alex said.

Genesis 50:20 says, *"But as for you, you meant evil against me; but God meant it for good, in order to bring it about as it is this day, to save many people alive."* This goes to show that even though things may seem bleak in the natural, in the spiritual - God is working to bring about something good out of a bad situation. We should never get weary of doing good, because God could bring about miracles from any situation.

wives into seeing His will and making changes in the hearts of everyone involved.

One couple was led to Christ and to the church because the wife witnessed a miracle. Monique, who is a nurse, had a patient who was in dire need of a miracle. While Pastor was at his house praying for him, immediately there was a significant change.

The patient told Monique about the church and the miracle healing. She started attending and her life was changed by the Holy Spirit. Her husband Brian saw the changes in her and he decided to come find out what was happening. He accepted Christ as his Lord and Savior and his life started changing as the Lord moved.

Ernesto and his wife came into the church and listened to the Word being preached. At altar call, the wife brought Ernesto forward for prayer. Ernesto said that he totally lost his sight a couple years ago and he wanted prayer for his vision to return. The congregation prayed that God would work a miracle. At the end of the prayer, Pastor asked Ernesto how he was feeling and Ernesto said that he could now see shadows. We laid hands on him again and prayed, and at the end of the prayer, Pastor asked how he was feeling and Ernesto said "I see your face!"

David and Tammy were having a rough time, and they were forced to separate. During this time, Tammy became depressed and withdrawn, while David began to struggle with stuttering. After a while, they were allowed back together, but they had drawn apart and struggled to pull their lives back together.

They started attending church and God moved on them. They both accepted Christ into their lives. One evening they both came up for prayer and the Holy Spirit moved on them, the depression left and David's speech returned to normal. The Holy Spirit moved on him and he also regained his hearing.

There are many similar testimonies of the couples in our church. We give God the glory and honor for the work He is doing.

We've held healing crusades where we've seen people get healed of chronic pain. We've had many revivals with Evangelists Shawn Davis, Scott Snel-

len, Mike Gomez, Akeem Davis, Adrian Farley and we look forward to Bob McGinnas coming this year.

We continuously pray for our sister churches and our Fellowship.

**Central Tucson, Arizona  
Potter's House  
Pastor Curtis Berry  
Corres: Stephen Sziklai**

God has been helping us in central Tucson as we continue to evangelize.

We are grateful for our new building, as it has given us room to grow. We are seeing new people come in, get saved, and continue to come. We are looking forward to filling up our sanctuary!

In addition to our new building, we have turned our old building into our One80 event center, at which we have monthly concerts and movies. This has

Baptism in Central Tucson, AZ church

been more fruitful than ever, and we are consistently having visitors and responses to the altar calls. The church is excited for what God is doing, with new converts excited for the opportunity to participate.

We have also taken several impact teams in and out of town. Our bands and drama team have helped in the Saford, AZ church as well as at the Potter's House church in Tucson, seeing multiple salvations each time.

God has been moving in our youth, as we have taken a full van to Prescott's youth rally, at which multiple youth answered the altar call. We also began Youth Nights led by youth for youth on Fridays.

We have had multiple guest preachers come, with God moving to help the church in timely words and encouragement. We have also seen multiple people miraculously healed during calls for

healing.

We are thankful for everything God is doing here in central Tucson, and encouraged by the fruit we are seeing, including six baptisms!

Please continue to pray for us as we pray for you!

**Chandler, Arizona  
Potter's House  
Pastor Joe Campbell  
Corres: Nick Bueno**

Jesus Christ has risen from the dead! In the last three months, we have seen this resurrection power demonstrated consistently in our city.

March was a continuation of our in-home Bible studies, which have fostered several crucial dynamics for our church. First is the fellowship of the saints with new believers. We have experienced an incredible season of visitors and backsliders alike making decisions for Jesus, and Bible studies have served to cultivate their connection with seasoned men and women of God.

This season has helped develop many of our Bible study leaders (and their assistants) for future ministry. Seven of our fourteen Bible study leaders/assistants are under 30 years old, and five of those are first time couples. It is a mark of God's work in our congregation's youth.

In March we also hosted the Valley's annual Pioneer Rally. Pastor Greg Mitchell ministered powerfully, a sermon titled "Hiding From God" touching on points such as dealing with our "inner critic," God's plan of enlargement for our lives, and the blessing of obedience.

That momentum helped carry us into our Resurrection weekend in April. Beginning on Saturday, our outdoor Sons of Thunder (SOT) concert hosted several different bands, all of which radically ministered and proclaimed the Gospel to over 20 visitors in attendance. The next morning, Easter Sunday, our Men's Choir stood before an audience of 650 and declared that "Jesus was the center of it all!" both in song and testimony.

Pastor Roman Gutierrez ministers revival in Chandler, AZ

More than 10 brand new decisions were made for Jesus that morning alone.

In the evening, a production/play called "The Verdict" about truth on trial, depicted the struggle in a young man's mind about belief in the resurrection of Christ. In a court of law, accusations and testimonies were exchanged before the jury (audience) to settle once the matter once and for all. The spirit of the play and the day, led many people to the altar, both sinner and saint, and it was both a powerful and pleasant ending to a day in which Jesus Christ was wonderfully glorified.

Just three weeks after, we hosted our annual Cinco de Mayo cookout, and a revival with Pastor Roman Gutierrez. Life-altering messages were delivered that weekend. Visitors were left nearly speechless after hearing Pastor Gutierrez's "Twice Dead" testimony for the first time, and the insight he delivered about issues such as generational curses, rejection, and healing.

Pray for Chandler, as we transition to our outdoor evangelism season. God bless the Fellowship, and God bless America!

**Chinle, Arizona Navajo Nation  
Potter's House  
Pastor Artie Aragon  
Corres: Michael Higgs**

**Y**á'at'ééh from the heart and center of the Navajo Nation. As we begin to enter into the summer months here in Chinle, we have slowly begun to see God's hand on our congregation. We have seen families restored, addicted turning away from their addictions and our numbers increase.

Most notable has been a revival we

Pastor Salinas spoke into the hearts of men during this revival, reminding us that we have to contend for real change to happen in our lives. He took the time during one sermon to pray for every man in the building to rise up and pick up the role of a man of God, whether

Pastor Orlando Salinas ministers revival in Chinle, AZ church

that is leading the home, turning from sin, or allowing the gift of God to be stirred up in us. Men began to answer the altar calls and make decisions that they would be better fathers, husbands and men of God.

During this revival, as we approached Wednesday evening service, it became abundantly clear that Pastor Salinas had more to offer than we could have asked for so we extended the revival two more nights, going into Friday evening. We saw 60 people saved, profound utterances through the speaking of tongues and

had with Pastor Orlando Salinas from the McAllen, Texas church. He came in speaking a revival that he themed around his business "Choose to Change."

words of encouragement, and guidance and direction were given to many individuals. We saw an average of 250 people in attendance with Sunday morning being our highest attended revival service of 306 with 17 getting saved.

Our prayer is that this wave of men and new converts would continue to grow within our church and that we would see our community become radically saved. We want to see men, women, children, and families become totally restored and healed by God's hand.

Continue to pray for the Navajo Nation as we continue to pray for all of you in our Fellowship.

**El Sereno, California  
Potter's House  
Pastor Erik Bakke**

**Testimony: Isau Mendoza**

**H**ello, my name is Isau Mendoza. Before my walk with Christ I was lost in the world, living in sin. My mind was completely corrupt, listening to the enemy making the wrong decisions. My eyes had scales that prevented me from seeing the truth. I wasn't aware what God had in store for my life.

I was bound in sin, getting involved with the wrong people and surrounding myself with crime and everything that comes along with it. It was just a low life mentality and behavior that eventually led me to an addiction to drugs and alcohol. I was constantly chasing the next high and picking up the next drink, always chasing that dragon pushing the limitations of how far I could go.

I had numerous moments when those limitations were pushed and almost cost me my life, but I kept pushing it until one day I had too much. What I thought was a simple drive to work became an accident that had me crashing into a tree. I could have hit someone or died myself, but God had mercy on me.

Shortly after that, I began my walk with Christ. I'm currently sober and God has blessed me with a tremendous amount of peace. God saved my life and transformed me completely.

I am grateful to have been accepted

Isau Mendoza before, and after, transformed by Jesus

here to continue to grow in my walk with Christ at the Potter's House church with Pastor Bakke. He has continued to influence me to continue in this path and I am grateful for all my brothers and sisters. I don't feel I am walking it alone. I am also happily married and we are getting involved in the church serving God.

**Espanola, New Mexico**  
**Espanola Christian Center**  
**Pastor Devon Ryals**  
**Corres: Darius Esfandi**

**H**ello from Española, New Mexico! Over the past nine months, God has worked powerfully through a series of significant events and revivals.

During the Healing Crusade in August, we witnessed 16 people saved, 22 individuals who were prayed for, and 10 demonstrable healings.

The Revival led by Pastor Paul Stephens in September saw a 17-year-old young man and his 16-year-old girlfriend attend on a Thursday night. They were gloriously saved and have been attending church regularly ever since. He even came to our conference and returned feeling called to preach the Gospel. Both he and his girlfriend have since joined ministry and are engaged!

On Friday night of the Revival, in the office we had a Jesus People wedding for a new convert couple who had been saved in August.

October was marked by remarkable outreach efforts, including the Trunk or Treat where we saw over 300 vis-

itors and 16 saved. During Fall Festival we had six people saved, and the creative Haunted House, with a cast of more than 30 people, had 496 people come through with 306 people praying.

November continued with spiritual momentum during Pastor Nate Rush's Revival. He gave timely words, had numbers of people saved, 10 people filled with the Holy Spirit, and a brand-new family was added to the church.

In 2025, God's work has only intensified. The Revival led by Pastor Roman Gutierrez in April brought a strong sense

Recent baptism in Espanola, New Mexico church

of breakthrough, particularly for those struggling with addiction and those coming from broken homes. We had the blessing of Pastor Roman speaking in two schools and a rehab center, had 56 first-time visitors, and 65 people saved through the week.

The Easter Egg Hunt brought joy and the message of hope to families with over 200 visitors and 20 people that prayed. One of the most promising developments is the launch of a new Youth Bible Study, which is already beginning to disciple and shape a new generation.

Overall, in the past nine months, we've had two new convert weddings, baptized 23 people, and have seen 746 people pray for salvation!

Throughout these experiences, we have witnessed God's guiding hand,

healing, and building His church. We remain hopeful for even greater things to come. Please continue to pray for Española, as we continue to pray for you!

**Everett, Washington**  
**Victory Christian Center**  
**Pastor Tony Uriarte**  
**Corres: Osworth Dube**

**G**reetings from Everett, WA! We are enthusiastically serving Jesus here in the Pacific Northwest!

We are witnessing significant conversions, backsliders returning, and men stepping up to serve in new ministries as well as leading them. It has been a refreshing change to see people eager to oversee projects and execute their vision to reach our city. One of these initiatives is "The Coffee House," which puts an Everett spin on the One80° Music Scene. Many youths have stepped up to join this ministry, surprising us all with

their God-given talents in acting!

During our grand opening, two of our newest converts shared how Jesus has completely transformed their lives, and one brother conducted his first

altar call!

On another occasion, we had four first-time visitors, two of whom decided to come to the event as a date! We are contending for abiding fruitfulness from this ministry! One of the highlights we are grateful for is the hunger our converts have shown and their willingness to serve. We know that they are just the beginning of a revival of disciples yet to come!

Every year, we hold our annual Easter Egg Hunt, which never disappoints! This year, we saw hundreds of attendees and distributed over 5,000 eggs! Many important decisions were made that day, and we are believing God to bring a harvest from this outreach.

This event kicked off our long-anticipated revival with Pastor Rick Buch-

Prayer with first time visitors in Everett, Washington

holz! It was an incredible honor to also welcome his wife Kathy to our church! Each sermon was timely and impactful; we had many first-time visitors, powerful words of knowledge were shared, and lives were stirred and encouraged. God challenged our church to elevate our efforts in all areas - our personal walks with Him, follow-up, evangelism and so much more! We thank Pastor Buchholz and Kathy for blessing us with their ministry!

These are just a few of the many things that God is doing in the Everett church! We've been going nonstop and God has been so faithful to give us dominion in every endeavor! He continues to perform miracles, pour out His blessings, and bring about breakthroughs. He is challenging and transforming His people while raising up a new generation to fulfill the Great Commission here in the Pacific Northwest. What a mighty God we serve!

We extend our heartfelt gratitude to Pastor Greg, Lisa and the Prescott Congregation; Pastor Foley, Janet and McMinnville; and Pastor Overson, Connie and the Anchorage Church! We are immensely thankful to be part of all that God is doing in and through our Fellowship under your Leadership and Guidance. God Bless!

**Fresno, California**  
**The Door**  
**Pastor Joe Sanchez**  
**Corres: Mario Chacon**

**H**ello from Fresno, CA!  
 We're always excited to share what God is doing here in the Central Valley and to give Him all the glory.

Recently, three young individuals were baptized! Each one shared their testimony. While every story was different, they all pointed to the same powerful hope found in Jesus Christ.

We're excited to see what God has in store for each one of them.

We also had revival with Pastor Ben Rodriguez. We're so grateful for him and the timely, powerful word he brought.

Following the revival, our pastor had the opportunity to travel to Vietnam and visit several churches there. He spent

Testimony during baptism at Fresno, California church

two weeks connecting with pastors and believers. It's truly encouraging to hear about God's work across the globe.

We also had two recent graduates testify, one from high school and one from college. God is doing something in their lives. The high school graduate expressed the importance of serving God and giving your life to Jesus. She was able to graduate a year and the college graduate shared that during our January fast, he asked God to open a door for employment after graduation - and God answered! He was offered a position at a firm shortly after finishing school.

Please continue to pray for us as we pray for you!

**Hyannis, Massachusetts**  
**Victory Chapel**  
**Pastor Paul Campo**  
**Corres: Charles Ganiear**

**T**he year 2025 will be one of impact for the Northeast. We began with revival services in January with Evangelist Adrian Farley. There were visitors through the week, people experiencing healing and God bringing a challenge to believe for fruitfulness.

Our recent converts have started to rise up into ministry and take hold of the Fellowship vision.

Since Christmas, we have had the opportunity to hold a monthly church service in a local nursing home. Disciples have the opportunity to conduct worship and preach to the residents in the facility. People respond to the Gospel invitation at each service. Men have a perfect forum to pray for the sick and several healings have taken place as they stepped out in faith.

Our annual Marriage Retreat was held in Newport, RI. Pastor Dave Szczepanski ministered to over 50 couples from around the Northeast region. Just a couple weeks later, we held a Jesus People wedding that saw several backsliders rededicate their hearts at the altar call.

In April, the Northeast Bible Conference featured main speakers Pastor Greg Mitchell and Gene LaValley. The week of powerful and anointed ministry culminated in launching a new pioneer work into Albany, NY. Also announced was a new Spanish ministry in the church. Northeast churches are poised to gather a long-awaited harvest.

Our first Easter Egg Hunt took place the Saturday before Easter. The saints filled 4,500 plastic eggs with candy and raffle tickets. Over 300 people heard the message of the true meaning of Easter. Around 100 people prayed to receive Christ before the event was over.

Please continue to pray for the Cape Cod church and the Northeast US.

Altar call after Easter egg hunt in Hyannis, Mass church

**G**reetings from Austin, Texas! We are happy to report that we are seeing revival!

New converts getting locked in, having radical conversions and making life changing decisions. We just got out of revival with Evangelist Ray Felan and had a Holy Ghost time. Many came to Christ, decisions were made and people were encouraged. We continue to see great fruitfulness from that revival.

We had our annual Harvesters as well with Pastor Mark Aulson where we had a tremendous time of encouragement and refreshing for all our baby works.

This May we continued to invest and partner with Pastor Packia Raj in the "India/Asia Bootcamp" as our Pastor and Evangelist Wacker with his wife headed over there to conduct the third consecutive Bootcamp in that nation. Seventy nine youth signed up for that Bootcamp. It had a powerful impact on their lives with countless decisions being made and many getting filled with the Holy Spirit.

We continue to press forward as we see the day drawing near! Pray for us as we pray for you!

**Indio, California**  
**Potter's House**  
**Pastor Carlos Olivas**  
**Corres: Juan Vargas, Jr.**

**G**reetings from the beautiful city of Indio, California! We have been experiencing a great turn in revival as we are seeing visitors coming in getting saved and becoming new converts.

In February, we had our annual Rap Fest with the help of our sister and baby churches in Watsonville, Salinas, Tulare, El Centro, Coachella, Imperial, and the far away city of Chandler, AZ! We had a club come in support of the event bringing low riders and other classic ve-

hicles, which brought in more visitors and saw a great many people dedicating their lives to Christ.

In March, we had revival services with Evangelist Mike Gomez. We saw healings, rededications and people being saved in these services. In this time, a young couple entered our services and got saved; they in turn brought their entire families multiple times, and they have also given their lives to Christ. We held a baptism service in lieu of us seeing many visitors and backsliders getting saved. Five people publicly declared their faith in our Lord and were baptised.

In April, we held our annual Easter

Preaching the Gospel in Indio, California

picnic service which resulted in many people tuning in as our congregants brought in family members and further connected as a family.

Our church held two Jesus People weddings for two young couples; they decided to publicly declare their love and faithfulness to the Lord and we saw many visitors in our services in which they saw and witnessed the Gospel being proclaimed.

We are continuing our Friday night outreaches and Spanish service ministries and we are seeing the fruits of our labors in this time! Young men and

women ranging from teen years to mid 20s are entering our services with questions and interests. Some of our youth are bringing in visitors and those visitors are getting saved and locking in to our church, praise God!

We thank God for the privilege to be a part of His great work in our city and throughout the Fellowship here in California. Please continue to pray for us as we pray for you! God bless you.

**Jacksonville, North Carolina**  
**The Door**  
**Pastor Dave Szczepanski**  
**Corres: Wayne King**

**G**reetings from The Door, Jacksonville, N.C.

We give God all the praise as we are experiencing a great outpouring of His grace and mercy this year.

We started this year with a marriage seminar with Evangelist Patrick Johnson. These seminars are always a great help and reference point for

couples, and many come away with a greater understanding of God's purpose and plan for marriage.

We had a revival with Evangelist Johnson the following week after the marriage seminars. It was a

great time of stirring our hearts and faith in the Holy Ghost with very timely messages.

At the end of March, we held our Southeast Bible conference with Pastors Louie Lobato and Greg Mitchell as the main speakers. Out of this conference, we were able to launch three new works out of the Jacksonville congregation. We launched Juan and Nicole Ramirez into Durham, N.C.; Jon and Lexandra Folker into Myrtle Beach, S.C.; and Perry and Josie Dominguez into Lima, Peru.

We are excited to see what God is

building here in the Southeast.

In September of 2024, the favor of God opened up opportunities on Camp Lejeune. This open door comes in part with the Marine Corps Total Fitness program, as it emphasizes Marines to be physically, mentally, socially, and spiritually fit. The program, which focuses on these four areas, is integral to the warfighter's capacity to carry out the mission in peace and conflict.

In 1918, Marine General John A. Lejeune remarked, "There is no substitute for the spiritual in war. Miracles must be wrought if victories are to be won, and to work miracles, division, and their country."

This allows us to meet the new Marines as they come to the base chapel every week. We can pray and minister to Marines attending the Marine Combat Training school.

The numbers have ranged from as small as 20 to 220 in the past few weeks at the Sunday morning chapel service. In the summer months, these numbers will increase to well over 300 weekly.

Since 2024, we have had the privilege of praying for over 100 Marines. Over 2000 have heard the Gospel message through preaching and personal testimonies, forever changing their lives. We remind them that they can serve Christ in the military, and once they have bases stateside. We are just the hands and feet of God to these Marines.

In the next few months, we are preparing for the summer with our disciples organizing outdoor events. Some of the events include a Memorial Day remembrance, Coffee and Cars outreach, indoor soccer tournament, just to name a few.

We are mending our nets and preparing to receive the harvest of souls that God has for us.

In closing, please pray for an even wider door and favor on the Jacksonville Church and Camp Lejeune, as we are getting more requests to help these Marines on the surrounding Bases.

What a privilege to serve the Living God along side such a great Fellowship of church's on the earth!

**Las Vegas, New Mexico**  
**Las Vegas Christian Center**  
**Pastor Ray Rubi**  
**Corres: Mario Sanchez**

**H**ello from Las Vegas, New Mexico. We just want to report that God has been really helping us in seeing backsliders and new people coming into the church lately.

In March, we sent Pastor Daniel and Faith Stanaway and family to pioneer a church in Louisville, KY. They arrived there on March 17th and started a Bible study in a meeting room at a local library. They have also had services in the park which have drawn visitors, and two people have gotten saved. We are praying for God's favor and grace as they look for a building to hold services.

Also, our music scenes have been fruitful, and we are gearing up for the summer season where we do every Fri-

Las Vegas, New Mexico congregation

day and Saturday night concerts and outreach. In April, we had a revival with Evangelist Joaquin Orosco and God moved powerfully in every service through the preaching of His word, through the giving of timely words to people that needed to hear from God and physical healings.

The following weekend we baptized three people, going on record that they want to live the rest of their lives for Jesus.

We're trusting and praying to God for an outpouring of his spirit in these last days to see many people come to salvation. We want to ask you to pray for us as we pray for you. We thank God for our Pastor Ray Rubi and sister Patsy for their wonderful love and patience they have had for our lives as we serve God together. On for revival!

**Longview, Washington**  
**Potter's House**  
**Pastor Dean Young**  
**Corres: Micah & Sophia Young**

**G**reetings from Longview! At the end of 2024, we lost a dear member of our church. She was a new convert in our church for a little over a year, and she was in the midst of working on her relationship with her husband, and with God. God was bringing immense breakthrough in her life and she was even filled with the Holy Ghost just shortly before she passed.

Since her passing, her husband hasn't missed a day of church. God has done a supernatural work in his life and he's now become a strong pillar in our church. God is continuing to help him! Also, at her memorial service, there were over 100 visitors in attendance!

Pastor Young preached a powerful message and multiple decisions were

made for Jesus, and even more seeds were planted in peoples' lives. Our sister has produced fruit during her life and after her death, and that fruit is still producing. She and her husband have been a great blessing to the hearts of the people in our church. And for that, we are so grateful!

We have put a lot of effort into our One80 Concert Scenes since the start of 2025. We started hosting opening acts for our band performances once a month. And we also started traveling our band and our magic show performances on multiple monthly impact teams to our surrounding sister churches, believing for God to bless the fruits and the labors of our church and the sister churches we were supporting, as well.

Throughout these events, we have

witnessed amazing choices made for Jesus, and God has genuinely shown us supernatural favor! We are now starting out with a massive Islander Festival Outreach in preparation for our revival with Pastor Porter at the end of May.

We believe that this outreach and revival will reach out to the many islanders that live in our city. Longview is seeing extraordinary breakthrough and fruitfulness this year, we have claimed this promise for our church! We are believing for God to bring about a significant change in our city and church!

We are certain that God will continue to provide for us and we know that He has big plans for Longview!

We would like to express our gratitude to our pastor and his wife, Dean and Susan Young, for their unwavering commitment to their ministries and to our church. They have blessed our church with a strong, loving, and committed family, for which we are incredibly thankful.

Please pray for us in Longview Washington, as we pray for you!

**Merced, California**  
**The Door**  
**Pastor Albert Castillo**

**G**reetings from Merced, CA. We are excited to share what God is doing.

We had a spring carnival in March,

Spring Carnival in Merced, CA

in which we were able to partner with many businesses and companies in our community. We had over 300 people attend our event and 32 people saved.

God is continuing to move by bringing in families from our event. We are excited to see what God is going to do in Merced. Please keep us in your prayers as we continue to pray for you.

**Newport News, Virginia**  
**Potter's House**  
**Pastor Larry Mitchell**  
**Corres: Wayne Nickerson**

**G**reetings from Newport News, VA. We bring you a good report of what God has been doing lately.

The end of February, we had Evangelist Micah Wright here for revival. God greatly used Evangelist Wright as he gave very specific words of knowledge and encouragement which powerfully touched people.

We saw several instant miracles: a young man with lower back problems had a leg grow out and his pain was gone; another man's hands were locked/clenched tightly so that he could not open them and he was able to open them and move them freely; and one young girl was delivered of allergies. God showed up each night in a powerful way. The greatest miracles we witnessed were decisions for salvation.

In March, we had a Disciples' Night where two men had the great opportunity to preach. They did an outstanding job, and many were encouraged and touched by their ministry. The Holy Spirit is continuing to raise up men of God in Newport News.

On March 31st, we celebrated our own local "Caleb," Brother Bob Costen's 90th birthday. We all pitched in and gave Mr. Bob the present the oldest man in our church needs, more time...in the form of a very nice watch. It was one he had wanted since his high school graduation. We treasure Mr. Bob's continued example, participation, dedication, and zeal for Christ.

Evangelist Marvin Wells preached a dynamic series of services in April

where people were convicted, challenged, and greatly encouraged. We had a major outreach leading up to Resurrection Day and partnered with Pastor Adam Dragoon and the Virginia Beach, VA church who brought an impact team and band. We had games, a puppet skit, and altar call before doing an egg hunt for children. The next day

Newport News, VA church honors 90-year-old saint

there were at least four new families that came to church.

We are now in May and enjoying the beginning of what promises to be a powerful revival with Pastor Mark Tozer. Please pray for us as we take Hampton Roads for Jesus!

**Oceanside, California**  
**Potter's House**  
**Pastor Tim Moynihan**

**G**reetings and Blessings from Oceanside, CA.

We are pleased to report God has been giving us an increase in new converts, visitors, and decisions for Christ.

In summer, 2024, the Oceanside Healing Crusade, now re-branded as the Oceanside Healing Experience, returned to the Pier Amphitheater after several years of issues involving construction, competing city events, and pandemic restrictions.

For our return to the beach, we added 300 chairs at the ground level. The results were glorious. Our Saturday evening service drew over 2,500 people. We recorded 64 salvation decisions and 47 healing miracles over the two-days. We are grateful to Pastor Greg Mitchell and the Prescott church for their on-going commitment and faithfulness to this outreach (and persistence in insisting we get back on the beach!). We also must testify to the blessing of our CA,

Oceanside, CA had a fruitful revival with Richard Graham

NV and AZ Fellowship churches for their support.

In early 2024, we re-booted our Camp Pendleton Bible Fellowship. This was always our most fruitful church activity. But after the pandemic, most of our active-duty families received orders at the same time leaving us with no base home to host this Bible Study.

God opened a new door onto the base as the military opened Base Housing to Veterans. Two of our Veteran families moved back on base and went to work rebuilding the Bible Fellowship. The result was incredible. The Camp Pendleton Bible Fellowship, now led by USMC Veteran Kyle McKee blew up with as many as 30 marines, sailors, dependents, and now Veteran family members attending at times. This has led directly to an increase in church attendance with several young men and couples accepting the call to discipleship.

Our 2024 Haunted House called "Camp Fema 2030" had 288 visitors with 50 saved and 15 visitors in church the next morning.

Our 2025 revivals with Evangelists Leonard Williams, Dave Fowles, and Richard Graham have brought in more new converts along with many testimonies of healing and deliverance. The Sunday morning service after our Richard Graham revival was our largest regular service attendance ever. God is stirring up our prayer meetings, our outreaches, and our regular services like never before.

Our teen ministry and children's church, under the leadership of Jonathan and Joeana Garcia have been revitalized with many new faces, events, and a teen-led puppet show/skit group established.

We believe this is the End Times Harvest season and are emphasizing Last Days Holy Ghost signs and wonders

in our Bible Studies and our Service messages. We also see God is blessing us for our commitment to World Evangelism as this has been our first year supporting a couple overseas - we launched Matt and Claudia Stowe into Spain last year (in partnership with the Prescott Church) and we know God has given us an increase to support the work.

We are also pleased to report church growth and blessings in our US baby churches. We are thankful we don't need to try new gimmicks or change the message of the Gospel to see fruitfulness in our labors. The Fellowship pattern of Book of Acts evangelism and church doctrine still works, and Jesus Christ is as faithful as ever to draw men to Him as we are faithful to lift Him up in the public Square.

This year's Oceanside Healing Experience is July 25 and 26. Blessings to everyone and hope to see you there.

**Pasadena, Texas**  
**Potter's House**  
**Pastor LaMont Melrose**

**G**reetings from Pasadena, TX! The Lord has been really good to us this year. 2025 has its challenges, but God has kept us and is taking us into a dimension!

In February, we were privileged to travel with 11 others from our congregation to the nation of El Salvador! God is moving in that nation and He used us mightily for His work there. We witnessed 45 people give their lives to Jesus, several others healed and delivered during the revival services.

In our Bible conference, (Killeen TX International Bible Conference), we were blessed to launch out three cou-

ples! Two of them are stateside and our first missionary couple! Please pray for us as this is a new chapter for us all!

The conference left an indelible mark on our church as men are stirred to rise up, take the places of couples that are going, and make an impact for Jesus!

Lastly, our Cinco de Mayo service has always been a blast and this year was no exception! Over 100 people

Pastor LaMont and Jana Melrose on outreach in El Salvador

attended our crusade-style service outdoors and 20 people received miracle healing! Four precious souls were added to the Kingdom that night as well, and visitors are pouring in!

I thank God for my pastor, (James Rosario) for his leadership, the Killeen Congregation for their support, the Pasadena, TX congregation for their faithfulness, and pastor Joe Campbell for his vision and wisdom. He is the greatest man I've ever known. God bless our Fellowship, Pastor Mitchell and our great leaders! Please pray for Southeast Texas, we're storming the gates of hell in Jesus' name!

**Rochester, New York**  
**Potter's House**  
**Pastor Keith Sullivan**  
**Corres: Ahnika Stowell**

**H**ello from Rochester, New York! We are excited to report all the work God has been doing here over the past few months.

Kicking off spring, we hosted our annual Easter egg hunt which always draws a large crowd from the local

Eight newly baptized converts in Rochester, New York with Pastor Keith and Kerry Sullivan

community. Even though it ended up being somewhat rainy on the day of the event, we still saw almost 150 people in attendance. During the altar call, three people raised their hands, but as they came forward, more and more people came forward to the altar with them. A lot of great connections were made and we are excited to see the fruit of this outreach.

Our second Easter event was a musical called Jesus Christ Risen Star, which is a sequel to Jesus Christ Superstar, picking up after Christ's death and going into the ascension. Through this event we saw 25 first time visitors as well as a lot of new people getting involved and playing major roles in the play. It has been so encouraging to see people in the congregation catching the vision and getting involved with new outreaches and productions.

In our last report we mentioned a Bible study that one of our teens started in her high school, here is a note from Darlene Bahati about the Bible study: "My siblings and I wanted to start a Bible study and after six months of push back from the principal we were able to start on January 23, 2025. Since then, we consistently have had lessons every Wednesday after school.

Within 13 weeks of starting, we have had over 450 students attend and over 300 pray. Teachers have attended in awe and confusion, we prayed for five students to be filled with the Holy Spirit, and one was filled. We've seen consistency in students coming to church.

We have had many people from our church come and tell their testimonies to the students during our Wednesday lessons. Evangelist J.W Ballinger was able to come to the school and give a lesson which had the students asking

many questions about him and his life as an evangelist. Students are excited and we see a consistent rate of about 30 students a week. We have made flyers and we are currently trying to bring Mi Vida Loca (one of our church plays)

into the school. Thank you to Pastor Keith for encouraging us, and the church for supporting us and praying for us.

In May, we hosted a baptism and saw eight people baptized. This has been a wonderful season of backsliders coming home, family members transformed, and young people dedicating their lives to Jesus (including some from Darlene's Bible study!).

We would like to express our gratitude to the Fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting.

Please pray for us here in Rochester as we continue to take the land!

**Seguin, Texas**  
**The Door**  
**Pastor Rene Torres**  
**Corres: Mary Gutierrez**

**G**reetings from Seguin, Texas! We were excited as we pressed in and outreached in preparation for our revival with Evangelist Andy Anderson in February.

We had 15 students from our local university, TLU, come one night with several getting saved. Most of them and a few other came throughout the revival, producing fruit that have been coming to church regularly.

Because of the fruit, we were able to go onto the campus to host student Bible study. New students came out and added to the church services as well. To show our appreciation, we hosted a Student Appreciation night and had about 10 students in attendance. They delighted themselves in lots of different dishes

and desserts, ending with an altar call.

At the end of April, Pastor Luis Perez from Universal City came with his church and a food truck to one of our apartment complexes. With their help, we were able to witness to a large crowd from the complex. Several people prayed for salvation. The event was received very well and we pray we can do it again soon; especially as summer is around the corner.

We are currently gearing up for summer outreaches and planning a trip to Washington State to assist Pastor Crispin DeLeon in Mount Vernon; we are even taking some of our college student with us!

Pray for us as we continue to outreach for our upcoming revival with Evangelist Steve Nicodemus! We are grateful for the breakthrough we have been seeing in our area and can't wait to see what God has planned in the upcoming months.

**Sparta, Illinois**  
**Potter's House**  
**Pastor Mike Stamper**  
**Corres: Erriel Wolters**

**T**his past Winter, Spring, and beginning of Summer has been exciting for the Potter's House congregation in Sparta, IL.

Since the last Trumpet report, the church in Sparta has had a revival with Glen Puglisi, attended and supported the Midwest Bible Conference in Carbondale, IL, and continued faithfully in other ministries.

One major item for the Sparta congregation is the 2nd Annual Arts and Crafts Fair in June. The Craft Fair, like last year, will be held on church property, is open to all church members to be a part of, and is a great outreach and evangelism opportunity, partly because the church is located along one of the busiest sections of town.

This year more events are being added to the Craft Fair such as games for kids. This was an exciting and fruitful event last year, and so the congregation is looking forward to another amazing Craft Fair and opportunity to share the Gospel with the community.

God has been so good to the church here in Sparta! We are grateful and blessed. Revival is here and the Sparta church is looking forward to what God has next!

### Testimony: Jordan Eggemeyer

Jordan Eggemeyer, delivered and serving God in Sparta, IL

I was born to two loving parents in the Fellowship who tried to teach me what it meant to love God. From day one, my life wasn't easy.

During delivery, the umbilical cord was around my neck. I was blue and had to be revived in the delivery room. Moments after, I was diagnosed with a rare genetic disorder called Saethre-Chotzen Syndrome. My parents lost track of the total number of times I had surgery. I had a heart condition that made me vulnerable to SIDS.

My parents used to tell me that the devil wanted me dead, but God had a plan for my life. I had words spoken over me by nearly every evangelist who came to the church. "God has great things for your life Jordan," "You'll preach on other continents," "Keep your heart soft before Him."

In 2017-18, I went from going to church to living and serving the world. I thought I was happy living that life. I had a good job making good money doing what I wanted to do, and I was doing things I never did before in my life. I let the world and my job control my life for the next eight years.

Then this year problems that I hadn't dealt with since I got out of high school came back. I was a drunk/alcoholic and depressed and the thoughts of suicide started to plague me. I woke up on March 13th, 2025 after a night of drinking my problems away, not able to find any way of finding joy.

The thoughts of suicide became very persistent that morning. I sat

there on my phone swiping through social media with these thoughts of "you're not good enough; you don't belong in this world; nobody will miss you." I got tired of hearing this and called my mom. I told her that the thoughts of suicide I dealt with after high school were back. She clocked out of work and came over.

I then told her everything that was wrong from work to drinking to thoughts of suicide. She told me that there's nothing this world can give you that can satisfy you. She prayed for me and asked if I wanted to go to church in Carbondale that night. I told her I had nothing better going on and said I would go.

Now I would be lying if I said I planned on going to church and getting saved that night, but I wasn't. I knew if I spent the evening with my parents that I would make it to see the next morning, but God had a

different plan for me that night. We went to church that night and Pastor Scott Lamb preached a message that was the same thing my mother and I talked about just a few hours earlier. During the altar call, the battle I'd been going through all day got very loud, but God was much louder. He told me "You know how to stop this. You've been there before, and I was there for you last time. All you must do is stop running away from me and submit to me." As soon as Pastor asked for sinners to raise their hands, I immediately raised my hand and prayed the sinner's prayer with a gentleman from the church.

Since that night, I haven't had one drop of alcohol, the stress and battles in my life have been easier to deal with. I've been asked to play drums in the church band and have attended every church service I am able to barring my work schedule. I now have a sense of peace and joy in my life.

Spring Lake, North Carolina  
Victory Chapel  
Pastor Ed Tijero  
Corres: Amber Flippen

Greetings from Victory Chapel of Spring Lake, North Carolina! God is doing a powerful work here and we are being blessed with many couples ready for discipleship, new converts, and we are even seeing a growth in our core members. People are surrendering to God and it's so amazing to see.

Children's Easter Production in Spring Lake, NC

In October 2024, at the Chandler Conference, we launched out two new baby works: one to Detroit, Michigan, and another to Columbus, South Carolina. The Thomas family in Detroit have already made it to their city, as of March 2025. Please keep that baby work in your prayers. We know God is going to do something incredible there.

Starting off the new year, in January, we had Revival with Pastor Torey Williams out of Chandler, AZ. God moved during that time, and we have seen much fruit from that service. We had a total of four decisions for Jesus!

In February, we had a mission trip to Peru for Pastor Paul Alvarez. The turnout was absolutely incredible. Though many things tried to come against them, God made a way every single time. At one point, the police came to shut the revival down, but the service continued. Many people made decisions for Jesus!

In March, we had another revival with Pastor Larry Mitchell out of Newport News, VA. We saw many people healed, and six people gave their lives

to Christ.

In April, we had a Family Fun Day for the community, and we had a wonderful turnout. Tons of visitors showed up!

Our Children's Church ministry put on a play for Easter and the attendance was fantastic. The house of God was packed as people poured in to see, "Holy Moly, I'm Jesus!" The children worked so hard for several months learning their lines and lyrics. To see young people ministering the love of Jesus Christ is truly inspiring and such a blessing.

Pray with us for the seeds that were planted from their efforts as we saw three souls saved from their labor. God is too good!

**Tucson, Arizona**  
**The Door**  
**Pastor Harold Warner**  
**Corres: Mike Webb**

**G**reetings to all the Fellowship Saints! We bring a great report of God's grace at work at Door Church Tucson.

Tucson Flowing Wells High School students baptized

"Call to Courageous Faith" is the theme Pastor Warner set before the congregation for 2025. How easy it is to sit back and remain in the shadows, but courageous faith requires us to journey forth from our safe places of comfort and engage our world for God. Recently, we have seen several people do just that, particularly some of our congregation's youth.

We have witnessed a revival in our local public schools. God laid it on the heart of Josiah Kehoe, one of the students in our youth group, to start a Christian club at his high school. Not

knowing what to expect or whether anyone would attend, he and a few others launched the club, and they were amazed that the weekly meetings consistently attracted between 35 and 85 students, with many conversions to Christ. The students have witnessed addictions broken, suicidal students finding freedom, and even miracles of healing occurring. God laid it on their hearts to hold a baptism, and 12 students were baptized right at the high school, with the principal and many students in attendance.

At Mica High School, Tim Amico started a Bible study on campus on Thursdays, attracting 80 students. Recently, the students felt inspired and said, "Let's have a citywide rally and invite students from all the high schools." The rally occurred on a Friday night at the high school's football field, drawing over 900 attendees. The students organized the service and led the worship; Pastor David Ajala preached, and more than 120 students responded to give their lives to Jesus!

Our Easter season was highlighted by a multimedia music and drama pres-

entation called "Arise." This powerful play tells the Biblical stories of the people whom Jesus touched during his earthly ministry. Many people responded to the altar call, and we followed that with a baptism, during which 22 precious souls were baptized. Courageous faith was demonstrated by the singers and actors, some of whom were performing for the first time, and one as young as 12 put fear aside to bring the Gospel to the lost.

God has been doing great work in our Spanish ministry, led by Pastor Leonard Gastelum. Thursday night

Spanish services have seen an increase, with attendance averaging between 140 and 170 people.

A recent revival led by Evangelist Manuel Delgado resulted in numerous healings. Our Spanish ministry has courageously reached into "regions beyond" and has sent invasion teams to Tijuana and México City, Mexico; El Salvador; Cúcuta, Colombia, and Atlanta, Georgia. We thank God that our Spanish ministry has profoundly impacted the raising up of pastors to pioneer new churches.

We at Door Church are grateful that God has positioned us in a Fellowship that is making a lasting impact for Jesus in the world!

**Waipahu, Hawaii**  
**Potter's House**  
**Pastor Dan Jones**  
**Corres: Levina Sumang**

**A**loha from the beautiful island of Oahu! God is definitely moving in hearts and lives!

Earlier this year, we had the honor of hosting Ronnie and Suzie Burrell, one of the first hippie couples of our Fellowship. They graced us with their presence and shared rich testimonies and the history of how our fellowship began - especially in the areas of outreach and music. It was such a meaningful time spent with them and a beautiful reminder of the incredible work of God we get to be a part of.

In the last three months, we've been blessed with timely preaching from great men of God such as Pastor Tony Hoang, Pastor Joe Zeable, and Pastor Roger Schiefelbein. We've also received impactful messages from our very own preachers here in the Waipahu church, as well as from the surrounding pioneer churches laboring alongside us on the island. Each message has truly been a word in due season.

One encouraging testimony comes from a new convert whose faith was stirred at the preaching of God's Word during a Sunday morning service. That very afternoon, she began boldly inviting others - from both Waipahu and her base at Pearl Harbor - to our monthly BBQ and evening service. As a result,

seven visitors came out! She also took another step of faith and was baptized.

We are continuing to witness souls being saved, baptized, and discipled as we pray and believe God for revival here on Oahu. It is a privilege to be part of what He is doing.

**West Las Vegas, Nevada  
Potter's House  
Pastor Scott Lamb  
Corres: Anthony Yurkonis**

**A** big hello from West Las Vegas, Nevada!

We are delighted and excited to announce that we recently hosted our very first West Las Vegas, Nevada International Bible Conference!

The preparation was years in the making, and the direct execution and curation of our first conference began several months ago.

Our entire congregation came together in various ministries, contributing long days and nights to make sure we gave everything we had to make this a memorable and most importantly fruitful Bible conference.

We are filled with gratitude to have received such leadership presence as well as many homegrown pastors domestically and internationally, delivering the word of God the entire week.

Our theme for our first annual conference was "Candlestick Churches." Our very own Senior Pastor Scott Lamb preached a monumental sermon that set an undeniable tone for the entire conference week, a tone that welcomed and ushered in anointed Holy Spirit filled preaching coupled with nightly tongues and interpretive prophecies.

Experienced disciplers of men and

Military member baptized in Waipahu, Hawaii church service

church planters like Pastor Joe Campbell, Louis Oliver, Louie Lobato, and Greg Mitchell amongst many more continued the thrust on the idea and meaning of the candlestick theme the entire week.

launched six international works into Indonesia, Trinidad, Madagascar and three into Bolivia.

We followed up the next night and launched two new domestic pioneer churches into Kansas City, MO and

## West Las Vegas, Nevada's First Annual Bible Conference

We saw an average of just under 700 people every evening, and just over 800 folks in a completely packed house Friday night to wrap things up.

This included dozens of international and domestic churches attending, and surprisingly many first time visitors as well.

Out of our first conference we

Boise, Idaho for a total of eight new churches.

We thank you very much for all of your prayers and well wishes for our congregation and those prayers are felt. Let's continue to lift each other up as we all press forward to light more fires to ignite more candlestick churches!

# Worldwide Ministry

**Christ Church, Barbados**  
**The Door**  
**Pastor Rudy Estrada**

**G**reetings from the wonderful island of Barbados! This year has been a great year of harvest, with a couple of great revivals with Pastor Bobby Rugnao and Robert McCullough who brought an excitement and refreshing to our congregation.

We are pleased to bring glory and honor to the Lord. Many street evangelism sessions, concerts, baptisms, and conversions have taken place, as well as some notable miracles. A woman was healed in her foot during the revival. She began to trot around the building exclaiming "I'm healed!" while another brother was healed of stomach pain.

We are continuing to do the great commission in faithfully reaching people on a weekly basis. Our outreaches have brought in visitors and people who have joined us in the work of the harvest. God is blessing people with jobs and raises.

Please pray for us as we continue to fulfill the Lord's will on the island of Barbados.

**Beechboro, West Australia**  
**Potter's House**  
**Pastor Daryl Elliott**  
**Corres: Michael Perry**

Barbados congregation

the Australian International Bible Conference. Our theme was Enlargement. With the continued growth of our church this theme is applicable to both the spiritual and physical.

Our Conference began with record numbers in attendance and an air of anticipation and excitement. As God moved through the powerful ministry many people were motivated and stirred to step up and out in faith. By the end of the conference 25 announcements were made. Nine of these are international works including the island nation of New Caledonia and the South Island of New Zealand. The result of the announcements was a stage so full it was barely able to fit the couples announced.

Immediately after our conference we moved services into our One80 building to allow for a large expansion of our church building. We used this move to make a big impact in the local suburb with witnessing and outreach at the local shops and street corner testimonies with live music in multiple locations.

We saw dominion at the local shops with one security guard ap-

been plaguing him for years. After receiving healing he encouraged the saints to keep witnessing and handing out flyers.

Our outreach has resulted in many visitors to our services and new converts added to the church.

Over the Easter weekend we hosted a full-length theatrical production written and produced by members of the Beechboro congregation. This, coupled with our annual Easter parade in the city of Perth, saw a response of more than 50 decisions over the weekend.

Perth One80 has now relaunched for 2025 and we are building momentum with people being saved every week in our outreaches and new converts testifying at the concerts. It has been encouraging to see these converts locking in and engaged with what we are doing.

We would like to thank Pastor Greg Mitchell and the Prescott Church for imparting the vision of enlargement that we are seeing play out in the Beechboro church, through the leadership of Pastor Daryl Elliott.

**El Alto, Bolivia**  
**Potter's House**  
**Pastor William Ortiz**

**I**t is a joy to be able to show the wonders that GOD is doing in our country.

Recently, we have used new strategies to evangelize and bring the Gospel to the people. We renovated the concerts and added board games. The church

Conference announcements in Beechboro, West Australia

**G**reetings from Beechboro, Western Australia. We entered this season by hosting

proaching our people not to kick them off the property but rather to ask for prayer for hip pain that had

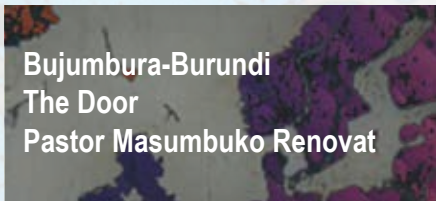

Board games offer opportunity to share Gospel in Bolivia

members made a commitment, and we joined forces to make the board games effective.

God honored the efforts of the people because there are new visitors, and while they play, we can talk to them about Jesus Christ. This evangelism bears fruit: people who are saved come to the services.

Bujumbura-Burundi  
The Door  
Pastor Masumbuko Renovat

**G**reetings from Bujumbura-Burundi.

In April, we had revival meetings with Pastor Richard Oronje from Kenya Nakuru. We had a very powerful revival with a tremendous presence of the

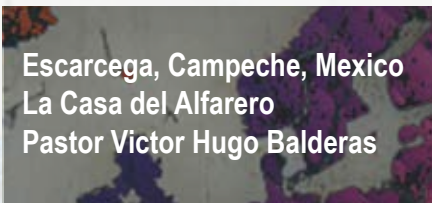

Music ministry in Bujumbura-Burundi church

Holy Spirit. God moved in a wonderful way through the Holy Spirit and Pastor Oronje gave many specific words of knowledge. After service, people went home refilled and full of enthusiasm.

We had also a wonderful Fellowship where we shared food at Easter with all the saints of the church. It was a powerful moment of showing love and unity between the saints of the congregation.

We have been seeing God move weekly in our music scene and we've seen many people get saved and lock

congregation. God bless you all.

Escarcega, Campeche, Mexico  
La Casa del Alfarero  
Pastor Victor Hugo Balderas

**G**reetings from Escarcega, Campeche. We are seeing God moving and doing many miracles in our city.

At the beginning of the year, God did a great miracle in our healing crusade. We scheduled my Pastor Adalberto Castro and a missionary from the States, Pastor Luis Alcalá, but unfortunately the rain stopped our plan. It was not possible to have the crusade in the venue where we had planned. My pastor preached powerful messages in the church that encouraged us. Saturday came, the rain continued in the venue we chose,

and now it seemed even more difficult than the previous days. There were ponds and mud. We really wanted to do the crusade, and we already had 200 chairs, the platform, and the sound equipment. Everything was ready. God had previously opened doors to us, so I started to have a zeal from God. Standing with Pastor Alcalá, I asked him if we should give a try with the risk of rain that had stopped a little bit in that moment. He told me that he would help me no matter what happened. We started crying out to God and miraculously the rain stopped. In a matter of minutes the soil was dry, absorbing the water.

in from that outreach.

We thank God for the congregation of Tucson, Arizona for their prayers and support to the Burundi

We started the crusade and people started to show up despite the fact that one hour before it had been raining. We saw powerful healings, but God had more.

Escarcega is very flat, no mountains or high lands, and even though we only had a 15" amplified speaker and two passive speakers of 12", almost the entire city heard the message. Areas far away from the city heard clearly the praise and worship and the message of salvation. We saw the fruit of this crusade and our brothers were encouraged to believe and fight for miracles.

A situation that was hurting us was the location of our church. When we arrived at Escarcega, the construction of the Mayan train station was in full swing. It brought a lot workers that occupied what could be used to live and store material. Everything was rented and with prices in the clouds, we only found a building about five blocks from the city center. It was on a hidden street, didn't have a bathroom and no storage space, it was expensive, and we had a tree right on the side that covered part of the facade. We were in this place for a year and three months and we felt that we had to move. We started looking, but we only found very expensive buildings that didn't work for us.

Since we arrived in Escarcega we saw a restaurant that didn't have any customers. It was on the same street but almost on the corner where people could see it clearly and it was a well known restaurant in the past. I asked the owner if we could rent it, explaining that we needed something cheaper and thanks to God he accepted. The building is bigger than the previous one, with a capacity of 100 people. It has a kitchen that we are going to adapt for nursery and two bathrooms, and it is only 25 dollars more than the previous building.

God has added to the church key people - former drug addicts, alcoholics who have been a great testimony of restoration in the city and also foreign people like brother Antonio, who is a veterinarian from the State of Mexico who works for an American company here in Escarcega. He is the vaccination supervisor of all the poultry farms in the area. Families are happy and young people are taking the vision of preaching.

Our finances have also been handled by God. Now the church is paying the local rent completely and we are believing for more.

Please continue praying for us, may God continue to reach more and more lives.

**Bonteheuwel, Cape Town,  
South Africa  
Potter's House  
Pastor Harold Visser**

**G**reetings from Cape Town, South Africa. We are extremely grateful for what God is doing in our congregation. During the summer we have seen an increase in attendances in our regular services and miracle conversions.

One such conversion is a lady who was bound by alcohol for several years and is now free and regularly attending and bringing her family!

Our men are doing the midweek outreaches and our One80 concerts where we have seen several visitors showing up and numerous decisions at the altar for their salvation. On some of the midweek summer outreaches our men

Sunday service in Bonteheuwel, Cape Town

are showing an outdoor movie in some areas with the locals visiting and we can attribute the increase in visitors in our services to the dominion God has given us.

Also in the month of April we had a revival with Pastor Cheslyn Solomons where we prayed with 61 sinners during the outreach. We had more than 40 visitors at the 180 concert that followed with another 21 decisions for salvation. During the revival he gave very timely words to members of the congregation. One word was to a lady whose husband just walked out on her and their chil-

dren. The following night he was with them in the revival service and has been attending services regularly with his family.

Another miracle we saw was a man who asked us to pray for his son after an outreach as they were threatening to kill him. The following Sunday he came to service and told us they found his son stabbed several times. By the grace of God he made it out alive and was taken to hospital and is still alive today. Thank God for the power of a prayer!

It is only an honor and privilege to be involved in the ministry and to give God the glory for what He is doing.

**Chilliwack, BC, Canada  
Potter's House  
Pastor Dave Marks  
Corres: Cory Broadbent**

**H**ello brothers and sisters from Chilliwack. We are faithfully continuing to do what God has called us to do in our city and country.

Our young people have been excited about serving God, in particular hitting the streets every Monday night with an outreach and then gathering for Bible study afterwards.

We are starting our music outreaches in the middle of the city once again. They are quite effective with testimonies, songs, free pop, and ending with an altar call.

We still have a group going to Vancouver every three weeks for street preaching. We are seeing people respond and souls getting saved. We see the great need for a relationship with Jesus Christ when we take the Gospel outside the four walls of the church.

We are also excited to be involved with a new church plant in Venezuela sent out of our Cuban conference.

We are seeing visitors come and some are staying and tying into church. Being challenged through solid, Biblical preaching, and serving God seriously has created an envi-

ronment where God can move and help His people.

We are believing God for a fruitful summer and a deeper relationship with Him. God bless you all.

**Chingola, Zambia  
Potter's House  
Pastor Bwile Chongo  
Corres: Kathie Chongo**

**G**reetings from Chingola, Chigwempala church, we would once again like to share with you the wonderful things God has been doing for us in Chingola.

In March, we had a water baptism where we baptized one new convert named Mutale. God has been at work in this young man's life, evidenced by his strides to faithfully attend church, efforts of serving God as well as bringing his older brother who equally got saved.

Following was Youth Day, a national holiday. We had a morning outreach where we were winning souls and inviting people for our Youth Night midweek service.

Prior to heading out, Pastor challenged the young people who were already filled with the Holy Ghost to lay hands and pray for those who weren't and God poured out His Spirit in a Day of Pentecost fashion, were many of them got filled and others got refilled, speaking in tongues endlessly. As a result our street preaching outside a known Night club, the Youths had total dominion and peoples undivided attention listening to their 180 Life testimonies. In the evening we had our scheduled Youth run service and there were many visitors who came out and at the end of the night we saw 84 decisions for Christ in addition to the 36 we had earlier in the day. It was all wrapped up with some food and fellowship afterwards.

During the Easter weekend, on Friday we had a morning outreach where we had six people give their lives to Jesus Christ. We showed a movie later in the evening with a couple of people that prayed after the altar call was given. On Resurrection Sunday during our time of Bible study, we had an Easter egg hunt and a family photo booth. This event encouraged many families to

show up with a record attendance of over 200 people. We celebrated the Lord's Resurrection with Holy communion.

A Marriage Retreat was held in conjunction with the Kitwe and Ndola Churches. The Copperbelt area leaders Pastor Moffat Shawa from Kitwe and Pastor Given Kasochi from Ndola, alongside our Pastor preached timely messages. There was a total attendance of 42 couples, the highest attendance since the Retreat's inception. The three seminars, marriage games, a braai picnic style and a boat cruise summed up the day's activities. The eight couples from our church were refreshed and rejuvenated in their marriages.

May 1 was Labor day, and we held an outreach inviting people for the revival we were going to have from in May with Pastor Moffat Shawa. Pastor Shawa's timely messages brought a Holy ghost dimension, we saw a tangible shift in people who were challenged to commit to serve the Lord and take things to a different level.

We are grateful to our Fellowship for the opportunity of being part of what God is doing during this time. God bless you all!

**Chipata, Zambia**  
**Potter's House**  
**Pastor Aaron Nyendwa**

**M**y name is Aaron Nyendwa and with my wife Mailess, we pastor in Eastern part of Zambia. I took over the church during August Bible conference 2024.

I want to take this opportunity to give a report of what God is doing in the beautiful city of Chipata.

It has been eight months of continuous work and we have seen the moving and confirming of his Word. We have seen people being delivered and healed.

During Easter holiday in April we had revival for three days where I was the host and guest speaker. We saw four people who received water baptism, and one couple joined our

**Baptism in Chingola, Zambia**

church.

During this period we had one sister who brought her younger sister who had a problem with the heart. We prayed for her and God healed her completely.

We also had one brother who was experiencing pain on his leg. We prayed for him and God also healed him.

We also received a sister who was struggling with high blood pressure. We prayed for her and God also healed her completely. As a church we are experiencing the hand of God. Please continue praying for us.

We are grateful to the Fellowship for all the prayers that have been poured out for this city.

**Davao City, Philippines**  
**Victory Chapel**  
**Pastor Frank Buenaventura**  
**Corres: Emma Sotto**

**G**reetings from Davao City, Philippines! We are thankful to God for this fruitful quarter!

To begin with, we held a couple's fellowship last February.

It was heartwarming to see couples building friendships and encouraging one another. We had dinner, games, and most importantly, the preaching of God's Word for a deeper understanding of marriage from a Biblical perspective.

In March, we held a farewell

service for Roy and Malou Obeal. Davao Church sent an impact team to support their pioneering work in Dona Asuncion, Barangay Pampanaga. They had personal invitations, door-to-door outreach, and hosted an outdoor concert. Through these efforts, a total of 125 souls were ministered to for Jesus. We praise God for the seeds planted and look forward to the harvest to come.

During Holy Week, we held our bi-annual Bible Conference, "Looking Beyond," with 1,200 in attendance. Even more people came on the final night that we lost count. The auditorium was packed, and many were left standing. Each day, the congregation gathered in one accord to worship and hear God's Word, and the presence of the Holy Spirit was evident. God moved powerfully in our midst, equipping and refreshing His people through inspiring morning seminars and Spirit-filled evening services. It was a time of transformation, encouragement, and renewed vision as we looked beyond our circumstances and into the purposes of God.

Pastor Chris Aulson ministered with boldness and authority, inspiring the conference body. On the final night, 10 local pioneering works were launched into the harvest field. All glory to God!

Please remember us always in your prayers. With the spiritual and legal challenges ahead, we know we are fighting a good fight. The work is great, but we believe that in Christ

**Concert outreach in Davao City, Philippines**

Jesus, we are more than conquerors, strengthened by your prayers.

Our wholehearted gratitude to Pastor Mark Aulson, Prescott and

Tempe churches. We are the fruit of your tireless labor and investment in the Lord. The grace of the Lord be with you all.

**Eden Park, South Africa**  
**Potter's House**  
**Pastor Shawn Stellenberg**  
**Corres: Mafika Mazibuko**

**G**reetings from Eden Park South Africa. We're continuing to both partner and participate with the Lord of the harvest in what He's doing in our midst and city.

Early in January our church was privileged to send an impact team to Botswana along with our pastor going to minister a full revival for the Broadhurst church. The team shared an exciting report of all that the Lord did through their outreaching, testimonies and concert ministry.

In February we had our annual Harvesters Homecoming with Pastor Jonathan Heimberg and pastors raised from our church ministering powerfully. It also was a milestone as our church was celebrating 25 years of impact in our city and communities with the Gospel of Jesus Christ.

Our pastor had all three pioneer pastors - Robert Polaco, Jeff Day and Chris Aulson - send their encouragements to the church. Thank God for modern day technology which enabled that!

We followed with Melville evangelist Pieter Mahlangu who came and ministered reminding the church about the need for resilience in the face of assaults and attacks. Pastor Nathi Hadebe came from Madagascar bringing timely words in due season to our congregation.

We're experiencing a fresh wave of very young Jesus People weddings. In March we had a very young couple who took a stand against their family's cultural pressures and chose to marry the Jesus People way, which inspired and allowed many young people to witness first hand the blessing of God.

At the end of March we celebrated another Jesus People wedding. The bride shared how she was both born, raised, and born again in this local church and met her groom, who testified of the goodness and faithfulness of God they have seen in provisions for the big day. She follows in the footsteps of her older sister who also was born, raised and born again in the same church and got married in the church. We are preparing for yet another young couples' Jesus People wedding. We thank God for adding three new marriages in a space of three months.

In April we had an evening water baptism service with our daughter churches bringing their converts who shared their testimonies of how their lives were impacted by Jesus through the couples who are pioneering in their cities.

Our youth ministry workers put a great event called "Ignite the Youth" and invited all of our baby churches youth to join in, which helped reinforce deeper friendships amongst them while they had fun with games and fellowship.

The Lord continues to point people at our church to come find answers in Jesus. We've had a self-confessed alcoholic who shared how tired he was of spending no less than 3,000 rands daily on booze. He wanted out of that lifestyle and reached out to our church, and another lady in her 30s also reached out because she heard there is help for addicts found at the Potters House.

We've had the local law enforcement's social workers refer a young troubled father to go to the Potter's House so he'll find help as their police victims unit team couldn't find a way to help him. We also have become the church known in our surrounding communities as the place where any families that have loved ones who are addicted to alcohol and drugs can come to ask for help for the addicted and their hurting families.

Please continue praying for us to keep bringing the Gospel of Jesus

to every human soul we encounter day by day.

**Footscray, Victoria, Australia**  
**Potter's House**  
**Pastor Chris Plummer**  
**Corres: David Avice-Demay**

**G**reetings from Footscray, Australia! We bring a good report from the last three months. God is moving and we are excited to see all that He is doing.

December through March saw us busy with our Summer Vibes Concerts around our city. Melbourne's notoriously fickle weather was no obstacle, as men rose up and ran outreaches in local parks across our city, boldly proclaiming the Gospel in many communities. This season was remarkably fruitful, seeing over 400 decisions for Christ, and the establishment of people within the congregation.

Our Easter weekend began with our Easter Drama production, Anno Domini. This powerful drama clearly presented the love and ministry of Jesus Christ.

We held our annual Easter March in Melbourne's CBD. Joining with other Victorian churches, we boldly proclaimed the hope of our risen Saviour in the heart of the city. As we walked through Bourke Street Mall, we shared the Gospel and personal testimonies of Christ's resurrection power. We praise God for his faithfulness as more than 20 responded to the call of salvation over this weekend.

Recently, we had the privilege of hosting Evangelist Steve Bowman for revival services. His ministry was a source of considerable encouragement and spiritual growth for our congregation.

Our Winter Concert season has also commenced, beginning with a Star Wars themed event. We hit the streets of Melbourne with Storm Trooper, lasers, smoke and rappers. This drew massive attention from passersby, commuters, workers, and even people in local pubs. The weekend ended with 49 individuals

Footscray, Australia's Star Wars themed concert series drew many visitors with 49 saved over the weekend.

revival of the year in January!

We kept the fire burning throughout the first quarter of the year by hosting four international preachers just to make sure we start the year on the right foot.

We had a great time with Pastor Gregory Sinapan and his wife Yen from Subang Jaya in February. He preached powerfully at our marriage banquet which brought 10 couples together seeking God's blessing over their marriages, followed by a Holy Ghost revival with many saved and delivered!

The assistant Pastor of our Mother Church in Ogden, Utah USA, Pastor Austin Schmidt and his wife Tabitha brought revival to our congregation in March and was our

main preacher for our yearly Pastor's Retreat, which brought eight pastors and their wives together for a time of refreshing and much needed fellowship.

We entered April with an impact team from Holland led by Pastor Henk Brusse and his family from Rijswijk (Delft-Noord). We are truly grateful for the revival he brought with him that saw many saved at the altar and on the streets of Goa.

Our latest revival was with Pastor Isaiah Medina II from Tooele, Utah, USA who preached powerful and challenging messages to the congregation with many first time visitors hearing the Gospel and connecting with the church.

We had three baptisms in the church and are still working with all the visitors we have had from these power packed revivals.

We want to thank all our leaders

and the faithful saints of our Fellowship. Special thanks to our Mother Church in Ogden, Utah, to whom we are indebted.

We are extremely grateful to Pastor Martinez and Mama Cecy for their continued support. Keep praying for us as we pray for you.

Groningen, The Netherlands  
Potter's House  
Pastor Peter Majoor

Greetings from Groningen, The Netherlands!

In April we moved in our new building. Through a miracle we could buy the building which gives us an incredible possibility to grow. Immediately after we moved in the new building people got saved and locked into the church.

Baptism in Porvorim, Goa, India

Porvorim, Goa, India  
Victory Chapel  
Pastor Archie Brown

Victory Chapel, Porvorim, Goa, led by Pastor Archie Brown out of Ogden, Utah is proud to share a victory report for this year's summer trumpet announcement.

We started the year celebrating our five-year anniversary, hosting India's first Evangelist Arun Mathew who brought in our first

We're seeing people getting saved and our last pioneer church in Alkmaar is doing well! From the moment they opened their church they saw people getting saved and they haven't had any church service without people.

In the meanwhile we have continued to send impact teams all through Holland.

New church building in Groningen, The Netherlands

**Hyderabad, Telangana, India**  
**Victory Church**  
**Pastor Indrasena Reddy**  
**Corres: Matt Sanderlin**

**G**reetings from Hyderabad, India. All our church members were blessed by the Hyd-Pioneer Rally that happened on November 7-9. We really loved the sermons from Kevin Foley Pastor, Pastor Vikas Jugai and Pastor Packia Raj. We were really blessed by the marriage seminar preaching by Pastor Kevin Foley on the evening of the 7th, and we saw 10 couples show up from our church.

Twenty members from our church attended the 2024 Indian Bible Conference in Bangalore. They testified that they benefited spiritually through the sermons and they made decisions to be rooted in church and work for the Kingdom of God.

In December, we were invited for Christmas carols at two families' houses. WE saw four people saved through these meetings.

We had a Semi Christmas Outdoor Meeting Service and had 100 in attendance with eight saved. We celebrated Christmas with seven more saved during the two services.

During Watch Night Service we thanked God through testimonies and had a delicious potluck. We saw eight more respond to the altar call.

We started the New Year with a Worship Service with two saved. We also had powerful revival meetings with Pastor Raja. We saw 16 people saved over the three days, and many people

received encouraging words from the man of God.

We had wonderful revival with Pastor Ryan in April, with three saved.

One of our church disciples is taking care of the movie ministry. We did a movie outreach and we met a person named Vignesh who was going through sorrow, lost, alone and feeling worthless. He met us and I prayed for him on the street. He got deliverance from the spirit of bitterness, and immediate-

Street outreach in Hyderabad, India

ly I saw a glow in him. He attended the movie that evening and powerfully got saved. He started coming to church for the evening English Services. All glory to God.

We had a wonderful music concert in February, where for the first time our church members performed the live skit "Prodigal Daughter." We had 49 in attendance and two saved.

In April one of our church Disciple

showed a movie. God brought six new visitors, including one person who is from Nagaland. He came for Sunday morning worship service, got powerfully saved and keeps coming to every service 'til this day.

We had wonderful Good Friday and Easter Services. We also showed the Son of God movie that evening, where God spoke to many people through the movie. We had eight people respond to the altar call.

God inspired a youngster named Surya to be baptized in our church, and we had a Couples Anniversary Celebration. Three people got powerfully saved on that day.

A sister suffering with a blood issue for a long time. One Sunday morning service, she was led through the salvation prayer and I prayed for her. Within a short time her blood issue was healed and God restored her health.

A sister had back pain for long time. When she was lead through a prayer of forgiveness, God miraculously healed her.

A mother was about to go for eye surgery due to glaucoma. When we prayed over her eyes, the next week she went for the operation and doctors told her it was not required and just medicines is enough.

**Kimberley, Northern Cape,**  
**South Africa**  
**Potter's House**  
**Pastor Naaman Struck**  
**Corres: Ethan Struck**

**W**e are seeing God move powerfully here in Kimberley.

We just concluded a revival with Evangelist Brandon Pepich and saw God's hand of grace move upon the church. We had many words given to precious people and witnessed God's healing power.

A woman had back pain for many years. She was prayed for, and Jesus completely healed her. There was another woman who was radically healed from IBS. A young man, during the

Evangelist Brandon Pepich ministers in Kimberley, South Africa

same revival, stood in for his mom, who was diagnosed with TB. The next day, he called her, and she was completely healed!

In recent months, we have been preaching the Gospel in our high schools, and we have seen fruit come from those visits.

We are doing weekly movie outreaches to reach the university students in our area, and we have seen many students come out and get saved at these movies.

We are very excited about what God is doing here in South Africa. We would like to thank Pastor Greg and Pastor Zeable for all that they have imparted into this mission.

Lalitpur, Nepal  
Potter's House  
Pastor Sanjay Tripathi

**N**amaste, greetings to you all from Lalitpur, Nepal.

My wife's cousin's brother, Reason Pariyar, 20, whom we have been reaching out to for a long time, used to visit our church occasionally. His mother, Rita, is a believer who has been abroad for housemaid work for the past 17 years and has not been able to come to Nepal since then. But she always used to encourage him to go to our church and be in touch with us. He got married according to Hindu tradition, when we were at the India Bible Conference 2024.

After his marriage, he and his wife, Reshmi, came to our area to start a new life as a family. He got a job in the laundry department in the hospital where I work. They have given their lives to Je-

sus, excited to come to church. We are blessed to have this young couple with us.

As we are facing anti-Christian protests, with the majority of the masses demanding Nepal back as a Hindu nation, we have to be cautious on street outreach. But we can reach out one-to-one.

I can share Jesus with my colleague-sand patient, and the patient's family, here where I work, and we are seeing miracles happening. Many of my colleagues mock me while sharing Jesus,

Evangelist Brandon Pepich after ministering marriage seminar in Nepal

but I see God is moving to some of their lives. One of the nurses asked me to come and pray for her daughter in their house. We went and her daughter prayed. We are expecting and working with this sister to come to church.

Recently, we did a medical camp in coordination with my hospital doctors, our local community neighbors and our church ladies for women's health-related issues. We saw 75 people for check-ups. Some of them are new people who never came to church. Through this medical camp, we started with prayers, and we are also reaching out to new people and following up with them to be in touch, encouraging them to come to church.

On our Nepali New Year 2082 B.S, which was on April 14th, we had a fun and fellowship time at church and in-

vited our family, friends of our church members, some young guys who were invited by our church people. We were able to share our testimonies and had a good fellowship time.

We had a wonderful revival service with Evangelist Brandon Pepich, and we did a couples seminar, too. Our couples are very much blessed and are now regular in church. Evangelist J.W. Ballinger from Prescott will be coming for us this May 22-24, 2025.

Also, my pastor, Pastor Gordon Porter, is coming for us this September with his wife, Mary Porter, after eight years. They labored as missionaries in this nation. Because of their testimony, faithfulness and impact, we were raised under fellowship standards and were able to take over the church and became nationalized couples in Nepal.

London, United Kingdom  
Potter's House  
Pastor Yomi Ikutiynu  
Corres: Jeremy Semanhya

**G**reetings from The Potters House, Shepherds Bush. We are very excited to share with you what God has been doing in the last few months in our church. We are seeing breakthrough, and we trust you will be encouraged by these reports.

In January, we had Evangelist Steve Stephan from Perth, Australia preaching two services on Thursday and Friday. He shared his powerful testimony and strengthened our church by preaching on finding peace in the storms of life. He gave timely words to people, prayed

Ministry in Shepherd's Bush, London, UK church

for the sick and we saw people healed! Overall, the church's faith was renewed.

Shortly after the revival, we took a team to Darmstadt, Germany for Pastor Pachili and Mona Mwanza. On the Saturday outreach we went into the town centre and preached openly in the square. We stood near one of monuments in the middle of the town and preached the Gospel to the crowd. Many people were drawn to the message, as they had never seen anything like this before!

In the evening, we had a concert and towards the end a family visited, and they all gave their lives to Christ during the altar call. On Sunday, Pastor Yomi preached on breaking inner vows, helping the church to break them so they can be free.

As a church, we wanted to take our world evangelism to another level so in March we took a team to South Africa for Pastor Fabian and Rochelle Estherhuizen. We spent a couple of days in Johannesburg to visit the Meadowlands Church for Pastor Isaac Mathebula. Pastor Yomi preached a service, reminding the church that Jesus in the boat while we are going through storms. He gave words to the church and disciples, which inspired them.

After that we arrived in Bloemfontein for a full revival and outreaches. One of the highlights was the Serious Men's class in McDonalds, where the men had freedom to ask any questions they had. The class brought unity amongst them and confidence in their discipleship journey. The revival was fantastic, with visitors almost every service and the sermons resonated with everyone in the church.

In March, our drama team did a live production on the testimony of one of

the ladies in church called One Night Stand. On Saturday night, we held the production at a hall on the high street of Shepherds Bush, and we had visitors attend.

On the Sunday after our drama, we had Evangelist Paul Boddy from Waltham Forest for revival. This was a unique for us, as the revival fell on the same day as Mother's Day and our Baby Dedication! Each service before his sermon, he called out for people who were sick, and we saw healing each service. Evangelist Boddy also took our morning Serious Men's class with many men in attendance.

We also had a young man come to one of the services and he gave his life to Christ that evening. He has been

coming regularly.

Our choir ran with that prophecy and did music in three different locations on Easter Saturday around Shepherds Bush. We invested in t-shirts and brought our sound system with us on the streets. In Ladbroke Grove, we drew a huge crowd of people through the music and used the opportunity to preach. That outreach was very fruitful as one lady has been coming to church since that time.

We thank the Pastors/Evangelists that came and made a lasting impact in our church. God is at work in our lives, and we pray His blessings upon our Fellowship over the coming months.

**G**reetings from Lusaka, Zambia! We are glad to share a report of what God continues to do in and through our lives, using us as vessels to touch lives and bringing hope to our community even in these times that we are living in.

In February, we had fruitful revival

Altar call after Heaven's Gates, Hell's Flames drama in Lusaka, Zambia

coming to church ever since that day, and we are grateful for that as we have been praying for more disciples – particularly young men. The standout sermon for us was on the power of music and the spiritual impact of it. We had a powerful prophecy on God wanting to use our choir and music to heal the sick, and since then our choir has been prac-

services with Pastor Isaac Madzivire from Zimbabwe immediately after the Pioneer's Shepherd. Pastor Isaac ministered powerfully and also took time to pray for the sick.

This was followed by a youth rally in March dubbed – "Make a Difference" based on Ephesians 2:10. Pastor Danny Phiri from Chongwe was our guest

preacher and he did a tremendous job as he challenged the youths to honour God and to make impact in their generation. After the preaching, the youth stepped outside the four walls in our surrounding areas evangelizing through street preaching, one-on-one witnessing, and inviting people for the evening Club One80 concert.

At the end of our morning outreach, we recorded 126 decisions for Christ. In the evening, we had music and drama on stage. The drama team presented a play titled "Black Sheep" and an altar call was pulled by Pastor Danny Phiri after the play and 33 people responded to the call of salvation.

In April during the Easter holiday, we did the Heaven's Gates and Hell's flames drama presentation for three nights from Friday to Sunday. As a way of inviting people, we put up street demonstrations depicting Jesus being whipped and being crucified on the cross. This encouraged people to come and watch the full play in the evening.

The cast really invested their time in rehearsal and they availed themselves to make the street demonstrations a success. We had visitors come each night and the play was fruitful as we had 54 adults and 125 children who accepted Jesus as their personal Lord and Savior.

In May, Pastor Jonas Kafwanka, who is pioneering one of our baby churches in Lusaka West, invited Pastor Simon Kakumbi to minister in the outdoor revival crusades which were held in two different areas for three nights (two nights in Dolomite; one night in Sekelela). We had 165 decision cards filled and we saw God's power manifested through healing and deliverance.

We have continued with our Saturday afternoon outreach which includes the main outreach team, the ladies' visitation team, and the men's visitation team, realizing the fact that as people get saved, they need not only to be followed-up but also to be nurtured in the things of God.

We are forever grateful for the great privilege to be part of what God is doing on planet earth. God bless!

Nijmegen, Holland  
De Deur  
Pastor Etienne de Sain

**G**reetings from Nijmegen, Holland. It has been two years since we took over the church and the church is still doing well.

Not only do we continue to see visitors coming to most services, but more importantly, we are seeing men and women rising up in discipleship. Young adults especially are begin-

Nijmegen, Holland's Mitchel and Gradake Schoonewil launched to Helmond

ning to grasp the vision. New converts commit themselves to church services and outreach. Some of them have only been saved for a few months, but they are testifying on the streets about Jesus with boldness.

We had a great start in 2025. We were able to buy the building we had been renting for the past five years. We bought it at a good price and the Christian owner loaned us the money on good terms.

Last February during the Winter conference in Zwolle, we were able to launch Mitchel and Gradake Schoonewil into the city of Helmond. Literally the name of this city means "the mouth of Hell." And that is exactly what we are doing: getting sinners saved before the gates of Hell!

In our church we have at least 25 different nationalities. If visitors need translation, we can provide it in most cases. God is doing a great work in Nijmegen and we are aiming to win the

nations to Jesus. We are looking forward to what God is going to do.

Jayapura, Papua, Indonesia  
Potter's House  
Pastor Jerome Brown

**G**reetings from Jayapura, Papua, Indonesia.

My family and I were launched out of the 2024 Australian Bible Conference into the Island of Papua to preach the Gospel of Jesus Christ to the lost and make disciples.

Jayapura is a city of 400,000 people consisting of Christians, Muslims and Buddhists comprising mainly Papuan (Indigenous) and Indonesian ethnicities.

Death is treated lightly here with many children and young adults dying on a regular basis and stepping into eternity from untreated illnesses and diseases.

The Gospel of Jesus Christ shines brightest where it is darkest and is our hope for many to be saved and step into a relationship with Jesus.

We are experiencing God's favour here amongst the local community where God has opened doors to a building, people, translator and much more.

The church has been open since December 2024 and we have seen God bring into church an influx of young adults looking for hope and finding it in Jesus Christ.

Along with weekly english classes and street evangelism we have a bi-weekly futsal (soccer) outreach

Jayapura, Papua, Indonesia congregation

which regularly attracts many youth who then make their way to church. Our outreaches have also been into the local village settlements where the healing power of Jesus Christ has seen people healed of asthma, vision impairments, tormented minds and more.

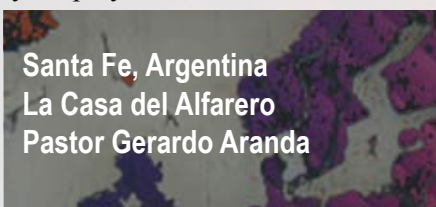

We have been blessed thus far with revivals with Pastor Dan Villani in December, Evangelist Steve Stephan in February and Pastor Brian Rhoenfeldt in April all having a momentous impact on the people and the church.

God has brought quick and steady momentum with many people making decisions for Jesus, locking into and consistently attending church and now trickling into morning prayer.

We are very grateful for what God is doing here in Papua, and excited for all God has for His church here in 2025 and beyond.

I would like to thank Pastor Tom Payne for His investment into my life, Pastor Darryl Elliott for his leadership and support, along with the Beechboro Church for all your support and prayers.

Please keep Jayapura, Papua in your prayers.

**G**reetings from Santa Fe, Argentina. My name is Gerardo Aranda and with my wife Claudia, we are pastoring the church in Rosario, Argentina.

We had a visit from Pastor Este-

ban Zapata (an evangelist from Australia), the first pastor of the church.

We had a four-day campaign where new souls were saved, we saw people restored, and we also saw miracles of healing.

We thank God for this investment and God's time.

**G**reetings from Siem Reap Cambodia! God has been faithful in 2025.

We are grateful for all that God is doing. We have been doing evening outreaches at a new night market that recently opened, with many in the church getting involved in the outreaches.

From those outreaches we have seen visitors to our 180 concerts, and recently had 21 visitors to a karaoke outreach with 17 answering the altar call and one family

locking in from that outreach. We also had four new converts baptized in water.

We started Bible studies every other Friday and have had a faithful core attending and growing in the word of God, along with the food fellowships this has been a great time for the church.

In the last few months we've had fellow missionaries in Cambodia able to preach. Pastor Keven Farley from Phnom Penh preached encouraging the congregation, and Pastor Andre Stephenson from Battambang rapped and preached for a weekend revival.

Lastly, we kicked off the summer with a revival with Evangelist Brandon Pepich From Prescott. This was an amazing time in our congregation, as God really so-

lidified the church. We had visitors come and get saved and backsliders return. He prayed for the sick and saw many healed.

A few notable miracles include a man with a chronic knee

injury who was prayed for on Sunday evening. By Thursday night he said there was absolutely no pain and he had not felt that good in years.

Another woman in the congregation who had severe pain in her lower back was completely healed. Another man who could only see about a foot in front of his face was able to see to a 10-foot distance after prayer.

We concluded the revival with a Healing Crusade at the floating village and we were able to pray for many visitors. The crusade was interpreted into both Khmer and Vietnamese. The Gospel was preached and many prayed the sinner's prayer. Please continue to pray for Siem Reap, Cambodia.

Evangelist Brandon Pepich ministers at floating village in Cambodia

Parramatta, Sydney, Australia  
Potter's House  
Pastor Robert Walsh

I want to bring you an encouraging report on how we have been experiencing the grace of God in Parramatta.

Our annual "Battle of the Burbs" concert outreach continues to build, and we now need a full audition leading up to the finale. Bands of seven of the churches in our area audition and then after a full day's outreach, compete that night for a popularity prize. I am very pleased to announce that after hosting the event for many years and failing to win, the Parramatta band won the coveted prize for the very first time. Dozens of first time visitors were preached to and there were many decisions for Jesus!

Our annual Bible Conference is always a tremendous time of challenge and refreshing for the record numbers of NSW churches, delegates, workers and pastors. Pastor Mark Aulson, Pastor John Perry and others challenged us all week. We planted two international churches and a couple of domestic ones.

The NSW Teenage Bootcamp continues to powerfully impact local and overseas teens for the Gospel and discipleship. Head DI Gene LaValley along with DIs, counsellors, camp staff and preachers do an amazing job of elevating this week into a life-changing event. We continue to hear back incredible testimonies from families, churches and schools as a result of the altar calls following seven church services held during the week.

The "Big Day Outreach BA15+" with Evangelist Paul Boddy saw over 200 radically on fire 15-21-year-olds preach morning and afternoon on the streets for 12 different local churches, followed by a Youth Rally at night.

Our NSW Marriage Retreat moved to the Hunter Valley and exceeded all our expectations as marriages were helped and healed. Pastor Dan Stephan from Auckland Central brought over his ABBA Gospel tribute concert and

St. Lucia  
Potter's House  
Pastor Heath Flitcroft

**H**ello from Saint Lucia! We have had some very exciting things happening! The schools here are very open. I am able to preach and even pray with liberty. They actually seem to ask me to do more than I am doing. Relationships with the kids from schools are spilling over into the streets. Renee calls me the mayor, seems I can't go to the store without seeing someone or finding myself in a witness. God is giving us favor.

Evangelist JW Ballinger came for a revival. God really helped us with setting a foundation for growth. The words were right on! Something that I have never seen before happened, as he gave people words. As an example, he was speaking about their personal life and professions. To one he gave a word about being a builder. He was a builder and in construction. To the next, he gave a woman words about building a garden. She has a garden and she works the garden. It was stunning to see. God was working and speaking to them individually, even down to their characteristics and personality.

We are very excited about what God is doing in the schools, in the streets, and in our services.

I had a man named Kevin come

in. He said he had spoken to us on the Square where we would play music and preach over a year ago. He said ever since it has been on his mind to come to our church. He finally came last Wednesday and was stunned to hear a sermon about what God had been dealing with him about.

Also, a woman came in as an answer to prayer. Renee and I both have been praying for people to be drawn in to

Pastor Heath Flitcroft had opportunity to minister the Gospel at local TV station in St. Lucia

come to services. And just that Wednesday we had two, praise God.

Acts of violent crime are becoming more and more prevalent on the island. I was able to be interviewed about why someone would be so dark and sinful to murder a mother of three. I simply chose the opportunity and preached the simple Gospel message. I even had some people come and tell me they saw me on the news.

I praise God for these kind of opportunities, as it enabled me to preach to a wide audience. And as Pastor Greg said, it made me a media star!

We are so happy to be involved in what God is doing. We appreciate all the prayers and help we have had!

Impact Team with packed altars and changed lives as a result.

We want to thank Pastor Mitchell and the Prescott Church for their clear vision over many years.

Pray for us as we pray for you,

**Tacloban, Philippines**  
**Potter's House**  
**Pastor Genaro Bugtai**  
**Corres: Mark Gallano**

**M**aupay nga adlaw! 2025 is a year of God's incredible grace and of opened doors of opportunities. After 38 years of miracles and breakthroughs, the first ever Bible Conference was held in Tacloban, Eastern Visayas, Philippines, in April.

This was a great challenge of faith and surrender, as a conference requires a massive budget compared to the Harvesters Homecomings that we had in previous years. But God did a miracle in how His people responded to the need, which was met even before the conference ended. Praise God!

The supernatural move of God was even clearer with the powerful seminars and sermons that held common themes from local preachers and guest preachers, such as Tacloban's pioneering missionary Pastor Anthony Frates, our national leader Pastor Boyet Desepida and Pastor Ronnie Garcia who both have also pastored the church in Tacloban, with Pastor Steven Ciaccio of Prescott Potter's House as international speaker.

The final night of the inaugural conference saw a tremendous revival as six couples were launched out into various cities and towns in the region and one couple, Pastor Roy and Nancy Moraleta, moved by God to mission in the nation of Myanmar, a first for our first ever conference.

Pastor Roy and Nancy were still single individuals when they found hope in the Lord Jesus Christ during Pastor Anthony's missionary work in Tacloban. They are two of the very first fruits of the pioneer labor that started in 1987. Now, they are headed to another Southeast Asian country to bring the same hope through an international

Big Day Outreach in Sydney, Australia

mission.

We thank our mother church in Mandaluyong, and to the Prescott church for their investment in reaching out to the nations.

To God be all the glory!

**Yigo, Guam**  
**Victory Chapel**  
**Pastor Jesse Cluck**  
**Corres: Ryan Mendiola**

**H**afa Adai from the beautiful Island of Guam!

We're happy to report that God is still on the move. In the last several months, we've been seeing retention of fruit from our High School Bible Clubs, Men's Outreaches (MVP), Revival meetings, and our monthly One80's. To start off the year, we baptized 24 brand new converts.

Our weekly Bible Clubs have proven fruitful as we're seeing growth in our Catalysts Youth Group. In these meetings, we see an average of 50-100 students respond to receive Jesus monthly. Recently,

the "Men with Vision and Purpose" (MVP) ministry hosted an outdoor Healing Crusade in March, where we saw 92 people saved with five miraculously healed.

In the month of March, we were honored to have Evangelist JW Ballinger from Prescott, AZ do a revival for us. We saw a total of 12 people saved,

five rededication, eight healed, and six of our converts filled with the Holy Spirit.

In April, we invited Evangelist Steve Zapata from Perth, West Australia for a revival. In this meeting, we saw a total of 13 saved, four rededications, and nine healed from notable illnesses and pain.

Both of these revivals were timely and very stirring, gifts of the Spirit were in operation every night, and we're still seeing fruit from these revivals.

Our monthly themed One80 Productions have also proven fruitful as we see between eight-25 saved each time. From the month of February to April, we put on four different productions, Islands of the Sea, a Rap Battle, a musical production called "A Tale of a Dysfunctional Home," House of Blues, along with several outdoor concerts. All in all, we saw a total of 85 people saved!

Evangelist JW Ballinger ministers revival in Guam

The Guam church is still powering on in evangelism, church planting, and discipleship. We are seeing a steady flow of new converts and young men getting involved and excelling in ministry.

We appreciate your prayers and support. Pray for us as we continue to pray for you!
