In Psalms, we find the repeated instructions to “give thanks to the Lord.” Why? Because His mercy, goodness, and love endure forever! The year 2024 was a fruitful season. We must stop to reflect and thank God for the harvest and His willingness to use our lives to reach the lost. As we entered the fall season and temperatures dropped, we watched in wonder as the number of visitors increased and hands continued to rise in response to the Gospel.

In September, we hosted our bi-annual Youth Extreme. Young people from all over Arizona, Nevada, and New Mexico came together for a day of encouragement and evangelism. Pastor Martin Klok from the Netherlands ministered and then followed up with a week of revival. One of the exciting highlights was a musical theater production titled Hopewell High. The play consisted of a cast and crew of nearly 40 teens! These young people produced an impactful tool for evangelism. Many were saved, and teenaged youth began attending youth services and regular services as a result of the production.

Leading up to Halloween, we hosted a Trunk-Or-Treat outreach in the parking lot of our One80° concert venue. Members of the Prescott congregation decorated the back of their vehicles, set up games and family-friendly activities, and prepared to give out candy. However, we weren't prepared for what happened next. Visitors began to arrive an hour before the event. We were amazed when the event drew 500 visitors in just a short amount of time. The Gospel was preached and shared through one-on-one evangelism. The message of truth was readily received by those who attended. In less than two hours, 70 people had prayed to receive salvation. That evening, we held a Halloween-themed concert with drama and music, and the altars were filled as another 30 people responded to the Gospel!

For nearly 40 years, our annual Haunted House has proved to be an ef-

fective means of evangelism. People line up in the cold and wait for hours to have “The Heaven” scared into them. This year’s Haunted House was the “AwakenIng.” Horror seekers were taken into a robotics research laboratory, and they stepped into a nightmare. All that is human, all that is evil, wicked, and sinful, was placed into the cognitive faculties of AI robots. The infected bots portrayed the corruption of human nature as the creation turned on its creator. The Awakening drew over 300 visitors and resulted in 135 decisions for salvation. After the event, new converts and families who were saved at the haunted house were in church the following Sunday.

Evangelism, preaching the Gospel, and seeing people saved are at the heart of everything we do. However, conversions are not the only benefit of the work we give ourselves to. Scriptures like Hebrews 10:24, 1 Thessalonians 5:11, Proverbs 27:17, and 2 Timothy 2:2 remind us why we do what we do. Yes, the Gospel works to save souls, but it also brings the family and body of Christ together, enabling us to be of one accord (Philippians 2:2).

Plays, impact teams, and outreaches are massive undertakings. Our Haunted House this year included more than 70 cast and crew, 20 set builders, 10 costume designers, eight makeup artists, 10 security personnel, 20 in follow-up, four in food and refreshments, and eight disciples preaching alter calls. That’s more than 150 people between the ages of 11

Top: Prescott’s Dennis Halverson at work on the 2024 Haunted House production. Left, a couple of the ‘characters’ in this production.

and 71, all involved in a single event with a unified vision - each of them contributing, learning, teaching, growing, evangelizing, and being disciplined. This collaborative harmony is a beautiful thing to witness.

Joel Morrison (age undisclosed) is a talented actor and a great blessing to the Prescott congregation. In the 1980s, he acted in Prescott’s very first Haunted House. Decades later, his dedication remains unwavering. This year, he took on the lead role in our latest Haunted House production, “AwakenIng.” Alongside Dennis Halverson, our special effects coordinator (age also undisclosed), worked tirelessly well past midnight each night to ensure the show’s success, creating an unforgettable experience for all.

We are so privileged to have a Fellowship vision and a tested pattern to guide us as we reach the world for Jesus. Please pray for our Fellowship and the Prescott congregation. Let’s believe God for a powerful outpouring of His Spirit in 2025!

**Albuquerque, New Mexico**  
**Potter's House**  
**Pastor Jeff Day**  
**Corres: Gerald Salas**

**G**reetings from Albuquerque, New Mexico! We have had an exciting year in 2024. We kicked off the year with a Pastor's and wives' rally that proved to be a fruitful time with over 40 couples in attendance.

In May we had a revival with Evangelist Andy Anderson that encouraged the church. We saw visitors in attendance and people were healed throughout the week.

The year 2024 was a hallmark year for our congregation as we celebrate turning 40 years old. We hosted our annual Harvesters' Homecoming in July, and we took time to celebrate the occasion. Pastor Les Uptain was our guest speaker this year and it is to the glory of God, many of the converts that got saved during his tenure in ABQ are still serving Christ in the church today!

Jeff Beswick preached revival in Albuquerque, then recorded his testimony for a My Story 180 presentation.

Our summer outreaches were a busy but fruitful time. We had movies, plays, and healing crusades in several parks in our area. Our play "La Familia" performed in one park and we saw 20 people pray with over 40 visitors in attendance. One young man who is 16 years old came and prayed at this outreach and has been coming faithfully ever since. He was battling severe anxiety but since giving his life to Christ, Josh has been completely delivered from those attacks!

We also had a Youth rally, Healing Crusade, and a powerful revival with Pastor Louie Lobato Jr. in August with many people praying for salvation, words of knowledge given, and miracle healings.

In November we had a revival with Pastor Jeff Beswick. God moved powerfully in this revival and Pastor Beswick was able to sit down with our media crew and film a "My Story 180" documentary that went over his powerful conversion and

his testimony helped many people.

Pray for us in Albuquerque and have a great year!

**Central Tucson, Arizona**  
**Potter's House**  
**Pastor Curtis Berry**  
**Corres: Stephen Sziklai**

**G**od has been working greatly in Central Tucson. After many long days and nights, we have officially begun service in our new building. Everyone came together as one body to labor together. Even the children were excited to work doing what they were able.

Not only has God provided the workers needed, he has also provided building material. All the flooring needed, carpet and tile was donated to the church! We are excited for all that God will do in this new building, and we're praying that we can fill the 140 chairs it can hold.

To celebrate our Grand Opening of the building we had a revival with Evangelist Jan-Willem van Dam all the way from the Netherlands. He has preached in the old building for us before and the church was excited to see him return. He brought Holy Ghost power with many words given to individuals in the congregation and multiple miracle healings. Two people were saved during the revival, with others recommitting their lives to Jesus.

In addition to this, 10 students were saved during outreaches to the University of Arizona before services. We are thankful for Evangelist van Dam investing his time into our congregation, and hope to see him again soon.

God has given us tremendous financial favor in multiple areas. As we put in our two-month notice to vacate our old building, our landlord was distraught, not wanting to see us go. They offered to match our new rent! We now pay \$1,000 a month for each building, when before we were paying nearly \$2,000 for just one. We plan to transform the old building into our One80 event center, which will host concerts, movie nights, plays, and more.

In the time that has not been spent building, we have continued to outreach. We took a group to Agua Prieta, Mexico, for our annual miracle healing crusade outreach. We evangelized the streets and markets despite our limited Spanish-speaking ability. We saw many people come out to the crusade, with multiple miracles and salvations. Reports came of the church retaining those saved during the crusade and serving faithfully in the church.

Disciples are stirred to reach the nations, and talk

Chandler Gospel remake of the Pirates of the Caribbean

about which nations they would like to reach themselves. We have also sent impact teams to cities around Tucson, such as Sierra Vista and Mammoth.

It is amazing to see the quick work God is doing in Central Tucson, beginning to fulfill prophecies that have been spoken to this church.

We are grateful to God for this all, and thank everyone for their continual investment and prayers into the work of God in Central Tucson. Please continue to pray for us as we pray for you!

**Chandler, Arizona**  
**The Door**  
**Pastor Joe Campbell**  
**Corres: Nicholas Bueno**

Jesus Christ has risen from the dead! And God's miracle working power is being seen in our city!

We began October with our Bible Conference in which we hosted some of our wonderful leaders, notably, Pastor Scott Lamb and Pastor Richard Rubi. Both of these mighty men of God ministered absolutely life changing messages. During conference a fellow pastor complimented our sound man to Pastor Campbell, to which he responded "Oh yeah? I'm launching him!" Another complimented our worship leader, to which Pastor Campbell again responded, "Oh yeah? I'm launching him!" And if that wasn't enough, when yet another pastor complimented our youth leader, Pastor Campbell responded .... "Oh yeah? I'm launching him!" And that was the spirit of our conference! A total of 19 new churches were announced!

With that conference momentum, the church rallied together to contend for the supernatural in our upcoming events. The first was our annual Native American Day celebration. Pastor Artie Aragon and just under 100 people from the Chinle church joined us

for a day of preaching and fellowship. The Chinle choir ministered two magnificent, Holy Ghost songs that made impact on visitors in attendance.

Just a couple of weeks later, we held our annual Trunk or Treat, in which a single night saw more than 800 visitors! With altar calls preached at regular intervals throughout the night, we ensured that every visitor in attendance heard the Gospel!

Just a week later our church a per-

Growing Chattanooga, Tennessee congregation

formed a rendition of the well known production Pirates of the Caribbean. In three nights, 90 visitors attended, and 21 decisions for Jesus were made!

Since our conference there is a palpable, noticeable desire not only in our church as a whole, but particularly among young adults and couples, to do something for God!

Pastor Torey Williams did the first sessions of our young adults Bible study on the topic of finances, bringing great clarity, guidance, and sound wisdom. Moreover, our One80° Music Scene has continually seen the development of

our young men and preachers who have demonstrated the ability to declare the Gospel with confidence and with Holy Ghost anointing. One80's still work! God is on the move in Chandler, with converts and visitors seen in just about every single service. Keep us in prayer as we take the East Valley for Jesus! God bless the fellowship, and may God save America!

**Chattanooga, Tennessee**  
**The Door**  
**Pastor Moses Turay**

Hey Y'all! Greetings from Chattanooga, TN, where God is on the move.

When I gave my life to Jesus July 07, 2007 in Sierra Leone, West Africa I never imagined God could take a young Muslim man like me and use me to preach the Gospel. My wife Cheri, three children, and I began pioneering in 2022 and God has faithfully been with us.

When we arrived here, we hit the

ground running and learned very quickly we were starting a church in the land of churches. Witchcraft and religion are the norm. Even so, God began to do a quick work. The day we opened the church for our first service we had a family come in and get saved.

God has been faithful to bring visitors to

our Sunday morning services. Sunday nights we take the service to a park on the Southside of Chattanooga. We have had incredible favor with the city. They encourage us to use the facilities in the park. We don't even have to bring our own generator anymore.

We have people waiting for us to set up when we go in the middle of the hood, ready to hear the word of God. We have had impact teams from Atlanta, Tucker GA, and Athens. People in the streets respond and pray during outreach.

We had a powerful time of revival in

July with our Pastor Chayo Perez from Albuquerque, NM. Every night during the revival we had new visitors who became a part of the congregation.

Recently we have had an influx of Spanish speakers in the congregation. We now have an interpreter during our services. God is building a beautiful multicultural church in the South! We are quickly filling up our building. God is doing an amazing thing here.

Please continue to pray for us here as we pray for you. Thank you!

**Clearwater, Florida  
Victory Chapel  
Pastor Albert Martinez**

**G**reetings From Clearwater, FL. I'm glad to bring a powerful report from the Sunshine State!

We have experienced a supernatural summer! God is moving mightily in our city and in our church!

Revival is being poured out and we are experiencing tremendous growth and fruitfulness!

We started the summer out with a church attendance of 50 people more or less in our services and at the end of the summer we were up to 80 in attendance!

We started out by celebrating our 20th year anniversary in May. We had a banquet and Pastor Stephens came and ministered a profound sermon on the roots of the church and linking them into the Fellowship. I truly believe that banquet and sermon brought a Holy Ghost stirring to the saints!

We kicked off the summer with outdoor concerts and outreaches!

One concert in particular we had in an area called "wic city" which is named after the wiccan population in that area. It is an area of Clearwater that is filled with all sorts of evil such as drugs, prostitution, poverty, etc. We set up at the park and outreached the area. As the concert went on that evening people were coming out from every direction and the concert area was packed with visitors.

We had about 100 visitors and 45 people saved that night! People came to the church and locked in through that outreach and have become disciples!

Some are rising up in ministry today!

One in particular named Timothy was bound by drugs and in gangs. He got radically saved and converted and is now serving as an usher! He is getting his life in order as he wants to become a preacher of the Gospel someday!

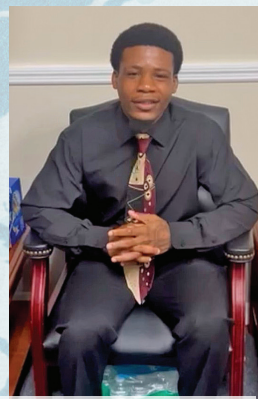

Every outreach and event has been fruitful! God has brought key converts that are helping build the church!

We have been able to launch our first baby church into Oldsmar, FL! I ask for your prayers in this powerful endeavor, that we would see God move and establish this work!

We have other couples who are ready and wanting to be sent into the Harvest! We have definitely seen an acceleration of the work of God in our church and city and I believe we will be able to launch more couples in the near future!

We thank God for the opportunity to be part of such a great Fellowship and collaborate with other churches in touching the nations!

**Testimony  
Timothy Johnson**

Timothy Johnson, before and after, a life transformed by Jesus

**H**i my name is Timothy Johnson and I am glad to share my testimony with you. I was bound by many addictions and lost in my own world of sin but Jesus came into my heart and set me free!

God gave me a new identity and changed my way of thinking. He also changed how I view life and people and He transformed my whole life!

I am now an usher in my church and I want to preach someday!

**East Phoenix, Arizona  
Victory Chapel  
Pastor Michael Coggan**

**M**yself, Michael Coggan, and wife Siria, took over the church August 25, 2024. We have seen God's hand moving in many ways.

Since we took over we have had three couples that have come. One couple that has been tithing but had yet to come to a service, has finally come into the church for service.

The other couple has been coming faithfully every Sunday night. Such an amazing thing to see God using my wife's and my testimony and past to bring souls to Him. We can see God getting a hold of them spiritually showing them the power of following Jesus and the power of praying and communicating with Him.

We have gone to the hospital to pray for a man who had a heart attack twice while in surgery. He flat-lined and they brought him back. He was in a coma! The family asked my wife and I to go pray for him. He was on a ventilator and unconscious. We began to pray and he rose, sitting up and his eyes opened. He looked around and we began to pray a sinner's prayer with him. He began to weep so we could see he understood though he couldn't speak. He was taken off the ventilator and has been recovering since. He showed up to our mother church's Haunted House and gave a testimony of what God did.

Growing East Phoenix, AZ congregation

God is moving here at Victory Chapel Midtown East. Keep praying for us and all of our congregation, as we pray and contend for you as well.

**South Central El Paso, Texas**  
**Potter's House**  
**Pastor Ryan Manzano**

Hello from South Central, El Paso, Texas. This fall we hosted our second annual healing crusade. The event ran for 10 nights and we saw tremendous miracles. All in all, there were over 90 people saved and multiple people healed. Four people with deaf ears were healed, an elderly woman with cataracts experienced

Many healed in South Central El Paso crusade

her eyes clearing up, a woman came in with crutches and left without them, another lady was in pain all over her body for nine years and was gloriously healed. A man with gastritis was healed and many others who reported pain for years in their bodies were healed.

We have continued to experience people being healed in our regular services. We are still reaping the harvest from this endeavor and seeing people visit and added to the church.

Recently, disciples have been outreaching on their own on non-outreach days and just excited for God to move in hearts in these last days. We appreciate all those that have labored with us in finances, prayer, and outreaches.

I want to especially thank my pastor, Pastor Jim Ballinger for the vision of these healing crusades to begin with and my mother church in Las Cruces, NM for all their investment.

Additionally, I want to shout out Pastor Campbell's and Pastor Canez's

church in the Chandler/Phoenix area that traveled over six hours to outreach and bring us tremendous guerilla teams.

**El Sereno, Los Angeles, California**  
**Potter's House**  
**Pastor Erik Bakke**

**Testimony**  
**Adam**

My name is Adam. I grew up mostly in a single mother household as my father was an abusive alcoholic.

I remember my mother took us to the Catholic Church sometimes, but I never knew the Word of God. In high school I took my first drink of alcohol and then my life spiraled out of control.

I became addicted to alcohol and drugs, went to jail 65 times, and ended up living on the streets of Los Angeles homeless for four years. I was lost, broken, and con-

Adam, transformed by Jesus!

fused.

The last time I went in a prison they sentenced me to eight months county time, and it was there that an inmate gave me my first Bible. I started reading it and God started to speak to me through His Word. I started attending chapel services in there and eventually gave my life to Jesus, praying that He would change me, deliver me from

my addictions, and help me serve Him when I got out.

Upon my release, God gave me a place to live and I found the Potter's House Church. I have been sober now for 13 months, faithfully serving God, been baptized, filled with the Holy Spirit, and just recently joined music ministry in the church. Jesus has transformed my life!

**Fort Worth, Texas**  
**The Door**  
**Pastor Joseph Beyerle**

Greetings from Panther city: Fort Worth, TX where Jesus Christ is changing lives!

This spring/summer we came out of our winter Bible studies with a renewed desire to take the Gospel outside the four walls of the church to see what God would do.

As we started up Friday night street preaching, God began to save souls and stir the saints. We also began to brainstorm about locations and began to do a monthly outdoor concert in a different park or outside area each month with tremendous results.

Jesus said "if I be lifted up, I will draw all men to myself," and He has held true to his word. As we began doing these outdoor venues, complete with hot dogs, snowcones, music, dramas, and most importantly the Gospel, we saw an average of 40 people come through with many of these responding to the altar call to give their lives to Jesus.

We've developed an element of teamwork as we've got the trailer/sound system setup down to a science. From these outside concerts, we've seen a steady stream of visitors with or most recent effort yielding seven visitors the following Sunday morning which was a huge encouragement to all who participated to the immediate results of their labor.

In August, we had a powerful time of revival with Pastor Bob McGinnis from New Mexico who gave timely messages, words of knowledge, and tremendous enthusiasm. The highlight of the revival seeing a young prodigal come home and surrender her life to Jesus.

**Fayetteville, Arkansas**  
**The Door**  
**Pastor Adam Raison**  
**Corres: Isabella Raison**

Howdy y'all from the Door in Fayetteville, AR!

Back in October, 13 of our church members had the opportunity to go on a missionary trip to American Samoa for Pastor Gonzales, his wife April and five daughters.

In our time out there, we were able to assist in a fall festival event in which 80 visitors cycled through and if you can believe it, 20 gave their lives to Christ! No doubt the angels in Heaven were rejoicing, but we were and still are today.

It was an encouraging experience and reminder that God is moving not only here in the states but worldwide as well.

**Fresno, California**  
**The Door**  
**Pastor Joe Sanchez**  
**Corres: Mario Chacon**

It's always encouraging to hear about what God is doing through our Fellowship, and it's a blessing to share the amazing things happening in our city, Fresno, CA.

God has been good to us, and we can clearly feel His divine hand at work.

Not too long ago, a gentleman returned to church, and since then, he has been on fire for God! He's been inviting people to church, attending street meetings, and outreaches. His wife also started attending, and they both decided to get baptized. It's truly encouraging to see the transformation taking place in their lives.

Another individual recently returned to church. He had attended years ago as a teenager with his family. God is at work in his life, and he is on fire for God. He's continually looking for opportunities to serve and is a great blessing to our church. His testimony, particularly about how God opened doors for employment, is a powerful reminder that God's word never returns void.

We recently hosted our annual Har-

Fayetteville, AR outreach team to American Samoa

vest Carnival, and it was a wonderful time of preaching the Word of God and engaging with the community. People were encouraged by the event. Although we were unable to have McGruff, the Crime Dog, join us this year due to unforeseen circumstances, one of our teenagers stepped up and dressed as a dinosaur instead. Visitors, especially children, had a great time interacting with him. It was a blessing to see this young person serve.

Additionally, Evangelist Andy Anderson came and delivered a powerful message during our revival. He reminded us to always be ready because Jesus is coming back soon. Several individuals responded to the call and gave their lives to Christ. We are excited to see what God has in store for them.

As we close, please continue to pray for the Central Valley as we pray for you. God bless!

**Gallup, New Mexico**  
**The Door**  
**Pastor Tom Payne**  
**Corres: Madison Shorty**

Greetings from Gallup, New Mexico! God is on the move, and we are excited about all that He is doing.

Early in September, we held our second-annual Reservation Revolution. Pastor Kris Hart ministered two revival services. For the evening service, we hosted the Chinle Navajo choir and served Navajo tacos to an overflowing crowd of 374 people. Our congregation was stirred by the Gospel message, many words of knowledge, miracles of healing, and even Gospel songs in Navajo.

On September 30, we began our International Bible Conference. We heard many encouraging and challenging messages from Pastor Paul

Stephens, Pastor Greg Mitchell, and many of Gallup's own. By the end of the week, we announced 10 works - six international and four domestic. This included works in El Salvador, Grenada, Venezuela, Vietnam, and Mexico, as well as Texas and Valdosta, Georgia.

At the end of October, we had the privilege of hosting our annual Trunk-Or-Treat. It was an incredible time for our congregation. The weather warmed from a previous cold front, and we saw around 500 people come through our church parking lot. We had live music, puppet shows, hot chocolate, and many car trunks. We were grateful to see so many people from our community encounter the Gospel. By the end of the night, we prayed with 43 people.

Most recently, we had the Twice-Dead revival with Pastor Roman Gutierrez. Gallup was hit by two snowstorms that week, but we still saw record attendance every night, with numbers of visitors. Pastor Roman's powerful testimony strengthened the faith of our congregation, and we are believing that we will continue to see fruit from this time.

We praise God for all that He is doing in Gallup! It is a privilege to be part of His work on Earth.

**Globe, Arizona**  
**Globe Christian Center**  
**Pastor John Gooding**  
**Corres: R. McInturff**

Hello from The Globe Christian Center in Globe, Arizona. We are excited to report all that God is doing here in Globe.

In April we started a new work called KOINONIA (Christian fellowship). This light snack fellowship is held in the

church before Sunday School and after the PM service. We have continued to see it grow. People love it as they have time for Fellowship whereas they are often busy during the week. We see people come out who might not otherwise

Evangelist Adam Porter revival in Globe, Arizona

have fellowship. It has also been beneficial for new converts.

We have been taking advantage of the warm weather and having concert ministry with our bands ministering in the church parking lot. God is faithful to bring the people out and we have seen several saved and many listening from their homes.

We have had some powerful back-to-back revivals this year. In September we saw an outpouring of the Holy Spirit as Patrick Johnson ministered to the saints on "Not loving the fleshly things of this world, and instead clinging to the things of God." We continued next month with Lacy Brunson, who challenged us on showing ourselves as Christians to the world and working in the power of the Holy Spirit with praying for people of the community. A revival in November, by Adam Porter continued the challenges, and we saw many healings and salvation in each!

Through the challenges, one of our saints experienced a powerful move of the Holy Spirit and was able to pray with a woman at the nail salon. The nail tech shared with her about her failing kidneys and was fearing dialysis. The Christian asked if she could pray for her, and the woman excitedly said yes. When praying, the woman exclaimed that she felt shivers run through her body. After several weeks, the salon tech messaged the Christian, and excitingly told her she had been completely healed, and knew that it was God that healed her!

We are looking forward to our Harvesters Homecoming in January and all that God is going to continue to do. Please pray for us as we pray for you!

**Havelock, North Carolina**  
**Victory Chapel**  
**Pastor Scott Grabowska**  
**Corres: Mike Miller**

**H**avelock church has been steadily growing and reaching the local city.

We've been going door-to-door and blitzing on Saturdays, but also building the Music Scene with indoor and outdoor concerts. We've had dozens of visitors and around 20 decisions for Jesus in the past year

Also in the past year in our music building we had a Fall children's festival with over 20 visitors, and a Veterans Day dinner with 15 visitors

Our baby church outreaches have been to Raleigh NC, Goldsboro NC and Dale City Virginia with dozens of souls touched each time and souls saved at every outreach.

Prison ministry reaches over 900 felon inmates who are very responsive to our two ministers each month where people are saved at almost every service and many many men respond by coming to altar calls, asking questions and asking for prayer afterward.

Halloween gives us the opportunity to attract the kids and their parents with our festival with plenty of games, candy and a ton of decorations. The message of salvation is offered as the visitors leave with a simple Gospel and a church invitation. We have seen many visitors come through and be touched by the Gospel with this outreach

Thursdays we go to the main intersection in town that also leads to the main gate of the Marine Base.

On the roadside in front of the Burger King we street preach with signs and banners. Thousands are touched by the signs and smiles. It's a reminder that God's people are still in town. That is God's Intersection!

Christmas season brought the Christmas Caroling at the local Nursing Home, which brought many smiles and much encouragement especially to one of our long time church members, Mr. Smith. Gift bags were given to all including warm socks and other essential items.

Christmas also brings the parade where we preach a positive salvation message to the crowd and pass out candy and fliers to the many onlookers of our wonderful town of Havelock, NC.

**Indio, California**  
**Potter's House**  
**Pastor Carlos Olivas**  
**Corres: Brian Gamez**

**G**reetings from Indio, California where we are experiencing a great outpouring of Holy Ghost

Patrick Johnson ministers in prayer during revival in Indio, CA

revival in our city.

After July conference allowed us to see two grandbaby churches birthed, one pioneer church announced and a new overseas work in Loja, Ecuador launched, we have been a busy congregation.

Immediately upon return from

conference in Prescott, we were in revival services with Evangelist John Robinson, who gave timely words to many and encouraged both young and older saints alike.

In August we had our first ever back-to-school outreach, which saw great success with many visitors.

We had free haircuts, backpacks/school supplies and a lowrider car show with a night scene for the community. The Gospel message was preached and lives were touched during this time.

In addition, we have been able to partner with many churches throughout Southern California during our California Conquests and have sent impact teams to the cities of Calexico, El Sereno, and Barstow. God has honored our labors with new converts and families being added to the church and locking in at an accelerated rate.

During October, we had our Harvest Festival/Trunk Or Treat in our church parking lot with many visitors. At least 21 people prayed for salvation during the event.

Our weekly Friday night outreaches at Walmart shopping center have also seen fruit and our Thursday night corporate prayer meetings have continual praise reports and testimonies of answered prayers. We just finished up a life-changing revival with Evangelist Patrick Johnson who brought great insight to the congregation.

We thank God for the privilege to be a part of the great work He is doing in the state of California. We believe that the best is yet to come. Pray for us as we pray for you.

**Jacksonville, Florida**  
**Victory Chapel**  
**Pastor Ron Meyer**

**G**reetings from the harvest field of Jacksonville, Florida!

We're honored to be part of a fellowship passionately committed to reaching the lost, developing men to discover their calling and destiny, and equipping them to one day be sent into the harvest and add to

Harvester's Homecoming at Jacksonville, Florida church

the churches that have been planted. Together, we're advancing the Kingdom for Jesus through God's grace and mercy!

In recent months, we've witnessed God at work, fulfilling His promise to save souls. We stand in awe of His steadfast character and are grateful to be part of His unchanging plan.

One incredible example of outreach came during our Halloween Harvest Festival, which has become a staple in our community. People were anticipating the Harvest Fest again this year, and we're so grateful to say it was a huge success! We transformed our church parking lot into a vibrant community event.

The festival included bounce houses, a tractor hayride, a "Zombie scare zone," face painting, games, and concessions. We set up three main stages for live choreographed drama performances and music from the rock band Ransom and the rap group Affiliated.

Over three nights, we welcomed between 5,000 and 7,000 attendees, all of whom were able to hear the Gospel preached along with testimonies from several saints. By God's grace, we connected with 23 individuals who made decisions for Christ. It was a wonderful testament to the power of God's love and His saving grace!

Following this, we entered our Harvester's Homecoming, where this year's theme was "Treasure in the Field." We celebrated and heard from couples who have surrendered to the call of ministry, fully committed to reaping a harvest for the Kingdom. Their passion and devotion to building a work for God stirred the saints,

and all the messages challenged and reminded us of the deep reward of sharing Christ with a world in need.

Alongside these events,

we've witnessed incredible breakthroughs in our specialty ministries.

Our Teen, Base (Military), and Spanish Ministries are experiencing a wave of revival, with multiple groups of people coming in and giving their lives to Christ. The Spanish ministry has welcomed over 25 new people, many of whom are getting involved and serving joyfully. One of the Spanish guys that started coming, brought out five other Venezuelan friends and helped them join a new believer's class and be water baptized!

We are seeing teens and military personnel alike being reached and transformed by the power of Christ! Many of the new converts helped during the Harvest Festival, a testament to their commitment and the impact God is having in their lives.

Through these events, we've witnessed the power of sowing the Gospel seed and reaping a harvest of souls for Jesus! We are confident that God will continue to bring a harvest as we labor together. To God be the glory!

**Killeen, Texas**  
**Potter's House**  
**Pastor James Rosario**  
**Corres: Olly Ilarraza**

**G**od has been moving in Killeen Texas. We want to praise God for all that he has done, in the past months.

As of August 24 we are in our new 33K sq. ft. building in Killeen. We want to thank everyone who has prayed for our building project and send encouraging words our way. We

especially want to thank all of the saints of Killeen church for their labor over the summer. Getting into the building was no easy task.

July 24 was the last day we were in our temporary facility. Since we were in between buildings we had to rent our halls and hotel ballrooms to have service. This means we had to haul equipment, set up mobile staging and all that comes with having services in different venues. Our men rose to the occasion, supported one another and made it happen.

Although we were in between buildings, God was faithful to send converts and add to the church as he sees fit. From July 13 to August 25th, we saw 59 people give their lives to Jesus! Dozens of these people have continued with us as we moved into the new building and are now becoming part of the church. We are seeing new faces in morning prayer and new people are bring friends and family members to church with them. Fifteen of those brand-new converts were baptized.

At the beginning of September, we had a powerful revival with Evangelist Steve Gabriel from London, UK. This revival was pivotal for many of those who were newly saved. Evangelist Gabriel ministered in music, preached in the power of the Holy Ghost and gave out many words. We saw powerful miracles at the altar and many new believers got spot on words of knowledge. We're grateful for his spirit-filled ministry.

On the heels of the Chandler Bible Conference, we had an explosive revival with Pastor Hector Ortiz from South Africa. Pastor Rosario felt led to add fuel to the fire, so we called in a fire brand!

From making decisions to dealing with the flesh and speaking faith, Pastor Ortiz set fire to the altar! Three weeks after Pastor Ortiz, we ended October with a Revival with Jerry Fussell. Many converts and even first time visitors got Words of Knowledge from Evangelist Fussell.

The last night of the revival we had a praise and prophecy service. What was unique about this revival is that many of our young men received

powerful words spoken to them by the man of God.

We truly are in a time where God is on the move. The reaper is overtaking the sower in Killeen. We are careful to give God all the glory for what he is doing. This is a work of God, sustained by God, for the glory of God.

**Kingsville, Texas**  
**The Door**  
**Pastor Jim Pena**  
**Corres: Robert Williams**

**G**reetings from Kingsville, Texas. The Lord has been much at work here!

Our church celebrated its 31st anniversary in March with our Grand Opening service since our sanctuary's demolition and rebuild.

Our previous church sanctuary outlived its life and leaked more rain inside than what was raining outside. Almost a year later with much work, prayer, money, and effort with permits and approvals from the city, we moved back into the church shortly before our celebration in April.

We had a great celebration with area pastors, with Pastor Richard Rubi delivering the message, a city-official, and church members in attendance. Since then we've held a number of revival services this year (we had to put those on hold for a year until we were back into our building) with Pastors Willis Gordon and Dan Canonge and Evangelists Andy Anderson and right now with Richard Valerio.

God has blessed us with a number of visitors and some sticking since being back into our building. The end of October had us busy with an

Escape Room (a single room with hidden keys used in succession to help a group of people to escape with clues to guide them along the way, that turned out very well. Many of those who attended wanted us to contact them when we will do another one. Did it matter that there was a Gospel message and witnessing at the end? Nope, they all loved it and want to come back.

In between our own outreaches and revival services and other events, we've been busy leaving our city to help neighboring cities with their work as well.

We are grateful for what God has been doing and look forward our annual Christmas caroling, and then the New Year. May the Lord truly bless you all.

**West Las Vegas, Nevada**  
**Potter's House**  
**Pastor Scott Lamb**  
**Corres: Anthony Yurkonis**

**G**ood day from the West Las Vegas, Nevada congregation!

The current culture's sanity temperature has never been more bizarre in the world that we live in. The enemy has never had more strength and influence in a generation than now, and the egregious display of outward blasphemy in the world is in full motion. The only way to combat this worldly position is to not deviate from the foundations and groundwork that was laid before us. That groundwork has been time tested and still holds firm and strong today, which is evangelism and the preaching of the word of God.

To do this, it takes resources in the form of saints, finances and will-

West Las Vegas Joker play and annual Harvest

outreach. After a series of questions, she asked if we could set up the same exact outreach model at one of her public events.

It turns out that she works for the Las Vegas Metropolitan Police Department, and they were gearing up for a massive event they call “Metro Block party.” She began to explain how this event usually draws upwards of five to six thousand people each year.

She believed that what we were doing at the park could reach many people and she wanted to give us that type of audience. Talk about favor!

She was absolutely stunned at the number of young men and woman involved in our park outreach. She explained that the “block party” was meant to reach the younger generation and went on to say specifically, “Our programs might help some people monetarily and mentally, but what I’m hearing here, is that Jesus is changing lives completely!”

Before we knew it the event day was upon us. The police department and their team gave us absolute favor. They allowed us to do whatever we needed to do without any consternation. A large group of us paraded in the streets with signs and street preached.

Another group witnessed throughout the event, and they even gave us a booth to set up a prayer tent. At the end of the event, we saw 72 saved and 11 healed.

We followed this up with two more large evangelical events. One being our full production Joker play and the other being our annual Harvest Festival with a Gospel-rich zombie café play written by our very own Senior Pastor, Scott Lamb. We saw 73 folks saved.

As always, we are praying for you, please pray for us!

**Malden, Massachusetts  
Potter’s House  
Pastor Jon Gash**

Greetings from beautiful Boston and The Potter’s House Church in Malden, MA. God has been graciously helping us this year in fruitfulness and breakthroughs!

We recently had a Trunk or Treat outreach in our church parking lot. We were excited to see a great turnout, with visitors from around our city and neighboring cities, with 60-plus visitors in attendance, including many families and young people.

One highlight was a young woman who prayed for salvation at the event who had never been to a church service before. Not only did she attend service the next day and pray at the altar, but she has been attending every service and bringing her children to church with her as well!

At a basketball and BBQ outreach in August, we saw God move. When we arrived at the park, the basketball court was empty, but we noticed the nearby outdoor swimming pool was full of people. As we set up our BBQ and speakers, and began singing and testifying about Jesus, people starting showing up. By the end of the outreach, there were over 50 people in the park listening, and five young adults gave their lives to Jesus!

We also had our first ping pong tournament outreach with 12 visitors and two responding for salvation!

One of the great blessings of our Fellowship is to see disciples rising up. Here in our church God is continuing to save souls and raise up disciples, and place the Jesus-birthed vision of winning souls and reaching the world into their hearts. These outreaches are being put together and led by disciples that have gotten saved, caught the vision, and are taking the initiative to evangelize and win others to Christ.

We’ve had several revivals this year, all of which have been timely and anointed, including Evangelists Micah Wright, Steve Bowman, Rod Gibson and Pastors Kevin Foley, Mark Aulson,

ingness. It also takes a linked heart amongst our congregation(s) and a vision to accomplish the same thing, the winning of souls to Christ.

This fall, we packed in as much as we could to accommodate that call and commission. We invited Pastor Stacey Dillard to come and preach a full-length revival for us. Pastor Dillard’s ministry was anointed and packed with experience and knowledge, and was used as an instrument of encouragement, conviction and faith. We saw a large influx of visitors and backsliders, coupled with local churches that attended, and many folks giving their lives to Jesus Christ during that time of refreshment and holy ghost ministry.

A tremendous testimony of favor and the Lord opening doors, came from our current door director Jay Turan.

During one of our Monday night park outreaches in September his wife Giselle noticed a woman on the outskirts of our event listening to a testimony. Giselle invited her over and began to give her testimony. Several minutes into the witness the lady asked if she could speak to whomever coordinated the

and Bob Mammen.

We want to thank all those who have been praying for our church and our building situation. For many months, we were looking for a new building facility. Finally, we had a move out deadline of May 31 of this year. Although we had looked at many buildings, nothing was opening up. However, in April, after having been given a word about God's favor with a building from a Fellowship pastor in our area, God opened a door. That night our pastor found a Foursquare church building that had been listed for sale that day.

After seeing the building, God proceeded to guide and provide every step of the way. We were able to remain in our previous building until the end of July, when we moved into the new church building that God opened doors for us purchase. God has blessed us with a 4,300-plus sq. ft. building, with parking lot and front and back yards and room to grow. Special thanks to Pastor Kevin Foley and our mother church in McMinnville OR, who have supported and partnered with us in this miracle endeavor, we love you and we are grateful for you!

In short, we are blessed to be a part of this wonderful Fellowship and the kingdom of God. It is truly a privilege to be a part and to experience God's miracle-working power.

Thank you for your continued prayers, faith and faithfulness, we are looking forward to the future for all God is going to do!

**Las Vegas, New Mexico**  
**Las Vegas Christian Center**  
**Pastor Ray Rubi**  
**Corres: Mario Sanchez**

**P**raise God for his goodness! During the month of September we hosted our annual International Bible Conference. The theme was "No one coasts to destiny." God moved powerfully during all the seminars with quality and timely messages, many couples were challenged and new churches were announced into the harvest field.

International plants include:

Tirana, Albania out of Las Vegas, NM Gabriel and Kyana Cruz; Osaka,

Japan out of Las Vegas, NM Jaime and Georgia Cruz; and Atizapán de Zaragoza, Estado de Mexico, Mexico out of West Wendover, NV Curtis and Lupe Sweat.

Domestic works included: Commerce City, CO out of Lakewood, CO Anthony and Desiree Perez; Northglenn, CO out of Fort Collins, CO Manuel and Ashley Maldonado; Pahump, NV out of Mesquite, NV John and Janet Guerrero; and Louisville, KY out of Las Vegas, NM Daniel and Faith Stanaway. Also announced was new Evangelist Jorge and Elizabeth Espinoza.

In October we started up our home Bible studies that have been well attended and given the saints a platform for outreach to our community.

We also held a Trunk or Treat in the church parking lot where we got the opportunity to witness and pass out flyers to over 300 people that came out Halloween night.

In November we were privileged to have Evangelist Jerry Fussell come preach for us, a very timely revival that helped and strengthened the church, challenging us to go forward and believe God for a greater revival in our midst.

We're looking forward to the holiday season that will bring new opportunities to reach out to the lost.

**Newport News, Virginia**  
**Potter's House**  
**Pastor Larry Mitchell**  
**Corres: Wayne Nickerson**

**H**ello from Newport News, VA. God continues to show Himself strong and is doing great things!

The past three months have been very fruitful. Our assistant pastor, Deon

and Ta're Howard, were announced to be launched to Saint Ann, Jamaica at the 2024 Chandler Bible Conference. The Howards are gearing up to go and we are excited to partner with them.

Many delegates returned from the conference with powerful testimonies of how their lives were changed. We did not let that fire go to waste and delved into a week-long outreach in preparation for our Fall Festival. Many visitors came out to play games and sample some great food. Throughout the day, bands played and faithful saints gave testimony of lives changed by Jesus.

We followed up the Fall Festival with a revival with Evangelist Al Jenkins. Numerous people were healed and filled with the Holy Shost during the revival. It was a pivotal time as many received very timely and encouraging words from our brother.

A regular highlight is our bi-monthly Serious Men's class. Deep, consequential subjects are dealt with that contribute to the development and maturity of our men. We look forward to these meetings when they occur. We have started our in-home Bible Study season. We are optimistic for the four Bible studies to produce fruit as couples have the opportunity to host these. The leaders have been challenged to outreach weekly and really grow the studies.

We took the opportunity of Veteran's Day to dedicate a Sunday to our military and veterans. Pastor Mitchell preached a sermon that challenged the church and honored the service of veterans. We followed the service with a potluck honoring our veterans. We appreciate all who have served our nation and especially the ones who are now part of God's army serving Jesus!

Please pray for us as we pray for you.

**O'Fallon, Missouri**  
**The Door**  
**Pastor Barry Bayles**

**G**reetings from O'Fallon, MO (St. Louis Metro Area). God has been helping us & it's so encouraging to see what He is doing.

Recently we've had some new converts make good decisions and commitments in their walk with God. They've attended their first Prescott Conference, Pioneer Rally and Men's Rally.

In October our Mother Church (Carbondale, IL), along with our own folks, joined together in sending me and my wife back to Zambia after 14 years. Our two youngest children (23 and 25 yrs. old) paid for their own tickets and joined us. They had not been back since leaving Zambia.

It was January 2003 when Pastor Wayman Mitchell and Pastor Greg Mitchell gave us the privilege of taking over the church in Livingstone. We were able to preach in the Lusaka leadership church a couple of services and then do several meetings in Livingstone; including a youth service and Serious Men.

Pastor Nzima who has been leading the Church for 14 years, has been building a Fellowship church. He has numerous young people and young couples who are excited about serving God.

We were greatly encouraged to see many of the folks still serving God from when we were there. There were numerous folks who had been in my wife's children's church and who are now adults, married and with children. To know we had a part in what God is doing in that nation is one of the greatest and most humbling privileges of our life.

A moment occurred that revealed the power of what we do as a Fellowship. Sunday afternoon, many of the folks stood under a massive tree to get out of the sun. We had planted this tree in December 2004. Pastor Nzima reminded us that at the time, one of the disciples had commented on what a great tree it was going to be in 20 years. I had thought to myself, "Twenty years. I won't be around in 20 years. Maybe

Livingstone, Zambia church where former Pastor Barry Bayles and his wife were able to visit in October 2024. Below, a tree they planted 20 years ago is now mature and many of the saints are still serving God and raising families there.

my grandkids will be." Well, 20 years later we not only saw a fully grown tree, we saw the fruit of our labors and the impact that our Fellowship makes over the long-haul.

Thank you to Pastor Mitchell and our incredible Fellowship for caring about the souls of the nations and willing to invest in eternity.

**Ogden, Utah**  
**Potter's House**  
**Pastor Rick Martinez**

**H**ello all the way from Ogden Utah! God truly is building his church and we've seen his hand at work over these past few months.

We moved into our new building in June, and since then we have seen

Pastor Fino Baca ministers revival in Ogden, Utah

record numbers in our services with converts being added to the church. Later that month we had our second

annual Bible conference themed "The Risk."

With the people of God coming together with a common vision, we saw six new international and six national works launched into the ministry along with a Spanish ministry to be started in our own church.

In October we evangelized and hit the streets in preparation for our first trunk or treat at our new location. Over the years these have been very fruitful and this year was no different.

We saw nearly 600 people come through in three hours. As people began to make their way to play games, receive candy and refreshments, live music and testimonies were shared but most importantly disciples were given an opportunity to pull altar calls every 45 minutes. With a raffle in place after the altar call, visitors came and stuck around for over an hour at a time.

We saw many saved and many return visitors to church the next day.

In November we had an amazing Holy Ghost filled time of revival with Pastor Fino Baca.

Many people from the Trunk or Treat came and have continued to come. Many notable miracles and a tangible presence of God in that meeting really ministered to the church, pushing the momentum of expectation into the latter part of the year

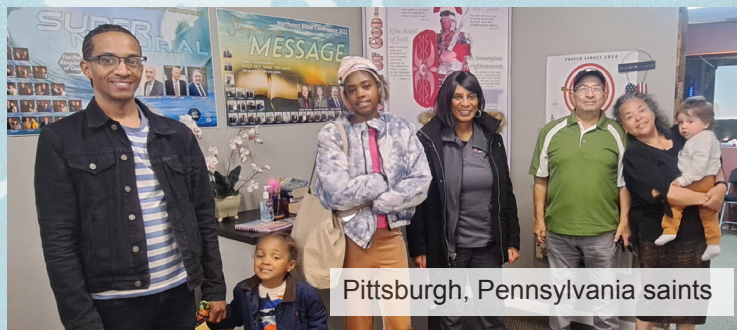

and the upcoming year.

We are excited for what God is going to do in 2025!

**Pittsburgh, Pennsylvania**  
**Potter's House**  
**Pastor Roger Williams**

**G**reetings from the Keystone state of Pennsylvania.

There can be little doubt that we are living in strange times. There was a time when you knew it was Halloween by the way people dressed up. That is no longer true because every day looks like Halloween. The preferences of our social society are constantly changing. The good news is, our God is the same

Pittsburgh, Pennsylvania saints

today as He was yesterday. That means that His church is doing the same thing today its been doing since the day of Pentecost, reaching the lost masses of humanity.

We are so grateful that God has been faithful to add souls to the church here in the city of Pittsburgh. We are seeing people come in and answer the call for salvation. We live in a broken society but, God's specialty is putting broken lives back together. We are looking forward to being a part of the great destiny that God has for those who have come into the church and begun a personal relationship with Jesus.

Please keep the Pittsburgh congregation in your prayers, as we keep you in ours. Jesus is LORD!

**Raleigh, North Carolina**  
**Potter's House**  
**Pastor Antonio Ortiz**  
**Corres: David Duckett**

**G**reetings from the Triangle – Raleigh, NC! God has been doing such a great work in the church and in the hearts and lives of Gods people.

In June, the church went through a

transition after sending two of the previous pastors to overseas missions within the last three years - one in Guyana, South America and one into Okinawa, Japan which was out of Prescott Conference in July.

The church fared well in a time of transition seeing the hand of God mighty at work. Many individuals leaned on one another and found favor in the Lord through evangelism and good old fashioned fellowship.

Upon arrival of Pastor Antonio Ortiz, the church found encouragement and hope as the Lord brought timely words and vision into the saints. Within weeks the church saw many great miracles amongst one another.

One notable miracle was in a young lady that has been in the church for quite a few years. This young lady had an MRI scan done and the report showed a lump which brought with it some angst for the sister. The church contended through fasting and prayer for the month of August, and received a powerful report about a month later stating that the MRI scanner was "broken," and a false positive was noted. The scan was negative, and no cancer was found, and we give God the glory for this miracle.

Another miracle the church experienced was in the area of finances with multiple brothers and sisters testifying of raises in pay on the job, new higher paying jobs, newer vehicles and much more. The church gained much needed traction and momentum with local outreaches, street preaching and taking the Gospel on out-of-town outreaches to sister churches, where we have seen a period of great revival because of the labors.

We have seen numerous visitors at most of our services since August 1 with many souls coming faithfully. The church is seeing people come out from various countries and cultures in our recent services.

We've been blessed to see people

from Congo, Haiti, Africa, Jamaica, Mexico, Cuba and Dominican republic in the past two months.

In October, the church hosted a Trunk or Treat outreach which brought 55 first time visitors. The Gospel was preached and there was a total of 10 visitors in church within the two Sundays that followed.

Notably, a gentleman from Africa without children pulled up to the outreach and stated he would be in church the next day. He came to church and has returned each week since. People have been drawn by the spirit of God with at least two reports of people coming simply because they passed by the church or found it online.

God is increasing the faith of people in our church and moving mightily in North Raleigh. We look forward to seeing all that God has planned for our church and our city in the months and years to come as we take Raleigh for Jesus! God Bless this Fellowship!!

**Rochester, New York**  
**Potter's House**  
**Pastor Keith Sullivan**  
**Corres: Ahnika Stowell**

**H**ello from Rochester, New York! The past few months have been filled with outreaches, revivals, weddings, and God's careful hand orchestrating our church in preparation for increase and fruitfulness in this city.

During the months of August and September we had the honor of having three revivals back to back with Evangelist Glen Pugliese, Evangelist Steve Bowman, and Pastor Packia Raj. It was absolutely amazing to see how each of these men brought messages that confirmed words and prophecies that our church has received in the past.

One of the disciples in the church wrote a musical called Mi Vida Loca, which we were able to put on with the help of the Bronx, Greece, and Toronto churches. We also were able to bring the play to our baby church in Greece. This was a very fruitful outreach with almost one hundred visitors in total and at least seventeen people praying a prayer of salvation overall.

The old saying is, "find a crowd or

make a crowd” and we have been able to draw quite the crowd to our church by putting on a series of events in our very own parking lot.

We started with the Clover Street Family Carnival, which drew in many families with ten people praying for salvation. Then, considering that the church is in a dog-walking community, one of the disciples had the idea to host Bark in the Park. Lastly, we finished off October with our annual Trunk or Treat, which is always a big hit.

We would like to express our gratitude to the Fellowship for all the prayers that have been poured out for this city. We value Pastor Greg and the Prescott church for their vision and faithfulness to the Lord in the work of evangelism, discipleship, and church planting. God has blessed our church abundantly, and we are so grateful for the opportunity to reach this city for Jesus.

Please pray for us here in Rochester as we continue to take the land!

**Santa Rosa, California**  
**Potter’s House**  
**Pastor Marcus Zuidema**  
**Corres: Rossa Burns**

**G**reetings from Santa Rosa, CA where this past October we celebrated 40 years of impacting our community for Christ.

This year has been exciting as we have seen God move in our outreaches with many people saved and healed in Jesus’ name!

Our church was able to send an impact team to Danang, Vietnam to help support the work that Pastor TJ Horta and his wife, Christina, are pioneering.

With outreaches during the day and events at night, people heard the Gospel witness, and the church saw first-time visitors to their services.

During spring, our Easter Festival is always a highlight. We set up games and activity booths with an Easter Egg Hunt and raffle during the altar call. It was an amazing time and we saw several hundred visitors with 10 decisions for Christ.

One of the disciples spearheaded a first-time outreach opportunity to enter a local parade. We decked out a truck

Maura and Nathan Somersall, before salvation, and now, transformed, married and serving God with their two children.

with banners and smiling faces, declaring the goodness of God and hope of salvation to the community. It was a wonderful time with our new converts involving themselves in the will of God.

Switching gears to the summer and fall months, we moved our One80 concert scene outdoors and played our “Back Lot” concert series. We saw several decisions and miracle healings in these outreaches.

Our annual Fall Festival draws large crowds as families look for safe places to take their kids. We saw over a hundred visitors with 11 raising their hands for salvation at the altar call.

We have seen God move in many lives as people have come in and committed themselves to serving God in the local church. In one notable couple, God has done a tremendous and quick work. We have provided in their own words, their powerful testimony of God’s redemptive power.

**Testimony**  
**Maura and Nathan Somersall**

**M**y name is Maura Somersall, and I am 29 years old. My husband, Nathan, is 34. Together, we have two wonderful children: 11-year-old daughter Marlene, and 12-year-old son Victor. I am truly honored and grateful to share how God has transformed our lives.

My first experience with church was back in 2015, but at that time, I struggled with commitment and found my-

self backsliding. I eventually drifted away, and it was during this period that I met Nathan. We entered a fast-paced, toxic relationship where we did not yet know how to treat each other well.

Before long, we fell into substance abuse together, weighed down by guilt, shame, anger, and a flood of other emotions.

Even during those dark times, God continued to call me, and somewhere deep within, I held on to a hope that He was there, no matter how low I felt.

Over time, both Nathan and I grew weary of the drugs and the lifestyle. We reached our breaking points, and it became clear that we wanted a better life. I believe God guided us to sobriety, steering us toward His path.

A year later, however, we were still trying to do things on our own terms, and we had a car accident. That moment opened my eyes: I realized that unless we surrendered to God, we would never truly thrive. So, we committed to attending church, and Nathan connected right away with the community, which only strengthened our resolve.

In January 2024, we fully surrendered to God and felt His blessings pour into our lives. Not long after, we were baptized. On February 18, 2024, Nathan and I got married, found good jobs, and were accepted into an apartment - all in the same month.

This journey has felt like walking under a powerful wave of grace, and serving such a mighty God is beyond words. Since then, we have continued to

feel blessed. Our marriage has strengthened, our parenting has improved, and our children are with us now and come to church with us. We hope to set a good example for them, and we wouldn't trade this life for anything.

We are so thankful for the opportunity to serve God. We know He is using us to reach our loved ones, and I have faith that He will continue to work through us to impact our family.

I want to thank God, my Pastor Marcus, the church, and everyone who has supported us on this journey.

We are believing God for great things in Santa Rosa and around our Fellowship. God bless you.

**Sierra Vista, Arizona**  
**Potter's House**  
**Pastor Rod Olmstead**  
**Corres: Jeremy Summers**

God has been faithfully moving in Sierra Vista this year and we are thankful to be in the midst of all that He is doing. The past six months have been very busy with our Summer outreach season coming to a close and our Winter months upon us.

Our Summer was filled with lots of opportunities to spread the Gospel. One of the outreaches we have found to be very fruitful is block parties. These parties are excellent opportunities to spread seed into our local neighborhoods and have been very successful in our city this year. With our regular outreaches, street preaching and one-on-one evangelism we have seen backsliders return and many decisions for Jesus Christ.

One of the major highlights of the summer months is that after many years of not being able to have a dedicated service for our Spanish speaking saints, we have been able to successfully get our Spanish work off the ground again. With services every other week we have seen these to be very fruitful and the excitement that comes with it is great to see.

Revivals with Steve Bowman and Joaquin Orosco were both fruitful times with timely words given and the saints of God revived. A recent revival with Jan-Willem Van Dam from the Netherlands was a very fruitful time for the

church. It is great to see that the spirit we have, can be found all over the world.

In October, we partnered with the city of Sierra Vista for their annual Trunk-or-Treat. We went where the crowds were going to be and saw a lot of seeds planted. With more than 2000 people in attendance, it was a wonderful time to be able to see what God could do. We are so thankful that God has been faithful to us this year and are looking forward to all that God is going to do in the coming months and next year.

Keep praying for us here in Sierra Vista as we keep praying for you!

**Tucson, Arizona**  
**Potter's House**  
**Pastor Harold Warner**  
**Corres: Mike Webb**

Greetings from sunny Tucson to our cherished Fellowship of brothers and sisters! We at Door Church have had a busy summer and fall season.

Our summer was marked by weekly Tuesday "Summer Event Series" park concerts in various parts of the city, where music, testimonies, and

Tucson, AZ production of 'The Showman' saw 130 saved

preaching filled the night. We also held two outdoor healing crusades featuring Evangelists Frank Escobar and Jerry Fussell. These events were a testament to God's power, as many attendees experienced healing and transformation.

In August, we took time to focus on relationships by hosting a marriage retreat at the La Paloma Resort. Pastor Josh Scribner from Santa Monica led the sessions, ministering to couples about navigating the challenges of marriage in today's culture. The retreat culminated

in a heartfelt panel discussion with Pastor Scribner and his wife, Kathy, which resonated with many couples seeking guidance and support.

One of the standout moments of our summer was our Youth Convergence Rally, where over 750 young people gathered to be inspired by Pastor Dan Stephen from New Zealand. The energy was palpable as students engaged in worship, street preaching, and fellowship. This rally not only ignited passion among our youth but also marked a significant leadership transition.

Pastor Gabe and Rebecca Rubi handed over the reins of Vision Unlimited - our junior high and high school ministry - to Pastor David and Raquel Ajala. Following the convergence, some inspired students arranged a rally at a local high school; Pastor Ajala was invited to preach, resulting in 60 students making decisions for Christ.

This fall, Alpha Omega hit the ground running at the University of Arizona. They began with a time of fasting and prayer on campus in preparation for the new semester, followed by a concert on the main mall supported by church groups, and capped off with a club fair the following day to spread the

word about the AO Bible study to thousands of students passing by. These efforts resulted in five salvations, over 150 students requesting more information

about AO, and a packed first meeting with 65 attendees - including 20 first-time visitors!

One of the most impactful moments was seeing a Hindu student pray the sinner's prayer. God is clearly moving at the U of A.

As we moved deeper into fall, we were thrilled to present a three-night drama and musical production entitled "The Showman." This captivating adaptation of P.T. Barnum's story emphasized the biblical truth: "What

shall it profit a man to gain the whole world and lose his soul?" Months of hard work by actors, singers, musicians, costume makers, and graphic artists culminated in a performance that one visitor described as rivaling local theater productions. Over these three nights, 130 people responded to the altar call - a powerful testament to the impact of the creativity and hard work of God's people!

In November, we bid farewell to missionaries Abisai and Alexandra Jimenez as they embarked on their journey to El Salvador to pioneer new work for God. Taking their place as Door Directors are Eddie and Susanna Gutierrez, who are eager to serve and prepare for future ministry.

We at Door are profoundly grateful for the opportunity to partner with our Fellowship to fulfill the Great Commission.

**Sparta, Illinois**  
**Potter's House**  
**Pastor Mike Stamper**  
**Corres: Erriel Wolters**

**G**reetings from Sparta, IL and the congregation of the Sparta Potter's House!

This summer was a fruitful time of outreach, evangelism, and ministry. That momentum of God moving and working in the folks here did not stop when summer transitioned into fall. In mid-September, the Sparta congregation attended the Midwest Pioneer Rally in Carbondale, IL in which Pastors Richard Rubi and Rich Cox delivered timely messages that were convicting and encouraging.

Following the rally, September ended with the saints faithfully attending church, giving tithes and offerings, and doing what God has called his people to do.

In October, several of the area churches had revivals that the members of the Sparta church went to. During these revivals, a couple of the people from Sparta received words from the evangelists, were prayed for regarding healing, and heard incredible preaching that, like the rally, was convicting and encouraging. It was such a blessing for

Sparta to be a part of these revivals and support fellow workers in the Midwest.

Sparta had its own revival in October with Evangelist Ralph Blanco. It was an amazing time of God moving powerfully in peoples' lives! Evangelist Blanco prayed for people who needed healing in their eyesight, allergies and asthma, and diabetes. He also prayed for people who had pain in their bodies. Several miracles were witnessed each night of this revival.

One lady in the church had her eyesight so incredibly touched that she no longer has to wear her glasses! Several people testified of leg and back pain

Evangelist Ralph Blanco ministers revival in Sparta, Illinois

completely gone! One woman testified of how, after Evangelist Blanco prayed for her back, all pain left. She was able to talk to people after church and stand the entire time. Prior to that night, standing that much after the service would have been painful for this woman.

Other miracles of this revival involved finances, pay raises, and jobs. One man testified of getting a job interview for a job that would be closer to town and that would pay better. He got the job! Another man testified of receiving a substantial check in the mail that was not expected. God is so good and the Sparta church is grateful for the powerful moving of His holy spirit during this revival!

Immediately after the revival, the Sparta Potter's House put on a Trunk-or-Treat for Halloween that saw many visitors come and get witnessed to. The next event on the church's outreach agenda is the annual Sparta Christmas Lights Parade. The saints are excited for the float they are preparing and the time of evangelism in this parade.

As the year comes to a close, the

Sparta saints look forward to what God has planned and will continue to stay the course, preaching and evangelizing to the community of Sparta, IL.

**Hyannis, Massachusetts**  
**Victory Chapel**  
**Pastor Paul Campo**  
**Corres: Chip Ganiear**

**G**reetings from Hyannis, MA. We finished up a full Cape Cod summer with our annual March for Morality. Eleven northeast churches joined the Cape congregation to march down Main Street proclaiming that Jesus is the only real fix for a broken world. Floats, signs, bands and around 200 people made a public stand for Biblical morality. Perfect weather drew a steady crowd of shoppers and tourists to the Hyannis downtown to hear the Gospel message.

Following the parade, we kicked off revival with Pastor Willis Gordon. There were visitors in every service, several decisions for Christ, people baptized in the Holy Ghost and powerful healings. One visitor came in walking with difficulty using a cane and after prayer was able to walk unaided.

In October we hosted the Northeast Harvesters' Rally. Pastor Artie Aragon preached anointed messages both challenging and encouraging the pastors and disciples who labor for God's kingdom throughout this region of the US.

From there, we switched gears for our first Haunted Hayride. It has been many years since the church did its Haunted Houses, and a whole new generation was inspired to take advantage of the popularity of Halloween to present the Gospel. The scenes were designed, written and acted by teens raised in church with a burden to reach their friends and peers. A hardworking crew of saints pulled together to put on a frightful - and fruitful - event. More than 100 people went through the hayride, with around 60 decisions for Jesus.

The Cape church is excited to see all that God is doing in the Northeast as we contend for revival!

**Uvalde, Texas  
Potter's House  
Pastor Douglas Swimmer**

**H**ello Ya'll from Uvalde, Texas! The holiday season has come upon us and God has been helping us. The congregation has become very hands-on with ministries, reaping the harvest, in one accord. One young lady by the name of Hopie Gutierrez got radically saved and delivered. She testifies now how God saved her and set her free from depression, anxiety, and self-condemnation. We have seen this young lady transform to a soul on fire for Jesus and excited for the things of God.

Baptism in Uvalde, Texas

Recently we had a Trunk or Treat as an outreach that was very successful. Considering it's a small town, we had about 1,200 visitors that day. Eighteen people got saved and prayed for through that outreach!

The following weekend we had Pastor Reyes come preach for us and several men stood up for the calling to preach.

We received a great word in due season. In conclusion the Austin church came and helped us outreach and did a concert for us at a local park. It was well received, and sinners were drawn to the Christ-based music and joined us that evening.

Several individuals got prayed with that evening. That next service we received great fruit from the concert, and we give God all the glory for that.

Following that service, we had a baptism and four people got baptized. God is on the move here in Uvalde and we are excited to see what God is about to

Outreach in Winston-Salem, North Carolina

do throughout the rest of this holiday season.

We thank you for all your prayers. Continue to pray for us as we pray for you.

**Winston-Salem, North Carolina  
Potter's House  
Pastor Joe Baleanu**

**G**reetings from The Potter's House Church in Winston-Salem, NC! God is doing some amazing things here in our city!

Since July 2024, we've had revivals with Pastor Sachin Raggio from the nation of Mauritius and a revival with Pastor James Wilkins.

These revival services have not only brought timely words and encouraging sermons that built up our regular members but have also brought in new visitors who until now have continued to attend.

In August we had an impact team and concert from one of our Fellowship Spanish churches in Taylorsville, NC. During that outreach, 11 were

saved and a couple, wife from Columbia and husband from America, who had been praying and looking for a church received a flyer and have been attending ever

since. Visitors and people praying for salvation or rededication have been a regular occurrence!

Recently, we had a Harvest Party the week before Halloween with 130 visitors, followed by a Halloween play with nine people making a decision for Jesus for the first time! Please keep praying for the Western part of North Carolina! The harvest is truly ripe here!

What a tremendous privilege it is to represent God's kingdom and our fellowship here on the east coast! We're believing for revival!

**Dhaka, Bangladesh**  
**The Door**  
**Pastor Ravi Kumar**

**G**reetings from Bangladesh. We are very excited and so grateful to be a part of what God is doing in Dhaka, Bangladesh.

We took over the Dhaka church in October 2023

Youth gathering in Dhaka, Bangladesh

from Pastor Peter Wakefield and sister Sandy, who pioneered this church five years ago and did a tremendous work. When we arrived, we were able to see the favour of God in all aspects from day one and God is continually building the church.

After we returned from the India Bible Conference 2023, we saw swift growth in the church ministry. In January, people, including Muslims, were filled with the Holy Spirit for the first time. From January onwards our church offerings tripled.

We had a Christmas event in December 2023 where more than 200 people attended, including many Muslims, and heard the Gospel. Many people responded to the altar call.

In January, with the help of Pastor Akash Gouda from India, we started a youth ministry focusing on teenaged boys and girls. Nearly 40 attended and 11 responded to the altar call. This event became our monthly and then weekly event focusing on teenagers. God is bringing young people from Muslim backgrounds and enabling them to hear the Gospel and respond to the altar calls.

This year we had four revival meetings with Pastors Archie Brown, Ryan Burch, David Elhers and Pastor Sudhanshu. We saw a great momentum and impact. Each revival was timely and unique. Several people were filled with Holy Spirit for the first time, and many people received words. Many were delivered from different kinds of foul spirits and were able to see the supernatural work of God in their lives.

We had two marriage seminars this year, one in February with Pastor Steve Thomas and another in

June with Pastor David Elhers. We saw more than 20 couples joining each time.

We had five water baptisms this year, including one young man from a radical Muslim background with strongholds and addictions, and another 78-year-old woman.

One evening after the Bible study we noticed one of the Muslim converts going through mind battles and the influence of curses in his life. Both his grandmother and his father are witch doctors. After a prayer he was delivered, and then immediately he was physically assaulted and suffered a paralysis on the left side of his body and severe chest pain. Arrangements were made to rush to the hospital but this man strongly believed in God for a miracle and as we are praying he was completely delivered from the sickness!

From the beginning of this year there has been a lot of unrest and agitation in the nation of Bangladesh. During one of the riots more than 12 people were shot dead near our church. Bullets missed a couple of men in our church. God is good and continually leading us and the church is going on.

We thank our Pastor Raj and sister Samantha for the trust, direction and continued support, Pastor Peter Wakefield and sis Sandy for the labour and investment in Dhaka, Bangladesh, and Pastors Campbell and Mitchell for their vision and leadership.

Please continue to Pray for the nation of Bangladesh.

**Belize, Central America**  
**Potter's House**  
**Pastor Frank Beaman**  
**Corres: Olga Beaman**

**G**reetings from Corozal Town, Belize, Central America. Since we arrived in February 2023, we have been experiencing a powerful move of God.

God brought in key people immediately, and the church grew so significantly that we were forced to move to a bigger facility within our first anniversary. Corozal Town is a small village with many smaller surrounding villages with people of all backgrounds.

Church members travel long distances and are faithful to attend service. Our outreaches are fruitful because people are hungry for the Word of God.

We had a team from Lubbock, Texas (Lee William's church) come in August 2023 that poured gasoline on the streets of Corozal, and the fire has not died. We have seen many miracles, from the alcoholic being set free to the deliverance of the demon-possessed. Time-

Belize congregation after Luis Alcala revival

ly words and supernatural growth were brought through several revivals including David Solano, Lee Williams, Luis Alcala, John Robinson, Tony Gutierrez, and Patrick Jordan. We are humbled by the presence of God and all that He is doing in this third-world nation.

We are grateful to our pastor Peter Aulson, his wife Sally, and our mother church in Clovis, New Mexico, for their unwavering love and support.

**Beechboro, West Australia**  
**Potter's House**  
**Pastor Daryl Elliott**  
**Corres: Nab Yankey**

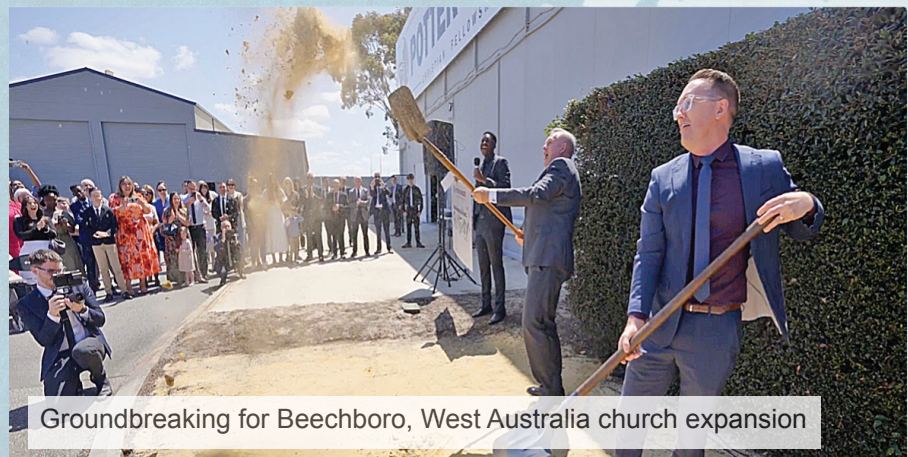

**G**reetings from Beechboro, West-Gern Australia! God has done tremendous work over the past few months here in Perth, and we're so excited to share the big ways God is moving.

In September, Pastor Tony Hoang brought his crew from Sydney with some people from our church to perform the "Break Free Drama," which featured his testimony of how God set him free from drug addiction and a broken family as an immigrant.

We had the production over two nights and saw many visitors and souls saved. Pastor Tony also had the privilege to visit one of the high schools in our community to share his testimony and preach the Gospel. His story touched the young people, and many responded during the altar call.

October 22 marked our church's 46th anniversary. We celebrated this with Brother Ron Burrell and his wife Suzie from the United States. They pioneered our church in 1978.

Prior to that, we had a groundbreaking service with our Pastor Daryl Elliott, to commemorate the expansion of our church to accommodate the growth in our numbers. We have been hard at work preparing the building for the project to start. The church has come

Groundbreaking for Beechboro, West Australia church expansion

together to labour, move furniture, demolish, and build new walls. Despite the hard work and late nights, everyone is excited about what God is doing in our church.

Our One80 Concert scene is vibrant. Most of the young people in our church are stepping up and getting involved. There has been an increase in families participating in our midday outreaches and reaching our communities for Jesus.

Our recent Perth One80's Got Talent Show was a huge success. Many young people signed up to display their God-given talents. It started with burgers at the front of the building, which drew visitors in. The contestants' performances were incredible. The judges encouraged them and are excited to form new bands to minister in support of our upcoming summer outreaches. We saw

six decisions for Christ at the end of the night.

We thank God for our leaders and what we are part of as a church. The Beechboro Church would like to extend our heartfelt gratitude to Pastor Greg Mitchell and the Prescott church for your prayers and Pastor Daryl and Jillian Elliott, thank you for blessing our congregation.

**Buenos Aires, Argentina**  
**Potter's House**  
**Pastor Fernando Ferraro**

**M**y name is Fernando Ferraro and together with my wife Romina and my daughters we are carrying out the work of God in Munro, province of Buenos Aires, Argentina.

We had a year with challenges but God always showed us his help and favor. A few months ago we were able to inaugurate our third daughter church that from the beginning began to bear fruit with souls that were affirmed and entire families making decisions for God!

We have several testimonies of shocking healings. A brother had nodules in his lungs, a very serious situation, but God healed him completely and when they did the tests again the nodules were no longer there.

A young woman was healed of scoliosis and her back straightened at the same time that we prayed for her. Another sister had nodules in her neck which she could touch. We prayed for her and God healed her. She went back to the doctor and they told her that they

were not going to operate on her because her nodules had disappeared.

A very young sister arrived with a problem in her ovaries and had been miscarrying for months. She was in a lot of pain. God glorified Himself once again and as soon as we prayed, her tears were of joy because there was no more pain. She repeated her medical studies and, to the glory of God, she is healthy, too!

The church continues to grow. Nine new converts made the decision to be baptized in water. Families are rising up to serve, and teenagers are becoming stronger, God is restoring marriages.

We continue working in evangelism and One80 to reach souls through recitals, theater, movies, testimony nights, family game afternoons with prizes, and more strategies to reach the greatest number of souls! We continue with discipleships for men, meetings for new converts, and revivals, working on everything we were taught.

I wanted to thank my Pastor Juan Pablo Cardo and his wife Silvina for their trust and support, you for being a reference for Argentina and God above all things for his grace and mercy on our lives and church.

Pray for Argentina, God is bringing a great revival to our nation. We continue praying for you!

**Bonteheuwel, Cape Town,  
South Africa  
Potter's House  
Pastor Harold Visser**

**G**reetings from the most beautiful city in the world. It is still an amazing privilege to be a part of a worldwide movement.

After the Johannesburg Conference we had our workers refreshed and ready for the summer harvest season. We had a revival with Pastor MacArthur Smith from Worcester. It was an encouraging time and without a doubt he had the mind of God with every sermon. Pastor Smith gave timely and spot-on words to some of our people, prayed for the sick and

Drama outreach in Buenos Aires, Argentina

we saw many young people visiting with them responding to the altar call for salvation.

During our Saturday outreaches we still set up in the town centre doing a mini Healing Service where we invite the sick to be prayed for. God is faithful to heal people that respond to prayer. The real miracle is the people in the centre that get to hear the Gospel preached and see the miracles that only Jesus can do.

Sunday morning service in Cape Town, South Africa

In our One80 concert we see our disciples organizing and running the concert scene with visitors every time. One Saturday when it was raining, they still decided to do the concert and eight young people showed up asking for prayer for their friend. They ended up staying and prayed the sinner's prayer. Another concert we had two visitors show up that came in because they saw the signboard outside and made it in time for the concert. We thank God for his supernatural visitation.

In the summer months we do a midweek outreach where one of the disciples prayed for a girl that was in a car accident and could not walk on her leg. When they prayed for her, Jesus touched her and she could walk holding the crutch in the air!

God is doing powerful miracles in the lives of precious people in Bon-

teheuwel. Do continue to pray for us for breakthrough fruitfulness.

**Central Visayas, Cebu, Philippines  
Victory Chapel  
Pastor Charlie Carias  
Corres: Christelle Aligato**

**M**abuhay from Cebu, Philippines!

Last August, we held our Central Visayas International Bible Conference theme "To The Nations, Declare His Glory." With us were Pastor Dave Stephenson and Pastor Steve Ciaccio. Almost 900 believers gathered for the event. We were blessed and revived by the sermons. On the last night, seven couple pioneers, one assistant for our mother church and one turnover responded on the harvest field.

We also conducted Men's Discipleship with Pastor Steven Ciaccio.

Last October we had Revival Service with Pastor Genaro Bugtai. Attendance reached about 500 for the timely sermons. Some visitors also responded during altar call. Also, men gathered for a Discipleship Class.

Two weddings happened last September and November. Both couples testified how God has changed their lives and preserved their relationships. Both shared their first kisses after pronouncing "I Do." God is indeed glorified if we keep our bodies honorable unto Him.

We thank Pastor Greg Mitchell, Pastor Dave Stephenson and Pastor Louie Lobato for their impartations, labor and investments in us.

**Chilliwack, B.C., Canada  
Potter's House  
Pastor Dave Marks  
Corres: Cory Broadbent**

**G**reetings from Chilliwack in beautiful B.C., Canada.

We had a late summer baptism at Cultus Lake and three people were bap-

tized — two recent converts and one of our third-generation youth. They took a stand for Jesus Christ before a large crowd, as this is a very popular summer recreation area. Many people came to see what was going on and heard the gospel, as well as friends and family. Just a great day, praise God.

We had our Western Canada conference at the end of September, a real time of refreshing, encouragement and refocus. A new pioneer work was announced for Edmonton, Alberta out of another part of Edmonton (Pastor Les Theiss).

CTM Culhuacan, Mexico congregation

Pastor Marks, at the conclusion of his sermon, challenged the saints to commit to his Bible memory system (a key thought or verse from each chapter), with many people responding. We are excited in Chilliwack to be partnering with Pastor Golubev and the Vologda, Russia church in launching a church into Venezuela from the congregation in Cuba.

We are experiencing God's presence in our services with new people coming in, new converts getting excited about living for God, as well as young disciples rising up to be solid men of God. Of course, Sundays and Wednesdays are church days, but the rest of the week we are on the streets, doing what God has called and anointed us to do - to reach out and witness to the unsaved.

Outreach is a privilege and we take it seriously, whether it's street preaching, one-on-one, or visiting someone who can't get out to church. It's all to the Glory of God.

We're going to keep on fighting the good fight and trusting God, that he will give us fruitfulness and favour, also to be closer to him and walk in his presence where there is fullness of joy.

**CTM Culhuacan, Mexico  
Nueva Vida  
Pastor Juan Carlos Gómez**

**B**lessings. We want to share with you the miracles that God is doing.

Two weeks ago a sister invited her co-worker to church. She received Christ in her heart and we prayed for healing because she had cancer in her pancreas. She could not eat or pass food, but God did a miracle. Last Sunday she shared with us that she has already gained six pounds. Also the biopsy test came out well, the results say that she no longer has cancer. Glory to God!

A week ago, in one of our evangelisms, we prayed for a woman who had been diagnosed with cancer. After prayer she told us that she no longer felt pain. We are trusting for a total miracle in her life.

A couple of weeks ago, two co-workers of a brother suffered a car accident. One of them was in very serious condition. We joined in prayer for her and God did a miracle of restoration in her life.

God is working great miracles through His church, new converts are taking hold, couples are coming, and we believe for great revival.

God bless you!

**Davao City, Philippines  
Victory Chapel  
Pastor Frank Buenaventura  
Corres: Emma Sotto**

**G**reetings from Davao City! We rejoice in God's goodness for 38 years!

We were excited about the three-night revival with Pastor Steve Zapata

of Perth, Australia in June. Two notable miracles happened: a young man was healed from a hearing problem and another from a stomach disorder.

In August, we had Pastor Ernie Gerente of Lucena City for our church's 38th anniversary celebration. Powerful messages encouraged the congregation. We were blessed with timely revelations for an old church that has gone through many difficulties but victories in Christ Jesus outweigh them all.

Our children's ministry held a four-day Vacation Bible School with 84 children in attendance including 10 visitors. On the last day of VBS, we had a graduation day, Pastor Frank Buenaventura preached and saw parents, family members, and visitors accepting Jesus.

We concluded our semi-annual Bible Conference in the last week of October. We were blessed to have Pastor Mark Aulson, Pastor Artie Aragon, and Pastor Alberto Desepida as our main speakers. The wonderful Spirit of God moved with all the challenges and encouragement to the conference body. On the final night, 12 pioneering local churches and one international work to India were announced. Glory to God!

We continue to reach out to more souls in our follow-up ministry and visiting different communities on Saturdays. On early Sunday mornings, the people they ministered to are picked up by the church van and we see souls at the altar, receiving Jesus as their personal savior and being freed from the bondage of sin.

On average, we see 150 souls for Jesus in our weekly outreach in the parks, jails, and streets with our outreach ministers - the elderly, and young disciples, laboring together in love for God.

Souls are added to the church. New converts are faithfully coming to church services. Those attending for a while now are already joining the music and outreach ministries.

If Jesus carries, we trust God to reach our 40-year milestone; expecting greater things ahead and more years of sending workers into the harvest field. Please remember us in your prayers as we pray for you. Thank you, Prescott and Tempe, for the vision and exemplarship. The grace of our Lord Jesus be with you all.

Davao City Conference saw 12 local and one international work launched

**Eden Park, Johannesburg,  
South Africa  
Potter's House  
Pastor Shawn Stellenberg  
Corres: Mafika Mazibuko**

**G**reetings from the Eden Park Potter's House where Jesus is still radically changing lives.

This past year has been a testimony of God's faithfulness to His church during turbulent times.

With the resilient spirit within our pastor, his wife Cheryl and within our congregation, we followed a 2023 September 6 church robbery attack (which also claimed the life of a dear brother) with a "back in the arena" major street preaching, sharing testimonies, and prayer for the sick. Many in our community were least expecting to see our church outreaching in the streets after the attack.

Pastor Shanin Jukskei came and preached a Holy Ghost message that brought both comfort and understanding to our church of why the enemy viciously attacks any church that is making impact for Christ.

We had our Southern Africa leader Pastor Jonathan Heimberg from the Eldorado Park church come preach a revival for us in December which served as a rocket launch for our church into the 2024 year, not with a limp but a giant leap. Despite the decline in seeing visitors our pastor persistently launched revival services.

We had pastor Lain Iwanga from Cape Town come in February to preach four Holy Ghost messages that accelerated faith in the saints with timely words given to many and notable healings with visitors steadily coming out and getting saved. It left our church refreshed!

One of the "great and effective doors

opened for us" is the nearby Substance Abuse Community-Based Day Clinic known as Palm Ridge SANCA where our church has disciples going once every month on a Wednesday to minister to the drug and alcohol help seeking men and women who are receiving rehabilitation help there.

The rehab center manager has also granted our outreach team full permission to hold our "Potter's House style concerts" after unsuccessful past attempts to have such.

Our disciples faithfully minister the Gospel at this rehab center, pulling altar calls, leading them in the deliverance prayers from anger, regrets, guilt, sleep torments, and restoration of their broken relationships with families. They get filled with the Holy Spirit in these spiritual sessions that form part of their recovery journey.

In June our children's Sunday School with their teachers did a marvelous play depicting the Freedom Day youth struggle against the Apartheid regime. They put a beautiful spin on it with a theme "True freedom is found in Jesus Christ alone."

In July we had five Holy Ghost powered revival services with the Holland Evangelist Jan-Willem Van Dam. His multifaceted ministry brought another element into our church!

Right away after our SA Bible Conference we had a newly launched Evangelist Jonathan Mphake come do his first service at our church. This couple was raised, disciplined and first launched from the Eden Park church prior to them now evangelizing. Jonathan gave words of knowledge, encouragement to many and notable healings took place.

Another door of opportunity we have also is a nearby Youth Center which is a feeding scheme with many unemployed young and older people, some who are

alcohol and drug addicted going there daily. Our disciples have been permitted to come whenever they wish to minister the Gospel and bring hope to these men and women. We've had victory reports of notable healings from this center with injured legs getting healed, a half blind man had his eye sight restored.

We have a 39-year-old convert who came from a life of alcoholism for years. She was hospitalized for extreme depression and put on antidepressants but she didn't see any change and went back to alcohol. Then she heard one of our disciples who was an alcoholic testifying at the Youth Center about how Jesus set him free from alcohol. She decided to come on one very cold Monday morning in September to seek help from our church. She came back, got saved, water baptized and transformed by the power of Jesus and the Gospel truth.

In October we had the Eldorado Park impact team come help us prepare for our revival with our former pastor Chris Aulson and saw 70 decisions for Christ from that outreach. Late October pastor Chris Aulson came bringing very in seasonal messages for our entire congregation, with words of encouragement given to many and to our pastor.

Continue praying for us as we do likewise for you.

**Footscray, Australia  
Potter's House  
Pastor Chris Plummer  
Corres: David Avice-Demay**

**G**reetings from Footscray Victoria,

In the past three months we have seen God's faithfulness and power at work within our lives. We've experienced a renewed sense of purpose, witnessed exciting growth, and seen lives touched by the Gospel.

In August, Pastor Daniel Stephan from the Central Auckland Church preached revival for us. The week began with an area-wide rally, which sparked a fresh wave of passion within our State. The Revival services were a time of powerful encouragement and refreshing, inspiring the church to contend for souls

Pastor Chris and Skye Plummer celebrate Footscray, Australia church's 40th anniversary with Pastor Greg and Lisa Mitchell, who pastored the church in 1987-1988 and 1995-1997.

and to boldly share our faith, and pursue our destiny in Christ.

We are excited to see our young people stepping up and taking on the mantle of our fellowship! Our recent Impact teams to Bendigo and Melton were filled with young people and these were times of fruitfulness and encouragement to our baby churches.

Our themed concerts, which included an 80s, 90s and 00s Night, a Pasifica Night, and our 70s Night, continue to be a powerful and fruitful tool for outreach.

Our winter outreach season culminated in our annual production of Heaven's Glory, Hell's Fury and souls were saved.

The area-wide Olympics brought together churches from around Victoria for a day of fun, fellowship, and friendly competition. At the end of the day we all celebrated as souls were saved at our outdoor concert!

This year we celebrated our 40th anniversary with a dinner! Churches joined us from around the state and about 500 people were in attendance! We were privileged to host Pastor Greg and Lisa Mitchell, who previously pastored our church on two occasions. What a joy to look back and see all that God had done

through the years.

This was followed by our annual Bible Conference themed "Momentum." Ministry from Pastor Mitchell and Pastor Daryl Elliot, among others, stirred the congregation with a fresh anticipation of what God will do as we continue to pursue the commission in our cities.

God is moving and helping us here in Footscray. We are so grateful for all that He has done, and we are excited to see all that He will do in the future.

with his inspiring messages.

We were also blessed by the ministry of Pastor Christopher Zoutenberg from South Africa, now serving in The Dome Church in Ghana, and Pastor Hycenth Ezeke from Nigeria among others.

From deeply moving praise and worship sessions to sermons that inspired and strengthened our faith, these services led by our pastor, Pastor James Awere and the men of God in this past year have been a powerful reminder of God's ongoing work in our lives as we have seen many miracles and testimonies.

**Yugo, Guam  
Victory Chapel  
Pastor Jesse Cluck  
Corres: Ryan Mendiola**

**H**afa Adai from the beautiful Island of Guam!

The church is currently stirred and has remained in a tremendous season of laboring where we have seen God move through the different events put on throughout the year.

In August, we were blessed to have Pastor Roman Gutierrez from McAllen, TX, conduct a four-day-revival for us. This revival was encouraging and stirring as we saw many visitors come through nightly. We started the revival with 625 in attendance and concluded

with 875 by the final night. We saw visitors every night as timely messages were preached that stirred the church.

In conclusion, we saw a total of 65 de-

**Santa Maria, Ghana  
Potter's House  
Pastor James Awere**

**O**ver the past year, the Potters House Christian Fellowship Church - Santa Maria, Ghana branch, led by Pastor James Awere and Sister Dorothy Awere, has been blessed with

Santa Maria, Ghana congregation

a series of special services featuring powerful men of God from our mother church and beyond.

We had the honor of welcoming our head pastor, Pastor Glen Botu, from the mother church in Ikeja, Nigeria, who led us into a Holy Spirit-filled encounter

decisions for salvation, 38 rededications and 15 converts filled with the Holy Spirit. We are happy to report that we have families coming out today from this revival meeting.

In the beginning of October, Pastor Louie Ray Lobato came for a week of

Baptism in Havana, Cuba

revival for us. His ministry throughout the week blessed the church tremendously. Every night he preached messages that were needed. Gifts of the Holy Spirit were in operation with numerous people healed instantly, and countless people received personal words. We saw a total of 15 saved, 10 healed, and six brand new converts filled with the Holy Spirit!

At the end of October, our drama team rallied together once again to put on a Haunted House/Halloween Production titled "School From Hell." We did three nights from Sat-Mon, and used an "Abortion Clinic" as our Haunted House theme with multiple sections depicting gruesome scenes of the reality of abortion.

Every night we saw a great flow of visitors come through with many lining up an hour early. The first night, we saw 70 decisions for salvation. The second night there were 90 decisions, and the last night was our highest attendance of 750 and 140 people saved. We saw a total of 300 decisions for Jesus Christ!

The joy of this event is that multiple families came to the following service on Wednesday! God is still on the move here in the Islands! We are believing God for retention as we close out this year. Please continue to pray for us as we to pray for you. God bless.

**Havana, Cuba  
Potter's House  
Pastor Alejandro Fernandez**

Hello, my name is Alejandro Fernández. My wife Yeneý and I serve in Havana, Cuba.

This month we had a tremendous baptism with 21 baptized people. It's wonderful to see what the Lord is doing.

We have prayed for specific laws so that the government would allow private companies in Cuba for a financial improvement to all our brothers. The Lord heard our prayer and miraculous finances have come in. We have already sent the first international church to Venezuela.

We have had many miracles of healings. In a service we prayed for several people who had a shorter foot and a brother recorded the moment when the foot stretched. These miracles have brought many people to the church who have accepted the Lord.

We have marriages that have been saved and restored.

At this time, many people have emigrated because of the ease for Cubans to emigrate to the United States. In the last year, more than 200,000 Cubans have emigrated. This proposal of humanitarian sail has reached several of our men, but they have decided to stay to serve the Lord. Without a doubt, the Lord will do great things with these people!

We have new men, disciples enlisting with a fire to carry out the expansion of the kingdom. We are doing several Bible studies for men weekly. The concerts continue to bear fruit. The church is expecting a great move of God.

Recently we had a blackout throughout Cuba due to the hurricane. Everyone on the street was very troubled, but the people in the church were different, they even had more motivation than in a normal service. The Joy of the Lord surpasses all understanding!

Thank you for your prayers! Please keep praying for Cuba.

**Juba, South Sudan  
Potter's House  
Pastor Wes Neary  
Corres: Denise Neary**

Greetings from the Potter's House in Juba, South Sudan! God has been doing amazing things since we officially opened the church in January 2023.

We have been seeing a lot of fruit from our weekly outreaches and street preaching, as well as many souls saved during our Friday movie nights and Saturday concerts. People are getting stirred to be involved in ministry. We have recently been able to start a drama team which has added a great dimension to our Saturday night music scenes.

In October we had our first healing crusade and revival with Pastor Mitch Connors from Troy, NY and saw God move powerfully every single night. Throughout the week we saw 167 new decisions for Christ, as well as 42 notable healings. Many people also experienced personal breakthrough in their lives during this impactful week. One young lady named Diana shared her powerful testimony.

"For my first time to be in a healing crusade, It was quite mind blowing and an experience that has greatly increased my faith. This is because I witnessed many people getting healed and being saved. My mom was also among those who got healed that day. She had a very terrible backache for some months. I remember her not even managing to stand long in line

Juba, South Sudan church congregation

in order to be prayed for. But as soon as she was prayed for, she got healed and I have not heard her complain of it after that day .

During the revival, the pastor preached such a powerful sermon that it had me in tears.

It was about past invisible wounds that can be caused by violence, childhood traumas, rejection, sexual abuse and unforgiveness. As South Sudanese I believe that most of us have gone through such circumstances and they have created in us some wounds that left us broken. To the extent that we don't know how to heal from them.

Nevertheless for me, being in the Potter's house has transformed me from being depressed and anxious due to all the rejection and childhood traumas to to having a forgiving heart to those that caused me those wounds. All because I now know that God sees those wounds. I also believe that God can do the same and more for all those suffering out there."

We also had a testimony from a man named Mario who brought a childhood friend to the crusade. His friend had been sick for several years and reported instant change as soon as he was prayed for. Immediately following the revival, Mario also experienced personal breakthrough in his employment and finances. He gave the glory to God and also presented Pastor Mitch with a handmade South Sudanese "honor stick" to show his appreciation.

We are still seeing fruit from the revival and crusade and every Sunday morning our building has been packed, and the altars have been full!

We praise God for all he is doing

here in Juba and we thank the Prescott and First Phoenix congregations for your amazing support!

**Gachibowli, Hyderabad, India  
Potter's House  
Pastor Jeevan Babu**

**G**reetings from Gachibowli, Hyderabad, India.

This year we've had revivals with Pastor Robert Polaco in January, Rod Gibson in March, and Steve Zapata in August.

Before going to the conference we had revivals with Paul Arps from Nepal, with powerful preaching. People got saved, and afterward I took a pledge for world evangelism, with a great response from the people that morning.

In every revival, an average of 120 to 200 people came. People got saved, many were healed, many were filled with Holy Spirit and many of the people got words.

Thirty people from our church went to the India Bible Conference and with our baby churches we had 74 people there in the conference. I preached for the first time in the India Bible Conference, with God's help.

During the conference, we announced our fourth baby church. Our church so excited about this.

Also during the conference, I gave a call for future pastoral ministry calling, and many couples stood up.

Every Sunday we have a flow of visitors to the church, with people getting saved and locking in. We had 30 people got saved in the last month.

Two notable miracles - a man unable to hear for years came for Sunday night service. Pastor prayed for him and he began to hear in his left ear.

Pastor called out a man whose foot had a burning issue. Pastor told him that he had a book in his room that was bringing the pain in his foot. That night the man threw out the book. He next came to church and testified that his foot had no more burning sensation.

This year we also had Men's Discipleships with Pastors Polaco, Drout, Gibson, Ryan, Jeevan, Kumar, Zapata, Raj, and Rice. In every one, we had an average 60 to 80 people and many rededicated their lives to Jesus.

We started youth meetings from September onwards, with an average of 20 to 35 youths each time.

This year we have had wonderful music concerts every month with help of our baby churches, sister churches and especially in july with the Chennai Team.

We had a smooth transition to our new church building in April. We did a Grand Opening on April 20. All the Fellowship churches came together and every church people invited their friends and family members for the opening. It was a great a scene with nearly 500 people gathered on that day. We had 11 saved.

God is helping to build his kingdom. Please pray for us as we pray for you.

**Lima, Peru  
La Puerta Iglesia Cristiana  
Pastor Mario Mejia  
Corres: Madison Mejia**

**H**ello from Lima, Peru. We are happy to report to you all the things that God is doing in our church.

We have seen tremendous growth this year, and due to that growth, we have recently moved into a bigger building.

In October we had the privilege of doing a revival with Pastor Steve Bowman. Throughout the week, we saw visitors come out, many timely words were given, and people were healed. A notable thing is that we saw

Pastor Mario and Madison Mejia, center, with newly baptized saints in Peru

an increase in attendance every night. We ended the meetings with the attendance in the 80s.

The revival had a spiritual impact on our congregation, and because of this, there was a renewed commitment for the things of God. We had visitors lock in, church members join ministry and many get baptized.

We are looking forward to seeing what God has for us next year, and we hope you will continue to pray for us.

**Siem Reap, Cambodia**  
**Potter's House**  
**Pastor Star Sullivan**

**G**reetings from Siem Reap Cambodia. We have continued to have a fruitful 2024.

In the last few months, we have had seven baptized in water and faithfully attending the local church. We had revival with Pastor Perry Dominguez and God spoke to the congregation through solid Biblical preaching and helped us mightily.

Our One80 concerts have been fruitful with visitors and people getting saved. Saturday morning outreach and one-on-one evangelism has also been effective.

Our English class outreach has really gone well and has been a great tool for both drawing people to the Gospel and establishing new converts in the faith.

We recently had revival with Evangelist Steve Zapata from Australia and God really helped us. In that revival, Evangelist Zapata prayed for a woman who had a broken hip. The pain left and she is now walking with a walker,

something she was not able to do before. We also had five prayed for and filled with the Holy Spirit. He gave timely words and brought powerful preaching that has really helped our church.

In November Evangelist Nick Rogers powerfully preached the word of God and encouraged disciples to rise up in the kingdom of God. Please pray for the Siem Reap church and all that God is wanting to do going into 2025. Jesus is on the throne in the kingdom of Cambodia!

Evangelist Steve Zapata ministers in Cambodia

**Saint Lucia**  
**Potter's House**  
**Pastor Heath Flitcroft**

**G**reetings from paradise! My family and I are amazed at what God able to do here. Much sin and hopelessness abounds, but thank God for His grace. We are plowing and breaking up the fallow ground! The harvest will come!

We are seeing small miracles every week. Just last week while outreaching Renee was told about an elderly woman "I've been watching you for two years, I hear your husband preaching, you will

see me soon....." Many tell us they are seeing me and are listening.

On one of our outreaches we were witnessing, and I stopped to speak with this Rasta man (short for Rastafarian). He was very open and even willing to pray! This was a personal miracle for me as the response is usually harsh and negative.

I have been steadily working with the troubled youth. There are various mentor groups and often they are very responsive to our vision and faith for change.

There was a meeting where 30 boys from all schools came and heard from me about crime prevention and of course the Gospel. This has been good as there are people who would never come to the church, now I have opportunity to witness to them. They are opening up and expressing interest to the church (we are different and they say so).

Lastly, I have been working with a young man named King. When I started the school took notice of his change. They pulled me into a meeting and asked me to speak to a class once a week. I have been preaching to them about P. Greg's Lifestyle Lessons from the Bible. They are opening up and asking lots of questions.

I have full access to preach anything. I will be doing a concert there this month.

We appreciate this wonderful opportunity to witness a genuine move of God. Thank you for your prayers!

**Roquetas de Mar, Almeria, Spain**  
**Potter's House**  
**Pastor Heriberto Lapizco**

**G**reetings from Roquetas de Mar, Spain.

We have had a powerful and supernatural revival with Evangelist Paul Boddy from England. It was a visitation from on high, an outpouring of the Holy

Ghost upon the church. New believers were baptized with the Holy Spirit. Also we saw healing miracles of migraine, back pains, and several diseases.

One special miracle of healing happened in a pastor's wife. She was suffering a strong pain in her back. Her backbone was diagnosed five days before with osteoarthritis, sclerosis and a herniated disc. After Pastor Boddy prayed for her, the pain was gone, her face changed totally, and now she is enjoying her healing. Praise God!

During revival services the church was edified in the supernatural dimension, in our Pentecostal heritage, also with end times sermons, so the believers were encouraged strongly to keep on in preaching Jesus because the harvest of souls is before us.

Pastor Boddy was preaching in our national men's rally, where more than 80 men were gathered together to receive of his ministry. Every pastor and disciple was strengthened and challenged for a great revival in Spain.

Pastor Paul Boddy ministers revival in Spain

**Zagreb, Croatia**  
**Potter's House**  
**Pastor Justin Entong**

**B**og ja Dobar, God is good! First of all we would like to thank everyone who prays for us. It is invaluable to experience the spiritual support of the Fellowship.

God is moving in our city. This past year we stepped out in faith by organising our own One80s, healing services and park evangelisms. We welcomed impact teams from Romania, Holland and Waltham Forest, UK. All of these teams have left a lasting impact on our city and church.

God has blessed us with hundreds of

Pastor Heath Flitcroft outreaches to Rasta man in St. Lucia

converts, healings and new people added to the church.

We have baptized several people and recently six new converts were instantly filled with the Holy Spirit. God is raising up young men in the church who have a vision to reach the world, we hold monthly discipleship evenings with men between the ages of 12 and 67!

The Balkans are open to the Gospel and spiritually ripe for harvest.

We would like to thank Pastor Mitchell and Schuitema for their leadership and investment in our country.

**Chiawelo, Johannesburg,**  
**South Africa**  
**Potter's House**  
**Pastor Shanin Jukskei**  
**Corres: Cherie Jukskei**

**Testimony**  
**Prudence Lepota**

**M**is Prudence Lepota from Chiawelo Soweto, South Africa.

I've been attending the Potter's House Chiawelo since December

2023, under the leadership of Pastor Shanin Jukskei, and God has been doing remarkable things in my life.

Before coming to the Potter's House I considered myself a Christian, but I was struggling with sin, fornication to be specific. I told myself that I loved God but I just couldn't shake off the immoral relationship I was involved in with my ex-boyfriend. That relationship was affecting me in every area of my life - my financial and physical health, and my child.

One day I had a dream. I saw myself just going to the the Potter's House. I instantly understood what the dream meant. My son and I went to the Potter's House after receiving a flyer after seven months of searching for a church. I got there, received Christ as my Lord and Savior got baptized. I felt courage to break away from my immoral relationship and submitted fully to the Lord,

I'm learning how to serve God and my fellow brothers and sisters in Christ.

In July I got sick due to witchcraft. I had terrible headaches in which I was unable to, sneeze, cough, laugh or even stand up. I couldn't do anything without feeling pain. Pastor Shanin prayed for me and I was healed from that heavy oppression.

October 2024 I hurt my lower back while cleaning. My lower back just popped, a fowl smell came out of my body and I felt an electric shock through my body. From that point onwards, I couldn't move at all for awhile. I cried out to God and asked my son to help me pray but the pain was unbearable. I was just semi-paralyzed. My son had to do the cooking and he is only nine years old.

My Pastor and his wife sister Cherie came to my home and prayed. Pastor Shanin refused to leave until I was healed, until I could bend over and touch my toes. I received a miracle right there in my apartment after I forgave someone that has hurt me in the past. I still get emotional when I think of that day. I instantly walked, and I could breathe properly because the pain was gone.

God just keeps on doing great things in my life and my son's life in this Fellowship, and the love and support we receive is amazing.

Glory be unto God!

**Olongapo City, Subic Bay,  
Philippines  
Potter's House  
Pastor Joe Farnella**

**P**raise God from SBFZ Olongapo City.

God is building our church one brick at a time and people are catching the vision. We had our first revival/crusade

Prayer during Healing Crusade in Subic Bay, Philippines

which is a powerful milestone with Pastor/Evangelist Patrick Johnson.

The barangay opened to us the basketball court for two nights so that the people of our area could hear the Gospel. On our first night we had a typhoon, yet we still had 40-plus people come. Paco Church sent an outreach team as well as Angeles City and a sister church here in Olongapo. We had live music and fantastic preaching but more importantly 11 people came to know Jesus as Lord that night.

The next day the typhoon was dissipating but we still had monsoon rains and people still came and surrendered to Jesus. The next three services we moved into our building to 35- 40 each evening service. We saw people healed, and lives changed.

From this revival we had two new couples, neither of which were married. They were so challenged that both are going to be married!

Pastor Johnson wanted to get a Barong Tagalog (dress shirt here in the Philippines) so we went to the mall. While looking there was a song on the announcement system that he began to hum. They asked, "Would you like to try to sing on our karaoke platform?" We were floored and he said yes. We

had an impromptu outreach sanctioned by the store! Instant in season and out.

Our church of about 30 or so understood the significance of other churches sending disciples to help impact our city. Pastor Tony Frates from Angeles City asked for help, so I put up a sign-up sheet for volunteers to impact that city. I had more than half the church sign up. We only had room for 11 people to go but the others will go the next time. There

is something special when you work in another man's field in this harvest. I am sure that not only those we impacted were helped but our church as well because you reap

what you sow.

I want to thank the Fellowship for their trust in allowing Lynn and I to be part of God's work, especially Pastor Mitchell, my Pastor James Rosario and the whole Killeen Fellowship

May God bless you for your giving and trust in us. The Philippines covets your prayers and are impacted by them.

**Hurstville, NSW, Australia  
Potter's House  
Pastor Darren Munzone  
Corres: Nina Samy**

**G**'Day from Hurstville, Australia. This year at Potter's House Hurstville has been nothing short of amazing. While we've faced some challenges, including setbacks with securing our new church building, God's faithfulness has carried us through. God is so good!

One of the standout events in recent months was the Island Vibes Concert, which celebrated the richness of Polynesian culture while sharing the Gospel. It was held over two nights, and the events featured vibrant music, life-changing testimonies, and preaching. By the end of the two nights, we had over 350 vis-

itors from the local community, and around 90 individuals had made the decision to give their lives to Jesus.

Over the past few months, we've sent several impact teams to our pioneer churches. The saints from Hurstville were involved in outreaches, street evangelism, and preaching the Gospel with boldness and passion. Many of our saints have returned with a renewed passion for evangelism and a sense of calling to preach and step into greater responsibilities in the kingdom of God.

Our church family is truly growing, and we are amazed by how God is moving in our midst. We eagerly look forward to seeing what God has for Hurstville in 2025.

Please continue to pray for the Hurstville church as we pray for you.

**Testimony  
Breanna**

**M**is Breanna. I'm 18 and blessed to be saved by the grace of God.

From a young age I had preconceived expectations to be the perfect daughter. During my childhood, I eagerly searched for academic validation and pressured myself to be the best of the best. Trying to be a perfect girl in an imperfect world was troublesome. Entering my teenage years with a void still in my heart I turned from all that I knew and changed entirely.

I was seeking a relationship and male validation that I lacked from my earthly father to fill that hole in my heart, engaging in self-affliction, drinking alcohol and putting on a facade in front of everyone I knew. I had reached a low point of my life where I felt that nobody loved me, I wasn't appreciated, and I was so imperfect.

One day I heard about how I could accept God into my life and restore my brokenness. On the 20th of January 2023, I was saved and washed clean of my sin and shame. I now live in God's overflow with a guaranteed Father in Heaven who loves me, for He creat-

ed me to have a purpose to serve and love others. I truly have the favour of God upon my life with a new identity in Christ, restored relationships, and belonging in my church family.

**Porvorim Goa, India**  
**Victory Chapel**  
**Pastor Archie Brown**  
**Corres: Scott Leclerc**

Victory Chapel Porvorim Goa is proud to share a victory report.

We had not one but two Jesus People Weddings this year and both couples are excited to be sent out and take cities for Jesus!

We hosted the Pastor's Workshop in April where 15 pastors and pastor's wives came for a much needed time of ministering and fellowshiping.

We followed straight after with a revival with Pastor Fino Baca from Idaho Falls in April that brought many first time visitors to the church while ministering to the congregation with gifts and power of the Holy Spirit.

We sent our first out-of-state Church Impact Team to Pune in September to bless the church there, led by Pastor Chris Pedraza. We had fruit from the outreach and visitors during the concert that are still faithfully coming for Sunday services.

Pastor Lavino took over the church in Margao (South Goa) becoming our first baby church. We know God loves the South of Goa and will use us to bless the city.

We have invested in the remodeling of our church by expanding our hall and adding a few upgrades to the sanctuary. We are expecting God to increase our numbers and honor our investment and sacrifice.

Our church is about to celebrate five years in the month of January and this would not have been possible without your prayers and support. We want to thank all our leaders and the faithful saints of our Fellowship. Special thanks to our Mother Church in Ogden, Utah whom we are indebted to.

Keep praying for us as we pray for you.

Pastors and wives workshop in Porvorim Goa, India

**Hyderabad, India**  
**One Way Christian Center**  
**Pastor Jonathan Rice**

Hello and God Bless, from the great city of Hyderabad, India! Jesus is ALIVE and moving powerfully in this nation, and we are grateful to be part of the Harvest!

We opened the church on Easter Sunday, March 31st, 2024. In the past months God has been pouring out last days revival just as He promised!

About a month after opening, a young man told me he needed to confess something. I braced myself for the worst, as he was our most

faithful fruit at that point. He told me "when you preached about God's healing power a few weeks ago, I thought you were lying." I asked him why and he said "Because I saw a Bollywood movie where they were faking healings, so I thought all healings were fake." I asked him "So... what changed?" He replied "you prayed for me after the service and God healed me of pain in my stomach."

I'm thinking, OK God healed you of a tummy ache, praise the Lord. Nope! SIX MONTHS of bleeding out of his stomach every day, GONE and never returned! Praise God!

Another young girl came into the church with pain in her chest. We prayed for her, and the pain immediately left. She then told me it originated from anxiety over her mother's death three years

ago, and that it was affecting her ability to work, as the pain and anxiety would completely overwhelm her. We prayed again and the anxiety and chest pain of three years have left and not returned!

Recently in prayer we have been contending for God to move supernaturally, specifically that He would work on people's hearts even in their dreams, and that they would be saved. Not long after, a young man I have never met called me on the phone, telling me that every night he was having dreams of being attacked by snakes - but in the dream Jesus came to him and rescued him. Through tears he said Pastor, I want to become a fol-

Hyderabad, India congregation

lower of Jesus. After praying for salvation that day, he came to morning prayer the next day, and we have been working with him ever since. Ours is the God of the supernatural!

We recently had a revival with my Pastor, Sam Rice. In it we baptized 10 precious souls, and several key people were added to the church. Disciples are rising up, daily anywhere from five -10 join for morning prayer, and our concert scene is filled with young people excited to preach Jesus!

We are passionately holding onto the pattern of sound teaching that has been given to us by our leaders, and we're excited for all God is going to do in the near future. Hyderabad will be won for Jesus through Evangelism, Discipleship, and someday, this baby church is going to plant churches!

**Mandaluyong City, Philippines**  
**Potter's House**  
**Pastor Alberto Desepida**  
**Corres: Perry Malupa**

**G**reetings from Mandaluyong City, Philippines!

God is moving with increasing intensity, much like the birth pains described in Scripture – growing more intense as we eagerly anticipate what God is about to accomplish.

On August 24, we held our ONE80 Jam Concert outside the church. Time and again, we've seen that the methods God used in the past remain effective today. The Holy Spirit moved powerfully that night, resulting in 45 souls surrendering their lives to Christ. Through music and preaching, many others heard the life-transforming message of the Gospel.

On October 26, we cast our nets once more with a Halloween full-length Drama presentation. This thought-provoking performance spoke directly to today's generation, highlighting the inner struggles and battles that often lead to depression and the alarming rise in suicides. As the Gospel was proclaimed, it brought a light of hope to a generation feeling overwhelmed by darkness. The event drew an attendance of over 353 people, with at least 53 individuals choosing to give their lives to Christ.

The highlight of this report is undoubtedly our Bible Conference held from November 4 - 8 which is marked by a powerful stirring in the hearts of the attendees, both corporately and individually. On Monday night, Pastor Boyet delivered a compelling message on the good seed, the Lord Jesus Christ who offered Himself, and died to save us, and that the HARVEST is now ready and plentiful because of His sacrifice. He challenged us to do likewise—to offer ourselves, if we want to be fruitful.

Our main speaker, Pastor Daryl Elliott, spoke about the higher calling from God. This year's conference theme, "HARVEST," underscores everything we do.

On the final night, 14 couples were announced to be sent out into the harvest field – one to Japan, seven to pioneer

and seven others to take over churches. We praise God for these dedicated men and women who have answered His higher calling.

Please remember us in your prayers. God bless.

**Lusaka, Zambia**  
**Potter's House**  
**Pastor George Karabassis**  
**Corres: Brian Samuhela**

**G**reetings from Lusaka, Zambia! We are grateful to share some highlights of the recent events in our church.

We have continued with our regular outreach programs on Saturdays and God has given us fruit every time. Over the past few months new people have come into our church and remained due to our neighborhood outreach programs.

One guy by the name of Vorster, who has been coming to our church for the past few months, recently invited his mother, sister and brother for service. His brother, Twalumba, got saved during the morning service and got baptized during the afternoon service together with his sister Diana.

In October, we had a special outreach dubbed Summer Slam where we had music, drama, and a wrestling match. The turnout was amazing as we saw about 300 people in attendance. At the end of the concert we had 58 people give their lives to Jesus Christ!

Two weeks after this event, we held our annual soccer tournament outreach. Pastor George Karabassis invited Pastor Chikonde Malindima to be our guest preacher during the two-day five-a-side soccer sensation, where we saw a great number of youths attend. We witnessed 100 decisions made for Christ.

A week after the soccer tournament, our Outreach Director, Austin Phiri,

strategized a unique follow-up program which was conducted by making phone calls to new converts as we had multiple decision cards from our previous outreach programs.

Toward the end of October, Pastor Simon Kakumbi ministered powerfully to the youths during Crossfire Youth and at the end, we had four people give their lives to Jesus.

We have continued supporting our baby churches by sending impact teams. We recently had a Jah Night concert in Matero where we saw 11 adults and 12 children respond to the Gospel, and we had a Club One80 outdoor concert in the newly established Meanwood Ndeke church where Charles and Sandra Kakoma are pastoring, and 39 people gave their lives to Jesus.

Lusaka, Zambia team ministers for baby church

In the evening, we did a play titled Richard's Story and 23 people surrendered their lives to Christ after the play, totaling 62 souls out of that day's outreach.

In mid-November, our impact team went to Chilanga, located south of the central business district, where our baby church, pastored by Samuel and Doreen Ndhlovu is situated. We had an all-day outreach. During the day, the team witnessed while inviting people for the evening concert. There were 34 decisions from the morning and afternoon outreach. During the Club One80 concert in the evening, 26 people gave their lives to Jesus. A total of 60 people got saved out of the Chilanga outreach.

Jesus is alive and He is still saving lives. Pray for our Fellowship church in Central-Southern Africa as we pray for you!
